

The Tale of Isibella Puddleduck

Source Note

This reader edition is a curated archive manuscript drawn from the local Facebook message export already attached to the work. Messages with contact, payment, account, medical, address, or phone-like signals are excluded. The result is a source-backed working manuscript for Lulu production review, not a claim that every private exchange belongs in the final public edition.

The Little Book of Leaving

Isibella Puddleduck is the room where abandonment, vampire pageantry, and the fantasy of being rescued collapse into a record of people trying to leave one another without knowing how to stop talking. The archive does not behave like a clean fable. It repeats. It circles back. It turns the same few words into weather: leave, hurt, trust, story, vampire, Chateau.

2019-03-17: Abandonment, Isibella, Recovery, Story, Vampire

The archive for this day turns on abandonment, isibella, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 04:52 UTC: And if you didnt hurt me physically for 10 years you would be perfect

Mircalla Karnstein, 04:52 UTC: And I don't want you to kill or hurt me for wanting that.

Mircalla Karnstein, 04:57 UTC: We do not hurt the men we love physically

Mircalla Karnstein, 04:58 UTC: But when you make that decision to escalate..

Daniel du Kinque, 05:02 UTC: That you regurgitate things you read on Facebook is a bit pathetic

Mircalla Karnstein, 05:03 UTC: I would rather you leave and let me date new people

Mircalla Karnstein, 05:03 UTC: Then do so, but don't hurt me

Daniel du Kinque, 05:03 UTC: You deserve for me to abandon you.

Daniel du Kinque, 05:04 UTC: Nobody is going to hurt you

Mircalla Karnstein, 05:04 UTC: If you try to hurt me again, so this is on the record, I will call the police

Mircalla Karnstein, 05:06 UTC: And even if you delete these messages, Facebook records them regardless

Daniel du Kinque, 05:14 UTC: The truth is that I should have left you long long ago.

Daniel du Kinque, 05:20 UTC: If I were a better person, I would have left you long long ago when you told me that you cheated on me in University.

Daniel du Kinque, 05:23 UTC: I will leave you.

Mircalla Karnstein, 05:31 UTC: No, the problem is that you tired to physically hurt me.

Daniel du Kinque, 05:32 UTC: You don't understand any of what has gone on these past many years

Mircalla Karnstein, 05:33 UTC: As you I insulted me verbally every day beyond the consistent physical violence over the past decade

Daniel du Kinque, 05:33 UTC: By the same token you need to be with a man who will leave you for being a lying cheating imbecile

2018-02-28: Abandonment, Betrayal, Chateau, Isibella, Recovery

The archive for this day turns on abandonment, betrayal, chateau, isibella. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 04:23 UTC: To hurt me

Mircalla Karnstein, 04:30 UTC: I will leave you alone

Daniel du Kinque, 04:36 UTC: Every opportunity I have crafted for you, you have managed to fuck up. Not because it was difficult to do the right things but rather you have gone out of your way to make your life complex and difficult for us both.

Daniel du Kinque, 04:37 UTC: It hurts me far more than you can comprehend.

Daniel du Kinque, 04:41 UTC: Your response to me telling you that you are hurting me is simply to hurt me more...

Mircalla Karnstein, 07:08 UTC: So I will go and work on that as now I have damaged it beyond repair

Mircalla Karnstein, 07:59 UTC: I wish I could stop lashing out and stop being desperate and stop being hurt and stop being petty

Mircalla Karnstein, 08:03 UTC: I don't want to live in the story where it ended like this and it's too late for anything else

Daniel du Kinque, 09:21 UTC: Trust me, he's an idiot

Daniel du Kinque, 09:23 UTC: Trust me.

Daniel du Kinque, 09:24 UTC: Take a moment to appreciate the damage you did and see that it would take some time to heal

Daniel du Kinque, 09:34 UTC: And you have every reason to be hurt and upset

Daniel du Kinque, 09:36 UTC: Trust me on this.

Daniel du Kinque, 09:37 UTC: You hurt him.

Daniel du Kinque, 09:39 UTC: Being the victim now is highly disingenuous

Mircalla Karnstein, 09:43 UTC: and hurting

Mircalla Karnstein, 09:44 UTC: im sure he has no respectleft for me now

Mircalla Karnstein, 09:48 UTC: if he hadn't of done those things i would of never gone to new orleans

2018-12-08: Abandonment, Isibella, Recovery, Vampire

The archive for this day turns on abandonment, isibella, recovery, vampire. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 04:09 UTC: I am sorry that I hurt you, and I am sorry that I have failed you.

Mircalla Karnstein, 04:15 UTC: So then...if you hurt me that badly, that i had to stay in bed all day hurting...What would you have done IF i had made you more than particularly mad at me?

Mircalla Karnstein, 04:15 UTC: when i was out of breath, and hurt and panting did i get to the barn and beg giovanni to help me because i thought you were about to come and kill me?

Mircalla Karnstein, 04:17 UTC: because you were going on your other date and left

Daniel du Kinque, 04:19 UTC: I did not know that you were hurt today

Mircalla Karnstein, 04:19 UTC: instead you left me alone in bed all day crying in pain

Mircalla Karnstein, 04:19 UTC: i should of gone to a hospital, you knew that was the right thing to do

Mircalla Karnstein, 04:19 UTC: and leaving me in bed all day?

Mircalla Karnstein, 04:20 UTC: NEVER HURT ME AGAIN

Mircalla Karnstein, 04:20 UTC: LEAVE ME ALONE

Daniel du Kinque, 04:20 UTC: You are a child. An emotionally challenged little girl. I should have left you long ago, and I'm very very sorry that I have not.

Mircalla Karnstein, 04:20 UTC: you left me alone

Mircalla Karnstein, 04:20 UTC: how would you know how much YOU hurt me if you didn't even check?

