Rogue Desmoulins: hello, again

Strawberry Gateaux: Hiya Rogue :)

Rogue Desmoulins: still cold?

Strawberry Gateaux: not so bad now, had a nice warm bath

Rogue Desmoulins: warm bath is good...

Rogue Desmoulins: the room I stayed at in Salt Lake City (Utah) had the deepest tub I've ever seen...

Strawberry Gateaux: ooh, fun?

Rogue Desmoulins: was more or less like a small hot tub...

Rogue Desmoulins: was fun, yeah

Rogue Desmoulins: take about 10 minutes to fill the tub, though,

Rogue Desmoulins: so requires some forethought ;)

Rogue Desmoulins: (like foreplay, only more cerebral)

Strawberry Gateaux: lol, and possibly some planning on getting in and out, lol

Strawberry Gateaux: hehe, yes

Rogue Desmoulins: yes, small girls have hard time getting in and out

Strawberry Gateaux: heh, well foreplay in here is cerebral, couldn't help but be

Rogue Desmoulins: is kinda like Japanese soaking tub, actually

Rogue Desmoulins: I could sit on the bottom legs crossed and have water to my head

Rogue Desmoulins: very relaxing

Strawberry Gateaux: ah yes, I know what you mean

Rogue Desmoulins: all is well by the river Cam today?

Strawberry Gateaux: no idea, I am home in Yorkshire, lol

Rogue Desmoulins: ah, fair enough!

Strawberry Gateaux: it is probably warmer down there though

Rogue Desmoulins: I'd wager it is, yes.

Rogue Desmoulins: you get snow up there?

Strawberry Gateaux: sometimes, yes, thick

Rogue Desmoulins: cozy

Rogue Desmoulins: snowing here today

Rogue Desmoulins: so what do you do for fun in yorkshire?

Strawberry Gateaux: I lead a boring life, I study, I read, maybe goto the pictures

Strawberry Gateaux: nothing exciting, unfortunately

Rogue Desmoulins: and play secondlife, of course :)

Strawberry Gateaux: ah, that is more exciting!

Rogue Desmoulins: how is secondlife for you these days?

Rogue Desmoulins: been anyplace fun?

Rogue Desmoulins: been anyone fun? :)

Strawberry Gateaux: making shoes, thought I should find a moral way to earn money

Strawberry Gateaux: lol, and still a virtual virgin

Rogue Desmoulins: is that a good thing?

Strawberry Gateaux: well, my choice, hadn't met anyone I liked

Rogue Desmoulins: saving yourself...

Rogue Desmoulins: how quaint.

Strawberry Gateaux: grrr

Strawberry Gateaux: I lost my virginity too young in rl, and not in the best circumstances

Strawberry Gateaux: I dont see why it is so odd to want to do better in here

Rogue Desmoulins: seems reasonable to me

Rogue Desmoulins: is ironic, though...

Strawberry Gateaux: and yes, lol, I know I am oldfashioned

Rogue Desmoulins: I suppose most people around here are quite the opposite...

Rogue Desmoulins: can't get any in RL...

Strawberry Gateaux: yes, I am sure they are

Rogue Desmoulins: so come to SL...

Strawberry Gateaux: I worked as an escort for 3 days here

Rogue Desmoulins: something sexy about oldfashioned

Rogue Desmoulins: did you make any money?

Strawberry Gateaux: I ended up having guys pay me to talk to me about how awful their rl was, lol

Strawberry Gateaux: hehe, they wanted me for my brain not my body!
wails

Strawberry Gateaux: so I was a useless escort,lol

Rogue Desmoulins: pity

Rogue Desmoulins: maybe some people are embarassed about wanting sex
in SL

Rogue Desmoulins: it is a bit odd, afterall

Rogue Desmoulins: slightly unnatural

Rogue Desmoulins: personally, I want you for your body

Rogue Desmoulins: of course, I'm sitting on an octopus right now

Strawberry Gateaux: are you indeed!

Rogue Desmoulins: you don't like my octopus?

Strawberry Gateaux: rofl, you confused me there!

Rogue Desmoulins: my tentacles frighten you?

Rogue Desmoulins: you are easily aroused to anger...

Rogue Desmoulins: lots of grring

Strawberry Gateaux: hehe

Strawberry Gateaux: my bf asked me to hug him, as I went to click the
button your tp went over the top of it

Strawberry Gateaux: so I was surprised, and so was he, see

Rogue Desmoulins: I see...

Rogue Desmoulins: all is better now?

Strawberry Gateaux: he thought I ran out on him

Rogue Desmoulins: it could be fate you know...

Strawberry Gateaux: lol you reckon?

Rogue Desmoulins: perhaps you are better off here with me...

Rogue Desmoulins: didn't know you had bf in game

Rogue Desmoulins: how fun

Rogue Desmoulins: what's his name?

Strawberry Gateaux: Thor Bjornson

Strawberry Gateaux: I hadn't got one when I saw you that day, it is a recent
thing

Rogue Desmoulins: like last week?

Strawberry Gateaux: yep

Rogue Desmoulins: I am bitter.

Strawberry Gateaux: oh, why?

Rogue Desmoulins: have you known this chap long?

Strawberry Gateaux: a couple of weeks

Rogue Desmoulins: and just recently boyfriended him?

Strawberry Gateaux: *nods*

Rogue Desmoulins: I see.

Strawberry Gateaux: you sound disproving

Rogue Desmoulins: you like him?

Strawberry Gateaux: of course

Strawberry Gateaux: I dont hang out with people I dont like, lol

Rogue Desmoulins: like me? :P

Strawberry Gateaux: I like you

Rogue Desmoulins: well, very cool... he's totally into you?

Strawberry Gateaux: As best I can tell, yes

Rogue Desmoulins: (yes, you like to run away from me)

Strawberry Gateaux: :(

Rogue Desmoulins: have you ever been in love?

Strawberry Gateaux: yes

Strawberry Gateaux: well, I think so

Strawberry Gateaux: not sure how you know for sure

Rogue Desmoulins: well, that's probably good enough...

Rogue Desmoulins: are you still in love?

Strawberry Gateaux: not with anyone in rl

Rogue Desmoulins: in sl?

Rogue Desmoulins: it's a popular pastime in secondlife...

Rogue Desmoulins: everyone's doin it...

Strawberry Gateaux: I may be young, but I am not stupid, you know

Rogue Desmoulins: hmm?

Strawberry Gateaux: I know it will never move into rl, he is not in a position for that

Strawberry Gateaux: and I know that everything here is an illusion, really

Rogue Desmoulins: I was actually thinking just the opposite...

Rogue Desmoulins: that everything here is often more real

Rogue Desmoulins: especially in matters of the hear

Rogue Desmoulins: heart

Strawberry Gateaux: I have heard it said that love here is more real because people judge you on your character/brain not your looks

Rogue Desmoulins: curious, isn't it?

Rogue Desmoulins: that when we make pretend, we lose pretense

Strawberry Gateaux: though I wonder if he would still like me if I was 40, married, fat and got kids

Rogue Desmoulins: good point...

Strawberry Gateaux: still, suppose he only has my word for it that my profile picture is me

Rogue Desmoulins: but you'd likely hide that fact

Strawberry Gateaux: I COULD be a 90 year old Chinese guy
Rogue Desmoulins: and I suppose the question would be does it matter?
Strawberry Gateaux: well, it doesnt to me
Strawberry Gateaux: but as a male friend pointed out very loudly yesterday, to men it does
Rogue Desmoulins: possibly so....
Rogue Desmoulins: men are stupid
Strawberry Gateaux: lol
Rogue Desmoulins: in virtuality as in reality
Strawberry Gateaux: that really upset me, to be honest
Rogue Desmoulins: why?
Rogue Desmoulins: women are stupider.
Rogue Desmoulins: :P
Strawberry Gateaux: just that I know that a lot of women here are mid-leaged housewives
Strawberry Gateaux: but they are lovely people, see
Strawberry Gateaux: with so much to offer
Rogue Desmoulins: I know that as well. And love them all the same.
Strawberry Gateaux: and yet he was impying that they had nothing coz they no longer had youth andlooks
Rogue Desmoulins: Nonsense.
Strawberry Gateaux: I know not everyone is like him
Rogue Desmoulins: Most are...
Strawberry Gateaux: just a bit scary thought for the future, Iguess
Rogue Desmoulins: worse still, women think the same thing...
Strawberry Gateaux: well, I have only ever been with men who are much older than me
Strawberry Gateaux: so I dont think I could think that
Rogue Desmoulins: I mean to say that they think that they have nothing to offer when they are old and fat
Rogue Desmoulins: I would still be attracted to you were you old and fat...
Rogue Desmoulins: but not if you weren't really an egyptologist
Strawberry Gateaux: rofl
Rogue Desmoulins: do you and your new boyfriend keep things strictly fantasy?
Rogue Desmoulins: does he know that you are an egyptologist?
Strawberry Gateaux: not had time to find out, I suppose
Strawberry Gateaux: oh, I see what you ean
Strawberry Gateaux: mean
Strawberry Gateaux: we have talked about our rls, yes

Rogue Desmoulins: egypt is sexy.

Rogue Desmoulins: no doubt about it

Rogue Desmoulins: especially blonde girls in egypt.

Strawberry Gateaux: hehe, if you say so

Rogue Desmoulins: especially blonde girls who can read coptic

Rogue Desmoulins: it is probably bad form to seduce girls with new boyfriends...

Strawberry Gateaux: ooh, were you seducing me?

Rogue Desmoulins: was thinking about it...

Strawberry Gateaux: *blushes*

Rogue Desmoulins: hadn't really started just yet...

Rogue Desmoulins: :P

Strawberry Gateaux: rofl, cute

Rogue Desmoulins: should I stop?

Strawberry Gateaux: I don't know

Strawberry Gateaux: I am supposed to say yes, aren't I?

Rogue Desmoulins: yup

Strawberry Gateaux: mind you that implies I feel that you would stand a chance

Strawberry Gateaux: so saying no is more positive, isn't it?

Strawberry Gateaux: yes?

Rogue Desmoulins: hmm...

Rogue Desmoulins: I'm a pretty lucky guy....

Rogue Desmoulins: I think you'd have to at least give me a chance...

Rogue Desmoulins: however, you have a very good excuse not to...

Strawberry Gateaux: why bother with a girl who has a bf, when there are so many others here who are single

Strawberry Gateaux: ?

Rogue Desmoulins: they don't read coptic.

Strawberry Gateaux: hehe, well, I don't very well, you know

Rogue Desmoulins: yeah, I guess you're right...

Strawberry Gateaux: I can touch my nose with my tongue though

Rogue Desmoulins: really?

Rogue Desmoulins: that IS impressive

Strawberry Gateaux: a useful party trick

Rogue Desmoulins: not to mention if you every wanted to be a lesbian....

Strawberry Gateaux: if I ever fancied being a lesbian it would....

Strawberry Gateaux: lol

Rogue Desmoulins: you know, if the boy thing doesn't work out

Strawberry Gateaux: I went to an all-girls school, lol

Strawberry Gateaux: I KNOW I prefer guys

Rogue Desmoulins: I believe you.

Rogue Desmoulins: but I'd enjoy watching you explore outside your preferences...

Strawberry Gateaux: lol, I am sure you would

Strawberry Gateaux: men are such pervs

Rogue Desmoulins: really!

Strawberry Gateaux: *grins*

Strawberry Gateaux: women are too, we are just more subtle about it, see

Rogue Desmoulins: Happy Rosicrucian New Year, by the way!

Rogue Desmoulins: 3359

Strawberry Gateaux: I love reminders that there is more than one way to say a year

Rogue Desmoulins: I like starting the year on the spring equinox...

Strawberry Gateaux: dont know why, I just find that very satisfying. Proves how little control we really have, over the things we like to label

Strawberry Gateaux: I Britain we still do, remember

Strawberry Gateaux: The Financial Year, starts on April 1

Rogue Desmoulins: right

Rogue Desmoulins: when is your birthday?

Strawberry Gateaux: not telling, but it has not long gone by

Rogue Desmoulins: why a secret?

Strawberry Gateaux: certain things I am not supposed to mention in here

Rogue Desmoulins: how ever will I send you gifts?

Rogue Desmoulins: not supposed to...

Rogue Desmoulins: how silly

Rogue Desmoulins: however, you should not trust me

Strawberry Gateaux: *glares at you*

Rogue Desmoulins: well, happy birthday

Strawberry Gateaux: I am old enough to be here, and young enough to enjoy it

Strawberry Gateaux: hehe, someone said that to me the other day, I like that

Rogue Desmoulins: yeah, is cool...

Rogue Desmoulins: you are quite possibly the youngest person I know in SL...

Strawberry Gateaux: I know someone younger

Rogue Desmoulins: although I'm sure I could find younger...

Strawberry Gateaux: two people, now I think of it

Rogue Desmoulins: but the question is would they be as interesting to talk to

Strawberry Gateaux: or as eccentric?

Rogue Desmoulins: you are very smart and witty girl...

Rogue Desmoulins: and eccentric...

Strawberry Gateaux: hehe

Rogue Desmoulins: everything I might want in a virtual associate

Strawberry Gateaux: and have you had many of those, if you don't mind my asking?

Rogue Desmoulins: no

Rogue Desmoulins: not many

Rogue Desmoulins: I do enjoy meeting people and getting to know them...

Rogue Desmoulins: but not many keep my interest...

Rogue Desmoulins: that came out badly...

Strawberry Gateaux: ah, you are an intelligent man

Strawberry Gateaux: not at all, I know what you meant

Rogue Desmoulins: I generally don't really like people at all...

Rogue Desmoulins: fairly misanthropic, actually

Rogue Desmoulins: not that I don't like them, I just feel like they aren't everything they could be...

Rogue Desmoulins: am not particularly empathetic to dullness, I suppose

Strawberry Gateaux: I can relate to that

Strawberry Gateaux: I am a bit of a loner, by choice

Rogue Desmoulins: so, it's unusual when I encounter someone who I am genuinely interested in...

Rogue Desmoulins: and who reads hieroglyphics

Strawberry Gateaux: I am a complicated person though

Rogue Desmoulins: oh, I am sure of that

Rogue Desmoulins: I enjoy exploring...

Strawberry Gateaux: I can not deny that you are a very fascinating person

Rogue Desmoulins: wandering around you... revealing your mysteries...

Rogue Desmoulins: revealing them when I'm done...

Strawberry Gateaux: though is there any reason we can not continue to talk, discuss, explore?

Rogue Desmoulins: I can't think of a single reason...

Strawberry Gateaux: I am very pleased to hear that

Rogue Desmoulins: do what thou wilt...

Rogue Desmoulins: and let that be the whole of the law :)

Strawberry Gateaux: heh, a man who quote Crowley

Strawberry Gateaux: how unusual

Rogue Desmoulins: and who knows that Crowley stole it!

Strawberry Gateaux: lol

Strawberry Gateaux: Alex Gardner had a variant

Rogue Desmoulins: Rabelais

Rogue Desmoulins: Gargantua and Pantagruel

Strawberry Gateaux: what a great word, Pantagruel

Strawberry Gateaux: you just have to say it out loud, don't you?

Rogue Desmoulins: is a fabulous book

Strawberry Gateaux: I have not discussed this sort of stuff with anyone for a long while

Strawberry Gateaux: it is not the sort of thing you can usually bring in to a conversation

Strawberry Gateaux: I suspect Thor would be a bit non-plussed

Rogue Desmoulins: my point, exactly...

Rogue Desmoulins: 16th century Frenchmen aren't really appropriate for polite company...

Strawberry Gateaux: hmmm

Rogue Desmoulins: but Rabelais was a genius...

Rogue Desmoulins: and viewing Crowley as a satirist (rather than a satanist) is amusing to me

Rogue Desmoulins: might take a few centuries for the literati to come around...

Rogue Desmoulins: but it'll happen

Strawberry Gateaux: Crowley was a clever guy

Strawberry Gateaux: and he knew full well how his works would be perceived

Rogue Desmoulins: he has a book, "Magick in Theory and Practice"

Rogue Desmoulins: I read it many many years ago

Rogue Desmoulins: but one idea really stuck with me...

Rogue Desmoulins: the idea that when preparing magickal items,

Rogue Desmoulins: the more effort you put into it, the more power you wield

Strawberry Gateaux: makes sense

Strawberry Gateaux: nothing for nothing

Rogue Desmoulins: so, if you are making a wand, and endeavor to acquire the highest branch on Mt Kilimanjaro for it

Rogue Desmoulins: it gives you great power

Rogue Desmoulins: but, in general, only you.

Rogue Desmoulins: so, I look for tasks worth such great efforts....

Strawberry Gateaux: that sort of concept is in many cultures/beliefs though

Rogue Desmoulins: sadly, most of what I do requires so little magic...

Strawberry Gateaux: and perhaps, in everyday thought, though not obvi-

ously spelt out

Strawberry Gateaux: after our last chat I found my copy of the Golden Daw

Strawberry Gateaux: Dawn

Rogue Desmoulins: yes?

Strawberry Gateaux: had a quick read of the Enochian chapter

Rogue Desmoulins: fun stuff

Strawberry Gateaux: I always found that fascinating, if sadly suspect

Rogue Desmoulins: so there is this game that I have just become aware of...

Rogue Desmoulins: sudoku

Strawberry Gateaux: I discovered the Pseudepigrapha many years ago

Strawberry Gateaux: ooh, I love sudoku!

Strawberry Gateaux: it is a big craze -every newspaper has them in

Rogue Desmoulins: I have no clue.

Strawberry Gateaux: awww

Rogue Desmoulins: but reminds me of enochian magic...

Rogue Desmoulins: :)

Strawberry Gateaux: hehe, magic squares

Strawberry Gateaux: yes, I thought that

Strawberry Gateaux: wanted to draw sigils over them

Rogue Desmoulins: exactly!

Strawberry Gateaux: a friend had a couple tattooed on their leg

Rogue Desmoulins: really?

Strawberry Gateaux: without knowing what they meant or anything

Strawberry Gateaux: not the best of ideas in my opinion

Rogue Desmoulins: no!

Strawberry Gateaux: they thought they 'looked cool'

Rogue Desmoulins: can you actually buy coptic texts?

Strawberry Gateaux: lol, what is it with you and coptic?

Rogue Desmoulins: study a lot of gnostic thought

Rogue Desmoulins: and much is preserved in coptic

Rogue Desmoulins: nag hammandi?

Rogue Desmoulins: so, I just got back from Utah

Rogue Desmoulins: land of the Mormons?

Strawberry Gateaux: you can get copies of the gnostic gospels, yes

Strawberry Gateaux: I have a book here

Rogue Desmoulins: in coptic? cool!

Strawberry Gateaux: not in coptic,lol

Strawberry Gateaux: inEnglish

Rogue Desmoulins: I have them in English silly!

Rogue Desmoulins: so the Mormons

Strawberry Gateaux: ooh, then you open the whole Mary Magdalene can of worms

Strawberry Gateaux: which is what most people start on about if you mention gnosticism

Rogue Desmoulins: am SOOOO underwhelmed with all this "DaVinci Code" sensation

Rogue Desmoulins: but you are quite right...

Rogue Desmoulins: so the Mormons

Strawberry Gateaux: I read it, it was an OK story, but so obviously lifted straight from 'Holy Blood Holy Grail'

Strawberry Gateaux: lol, Mormons, yes

Rogue Desmoulins: started by this guy who claims to have been shown some tablets

Rogue Desmoulins: which were written in "Reformed Egyptian"

Rogue Desmoulins: describing the Lamanites, lost tribe of isreal

Strawberry Gateaux: <http://www.irr.org/mit/>

Strawberry Gateaux: there, good link that one

Rogue Desmoulins: yes. same mormons.

Rogue Desmoulins: I like Mormons.

Rogue Desmoulins: Thinking I should convert.

Strawberry Gateaux: so do I, there IGI was wonderful when I was tracing my family history

Strawberry Gateaux: hmm, that sounded bad

Rogue Desmoulins: if you convert with me, you can be one of my wives.

Rogue Desmoulins: :P

Strawberry Gateaux: no way, I don't share, lol

Rogue Desmoulins: I have to share you with this boyfriend...

Rogue Desmoulins: seems only fair that you should share me with my wives

Strawberry Gateaux: lol, not right now you aren't, his av is here, but his rl body is painting his kitchen, lol

Rogue Desmoulins: thinking I want to start a more enlightened Mormon cult

Strawberry Gateaux: you have to trace your ancestry, you know

Strawberry Gateaux: baptise them posthumously

Rogue Desmoulins: cool, huh?

Rogue Desmoulins: and you get a planet!

Strawberry Gateaux: *giggles*

Rogue Desmoulins: it's a religion for the future!

Strawberry Gateaux: I ama dyed in the wool pagan

Rogue Desmoulins: how dull
Strawberry Gateaux: *humph*
Strawberry Gateaux: I might have wild orgies!
Strawberry Gateaux: OK, Idont, but I might have!
Rogue Desmoulins: my mormon cult will have wild orgies
Strawberry Gateaux: hehe, will it indeed
Strawberry Gateaux: Would I get a cool title?
Strawberry Gateaux: Like High Priestess?
Rogue Desmoulins: you are free to add some pagan flavourings if you like
Strawberry Gateaux: well, thank you very much, lol
Rogue Desmoulins: Prophetess?
Strawberry Gateaux: hmm, that is nice
Strawberry Gateaux: not Sybil
Rogue Desmoulins: you can share my planet with me...
Strawberry Gateaux: aren't you kind
Rogue Desmoulins: we will populate it...
Strawberry Gateaux: heh
Rogue Desmoulins: you don't want to populate it?
Strawberry Gateaux: er, not yet, no
Rogue Desmoulins: you lie.
Rogue Desmoulins: you want to populate my planet.
Strawberry Gateaux: so don't
Strawberry Gateaux: the prep work might be fun, that I agree
Strawberry Gateaux: but the actual 'populating', no thanks
Rogue Desmoulins: yeah, but you are immortal, so it's okay
Strawberry Gateaux: hm
Strawberry Gateaux: do immortals get stretchmarks?
Strawberry Gateaux: and do they have nannies to raise the sprogs?
Rogue Desmoulins: totally
Rogue Desmoulins: (er, no stretchmarks)
Strawberry Gateaux: OK, pencil me on the list - provisionally
Rogue Desmoulins: we'll set up a priest class to nanny
Rogue Desmoulins: for the most part, they raise themselves....
Strawberry Gateaux: ah, OK then
Rogue Desmoulins: I mean, occasionally, you gotta step in with a flood or something...
Rogue Desmoulins: but only when things go really bad
Strawberry Gateaux: of course
Rogue Desmoulins: and just imagine the omnipotent sex!
Strawberry Gateaux: hmm

Rogue Desmoulins: you are imagining the omnipotent sex?

Strawberry Gateaux: lol, getting a drink actually

Strawberry Gateaux: *has an imagine now*

Strawberry Gateaux: mm, couldnt fake an orgasm, lol

Rogue Desmoulins: well, when we are omnipotent, you won't have to!

Strawberry Gateaux: well, wasn't implying I do such a thing, of course

Rogue Desmoulins: do you orgasm often?

Strawberry Gateaux: *blushes*

Rogue Desmoulins: hmm...

Rogue Desmoulins: might need two planets

Strawberry Gateaux: do you ask impertinent questions often?

Rogue Desmoulins: no, not often

Strawberry Gateaux: ah, you are just picking on me, I see

Rogue Desmoulins: nor have I ever offered to populate a planet with anyone...

Strawberry Gateaux: well, I thank you for the honour, Mister

Rogue Desmoulins: well, you know, these planets don't populate themselves

Strawberry Gateaux: they do in Star Trek

Rogue Desmoulins: but in the REAL world, it takes resurrected Mormons and their wives

Strawberry Gateaux: polygamy sucks

Rogue Desmoulins: why?

Strawberry Gateaux: heh, sure there is a joke in that line somewhere

Strawberry Gateaux: well, I know a few subby girls in here who are part of their Master's harem

Strawberry Gateaux: and they all admit that they hate it

Rogue Desmoulins: well, think about it this way, if I have four wives, you only have to suck a quarter as often...

Strawberry Gateaux: they pretend they like it, but they are jealous as hell

Rogue Desmoulins: yeah, harems suck

Strawberry Gateaux: but I like sucking ;)

Rogue Desmoulins: well, we'll promote you to primary wife

Strawberry Gateaux: wow, thanks! lol

Strawberry Gateaux: using the royal we now?

Rogue Desmoulins: it's a family

Strawberry Gateaux: I am old fashioned, remember

Rogue Desmoulins: of course

Strawberry Gateaux: and I dont agree with Joesph Smith on polygamy, lol

Rogue Desmoulins: nor do I!

Rogue Desmoulins: in my cult, it's much less sexist
 Rogue Desmoulins: and we really focus on the "mother of planet" angle
 Rogue Desmoulins: a very Eve-centric Mormonity, if you will
 Strawberry Gateaux: *just looks at you*
 Rogue Desmoulins: no?
 Strawberry Gateaux: well, not ready to be a mother figure, thanks
 Rogue Desmoulins: no, of course not
 Rogue Desmoulins: it's a spiritual motherhood
 Rogue Desmoulins: not physical
 Rogue Desmoulins: we won't have 3.31 children
 Rogue Desmoulins: but we will worship your sexuality
 Strawberry Gateaux: well, that sounds quite nice, lol
 Rogue Desmoulins: yes, I think you'll rather like it, actually
 Rogue Desmoulins: do you know of Jack Parsons?
 Strawberry Gateaux: the rocket man?
 Rogue Desmoulins: yes
 Strawberry Gateaux: blimey, where did I remember that from, lol
 Rogue Desmoulins: started JPL in Pasadena
 Rogue Desmoulins: was wealthy
 Strawberry Gateaux: he was a Thelemic, if I remember rightly
 Rogue Desmoulins: rented his house out to weird bohemian types
 Rogue Desmoulins: got into OTO
 Strawberry Gateaux: *nods*
 Strawberry Gateaux: and connected to Hubbard?
 Rogue Desmoulins: aww, stole my punchline...
 Rogue Desmoulins: god, I could take you right here and now
 Strawberry Gateaux: where?
 Rogue Desmoulins: where ever you want....
 Rogue Desmoulins: another planet?
 Strawberry Gateaux: if you think I am giving you a moonchild, lol, you can wait a few years, hehe
 Rogue Desmoulins: so the girl in the endeavor was Marjorie Cameron
 Strawberry Gateaux: yes, the 'scarlet woman'
 Rogue Desmoulins: later she starred in a film by Kenneth Anger
 Strawberry Gateaux: I'm with you now
 Rogue Desmoulins: "Inauguration of the pleasure dome"
 Rogue Desmoulins: but the hubbard bit is my favorite
 Rogue Desmoulins: though I own the film, and it's cool too
 Rogue Desmoulins: has Anais Nin!
 Strawberry Gateaux: hehe

Strawberry Gateaux: We dont see things as they are, we see things as we are.

Strawberry Gateaux: My favorite Nin quote :)

Strawberry Gateaux: I should put that on my profile, you know

Rogue Desmoulins: you should!

Rogue Desmoulins: and fuck the brains out of anyone who recognizes it!

Strawberry Gateaux: *grins*

Strawberry Gateaux: just as well I like nerds

Strawberry Gateaux: being one myself

Rogue Desmoulins: "Each friend represents a world in us, a world not borun until they arrive, and it si only by this meeting that the world is born."

Strawberry Gateaux: *remembers what her mother told her about dangerous men*

Rogue Desmoulins: You like dangerous men.

Strawberry Gateaux: I think I am talking to one

Rogue Desmoulins: "I understand life lyrically, musically...

Rogue Desmoulins: I am so thirsty for the marvelous that only the marvelous has power over me.

Rogue Desmoulins: Anything I cannot transform into something marvelous, I let go

Rogue Desmoulins: Reality doesn't impress me...

Rogue Desmoulins: I only believe in intoxication... in ecstasy

Strawberry Gateaux: may I ask you a question? as you have asked me so many

Strawberry Gateaux: how old are you?

Rogue Desmoulins: and when ordinary life shackles me, I escape, one way or another...

Rogue Desmoulins: No more walls"

Strawberry Gateaux: I think I can guess, anyway, but I would like to know

Rogue Desmoulins: one of, if not, my favorite quotes.

Rogue Desmoulins: I especially like the last "No more walls"

Rogue Desmoulins: I use it often.

Rogue Desmoulins: how old am I?

Rogue Desmoulins: you guess.

Strawberry Gateaux: well, odler than me, lol

Strawberry Gateaux: older

Strawberry Gateaux: but everyone is, you said that, hehe

Strawberry Gateaux: if there is a picture in your profile, it is not rezzing for me

Rogue Desmoulins: I don't think there is

Strawberry Gateaux: ah, no, lol

Rogue Desmoulins: surely I've given you a picture last week?

Strawberry Gateaux: *grins* so you did!

Rogue Desmoulins: it's a poor picture, but I like it because I'm wearing a hemp shirt

Strawberry Gateaux: *waits for it to rez*

Rogue Desmoulins: and a hakama (you can't see it)

Rogue Desmoulins: and was performing a wedding that day

Strawberry Gateaux: ooh yes, I remember :)

Strawberry Gateaux: hmmm

Rogue Desmoulins: however, hair is back, which is not my favorite

Strawberry Gateaux: OK, that messed up my guess, lol

Rogue Desmoulins: what was your guess?

Strawberry Gateaux: well, you have the same situation as me, see

Rogue Desmoulins: how's that?

Strawberry Gateaux: The inside of your head is older than the outside

Rogue Desmoulins: quite...

Strawberry Gateaux: You look mid 30s

Strawberry Gateaux: You sound late 40s

Strawberry Gateaux: *prepares to run*

Rogue Desmoulins: yes, wise beyond my years....

Rogue Desmoulins: it's all that LSD I took back in college...

Rogue Desmoulins: made my effective birthdate sometime in the 60s :)

Strawberry Gateaux: *prods you with her graphics pen*

Strawberry Gateaux: how old are you, you delaying devil

Rogue Desmoulins: 33

Rogue Desmoulins: there was a time I thought I'd be crucified by now...

Rogue Desmoulins: it's a little depressing, really

Strawberry Gateaux: you are a very unusual, and I might add, intriguing person

Strawberry Gateaux: and, like you, I am drawn to the complex and unique

Rogue Desmoulins: fortunately for me, you have a unusual and intriguing fetish...