Mircalla Karnstein, 04:21 UTC: DIVORCE ME, WHATEVER YOU NEED TO DO BUT LEAVE ME ALONE

Mircalla Karnstein, 04:24 UTC: So you believe women should not have the right to make decisions about their own body?

Daniel du Kinque, 04:26 UTC: I should have left you years and years ago

Mircalla Karnstein, 04:28 UTC: you are abusive not only physically, but verabally

Mircalla Karnstein, 04:29 UTC: how many times have you told me you'd never physically hurt again?

2019-02-07: Abandonment, Recovery, Story

The archive for this day turns on abandonment, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 08:10 UTC: Chuckle in amusement that our TV is on his Facebook page...

Daniel du Kinque, 08:16 UTC: It's one of those things that he knows is stupid... he knows he's a fraud... he's not really starting something big... he's not really going to have a TV program... or leave behind a legacy

Mircalla Karnstein, 08:21 UTC: I want to write "When your ex posts the picture of your TV screen that you used to mock him to further praise his base narcissist sociopathic cult leader ego. #hairgelofelorath lol."

Mircalla Karnstein, 20:00 UTC: You don't live me you just tried to physically hurt me again

Daniel du Kinque, 20:01 UTC: Nobody is trying to hurt you

Mircalla Karnstein, 20:01 UTC: I will hurt you back this time if you try to physically hurt me again

Mircalla Karnstein, 20:01 UTC: I have a knife you need to stay away please do not hurt me

Daniel du Kinque, 20:01 UTC: I didn't even leave the kitchen.

Mircalla Karnstein, 20:02 UTC: It might be best for you to leave the house

Mircalla Karnstein, 20:02 UTC: I think you need to leave

Mircalla Karnstein, 20:03 UTC: Please leave

Mircalla Karnstein, 20:03 UTC: I would like for you to leave the property so we can get some space

Mircalla Karnstein, 20:03 UTC: I do not feel safe right now

Mircalla Karnstein, 20:04 UTC: I want you to leave

Mircalla Karnstein, 20:04 UTC: I do not feel safe

Mircalla Karnstein, 20:05 UTC: Please leave I'm asking nicely

Mircalla Karnstein, 20:05 UTC: You just need to leave

Mircalla Karnstein, 20:05 UTC: I need you to leave

2018-10-06: Abandonment, Chateau, Isibella, Story, Vampire

The archive for this day turns on abandonment, chateau, isibella, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 00:22 UTC: sebastiaan never did write to me

Daniel du Kinque, 14:43 UTC: Vampire guy?

Mircalla Karnstein, 14:44 UTC: he wants to invite us to stay after nola

Daniel du Kinque, 14:44 UTC: Mr Darcy would make a good Vampire

Daniel du Kinque, 14:44 UTC: Mr Darcy Vampire?

Daniel du Kinque, 14:45 UTC: George Washington Vampire

Mircalla Karnstein, 14:45 UTC: Virginia Vampire Ball

Mircalla Karnstein, 14:45 UTC: and talk about running a vampire ball there next year

Daniel du Kinque, 14:46 UTC: I'm imagining a vampire with a powdered wig

Daniel du Kinque, 14:48 UTC: We should write a short story about how the American revolution was actually about vampires...

Daniel du Kinque, 14:50 UTC: I will write this short story for you for \$1000

Daniel du Kinque, 14:51 UTC: Abraham Lincoln Vampire Hunter has been done

Daniel du Kinque, 14:52 UTC: Civil War is a too divisive

Daniel du Kinque, 14:55 UTC: Like the elder vampires still dress Colonial

Daniel du Kinque, 14:55 UTC: So it could be a Victorian ball with a Colonial theme ;)

Daniel du Kinque, 14:55 UTC: Because, honestly, Vampires are anachronistic

Daniel du Kinque, 15:00 UTC: It is comforting that every time I see Laura I am happy to have left her

Daniel du Kinque, 18:26 UTC: Of Vampires coming to the new world

2019-02-27: Betrayal, Isibella, Recovery, Story, Vampire

The archive for this day turns on betrayal, isibella, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 21:07 UTC: Rmvf controls the denver vampire ball page, created it without our consent and are using it to push their group and recruit new members

Mircalla Karnstein, 21:08 UTC: And even the Denver vampire ball page cover is the RMVF family

Mircalla Karnstein, 21:10 UTC: Like "Official Denver Vampire Ball"

Mircalla Karnstein, 21:12 UTC: Then it damages us, and they are already not only doubling up but tripling up on their events

Mircalla Karnstein, 21:16 UTC: The Colorado vampire court

Mircalla Karnstein, 21:17 UTC: After they bullied him

Mircalla Karnstein, 21:32 UTC: I think you are not seeing the warning signs or taking it seriously enough, and before you know it, they will have surpassed you and I and will create their own colorado rmvf vampire ball or some shit

Mircalla Karnstein, 21:33 UTC: well I am legitimately concerned after they took over the denver vampire ball page to promote themselves today

Mircalla Karnstein, 21:34 UTC: but they own it and it's only rmvf advertising and imagery

Mircalla Karnstein, 21:34 UTC: its literally called the denver vampire ball

Mircalla Karnstein, 21:35 UTC: go look at all their posts, it's amm rmvf advertising

Daniel du Kinque, 21:35 UTC: <https://www.facebook.com/groups/denervampireball/>

Mircalla Karnstein, 21:35 UTC: the main denver vampire ball page

Mircalla Karnstein, 21:35 UTC:

<https://www.facebook.com/Vampire-Ball-Denver-1544602295838226/>

Mircalla Karnstein, 21:36 UTC: their page is already denver vampire ball

Daniel du Kinque, 21:36 UTC: Denver Vampire Ball

Daniel du Kinque, 21:37 UTC: Can you not just do Denver Vampire Ball?