Strawberry Gateaux: ah, but you have no idea what other fetishes I might have ;)

Rogue Desmoulins: true, but I have a VERY vivid imagination

Strawberry Gateaux: yes, I know you have

Rogue Desmoulins: I know you've got an old guy fetish, which is cool... I can grow into it... :)

Strawberry Gateaux: you are 13 years older than me!

Strawberry Gateaux: that is older, lol

Rogue Desmoulins: and the beauty is that I'll ALWAYS be 13 years older than you!

Strawberry Gateaux: lol

Rogue Desmoulins: so we are good there.

Rogue Desmoulins: what else?

Rogue Desmoulins: I don't have any body art.

Rogue Desmoulins: i DO like latex, though

Rogue Desmoulins: but not leather

Strawberry Gateaux: I am a velvet and lace sort of girl

Rogue Desmoulins: perfect!

Rogue Desmoulins: am mostly vegan, so animal sex is right out

Rogue Desmoulins: but human sacrifice I dig

Strawberry Gateaux: have morals, so animal sex is right out, lol

Rogue Desmoulins: any other fetishes I should be aware of?

Strawberry Gateaux: I have a subby streak

Strawberry Gateaux: but am not slave material, lol

Rogue Desmoulins: excellent...

Rogue Desmoulins: good, good

Strawberry Gateaux: *blushes*

Rogue Desmoulins: I will enjoy telling you what to do...

Rogue Desmoulins: but will be sure it's enjoyable!

Strawberry Gateaux: *chuckles*

Rogue Desmoulins: we'll have priests for slaves...

Rogue Desmoulins: they'll do anything for us

Rogue Desmoulins: because they are afraid of being smited

Strawberry Gateaux: mmm, anything....

Strawberry Gateaux: :)

Rogue Desmoulins: see, you're totally planet mama material

Strawberry Gateaux: lol

Rogue Desmoulins: I fear that I have created some bad karma with your boyfriend...

Rogue Desmoulins: it is unfortunate that you ran off so quickly last time...

Strawberry Gateaux: his continually being afk was doing that more, to be honest

Rogue Desmoulins: perhaps we could have avoided this

Rogue Desmoulins: perhaps I should start my cult online and migrate it to utah later

Strawberry Gateaux: SL is rarely, if ever, simple

Strawberry Gateaux: that I had worked out

Rogue Desmoulins: simple is for simpletons
Strawberry Gateaux: heh
Strawberry Gateaux: complex is for headaches
Rogue Desmoulins: simpletons don't get planets...
Strawberry Gateaux: lol
Strawberry Gateaux: perhaps they don't want them
Rogue Desmoulins: fools!
Strawberry Gateaux: *giggles*
Rogue Desmoulins: those planets won't populate themselves!
Strawberry Gateaux: you have a populating fetish
Rogue Desmoulins: more looking forward to the prep
Rogue Desmoulins: so my best friend's wife had a baby last week...
Strawberry Gateaux: I might be useless at it
Rogue Desmoulins: first two were twins... they spent lots of money on IVF
Strawberry Gateaux: ah, yes
Rogue Desmoulins: so this third they took chinese herbs or something
Rogue Desmoulins: anyhow, she got pregnant right away
Rogue Desmoulins: he told me he was happy, but disappointed it didn't take longer :)
Strawberry Gateaux: lol
Strawberry Gateaux: well, they can carry on afterwards, of course
Rogue Desmoulins: of course
Rogue Desmoulins: but she had morning sickness like right away
Rogue Desmoulins: and as sexy as pregnant women are...
Rogue Desmoulins: they don't really feel sexy
Strawberry Gateaux: hmmm,yes
Rogue Desmoulins: anyhow, is spiritual process
Rogue Desmoulins: (our planet)
Rogue Desmoulins: (not their baby)
Rogue Desmoulins: I mean, even the god of this planet only had one kid
Strawberry Gateaux: you make me smile
Rogue Desmoulins: and not until much later and things got way outta whac
Strawberry Gateaux: chocolate does too of course
Rogue Desmoulins: smiling strawberries and chocolate
Rogue Desmoulins: I suspect you have a lovely smile...
Strawberry Gateaux: slightly wonky teeth
Strawberry Gateaux: you can see in my picture
Rogue Desmoulins: well, you ARE british...
Rogue Desmoulins: :P
Strawberry Gateaux: *scowls*

Strawberry Gateaux: English, if you don't mind

Rogue Desmoulins: it's all about this magical substance called flouride.... yall should try it...

Rogue Desmoulins: :P

Rogue Desmoulins: your profile says British

Rogue Desmoulins: it also says you have a gorgeous smile

Strawberry Gateaux: yeah, I was being nice to Americans ;P

Strawberry Gateaux: no it doesnt

Rogue Desmoulins: pictures say a thousand words

Strawberry Gateaux: *blush* you should see the other one I uploaded, lol

Rogue Desmoulins: I would like to...

Strawberry Gateaux: it is not pg

Rogue Desmoulins: oh well in that case...

Rogue Desmoulins: so, by "it is not pg" did you mean to say "I have beautiful picture of myself and I'm not going to give it to you because while I am unreasonably attracted to you, I am afraid of you and my mom said something about dangerous men that I can't remember"?

Strawberry Gateaux: *debates whether to scowl or smile at that*

Rogue Desmoulins: smiling is so much friendlier...

Strawberry Gateaux: I am supposed to have made my decision here

Rogue Desmoulins: I always opt for the road less travelled...

Rogue Desmoulins: (at least less travelled by me)

Rogue Desmoulins: given the option of staying or going, I go

Rogue Desmoulins: although, oddly, not today, since I haven't left my desk all day

Strawberry Gateaux: well, that bodes well for an future, OK

Rogue Desmoulins: I have entirely skipped lunch on account of you

Strawberry Gateaux: awww!

Strawberry Gateaux: I didnt tie ya down you know

Rogue Desmoulins: I wish you would...

Rogue Desmoulins: I have a bit of a knot fetish.

Strawberry Gateaux: oooh, in what way?

Rogue Desmoulins: in the sexiest way imaginable...

Rogue Desmoulins: it's funny...

Rogue Desmoulins: when I was your age...

Rogue Desmoulins: god that sounds terrible

Rogue Desmoulins: anyhow, before the www as such

Rogue Desmoulins: I used to troll around alt.sex.bondage

Strawberry Gateaux: lol

Strawberry Gateaux: ah

Rogue Desmoulins: and download sexy picture of girls tied up

Rogue Desmoulins: of course they were like 10 part jpegs

Rogue Desmoulins: and you had to cat them all together

Strawberry Gateaux: rofl

Strawberry Gateaux: 'now which hand is this?'

Strawberry Gateaux: 'hmm, is her leg really supposed to be tied to her neck or not?'

Rogue Desmoulins: these days my knot fetish is a bit more advanced

Rogue Desmoulins: I get myself into really complicated situations and see if I can untie myself :)

Strawberry Gateaux: oh, so you don't like subby girls who get turned on by being restrained then?

Strawberry Gateaux: not anymore?

Rogue Desmoulins: oh no, I very much do....

Rogue Desmoulins: I just don't know any :)

Rogue Desmoulins: so I had to repress

Strawberry Gateaux: *blushes*

Strawberry Gateaux: I might

Rogue Desmoulins: really?

Rogue Desmoulins: not really something can be role played in SL very well, though

Strawberry Gateaux: oh I dont know

Rogue Desmoulins: restraint is a very physical thing...

Rogue Desmoulins: and is a trust game

Strawberry Gateaux: yes, but that is the point

Strawberry Gateaux: it is only a turn on when you know it is a game

Rogue Desmoulins: if you can always logout, it's less fun

Strawberry Gateaux: when you know that you could get untied if you were scared etc

Strawberry Gateaux: if you were being tied by someone you thought would not release you it would be scary

Strawberry Gateaux: so I suspect the visuals, plus chat in here would work pretty well

Rogue Desmoulins: I think the fun is in knowing that you don't exactly trust me yet, but submitting anyways

Strawberry Gateaux: er, I haven't tried, but I am guessing

Rogue Desmoulins: All the while, I intend only the very best for you.

Strawberry Gateaux: are you a Dom?

Rogue Desmoulins: and we both know that the choice is entirely mine

Rogue Desmoulins: perhaps.... Dom comes with some odd connotations

Rogue Desmoulins: specially for dominant men
 Strawberry Gateaux: true, everyone defines it differently anyway, lol
 Strawberry Gateaux: defines
 Rogue Desmoulins: I'm very much into pleasuring the sub...
 Rogue Desmoulins: even if in ways unexpected
 Rogue Desmoulins: and perhaps feared
 Strawberry Gateaux: it is a very psychological thing
 Rogue Desmoulins: but ultimately it's an expression of love
 Strawberry Gateaux: well, it should be, yes
 Rogue Desmoulins: like the relationship between you and your planet
 Rogue Desmoulins: you love your creation
 Rogue Desmoulins: care for them
 Rogue Desmoulins: but don't reveal everything upfront
 Rogue Desmoulins: you sculpt mysteries for them to unravel
 Rogue Desmoulins: wonders for them to discover
 Strawberry Gateaux: *grins*
 Rogue Desmoulins: not out of malice, but out of love
 Rogue Desmoulins: because it's fun to discover things...
 Strawberry Gateaux: damn, and I already told you I was really a 90 year old Chinese guy, didn't I?
 Rogue Desmoulins: it is fun discovering you...
 Rogue Desmoulins: I wanna see the non-PG picture first
 Rogue Desmoulins: to confirm identity
 Strawberry Gateaux: well, I cut the top of my head off, lol
 Strawberry Gateaux: so not that good at anything
 Strawberry Gateaux: besides, I could have just got it from a porn site, couldn't I?
 Rogue Desmoulins: you could have...
 Rogue Desmoulins: did I mention I have a decapitation fetish?
 Rogue Desmoulins: send me the headless you.
 Strawberry Gateaux: decapitaion?
 Strawberry Gateaux: that is a bit, erm, fatal
 Strawberry Gateaux: oh, lol, sorry
 Rogue Desmoulins: its a film fetish
 Strawberry Gateaux: I was sidetracked
 Rogue Desmoulins: I like films with decapitation.
 Rogue Desmoulins: I actual practice a martial art which involves decapitation...
 Rogue Desmoulins: fatal?
 Rogue Desmoulins: sending me the picture?

Rogue Desmoulins: oh, right, decapitation.

Rogue Desmoulins: yeah, it's pretty fatal.

Strawberry Gateaux: I am shy

Rogue Desmoulins: if you don't send it, I'll keep talking about decapitation...

Rogue Desmoulins: I mean, just imagine the fun one could have with a decapitated head...

Rogue Desmoulins: not to mention the sexual exploits....

Strawberry Gateaux: *shakes her head in disbelief*

Rogue Desmoulins: you sending it yet? or should I continue?

Strawberry Gateaux: you are putting me off

Rogue Desmoulins: well, is time for me to go.

Strawberry Gateaux: :(

Strawberry Gateaux: actually, I should too

Strawberry Gateaux: midnight, and work tomorrow, lots of work

Rogue Desmoulins: alright...

Rogue Desmoulins: still shy?

Strawberry Gateaux: I am embarrassed

Strawberry Gateaux: it is a topless picture

Rogue Desmoulins: well, I wouldn't want to embarrass you...

Rogue Desmoulins: okay, maybe a little...

Strawberry Gateaux: you won't tell anyone?

Rogue Desmoulins: I only talk to you.

Rogue Desmoulins: Who would I tell?

Rogue Desmoulins: And, who would care?

Strawberry Gateaux: *blushes*

Strawberry Gateaux: and don't say I look chubby, coz I know

Rogue Desmoulins: ...and, dude, she reads Coptic...

Rogue Desmoulins: you are... stunning...

Strawberry Gateaux: *blushes* oh no!

Rogue Desmoulins: I'm speechless.

Strawberry Gateaux: I am red!

Rogue Desmoulins: (and that's saying a lot)

Rogue Desmoulins: seriously? that's really you?

Strawberry Gateaux: well, I can't easily prove it, can I?

Rogue Desmoulins: webcam... :P

Rogue Desmoulins: but... wow...

Strawberry Gateaux: I told you, I am shy

Rogue Desmoulins: even if that's not you, you have GREAT taste for a 90 year old asian dude

Strawberry Gateaux: well, I am definately not 90, I feel it somedays though, hehe

Strawberry Gateaux: and I am not a dude

Strawberry Gateaux: well, that must be obvious

Rogue Desmoulins: where was this picture taken?

Rogue Desmoulins: topless beach?

Strawberry Gateaux: in my kitchen, lol

Strawberry Gateaux: you can see the teatowel behind me on the left,lol

Rogue Desmoulins: I have never wanted to be a teatowel so much in my life...

Strawberry Gateaux: please stop, I am so red!

Rogue Desmoulins: I am amazed.

Strawberry Gateaux: I cant believe I did that!

Rogue Desmoulins: it's okay...

Rogue Desmoulins: I still very much doubt it's really you...

Rogue Desmoulins: but it is a gorgeous photo

Strawberry Gateaux: well, believe what you choose, mister

Rogue Desmoulins: I mainly doubt that it is you as a self defense mechanism...

Strawberry Gateaux: I only have your word for it that you have a cute smile and sexy long hair

Rogue Desmoulins: to prevent me from dropping all my responsibilities and scouring the yorkshire countryside for the girl of my dreams...

Rogue Desmoulins: so, it's safer to assume it's not really you...

Strawberry Gateaux: lol

Rogue Desmoulins: lest I spend my days in Yorkshire

Rogue Desmoulins: which I'm sure is a lovely place...

Strawberry Gateaux: not at this time of year, lol

Rogue Desmoulins: but I am susceptible to such Quixotic quests...

Strawberry Gateaux: ain't no windmills either, lol

Strawberry Gateaux: too hilly

Rogue Desmoulins: I like windmills...

Strawberry Gateaux: actually, so do I

Rogue Desmoulins: My cult's temples will be windmills

Strawberry Gateaux: hehe, excellent!

Rogue Desmoulins: In fact, since you have seen to let me in on your mystery...

Rogue Desmoulins: I have long wanted to start an artists colony...

Rogue Desmoulins: was going to put it in Oregon (west coast)

Rogue Desmoulins: by the Rogue river

Rogue Desmoulins: in a windmill

Rogue Desmoulins: and call it the Moulin Rogue

Rogue Desmoulins: and the friend who introduced me to secondlife suggested that I construct the windmills here...

Rogue Desmoulins: browsing through the last name choices at the time I came across des Moulins...

Rogue Desmoulins: and Rogue DesMoulins was born.

Rogue Desmoulins: now that's a bit of trivia....

Rogue Desmoulins: you can win some money on it someday in a bar bet...

Strawberry Gateaux: Have you got a windmill here?

Rogue Desmoulins: not yet...

Rogue Desmoulins: have any building skills?

Strawberry Gateaux: coz I know someone who has made one

Strawberry Gateaux: I can build a bit, yes

Rogue Desmoulins: yeah?

Rogue Desmoulins: I'll pay you to build me a windmill...

Strawberry Gateaux: my best friend Elgy, I know she made a windmill

Strawberry Gateaux: oh, I would do it for free! I like a challenge

Strawberry Gateaux: what sort do you want?

Strawberry Gateaux: Post mill, tower mill?

Rogue Desmoulins: classic red,

Strawberry Gateaux: heh, we have about 5 types in Englad

Strawberry Gateaux: England

Rogue Desmoulins: hexagonal base?

Rogue Desmoulins: four blades

Rogue Desmoulins: white trim?

Strawberry Gateaux: does the top go round? or a bit of the body too? or all the body?

Rogue Desmoulins: probably the top

Rogue Desmoulins: center post through the center which rotates with the wind

Strawberry Gateaux: a tower mill, I should think

Rogue Desmoulins: I love that you know windmills...

Strawberry Gateaux: in post mills the main mechanism goes round too, inside the body, see

Strawberry Gateaux: and there is a fin to move it

Rogue Desmoulins: that's be cool, too

Strawberry Gateaux: tower millls, just the blades and the top turn to the winf

Strawberry Gateaux: wind

Strawberry Gateaux: they are more common, lol

Rogue Desmoulins: but, tower mill seems good for SL

Strawberry Gateaux: omg, I am a nerd!

Rogue Desmoulins: but a really, really, hot one...

Strawberry Gateaux: OK, I could probably make one, I know how to turn sails etc

Rogue Desmoulins: so, at the very least, I'm going to have to steal you away from your boyfriend... you know that?

Strawberry Gateaux: *sigh*

Rogue Desmoulins: and real life competition I need to know about?

Rogue Desmoulins: actually, you can keep the boyfriend.

Strawberry Gateaux: you are a cheeky monkey, you know, lol

Rogue Desmoulins: I'm not jealous.

Rogue Desmoulins: but wow, am I smitten with you Strawberry Gateaux

Rogue Desmoulins: you have pushed all the right buttons... and in the right order too...

Strawberry Gateaux: I am not that exciting, honest

Rogue Desmoulins: when you cease to be marvelous, I'll let you go...

Strawberry Gateaux: I am not sure if you are teasing me or not,lol

Rogue Desmoulins: And I'm not sure if you are teasing me...

Rogue Desmoulins: but you've played a good game...

Rogue Desmoulins: and for that you are to be rewarded.

Strawberry Gateaux: ooh, and how?

Rogue Desmoulins: even if you are 90 year old asian male....

Strawberry Gateaux: rofl

Strawberry Gateaux: you know I am not

Rogue Desmoulins: I dont, actually.

Rogue Desmoulins: But wow are you good at turning me on...

Rogue Desmoulins: so, points for that.

Strawberry Gateaux: *flicks her hair back* just beware if I start to really try that then

Rogue Desmoulins: so... we shall meet again?

Strawberry Gateaux: wree you going to delete my card?

Strawberry Gateaux: ;P

Rogue Desmoulins: of course, this means that I will never earn another dime...

Strawberry Gateaux: lol, why?

Rogue Desmoulins: what's your online schedule look like?

Strawberry Gateaux: I am here this time most days

Rogue Desmoulins: In America, we work while you play.

Strawberry Gateaux: hehe, do you indeed
Strawberry Gateaux: depends which part of America, doesn't it
Rogue Desmoulins: probably.
Rogue Desmoulins: you yahoo ever?
Strawberry Gateaux: between 5 and 8 hours difference, that is a lot
Strawberry Gateaux: I might do
Rogue Desmoulins: rdesmoulins
Rogue Desmoulins: and I get email there as well
Strawberry Gateaux: actually, I dont tend to use Yahoo now
Strawberry Gateaux: have MSN
Rogue Desmoulins: no?
Rogue Desmoulins: no MSN is for dorks.
Strawberry Gateaux: *pouts*
Rogue Desmoulins: but for you...
Rogue Desmoulins: MSN doesn't have video for Mac...
Rogue Desmoulins: so I use yahoo
Rogue Desmoulins: or AIM
Strawberry Gateaux: ah! Scary Mac user! lol
Rogue Desmoulins: I've finally turned you off?
Rogue Desmoulins: :P
Strawberry Gateaux: hehe
Rogue Desmoulins: Hell, I'll BUY you a Mac...
Strawberry Gateaux: nah, I am not easily turned off once I am turned on ;)
Rogue Desmoulins: good to know...
Rogue Desmoulins: you around tomorrow?
Strawberry Gateaux: *nods*
Rogue Desmoulins: I look forward to you.
Strawberry Gateaux: You are being very unfair
Rogue Desmoulins: God, why?
Strawberry Gateaux: Because you know I am fascinated by you
Rogue Desmoulins: feeling is mutual, I assure you
Strawberry Gateaux: and strongly suspect that we could experience some
very powerful feelings if we got together
Rogue Desmoulins: yes, we'll have to avoid that...
Rogue Desmoulins: but why unfair?
Strawberry Gateaux: because I am not so sure I want to avoid it
Rogue Desmoulins: well, it'll be fun to try...
Rogue Desmoulins: so look for me on the Yorkshire countryside...
Strawberry Gateaux: I thnk I should go to bed
Rogue Desmoulins: or perhaps in Cambridge...

Rogue Desmoulins: I think I should go with you.

Strawberry Gateaux: I thought you were going ;)

Rogue Desmoulins: I thought you were...

Strawberry Gateaux: well, yes, I am

Rogue Desmoulins: I am entranced... what's your excuse?

Strawberry Gateaux: lol, we are grownups!

Rogue Desmoulins: well, I am... :P

Strawberry Gateaux: *pulls herself up to her total 5'2 and looks insulted*

Rogue Desmoulins: I will let you get some sleep.

Strawberry Gateaux: Yes, I should

Rogue Desmoulins: Dream, sweet girl, dream of the future...

Strawberry Gateaux: Been a very , erm, stimulating conversation

Rogue Desmoulins: and remember, life shrinks or expands in proportion to one's courage

Rogue Desmoulins: (Anais, I think)

Strawberry Gateaux: yes, it is

Strawberry Gateaux: I know that one,lol

Strawberry Gateaux: Goodnight

Rogue Desmoulins: good night!

Rogue Desmoulins: dream well.

2006 / April

2006.04.05 Do you believe in fate..?

Anyway onto my rant.
Do you believe in fate..?

Or was I just at the right place at the right time?
Or was it the wrong place and time...

I don't know, I am quite shaken and confused by how it all happened.

How many young blonde Egyptologist wannabies are there in the Uk for Christ's sake!?

Well that's one rival down at least.

5am I feel my head spin.
I wake but he is still real.

As for this newcomer this new figure in my life, am, I just the substitute for what he lost?
It scares me to think yes. But not yet!
But I feel as though....

"I feel you must of been put here to mend me!"

The words cut through me like ice...He mentions Ma'at and it is enough to make me shake.

Schemes I already see ahead...
This is one trap fate has thrown me in but I feel its a really really deep one of which my heart desires.

Or maybe it is this thing called fate! I do not believe in such things, I hope fate is ready to dance with me.

Perdita: Aloha

Daniel: Aloha

roguedesmoulins@hotmail.com (8:40:33 AM): where were we?

roguedesmoulins@hotmail.com (8:40:42 AM): ah yes, not afraid...

roguedesmoulins@hotmail.com (8:41:02 AM): For I think you have as little skill to fear as I have purpose to put you to it. Perdita: *Smiles in her coy little manner.* Oh yes?

roguedesmoulins@hotmail.com (8:44:13 AM): Indeed...

roguedesmoulins@hotmail.com (8:45:09 AM): tell me...

roguedesmoulins@hotmail.com (8:45:25 AM): have had many lovers?

roguedesmoulins@hotmail.com (8:45:54 AM): for although unknown, you doubtless have been known

roguedesmoulins@hotmail.com (8:46:42 AM): for surely the gods themselves must vie for your attentions

roguedesmoulins@hotmail.com (8:47:03 AM): humbling themselves before you...

Perdy - Us few who made it. (8:47:08 AM): Hmm men have tried but I am quite unreachable in many aspects, I've only had, 2 lovers?

roguedesmoulins@hotmail.com (8:47:13 AM): taking on shapes of bulls and swans...

roguedesmoulins@hotmail.com (8:47:17 AM): and gators!

t.: !

roguedesmoulins@hotmail.com (8:48:44 AM): and I should think the gators more fortunate than your lovers

roguedesmoulins@hotmail.com (8:48:56 AM): having two hours of your undivided attention

Perdita: *Smiles* Do not think me cold, simply unwilling.

roguedesmoulins@hotmail.com (8:49:59 AM): but you will be strong

roguedesmoulins@hotmail.com (8:50:16 AM): your passion true

Perdita: Sometimes I am consumed by the urge for passion but I keep it inside for I don't think it is a thing to be wasted on some men..

roguedesmoulins@hotmail.com (8:54:41 AM): I could not agree more.

roguedesmoulins@hotmail.com (8:54:52 AM): Your love is for the gods

alone

Perdita: Flattery, but for what purpose I wonder?

roguedesmoulins@hotmail.com (8:56:38 AM): my purpose is simply (and complexly) to know you

roguedesmoulins@hotmail.com (8:57:25 AM): to bestow upon thee gift of truth and beauty

roguedesmoulins@hotmail.com (8:59:15 AM): it is, in sum, a game

roguedesmoulins@hotmail.com (8:59:28 AM): a game of exploration and of discovery

roguedesmoulins@hotmail.com (9:00:40 AM): of hide and seek, as it were

Perdita: I do like games ^^

roguedesmoulins@hotmail.com (9:04:06 AM): and this is one for the ages

roguedesmoulins@hotmail.com (9:04:23 AM): an infinite game, if you will

Perdita: I see.

roguedesmoulins@hotmail.com (9:04:48 AM): there is no winner

roguedesmoulins@hotmail.com (9:05:08 AM): we play for the sole purpose of continuing the game

Perdita: Then I am quite happy to play it.

roguedesmoulins@hotmail.com (9:05:37 AM): wonderful!

Perdita: ^-^

roguedesmoulins@hotmail.com (9:06:51 AM): do you smoke?

Perdita: I used to It had lost its effect on me

Perdita: and by smoke I mean...Not the smoke you think of

Perdita: the other things you might smoke for pleasure

roguedesmoulins@hotmail.com (9:08:41 AM): do you know this quote...

roguedesmoulins@hotmail.com (9:09:04 AM): These your unusual weeds to each part of you do give a life.

Perdita: »;

Perdita: omg

Perdita: you think I am named after Perdita and I would not know?

roguedesmoulins@hotmail.com (9:10:06 AM): I do not know what you know...

roguedesmoulins@hotmail.com (9:10:11 AM): at least not yet

Perdita: Mr Shakespeare was a wonderful writer but over popularised in my belief

Perdita: Well playwright to be exact..

roguedesmoulins@hotmail.com (9:11:10 AM): yes, but fortunately remains quite unknown despite

roguedesmoulins@hotmail.com (9:11:36 AM): much like another popular, yet unknown recent acquaintance of mine

Perdita: oh yes?

roguedesmoulins@hotmail.com (9:12:47 AM): indeed, I find your usual weeds to be far more intoxicating...

Perdita: *Smiles.*

roguedesmoulins@hotmail.com (9:13:05 AM): as Flora peering in April's front

roguedesmoulins@hotmail.com (9:13:18 AM): I very much love that simile this time of year

Perdita: I do like intoxicating substances ^-^

roguedesmoulins@hotmail.com (9:13:45 AM): and how beautiful that we have found each other here, in April's front...

Perdita: I do love the spring...

roguedesmoulins@hotmail.com (9:15:09 AM): I must now away

roguedesmoulins@hotmail.com (9:15:13 AM): but only for a while

Perdita: Alright..

roguedesmoulins@hotmail.com (9:15:31 AM): I will find you again

roguedesmoulins@hotmail.com (9:15:51 AM): for I'm afraid that in this case,

roguedesmoulins@hotmail.com (9:16:03 AM): my desires have run before my honor

roguedesmoulins@hotmail.com (9:16:14 AM): and my lust burns hotter than my faith

roguedesmoulins@hotmail.com (9:16:19 AM):

Perdita: *Smiles softly.*

~~~~~

roguedesmoulins@hotmail.com (9:40:31 AM): so

roguedesmoulins@hotmail.com (9:40:43 AM): what do you do to occupy yourself?

roguedesmoulins@hotmail.com (9:44:05 AM): Incidentally, if there is anything really important about you that I should know, now is a good time...

Perdita: oh, back ^^

roguedesmoulins@hotmail.com (9:45:10 AM): lest we create a beautiful tapestry created from fabrications

roguedesmoulins@hotmail.com (9:45:25 AM): which has it's place in the universe as well

Perdita: hmm I can only think of one thing to hand

roguedesmoulins@hotmail.com (9:45:53 AM): really 38 yo housewife?

Perdita: lol please stop with that lol! \*Grins\*

roguedesmoulins@hotmail.com (9:47:38 AM): tell me the one thing

Perdita: No there is man named Jay, who lives in the USA who I met on

SL that has intentions on me, I mean we arn't going out or anything but hes trying really hard for my affections, lives in a typical "get off my land boy!" \*Sits up from rocking chair on the porch and pulls out shotgun.\* sort of area! So I doubt very much if I could go live with him..Hes simple but really nice.

roguedesmoulins@hotmail.com (9:50:15 AM): I am not simple.

Perdita: I noticed.

Perdita: You can form a sentence, like oh my god! !

Perdita: So rare ^^

roguedesmoulins@hotmail.com (9:51:10 AM): For you, I can form a galaxy...

roguedesmoulins@hotmail.com (9:51:28 AM): spiral or elliptical?

Perdita: hmm choices choices, you know the field better than I ^-^

roguedesmoulins@hotmail.com (9:52:17 AM): ellipticals are quite symmetric

roguedesmoulins@hotmail.com (9:52:32 AM): but spirals much more spectacular

Perdita: oh I think I might quite like a spiral..!

roguedesmoulins@hotmail.com (9:53:18 AM): I would recommend an Sb spiral with a smaller nuclear region

roguedesmoulins@hotmail.com (9:54:20 AM): <http://www.spitzer.caltech.edu/Media/ro06/ssc2003-06d.shtml>

roguedesmoulins@hotmail.com (9:54:26 AM): is a nice example of such

Perdita: oh wow!

roguedesmoulins@hotmail.com (9:54:44 AM): and is quite close

Perdita: : thats pretty

roguedesmoulins@hotmail.com (9:55:01 AM): well, I must go work on Mars now...

Absinthe & Jay

**2006.04.06 10 am**

welcome to my phone

\*Nods.\*

did you tell me what occupies your time?

At the moment I like to attempt to play the harp, although not well yet I must admit

i long to play harp  
 was going to learn this year in fact.  
 will probably just collect dust in music room  
 but makes for interesting conversationppiecee  
 Well I am getting there slowly..

you work at all?  
 These things take time, and time is relative.  
 Yes, I currently work as a florist inbetween study.

of course you do  
 Are you doubting that also?

Flora of April front  
 i no longerdoubte  
 I don't exactly think its a grand job but I adore flowers and it keeps me  
 busy.

do you believe in fate?  
 Possibly..  
 Although I am afraid to admit it maybe. I don't know..

can be scary  
 also luberatinge  
 \*Nods a little.\*

er liberating  
 sorry – driving  
 \*Giggles.\* You are driving!?

to marse5  
 lol!

didnt i say?  
 Yes but... Well it all sounds very far-fetched

no farther than egypt  
 music

what music?

be my dj

hmm what kind of music do you like?

Asked you

You tell me

hmm I have no set tastes, everything from classical to alt rock

Choose

But choose wisely

you know Muse maybe? Or franz ferdinand?

You chose wisely

Thank you.

:)

so hip

most impressive

where are you at school?

That one I can withhold from you for the moment ;p

why is that?

afris ill stalk you?

afraid, even

no matter

who you are has little to do with where you happen to be

Hmm just stick with location, Londons outskirts for the moment ;p

and I am more interested in where you will to be...

\*Blinks, tilting her head a little.\* How do you mean by that?

where do you will to be?

a bit like

where do you desire to be

Oh I see! ^^

Sorry you must forgive me, i'm blonde you see.

so you say ;)

pssh! \*Pouts\* I am!

h

you have webcam?

(for, uh, future reference)

####

\*nods\*

vgood

tell me how you found SL

A friend of mine convinced me to play, I don't normally touch that kind of thing

but he wouldn't stop bothering me about it

so I caved in then actually found it wasn't that bad at all

still your friend, then?

\*nods\* Although we don't talk that often.

played any other online games?

Hmm tried Ragnarok, thats about it

not familiar

is it fun?

no matter, can google it ;)

Do you have any birds cats dogs elephants or fish?

(less googleable)

lol I have some Parrots

I have three cats, dog, and a 2 year old son.

I have a kitty also, and I dare say you should treat your son as a pet!  
 „

(and a wife)

didn't say pet

;p

said I have him

I had a fish once...

you like kids?

But alas is perished

it\* even

Flushed?

The way of all fish.

And yes who doesn't like kids? But I am told 2 years old is a most disagreeable age

He is well tempered.

terrible twos? Or is that just what parrots suffer

Most enjoyable lad.

\*Smiles\*

Whats his name?

Aidan Ezekiel

That is a most thoughtful name

He is a thoughtful child.

It means little fire does it not?

It does yes.

And Ezekiel is my favorite prophet.

Moreover I come from 4 generations of Daniel

fascination with entomology on my part

words, not bugs?

etymology

is fascination of mine as well

I can even spell it :P

XD

\*falls over\*

I am blonde ok!!

In fact, Im well known for including etymology slides in my professional presentations.

This is my back up for everything that goes wrong, the plus side of being a real blonde.

Perdita: So now you can answer a few of my questions.

Daniel: of course

Perdita: Why oh why would you put yourself through other tales of love and woe when you have a wife and son? It really is quite beyond me unless you are searching for a mistress to have of sorts.

Daniel: Love does not subtract, it multiplies.

Daniel: The more you love, the more you CAN love.

Perdita: I wish I could say I understood but having not been in your position I don't..

Daniel: I seek. Its what I do.

Daniel: When you know me better you will understand.

Perdita: And do you think I will know you better?

Perdita: If it is your will to.

Daniel: Do you usually get what you will?

Perdita: Hm that depends.

Daniel: on what?

Perdita: on the circumstances surrounding whatever it is I desire

Daniel: what do you desire now?

Perdita: I wish I knew, I am young and the choices feel endless yet I still feel lost

Daniel: perhaps you desire desire.

Perdita: maybe but how can one find out ?

Daniel: we seek.

Daniel: we explore.

Daniel: we trust in what we are attracted to

I will tell you another secret, I have a phobia of squirrels! They frighten me so and I have no idea why!!

Curious.

Other rodents too?

Bunnies?

Not at all, just squirrels

Traumatic experience as a child perhaps.

o.o; You think? No....I don't recall any traumatic experiences involving squirrels..

But the fear...It is there. XD

Well, Im sure they are more afraid of you.

Ever eaten a squirrel?

!!!

No!?

(people do)

I couldn't even go near a dead one

Am vegetarian myself.

Just eat Flora ;)

Oh yes? That is very good of you.

Yes. I am very good.

\*Smiles.\*

What do your folks do?

Other than Baroning?

My father sells and buys various aeroplanes, he is also the aviation co-ordinator for various movies such as James bond.

The company he owns is called Aces High  
fun

It is so so

If you like that sort of thing I suppose.

does he attend air shows?

various ones I believe

hes more into selling and buying the larger planes, 747s and so on  
cool guy?

lol if you think so

do you?

I dont much know him.

That depends, I love him and all if thats what you mean.

But he has a wonderful daughter.

Thank you kindly..

does he fly?

Yes he used to be a sort of show pilot, you know doing air stunts and so  
forth

and mummy?

She was a failed opera singer...Then became an English teacher

I say failed because her parents stopped her in the same way I was stopped  
from dancing

my mother is also english teacher

Yes? :)

but terrible singer :)

\*Smiles softly.\*

my father is a professor of medical physics

works in radiation oncology

Thats quite impressive

I am a rocket scientist by day.

and am wrapping up PhD in computational biology

have small consulting and r

and d company

but thats really not who I am, you know...

is a fascade, I think

What is the real you?

You tell me if (when) you find him.

Never much desired to be engineer / scientist.

And required precious little will.

That path was largely downhill.

And I am, if nothing else, lazy.

Not lazy.

Efficient.

I am lazy ;p

I think it allows me to explore what I will.

Although I dare say I will have my PHD before i'm your age

I started 3 years ago.

Is a bit of a hobby really.

Have a few papers and a patent.

Really just need to edit it.

(dissertation)

But, my younger sis did manage to finish first.

(next month)

Thats great though, its a task and a half.

\*Curls up in her chair.\*

I think I want too much from the dissertation.

For despite my laziness, I can be idealistic

Oh I believe it

about myself and others.

The laziness comes more from zenlike perspective than sloth.

Sloth is after all one of the seven deadly sins..

So they say.

Daniel: Are you sinful?

Perdita: Very much so.

Daniel: Why?

Perdita: Lust is a nice sin, no?

Daniel: Do you lust?

Perdita: Frequently

Daniel: Do you act upon it?.

Daniel: Or just lust in your heart?

Perdita: in my heart I am possibly in action quite innocent

Daniel: why do you not follow your heart?

Perdita: Wrong people? I don't know I want something but i'm not sure what..

Daniel: yes, I understand

Perdita: I don't even know why i'm telling you all this..

Daniel: for just that reason

Daniel: we explore to be explored

Daniel: you desire to be known

Daniel: I desire to know

Daniel: It is the nature of the universe.

Perdita: \*Nods a little.\* And what do you think I should do?

Daniel: Isnt about doing.

Daniel: Is about being.

Daniel: After all

Daniel: To truly know is to truly be.

Perdita: so you are saying I should go now and have sex with as many people as possible o.o; just to find out?

Daniel: silly you

Daniel: such superficial intercourse will not satisfy your desire

Perdita: indeed, it but damps it

Perdita: \*Frowns and curls up further.\*

Daniel: and I dont think that ots what you really desire anyways

Daniel: why frowns?

Perdita: Problem being I don't know what I desire

Daniel: and I think you know this intuitively which is why you dont act it

Daniel: that said

Daniel: cant really explore curled up ;)

Perdita: \*Sits upright.\*

Daniel: be open to the universe

Daniel: waiting

Daniel: I hate waiting

Daniel: but its a big part of exploring

Perdita: \*Sits there and peers at the clock,\* I'm waiting!

Daniel: waiting for the adventure to find you and carry you off to uncharted realms

Perdita: \*Smiles.\*

Daniel: as I have found you.

Daniel: I have waited a long time

Perdita: \*Blushes\* That is kind but I don't really know if I am of any use to you

Daniel: is fun to find an adventure

Daniel: any use? what do you mean?

Perdita: I don't even know what I mean.

Daniel: I am not utilitarian

Daniel: art has little "use"

Daniel: beauty has little use

Daniel: is not about use.

Perdita: Then what is it about?

Daniel: Friendship.

Daniel: And exploring.

Daniel: And love.

Daniel: And whatever you will

Perdita: \*Nods\*

Daniel: My will is to know you

Perdita: ^^

Daniel: And that is what Im doing

Daniel: having fun yet?

Perdita: With?

Daniel: us?

Perdita: \*Grins softly.\*

Daniel: game must be going well

Daniel: we are still playing

Perdita: I think so but then the questions asks where will it go next?

Daniel: no idea

Daniel: where do you want to go?

Perdita: Well I don't even know what you look like

Daniel: my photo is in SL profile

Daniel: but we will cam soon

Perdita: ^^ k

Daniel: what else?

Daniel: I can take you anywhere.

Perdita: hm?

Daniel: where else would you like to be?

Perdita: Everywhere, can't do that I bet ;p

Daniel: a very nice answer indeed

Daniel: I know everywhere quite well.

Daniel: You have to go through nowhere first.

Daniel: you ever meditate?

Perdita: I have tried it once or twice

Perdita: But I can't sit myself for hours

Daniel: the secret is to not try.

Perdita: \*Blinks\*

Daniel: to allow everything to be your meditation

Daniel: mindful but unattached

Daniel: know anything about magick?

Perdita: well, I must disappear from you for a bit

Daniel: be well, my new friend

Perdita: yOU ALSO

Perdita: eep

Perdita: ^^ \*puts down the caps gently.\*

Boring meeting

I do not will to be here

Oh how terrible for you, I know that feeling.

free now

that was bad

Oh?

is customer relations mostly

Perdita.

A lovely name...

what inspired your folks?

I am guessing a Winters Tale, either that or they found me in a box but I highly doubt that.

do you look like either of them?

hm, actually not at all.

maybe box

they happily married?

well my father is very happy

my mother still acts the wife but he is allowed to go off and do what the hell he wants with who he wants, and at 50 I guess its very liberating for him!

think he cheats?

He has two official mistresses, no jokes!

Both of which my mother knows about and is, well slightly friends with do you like them?

I like one of them very muc

much\* the other is just a gold digger

would you want to be a mistress?

Would depend on the person and the circumstances

I suppose it would.

Would parents be upset?

Disinherit you?

Somehow I doubt it.

Interesting.

Perhaps someday we'll revisit this topic.

how many sibs do you have?

I have two brothers.

like them?

hm, we don't get on that well, although I miss my brother who is in America somewhat, they have been good to me though

are they protective of you?

not really :/

well, I guess the question is whether you need protecting

\*Smiles a little.\*

tell me another story

something sexy

ok :)

I will tell you now as its an important factor I guess, I am quite bi-sexual by nature, and while i'm rather innocent in terms of male handling, i'm quite the opposite in female promiscuity!

more than I can count and I have a habit of getting seduced by them also  
i see

what do you love about them?

do you prefer to seduce or be seduced?

à¢

(so slow in responding)

soft to the touch, emotionally strung, supportive, great for no strings, always a laugh

I don't know, I quite like to be seduced

wonderful

on both counts

do you think itll hinder you ability to "settle down"?

Not at all, well I should hope not, I don't think it would.

Have your boyfriends been aware and in favor?

Oh yes, i'd never not tell them a thing like that! I mean the second one had issues with it so I stopped right away.

Do you have any idea how fascinating I find you?

Like something out of a (admittedly peculiar) dream

\*Blinks\* None what so ever?

no?

\*remembers that she IS blond\*

I told you I get confused easily..

Someone can ask me if I want a chocolate ice cream or a waffle and I just

wont be able to cope with the options!

good to know

might come in handy someday

Tell me of Mayet.

Oh come on, you know Mayet is Ma'at

Yes yes.

Tell me what draws you to her.

I don't know, weird dreams and things when I started out reading on Egypt

Tell me weird dreams.

I don't know...Not even weird, just horrible re-occurring ones.

Like?

\*Fidgets uneasily.\* Doesn't matter.

Oh, okay...

lol

Do I have to?

And I look up and on the end of my bed is a black jackal, like perched sitting there looking at me.

Anubis?

He is the god of the lost...

at that point it leaps at me pinning me to the bed still snarling, then I always wake up

So why Ma'at?

Because the woman always in the background warning me looks just like Ma'at

Sorry... Im blonde you know.

Oh yes?

jk

I realise \*Smiles sweetly.\*

interesting dream

what do you make of it?

I dislike it, I have it around? 3 times a year?

No idea, I don't think dreams have meanings or anything, i'm just suprised i'm never aware of whats going on during the dream considering how many times i've dreamed it before!

perhaps squirrels remind you of jackals

What might she warn you of

Me

Lol

Well I guess its meant to be whatever the Jackal is

Interesting

Any thoughts?

None...Don't really wish to think about it either.

Very well.

Have you mentioned to anyone else?

no..

what does Ma'at mean to you?

other than warning of jackals?

She means balance, order within confusion, but keep in mind I am equally fond of Seth for without chaos there can be no order, both is needed for the perfect harmony.

beautiful you...

we will make magic

if you will it.

so again, we are back to you

What sort of magic?

what do you will?

do you know what magic is?

Back to me? Why I feel this game is very one sided!

my will is in place

i cannot will for you

well, I could... but what fun is that?

What would you rather happen?

You may always give your self to me completely.

But I'd rather have an equal.

And you seem well suited to the task.

Hmm and you think this will be easy?

Easy? LOL

Should it be?

Not at all.

I am unattracted to easy.

Good, as am I.

What I want is someone with whom I do the impossible.

Why not any other woman? So many of them you know? Some of which I expect would come so much more willingly to your arms.

You are not coming willingly?

Most are not willful enough, lack passion

not courageous enough

too comfortable.

and uninterested in impossibilities

Am I mistaken?

Have I misjudged you?

If so, you must think I'm quite mad.

I don't know, you tell me? Be careful to never read the book by its cover,

I never said I was willing, however I was listening.

Listen to that voice and run away.

But if you find your heart racing a bit...

secure yourself to it...

and hold on for a most interesting adventure.

I do not run away I merely observe and listen then make a judgement based on what I,Ãve gathered....But yes last night my heart was racing from your words.

Observing has its place...

But I seek control...

#####

I'm sure you have self control

Hmm, that is a question, you would think yourself would be the only one able to answer that. I have self control unless someone else has control, then I just give it up.

perhaps

many are controlled by less obvious forces0

Such as?

®c

parents, peer, society all control subtly and overtly  
of course it is wise to realize that this is oart of your self  
and that there really is no extrinsic reality0

\*nods\* I would agree with that

of course you do

but you must realize that is a rare insight

tell me, of your friends, how many would I be attracted to?

knowing what you do about me...

hmm!

Most of them!

Really, now?

They are all egyptologists?

Would entertain me for so long?

Tell me dreams and secrets?

Hmm well no they arn't Egyptologists..

but they are blonde! ^-^

Not think I'm crazy?

\*Smiles softly.\* Not at all

Well, I would love to meet them...

Do you have any really close friends?

That you share yourself with?

No, I have hundreds of friends, no close ones.

No one to consult in such matters?

I think they might think I was mad.

Did I say that would worry me?

ôw

No really, friends at such a low level of emotional attachment and purely in social anyway are easily replaced.

True.

haha that says a lot, somehow I don't think you would have any trouble at all.

you underestimate yourself

tell me, would you easily replace me?

God no, lol i've never met anyone quite like you.

maybe a nice furry?

i'd run a mile!

so... wander with me?

\*Nods.\*

wanderful!

tomorrow Im going to a wedding in Ohio

join me?

lets go! ^^

Lol but then the question what to wear!

Im wearing a tuxedo.

Not sure about colors.

hmm

actually how good a tux looks is reflected on what you wear under it.

honestly, were it in even a slightly sexier location, Id have you join me

hows that?

underwear tips?

lol! Wearing anything on the pocket?

dont much know

I adore style

As do I

a favorite saying of mine

"points for style"

is more than just fashion

Hmm I believe people should be aesthetically pleasing.

but style is also attitude  
and an amount of creativity

1.1

\*Nods\*

^^ Either very very late at night, or early morning to mid day,

As have I.

quite magical

Early things have to be intense sometimes..

but also fun

am not always so odd

sold out in under an hour as muse are playing!

Ah

I was just lucky I guess.

In August

\*Smiles brightly.\*

Have lots of friends going m

Oh quite a few.

quite a party then

You travel much?

Should be I hope, i'm very excited about it!

hi

read any good books lately?

am at bookstore

Still..

I think it would be beautiful  
I will send pictures

yes, but worth it  
Done

\*Cheers.\*

Ty for the suggestion  
I hope you enjoy it  
im sure i will

have you been to America?

\*Shakes her head.\* No I'm afraid I havn't...

where have you been?

Canary islands, barbados, france, italy, germany, corfo

Almost every year I disappear to Italy to go to Lake Garda

I do adore Italy

As do I...In summer it is quite something.

perhaps we should go

You think?

why not?

I like Venice

but mountains are nice

I have always wanted to go to Venice..

we need a yacht

a yacht!?

sure

Have you ever been on the Orient express?

no

would love to

It goes down to Venice also

didnt know that

can you drive a boat? o.o;

no

i live in colorado

Oh I see, then what would we possibly do with a yacht?

ohh

lol!

How extravagant

i dont know how to drive train either

!! Oh my

Dinner time

Hmm I was just eating salad, very nice!

Should be vege

Us succubi, we need our meat.

Lol

yeah? \*Blinks and edges closer.\* I thought you were a vege?

;) )

I dig you...

you're fun.

Oh yes? Am I really now? \*Leans ever so slightly back.\*

Phone died

how terrible, I killed your phone!

And it will die again soon

but then ill be home

####3

Its so hard to reply to phone messages I find, no idea why.

\*Shivers.\*

but is cool being inside your head all day

You are good company

Why thank you

Good morning

roguedesmoulins@hotmail.com (8:39:00 PM): much better

roguedesmoulins@hotmail.com (8:39:13 PM): my thought flow much better through the medium

roguedesmoulins@hotmail.com (8:39:52 PM): So what have you actually been up to today?

Perdy - Us few who made it. (8:40:41 PM): Oh

Perdy - Us few who made it. (8:40:48 PM): so your on msn for real?

roguedesmoulins@hotmail.com (8:40:53 PM): I am!

Perdy - Us few who made it. (8:40:59 PM): How delightful! \*Sits.\*

roguedesmoulins@hotmail.com (8:41:04 PM): Even in SL...

roguedesmoulins@hotmail.com (8:41:27 PM): Anything I might clarify from the days discourse?

Perdy - Us few who made it. (8:41:45 PM): Not really

roguedesmoulins@hotmail.com (8:41:55 PM): Phone, while convenient, necessitates brevity I'd otherwise not take advantage of.

Perdy - Us few who made it. (8:41:56 PM): I'm rather trusting by nature

Perdy - Us few who made it. (8:42:04 PM): So I am quite happy to just go with what you say.

roguedesmoulins@hotmail.com (8:42:24 PM): Hmm...

roguedesmoulins@hotmail.com (8:42:44 PM): I would prefer the full force of your will behind our adventure.

Perdy - Us few who made it. (8:42:56 PM): Unless it sounds crazy, then I might question!

roguedesmoulins@hotmail.com (8:43:03 PM): Have plenty (too many) people who are quite happy just to go with what I say.

roguedesmoulins@hotmail.com (8:43:32 PM): Are you really so submissive in nature?

Perdy - Us few who made it. (8:44:04 PM): Sbmissive, and scarily suggestive.

roguedesmoulins@hotmail.com (8:44:18 PM): So be it.

roguedesmoulins@hotmail.com (8:44:58 PM): Will you submit to me completely?

Perdy - Us few who made it. (8:47:04 PM): \*Shakes her head slowly.\* You are an intellect, I have a great deal of admiration and respect for you, and yes I most likely would do whatever you asked because my heart beats so...

roguedesmoulins@hotmail.com (8:47:48 PM): You have no need of your own will?

Perdy - Us few who made it. (8:49:16 PM): I have my own will and god its so strong at times like these....But it is within my nature to trust, but that does not mean a loss of will.

roguedesmoulins@hotmail.com (8:49:48 PM): I would make you powerful.

Perdy - Us few who made it. (8:50:47 PM): how so?

roguedesmoulins@hotmail.com (8:51:26 PM): Power is simply the ability to see your will done.

roguedesmoulins@hotmail.com (8:51:32 PM): To do what you will to do.

Perdy - Us few who made it. (8:52:26 PM): That would be nice...

roguedesmoulins@hotmail.com (8:53:37 PM): And we can figure out whatever the hell that is later.

Perdy - Us few who made it. (8:54:53 PM): Yes..

roguedesmoulins@hotmail.com (9:03:31 PM): What is your favorite classical music?

Perdy - Us few who made it. (9:04:43 PM): \*Grimaces ever so slightly.\* Could I ever label such a thing, but I shall send you a most wonderful piece of music to stir your very soul.

Perdy - Us few who made it. (9:06:11 PM): I adore things such as danse macabre, fur-elise, hmm

roguedesmoulins@hotmail.com (9:06:53 PM): What do you enjoy listening to just before making love to a beautiful girl?

Perdy - Us few who made it. (9:06:55 PM): Perhaps you will not hear the soul stirring music after all.

roguedesmoulins@hotmail.com (9:07:21 PM): what is the soul stirring music?

Perdy - Us few who made it. (9:07:33 PM): Monti Csardas

roguedesmoulins@hotmail.com (9:07:50 PM): gypsy music?

Perdy - Us few who made it. (9:07:57 PM): you could say so..

roguedesmoulins@hotmail.com (9:10:41 PM): What music should I listen to to think of you?

Perdy - Us few who made it. (9:11:24 PM): Anything by Muse, anything with a harp, and everything that sounds dramatic, there that narrows it down.

roguedesmoulins@hotmail.com (9:12:04 PM): fabulous

roguedesmoulins@hotmail.com (9:12:19 PM): I don't have any good harp music.

roguedesmoulins@hotmail.com (9:12:24 PM): Any suggestions?

Perdy - Us few who made it. (9:13:02 PM): hmm see the problem with the harp is just that, there is no solo music for it as such, well there is, folk songs and things...

roguedesmoulins@hotmail.com (9:13:15 PM): right

roguedesmoulins@hotmail.com (9:13:55 PM): I have some celtic harp

roguedesmoulins@hotmail.com (9:14:00 PM): Is similar

Perdy - Us few who made it. (9:14:27 PM): Yes? I think you should put some effort into the thing and you might create something beautiful in return..

roguedesmoulins@hotmail.com (9:14:48 PM): Like with you?

Perdy - Us few who made it. (9:15:47 PM): \*Smiles ever so softly.\* You must forgive me a moment, Jay wants me to go talk with him in sl quite

badly

roguedesmoulins@hotmail.com (9:16:07 PM): Alright.

roguedesmoulins@hotmail.com (9:21:34 PM): Are you in SL under an alt?  
I don't see you...

Perdy - Us few who made it. (9:22:00 PM): Yes, my other alt, almost main, is Cherry Magpie, I was in the welcoming area a moment ago

Perdy - Us few who made it. (9:22:20 PM): I get serious nub aggro on both so i switch like a...uh light switch

roguedesmoulins@hotmail.com (9:22:27 PM): I should like to meet her.

Perdy - Us few who made it. (9:23:00 PM): I should like you to meet her also.

roguedesmoulins@hotmail.com (9:23:27 PM): Am loitering in WA

Perdy - Us few who made it. (9:24:23 PM): Alright, enjoy yourself, I just really have to talk with him for a moment I was acting weird to him earlier today because my thoughts were on you ^^;;;

roguedesmoulins@hotmail.com (9:24:37 PM): Imagine that...

roguedesmoulins@hotmail.com (9:26:27 PM): Hmm... squirrel in WA...

Perdy - Us few who made it. (9:26:40 PM): Thank god i'm not there

roguedesmoulins@hotmail.com (9:49:45 PM): still around?

roguedesmoulins@hotmail.com (10:25:32 PM): hmm

roguedesmoulins@hotmail.com (10:25:37 PM): not entirely stable

Perdy - Us few who made it. (10:26:03 PM): \*Whines at her computer\*

roguedesmoulins@hotmail.com (10:27:18 PM): should you sleep now?

Perdy - Us few who made it. (10:27:52 PM): I am very tired..

roguedesmoulins@hotmail.com (10:27:59 PM): you sleep

roguedesmoulins@hotmail.com (10:28:01 PM): I'll sleep

roguedesmoulins@hotmail.com (10:28:12 PM): and I'll see you in about 7 hours or so

roguedesmoulins@hotmail.com (10:28:23 PM): if not sooner, in dream-land

Perdy - Us few who made it. (10:28:32 PM): alright..\*Leans against him and sleeps silently.\*

roguedesmoulins@hotmail.com (10:29:15 PM): kisses her forehead gently and wonders if she knows how mind altering the past 24 hours have been...

roguedesmoulins@hotmail.com (10:31:19 PM): the universe will never be the same...

roguedesmoulins@hotmail.com (10:32:20 PM): You know...

Perdy - Us few who made it. (10:32:34 PM): \*Listens carefully.\*

roguedesmoulins@hotmail.com (10:32:58 PM): I could very much get into

you.

roguedesmoulins@hotmail.com (10:33:47 PM): I will try and avoid the crazy obsessive path.

roguedesmoulins@hotmail.com (10:33:54 PM): It's really not my style.

Perdy - Us few who made it. (10:34:36 PM): And do you think you will get into me?

roguedesmoulins@hotmail.com (10:34:39 PM): But I can certainly appreciate it.

roguedesmoulins@hotmail.com (10:34:53 PM): I think that I will definitely get into you.

roguedesmoulins@hotmail.com (10:34:58 PM): What do you think?

Perdy - Us few who made it. (10:35:26 PM): I think that you are correct.

Perdy - Us few who made it. (10:35:40 PM): But alas that is another day another topic.

roguedesmoulins@hotmail.com (10:35:55 PM): The only real question is will I be able to get out

roguedesmoulins@hotmail.com (10:36:13 PM): Good night, my new love.

roguedesmoulins@hotmail.com (10:36:18 PM): Sleep well.

Perdy - Us few who made it. (10:36:22 PM): Goodnight..

roguedesmoulins@hotmail.com (10:36:53 PM): I can barely drag myself from you...

Perdy - Us few who made it. (10:37:40 PM): I'm still here..

Perdy - Us few who made it. (10:37:51 PM): I don't know why i'm not going!

roguedesmoulins@hotmail.com (10:37:53 PM): So am I...

roguedesmoulins@hotmail.com (10:38:12 PM): I think I am still afraid that I'll wake up...

roguedesmoulins@hotmail.com (10:38:55 PM): You are quite unexpected.

roguedesmoulins@hotmail.com (10:38:58 PM): And yet...

roguedesmoulins@hotmail.com (10:39:05 PM): So very familiar.

Perdy - Us few who made it. (10:39:19 PM): Hmm I know..That feeling.

roguedesmoulins@hotmail.com (10:39:22 PM): Like I have known you much much longer.

roguedesmoulins@hotmail.com (10:39:35 PM): Is quite surreal.

Perdy - Us few who made it. (10:39:46 PM): This whole thing is heavily surreal..

Perdy - Us few who made it. (10:40:26 PM): perhaps we have known each other a very long time.

roguedesmoulins@hotmail.com (10:40:54 PM): perhaps forever...

Perdy - Us few who made it. (10:42:30 PM): Companion, lover and cohort

## 2006.04.06 Thursday Morning

Daniel: Good morning!

Daniel: On way to airport

Are you excited?

Daniel: Hmm

Daniel: Would rather be snowboarding

Daniel: Mountains are beautiful today

\*Smiles in awe.\*

Daniel: You like snow?

Are you kidding! I love snow!!1

Daniel: You ride?

ride what? Ride horses?

Daniel: Snow

Daniel: Snowboarding

Daniel: Or perhaps you ski

i'm snowboarded on a dry slope, but no, never either!

Daniel: Would you like to learn?

I think that I would yes!

Daniel: Wonderful!

Daniel: I would love to teach you.

Daniel: Are you a good student?

I try to be ^^

:)

Daniel: Do you like airports?