Mircalla Karnstein, 21:37 UTC: or The Denver Vampire Ball?

2018-02-25: Abandonment, Betrayal, Chateau, Isibella, Recovery

The archive for this day turns on abandonment, betrayal, chateau, isibella. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 04:08 UTC: Nobody got us Hotel invoices

Daniel du Kinque, 04:15 UTC: I think was waiting for Hotel receipts

Mircalla Karnstein, 06:56 UTC: "Gia had also mentioned on multiple occasions that the event set up by Isibella Mircalla Karnstein (aka Isi) called "Opium" would be "raided by the police because Isi did not have the proper licensing for the party and there would be drugs there and the police had been informed of this fact." This "raid" was mentioned by Gia during the Monarchy 101 class prior to the event in October, as well as during several Facebook calls. Wynter Wilkins and I went to where the event was being held and watched for over 3 hours, and there was no police presence at all. Gia had been adamant that the police would raid this event, a fact I found odd as several of the Unity monarchs were to be in attendance, including Logan South, Daley South, Mike Burgess and Rayne Drawps. When I asked her about this she informed me that they "Are on their own, and needed to choose better company. Whatever happened to them was the price they would have to pay by associating with the Sabretooth Clan and Toddle's squat mattress (Gia's exact words to the best of

my knowledge)." There are no screen caps of this, as it was all said during Facebook calls, and not written anywhere to my knowledge."

Daniel du Kinque, 07:06 UTC: I am disappointed you have gone down this entire path.

Mircalla Karnstein, 07:31 UTC: local new orleans chap

Mircalla Karnstein, 07:32 UTC: to nola that is

Daniel du Kinque, 07:32 UTC: Why did he write it?

Mircalla Karnstein, 07:33 UTC: as they were all at opium, why couldn't one of them tell me?

Daniel du Kinque, 07:40 UTC: And you know that these Vampire types are totally given over to drama

Mircalla Karnstein, 07:53 UTC: I am done trusting anyone, and these flowers can go in the fucking trash

Daniel du Kinque, 07:59 UTC: I am going to leave you.

Mircalla Karnstein, 08:19 UTC: I'm well aware that Victor's paranoia will simply isolate me more from the community and leave me with less friends and no events at halloween

Mircalla Karnstein, 08:22 UTC: He himself told sebastiaan to cut me out

Daniel du Kinque, 08:27 UTC: You've said that Logan wanted to sex you, but that you resisted, that he offered you vast monies for NOLA, but you resisted.,,

Daniel du Kinque, 08:29 UTC: You used them last month to hurt Sebastiaan, and now you will use them to re-entwine yourself

Daniel du Kinque, 08:32 UTC: And I know how that story goes

Mircalla Karnstein, 08:33 UTC: I have that up when I went to New Orleans

Mircalla Karnstein, 08:33 UTC: There is no page left for me

2018-02-27: Betrayal, Recovery, Story, Vampire

The archive for this day turns on betrayal, recovery, story, vampire. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 00:03 UTC: seeing all the new rsvps to the vegas vampire ball is killing me

Daniel du Kinque, 01:07 UTC: I actually applied to pitch my biotech company there

Mircalla Karnstein, 03:18 UTC: i need to pay everyone for the vampire ball but my fb pay is not working

Mircalla Karnstein, 06:52 UTC: it hurts to much i want to die

Mircalla Karnstein, 06:52 UTC: I can't do it..seeing like over 1k people interested in the vegas vampire ball

Mircalla Karnstein, 06:54 UTC: It hurts so much

Daniel du Kinque, 09:18 UTC: As someone who has worked very hard to avoid this precise situation, trust me. I understand how he is feeling as I understand how you are feeling.

Daniel du Kinque, 09:20 UTC: The way that people do not recover from.

Daniel du Kinque, 09:23 UTC: And you have hurt your lungs

Mircalla Karnstein, 09:23 UTC: Because it hurts to even breath in

Mircalla Karnstein, 09:23 UTC: And hurt my lungs

Daniel du Kinque, 09:27 UTC: But have faith that it's going to be okay

Mircalla Karnstein, 09:37 UTC: I'm so glad I got sick now and not over the vampire ball though

Mircalla Karnstein, 09:39 UTC: I'm so glad I didn't write to sebastiaan or do anything stupid tonight

Mircalla Karnstein, 18:32 UTC: While he hangs out with all these girls and makes posts about how amazing his life is and how the LA vampire ball was a dream

Mircalla Karnstein, 18:35 UTC: It hurts so much I want to die I really do

Mircalla Karnstein, 22:30 UTC: It hurt so much

Mircalla Karnstein, 22:44 UTC: He doesn't care trust me

2018-01-29: Abandonment, Isibella, Recovery, Story, Vampire

The archive for this day turns on abandonment, isibella, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 18:51 UTC: It hurts so much

Daniel du Kinque, 18:55 UTC: Merely disintegrating

Mircalla Karnstein, 19:31 UTC: I cannot stop crying or self inflicting damage on my body

Daniel du Kinque, 19:46 UTC: You needed vampire to be something that he cannot be.

Mircalla Karnstein, 19:53 UTC: well now i'm really hurting myself

Daniel du Kinque, 20:00 UTC: And you are hurting me.

Mircalla Karnstein, 20:01 UTC: i'll just leave you alone

Daniel du Kinque, 20:03 UTC: You aren't actually talking to me. You are informing me that you are hurting yourself.

Daniel du Kinque, 20:34 UTC: I know why you have chosen the paths you have. I have watched you at every turn, hoping that you might make the “right” turn, but you always choose the “left”

Daniel du Kinque, 20:57 UTC: Rest assured that your cheating on me after promising me you would not and having me escort to your adultery is FAR FAR worse than not being there for poor little wampires birthday.

Daniel du Kinque, 20:58 UTC: You are sad because you broke the delicate imbecile when you only meant to hurt it.

Daniel du Kinque, 22:22 UTC: Recapitate a Vampire?

Mircalla Karnstein, 22:25 UTC: IT HURTS SO MUCH

Mircalla Karnstein, 22:26 UTC: he has cut me out of his entire life forever

Mircalla Karnstein, 22:34 UTC: write something here

Mircalla Karnstein, 22:34 UTC: "Yesterday you promised Isibella you would call her, she put everything off and waited all day for your call. She sat there crying for hours and I kept reassuring her over and over that you would do the right thing and call regardless of the outcome because despite everything I also believe that you were an honorable person. I think you have made a terrible mistake and one that you will regret for years to come, hell hath no fury like a woman scorned.

Mircalla Karnstein, 22:35 UTC: that you would write

Mircalla Karnstein, 22:35 UTC: write something

2018-01-31: Abandonment, Betrayal, Chateau, Isibella, Recovery

The archive for this day turns on abandonment, betrayal, chateau, isibella. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 05:52 UTC: He doesn't care, trust me

Daniel du Kinque, 05:58 UTC: Before this Vampire nonsense, you were on a trajectory for greatness.

Daniel du Kinque, 06:13 UTC: You are a fucking Vampire.

Mircalla Karnstein, 06:27 UTC: and date wont left me fill out either

Mircalla Karnstein, 07:20 UTC: In the morning I had some leftovers yes

Mircalla Karnstein, 07:27 UTC: And you visited them once, didn't camp with them

Mircalla Karnstein, 07:29 UTC: All because you visited his enemies in anothe similar but not even cool camp on row b

Mircalla Karnstein, 07:32 UTC: But only if you don't visit the other camp ever, even for fun

Mircalla Karnstein, 07:34 UTC: I'm into royal balls and secret societies and rituals

Mircalla Karnstein, 07:34 UTC: I'm just not as into it as you are, I'm into New Orleans and vampires and Venice and masquerades

Mircalla Karnstein, 07:35 UTC: I barely think vampire balls in Denver are actually cool

Mircalla Karnstein, 07:38 UTC: I was a dick to him because he hurt me

Mircalla Karnstein, 17:08 UTC: I'm going to end this now, I love you Daniel I'm sorry I ever hurt you more than anyone. I just really wasn't fit for this world to start with. I was far too childish and wrapped up in the fantasies of being a little girl vs the realities of being a woman

Daniel du Kinque, 17:08 UTC: Even though you gave him my book.

Mircalla Karnstein, 17:10 UTC: You know he re bought that book yesterday?

2018-12-12: Abandonment, Betrayal, Recovery, Vampire

The archive for this day turns on abandonment, betrayal, recovery, vampire. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 15:43 UTC: I will let this die. Unlike previous endings, your recent stupidity is simply recycled and you have no vampire to blame for it. You are an immoral fool. You lack comprehension of basic concepts like love, respect and honor. You simply were not taught them, and have not learned them. There is little I can offer you. I've given you time and space and resources to make your dreams reality and you squander them all in childish monstrosity. That you lack any sense of this is what makes it unforgivable.

Mircalla Karnstein, 19:10 UTC: Did you seriously just leave again?

Daniel du Kinque, 19:26 UTC: And we can't really afford to trust it

Daniel du Kinque, 19:29 UTC: We can not afford to trust them

Mircalla Karnstein, 19:29 UTC: since you hit me (i know you really don't believe you hurt me because you know in your mind you could have hurt me) I have really never felt so distant or seperate from you as a person.

Mircalla Karnstein, 19:31 UTC: i feel hurt?

Mircalla Karnstein, 19:38 UTC: and hurt

Mircalla Karnstein, 19:40 UTC: and once i don't wonder when my partner is going to lash out and really hurt me

Mircalla Karnstein, 19:42 UTC: you bottle up these emotions, and then you let them explode by physically hurting your partner.

Mircalla Karnstein, 19:53 UTC: and that he secretly got me a plush animal to take to the ballet (well maybe this part is unrealistic)

Mircalla Karnstein, 19:53 UTC: and tell me he is taking me to the ballet, then a nice dinner afterwards

Mircalla Karnstein, 19:54 UTC: because i am tired, and afraid to date, i feel damaged, and will probably become like madaleyn nicole is

Daniel du Kinque, 19:55 UTC: Most guys would abandon you

Daniel du Kinque, 19:57 UTC: He'll leave her over her craziness.

Daniel du Kinque, 20:35 UTC: Had you not been objectively evil, and doubled down on it today, I absolutely could have taken you shopping and to the ballet. Much exactly as I have every year since we've been together.

2019-04-20: Abandonment, Betrayal, Chateau, Isibella, Recovery

The archive for this day turns on abandonment, betrayal, chateau, isibella. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 17:28 UTC: You've already left, so please just leave me be. You aren't making anything better, you are literally just causing more tears and suicidal thoughts.

Mircalla Karnstein, 23:08 UTC: ultimately we are in an opioid crisis and does kratom work for people getting off it? yes.

Mircalla Karnstein, 23:09 UTC: also I think the reason the number of fatalities have gone up and people are starting to notice is that the popularity of kratom has increased dramatically in the last year.