Uh thats a very strange question, and no I think I rather dislike them, takes  
too much time, so much waiting..

Daniel: I think they are exciting.

really?? Why is that?

Daniel: Everyone going somewhere

Daniel: Unhappy with where they are

Daniel: Yet almost never enjoying the journey

Daniel: We might have imagined this a time of great freedom

Daniel: Havinn enabled so many to journey so much

Hmm... You should enjoy the journey regardless of its hold ups, but people are impatient and wish to get where they need to go as soon as possible, remember time is relative.

Waiting is a valuable skill

I should like to be better at it

Hmm you are already very good at it, we spend all our lives waiting for one thing

Yes

It is waiting for the myriad me trivialities that sucks

Yes that is true..

But i am still learning

Learning to wait

Daniel: You know, you were my last thought as i slept

Daniel: And the first when i awoke

Really? I can safely say the same but i'm not sure if it will mean anything for you

Why?

Why would it not mean anything?

I'm not sure o.o;

Tell me another secret

Something to make me viol for a few hours

Er think

(damn predictive text)

(viol = think)

viol = any family of stringed instruments, chiefly of the 16th and 17th centuries ^^

But yes hmm a secret.

wow, am going to be away from you for like 3 hours.

how novel

sorry, im flaked

”

hmm lol oh I have a funny one! for my 16th birthday myself and around 11 of my female friends came round so we could get hopelessly drunk, and oh god we really did lol! And as it was the height of summer at around 12pm we ventured into the garden, dozen drunk socialites is a great start to any story

do continue...

it was so hot even for night time I just can,Äô tell you! Anyway we continued to drink and I really can,Äô remember that much but what I do remember is that we convinced ourselves we were nymphs, stripped down to our underwear. Then someone shouted that nymphs only lived in woods, so we ran into the woods that surrounded the old house

#####

it is not hard to imagine you a nymph

how tall are you?

Lol but God if anyone had seen us we must of looked like a bunch of lunatics let alone nymphs. Singing, sitting in trees while having drunken babbling, dancing round, jumping across the stream back and forth. Anyway when we woke up at around 6am the next morning. My God lol, waking up in nothing but your underwear in the middle of a wood, with 11 girls lying about the place also sleeping.

it was a real "wtf happened." moment.

lol and loads of empty bottles around the place too.

I look forward to partying with you...

;) )

you seem like a girl who enjoys a drink

and i am a guy who enjoys a drunk girl

lol luckily because there was 11 of us, we were able to put the whole thing of what happened together from what different people remembered, otherwise I wouldn't of had a clue.

;) )

Ive had such evenings

that I dont recall personally

but were apparently fabulous

lol They are the best ones

usually requires a bit more than drink

i can drink a lot

lol one time I was drunk a girl tried to smoother me!

unless its tequila

my first love

in which case i remember nothing

lol!

has some effect on my short term storage

half a dozen shots and im good to roll

i dont know what happens after another 6

but have heard Im fun

;)

Hmm I can drink a hell of alot, I won a beer drinking contest with a bunch of guys! And this other girl julia beat me by one more pint!

I can drink more than you.

But will be fun to find out.

did you tell me how tall?

But then we played strip poker afterwards and we both kept loosing for some reason, but we both figured afterwards that the whole beer drinking thing had been a set up, they had LET us win so that we would not be able to play the strip poker right and loose!

Imagine that

I know, the nerve!

Blonde

\*Sticks out her tongue.\*

How tall?

i'm petite, around 5'4

\*kisses top of head\*

take a picture for me?

lol I have a picture »:

a today picture

ok lol o.o

How will I send it to you though?

email?

I'll have to go dig up my digi camera now XD

something suitable artistic

i have high expectations

;)

—

will miss you next few hours

lol I know exactly what i'm going to do »: \*plots evilly.\*

will listen to my Muse collection...

oh! \*Smiles softly.\*

see you in Ohio.

\*Waves and blows a kiss.\*

\*smiles, perhaps a bit deviously - or was that deviantly\*

**2006.04.06**

## 2006.04.07 Friday Morning, Dayton, Ohio

Still?

sorry

always sorry

oh, sorry i'm here now

Hi

How pleasant I don't think I could touch a thing.

Because, well, i am in grain silo

Unusual...But yes I am suffering greatly ;p

thanks

I don't think i've ever been so hung over that I sat down and watched the whole series one of Frasier

Oh various people.

I should imagine so.

Am intimidated.

I dont have nearly so many friends.

Maybe because of my misanthropy.

Shallow folk do not interest me.

Thats pretty rude of me...

Friends are useful things to have, especially in vast quantities.

How so?

For mobbing?

for favours, second opinions, to fill up the spaces in the seats in the chapel at your wedding, to get you invited to social events, to introduce you to other people

Curiously, now that you mention it, I am strategically friendly...

but they arent my friends

And sometimes, just sometimes to bake you a cherry pie

this is wise

I will endeavor to be more friendly.

Ä

I am very social, and can work a room like a professional.

^\_^

But I dont follow through because I lose interest.

Am visioning you.

And now what?

;p I could just slip away.

You should know, I want - NEED ,Äë¬† you willful.

Well you should know I am quite willful on not telling you this detail, why would such a horrid thing interest you anyway?

There must be no secrets.

And there are none.

I think we need to work on your response time ;p

Sorry

Rehearsing

Daniel Charles McShan

Do you feel need for symmetry?

## 2006.04.19

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:06:55 PM): hm, interesting scenario I must admit..

roguedesmoulins@hotmail.com (1:07:08 PM): can be.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:09:02 PM): I just never understood what it was you quite

wanted out of me..Romance?Quick fling?Soul?Mistress? Lover?Wife?Slave?Toy?Equal

roguedesmoulins@hotmail.com (1:09:21 PM): Such words...

roguedesmoulins@hotmail.com (1:09:40 PM): But I think you ended well... "equal" is exactly what I sought.

roguedesmoulins@hotmail.com (1:10:04 PM): I have plenty of the rest at my disposal.

roguedesmoulins@hotmail.com (1:10:18 PM): Without modesty, I lack an equal.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:10:58 PM): And how do you know I am an equal?

roguedesmoulins@hotmail.com (1:11:13 PM): I doubt that you are. I know that you will be.

roguedesmoulins@hotmail.com (1:14:09 PM): You are a woman of vision. And of action.

roguedesmoulins@hotmail.com (1:14:26 PM): In that sense, we are completely equal.

roguedesmoulins@hotmail.com (1:15:20 PM): But you hide...

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:15:26 PM): how could you possibly know that I would be!? Are you able to see such things?

roguedesmoulins@hotmail.com (1:15:32 PM): I do not hide.

roguedesmoulins@hotmail.com (1:15:55 PM): I am able to see many thing... man of vision, remember?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:15:59 PM): Perhaps your little game might even be turning on you..Do you really think that I hide?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:16:21 PM): Do I hide or observe silently?

roguedesmoulins@hotmail.com (1:16:34 PM): Ah.

roguedesmoulins@hotmail.com (1:16:38 PM): You ARE wise.

roguedesmoulins@hotmail.com (1:17:06 PM): But you do hide.

roguedesmoulins@hotmail.com (1:17:31 PM): And you know that you do.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:17:52 PM): It is so much more entertaining to watch contained frustration..

roguedesmoulins@hotmail.com (1:18:19 PM): It is. I do agree.

roguedesmoulins@hotmail.com (1:18:35 PM): But we must enter the world to play with it.

roguedesmoulins@hotmail.com (1:19:15 PM): To dance, we must enter the dance floor.

roguedesmoulins@hotmail.com (1:19:25 PM): I once thought as you.

roguedesmoulins@hotmail.com (1:19:34 PM): And observed this world in great detail.

roguedesmoulins@hotmail.com (1:19:43 PM): Wondering... without wandering.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:19:54 PM): \*Runs her fingertip across her lower lip.\* And how exactly do you know what i think?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:20:16 PM): Do you really have any clue? A mind behind a typed message..

roguedesmoulins@hotmail.com (1:20:37 PM): Tell me this... am I mistaken?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:20:40 PM): Could you even begin to think you could know such a thing!?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:20:49 PM): Well one thing is for sure..

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:21:19 PM): You are not mistaken but you are mistaken, all at once however.

roguedesmoulins@hotmail.com (1:21:19 PM): I think that words are very powerful, yes.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:21:43 PM): You think you know, and I like to let people think they are right, even if they were wrong, this is the game.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:22:07 PM): It is a matter of opinion at all times my friend.

roguedesmoulins@hotmail.com (1:22:24 PM): Let me tell you one thing for sure...

roguedesmoulins@hotmail.com (1:22:49 PM): Whether I do or do not know you is entirely a function of you. My desire, my passion to know you is true.

roguedesmoulins@hotmail.com (1:23:01 PM): You could be deceiving me.

roguedesmoulins@hotmail.com (1:23:12 PM): You could be middle-aged housewife with 4 kids.

roguedesmoulins@hotmail.com (1:23:58 PM): You could have made up fantastical stories about your life and your adventures.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:24:18 PM): ha one day I will be middle aged, and thats a long off thought, I could also be a 13 year old child, you just don't know do you?

roguedesmoulins@hotmail.com (1:24:19 PM): I would still desire to know such a mind as could fabricate a creature such as you.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:25:25 PM): Actually if I were 13 i'm sure the typos might give me away, not to mention the lack of being literate, and if I were middle aged i'm sure the kids screaming in the background would have the same effect..

roguedesmoulins@hotmail.com (1:25:28 PM): Since ours is not in the physical, it matters little.

roguedesmoulins@hotmail.com (1:25:40 PM): But I don't think you have lied or fabricated.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:25:59 PM): I'm very glad.

roguedesmoulins@hotmail.com (1:26:49 PM): and really, all this conversation comes down to is:

roguedesmoulins@hotmail.com (1:26:54 PM): do you want to know?

roguedesmoulins@hotmail.com (1:26:59 PM): do you want to be known?

roguedesmoulins@hotmail.com (1:27:19 PM): I want to know you. I make no apologies for ways or means.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:28:03 PM): People do not know me, but I don't see how such a thing could interest you, i've already given you more info than one of my close friends might know

roguedesmoulins@hotmail.com (1:29:00 PM): I know.

roguedesmoulins@hotmail.com (1:29:12 PM): But it's not about information, about facts...

roguedesmoulins@hotmail.com (1:29:19 PM): It's in the asking, and the sharing.

roguedesmoulins@hotmail.com (1:29:43 PM): Were you to type up the information and hand it to your friends, they would not really know you any better.

roguedesmoulins@hotmail.com (1:34:43 PM): hiding again?

roguedesmoulins@hotmail.com (1:35:06 PM): er, uh, silently observing?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:35:39 PM): hm

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:35:56 PM): well you don't share much do you

roguedesmoulins@hotmail.com (1:36:05 PM): do you ask much?

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:36:30 PM): Ok, tell me everything

roguedesmoulins@hotmail.com (1:36:38 PM): that's not a question.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:37:38 PM): yes it is, I am asking you to tell me all

roguedesmoulins@hotmail.com (1:37:53 PM): I see no question mark.

roguedesmoulins@hotmail.com (1:40:53 PM): It's called intercourse.

roguedesmoulins@hotmail.com (1:41:10 PM): You ask, I share.

roguedesmoulins@hotmail.com (1:41:25 PM): If I share without asking,

it's more like exhibitionism or something

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:41:32 PM): >.>;

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:41:48 PM): question marks are demanding and over rated!

roguedesmoulins@hotmail.com (1:42:11 PM): Then ask with exclamation point.

Perdy - Dance in the moonlight! Dance in the sunlight! It makes no difference to me! (1:42:39 PM): thats even more demanding!! See!

roguedesmoulins@hotmail.com (1:43:02 PM): Both my parents are from a small town in north Texas.

roguedesmoulins@hotmail.com (1:43:17 PM): The both went to the small regional college there, met, and fell in love.

roguedesmoulins@hotmail.com (1:43:38 PM): They both applied to graduate school and were accepted at Purdue in Indiana.

roguedesmoulins@hotmail.com (1:43:48 PM): I suspect this is the first time they left the state...

roguedesmoulins@hotmail.com (1:43:58 PM): (except maybe Oklahoma, which is quite close)

roguedesmoulins@hotmail.com (1:44:04 PM): (same fucking state anyways)

roguedesmoulins@hotmail.com (1:44:35 PM): My father was awarded a PhD in Nuclear Physics, my mother has masters in English.

roguedesmoulins@hotmail.com (1:44:49 PM): She studied Shelley, like my sister did.

roguedesmoulins@hotmail.com (1:45:09 PM): They moved to Florida for my dad's PostDoc

roguedesmoulins@hotmail.com (1:45:24 PM): I was born in Tallahassee, Florida on May 6, 1972

roguedesmoulins@hotmail.com (1:45:50 PM): My father got a job as a professor at Brown in Rhode Island and we moved to Warwick.

roguedesmoulins@hotmail.com (1:46:03 PM): My sister, Jessica, was born June 6, 1975.

Perdy - It takes two to tango and it takes two to Ouija ;] (1:46:23 PM): Ha this is great!

Rogue Desmoulins: Do tell?

Rogue Desmoulins: Please?

Rogue Desmoulins: I really must know.

Juniper Edelbrock: I will tell you.

Juniper Edelbrock: Okay.

Juniper Edelbrock: His friend totally broke my heart.

Juniper Edelbrock: Into a million pieces.

Juniper Edelbrock: And he partially to blame.

Rogue Desmoulins: Oh my.

Rogue Desmoulins: I feel horrible.

Rogue Desmoulins: Which friend?

Juniper Edelbrock: I take it you've met William Withnail?

Rogue Desmoulins: No, not at all.

Rogue Desmoulins: I just met John a few days ago.

Juniper Edelbrock: Oh at the Withnail Academy...

Juniper Edelbrock: I went there to role play the head mistress

Juniper Edelbrock: at the academy

Juniper Edelbrock: and I was the only woman there at the time other than the girls who were in it

Juniper Edelbrock: and I was suppose to be strict and saddistic

Juniper Edelbrock: and when I was

Juniper Edelbrock: JohnHenry freaked out because he wanted to "play" with the girls so to speak

Juniper Edelbrock: and one of the girls did not like me at all

Juniper Edelbrock: And she plotted to have me removed

Juniper Edelbrock: at the sametime

Juniper Edelbrock: William and I got very close

Juniper Edelbrock: and fell very much in love actually

Juniper Edelbrock: but the girl and johnhenry pulled him the other way

Juniper Edelbrock: and it was just too much for me

Juniper Edelbrock: So I went my seperate way.

Rogue Desmoulins: Why do they not like you?

Juniper Edelbrock: I was completely heartbroken

Juniper Edelbrock: Because I was what William wanted me to be

Juniper Edelbrock: I was his sick saddistic headmistress and william and johnhenry

Juniper Edelbrock: well

Juniper Edelbrock: they shared their women

Juniper Edelbrock: and the head girl so to speak

Rogue Desmoulins: Really, now...

Juniper Edelbrock: when william fell in love with me

Juniper Edelbrock: was very jealous

Juniper Edelbrock: she made a scene and he basically choosen her over me... and infact William and I were talking about real life together

Juniper Edelbrock: so

Juniper Edelbrock: it was just awful

Juniper Edelbrock: I was so upset

Juniper Edelbrock: I don't put my heart into this place at all anymore

Rogue Desmoulins: It sounds awful.

Juniper Edelbrock: in anyway

Juniper Edelbrock: It was awful

Juniper Edelbrock: I love to role play.

Rogue Desmoulins: I sensed that, and really thought you would like John Henry's company - he is quite good at it.

Juniper Edelbrock: Yes I know and yes he is.

Juniper Edelbrock: I just was so hurt by all that....

Juniper Edelbrock: He will more than likely take you to Withnail Academy....

Rogue Desmoulins: I look forward to it.

Rogue Desmoulins: (I think)

Juniper Edelbrock: I suppose

Juniper Edelbrock: Check William Withnail's profile

Rogue Desmoulins: I must confess, I'm a bit intrigued at this new side of you, my dear.

Juniper Edelbrock: I am full of many surprises...

Juniper Edelbrock: I don't show all my cards.

Rogue Desmoulins: So I see.

Juniper Edelbrock: have you ever looked at my profile under my picks

Juniper Edelbrock: there is one that says me myself and I

Juniper Edelbrock: I explain myself very clearly about how I am.

Rogue Desmoulins: "Second Life Sluts Rehab Class"?

Juniper Edelbrock: No

Juniper Edelbrock: it says

Juniper Edelbrock: "Me myself and I

Juniper Edelbrock: but that one is funny

Juniper Edelbrock: the sluts one

Juniper Edelbrock: hehe

Rogue Desmoulins: into BDSM?

Rogue Desmoulins: my my my

Juniper Edelbrock: Yes....\*shrugs\*

Rogue Desmoulins: \*shrugs\* back

Juniper Edelbrock: hehe

Rogue Desmoulins: What a very amusing turn this conversation has taken.

Juniper Edelbrock: haha

Rogue Desmoulins: "How are the clubs", indeed

Juniper Edelbrock: So, yes... here I am... I leave myself vulnerable more than people know

Juniper Edelbrock: However, I would rip apart the idiots and eat them like they were lunch

Rogue Desmoulins: And here I am.

Juniper Edelbrock: mmmm...

Rogue Desmoulins: Very, very intrigued.

Juniper Edelbrock: sitting there with a half smile on your face

Juniper Edelbrock: I can feel it

Rogue Desmoulins: \*half smile grows to a full blown smile\*

Rogue Desmoulins: lol

Juniper Edelbrock: haha

Juniper Edelbrock: I'm empathic too

Rogue Desmoulins: I see.

Rogue Desmoulins: Curiouser and curiouser.

Juniper Edelbrock: I really must go now though... my daughter needs me.

Rogue Desmoulins: I do look forward to your return.

Juniper Edelbrock: We can talk again later... if you are around.

Rogue Desmoulins: Aroused?

Rogue Desmoulins: oh, around.

Rogue Desmoulins: lol

Juniper Edelbrock: haha

Juniper Edelbrock: tsk tsk tsk

## 2006-04-26

You: My

JohnHenry Holiday: welcome back, sir! Ar eyou well?

You: That was unpleasant.

JohnHenry Holiday gave you YadNi s EmoterHUD No sound YAY!!!.

JohnHenry Holiday: I assure you it was not related to my dental administrations...

JohnHenry Holiday: why you are dancing!

You: I do not know.

You: Happy about cleaning perhaps.

JohnHenry Holiday: Do sit Click on this large ball I am holding.

JohnHenry Holiday gave you stopanimations.

JohnHenry Holiday: Areyou better?

You: I think I was stick in a chair.

You: Mr. Holiday, please meet Ms. Edelbrock.

JohnHenry Holiday: Good afternoon, Miss edelbrock. We meet again.

Juniper Edelbrock nods...

Juniper Edelbrock: Good to see you.. How've you been?

JohnHenry Holiday bows politely

JohnHenry Holiday: I have been very well thankyou, How do you do?

Juniper Edelbrock: I've been alright, thanks.

JohnHenry Holiday: I have opened a dental office and Faro bank here in Caledon.

Juniper Edelbrock: So I see, it looks great.

JohnHenry Holiday stills the spinning drill

Juniper Edelbrock smiles.

JohnHenry Holiday: Why thank you very much.

Juniper Edelbrock: You're welcome.

Rogue Desmoulins sweats profusely....

JohnHenry Holiday: And how have you been, Ma'am?

Juniper Edelbrock: Good, hardly around.... Sadly.

JohnHenry Holiday: You do have my sympathy.

Juniper Edelbrock: I am very sorry but I must be going.... Good to see you again Mr Holiday.

Rogue Desmoulins can barely breathe...

JohnHenry Holiday: I myself am using a borrowed computer this day and it is quite insufficient.

Juniper Edelbrock: Ahhhh...

JohnHenry Holiday: Good day, Ma'am.

JohnHenry Holiday bows politely

You: Goodbye.

Rogue Desmoulins says meekly.

JohnHenry Holiday: Perhaps it is an effect of the nitrous, good sir?

Rogue Desmoulins coughs.

You: Yes, that must be it.

You: Your arch-enemy?

JohnHenry Holiday laughs

You: How can this be?

JohnHenry Holiday: well... you recall the story of Lecy last night, sir?

JohnHenry Holiday: Shall we sit?

JohnHenry Holiday: I have a parlour.

You: Yes...

You: It seems like a good idea.

JohnHenry Holiday: Alas. It is unscripted.

You: Why can I never sit in your chairs?

JohnHenry Holiday: I ran out of primes.

JohnHenry Holiday: There!

JohnHenry Holiday: If I may offer refreshment, just ask it of me.

JohnHenry Holiday: I have a saloon and so an extensive inventory.

JohnHenry Holiday: Now...

You: I am fine for now...

JohnHenry Holiday: Once upon a time, not so long ago,

You: But do tell this tale.

JohnHenry Holiday: I had a dear friend. William. My RL friend who brought me into the game and we played together. His property is next to mine in Clear.

JohnHenry Holiday: My best friend in this real world.

JohnHenry Holiday: I wished to be John here and have a faro game and dental office.

JohnHenry Holiday: He wished to be a lewd but kindly headmaster of a school for wayward girls.

JohnHenry Holiday: As kindly headmaster, he could not bring himself to punish girls really.

JohnHenry Holiday: But only with the false tools of second life. virtual crops and so forth.

JohnHenry Holiday: So he hired a headmistress who was supposed to do the actual punishments for him and be brutal and random.

JohnHenry Holiday: This was Miss Edelbrock, under another name.

You: ok

JohnHenry Holiday pauses to answer an IM from the autistic people

JohnHenry Holiday: Now. Girls did not come to the school at that time so much.

JohnHenry Holiday: But Lecy was there, who I had, as I say, known from my first few days here, and who William had known just as long.

You: So you actually held "class"?

JohnHenry Holiday: Not at that time.

JohnHenry Holiday: But later, yes, after Miss Edelbrock left and her part in the story is over, there were classes.

JohnHenry Holiday: I truly wanted to teach.

JohnHenry Holiday: And I was interested to promote, as I said then, respect and self-respect.

JohnHenry Holiday: In girls, you know. So many do not feel pride, which is a virtue...

JohnHenry Holiday: And to support and accompany my Friend.

JohnHenry Holiday: Friendship is honour and maybe more important to me.

JohnHenry Holiday: Especially my real life freind.

JohnHenry Holiday: But I did not really hold with the punishment etc.

JohnHenry Holiday: Beyond jolly virtual punishment.

JohnHenry Holiday: I have a strict policy of informed consensuality.

JohnHenry Holiday: So. Lecy was at the school.

Rogue Desmoulins is following

JohnHenry Holiday: And she was the only student yet.

You: What did she want to learn?

JohnHenry Holiday: And she was there because she loved William. And would go along with any scenario, even a 'school'

JohnHenry Holiday: But she was more than an SL name. We talked of real things and shared real pictures, etc.

You: SHE loved William?

JohnHenry Holiday: William and I wihth her.

You: She loved you both?

JohnHenry Holiday: Lecy loved William.

You: I thought she loved you?

JohnHenry Holiday: At this time.

JohnHenry Holiday: That was later.

JohnHenry Holiday: So between them, to make a long story short, William and Miss edelbrock tortured Lecy emotionally

JohnHenry Holiday: To the best of their ability, which was quite great.

You: Why?

You: And how so?

JohnHenry Holiday: Because it plesed them to do so. For power over.

You: Was this a sexual type torture?

JohnHenry Holiday: Yes, that too, but in SL so of course virtual.

You: Well, yes.

You: And did you participate?

JohnHenry Holiday: And I could not hold with this and comforted Lecy.

JohnHenry Holiday: No. I could not stop it and I could not stop her, as I cannot stop Orhalla from disturbing Miss Absinthe.

JohnHenry Holiday: She always returned fo rmore torment, and hope that William loved her and faith in that.

You: But surely you understood this aspect of the school?

JohnHenry Holiday: Oh yes. But I needed to be there.

JohnHenry Holiday: Because William was my friend. Becasue it was an

opportunity to teach respect and self-respect. Because I needed to be there for Lecy who needed me.

You: I see.

You: Yes, I suppose I see.

JohnHenry Holiday: So I comforted Lecy. in the mean time Miss edelbrock fell in love with William.

You: The plot thickens...

JohnHenry Holiday: And perhaps he with her. I am unclear on the depth of his feelings as he was torn between one and the other.

You: I have mentioned this myth that love cannot be shared...

JohnHenry Holiday: Between love and the new opportunity to torment her.

JohnHenry Holiday: Not between Lecy and Miss edelbrock.

JohnHenry Holiday: He did not love Lecy.

You: Oh!

JohnHenry Holiday: She loved him.

You: Ah.

You: Quite the love quadrangle.

JohnHenry Holiday: And Miss edelbrock and I had words. Repeatedly.

JohnHenry Holiday: Oh yes...

You: Because you were defending Lecy?

JohnHenry Holiday: well you see, William and I had shared Lecy as we shared everything.

JohnHenry Holiday: And he wanted to share Miss edelbrock too, and I really tried but I could not stop hating her.

You: Ah... oh.

JohnHenry Holiday: Yes. I was defending Lecy.

You: Why did you hate her and not William?

You: For surely she was playing her role?

JohnHenry Holiday: Because i was interferring and challenging her punishments, which were random...

You: That William had charged her with?

JohnHenry Holiday: You do not understand. i love William with a depth with which I love no other man. He is my best friend and I his. In RL. We do everything together.

Loki Eliot shouts: hey austin, get down here

Absinthe Nosferatu accepted your inventory offer.

JohnHenry Holiday: No. William did not charge her with the punishments. He specified randomness. He was only learning DS and I had had real experience.

You: You had had real experience?

JohnHenry Holiday: And Miss Edelbrock was incompetant at it, also lern-ing.

Loki Eliot shouts: down here

JohnHenry Holiday: h, it is along story of my odd real life.

JohnHenry Holiday: You see, there is an aspect of comfort and care which they did not use...

You: Oh?

JohnHenry Holiday: Bringing someone into clear pain and breaking them in order that trust be fullfilled after, that they realise strength, ect. It is subtle and tricky and I do not do it but I have seen it and know it.

You: Alright.

You: But they were just torturing the girl.

JohnHenry Holiday: And for this I hated Miss edelbrock and tried to protect Lecy.

JohnHenry Holiday: Yes, exactly.

You: I must say, in this smarmy tale, you are coming out quite honorable.

JohnHenry Holiday: And I held and comforted her long nights and stayed with her in IM while they were tormenting hwr, telling her stories and being kind and helpful.

JohnHenry Holiday: god help me.

JohnHenry Holiday: well I was also in the school. and supporting William.

You: It seems you had a reasonable good cop / bad cop scene.

JohnHenry Holiday: Of course I am coming out honourable. It is my tale, and I try to be honourable and see myself so.

You: That seems in line with your thoughts of proper BDSM....

JohnHenry Holiday: Yes, that is also so, and William thought it ws good I was helping her.

JohnHenry Holiday: Anyway, eventually William rejected Miss Edelbrock and the school settled down.

JohnHenry Holiday: And Lecy had come to love me and I her.

You: Why did he reject her?

You: I thought they were in love?

JohnHenry Holiday: And the school had real classes in photography and building and making clothes and photoshop and Japanese.

JohnHenry Holiday: He did not love her in the usual way and not with depth.

You: What is the usual way?

JohnHenry Holiday: He also tormented mIss edelbrock, drawing her close and thrusting her away until her mind spun I am sure.

JohnHenry Holiday: I loved her for the way he was with her.

JohnHenry Holiday: But I couldn't be that way or any other with her.

JohnHenry Holiday: I did try. I took her to my salloon and showed her all my things, ny life, some of my soul.

JohnHenry Holiday: But I couldn't stop hating her.

You: How do you know not with depth?

JohnHenry Holiday: Nad at the schol I taught etiquette and music theory.

JohnHenry Holiday: Because he told me. we are close.

JohnHenry Holiday: There is nothing we do not tell one another.

Bastillion Bachman shouts: Loki, look for a cannon outside the house. You'll know you found the place.

Loki Eliot shouts: thanx again sir :)

JohnHenry Holiday: And that is the story of Miss edelbrock and I.

JohnHenry Holiday: And Lecy... as I said lasst night.

JohnHenry Holiday: And William does not play any more.

You: My.

JohnHenry Holiday smiles sweetly

JohnHenry Holiday: There were other girls and other scenes and things, but that was the important one.

JohnHenry Holiday: William is yet a gentleman though. He was not like that before nor since.

JohnHenry Holiday: He is also an inventor and kindly and holds fine events of stories and education and discussion.

JohnHenry Holiday: It became a real school.

Rogue Desmoulins can say little, other than "My"

JohnHenry Holiday: I hope you do not despise me now.

JohnHenry Holiday: I become involved in the most extraordinary things.

You: So it seems.

JohnHenry Holiday: My friend once said nothing unnerves me but mundaneity.

JohnHenry Holiday: So I am often nervous.

JohnHenry Holiday laughs

You: The good dentist is just a bit more colorful now.

JohnHenry Holiday blushes

JohnHenry Holiday: It is surely all the same with clear lines and words and ideas. Just the situation was different.

JohnHenry Holiday: And so I say: arch nemesis.

You: Yes, I can see the theme of you throughout.

You: My.

You: I had little idea.

JohnHenry Holiday: And I never got to sk her about Georgia, which inter-

estes me so much.

You: Would you like to know the beautiful irony?

JohnHenry Holiday: Yes please, sir.

JohnHenry Holiday smiles

You: Just prior to inviting her, she was accusing me of being in sL only for sex, as seemingly evidenced by some club groups I belong to...

JohnHenry Holiday: That is actually very funny.

JohnHenry Holiday: Hilarious even.

You: I teleported her to impress up on her that not only was I not in a club, but that I was speaking with an honorably and respectable gentleman.

You: It really is.

roguedesmoulins@hotmail.com (8:10:10 AM): Do you really believe that all this.

roguedesmoulins@hotmail.com (8:10:17 AM): \*waves hands around grandiosly\*

roguedesmoulins@hotmail.com (8:10:22 AM): comes about randomly?

Perdy - No sleep, no sleep for the wicked. (8:10:47 AM): I have no clue

roguedesmoulins@hotmail.com (8:11:10 AM): Clearly not.

roguedesmoulins@hotmail.com (8:11:19 AM): Which is why I seek and you hide.

Perdy - No sleep, no sleep for the wicked. (8:11:19 AM): It is beyond me and I do not try to understand it or confess to believe to know it.

roguedesmoulins@hotmail.com (8:11:30 AM): It is not "beyond" you...

roguedesmoulins@hotmail.com (8:11:34 AM): It "is" you.

roguedesmoulins@hotmail.com (8:11:47 AM): Next time, I'll hide and you seek.

roguedesmoulins@hotmail.com (8:11:53 AM): For now, this is how it goes.

Perdy - No sleep, no sleep for the wicked. (8:12:05 AM): \*Looks lost.\*