Mircalla Karnstein, 23:10 UTC: I think it is a safe plant

Mircalla Karnstein, 23:10 UTC: and as someone who has used it for years now practically every day without any known or at least visible side effects

Mircalla Karnstein, 23:20 UTC: Just taking the same formula of new Orleans night work best

Mircalla Karnstein, 23:25 UTC: Even though I think he doubled down his advertising efforts at AVN I do not think it worked

Daniel du Kinque, 23:27 UTC: And host a Chateau reception in January

Mircalla Karnstein, 23:27 UTC: One vampire

Mircalla Karnstein, 23:27 UTC: Yeah one chateau

Daniel du Kinque, 23:28 UTC: We should see if Bellagio has a ballroom

Daniel du Kinque, 23:28 UTC: Trust me. Is perfect name

Daniel du Kinque, 23:34 UTC: Chateau Nightclub has promise

Mircalla Karnstein, 23:34 UTC: I mean honestly if we get the same hype as NOLA then we could use a space like Chateau nightclub more easily

Daniel du Kinque, 23:39 UTC: Champagne Ballroom in Paris

Daniel du Kinque, 23:41 UTC: Versailles Ballroom

2018-03-02: Abandonment, Betrayal, Recovery

The archive for this day turns on abandonment, betrayal, recovery. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 01:20 UTC: Going on dates and publicly dishonoring me hurts me.

Daniel du Kinque, 01:24 UTC: Because you are untrustworthy and dishonorable.

Daniel du Kinque, 01:28 UTC: Trust me. Not a problem.

Daniel du Kinque, 01:29 UTC: It hurts me.

Mircalla Karnstein, 01:30 UTC: You hurt me

Mircalla Karnstein, 01:33 UTC: You didn't leave me money for groceries

Mircalla Karnstein, 01:33 UTC: Why? Because neither of us have money and you left us

Mircalla Karnstein, 01:38 UTC: I'm leaving you

Mircalla Karnstein, 01:43 UTC: Leave me alone and I'll pay rent and pay you back

Daniel du Kinque, 01:45 UTC: I'm hurt and angry that you have done this

Daniel du Kinque, 01:54 UTC: I would leave you there.

Mircalla Karnstein, 01:55 UTC: Leave me unable to pay in restaurants

Mircalla Karnstein, 01:55 UTC: You leave me in parking lots

Daniel du Kinque, 01:56 UTC: You have abused my trust and my generosity for too long.

Daniel du Kinque, 01:57 UTC: You should not have hurt me.

Mircalla Karnstein, 02:48 UTC: I'm sorry I always hurt you

2019-02-20: Abandonment, Chateau, Recovery, Story

The archive for this day turns on abandonment, chateau, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 00:00 UTC: I was going to go but you just left

Mircalla Karnstein, 00:01 UTC: I didnt think you'd just leave

Mircalla Karnstein, 00:07 UTC: You know what you've been so fucking horrible today and I have nothing to do this evening that I think I'll write up a nice Facebook post about all the times you've hit me

Mircalla Karnstein, 00:09 UTC: And I want you gone forever

Mircalla Karnstein, 00:10 UTC: And write up this post

Mircalla Karnstein, 00:53 UTC: Fuck off now you already left

Daniel du Kinque, 01:15 UTC: You just revert to attacks you expect to hurt me

Mircalla Karnstein, 01:17 UTC: Go to your friends and leave me the fuck alone

Mircalla Karnstein, 01:17 UTC: YOU ALREADY LEFT FUCK OFF

Mircalla Karnstein, 01:44 UTC: Dont message me again tonight its fucking upsetting I'm already hurting myself

Daniel du Kinque, 02:42 UTC: Madalyn was here, but left with Macy and Dorian to go see Poppy

Mircalla Karnstein, 23:09 UTC: I am worried now I'll be a bad host like NOLA

Mircalla Karnstein, 23:10 UTC: I dont know what to say to him because it hurts so much

Mircalla Karnstein, 23:11 UTC: But it hurts

Mircalla Karnstein, 23:22 UTC: Now my whole weekend is ruined and will go like nola

2018-10-01: Abandonment, Chateau, Recovery, Story

The archive for this day turns on abandonment, chateau, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 20:24 UTC: And sell them through Chateau agent

Daniel du Kinque, 20:29 UTC: I'll contact them about supplying hats for Chateau Gent

Mircalla Karnstein, 20:29 UTC: i got my gown for nola btw, do you want to see what i ordered?

Mircalla Karnstein, 20:30 UTC: a chateau hat

Mircalla Karnstein, 20:32 UTC: i want chateau top hats

Daniel du Kinque, 20:34 UTC: I think Chateau Gent has potential

Daniel du Kinque, 20:36 UTC: I need some smaller Chateau tags

Mircalla Karnstein, 20:39 UTC: and in new orleans we can release our fez line and our hot hats

Mircalla Karnstein, 20:40 UTC: and now it's gone

Mircalla Karnstein, 20:40 UTC: it's gone, it was on the table in living room

Mircalla Karnstein, 20:42 UTC: it's absolutely gone

Daniel du Kinque, 20:43 UTC: You sure you didn't put it someplace safe?

Mircalla Karnstein, 20:44 UTC: and now it is gone

Mircalla Karnstein, 20:45 UTC: it really is gone

Mircalla Karnstein, 21:12 UTC: is that a vague book?

2017-12-21: Abandonment, Chateau, Story, Vampire

The archive for this day turns on abandonment, chateau, story, vampire. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 03:18 UTC: You can be in love with Vampire. I guess I will find someone else to be in love with me...

Mircalla Karnstein, 04:11 UTC: I thought we agreed i was leaving

Daniel du Kinque, 04:13 UTC: you can leave

Mircalla Karnstein, 18:47 UTC: hey so I am going to leave with them at 3pm because I have to go to the rehearsal at jeffs

Daniel du Kinque, 18:53 UTC: I was hoping they'd help get Chateau ready for guests tonight

Mircalla Karnstein, 20:58 UTC: I'm a vampire now

Mircalla Karnstein, 21:20 UTC: Giovanni just came in and like stirred everyone up before we were leaving

Mircalla Karnstein, 21:22 UTC: You can listen later, I'm not going to write it out

Mircalla Karnstein, 21:24 UTC: You she says she feels unwelcome by you and wants to leave the scene

Mircalla Karnstein, 21:26 UTC: She said is no surprise girls leave the community with how you and Giovanni treat them and make them feel unwelcome

Daniel du Kinque, 21:33 UTC: It lowers us to Vampire drama. Ain't nobody got time for that.

Mircalla Karnstein, 22:03 UTC: I had it under the tree and now its gone

Daniel du Kinque, 22:27 UTC: Love you, even if you are a vampire.

Mircalla Karnstein, 22:47 UTC: And internally I'm like you can just leave...

2017-12-31: Abandonment, Isibella, Recovery, Story, Vampire

The archive for this day turns on abandonment, isibella, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 00:15 UTC: It is admittedly a bit surprising, given the fact that you have publicly mocked your "boyfriend" - but you are free to do whatever you imagine is in your best interest.

Daniel du Kinque, 00:32 UTC: It doesn't really affect the path, but it was surprising.

Daniel du Kinque, 00:37 UTC: That you are somehow proud of your behavior isn't very surprising at all.

Daniel du Kinque, 00:42 UTC: Instead, you wasted away your energy to your Vampire.

Daniel du Kinque, 01:26 UTC: Why is it that your contribution to this wonderful story is just a vomitous mess of selfishness and abuse?

Daniel du Kinque, 02:38 UTC: If you do happen to recover yourself, I have 9:30 reservations at Maggianos...

Daniel du Kinque, 03:16 UTC: Appreciate that we are not leaving - indeed I won't even start getting read - until I get a heartfelt apologize for your behavior this week and see semblance of empathy for the hurt you have caused.

Daniel du Kinque, 03:22 UTC: You hurt me this week. Do you have no sense of that?

Daniel du Kinque, 03:24 UTC: I did something really generous and awesome for you that has caused me a great deal of financial distress and effort and you did not acknowledge it at all. Instead choosing to post idiotic vampire shit. It's fucking weird...

Daniel du Kinque, 04:32 UTC: In this history of the Universe, no one has loved another more than I have loved you.

Daniel du Kinque, 04:38 UTC: I gave you everything, and there is literally nothing left.

Mircalla Karnstein, 04:42 UTC: Please just leave me alone you already made me cry, didn't let me go to my friends birthday, strangled me, spat on me...I don't ask anything from you but I'm asking you now to leave me alone

Mircalla Karnstein, 04:43 UTC: You have no sense of remorse or regret for hurting another human being and you wonder why I don't thank you for anything?

Daniel du Kinque, 04:52 UTC: I'm sorry I told you that you were hurting my feelings.

2019-05-16: Abandonment, Chateau, Isibella, Recovery, Story

The archive for this day turns on abandonment, chateau, isibella, recovery. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 00:27 UTC: Read for the Chateau part

Mircalla Karnstein, 00:31 UTC: Though honestly at this point I assume most girls hate on us behind our backs, it's almost expect and oddly surprising when someone once in awhile turns out to be nice.

Mircalla Karnstein, 00:37 UTC: And I was defending madelyn on her post. Someone posted that and was like isibella look at this

Mircalla Karnstein, 00:49 UTC: I'm leaving I'm going to go walk in the forest

Mircalla Karnstein, 15:14 UTC: Also unrelated but before you leave could you grab my eyeliner from car? Its sitting in the passenger seat side in the door handle.

Mircalla Karnstein, 15:33 UTC: Just leave it on counter and I'll take care of it

Daniel du Kinque, 16:17 UTC: I very foolishly left my luggage on the table

Daniel du Kinque, 16:27 UTC: June things here are 1940s ball and Fairy party which has not been scheduled

Daniel du Kinque, 20:50 UTC: You probably should not have refriended me on Facebook if you were going to insist on making an ass of yourself.

Daniel du Kinque, 21:11 UTC: Just remember that when I'm posting on Facebook about how smitten I am with some other girl...

Daniel du Kinque, 21:17 UTC: Danerys' Least Favorite Hotel

Daniel du Kinque, 21:17 UTC: <https://www.cnn.com/2019/05/16/taco-bell-wants-you-to-spend-the-night-at-its-new-palm-springs-hotel.html>

Daniel du Kinque, 23:12 UTC: But I think it is uncool of you to be like this when it's my feelings that were hurt...

Daniel du Kinque, 23:15 UTC: Your lack of emotional intelligence is staggering, but hardly surprising.

2019-03-06: Abandonment, Chateau, Isibella, Recovery, Story

The archive for this day turns on abandonment, chateau, isibella, recovery. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 00:19 UTC: And say Brûlée, Vampire Free Since 2017

Daniel du Kinque, 00:19 UTC: I feel I want to post the no vampire sign

Mircalla Karnstein, 00:33 UTC: Dear Isibella Queen of the Chateau, Meow wishes to apologize for last year when meow called your Sir and you something terrible. Meow thinks back everyday badly regretting what had happened and wishes to send this letter of apology to you for how I treated you. Meow first saw you at Scarlet Ranch, you and the kittens were performing the fortuna ritual and it was amazing. Meow thought it cool and wanted to ask more about the ritual. Meow I then met a few of your kittens and remembers your oracle gothic kitten. She was nice and seemed good to talk to. Purrisa is her Chateau name. I talked to Purrisa and she told me a few bad things about the group. Then a little about the Chateau and randomly claiming that vampire Vincent? Is an energy vampire and that he drains people, to beware of your group. I now realize it was gossip she was saying and haven't ran into that before. This does not make it okay nor is it an excuse. Then meow friend requested you and some ideas were planted into my head that night by different kittens who talked badly of you. You were kind to me so I did not believe your kittens m and responded back to the