roguedesmoulins@hotmail.com (8:12:09 AM): And you are quite, quite right...

roguedesmoulins@hotmail.com (8:12:17 AM): if you lose me now...

roguedesmoulins@hotmail.com (8:12:42 AM): I won't find you again in this universe...

roguedesmoulins@hotmail.com (8:12:47 AM): But there are others...

roguedesmoulins@hotmail.com (8:12:58 AM): And we'll create another universe anew.

roguedesmoulins@hotmail.com (8:13:08 AM): And play our game again.

roguedesmoulins@hotmail.com (8:13:26 AM): It's ALL about you and me.

roguedesmoulins@hotmail.com (8:13:37 AM): Nothing else matters...

Perdy - No sleep, no sleep for the wicked. (8:13:43 AM): ...

roguedesmoulins@hotmail.com (8:13:44 AM): All here for us.

Perdy - No sleep, no sleep for the wicked. (8:13:58 AM): what about other people?

roguedesmoulins@hotmail.com (8:14:08 AM): mere avatars...

roguedesmoulins@hotmail.com (8:14:21 AM): playing a part in our drama

roguedesmoulins@hotmail.com (8:14:30 AM): will it be tragedy, this time?

roguedesmoulins@hotmail.com (8:14:33 AM): or comedy?

roguedesmoulins@hotmail.com (8:14:44 AM): will you end up dead and destroyed?

Perdy - No sleep, no sleep for the wicked. (8:14:51 AM): are you trying to say the game has been played before?

roguedesmoulins@hotmail.com (8:15:00 AM): of course.

Perdy - No sleep, no sleep for the wicked. (8:15:12 AM): but by other people?

roguedesmoulins@hotmail.com (8:15:29 AM): in a manner of speaking...

roguedesmoulins@hotmail.com (8:15:52 AM): even within this universe, some play at our game

roguedesmoulins@hotmail.com (8:16:05 AM): perhaps rehearsing for when they are called to play our parts

roguedesmoulins@hotmail.com (8:16:10 AM): like understudies

roguedesmoulins@hotmail.com (8:16:31 AM): but ultimately, at the beginning and at the end,

roguedesmoulins@hotmail.com (8:16:36 AM): it's really just you and I

Perdy - No sleep, no sleep for the wicked. (8:16:39 AM): what makes you so sure of all this?

roguedesmoulins@hotmail.com (8:16:53 AM): you seek proof?

roguedesmoulins@hotmail.com (8:16:56 AM): evidence?

Perdy - No sleep, no sleep for the wicked. (8:17:04 AM): of course!

roguedesmoulins@hotmail.com (8:17:14 AM): it is not a matter of belief!

roguedesmoulins@hotmail.com (8:17:23 AM): it is as I told your friend.

roguedesmoulins@hotmail.com (8:17:29 AM): Love is not a matter of belief.

roguedesmoulins@hotmail.com (8:17:47 AM): No amount of "evidence" or "proof" can make you believe in love.

roguedesmoulins@hotmail.com (8:17:52 AM): It's a leap of faith.

roguedesmoulins@hotmail.com (8:18:03 AM): Not just for lack of evidence, but in spite of it.

roguedesmoulins@hotmail.com (8:18:34 AM): Look within yourself, and see that bit that is so infatuated with me, with us.

roguedesmoulins@hotmail.com (8:18:38 AM): What the hell is that?

roguedesmoulins@hotmail.com (8:18:45 AM): Where did it come from?

Perdy - No sleep, no sleep for the wicked. (8:18:51 AM): yes..

roguedesmoulins@hotmail.com (8:18:56 AM): Is it biochemical response?

roguedesmoulins@hotmail.com (8:19:13 AM): More like a spell...

roguedesmoulins@hotmail.com (8:19:16 AM): more like magic...

roguedesmoulins@hotmail.com (8:19:34 AM): rational cloaks upon irrational will...

roguedesmoulins@hotmail.com (8:20:02 AM): Does it really make sense at all?

roguedesmoulins@hotmail.com (8:20:16 AM): Is there a "reason" that we have fallen in love?

roguedesmoulins@hotmail.com (8:20:32 AM): And how quickly it fell upon us!

roguedesmoulins@hotmail.com (8:20:37 AM): Within minutes...

Perdy - No sleep, no sleep for the wicked. (8:20:43 AM): ...

roguedesmoulins@hotmail.com (8:21:04 AM): Do you think that you had acquired enough evidence to "prove" that you were in love?

roguedesmoulins@hotmail.com (8:21:14 AM): And yet...

roguedesmoulins@hotmail.com (8:21:20 AM): here we are.

roguedesmoulins@hotmail.com (8:21:33 AM): And I love you, quite literally, as the universe.

roguedesmoulins@hotmail.com (8:21:50 AM): And perhaps, just perhaps, you are in love as well.

roguedesmoulins@hotmail.com (8:22:07 AM): I have been in love many times.

roguedesmoulins@hotmail.com (8:22:24 AM): With people and places, and books, and words.

roguedesmoulins@hotmail.com (8:22:29 AM): All in searching for you.

Perdy - No sleep, no sleep for the wicked. (8:22:49 AM): but how do you know it was searching for me, what makes you so sure?

roguedesmoulins@hotmail.com (8:23:01 AM): I am not.

roguedesmoulins@hotmail.com (8:23:05 AM): I may be wrong.

Perdy - No sleep, no sleep for the wicked. (8:23:07 AM): could be some horrible mistake

roguedesmoulins@hotmail.com (8:23:14 AM): The "proof" is in your response.

roguedesmoulins@hotmail.com (8:23:42 AM): If this key opens the door to your heart...

roguedesmoulins@hotmail.com (8:23:58 AM): If these words resonate in your soul and make it sing...

roguedesmoulins@hotmail.com (8:24:03 AM): Then I am right.

roguedesmoulins@hotmail.com (8:24:26 AM): It's a precise game of hide and seek we play.

roguedesmoulins@hotmail.com (8:24:38 AM): For it is not merely finding in space, but in time.

roguedesmoulins@hotmail.com (8:25:07 AM): There are no coincidences.

roguedesmoulins@hotmail.com (8:25:20 AM): Any more than there are extraneous words in a novel.

roguedesmoulins@hotmail.com (8:26:00 AM): And the scary thing is that I never actually know...

roguedesmoulins@hotmail.com (8:26:34 AM): consider that I thought I had found you, only to have discovered it was a fraud!

roguedesmoulins@hotmail.com (8:26:52 AM): Imagine the heartbreak...

roguedesmoulins@hotmail.com (8:27:02 AM): so close and yet, so far

roguedesmoulins@hotmail.com (8:27:24 AM): So really, far from controlling you, I am at your mercy.

roguedesmoulins@hotmail.com (8:27:32 AM): You tell me.

roguedesmoulins@hotmail.com (8:27:48 AM): Is this a horrible mistake?

Perdy - No sleep, no sleep for the wicked. (8:30:19 AM): No..My heart, despite it being very large and empty tells me there is one...waiting, but alas it is not me. And if I wanted to keep you like so many men I would hardly be telling you this would I? I could lie and tell you I also felt it was set in stone. By my heart tells me this and I know not why I even say it...

roguedesmoulins@hotmail.com (8:31:27 AM): No? It is not a horrible mistake?

roguedesmoulins@hotmail.com (8:31:45 AM): Or no, I am mistaken?

Perdy - No sleep, no sleep for the wicked. (8:32:55 AM): have you ever been on a long journey?

roguedesmoulins@hotmail.com (8:33:03 AM): lol

roguedesmoulins@hotmail.com (8:33:08 AM): Often.

Perdy - No sleep, no sleep for the wicked. (8:33:34 AM): But had to stop a few times on the way for various reasons? To eat, get refresh, refill your petrol?

roguedesmoulins@hotmail.com (8:33:41 AM): Of course.

Perdy - No sleep, no sleep for the wicked. (8:34:03 AM): I am like one of those stops, on your way somewhere.

roguedesmoulins@hotmail.com (8:34:22 AM): Except I have no destination.

roguedesmoulins@hotmail.com (8:34:34 AM): Indeed, the metaphor is quite apt.

roguedesmoulins@hotmail.com (8:34:45 AM): I look for a partner to journey with.

roguedesmoulins@hotmail.com (8:35:15 AM): But if not you, trust your heart, and don't get into the car.

Perdy - No sleep, no sleep for the wicked. (8:35:44 AM): grr I cannot even chat with my furry friends in my decor without him turning up uninvited! I don't even get how he tracked me!

Perdy - No sleep, no sleep for the wicked. (8:35:56 AM): \*falls off her chair sideways.\*

roguedesmoulins@hotmail.com (8:36:11 AM): Clearly you are not taking my advice.

roguedesmoulins@hotmail.com (8:36:15 AM): Lousy sub.

Perdy - No sleep, no sleep for the wicked. (8:36:22 AM): I did!

Perdy - No sleep, no sleep for the wicked. (8:36:26 AM): \*growls\*

roguedesmoulins@hotmail.com (8:36:37 AM): Can't come to dwarf's sim - is banned.

Perdy - No sleep, no sleep for the wicked. (8:36:45 AM): oh..hes on an al

Perdy - No sleep, no sleep for the wicked. (8:36:46 AM): alt\*

roguedesmoulins@hotmail.com (8:36:54 AM): I see.

Perdy - No sleep, no sleep for the wicked. (8:36:56 AM): his human self lol

Perdy - No sleep, no sleep for the wicked. (8:37:00 AM): the man behind the hobo

roguedesmoulins@hotmail.com (8:37:19 AM): Well, your journey does appear to lie with him.

roguedesmoulins@hotmail.com (8:37:34 AM): I am sorry to have trespassed.

roguedesmoulins@hotmail.com (8:38:31 AM): Incidentally, it's no mistake.

roguedesmoulins@hotmail.com (8:39:09 AM): For this instance, it is definitely you.

Perdy - No sleep, no sleep for the wicked. (8:40:00 AM): Fate is not worth to bare even thinking about..

roguedesmoulins@hotmail.com (8:40:21 AM): There is no fate, as such.

roguedesmoulins@hotmail.com (8:40:37 AM): Just two people trying to find each other.

roguedesmoulins@hotmail.com (8:40:47 AM): Inevitably we do.

roguedesmoulins@hotmail.com (8:41:00 AM): Occasionally even in the right place and time.

roguedesmoulins@hotmail.com (8:41:20 AM): I confess, I am surprised.

roguedesmoulins@hotmail.com (8:41:36 AM): And I am not surprised so easily.

roguedesmoulins@hotmail.com (8:43:21 AM): ...

Perdy - No sleep, no sleep for the wicked. (8:44:26 AM): ..

roguedesmoulins@hotmail.com (8:45:28 AM): May I have just one moment of your undivided attention to say farewell?

roguedesmoulins@hotmail.com (8:45:49 AM): Perhaps excuse yourself from SL... if but for a moment.

Perdy - No sleep, no sleep for the wicked. (8:47:07 AM): I do not like to formally cast off..

roguedesmoulins@hotmail.com (8:47:13 AM): I wish to be swift and certain.

Perdy - No sleep, no sleep for the wicked. (8:47:24 AM): We can just part, it is easily done.

roguedesmoulins@hotmail.com (8:47:43 AM): And that is your will?

Perdy - No sleep, no sleep for the wicked. (8:47:52 AM): was it not your will?

roguedesmoulins@hotmail.com (8:48:04 AM): My will is quite singular.

roguedesmoulins@hotmail.com (8:48:19 AM): To enable you to do your will.

roguedesmoulins@hotmail.com (8:48:31 AM): For it is not me who is on the journey here.

roguedesmoulins@hotmail.com (8:48:44 AM): And though it seems I seek and you hide,

roguedesmoulins@hotmail.com (8:48:52 AM): In truth, it is quite the opposite.

roguedesmoulins@hotmail.com (8:49:15 AM): You have been looking for me your entire life... and quite before that.

roguedesmoulins@hotmail.com (8:50:24 AM): There is nothing more for me to seek.

roguedesmoulins@hotmail.com (8:50:29 AM): I found you.

roguedesmoulins@hotmail.com (8:50:53 AM): But now is when the art begins...

roguedesmoulins@hotmail.com (8:50:59 AM): if there is to be art.

roguedesmoulins@hotmail.com (8:51:10 AM): If only you could focus.

roguedesmoulins@hotmail.com (8:51:14 AM): Focus on your will.

roguedesmoulins@hotmail.com (8:51:21 AM): What you really want.

Perdy - No sleep, no sleep for the wicked. (8:51:23 AM): I know not how.

roguedesmoulins@hotmail.com (8:51:40 AM): It's quite simple really.

roguedesmoulins@hotmail.com (8:51:55 AM): This vast tapestry of complexity you have created...

roguedesmoulins@hotmail.com (8:52:05 AM): Has a single loose thread...

roguedesmoulins@hotmail.com (8:52:14 AM): Focus on that.

roguedesmoulins@hotmail.com (8:52:41 AM): Tug, gently, you will see the complexity unravel.

roguedesmoulins@hotmail.com (8:53:03 AM): And all you will have left in your hand is simple string.

roguedesmoulins@hotmail.com (8:53:38 AM): But with your attention divided, amidst the beautiful chaos you have constructed, it is difficult to see anything clearly.

roguedesmoulins@hotmail.com (8:53:48 AM): Come with me.

roguedesmoulins@hotmail.com (8:53:53 AM): Come with me to the desert.

roguedesmoulins@hotmail.com (8:54:16 AM): No computers, no phones, no friends, no love.

roguedesmoulins@hotmail.com (8:54:35 AM): Spend a week with me under the stars.

roguedesmoulins@hotmail.com (8:55:02 AM): The complexity slips away, and you will see what you must do.

Perdy - No sleep, no sleep for the wicked. (8:55:50 AM): Why do I fear that?

roguedesmoulins@hotmail.com (8:56:01 AM): And when you know your will, then we will do it.

roguedesmoulins@hotmail.com (8:56:10 AM): Because you are forgetful.

Perdy - No sleep, no sleep for the wicked. (8:56:26 AM): It is like..My heart longs for it but everything else stops me, for this fear that I do not understand.

roguedesmoulins@hotmail.com (8:56:41 AM): You have spent such intensity weaving this web, so many people, so many experiences...

roguedesmoulins@hotmail.com (8:56:57 AM): And now, like painting yourself into a corner, you are trapped in your art.

roguedesmoulins@hotmail.com (8:57:20 AM): You fear because it has occupied your mind for so long.

roguedesmoulins@hotmail.com (8:57:42 AM): Once you conquer that fear...

roguedesmoulins@hotmail.com (8:58:02 AM): you will become more pow-

erful than you can possibly know.

roguedesmoulins@hotmail.com (8:58:20 AM): For you will reweave your tapestry, but this time with clarity of vision.

roguedesmoulins@hotmail.com (8:58:50 AM): And everything will appear to be as you left it.

roguedesmoulins@hotmail.com (8:58:56 AM): Only you will have transcended it.

roguedesmoulins@hotmail.com (8:59:12 AM): You have done so well in such a short time. Lived so intensely.

roguedesmoulins@hotmail.com (8:59:18 AM): And with such passion...

roguedesmoulins@hotmail.com (8:59:38 AM): And it is to be commended.

Perdy - No sleep, no sleep for the wicked. (8:59:55 AM): \*feels her heart beating.\*

roguedesmoulins@hotmail.com (9:00:00 AM): But now is the time to step out of your artistic chaos.

roguedesmoulins@hotmail.com (9:00:23 AM): Catch your breath, regain that original passion that made you create in the first place

roguedesmoulins@hotmail.com (9:00:30 AM): Do you remember it?

roguedesmoulins@hotmail.com (9:00:52 AM): When you first started asserting your will on the universe?

roguedesmoulins@hotmail.com (9:01:08 AM): How timid at first, but then... it worked...

roguedesmoulins@hotmail.com (9:01:19 AM): And you grew bolder and bolder...

roguedesmoulins@hotmail.com (9:01:28 AM): Nothing was impossible...

roguedesmoulins@hotmail.com (9:01:33 AM): Everything was permitted.

roguedesmoulins@hotmail.com (9:02:11 AM): And now, ironically (only there is no irony), now when you feel most lost...

roguedesmoulins@hotmail.com (9:02:13 AM): you are found.

roguedesmoulins@hotmail.com (9:02:47 AM): But you know, you don't get lost unless you seek...

roguedesmoulins@hotmail.com (9:03:01 AM): You don't get lost playing the prescribed game.

roguedesmoulins@hotmail.com (9:03:14 AM): You can't ever get lost if you don't leave the nest.

roguedesmoulins@hotmail.com (9:03:53 AM): These words are for you...

roguedesmoulins@hotmail.com (9:04:14 AM): I feel it with every particle of this universe we have constructed.

roguedesmoulins@hotmail.com (9:04:42 AM): Even now, deep in your web, amidst the chaos of friends and technology...

Perdy - No sleep, no sleep for the wicked. (9:04:58 AM): \*Listens.\*

roguedesmoulins@hotmail.com (9:05:06 AM): Indeed, like a spider that senses the vibrations in the web...

roguedesmoulins@hotmail.com (9:05:25 AM): These words make your heart sing.

roguedesmoulins@hotmail.com (9:05:53 AM): Without modesty, they are the most beautiful words you have ever heard.

roguedesmoulins@hotmail.com (9:06:02 AM): Strange and exotic, and yet...

roguedesmoulins@hotmail.com (9:06:07 AM): simple and familiar.

roguedesmoulins@hotmail.com (9:06:41 AM): Comforting you - you are not lost... you have made no wrong turn...

roguedesmoulins@hotmail.com (9:06:56 AM): But it is time for that rest stop...

roguedesmoulins@hotmail.com (9:07:07 AM): Get some psychic petrol

roguedesmoulins@hotmail.com (9:07:20 AM): Some sustenance.

roguedesmoulins@hotmail.com (9:07:34 AM): For we have a long journey ahead.

Perdy - No sleep, no sleep for the wicked. (9:07:58 AM): \*nods.\* I understand..

roguedesmoulins@hotmail.com (9:08:18 AM): Do I still need to formulate adieu?

roguedesmoulins@hotmail.com (9:08:36 AM): Parting is such sweet sorrow, and the like?

roguedesmoulins@hotmail.com (9:08:51 AM): Or do you truly understand?

roguedesmoulins@hotmail.com (9:09:28 AM): I can offer you no evidence.

roguedesmoulins@hotmail.com (9:09:34 AM): No proof...

Perdy - No sleep, no sleep for the wicked. (9:09:36 AM): parting is never sorrow, only temporarily

roguedesmoulins@hotmail.com (9:10:31 AM): Shall I part, then?

Perdy - No sleep, no sleep for the wicked. (9:11:06 AM): Yes, I think it is ok

roguedesmoulins@hotmail.com (9:11:24 AM): Are we still in love?

Perdy - No sleep, no sleep for the wicked. (9:11:42 AM): Who can tell?

roguedesmoulins@hotmail.com (9:12:13 AM): I will not play foolish games like your pathetic friend.

Perdy - No sleep, no sleep for the wicked. (9:12:37 AM): I realise.

roguedesmoulins@hotmail.com (9:13:13 AM): So choose your words carefully, few as they are.

Perdy - No sleep, no sleep for the wicked. (9:13:25 AM): Trust me I do..

roguedesmoulins@hotmail.com (9:14:00 AM): You wish for me to leave

you?

roguedesmoulins@hotmail.com (9:14:13 AM): No.

roguedesmoulins@hotmail.com (9:14:14 AM): Wait.

roguedesmoulins@hotmail.com (9:14:19 AM): This is quite unfair of me.

roguedesmoulins@hotmail.com (9:14:45 AM): This is a question I will ask you when your mind is clear and you know your will.

roguedesmoulins@hotmail.com (9:15:00 AM): Not as you are embroiled in ending a love affair in a video game.

Perdy - No sleep, no sleep for the wicked. (9:15:06 AM): and thus I am casting you off to continue your adventure, I will still be here as always but I am not going anywhere!!

roguedesmoulins@hotmail.com (9:15:15 AM): My dear, I must apologize.

Perdy - No sleep, no sleep for the wicked. (9:15:20 AM): I am thinking clearly!

Perdy - No sleep, no sleep for the wicked. (9:15:29 AM): just with a headache, but clearly still

roguedesmoulins@hotmail.com (9:15:51 AM): Very well then.

roguedesmoulins@hotmail.com (9:15:58 AM): You wish for me to leave you?

Perdy - No sleep, no sleep for the wicked. (9:16:07 AM): I do not wish it...

Perdy - No sleep, no sleep for the wicked. (9:16:09 AM): I will it.

roguedesmoulins@hotmail.com (9:16:21 AM): Perfect.

Perdy - Should I drop it in as White Rabbit peaks? (6:16:25 PM): I feel like...Like this has happened before some place

roguedesmoulins@hotmail.com (6:17:10 PM): Has an epic sense to it, for sure...

roguedesmoulins@hotmail.com (6:17:38 PM): As if all those plays and stories from every culture were actually based on fact...

roguedesmoulins@hotmail.com (6:18:49 PM): I'm going to go vomit now...

roguedesmoulins@hotmail.com (6:19:11 PM): But I know I can't...

roguedesmoulins@hotmail.com (6:19:25 PM): Like that stomach churning with shrooms...

roguedesmoulins@hotmail.com (6:19:41 PM): It's not real, but it is, but it isn't.

roguedesmoulins@hotmail.com (6:20:39 PM): And I can handle a LOT of shrooms...

roguedesmoulins@hotmail.com (6:20:54 PM): By a LOT I mean shamanic quantities.

roguedesmoulins@hotmail.com (6:20:59 PM): But this...

roguedesmoulins@hotmail.com (6:22:23 PM): I read John Henry's reply...  
 Perdy - Should I drop it in as White Rabbit peaks? (6:22:28 PM): Esperante Wish says:

He seemed genuinely like he wanted to make you feel better about yourself, so I said I'd talk to her about seeing you if he gave me his name and phone number so that I could use it as a precaution. He asked for mine  
 roguedesmoulins@hotmail.com (6:22:49 PM): Even John Henry is mysterious today.

Perdy - Should I drop it in as White Rabbit peaks? (6:23:10 PM): Jay- Esperante Wish says:

and he phones me.... getting way too philosophical for my taste and mixing the talk of witchcraft. He told me that he believed you were under a spell which makes you tired and sad along with several other inclinations.

Jay- Esperante Wish says:

I stay on the phone as best not to tell him insane, but enough to let me know what the hell he believes in his world.

Perdy - Should I drop it in as White Rabbit peaks? (6:23:22 PM): ay- Esperante Wish says:

I may be a skeptic but I'm also like a sailor and believe in some paranormals, but I'm sorry I brought him back to talk to you.

Jay- Esperante Wish says:

He asked for your address, told him I didn't think it would be appropriate in a nice way.

Perdy - Should I drop it in as White Rabbit peaks? (6:23:24 PM): jesus roguedesmoulins@hotmail.com (6:23:44 PM): Good lord.

Perdy - Should I drop it in as White Rabbit peaks? (6:24:00 PM): Perdy - Should I drop it in as White Rabbit peaks? says:

give him my address and I will personally kill you

Jay- Esperante Wish says:

First thing on the phone he said to me, was that he was being attacked

roguedesmoulins@hotmail.com (6:24:08 PM): And what made him think this was a good idea in the first place?

roguedesmoulins@hotmail.com (6:24:27 PM): I mean, he's not the brightest lad, but this is insane.

Perdy - Should I drop it in as White Rabbit peaks? (6:24:39 PM): ay- Esperante Wish says:

I was like "Wha? You're bein attacked?"

roguedesmoulins@hotmail.com (6:27:22 PM): Did you tell him it was all

because of that poem?

Perdy - Should I drop it in as White Rabbit peaks? (6:27:31 PM): ay- Esperante Wish says:

Did he ever talk to you about this occult shit before?

Jay- Esperante Wish says:

Don't worry, I'm not give the loon your address.

roguedesmoulins@hotmail.com (6:27:36 PM): LOL - as if he'd believe you.

roguedesmoulins@hotmail.com (6:28:26 PM): We must be more careful in the future, you and I...

Perdy - Should I drop it in as White Rabbit peaks? (6:28:37 PM): Yes.. Yes we must

roguedesmoulins@hotmail.com (6:29:38 PM): The world is more interesting than I suspected.

roguedesmoulins@hotmail.com (6:30:12 PM): I suppose I should thank you, in a way, for dis-covering this...

roguedesmoulins@hotmail.com (6:30:58 PM): I fear it might have been much worse.

roguedesmoulins@hotmail.com (6:32:17 PM): Sir Arthur Eddington said...

roguedesmoulins@hotmail.com (6:32:27 PM): not only is the universe stranger than we imagine,

roguedesmoulins@hotmail.com (6:32:37 PM): it is stranger than we CAN imagine.

roguedesmoulins@hotmail.com (6:33:31 PM): I am inclined to agree.

## 2006.04.30

roguedesmoulins@hotmail.com (7:45:05 PM): Hi, again.

roguedesmoulins@hotmail.com (7:45:41 PM): Are you STILL talking with Jay?

Perdy - Should I drop it in as White Rabbit peaks? (7:45:52 PM): yes but

Perdy - Should I drop it in as White Rabbit peaks? (7:45:55 PM): I stopped

Perdy - Should I drop it in as White Rabbit peaks? (7:46:00 PM): it was getting...depressing

roguedesmoulins@hotmail.com (7:46:19 PM): Sweetheart...

roguedesmoulins@hotmail.com (7:46:32 PM): why do you persist so?

Perdy - Should I drop it in as White Rabbit peaks? (7:46:36 PM): he told me by mic how his mum had been raped by his dad and stuff, I really, at

this point in time needed not ot hear it.

roguedesmoulins@hotmail.com (7:46:48 PM): WTF?

Perdy - Should I drop it in as White Rabbit peaks? (7:46:57 PM): I don't know...I fear the broken heart more than I fear the prolonged one

Perdy - Should I drop it in as White Rabbit peaks? (7:47:02 PM): and yes it was true, all of it

roguedesmoulins@hotmail.com (7:47:19 PM): Please...

roguedesmoulins@hotmail.com (7:48:08 PM): surely this is not healthy for either of you?

Perdy - Should I drop it in as White Rabbit peaks? (7:48:33 PM): No it really isn't but I worry what he might do...

roguedesmoulins@hotmail.com (7:48:48 PM): Other than invoke the forces of evil, you mean?

roguedesmoulins@hotmail.com (7:51:19 PM): This whole business sits very poorly with me.

roguedesmoulins@hotmail.com (7:51:58 PM): It was somewhat amusing before...

roguedesmoulins@hotmail.com (7:53:12 PM): I am torn.

Perdy - Should I drop it in as White Rabbit peaks? (7:53:18 PM): I am torn also...

Perdy - Should I drop it in as White Rabbit peaks? (7:53:34 PM): in 4 ways

roguedesmoulins@hotmail.com (7:53:47 PM): Oh?

roguedesmoulins@hotmail.com (7:53:51 PM): Do tell.

Perdy - Should I drop it in as White Rabbit peaks? (7:54:13 PM): yes I have been emotionally quartered

roguedesmoulins@hotmail.com (7:54:28 PM): That sounds unpleasant.

Perdy - Should I drop it in as White Rabbit peaks? (7:54:38 PM): oh yes, very

Perdy - Should I drop it in as White Rabbit peaks? (7:54:59 PM): jay, john, jimi lots of Js, then there is you.

roguedesmoulins@hotmail.com (7:55:10 PM): I have no J.

Perdy - Should I drop it in as White Rabbit peaks? (7:55:14 PM): I know

Perdy - Should I drop it in as White Rabbit peaks? (7:55:16 PM): this is vital

Perdy - Should I drop it in as White Rabbit peaks? (7:55:21 PM): it is what sets you apart

roguedesmoulins@hotmail.com (7:55:25 PM): \*watches in awe\*

roguedesmoulins@hotmail.com (7:55:44 PM): at this point, I'll take it...

roguedesmoulins@hotmail.com (7:56:11 PM): I feel that if we can defeat this, we will be unstoppable...

Perdy - Should I drop it in as White Rabbit peaks? (7:56:16 PM): Well

Perdy - Should I drop it in as White Rabbit peaks? (7:56:18 PM): keep in mind

Perdy - Should I drop it in as White Rabbit peaks? (7:56:32 PM): there are only two Js, two jokers in a pack of cards..

roguedesmoulins@hotmail.com (7:56:53 PM):

roguedesmoulins@hotmail.com (7:57:14 PM): four Jacks, though

roguedesmoulins@hotmail.com (7:58:05 PM): Jack in the Green...

roguedesmoulins@hotmail.com (7:58:09 PM): On May Day...

roguedesmoulins@hotmail.com (7:58:39 PM): The goddess manifests as the May Queen and Flora

roguedesmoulins@hotmail.com (7:58:51 PM): The god emerges as the May King and Jack in the Green

roguedesmoulins@hotmail.com (7:58:57 PM): ...

Perdy - Should I drop it in as White Rabbit peaks? (7:59:09 PM): oh..

roguedesmoulins@hotmail.com (8:00:02 PM): So what from here?

roguedesmoulins@hotmail.com (8:00:47 PM): I do not wish for things to continue as they have.

Perdy - Should I drop it in as White Rabbit peaks? (8:01:17 PM): do you feel emotionally weak?

roguedesmoulins@hotmail.com (8:01:45 PM): My strength returns.

roguedesmoulins@hotmail.com (8:02:13 PM): Previously, this boy of yours has given me no reason to wish him ill...

roguedesmoulins@hotmail.com (8:02:36 PM): But a threshold has been crossed.

roguedesmoulins@hotmail.com (8:03:15 PM): After a night sleep, I will be far more resolved in my will.

roguedesmoulins@hotmail.com (8:04:19 PM): It is not that he has harmed me, but his lack of judgement has put you in considerable danger.

roguedesmoulins@hotmail.com (8:05:06 PM): We, you and I, must bear responsibility for our actions.

Perdy - Should I drop it in as White Rabbit peaks? (8:05:14 PM): Yes..

roguedesmoulins@hotmail.com (8:05:37 PM): At this point, I am unable to leave you.

Perdy - Should I drop it in as White Rabbit peaks? (8:05:57 PM): Maybe..Maybe you should just get out while you can.

roguedesmoulins@hotmail.com (8:06:08 PM): And what then?

roguedesmoulins@hotmail.com (8:06:40 PM): What then for you?

roguedesmoulins@hotmail.com (8:07:37 PM): Weave me a tale...

roguedesmoulins@hotmail.com (8:07:57 PM): Tell me how we might be

parted.

roguedesmoulins@hotmail.com (8:08:25 PM): You cannot.

roguedesmoulins@hotmail.com (8:08:49 PM): If it ever were, it is no longer.

roguedesmoulins@hotmail.com (8:09:08 PM): And now, matters are worse...

roguedesmoulins@hotmail.com (8:09:23 PM): For doubtless Jay believes the sorcerer that I am evil...

roguedesmoulins@hotmail.com (8:09:33 PM): And will fight to the death to protect you from me.

roguedesmoulins@hotmail.com (8:10:05 PM): You have given him no pause.

roguedesmoulins@hotmail.com (8:10:14 PM): No cause to doubt that you are his true love.

roguedesmoulins@hotmail.com (8:10:31 PM): Have failed to chastise him in his ignorant meddling with your affairs.

roguedesmoulins@hotmail.com (8:11:01 PM): It seems to not even phase you that he is manipulative and cruel.

roguedesmoulins@hotmail.com (8:11:16 PM): That he has this day plotted against you.

Perdy - Should I drop it in as White Rabbit peaks? (8:11:24 PM): ???

Perdy - Should I drop it in as White Rabbit peaks? (8:11:30 PM): He did no such thing??

roguedesmoulins@hotmail.com (8:11:37 PM): Did he not consult with Jimi?

Perdy - Should I drop it in as White Rabbit peaks? (8:11:43 PM): yes..

roguedesmoulins@hotmail.com (8:11:44 PM): Did he not send you to him?

Perdy - Should I drop it in as White Rabbit peaks? (8:11:47 PM): yes

roguedesmoulins@hotmail.com (8:12:06 PM): Did he not spy on your affairs?

Perdy - Should I drop it in as White Rabbit peaks? (8:12:17 PM): \*Nods a little.\*

roguedesmoulins@hotmail.com (8:12:28 PM): Giving out words spoken to you in trust and solemnity?

roguedesmoulins@hotmail.com (8:12:41 PM): Need I go on?

roguedesmoulins@hotmail.com (8:12:49 PM): \*I\* at least am offended.

roguedesmoulins@hotmail.com (8:13:09 PM): And am increasingly offended that you continue this charade.

Perdy - Should I drop it in as White Rabbit peaks? (8:13:20 PM): yes...I realise

roguedesmoulins@hotmail.com (8:13:27 PM): \*sigh\*

roguedesmoulins@hotmail.com (8:13:36 PM): It has been a taxing day.

roguedesmoulins@hotmail.com (8:13:39 PM): I apologize.

Perdy - Should I drop it in as White Rabbit peaks? (8:13:50 PM): No..no it

is quite alright.

roguedesmoulins@hotmail.com (8:14:02 PM): Surely you must appreciate the grave injustice that we have endured.

Perdy - Should I drop it in as White Rabbit peaks? (8:14:21 PM): I think...I think that everyone has suffered today.

roguedesmoulins@hotmail.com (8:14:23 PM): My words, my love, used against me...

roguedesmoulins@hotmail.com (8:14:28 PM): against us...

Perdy - Should I drop it in as White Rabbit peaks? (8:14:34 PM): And none of us deserve it.

roguedesmoulins@hotmail.com (8:14:34 PM): so unfathomably evil.

roguedesmoulins@hotmail.com (8:14:54 PM): When I discovered that you had shared them with Jay...

roguedesmoulins@hotmail.com (8:15:03 PM): my heart wept, though I hid it in jest

Perdy - Should I drop it in as White Rabbit peaks? (8:15:17 PM): The whole thing....Is trying.

Perdy - Should I drop it in as White Rabbit peaks? (8:15:26 PM): Well even now that feels like some time ago..

roguedesmoulins@hotmail.com (8:15:28 PM): and then to find them shared again and used against you.

roguedesmoulins@hotmail.com (8:15:34 PM): against me.

roguedesmoulins@hotmail.com (8:15:51 PM): And you don't seem to mind...

Perdy - Should I drop it in as White Rabbit peaks? (8:15:55 PM): I wish Jay had just left it..

Perdy - Should I drop it in as White Rabbit peaks? (8:16:16 PM): I try to hold no ill will, for most people have good reasons

roguedesmoulins@hotmail.com (8:16:22 PM): He has done great evil today.

Perdy - Should I drop it in as White Rabbit peaks? (8:16:23 PM): but when Jay...Told me to go see jimi

Perdy - Should I drop it in as White Rabbit peaks? (8:16:29 PM): after my fright..

Perdy - Should I drop it in as White Rabbit peaks? (8:16:32 PM): And what I had told him

roguedesmoulins@hotmail.com (8:16:34 PM): And the road to hell is paved with "good reasons"

Perdy - Should I drop it in as White Rabbit peaks? (8:16:36 PM): that hurt somewhat

Perdy - Should I drop it in as White Rabbit peaks? (8:17:10 PM): The now

he apologises but he had already done the deed that set jimi off again  
 roguedesmoulins@hotmail.com (8:17:24 PM): And, you know, if I leave  
 for this...

roguedesmoulins@hotmail.com (8:17:37 PM): he will be smugly satisfied  
 that he did a good thing.

Perdy - Should I drop it in as White Rabbit peaks? (8:17:38 PM): it is no  
 use now saying he knows jimi is a fruit loop and that I shouldn't visit him  
 after all...

roguedesmoulins@hotmail.com (8:18:07 PM): And he will not learn or  
 grow or become a real boy.

Perdy - Should I drop it in as White Rabbit peaks? (8:18:12 PM): No I think  
 for this to end, it needs to stop here.

roguedesmoulins@hotmail.com (8:18:40 PM): I think you are right, though  
 I dare not say so.

Perdy - Should I drop it in as White Rabbit peaks? (8:18:56 PM): We both  
 realise it.

roguedesmoulins@hotmail.com (8:19:00 PM): (except, well, I already have,  
 haven't I?)

roguedesmoulins@hotmail.com (8:19:07 PM): (although I swore I would  
 not)

roguedesmoulins@hotmail.com (8:19:41 PM): He is a good guy.

roguedesmoulins@hotmail.com (8:19:46 PM): I genuinely like him.

roguedesmoulins@hotmail.com (8:19:57 PM): And respect him. He has  
 loved you well.

Perdy - Should I drop it in as White Rabbit peaks? (8:19:57 PM): As...Horrible  
 as it is it is a necessity, these things are trying, too trying, shocking dramatic  
 and emotional

roguedesmoulins@hotmail.com (8:20:33 PM): Shall I stay?

Perdy - Should I drop it in as White Rabbit peaks? (8:20:58 PM): I don't  
 know what is going on here...but it is not worth you staying for, that much  
 I am sure of.

roguedesmoulins@hotmail.com (8:21:00 PM): I would be happy to "give  
 you space"

roguedesmoulins@hotmail.com (8:21:25 PM): Very well. I shall find you  
 again?

Perdy - Should I drop it in as White Rabbit peaks? (8:22:02 PM): No, I  
 wouldn't suggest that.

roguedesmoulins@hotmail.com (8:22:10 PM): Er...

roguedesmoulins@hotmail.com (8:22:21 PM): \*rereads quite quickly\*

roguedesmoulins@hotmail.com (8:22:32 PM): Are you saying \*I\* should

go?

roguedesmoulins@hotmail.com (8:22:48 PM): That you and I should stop here?

roguedesmoulins@hotmail.com (8:22:55 PM): Wow.

roguedesmoulins@hotmail.com (8:23:01 PM): I quite missed that.

Perdy - Should I drop it in as White Rabbit peaks? (8:23:15 PM): I dislike things I am unable to get the measure of , this is seriously one of those moments..

roguedesmoulins@hotmail.com (8:23:33 PM): 52%?

Perdy - Should I drop it in as White Rabbit peaks? (8:23:40 PM): I worry with what is going on..

Perdy - Should I drop it in as White Rabbit peaks? (8:23:57 PM): it is something I don't want to drag others into

roguedesmoulins@hotmail.com (8:24:14 PM): Perhaps you should have considered that previously?

Perdy - Should I drop it in as White Rabbit peaks? (8:24:19 PM): and I fear, I have very very much dragged you into the middle of it, your words almsot reused and twisted

Perdy - Should I drop it in as White Rabbit peaks? (8:24:20 PM): well

Perdy - Should I drop it in as White Rabbit peaks? (8:24:34 PM): previously I had no idea it would come to this

Perdy - Should I drop it in as White Rabbit peaks? (8:24:38 PM): neither did you

roguedesmoulins@hotmail.com (8:24:40 PM): So you will go on with Jay?

Perdy - Should I drop it in as White Rabbit peaks? (8:24:43 PM): no

Perdy - Should I drop it in as White Rabbit peaks? (8:24:57 PM): that is doing nothing but harm on both sides

roguedesmoulins@hotmail.com (8:25:05 PM): My dear, I love you more now than I have ever before.

Perdy - Should I drop it in as White Rabbit peaks? (8:25:10 PM): he played an important part today, made me realise some things.

Perdy - Should I drop it in as White Rabbit peaks? (8:25:38 PM): He tried to help but instead threw us all down a hole

roguedesmoulins@hotmail.com (8:25:59 PM): Did he? Try to help?

Perdy - Should I drop it in as White Rabbit peaks? (8:26:01 PM): No now is the time for ruthless efficiently to rectify this situation

Perdy - Should I drop it in as White Rabbit peaks? (8:26:21 PM): Whatever the situation is for I am working that one out also.

Perdy - Should I drop it in as White Rabbit peaks? (8:26:25 PM): But I don't like it.

Perdy - Should I drop it in as White Rabbit peaks? (8:26:43 PM): He did try to help, I told him I didn't want to see Jimi because I was scared witless by the vibes

roguedesmoulins@hotmail.com (8:26:46 PM): I fail to see why we should now part.

roguedesmoulins@hotmail.com (8:26:59 PM): What has come between us by lies?

Perdy - Should I drop it in as White Rabbit peaks? (8:27:04 PM): he agreed, then suddenly he just changed sides?

roguedesmoulins@hotmail.com (8:27:19 PM): Surely we must endure?

roguedesmoulins@hotmail.com (8:27:29 PM): And live this epic love to it's end?

Perdy - Should I drop it in as White Rabbit peaks? (8:27:33 PM): We know not the rich vast tapestry of deceit we weave..Even us.

Perdy - Should I drop it in as White Rabbit peaks? (8:28:03 PM): I still can't quite work out what happened...

roguedesmoulins@hotmail.com (8:28:27 PM): I was thinking we'd have plenty of time to figure it out over the years...

roguedesmoulins@hotmail.com (8:28:36 PM): Eventually coming to joke about it.

Perdy - Should I drop it in as White Rabbit peaks? (8:28:45 PM): I am quite taken aback by it..

Perdy - Should I drop it in as White Rabbit peaks? (8:28:51 PM): I think I am in shock.

Perdy - Should I drop it in as White Rabbit peaks? (8:29:18 PM): maybe that is while I feel so emotionally drained, all these hearts hurting on my behalf..I am starting to feel it.

roguedesmoulins@hotmail.com (8:29:30 PM): Perhaps I will simply love you.

roguedesmoulins@hotmail.com (8:29:40 PM): And say nothing more.

roguedesmoulins@hotmail.com (8:29:58 PM): My heart did not hurt.

Perdy - Should I drop it in as White Rabbit peaks? (8:29:58 PM): I do think that I have loved you

Perdy - Should I drop it in as White Rabbit peaks? (8:30:05 PM): Like no other.

roguedesmoulins@hotmail.com (8:30:18 PM): ...until now.

Perdy - Should I drop it in as White Rabbit peaks? (8:30:40 PM): hm..Ruthless efficiently

roguedesmoulins@hotmail.com (8:30:53 PM): Quite.

roguedesmoulins@hotmail.com (8:30:59 PM): You are horrible at it...

Perdy - Should I drop it in as White Rabbit peaks? (8:31:05 PM): \*grins\*  
 roguedesmoulins@hotmail.com (8:31:19 PM): We have many conversations and adventures left, you know...

Perdy - Should I drop it in as White Rabbit peaks? (8:31:24 PM): we do~?  
 roguedesmoulins@hotmail.com (8:31:29 PM): Regardless of whether you are in love.

roguedesmoulins@hotmail.com (8:31:44 PM): I asked you yesterday...

roguedesmoulins@hotmail.com (8:31:55 PM): whether you thought you needed to be in love to marry?

roguedesmoulins@hotmail.com (8:32:20 PM): I do not need you to be in love, nor do I need to be in love, to want to spend time with you.

roguedesmoulins@hotmail.com (8:32:28 PM): I quite enjoy your company.

roguedesmoulins@hotmail.com (8:32:49 PM): And our conversations aside from love, are quite remarkable.

roguedesmoulins@hotmail.com (8:33:07 PM): It seems that everytime you (or I) are flustered,

Perdy - Should I drop it in as White Rabbit peaks? (8:33:08 PM): Do you think it is beautiful? To watch someone wilt in heartache?

roguedesmoulins@hotmail.com (8:33:16 PM): No, not really.

roguedesmoulins@hotmail.com (8:33:49 PM): Can be, if done stylishly.

roguedesmoulins@hotmail.com (8:33:58 PM): I, however, will not wilt in heartache.

Perdy - Should I drop it in as White Rabbit peaks? (8:34:11 PM): I realise.

roguedesmoulins@hotmail.com (8:34:16 PM): Whatever this is between you and I, I doubt very much it wilts.

roguedesmoulins@hotmail.com (8:35:06 PM): And while I know you enjoy spiralling down this path of dissolution...

Perdy - Should I drop it in as White Rabbit peaks? (8:35:41 PM): \*Looks up at him.\* I don't want to go with Jimi you see..

roguedesmoulins@hotmail.com (8:35:44 PM): I am unconvinced that it is your will.

roguedesmoulins@hotmail.com (8:35:56 PM): \*kisses her forehead\* I know.

roguedesmoulins@hotmail.com (8:36:17 PM): \*holds her tightly\*

roguedesmoulins@hotmail.com (8:36:32 PM): It is another beginning...

roguedesmoulins@hotmail.com (8:36:38 PM): not an ending.

Perdy - Should I drop it in as White Rabbit peaks? (8:37:03 PM): \*Hugs back but says nothing.\*

roguedesmoulins@hotmail.com (8:39:06 PM): something odd about us my dear...

Perdy - Should I drop it in as White Rabbit peaks? (8:39:17 PM): \*Nods.\*

roguedesmoulins@hotmail.com (8:39:30 PM): and I don't discard odd...  
 roguedesmoulins@hotmail.com (8:39:45 PM): regardless of how utterly ridiculous today was.

roguedesmoulins@hotmail.com (8:39:53 PM): and is was ridiculous.

Perdy - Should I drop it in as White Rabbit peaks? (8:40:00 PM): Maybe it was a dream..

roguedesmoulins@hotmail.com (8:40:15 PM): no, it was real...

roguedesmoulins@hotmail.com (8:40:36 PM): and gives me a much better appreciation for this art we call reality

roguedesmoulins@hotmail.com (8:40:49 PM): the universe is much cooler than I'd thought

roguedesmoulins@hotmail.com (8:41:10 PM): I could not have schemed the events today if I tried.

roguedesmoulins@hotmail.com (8:41:26 PM): I just wrote you a flippin' poem, for godssake.

roguedesmoulins@hotmail.com (8:41:41 PM): Spells and magick and witches...

roguedesmoulins@hotmail.com (8:41:46 PM): LOL

Perdy - Should I drop it in as White Rabbit peaks? (8:41:49 PM): must fo been a good poem

roguedesmoulins@hotmail.com (8:41:54 PM): must have...

roguedesmoulins@hotmail.com (8:41:59 PM): Jay didn't like it.

roguedesmoulins@hotmail.com (8:42:01 PM): I asked.

Perdy - Should I drop it in as White Rabbit peaks? (8:42:23 PM): lol

roguedesmoulins@hotmail.com (8:42:25 PM): But I very much doubt that anyone who wasn't you would appreciate it at all.

roguedesmoulins@hotmail.com (8:42:36 PM): It has limited appeal in that respect.

roguedesmoulins@hotmail.com (8:43:05 PM): Come now, we must be light...

roguedesmoulins@hotmail.com (8:43:20 PM): The time for serious sorrow is nearly over...

roguedesmoulins@hotmail.com (8:43:33 PM): Let us reflect upon the comedy of the day.

Perdy - Should I drop it in as White Rabbit peaks? (8:43:36 PM): sorrow, that is what I feel!

roguedesmoulins@hotmail.com (8:43:42 PM): It is nearly over.

Perdy - Should I drop it in as White Rabbit peaks? (8:43:43 PM): I couldn't quite place it

roguedesmoulins@hotmail.com (8:43:49 PM): It was a fabulous play.

roguedesmoulins@hotmail.com (8:43:59 PM): But soon the curtain falls on another day.

roguedesmoulins@hotmail.com (8:44:08 PM): The audience goes home.

roguedesmoulins@hotmail.com (8:44:22 PM): And we will head out for an evening tea.

Perdy - Should I drop it in as White Rabbit peaks? (8:44:23 PM): every day something happens

Perdy - Should I drop it in as White Rabbit peaks? (8:44:29 PM): I do like tea..

roguedesmoulins@hotmail.com (8:44:41 PM): Chatting about what a marvelous performance it was today.

roguedesmoulins@hotmail.com (8:44:53 PM): How the role of Jimi was particularly moving...

roguedesmoulins@hotmail.com (8:44:59 PM): He is so very talented.

Perdy - Should I drop it in as White Rabbit peaks? (8:45:00 PM): heehee

roguedesmoulins@hotmail.com (8:45:27 PM): And Jay - why the boy has shown great deviousness...

Perdy - Should I drop it in as White Rabbit peaks? (8:45:28 PM): if he could make jay like him

Perdy - Should I drop it in as White Rabbit peaks? (8:45:30 PM): then yes he is

roguedesmoulins@hotmail.com (8:46:01 PM): His amateur detective skills rival that of Clouseau.

Perdy - Should I drop it in as White Rabbit peaks? (8:46:04 PM): What roles do we play?

roguedesmoulins@hotmail.com (8:46:13 PM): Hero and heroine, of course.

Perdy - Should I drop it in as White Rabbit peaks? (8:46:17 PM): lol! Clouseau! <3

Perdy - Should I drop it in as White Rabbit peaks? (8:46:27 PM): and john?

roguedesmoulins@hotmail.com (8:46:38 PM): Whose feldgling love is beset upon all sides by evil...

roguedesmoulins@hotmail.com (8:46:48 PM): John's role today is as chorus...

roguedesmoulins@hotmail.com (8:46:59 PM): I quite enjoyed his poetry in response to your journal.

roguedesmoulins@hotmail.com (8:47:12 PM): The chorus who speaks for the audience, interpreting as it were.

roguedesmoulins@hotmail.com (8:47:34 PM): And yet, though my words were sullied and thrown about, their mystery remains...

roguedesmoulins@hotmail.com (8:47:43 PM): It is a robust spell.

roguedesmoulins@hotmail.com (8:48:02 PM): It is comedic how they were used...

roguedesmoulins@hotmail.com (8:48:10 PM): Like a parody.

Perdy - Should I drop it in as White Rabbit peaks? (8:48:14 PM): can he also be the guy I secretly desire for? XD

roguedesmoulins@hotmail.com (8:48:21 PM): Yes, absolutely.

roguedesmoulins@hotmail.com (8:48:37 PM): Indeed, the play was quite set by him this morning.

Perdy - Should I drop it in as White Rabbit peaks? (8:48:50 PM): how so?

roguedesmoulins@hotmail.com (8:49:22 PM): It began with his greetings of Happy Walpurgsnacht

roguedesmoulins@hotmail.com (8:49:31 PM): Indeed, that shall be the title of this act.

Perdy - Should I drop it in as White Rabbit peaks? (8:50:03 PM): lol

roguedesmoulins@hotmail.com (8:50:17 PM): And I, as the hero, said, as if to usher in drama,

roguedesmoulins@hotmail.com (8:50:28 PM): that I would not be observing it.

Perdy - Should I drop it in as White Rabbit peaks? (8:50:42 PM): I wonder what costumes we would wear, and the setting

roguedesmoulins@hotmail.com (8:50:42 PM): And then the comedy began.

roguedesmoulins@hotmail.com (8:50:58 PM): I raised Orhalla, and greeted him kindly.

roguedesmoulins@hotmail.com (8:51:04 PM): He asked where I was from.

roguedesmoulins@hotmail.com (8:51:11 PM): Wondering if perhaps Britain.

roguedesmoulins@hotmail.com (8:51:21 PM): Then, a question of Ma'at and jackals.

roguedesmoulins@hotmail.com (8:51:28 PM): Did I know of them?

roguedesmoulins@hotmail.com (8:51:35 PM): I said, yes, a bit.

Perdy - Should I drop it in as White Rabbit peaks? (8:51:38 PM): indeed I should draw it I think

roguedesmoulins@hotmail.com (8:51:54 PM): It seems much like a mid-summer's dream...

roguedesmoulins@hotmail.com (8:52:12 PM): Though indeed it is but mid-spring - Walpurgisnacht

Perdy - Should I drop it in as White Rabbit peaks? (8:52:24 PM): That makes me smile somewhat

roguedesmoulins@hotmail.com (8:52:26 PM): It was quite a fanciful day.

roguedesmoulins@hotmail.com (8:52:47 PM): Filled with all the drama and comedy of a Shakespeare.

Perdy - Should I drop it in as White Rabbit peaks? (8:53:02 PM): yet no

conclusion?

roguedesmoulins@hotmail.com (8:53:17 PM): Well, there was some concern that the hero and heroine would part...

roguedesmoulins@hotmail.com (8:53:25 PM): The audience on the edge of their seat.

roguedesmoulins@hotmail.com (8:53:47 PM): But, through our craft, at the last minute, the tragedy was turned.

roguedesmoulins@hotmail.com (8:54:05 PM): The hero and the heroine still quite in love...

Perdy - Should I drop it in as White Rabbit peaks? (8:54:17 PM): Think we have seen the last of jimi?

roguedesmoulins@hotmail.com (8:54:36 PM): The professional bookkeepers have 60% on the hero...

roguedesmoulins@hotmail.com (8:54:50 PM): Jimi?

roguedesmoulins@hotmail.com (8:54:55 PM): Hard to say.

roguedesmoulins@hotmail.com (8:55:03 PM): I doubt he will reappear.

roguedesmoulins@hotmail.com (8:55:16 PM): His character quite exhausted by now.

roguedesmoulins@hotmail.com (8:55:25 PM): But he has played an important role.

roguedesmoulins@hotmail.com (8:55:45 PM): When asked, when we are old, how we met...

roguedesmoulins@hotmail.com (8:55:55 PM): You may honestly answer... witchcraft.

roguedesmoulins@hotmail.com (8:55:57 PM):

roguedesmoulins@hotmail.com (8:56:28 PM): Today, for all it's strangeness, seems to fit into our lives quite well.

Perdy - Should I drop it in as White Rabbit peaks? (8:56:28 PM): \*smiles\*

Perdy - Should I drop it in as White Rabbit peaks? (8:56:40 PM): Thank you for making it seem better,

roguedesmoulins@hotmail.com (8:56:54 PM): Did I tell you?

roguedesmoulins@hotmail.com (8:57:04 PM): I asked John how he was going to celebrate.

roguedesmoulins@hotmail.com (8:57:14 PM): He said that he celebrated last evening.

roguedesmoulins@hotmail.com (8:57:22 PM): Dressed up in his Victorian finest.

Perdy - Should I drop it in as White Rabbit peaks? (8:57:33 PM): oh

Perdy - Should I drop it in as White Rabbit peaks? (8:57:35 PM): \*swoons\*

roguedesmoulins@hotmail.com (8:57:39 PM): Somehow met up with a

guy who wanted him to be in a flim.

Perdy - Should I drop it in as White Rabbit peaks? (8:57:44 PM): I heard

Perdy - Should I drop it in as White Rabbit peaks? (8:57:47 PM): and took them to see the props

roguedesmoulins@hotmail.com (8:57:53 PM): And got drunk of Absinthe.

Perdy - Should I drop it in as White Rabbit peaks? (8:57:57 PM): he was with William you know?

roguedesmoulins@hotmail.com (8:58:00 PM): I didn't.

roguedesmoulins@hotmail.com (8:58:06 PM): But I guessed.

Perdy - Should I drop it in as White Rabbit peaks? (8:58:08 PM): he said he thought of me while he drank the absinthe

Perdy - Should I drop it in as White Rabbit peaks? (8:58:20 PM): he said comrade\* but william is indeed his best irl friend

roguedesmoulins@hotmail.com (8:58:22 PM): It was a pleasant beginning to the play.

roguedesmoulins@hotmail.com (8:58:36 PM): The audience laughed at the inside joke.

Perdy - Should I drop it in as White Rabbit peaks? (8:59:01 PM): well at that point Jimi was in the inn waiting for me with gifts

roguedesmoulins@hotmail.com (8:59:17 PM): Yes, we perhaps should cut to that scene...

Perdy - Should I drop it in as White Rabbit peaks? (8:59:32 PM): well see I was talking to john as I was avoiding the calls

roguedesmoulins@hotmail.com (8:59:33 PM): At this point, everyone assumes the best.

Perdy - Should I drop it in as White Rabbit peaks? (8:59:58 PM): John seemed quite worried, and told me to go for a stroll

roguedesmoulins@hotmail.com (8:59:59 PM): If only you would talk to me and avoid calls

Perdy - Should I drop it in as White Rabbit peaks? (9:00:28 PM): in the opposite direction wherever this fellow was

Perdy - Should I drop it in as White Rabbit peaks? (9:00:38 PM): but I refused, no I wans't going to be scared off

roguedesmoulins@hotmail.com (9:01:02 PM): stubborn and independent as always...

Perdy - Should I drop it in as White Rabbit peaks? (9:01:32 PM): then Jay went weird

roguedesmoulins@hotmail.com (9:01:48 PM): that really MUST have been an interesting conversation...

roguedesmoulins@hotmail.com (9:01:54 PM): I wonder who contacted whom...

Perdy - Should I drop it in as White Rabbit peaks? (9:01:59 PM): anyway I must really go to sleep

roguedesmoulins@hotmail.com (9:02:07 PM): Yes, sleep...

roguedesmoulins@hotmail.com (9:02:19 PM): Oh, Perdita?

roguedesmoulins@hotmail.com (9:02:23 PM): ...

Perdy - Should I drop it in as White Rabbit peaks? (9:02:24 PM): good-night...yes?

roguedesmoulins@hotmail.com (9:02:32 PM): You really are bad at breaking up.

roguedesmoulins@hotmail.com (9:02:36 PM):

Perdy - Should I drop it in as White Rabbit peaks? (9:02:38 PM): heh

roguedesmoulins@hotmail.com (9:02:41 PM): It was a lovely day.

Perdy - Should I drop it in as White Rabbit peaks? (9:02:43 PM): good-night

From the Bible: Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment. Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they? Which of you by taking thought can add one cubit unto his stature? And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin: And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these. Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith? Therefore take no thought, saying, What shall we eat? or, What shall we drink? For your heavenly Father knoweth that ye have need of all these things. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. Take therefore no thought

for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

=====

I use this to explain my life. I read this as a formula... IF you "seek ye first the kingdom of God" THEN "you get all these food and clothing" So far so good... in everything, I seek this "kingdom of God"... I don't worry about much anything else. I just seek. And look at all the cool stuff and great food I've got! All else is secondary. Tomorrow cares for itself. I worry little of consequences. And for me, to be in love is to seek. Which is why I seek you. For in you, I seek this "kingdom of God". But what exactly is the "kingdom of God" and how do you know when you are seeking it? I envision is as a "Lost Kingdom of God" in the jungle in standard adventure-archaeologist fashion. Replete with clues, and maps, and secrets. But the formula is not to "find" the kingdom, merely to seek it. It is a transformational path - in Zen this would be a koan - an insoluble riddle designed to warp your mind around until it shatters. Your story of the old house was quite something - your quest ended in finding yourself... that was very insightful of you. So too with this kingdom - it is inside us, and we are inside it. This notion of seeking and being added unto is not really well recognized in the Christian faith. They make little of "seeking" and focus more on accepting and believing. To my mind faith is the gateway to unimaginable wonders. I am, above all else, a seeker. And at the moment, I seek you... and will so long as the universe allows.

So, here we are at the beginning. Not the very beginning... so much already transpired... but at the beginning of my search for your hand. Let me tell you how it comes to pass... over the next several weeks I will write you daily. (In this discipline, I will also complete my disseration. Indeed, at some point, I will send you a copy of the manuscript). You will read this letters undistracted - perhaps you will reread them. And you will play along - partly because you like the attention - but mainly because my words finds aspects of your soul and it sings along. In a week or so, you will look forward to the mail, waiting for your daily poetry. Secretly it enters your heart... like in my favorite Blake poem:

"Oh rose, thou art sick, The invisible worm That flies in the night, In the howling storm, Has found out thy bed Of crimson joy, And his dark secret love Does thy life destroy."

It should be the caption to your drawing today. And yes, "evil n caring"

- evil of course is relative - to the gnostics, the serpent was an enlightening energy - indeed, lucifer is the "bringer of light" - in this fashion, I will shed light into your abyss, teasing out uncertainty and doubt. Completely accepting who you are, and illuminating our way forth. How many adventures yet unconceived. Things you hardly imagine now will catch your fancy. I have sought you for some time... and now I have indeed "found out thy bed of crimson joy". You are already mine, and I yours. We both know it, and this knowledge emboldens our game. Naturally, there are space-time details, but they will work themselves out - no sense to concern about it. Sufficient to the day is the evil thereof, after all - we see with the light we have.

From here, we dance. And in dancing the objective is not to reach a particular spot on the floor... Any more than the objective of composing is to reach the last note... so, too, our hopes and dreams are but journeys and not destinations. The objective of life is not to die, but to live as beautifully and inspirationally as we can. Not only for the joy of playing, but for all our present and future spectators, who have come to expect such fantastic things from us. And we will grow old and die - in a cave-in as I recall. And they will sing our songs, and tell our tales... or at least the PG rated ones. And in the end, I can only assume that we spend infinity seeking. To know is to love. To seek is to be in love. My preyer is to seek thee... I have little need to actually find you.

:D

I grew up in a small town by the sea in Rhode Island. We moved there when I was 2, just before my sister was born. When I was 5, my parents sent me to preschool. It is there that I met nearly all of my childhood friends, and indeed so did my mother. To this day, her best friend is the mother of my preschool sweetheart, Julia. So obvious was our young love that when it came time for the school play, I was the clear choice for Prince Charming, and Julia was Sleeping Beauty. We have an old film of it... it's

quite cute. My first kiss caught on tape... then me running around like a lunatic. Somethings never change... Did I mention that Julia's family was English? She had a lovely accent. And, ironically, now that I think about it, she ended up marrying a guy about 15 years her senior. Their family is a mess now. Father died, and mom doesn't ever get to see her grandkids, despite being in such close vicinity. I suspect that she and my mother will retire together...

However, that really wasn't the story I'd intended to tell. When I was in 5th grade, my school decided that I (and perhaps 4 other kids in school) were "gifted" and needed special attention. Every Monday, we would be paraded from class to go to gifted school. Quite a spectacle. They would teach us marvelous things, and bring in adults to talk to us about their worlds. One day, an archaeologist came to speak. I was enthralled. I think he mostly studied American Indians, but the whole thing was so exciting. We had to do a project for gifted school - and I chose to do mine on archaeology. My parents took me to visit the archaeologist, he talked with me and loaned me books. Those books were my prize possession - I might even still have one (that I "forgot" to return). I drug my parents around to old cemeteries and took pictures of old things. I even staged a dig in the back yard, excavating far too close to the tree - there were roots throughout my dig. I buried things and showed how to mark and tag and extract and clean them. The project was quite a success - far better than my peers, I recall. Really laid the foundation for things to come... in so many unforeseen ways. In truth, archaeology was my first intellectual love.

We moved shortly thereafter to Michigan, where they didn't have a gifted program. The next two years were incredibly awkward - moving to a new school at that time, without any friends. I suppose those pubescent years are awkward anyways. My mother is still quite bitter about the "set back" and wished they'd have sent me to private school. She was more bitter about leaving her friends in Rhode Island, and never really made any more. I am certain she thought I was going to marry the beautiful english girl of my youth. And I probably would have. As it was, I was shy and kept to my self, not being invited to parties, for I really didn't know anyone, and we lived almost in the country. We moved across town before 9th grade. That year, I made a few close friends who were also very smart... we've stayed reasonably close - I just saw them recently. One is a surgeon, the other a lawyer, and the third a minister. Oh, and the fourth is my friend in Brazil, though he left in 10th grade, we kept in touch - which was much harder to

do in those days (although it's not like it's easy to keep in touch with people who live in the jungle). In high school, I took the hardest classes I could find, got okay grades, was on debate team, and ended up graduating with about a year and a half of college credits. But not actually having really kissed a girl since Julia...

When I was younger, I was very much in to shocking people. I would make odd choices solely because they were odd. Okay... I still do this. When I was a freshman in college, I joined a fraternity. Actually, it was the same fraternity my father belonged to, and at the time, I looked up to him as my role model. However, this was quite an bizarre action for anyone who knew me, and I knew it. I learned to drink and smoke and generally have fun. I mentioned that I started university as a second term sophomore. My first term of actual college went poorly. Taking second term sophomore engineering classes as a freshman isn't advised. I think I ended up with a 2.4 out of 4. My grades never really recovered.

Second semester, I didn't take any engineering at all, instead I took honors english, honors philosophy, and something else I don't recall. Lots of writing. Of course, this was while I was rushing the fraternity, so I'd write at like 3am for papers due at 8am. I used to stumble into class and sit next to my best friend and say... I wrote this at 3am. We'd bet on who'd get the better grade (betting against ourselves). I would inconceivably get grades like 4.2 – out of 4! The very thought of quantitative grades for such nonsense still amuses me. That summer, I... did something? Who knows. I did visit my friend in Seattle (who now lives in Brazil), and we schemed a grand adventure - involving an old volvo and classic suits from the 30s.

I moved into the fraternity house sophomore year and started taking engineering courses again. I took a class in statistical mechanics... was at 7am... I never went to class. I remember getting the midterm exam back... the professor wrote on the board: mean: 80, high: 95, low: 20... I looked

at my paper... and proceeded to run home, acquire a bottle of tequila and celebrate getting the lowest grade in the class. I promptly dropped it... ostensibly to improve my other grades... I failed one other class that term. My best grade was in Existentialism... never really wanted to be an engineer anyways.

I went to register for the next term of classes only to find that my father hadn't paid my tuition. For all his genius, he is lousy with finances. So I took the next term off - a gambit redone the next year as well. In fact, when all was said and done, I completed 5 years of college in about 2. I didn't saywell... anyhow, the second half of my sophomore year, I was living in the fraternity house, not taking classes. I needed a job to save for the grand adventure. I worked at a bank. It was horrific... filing or something. I'd never had a "real" job, and wow did they suck. Fraternity wasn't doing all that well... had only picked up two new members previous term... we were far from campus... so we schemed to throw a party... filled our large mansion with sand, built a hot tub, and bought a dozen kegs. Was an epic party. I met my wife there, actually. I don't really remember how, but she spent the night. I remember meeting her the following monday at her job (law intern?). She was wearing a plaid skirt, had beautiful blue eyes, and gorgeous reddish brown curly hair. She was petite, like you. I was quickly smitten with her. She was a senior and getting ready for law school. I schemed great schemes that did not involve law school, and indeed said that I didn't "do" long distance relationships. Our tale is for another day...

The important bit is that that term, I became quite close with my friend Jeff, and was introduced to LSD. I had read quite a bit of psychedelic literature, listened to the Beatles, so, you know, I was hip and ready to ride... and what a ride it was... over the next few years, I did more acid than I would have considered healthy. I bought it 100 doses at a time... in Visine dropers... for \$2/ a dose! Decided I was going to dose Pez... my friend brought over a micropipette, we got through about 80 and were done - turns out it was broken or something, so I had all these Pez of questionable dosage... but wow, it was great acid.

Spring came along, and I didn't have nearly enough money saved. But I managed to buy a Volkwagon Vanagon Westphalia GL. This is a van, equipped with beds, stove, fridge, popup top, etc and powered by a lame 40hp engine. It broke down within two days in upstate New York. For a week. You see, it was a holiday weekend. The nearest VW shop was by a lake and was actually marine shop. So spent a week in Celeron, NY.

Broke down on a Friday. Saturday rolled around and there was a fair in this really, really, really small town. It seems that it was the hometown of Lucille Ball... and THIS was LucyFest! Unfortunately, we had no drugs to cope with this. However, I did have a copy of "The Anarchists Cookbook" which has recipes for how to make drugs from common household items. "Unroasted unsalted peanut skins" it said... "Yeah, I've heard that", my friend says. And so we were off... walking to find "The Nut Shoppe". We walked for miles. It was hot. Only to find that the fucking Nut Shoppe is like a mile from where we started... and they were FUCKING CLEAN OUT of unroasted unsalted peanuts. FUCK ME! Spanish peanuts, then - they've got skins! So we bought a bag, went back to the van, pulverized the skins rolled them up in a joint and my friend smoked it... the van smelled like fucking peanut butter... like burnt peanut butter... "yeah, I think I feel something"... I have never laughed so hard... weeks later found us in New Orleans. Still determined to find drugs, my friend bought what can only be described as a cigarette package of lawn clippings. Sadly, when we finally did find drugs, he wasn't there...