questions regarding camp brûlée and you were nothing but nice. It's when meow got scared and the idea planted in my head of energy vampires came to life that you or your sir were trying to hurt me. Somehow I saw your Sir as a real vampire and with the stress of Preparation for burning man Meow let it take over and again I apologize for I was wrong and I felt stupid after thinking back on things. I acknowledge none of this makes it okay or excuses meows behavior. I did judge and was rude somehow wondering how things could have been different. Your a wonderful person and a kind spirit which I love. I hope you can forgive me and know meow has lots to learn, and has learned from this experience. Meow has gotten better learning that gossip from kittens is toxic how to spot it, and to take things heard with a grain of salt. I think your girls were just jealous of you. Meow did not do a good job of showing kindness or light to you only reflected the negativity others talked of you vs getting to know you or accepting the kindness you showed. Will you forgive me and allow a second chance for me and brulee and kitten events? I feel a spiritual pull to this and care a lot about you and Daniel. You both are amazing and beings of light. If someone talked about my Sir that way Meow is an Aries and would try hard not to be upset. I understand what happened and happy belated Valentine's Day. I do hope you are well i look up to you as a celebrity big fan and love light to you Queen Isibella of kittens.

Mircalla Karnstein, 00:37 UTC: That is her Chateau name

Mircalla Karnstein, 00:38 UTC: Gore was probably just talking about him in a vampire context

Daniel du Kinque, 00:41 UTC: But how this makes me a vampire...

Mircalla Karnstein, 01:34 UTC: Regency vampires!

Daniel du Kinque, 20:46 UTC: I think we can just wipe it down with disinfectant

Mircalla Karnstein, 20:48 UTC: Not even leave one pad in there

Mircalla Karnstein, 21:39 UTC: He cant write anything sexy

Mircalla Karnstein, 21:44 UTC: He just doesnt have an eye for good story telling

Daniel du Kinque, 21:46 UTC: <https://www.radiotimes.com/news/tv/2019-03-05/dracula-will-be-the-hero-of-his-own-story-in-radical-reinterpretation-by-sherlock-creators/>

Mircalla Karnstein, 22:19 UTC: of everything you've ever known or loved about the book

2019-06-27: Abandonment, Chateau, Isibella, Recovery, Story

The archive for this day turns on abandonment, chateau, isibella, recovery. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 15:45 UTC: Internal events, Sunrise Sinatra, etc don't go in book

Daniel du Kinque, 15:48 UTC: We'll have plenty of traffic this year, so I'm not super worried about getting everything in book. I'd like to have signs

Mircalla Karnstein, 15:56 UTC: I'm thinking about hosting a kink 101 class, like just covering submissions, dominance, consent, where to go on playa if you get hurt etc how to play safely, tools etc

Mircalla Karnstein, 16:52 UTC: That corner desires open space and visible lounging

Mircalla Karnstein, 17:10 UTC: He left

Mircalla Karnstein, 18:55 UTC: So people know what it is in book for Monday night

Mircalla Karnstein, 19:09 UTC: Do I need to put it in book

Daniel du Kinque, 19:39 UTC: Did you put Bacon Brunch in the book?

Mircalla Karnstein, 19:43 UTC: so they will get their thing in the book

Mircalla Karnstein, 19:43 UTC: idk if they will be in book or not those two

Mircalla Karnstein, 20:08 UTC: she had something at the Chateau lol...idk if it was tea

Mircalla Karnstein, 21:20 UTC: so it wont be in book 0 chance

Mircalla Karnstein, 21:49 UTC: She said she liked my write up idea for the episode so much she is going to pass it to the producers

2019-05-17: Abandonment, Chateau, Recovery, Story, Vampire

The archive for this day turns on abandonment, chateau, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Daniel du Kinque, 00:45 UTC: It is a delicious story

Mircalla Karnstein, 00:45 UTC: A sad story

Mircalla Karnstein, 01:04 UTC: Its super safe weirdly

Daniel du Kinque, 01:04 UTC: We can train. I think we can safely leave car in Trinidad

Mircalla Karnstein, 03:00 UTC: Not just on Chateau but on girls of kittenplay too

Mircalla Karnstein, 03:03 UTC: She is also starting the Australian vampire ball and asked me this

Mircalla Karnstein, 03:04 UTC: She wants me to do a video wishing her happy birthday and saying how much we appreciate her efforts to show at her birthday at the vampire ball she is running

Daniel du Kinque, 03:08 UTC: So my flight leaves at like 8:30a

Daniel du Kinque, 03:09 UTC: So I have to leave the house at something stupid like 3a or some shit

Daniel du Kinque, 03:55 UTC: I want to leave her on read

Mircalla Karnstein, 04:01 UTC: And Facebook jail climate

Mircalla Karnstein, 04:01 UTC: Like I would actively write to George and HBO

2019-03-01: Abandonment, Chateau, Recovery, Story, Vampire

The archive for this day turns on abandonment, chateau, recovery, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 05:32 UTC: Anyway have a good night, I'm sorry its come to all this and you can't recover

Mircalla Karnstein, 05:33 UTC: Goodnight Daniel (you can leave the extra messages below, but I will apologize if I do not read any of them because its distressing)

Daniel du Kinque, 05:33 UTC: I will recover just fine.

Mircalla Karnstein, 05:42 UTC: Just pointing out how verbally mean in text messages you have become recently

Mircalla Karnstein, 05:43 UTC: To the point where I do not read or respond to them because it's so suicidal and depressing to them in general anymore, there is nothing good left. So yes perhaps it is good to move away from one another. This is very anxiety ridden for me too

Mircalla Karnstein, 06:36 UTC: Claudia is rude uppity, elitist, competitive etc around me and so I tend to return that vibe. BUT I have always tried to be kind and include her time and time again even when she leaves me out or ignores me for other girls etc

Mircalla Karnstein, 06:37 UTC: Anyway I'm just frustrated. I dont think I have ever wronged her. This is the first time in like 10 years that I have ever done something at a Chateau event without her, and that is literally because she told me she already had plans with keely for date nights etc.