My cousin lived in Austin, Texas at the time. We weren't (aren't) all that close, but was great visiting, and she had a line on some LSD. It was Independence Day (July 4). We went to this lake outside of Austin... made a fire, took some acid, enjoyed the warm evening. I played with the fire for hours... I even threw my emergency flares into it... was beautiful. To this day, I have quite a thing for campfire. My home in Plume has a fire pit in the back yard... but the absolute coolest physical experience I've ever had... cliff jumping into warm water... the night air and the water were almost the same temperature... falling and falling... feeling the water not as a change in temperature, but as a change in viscosity... wow! I have had many adventures with LSD, but that was one of my first, and one of the most beautiful. No philosophizing, no thinking, just being. In many ways, I don't even know the person before the drugs. I have horrible long term memory. As if it was someone else's life. Psychoactive is quite right, and I am certain that I rewired my brain several times. By the next term of school, I was quite someone else entirely. I still got bad grades, of course, but I had vision...

Sadly, the next summer, my friend was in a horrible car accident. Nobody died, but he hasn't been himself for almost a decade. Post traumatic stress disorder they call it. I was quite lost without him, truth be told. He's really the only person who I talk with about visions, about things of sub-

stance. And now, that he is mostly better, he is in Brazil, and we email but seldomly. It is as if the past ten years of my life have been on autopilot. Requiring almost no conscious effort at all. By virtue of... what? Of working hard in high school? Surely not a product of my university effort. I have been fabulous place, and learned wonderous things. But I wonder if I'm just biding time. I thought I'd be crucified by now... by 33. My 34th is next week. It is not a crisis, far from it. I am wise about the world. I know how it works, and how to control it. I am very happy. Except... I've been looking for something... someone... it doesn't make me unhappy to not have her... on the contrary, I've very much enjoyed the search. But what I seek is someone who is seeking me... it is why the universe exists, afterall.

In the past weeks, I first wondered whether we had actually found each other... clearly we have. Then I thought perhaps I had found you too early... so young. Then upon hearing your tales, I thought perhaps too late... so cynical. But now, I really think that we have found each other at exactly the right time. For though you are young, you are wise. And though experienced, you have not become bitter. You said that you do not have enough information about love... but you do know your self. And, though but a teenager, your instincts are true. I am known to be manipulative and controlling, although I'm not, really. Much like yourself, I am confident and secure in my actions and opinions. And so it is no small feat that I trust in your heart... but I do. If your heart wants us to be together, then we shall be. I trust is as an oracle. This is quite a responsibility, but you've earned it... you have exercised your heart and mind in your few years more than most do in a life time.

Your challenge is to know your heart, and to trust it as well. Do not overthink such matters. Love is not rational. If your heart wants us to exist, then it will be so. Of course, there is little that can be done now. Your heart has already spoken. You already know the answer. In quiet times, without thought, you know. And as we slip from friends to lovers, from virtual to real, from now to forever, it will be like diving into that warm water - a bit scary at first, but natural, comfortable and beautiful.

## 2006.05.02 6. Comfort is Death

Snowboarding in powder down steep slopes is as close to heaven as I have known.

The slope needs to be very steep or else you will get stuck and have to hike out.

Inevitably, usually on a less than perfect day, I will spy a tract of fresh powder.

It never occurs to me that there is a reason this snow has not been trod upon.

That the terrain is too flat, or there is a gulley, or other such good reason.

So, I sail across the virgin white, for but a few moments of infinite bliss.

Then I slow and then I stop. I realise that I have done it again.

I unstrap by bindings, and hike through the resistance.

Remembering the last time I was so deceived.

Vowing, promising never to be fooled again.

To stay well within the marked trails,

Not to search for such perfection.

Well, that lasts for maybe a run.

My resolve against discomfort

Is melted by love of snow.

There is a restaurant that I know.

It's five star dining at about 11,000 feet.

You can have lunch their while snowboarding.

You go in, take off your boots and they give slippers.  
 Comfortable fuzzy slippers - odd to eat so well in such.  
 Lunch is a five course affair. They make special vegetarian.  
 Usually it's a vegetable napoleon. Really something special.  
 Also, there is almost always a special vegetarian soup as well.  
 It isn't cheap, but is extremely charming, and have the best wine list.  
 Then, after your meal, you sit by the fire, and sip some port or cognac.  
 And contemplate the day. Eventually you leave the cozy confines of the lodge.  
 Into the below freezing cold, bluest skies ever and absolutely breathtaking views  
 Not because the lodge is not-comfortable or that we have exhausted it's potential.  
 We know we shall return - fondue is next door! But adventure awaits us - in the snow.

roguedesmoulins@hotmail.com (6:02:41 PM): I thought you said THEY were married today.

roguedesmoulins@hotmail.com (6:08:05 PM): No alimony...

roguedesmoulins@hotmail.com (6:08:10 PM): Just patrimony.

roguedesmoulins@hotmail.com (6:10:39 PM): But you know me... I know you.

roguedesmoulins@hotmail.com (6:11:17 PM): Also, she owns half my company, so would have income that way as well...

roguedesmoulins@hotmail.com (6:11:28 PM): It's really a non-issue.

Perdy - Thank you. (6:11:50 PM): Ok, I don't even know why I am saying these things you know?

roguedesmoulins@hotmail.com (6:11:58 PM): Yes you do.

roguedesmoulins@hotmail.com (6:12:18 PM): You are just stubborn about the "I don't say 'I love you'" bit...

roguedesmoulins@hotmail.com (6:12:47 PM): You are in love - and your heart and your mind and your soul know it.

roguedesmoulins@hotmail.com (6:13:15 PM): You and I are to be together,

and I think we will be very happy.

roguedesmoulins@hotmail.com (6:13:32 PM): It won't be "normal", but hey, who wants that?!

Perdy - Thank you. (6:13:40 PM): \*Nods.\*

roguedesmoulins@hotmail.com (6:13:47 PM): Goodnight, my love.

roguedesmoulins@hotmail.com (6:13:50 PM): Sweet dreams.

When I was 19 I took the train from my home in Michigan to my friend in Seattle. I brought along a book called "Splendour Solis" - an alchemical tract from the late 16th-century. It is quite poetic, and very beautiful. It was the first alchemical text I read - I had bought it at a book warehouse, at a significant discount. Such an important purchase! I had been reading it for most of the trip. Such a strange book. It boggled my sober mind. Fortunately, I also brought along my new friend, LSD. Somewhere in the middle of Montana (or was it North Dakota), I placed the small tab of blotter paper on my tongue and wandered to the sightseeing car. I ordered some red wine consecrated it in my mind and drank the blood of Christ. And waited. The plains go on forever in Montana. So very beautiful. But my mind wandered back to this most unusual and secretive book. I began to

contemplate mysteries, as I do on LSD... I realized that there were no mysteries - everything was in plain sight, but our culture was repressing them with "common sense". You know how quickly this line of thought gets out of control... even the sun itself - - the source of all mysteries - in plain sight. And I was going to know it. Those "lies" about not looking directly into the sun would not deter me from my quest. And so, "in contemplating my self" I looked upon the sun directly, saw it's full intensity, entranced by it's splendour and was, quite literally en-lightened. I don't know how long I gazed. Perhaps an eternity. I later found out that the experience also burned a pinhole in my retina. And so en-lightened, I thanked the sun for this blessing, and wandered back to my seat. There was a woman in my seat, gossiping with another in the seat across the way. I was quiet. She look up at me and said simply, "Oh I knew you'd come back eventually"

The final verse of the poem that I sent you refers to this en-lightening event. Indeed the whole poem is a lament by the sun itself, looking at it's planets - those cold bodies spun out by itself. Watching the planets - unable to sustain fusion - die out - energized only by the bits of sun locked away inside them and by it's radiation. The sun remembers being in the nebula, at peace. Until that one day when a neighboring nebula exploded for some reason or another, causing our sun's nebula to spin. Centrifugal forces condensed energy, forming a solar body, and then it's disk cooled and coagulated into planets. The sun laments that it's children are not also sun's - and that they are dying, and will not create much of anything at all. Except... perhaps one of the planet's children looks up at it, and recognizes it, and thanks it for it's splendour. It is the lament of a lesser creator. It is the lament of the Lord of the Hebrews. It is the lament of Aten.

Alright so you are aware of Akhenaten.  
 Can you find something truly liberating?  
 This subject fascinates so many people.  
 What of this strange pharaoh?

Heretic?  
 Religious leader?  
 Introduction of monotheism to the world as we know it?  
 Let us create patriarchal society.  
 Traitor?  
 Madman?  
 Christian?

What do you think?

Such an important figure wiped from the records. This is the true lament of the Aten.

He was married to Nefertiti who Hitler described as Perfection, the most beautiful woman he had ever seen. Then proceeded to keep her bust as a paper weight. Nefertiti has stayed in Germany ever since.  
 Funny.

Can we keep women we desire?  
 If we want something we must take it.  
 They hold it still now.

Akhenaten had designs on his world.  
 He was the first to break the mould.  
 To create something different

In principle it is the same as the next pope claiming he is a pagan and that the Roman catholic church should become polytheistic.

Snake like eyes...He had slits evil dominating eyes, those statues were right, he was as they portray the breasts of women and arms longer than you or I.

Was he claimed by genetic disabilities ?

We will never know  
 We think we have his body but I have no doubt it was decimated long ago.  
 I think back now..

Marfans syndrome? Froehlich's Syndrome?  
 Who are we to even question

We must drop our hats at his differences and ability to take charge or what he wanted.  
 Nefertiti was involved in his religious schemes there is no doubt of that.

To bribe a whole city to the point where it is a cult?  
 There was no Aten in his eyes aside himself he WAS the Aten and should  
 be worshipped as such.  
 His people believed the facades while it lasted along with the gold.

Akhenaten was married to several wives, even before Nefertiti he was  
 married to his beautiful lesser wife Kiya.

And with her he had his only Son  
 Tutankhamen.

The true lament of the Aten.

By now, we know our hearts well enough. Every time I leave you I cast  
 you away, every end of message, every evening sleep, not knowing if you

will return to me, or if your heart will wander. I wake in the morning, and you are seldom here. I sit down with a cup of earl grey this morning. You are not in MSN, not in our second life. I read your journal to read your thoughts. They aren't of me. And then, I check my mail to see what else the day brings, and there you are, singing to me, and here, I sing back...

I often wonder why the creator didn't simply make us without capacity for sin. The reason lies in the fact that inherent in creativity is choice and freedom. The creation must be free to reject the creator, or else it diminishes the beauty of the reunion. I have no hold on you and never have. You are perched in my hand, and you are free to fly. I whistle to you and you sing to me. But one might just as well ask the creator to silence the morning birds or withhold spectacular sunrise as ask me to cast you away. In time, you may fly away, but I assure you the sun will continue to rise and our song continues. Perhaps you will find another to cage you, and perhaps you will sing to him. You would remember our duet fondly, I hope. But our curse, you and I, is that we seek... I have no cage to offer you. For what joy in the caged bird? I would fly with you to the ends of the earth and sing their exotic songs. I do not ask how we fly nor why we sing. I assure you that my head tells me to fly away as well, but my heart wills to sing. And when I review the past month, I see the seasons changing. The days are warmer, the flowers are blooming, and the birds are singing.

Yesterday I left the upcoming summer to hike with Nanook at Saint Mary's glacier. It was snowing. There were folks their with their snowboards, hiking up the mountain. Such effort to hike in the back country with gear, only to fall down the mountain. For what is snowboarding if not a controlled fall. Perched on the cliff, there is trepidation. There is almost always an easier way down - in the resorts, usually a long and boring (and tiring) snowcat track that winds down the hill. In the backcountry, there is the hike back down. But that isn't why you are here, at the top of the world. Peering over the edge, it always looks more frightening before the leap. And then, you simply fall. In snowboarding, speed is your friend. You are far safer pointing your board down the mountain than trying to dig an edge in. It's all about balance - and imbalance. For what is falling if not imbalance? It is trading potential for kinetic. It is the art of maintaining balance in times of sometimes extreme imbalance. While falling, you head almost always reminds you of what a bad idea this was. But you aren't here for your head... you are here for the joy of your heart... for the thrill of the descent, and there is nothing else in the world that matters. It's all a

choice - you could just have easily listened to your head and stayed in the comfortable lodge drinking hot cocoa while the snow falls outside. While I say it's a choice, in truth, it is hardly - the heart will have it's way, and there is little logic can do to dissuade it. Love in it's many forms is transcendent and transformational.

"And if the earthly no longer knows your name,  
whisper to the slient earth: I'm flowing.  
To the flashing water say: I am"

Once you have fallen in love with the snow - with fresh powder, you have entered a new world, and you will do amazing things to return to it as often as possible. So too with love. It's a leap of faith. Your experiences have prepared you. You have lept before. But it is still a leap - this time perhaps a bit steeper, a bit more challenging, but doubtless more exciting. And when someone asks why? You have no answer, because in retrospect it wasn't even a decision... there are no reasons, no explanations, simply "It's what we do."

You know what I seek, and yet your final words ask me to let go of you. Tell me how. For my heart will keep seeking you, and there are poems left to be written. Perhaps I will write you and simply withhold the words, shielding you from their glow - you may as well gouge your eyes out (better yet your heart) - but you will know they are out there, singing to you. Perhaps, though, I have spoken enough to your heart. Ironically, the heart is the fickler organ, and more difficult to reach. Let us assume that your heart is very much in love, and that were it not for that pesky head, you would have greeted me with "I love you" in triplicate. Let us then focus on your head...

Tell me why your head tell you to stop, and I will meet it on it's field of battle. Why should you stop talking to me? Why do you want to get away as quickly as possible?

Afterall, we need something to fill the rest of May...

## 13. Heart and Head

From: dan@syzygyx.com  
Subject: 13. Heart and Head

Date: May 8, 2006 7:43:30 PM MDT

To: angelactress4u@hotmail.com

Dearest Perdita,

I'd intended these epistles to be daily, but it seems that I am an over-achiever.

First of all, I apologize. I apologize for continually putting us in these situations. My head sometimes has a mind of it's own as well - it wants certainty and is impatient - forcing us into situations that we are not ready for. I've known you what, a month? Of course you are in love with me, but that's hardly the point. I will try and be more sensitive - I do know this is hard for you. Sometimes I hate SecondLife for that reason - it is an excercise of the head, but it brought you to me, so I don't hate it too much.

The heart is a muscle. And like body building, the art it to tear it and let it regrow. Of course, like bodybuilding, you really need to nurture that growth - have you seen the protein shakes these guys drink? It is the difference between the heartbreak you felt when your parents left you - nurtured only by the cold wet night air, and our seemingly twice weekly heartbreaks nurtured by our love. I know you have been hurt, and I know that you are not as strong as you pretend. You are blessed with a vivid imagination and that is a powerful defense and has protected your heart from countless abuses. But now I am here. And you know and I know that things are different. I play with your head - but I do not play with your heart. It is my head that gets me in the most trouble with you - playing word games and ultimatums, spells cast and key phrases - and you counter well, and I love playing with you. If we ever do fall out of love (is that really even possible), I could spend a happy life playing with you intellectually. But this matter of our hearts is another matter entirely. Your head tells you (and me) things like "there are other girls", "this is just a petrol stop", "it was just a dream" and other lies that when you sit quietly for a moment are patently absurd. You may be good at fooling you self, but I am not. I don't actually think you ever believe it yourself, but you say it anyways. Your head is looking for the easy exit. And though it's strength is reason, it is behaving quite irrational. For even it must admit that I am a fine life partner for you - probably ideal. I say this without humility because you would see right through that anyways - you know how fabulous we will be together. Then why our twice weekly drama? I think you are not afraid of me - nor of falling in love with me - nor of losing me. You - perhaps

as low as your reptilian brain - are just protecting your heart from danger. You would rather go loveless for all your life than risk losing what little you have left. But this is quite wrong - you have no evidence, so you will have to take it on faith - the more that you love, the more you can love. Let me nurture your heart. It's hardly a matter of salvation or protection... it's not altruism - I don't pity you. I do know that without your head and your heart - your accomplishments will be lessened - your vision limited - and your life unfulfilled. Your will lies in your heart, not in your head. The truth is - the reality is - that your heart and your head know and love me. You are defending against an enemy that isn't real. That is why I evade you so easily - why you really suck at breaking up with me - you are fighting your imagination. And though it's so easy to get lost in the virtual worlds, we both know that when we speak, there is nothing more real. And we both know that in flesh, we won't be lost again. I do tire of our drama, but I understand it, and with every heartbreak, we grow a bit more in love. I suspect we will have to break up a few more times - it is May and you are stubborn. I will continue to play with you as long as it takes, but I feel that the drama is nearly over, and that happiness is near... perhaps even as close as tomorrow. In the meantime, I will try to keep my head in check - will try not to give you such easy exits - I am as much at fault as you are - I like to test you - and you like to fail in spite of everything.

My heart cares little about May or about words spoken in triplicate. I have a strong heart - a faith filled heart (though apparently not entire faithful!). I love easily and often. For that reason, I recognize that you and I are quite something else entirely. Love, the word, hardly captures it. And though your mind may say that you don't love me - I see through the facade - and so does your heart. Mind you this is no "special skill", I do not have a "mind link" as Orhalla seems to believe. You have told me so - in art, in writing, in words. In time, you will show me in glances and gestures and actions. Words are quite arbitrary - and quite unnecessary. I will press for them no more.

There are so many paths to choose from, but this one does have character, and is perhaps even therapeutic - for the both of us. I know it seems difficult, but anything worth doing usually does.

Take care,

Daniel

## 14. Dream within a dream.

 Subject: 14. Dream within a dream.  
 Date: May 9, 2006 10:17:04 PM MDT  
 To: angelactress4u@hotmail.com

Take this kiss upon the brow!  
 And, in parting from you now,  
 Thus much let me avow-  
 You are not wrong, who deem  
 That my days have been a dream;  
 Yet if hope has flown away  
 In a night, or in a day,  
 In a vision, or in none,  
 Is it therefore the less gone?  
 All that we see or seem  
 Is but a dream within a dream.

I stand amid the roar  
 Of a surf-tormented shore,  
 And I hold within my hand  
 Grains of the golden sand-  
 How few! yet how they creep  
 Through my fingers to the deep,  
 While I weep- while I weep!  
 O God! can I not grasp  
 Them with a tighter clasp?  
 O God! can I not save  
 One from the pitiless wave?  
 Is all that we see or seem  
 But a dream within a dream?

- Edgar Poe

I weep. I weep that you cannot let go... that I cannot save you. It is not my leap to make. And the truth is that we don't have many opportunities to make such leaps. But my hope has not flown. For though or circumstances may seem so random, consider the complexities of the universe that brought us together. The orchestration of our love is quite improbable... do you really dare to tempt fate? I am not so brave... perhaps I am just lazy. When

you came into my life, I tacitly assumed that you were placed here for me. I really had been looking for you for so very long. Since that moment, I have never seriously entertained the doubt that you were not mine. Of course, that I might lose you was (is!) distinctly real ... and so, I have spent nearly all my energies - to the detriment of so much else - simply to be with you. I do not enjoy trying to "convince" you of anything. For we construct a life together... and for that, you must come to me of your own will. You will is clear, your heart is strong, your head is running out of evasive maneuvers. The prelude is nearly complete, and soon the first act begins. We both know the stakes, and we know that we will bet our souls on the outcome.

You play at fear - but you are not afraid. You have conquered far worse demons in your time. And the ones that remain we shall battle together. And your plays are hardly honest - as if you were delivering them for another. You feign concern for me and oh what a horrible thing; yet you know we will be far happier together than apart. Your attempts at humility are pointless, for you know that we are unique among the stars - set so far apart as to completely mask others around us. And the concern that you are one of many for me... it is hardly worth defending, so true is our love. It's not even like you are trying to convince yourself - for I doubt you are any better at that than I. Indeed, I take such thoughts no more seriously than your love and my jealousy for the dentist or the hobo.

And what if it is a dream within a dream? Have you ever backed down from such an adventure? Could you forgive yourself if you did? Can you really imagine not pursuing this completely? I am certain that you cannot. You are so totally mine. I'm certain you knew exactly what you were doing that fateful day (what three after we met?), and even more so now. If anything, those pangs of fear that you feel is merely the cries of Poe... trying to cling to the grains of sand that are your life... poetically concerned for their well being... what becomes of them... but knowing full well, that they are but grains of sand and that the entire ocean awaits us. And the time has come to stop playing in the sand as children and board this ship that await us. As we set sail into the vast unknown, we bid adieu to our homes - for such is the beginning of every adventure. And anyways, there is wonderful sand in the South Pacific...

Come with me. Come with me now. Infinity awaits.

## 15. The Menie Shore and the One

What winds hath brought me to this Menie shore?  
 A place too real to have been but a dream.  
 Was here I found the maid I do adore.  
 And yet, the lass and land remain unseen.  
 Lost in illusion of past and future  
 The ocean waves torment the sandy gold.  
 Grey skies too oft the splendid orb obscure  
 Her sprit still shines in the bitter cold.  
 I know this beach, between sea and earth,  
 On which journeys begin and some shall end,  
 Inspiring songs of death and birth.  
 When some hearts do break and some do mend.  
 Tis at this edge I wait upon the morning dove  
 Who's cry reminds me of the One I love.

I have told my wife that I met a girl online that I want to get to know better.  
 In all her response was completely predictable, is comforting to know her so well.  
 I did not mention any details about you, save that you are in Britain, and she did not ask.

And thus, the Rubicon is crossed. Our adventure begins in earnest.

Ruthless efficiency apparently does not involve counting. When we edit these for our memoir, should remember to number them properly.

I feel quite foolish for not having properly appreciated the "maiden" bit. Perhaps I would have loved you differently? More respectfully? There is certainly something magical about a girls virginity. I also would not have so glibly responded to your joke about Chris and losing your virginity. God, I hope it was a joke! I take you extremely seriously... I'm afraid perhaps too seriously, given you fall out with the druggie over getting too serious too quickly. For real, I very much love you. I'm trying to use the word less, and in fact, I'll make you a promise right now that I won't use it again until you say so. I know that your lust rises, I cannot tell you how much I want to be with you, to have you. I can only assume you feel the same way. It is funny how seriously we take virginity. But you have, and you do. And I do as well. It's amusing how this changes the dynamic. So strange. I am finding it hard to express myself. Despite my claims of "love multiplies", I have the oddest desire to just be with you for the rest of my life. Very unexpected. And doubtless impractical since you have years of school left, replete with all those tempting college boys. But you are different, are you? I think that I will stop babbling now - such words are inappropriate. If you will wait, if you can wait, one more month... so close, so far. Why must I be so fearful? Surely not for lack of confidence - you are mine. I've never felt the need to control you. Most curious. I want you. I want to meet you, know you, wine you, dine you, take you to Ascot (okay, you take me), then take you to Iceland, and make passionate love to you for days without end, so that you can't even remember your life without me inside you. As I will only be seeing you a few times a year, I should like to satiate you completely, then gradually restore your desire over the interim for our next adventure. You will learn to focus that energy into your world... into your will. Do you have ANY idea how much I want to make love to you? How do I not mention it every conversation?! How do I actually wait until summer? God, I so totally need to change the subject... in summary, to clarify, I want you. I want your virginity. Be my girlfriend. Be my mistress. Be my wife. Be my Lady :) Be faithful to our magic. Please don't do anything exciting and secret with the boy you do not love - let me take you to Iceland or wherever you dream of. Okay, changing subject now...

It is amazing to me just how much I enjoy talking to you. Just spending

time with you. So casual, as opposed to the intense ravings of a lunatic that you find in your mailbox every day. As you know, I'm really quite lazy... heh, imagine finding my soulmate in the welcome area of a video game. Too funny. Though it has been a long journey to find you. Many things needed to happen to bring us together. None of which either of us really controlled. It is the universe. We just ride it. Speaking of which...

You asked about falling in love with my wife...

So when I was deciding whether or not to get married, the real choice was between living in a tree (in southern Oregon) or living in society, in which case I might as well get married. Wasn't exactly a marriage of passion...

From my journal, circa 1993:

---

In our society marriage can be seen in many lights.

I certainly would not marry out of fear - fear of being alone. I relish being alone, at least now.

To have a family. This is certainly an egotistical moving force there are no reason why I must have kids. Social pressures aside, it would be a natural happening, though.

Is to select a single on to love above all other selfish?

Honestly, I'm rather indifferent. Not that I do not love my dear Laura. Precisely opposite. Marriage is not necessary. Proposing is an act of love. Marriage is binding, is it not? Or perhaps liberating.

IF I choose to say within society, to contribute and to strive, marriage is a good contract to enter.

Should that bond, that paper, be the binding force btwn two people?

I do not lust other women. Laura and I are an interesting couple at least. At times we do not thing along the same paths.

I could not ever let my ego get the better of my self.

Simply put, the decision to marry isn't so big a step.

My grandparents both lived in the same small town in north Texas that my parents were born and raised in. From pictures, my grandfather was a very handsome man, poor, but hardworking. They met sometime before my grandmother went off to college, but didn't fall in love until afterwards - she always joked that she was looking for something better.

So a few years back, after my grandfather had a stroke, I came down to visit my grandmother by myself. We were talking about Colorado, and I had said how I wished there was a train that went from her town to Colorado. In fact, there was. And it seems that after college, my grandmother got on that train and spent a summer in Boulder Colorado learning to paint and to ride horses and what not. To find herself, it seems. I had never heard this story (and neither had any of my family I was to discover) and pressed for details. It seems that one fine summer day, she and a girlfriend went with two boys (!) in a car on a little road trip through the mountains. She would not go into detail, but something happened and she realized something on this adventure that made her return home immediately and promptly marry my grandfather and spend the rest of their days together.