Mircalla Karnstein, 06:38 UTC: I'm not fine or she wouldn't have publicly called me out in that vague book after we already talked

Daniel du Kinque, 21:03 UTC: When I look around - be it here at the office, in our home, on your facebook - I see no evidence that you care for me at all.

Mircalla Karnstein, 21:07 UTC: Is write angry, negative things

Daniel du Kinque, 21:12 UTC: It is not "mean" to communicate when your choices hurt us.

Mircalla Karnstein, 22:43 UTC: I wonder if you even read the stuff you write or realize how hurtful it is...

2019-03-04: Abandonment, Betrayal, Chateau, Isibella, Recovery

The archive for this day turns on abandonment, betrayal, chateau, isibella. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 19:40 UTC: but wow if you want to write off what i did as spite to say it somehow doesn't count, go the fuck ahead

Daniel du Kinque, 20:08 UTC: And I'm certain that she was never really trying to anger or hurt anyone, she was just stupid and suffered from a momentary fit of ambition

Mircalla Karnstein, 20:09 UTC: so she left the scene

Mircalla Karnstein, 20:13 UTC: "Hello, I know this is out of the blue but I am trying to start this new year right and apologize to everyone who I've done wrong. I'm not looking for your forgiveness as that's for you to decide but for me to continue on with this year I'd like to let you know personally that I apologize for the way I acted when it came to you. I was upset over several reasons but the big ones were the friends-enemy type of relations we had when I felt like we could have been really good friends but I wasn't really given the chance. Even though now looking back you were only protecting yourself because of the positions you've been in previously and I was insanely selfish for reacting the way I did. I did not understanding that and I crossed a very serious and big boundary. I was upset at the fact that Sebastiaan chose you for roles that I felt I deserved though looking back it was incredibly childish of me to think that way and I really should have acted better and should have been proud of you. You deserve a lot better than that from everybody you come across and because of my behavior you did the right thing by continuously shutting me out and I'm very proud of you.

Please do not attempt to reply to me as I need none. I only wished to get the message to you whether you accept it or not and whether you forgive me for not though I'm not asking for either. Stay safe within the Colorado weather. -Storme"

Daniel du Kinque, 20:34 UTC: Yeah, that not surprising in the least

Mircalla Karnstein, 20:43 UTC: and it's not just me she has bullied

Daniel du Kinque, 20:47 UTC: They are the same people who hurt you

Mircalla Karnstein, 20:48 UTC: i think the vampire ball being successful just drew people back in

Mircalla Karnstein, 22:05 UTC: and she has a huge vampire house there

Mircalla Karnstein, 22:05 UTC: lives in nola now

Daniel du Kinque, 22:46 UTC: I think we heavily market on Facebook/etc to people we don't even know.

Mircalla Karnstein, 22:48 UTC: People love the Facebook videos

2019-03-23: Abandonment, Chateau, Isibella, Story, Vampire

The archive for this day turns on abandonment, chateau, isibella, story. What follows preserves the sequence as a reader-facing trace, with private-data candidates removed before export.

Mircalla Karnstein, 00:20 UTC: "Stare into my eyes - In Carreyrou's book, he describes how Holmes would make unflinching (but probably somewhat disturbing) eye contact with her deep blue eyes when she was speaking with someone. This move made the person feel that they were the only human in the world while at the same time was completely intimidating. Amy Morin, author of "13 Things Mentally Strong People Don't Do", wrote of sociopaths, "Their body language is convincing. Psychopaths lie to make themselves look good. But their nonverbal behavior is often so convincing – and distracting – that people don't recognize they're being deceitful. " A hypnotic combination In addition to the staring tactic, Holmes also changed her voice. Carreyrou wrote, that in combination

with that unfaltering stare, “her voice added to the mesmerizing effect: she spoke in an unusually deep baritone.” It was absolutely hypnotic. Former Theranos employees reported her sometimes slipping out of this low voice when she had a few too many drinks at a party and there are even some video clips of her real voice that still exist. Morin also wrote that psychopaths, “speak slowly and quietly. Studies show psychopaths usually speak in a controlled manner. They don’t emphasize emotional words like other people do. Their tone remains fairly neutral throughout the conversation. Researchers suspect they craft a calm demeanor intentionally because it helps them gain more control in their personal interactions.”

Mircalla Karnstein, 18:15 UTC: In the dream we were in New Orleans, we were running the event but I was confused because it was Saturday

Mircalla Karnstein, 18:20 UTC: And then much like denver vampire ball we just announce the saturday

Mircalla Karnstein, 18:20 UTC: We just leave the first night alone, let it keep its profit and the correct number of people to enjoy that venue, that way it's no loss on the \$500 we spent

Daniel du Kinque, 18:22 UTC: I’m sure that’s how Todd will see it

Mircalla Karnstein, 18:34 UTC: Though if the tearoom is booked Friday day and evening the chances of it not being booked Saturday day and evening are slim

Mircalla Karnstein, 18:45 UTC: We will have the biggest weekend event in New Orleans!

Daniel du Kinque, 18:51 UTC: I still think we should entertain a Vampire Cruise

Daniel du Kinque, 18:54 UTC: Like we can rent the City of New Orleans for \$2500 for 250 passengers

Mircalla Karnstein, 19:00 UTC: Like vampire cruise

Mircalla Karnstein, 19:02 UTC: Based on my numbers without advertising etc

Mircalla Karnstein, 22:03 UTC: The book?

Mircalla Karnstein, 23:48 UTC: Hikari and Giovanni left me to go adventure

Daniel du Kinque, 23:57 UTC: You want to keep advertising?

Production Note

This manuscript used 24 candidate archive days from 3 raw export files. It is long enough to render through the Lulu source-work pipeline and remains flagged for final reader scope approval before sale.