~~~~~

I tempt fate. In spite of all my blessings - perhaps to spite them - I persist. I keep seeking. It is difficult to explain that it really is not unhappiness which motivates me to seek. It really is just who I am. Seek ye first the kingdom of god. Is my commandment - my formula. And all these things shall be given unto you. Is my explanation for my blessings. And it would be sin to do otherwise... to not seek would be a path to hell. You are young,

but you have already travelled many paths, and I think you are perhaps the first person I have met who actually understands my mind. And whatever the future may bring, whatever choices we make, we shall be intimate friends for all our days, seeking... and tempting each other.

Subject: 20. Of Companions

To: angelactress4u@hotmail.com

Of all the games we have played so far, this one has ended most satisfactorily - with you happy. Definitely an improvement. You will have to work on your logic though... To learn how to love doesn't necessitate that you stop loving any more than to learn how to read necessitates that you stop reading. I have said all along that what I seek is a companion with whom to adventure. Your realization that you don't "need" me is most welcome. Did you think I should be sad because you were leaving? By all means... godspeed to you. Search the world, do your will. You will return. Not because you need to, but because you know that you will not find my equal in a companion. There is the intellectual aspect of love - I'm certain that we could have vigorous debates ranging over topics we both know nothing of. The emotional aspect gives rise to poetry and eloquent prose and thoughts of love. But it is the third aspect - the spiritual aspect of love - that of faith and vision, that will be hard to find... Needless to say, I am no more modest than you. But as I've said, I am humble. For I know that my will is not my own. It is the will of the universe... I merely surf it. The "do what thou wilt" motto has the twist of knowing what your true will actually is. If my extra time in this world has given me any wisdom at all, it is that good adventuring partners are very very rare. What we share, you and I, is quite unusual... and I should hope that your realization of independence only deepens our love and friendship. I can imagine that your "hate" of the past month did stem from your "need". I'd hoped that you would transcend this fear, and we would journey onward.

Your last words always stay with me as I sleep. Tonight's was "farewell". How often have you said those and similar words to me. And how often have they stabbed at my heart, as I bleed myself to sleep. Oddly enough,

all of our breakups begin with drama with Jay... it seems he brings out cynicism and doubt in you. And that, to me, is as good of a measure of a relationship as any - what does your partner create in you? What is inspired in your heart. Nevertheless, you said "farewell", but this evening, I am happy. I have not stopped smiling since you said goodbye. For though the drama was thick, there was a realization. And you were happy - in May, no less! Surely this is cause for celebration. Thus we are one step closer to being real - the pretense of control, of need, is perhaps dispelled - though in truth, it never was our game. You never loved me because you needed me. You asked my long, long ago (you know, like last month) what I wanted you as... and I said, as my equal. We are nearly there, I think. After I said I was happy, you first said, "that's strange". And would you have it any other way?

Though you don't need me to adventure - some adventures, like discourse and intercourse, are really best with an other.

The art is finding the right other...

You are my right other. And I'll stake my existence that I am yours. Prove me wrong - I'll cease to exist :)

~~~~~

I am now going to do something highly improper, and transcribe a love letter that I wrote to my wife when we were first engaged... because it seems oddly relevant... and perhaps slightly prognostic in retrospect... and in that, a bit melancholic.

To be an artist would truly be divine. Clay I would caress with gentle touches, tracing the inert matter as if it were your very skin. With we paint I would highlight your luscious lips. With gems I would bejewel your scintillating eyes. Rose petals your cheeks adorn. From distant lands, silk to be your hair. Ah by how cold my statue will be. Sans soul; sans life. With a kiss of ultimate truth and love applied through my trembling lips, you awake, embracing the live even to you never to return to the clay from whence you came.

I seek two things from this world, as is allowed each one. With my left hand I grasp for truth, with my right I grope for love. If it is my left hand which clings to an anchor, it is my right which reaches for the sky.

The path I seek, my love, is a spiritual one ultimately devoid of mate-

rial hinderances. The decision to marry you, me beloved was not as easy as I had hoped. Indeed I love you now more than ever, of that there has never been question. But when attempting a journey such as the one I have planned, it is of the utmost importance to travel with right minded companions. That I should travel with companions was the major hurdle. That my companion should be you is perhaps my destiny.

To travel this path alone appeals best to my selfish intellect. The history I've read of similar endeavors have been soloed. I know that ultimately it must be an individual experience, but my heart, my lover, longs to be with you until the very end.

I suppose I could stay with you and leave you behind as I travel, but my dear Laura, I don't want to lose touch with you. For as my path leads in one direction, yours would lead in another. This is, quite possibly inevitable and prolonging it may be wrought with pain. But pain and joy are star crossed lovers, where one goes, the other follows. Perhaps you would never know I was gone. For this journey, we need not be separate physically. It is a journey in and yet out. But, my love, you are acutely aware, and would certainly notice as you have before that I was growing, changing, and without you.

Consider this, then, an invitation to join me on my quest for ultimate truth and love. To explore each other in relation to the divine ground which, in the end, relates us all. If you do not see the end clearly, fret not. For it is elusive and once you see it, you are nearly there.

Perhaps, though, we were not meant to take this trip together. Perhaps none of this will touch you and you will laugh at my strangeness. If it must be, it must be. Perhaps you can join me later. Perhaps.

If so, if you understand me not, understand one thing for sure: this is an invitation of love as pure as I can generate it. Know always that my love for you extends beyond this world into the universe, into eternity.

I love you,  
Amen,  
Dan

Dearest Perdita,

Today I was in hell. Quite "really" in hell. Was very existential and very weird. It was hot today - I needed to talk to you - to understand what had happened the night before. My mobile IM flaked out all morning. Then you were offline - hiding apparently. I go to the first hotel - their wireless sucked. Wasted hour with their offsite tech support. Second hotel supposedly had "wired" internet. I had no wire. I got a wire. After trying out five rooms, it turns out their wiring is all fucked up. So finally to this hotel, in a more comfortable suite. And really, by then I was exhausted and needed goodness from you. Instead you ignored me and refused to tell me what was really going on. And I was just really really confused. As I confessed to John - I've never enlightened a girl away from me before. Not that I don't dream of such - hell, I've schemed novels of such - but she always is so grateful... :) So now I am just tired - actually quite exhausted - as if I have been paddling upstream all day.

But I am less confused now that I am a bit more comfortable.

Let me tell you the story as I see it.

With nearly all obstacles eliminated, you experienced vertigo at the sensation that there was nothing to hinder us from actually, really falling in love forever. It has all happened way to fast. You looked into the abyss and freaked out. And so you have derailed our train with nonsense to prevent it from reaching the station. It is the last effort of your head to prevent a course which you saw as inevitable and scary.

Not that it is nonsense, of course.

I, too, am totally and completely freaked out. So much so that I called my friend in Brazil on the telephone for the first time to share my craziness. Leaving my wife and family for a woman I have only known a month or two and never met is surely madness. What the hell are we doing. Maybe I have overestimated our sense of adventure. But perhaps we are simply taking

this all too seriously. It has been ridiculously overacted - we are excellent at our craft. I really would like to come and meet you - and find out more about this most talented actress. Surely you are at least a bit curious. And doubtless a bit frightened. Rough winds DO shake the darling buds of May. But I am not one to be scared away so easily, nor are you. We have put quite a bit of ourselves on the line to back away now.

Consider the past month and a half simply as an exciting prelude - to pique our interest in the play to follow. You said yourself that sometimes beginnings have to be intense. We have a good overview of what may come. I think that we both agree that we could fashion some interesting adventures together. We are... piqued. There is little need for further intensity - we can coast for a while. For several years, I suspect - was quite a prelude.

Here is what I propose. I propose that you exercise your will and invite me to visit for a week (June 20-27), have your dad sponsor me, and that we go to Ascot, drink Pimm's, and have a wonderful time. No expectations, no intensity, no proposing, no commitments, no drama, no deflowering, no magick, no exploding. Just two friends. We are, if nothing else, friends, and while certainly not "best", perhaps better than most, and certainly good enough to visit. I propose that we get to know each other properly, and start our reality in a real fashion. We have tea and stroll through gardens, perhaps hold hands, go on picnics and visit museums. I will be a perfect gentleman and you a lady. A relaxing adventure. Perhaps we find that there is nothing real between us at all, but at least I get the adventure of Royal Ascot, some pictures of the queen ;), and you get a handsome escort for a week, and hopefully we both get some good company and conversation. Maybe even a lifelong friendship. We are different - no doubt about that.

That is my scheme. I think it is one of my better ones. Still fairly mind-altering, but not quite so mind-numbing if you take my meaning. More like shrooms, less like lsd. :) I suggest that tomorrow morning I will rise early and we will have a brief voice conversation at, say, 5 or 6 am PST which is probably around noon GMT? You will have considered the scheme all morning and can tell me what you want to do in your own words. If you really would like to ask me to leave you, this would be an excellent opportunity. I think that we are mature enough and real enough to do this properly without childish virtual tricks of muting and logging. I think that you know that my intentions are honorable, and that my heart is neither evil nor devious. And I know that you are not cruel, heartless and immature.

The irony, as you know, is that in reality, you and I are lazy, and not really compelled to such fits of insanity and passion as have overcome us this past two months. Our voice conversations are quite more relaxing and casual and reassuring than our impassioned and eloquent messaging and fighting.

You and I are far better at strolling casually than we are at running towards or away from.

Yours forever,

Daniel

So long as men can breathe or eyes can see,  
So long lives this and this give life to thee.

I brought Jasmine Pearl tea with me and an infuser. The infuser is different than the one that I have at home. The one that I have at home is a basket that I place the tea in and submerge in the tea pot. This one is a single serving type - you place it atop the cup. In this case, a styfoam cup provided by the establishment. I boiled some hot water in the coffee pot and poured it over the tea. At first the pearls of Jasmine floated to the top, then slowing gave up small air bubbles and fell to the bottom of the infuser. I went to shave while the tea infused. I returned to find the pearls had completely unfurled into their leaf form. I had never seen this before, as the basket infuser keeps them nicely in place. Quite beautiful and unruly. However, the resulting tea that I am drinking from this styfoam cup is not the delicate Jasmine Pearl tea that reminds me of you. It is far to bitter and quite horrible, actually... it's color is far too deep... it is too intense. I used too many leaves for the small amount of water. Plus I am certain that the water quality and the styfoam cup don't help. While perhaps it still is that

beautiful tea, I fear that perhaps that tea as I like it is to elude me until I return to the proper infusion technology. Then again, perhaps the next cup will be less intense, less deep, less bitter - I shall not allow it to set as long.

The tea has improved a bit. Today I warmed the cup in the microwave rather than running it through the coffee pot. But more importantly, I used fewer pearls of Jasmine. I placed them in the infuser and watched them come back to life. With plenty of space to grow, it was like an organic dance of spring. In wonder, I saw the blossoms unfurl rapidly, allowing the hot water to extract their very essence. It was quite beautiful. When the color appeared about right, I removed the infuser, and am now drinking the flowery beverage. The tea is yet in a styrofoam cup, so all is still not quite right. But it does taste and smell more like the real Jasmine that I know and love.

Dear Jay:

I have enclosed my given name and address at the end of this email. My hope is to convince you by it's end that I am a decent and honorable man worthy of loving your good friend, Ms. Woodley. If not, well, you now know where to find me and can come and kill me. Ironically, it is you who inspired me to do something so insanely stupid and potentially harmful to impress this very girl.

I found Perdita on April 5th, and have since fallen quite in love. I did so without intention or malice. It happened quite intensely, and was very unexpected. I believe that she has also fallen very much in love with me. I am sorry if this has caused you pain. You seem like an good person, and your love for Perdita is something that I cannot deny. It was never my intention to take your place, and I do not believe that I have. As I have said all along, I am not your rival. I have asked about you all along, and insisted that she love you as much as she can. I recently asked Perdita what her wishes were with regards to you and she said that she would like for you two to be friends forever, but just friends. I believe and respect her, and wish for this as well.

I will not distress you with admonitions of love or try to convince you of Perdita's feelings. My concern in this note is not for myself. I am concerned for her. For she has said some very distressing things in the course of the past few days that have given me pause. I think that she is not leaving me because she is not in love with me. Rather, she is leaving me because she is afraid of being in love - that love is a weakness, and not worth risking anything for. Perhaps she is right. I wonder if you, having loved and lost, would prefer to never have loved at all? But I think... I know... that you value your love for Perdita as a fundamental truth. And that you hate me for somehow diminishing that. In recent weeks, you have said awful things to me, and doubtless about me to others. Your passion does not need forgiveness and is understandable. But, it has caused everyone involved a great deal of heartache and unhappiness. You have been very successful in scaring Perdita away from me. But I fear that her current path will end with us losing a beautiful soul. For I do not think that she can deny loving me, so she has little recourse but to deny love itself. And that, I think, is Evil. To deny the glory and power of Love - to obscure the light of truth - is the

only evil I can imagine. For love is an incredibly powerful force - without it, we become impotent and life itself becomes dull and pointless. I suspect that you consider your life enriched for your love of Perdita.

"If I have prophetic powers, and understand all mysteries and all knowledge, and if I have all faith, so as to remove mountains, but do not have love, I am nothing."

I am a seeker. My mantra is biblical... "Seek ye first the kingdom of God". As if it were a commandment. I seek to comprehend the mysteries of the universe and strive to attain knowledge of things secret. I have sought many of Perdita's secrets, and in discovering them, we fell in love. I am trustworthy and I am kind and generous. I am a man of great faith - faith in the universe itself, for it has brought me all of the riches and boons that are mine to claim. Why then do I still seek? Some would believe that I am unhappy with my lot in life... nothing could be farther from the truth. I lead a wonderful life, I explore and do quite fascinating things. Yet, I remain grounded, and humble, for I know that I am blessed, and that I have little control over such things. I merely observe them, and seek out paths that seem like they might lead towards this "kingdom of God".

I find wonderful things, and I wonder about them. I find Perdita to be the most wondrous person I have ever known. She has an artistic and creative approach to life itself that I find incredibly real and pure. It is this that I am drawn to... the desire to play with such an artist. Not to manipulate or control or wield... for that would destroy the art. But to play WITH, as a creative endeavor. I believe that this is why creation exists - to find and love and create for the creator.

I am also a poet. Not of words so much, but of living. I have fashioned a beautiful life - and would continue to do so with Perdita in it. While perhaps not as honorable as John Henry, I think that there is great honor in being true to yourself and to others. This is why I am writing to you this evening. I wish for you to know truth about me. Furthermore, I trust you with my truth. Despite your threats of chopping me up and feeding me to dogs, and threatening to kill me in front of my two year old son, I trust you. I trust in your love for Perdita. It is honest and pure, and I have faith that in time, you will come to love me as well because my love for her is true.

I have now burdened you with great power. For I sincerely believe that you hold an important key to this future. You can save her and me and your self. If you continue on your current path, I am certain she will give up on

loving me... but I fear that she will give up on love entirely - and that would be very sad. If, however, you can find faith in me - in us, I think that our days may again be wonder filled.

Eloquence and floridity aside, we are all here for such a short time... and life really is too short for such melancholy and drama as we have all invoked in the past few weeks. I hope that we can all return to joy and wonder, and all become very good friends and play and explore together for many years to come.

My only regret is that you were not real. I am honestly surprised that you are in fact, that which you fear... no, not a squirrel... I am surprised that you are a zombie.

...and quite literally as I write these words, this appears in my IM...

You: I am sorry that everyone is not happier.  
JohnHenry Holiday: I do not want you to become bitter and cynical.  
JohnHenry Holiday: I am sorry you are not as happy as you deserve.  
You: I very much doubt that I shall.  
You: I am not particularly good at bitter and cynical.  
JohnHenry Holiday: Orhalla is probably happier than he deserves.  
You: Idiots often are.  
JohnHenry Holiday smiles in relief  
JohnHenry Holiday: Do you find me bitter and cynical?  
JohnHenry Holiday: I understand pain very well, but I do not think it is the

same thing, for I treasure so much also.

JohnHenry Holiday: Some take cynicism as a stance.

You: I do not find you bitter and cynical at all.

You: Which is ironic, since you are dead.

JohnHenry Holiday: I do speak of dark things, and I do fear those thoughts are contagious.

JohnHenry Holiday: But the naming of things lessens their darkness. And hey are there and better to be worked with.

JohnHenry Holiday: I was speaking of receptiveness, which is a symptom of being unreal - not yet aware.

JohnHenry Holiday: And it struck me I view it with horror, as of zombies.

JohnHenry Holiday: Animate, but hollow. Perhaps zombies mean something different to me than to others.

You: She is afraid of zombies.

JohnHenry Holiday: Empty people that seem real, and yet, they are simply receptive.

JohnHenry Holiday: Is she? She has not said the word to me!

JohnHenry Holiday thinks on that tiny fact

JohnHenry Holiday: I am sure it is meaningful.

You: May I quote this observation to my love?

JohnHenry Holiday: PLease do.

JohnHenry Holiday: PLease do.

JohnHenry Holiday: You may say absolutely anything you wish.

JohnHenry Holiday: If she fears zombies she may fear me though.

JohnHenry Holiday smiles

JohnHenry Holiday: She is yet your love? you see a spark of hope yet?

JohnHenry Holiday: I had so wanted to see you happy.

JohnHenry Holiday: Not happy, but... fulfilled in poetry incarnate.

You: She will always be my true love.

JohnHenry Holiday looks down, hoping he is not intruding saying that

You: Though she is not real.

JohnHenry Holiday nods

JohnHenry Holiday: I understand.

You: Do you? For I do not.

JohnHenry Holiday: The vision is still true.

You: I am honestly surprised and confused that she is not real.

JohnHenry Holiday: Are you sure she is not? I am not yet certain.

You: Nor I...

You: But as I've said,

JohnHenry Holiday: She seems able to see me, and I am far from normal.

You: Lilies that fester smell far worse than weeds.  
 JohnHenry Holiday nods sadly

You forget that the zombie lacks the mind capacity to feel..

Am I hollow?

Do zombies question?

No I am not real, at least not to you! And that is because I make it that way.

It confuses me to a certain extent I must admit...  
 I do not understand what this feeling is.  
 But it is self will, it must be.

You know what John said to me? We had not spoken a word of you all evening and he was just telling me how he would not see me for the weekend.

As I express my sorrow, just as I am about to wish him well and hold him but he says something along the lines of

"I hope that Mr.Desmoulins new plan will work better for you for he feels he rushed things too soon. " \*Blushes for mentioning this at a time like this.\*

I just left because I realised something..

You are right.

I am not real to you.

So move along.

As for this email,

You feel, and think and question.  
And are not yet a zombie.

You are real to me because I focus on you.  
When you are not here, I have Sugar.  
Can easily last the month.  
The hobo and the dead man remind me that you are real,  
Even though they, themselves, are not.

It is not self will, it is fear. It will pass.

I have no plan - you know better than that.  
Schemes, sure. Plans, not so much.

I move along. June is in sight.  
Soon you will see me.

I feel that I owe you an apology for the Zomby email. We had a really good week of radar testing, and I had returned from a evening of celebrating and drinking in which people told me how awesome I was. So drunk and stroked.

You are no zombie. I am not bitter nor cynical. At the moment I sent you those emails, I had just finished talking with Jay. HE is very bitter and cynical, and it is contagious! But we must try and love him. So I was

feeling cynical. I doubt that he even read the email I sent him - other than to look at the address. Even if he did, it seems he does not understand poetry. It was a foolish gesture - but a necessary one. I still scheme that we shall all be happier.

I had spoken to John Henry, and was asking him whether he thought that you and I were real. He does, incidentally, and then with the zombie reference, which I thought worth sending to you for it's humor.

I don't think it's self will. I think it's cynicism. Is contagious, you know. Especially in May... get plenty of rest, and drink plenty of liquids :-)

So I am sitting here in the desert, thinking about you. I am simply amazed at how ridiculously dramatic matters got. Now, everything is as it was, everything restored as if it was all a midspring dream. You and the hobo sleep peacefully together as if nothing had transpired. In his words, you never left - I was but turbulence. The dead man is gone off to learn magic. And I am here in the desert again, as I was just after we first met. I remember wanting you to call me - rushing through the most beautiful coastline, cursing the lack of cell service. You never called. Ever. In truth, you have never offered anything but resistance and negativity. You did not want to fall in love. I simply wanted to explore and to know you. To play with you. I never thought we might fall in love. Never imagined I would speak of you to anyone.

I have been thinking about what to write all day. This is not what I have thought about. Most of what I thought about today was pathetic and pitiful - at this moment, I think you get more than enough of that from Jay. "Poor Perdy, such an ordeal. I'm soo glad you are back. Yay! I've missed you so. What am I without you?"

Who are you Perdita? Are you his whore and drunk?  
His pathetic poor little rich girl? Take you to Walmart?  
Will you take him to Ascot? Meet the folks?  
Don't bother answering. We know who you are.

There is little point in this world to living without heart. I am quite attracted to yours, and will try to rescue it. Because I think that you are interesting, and would hate to see you end up in South Carolina. I should rather fancy you in Zurich. But I encourage you to try. As I have had you love Jay as much as you can, I urge you to hate me as much as you can. Ignore me completely. Turn away. You will be that much more shocked and committed when you are mine.

Despite you idiot hobo friend,  
it has never been a statement of control.  
I told you it was serious.  
I offered, you accepted.  
You have always had complete choice.  
You have the choice to resist.  
You have the choice to flee.  
You are either with me or against me.  
Either way, it will be an adventure.  
If you choose the former, you may scheme with me.  
If you choose the latter, then you will be very surprised.  
I can be extremely surprising, you have no idea...  
I have money and I have time and I have desire.  
And you have caught me at a particularly adventurous time.

The irony of this all is that you never really needed me.  
And now, for some stupid reason, you do.  
You need me so badly, I can hear your heart from here.  
Had you simply given yourself to me without a fight,  
I'd already have moved on.

You think your newfound will is so helpful.  
Will yourself not to love me. Go now.

You will be yourself in spite of yourself.

And if not, well, then I have no use for you at all.  
We have an adventure to begin...  
Yes, I will adventure without you.

You might want to move your idiot boyfriend out of the way.  
Or not. Obviously you don't actually care for him at all  
or you would not put him in such a precarious position.  
If you do not move him, then I shall... he really is in the way.  
I have offered him a gentleman's exit and he refused.  
If you care for him, please do be truthful with him.  
Devious? Evil?  
LOL! That he thinks I have been such in the past two months!  
Now... imagine when I am...

Yeah, that's what I really wanted to say...

We are not gentlemen.

Subject: 29. Exhausted

Date: May 24, 2006 9:18:40 AM MDT

To: angelactress4u@hotmail.com, murphjay@hotmail.com

It seems that we have exhausted your repertoire.  
Faced with the opportunity to transcend, you revert.

Perdita, my darling buds of May, I am a bit surprised. I had hoped that it would be you who outplayed me... wandering on to more interesting adventures, becoming a world famous egyptologist and such. Do you know what Zahi says about becoming an egyptologist...

"You know the best advice that I have to tell the young people, its very important to study, to go to whatever Universities to study Egyptology. But after she has to come to have the passion. If he/she has a passion inside,

they can do it. You need to have it to do it well. If you don't have the passion you will not do it well and you will not feel it."

It is much the same with everything. Your heart **MUST** lead your head! This is not to deny your head... but to put it in its proper place - as the executer of your heart's passion. And there is no use in saying that you are too young, or inexperienced, or you have your whole life ahead of you. For while true, if you cannot risk now, you won't risk later. Your decisions now shape your decisions in the future! The more you risk, the more you can risk! Cultivate that passion in your heart, it will make you powerful. If you live now, you will live later! Live, my dear! Live and love! All these things shall be given unto you.

April was an interesting month. May has been, as you predicted, distant. You do know yourself! This month, our conversations are but monologue. I lead the conversation and you offer but limp \*blinks\*. It is entirely boring. Saturday you surprised me, as I said. But it was short lived. As I predicted - and I know yourself better than you - you became distant and sure enough you retreat in fear. Need you have been so very predictable? It is wrong for us to blame Jay for this. He is but himself. I have said before, your focus determines your reality. Consider it for the past month. You converse with me and are simply in love. You converse with him and are confused, frightened, cynical, and bitter. It is your choice. There is no returning to how things were. Nevertheless, you may bow out of the dance to catch your breath. I seek a dance partner who can keep up with me. For this dance, it is you who have failed me. We doubtless will have other dances, but it seems this May dance is quite over. As you say, our song is the Csardas... it demands our heart and our soul... our passion. Every day you are in love and we do not dance is a crime against the universe itself... and it takes its toll, I assure you. You are that which you choose.

Jay, my rough winds, you are proof of the old adage that, "there are no small parts, only small actors". Yet, though entirely out of your league, you have played your part to the hilt. You have thrown quite an unsurprising twist in our play. Would that you had something more to offer than impotent threats of death! What you lack in intelligence, creativity, and skill you more than compensate for in determination and honesty. If you really believe that Miss Perdita is the most interesting thing that will ever happen to you, and you are quite right to cling to her as if she were your entire existence. Keep drinking. You are your most interesting when you are drunk. But, drink less often that you may execute (pun intended). There is some-

thing existentially beautiful about your fire. Never let it quench! You are welcome to come visit me whenever you like if you have nothing better to do. I should hope that you would at least let me buy you a drink first - I'll wager my life (quite literally) we can scheme something better for you to do than kill me.

In many ways, Jay is quite correct. I am the devil. But you must know that as the devil I am not evil. In the old testament book of Job, the creator and the devil enter into a wager of sorts. God says, "look how righteous Job is". The devil says, "and why not, you hath made a hedge about him and blessed him - why should he fear you" And God authorizes his minion Satan to curse Job. The devil tests Job - he tortures him until he finally does fail and questions God! But, in truth, he provides Job the opportunity to excel! This is what villains do - they create the need and the opportunity for heroes! In this, our drama, you have been in the position to transcend who and what you are and become something else entirely. Not something of MY choosing, but something of your own creation. Rather than seizing this opportunity, you have retreated to the comfort of your previous roles. Perhaps you did not recognize the opportunity, it hardly matters, you failed to seize it.. But I assure you that only a chosen few in all of the universe are offered such attention. The normal will go about their lives of quiet desperation, perhaps hiding behind their hedges, some do long for their "chance", but most simply provide the reality for our dreams. Which will you be? Fuck normal. Transcend! It is not too late! Adventure, excitement and really wild things! Come with me!

As for the present game, I cannot play further, for lack of authenticity. It is was distinguishes the play of life from the play of the play. We play ourselves! We have danced this round before, and I have little new to add. Jay want to kill me, tells Perdita, she runs away afraid, I find her again. The audience is bored. There are so many other games to be played! And so this Great Work will remain unfinished as nearly all of my Great Works do. Without climax, we simply wallow around in development. It is a pathetic and pitiful point in what should by all rights have been an epic and poetic love. Perhaps... perhaps we can yet rescue it. I retain some hope, though the beauty of April front dwindles here at the back of May.

If you are yet unable to see the wisdom of what I say, you may fall back on the fact that I am a pretentious ass.  
It's at least partly true, and it is simple.

We are not done. You are exhausted. And I am bored.

You know, it's quite amazing how a really nice cup of tea can change your outlook on life in a matter of a few sips. I am finally home, and have brewed an entire pot of jasmine tea. It is as subtle and beautiful as I remembered. As if no time has passed at all. All is as it was when I left from home ten days ago. The Jasmine pearls, my darling blossoms of May, do not fully unfurl. They are trapped in the mesh sphere of the infuser. The intense, boiling water swirls around them, finds their essence and extracts it. So much more energy is required to brew a pot of tea than a single cup. But how much more satisfying to have a pot of tea. To pour it elegantly into the china cup, sit back and sip, and to know that there is another cup waiting for you...

I would read this to you, but at the moment, I am in that particular niche of Hell set aside for evil poets like myself where I cannot find you...

Gather ye rosebuds while ye may,  
 Old Time is still a-flying:  
 And this same flower that smiles to-day  
 To-morrow will be dying.

The glorious lamp of heaven, the sun,  
 The higher he 's a-getting,

The sooner will his race be run,  
And nearer he 's to setting.

That age is best which is the first,  
When youth and blood are warmer;  
But being spent, the worse, and worst  
Times still succeed the former.

Then be not coy, but use your time,  
And while ye may, go marry:  
For having lost but once your prime,  
You may for ever tarry.

I won't book any tickets until June. But I did have a vision of flying out on the 31st for a day to woo you over Tiffin on the 1st. And as you know, I am a sucker for vision. But, I'm holding out for the more interesting Ascot vision. It's far more compelling - and involves me buying a cool suit. Dare I ask if you received the form? If not, you can sneak me in. It will be an adventure.

Oh, and I almost forgot... Juniper is giving me shit about stealing Ohalla's whore girlfriend. You're really a whore? Oh my. And you know how she is about whores. But mostly she just wants to be mine ;-) I have this evil vision of... well, I'll wait till we are in love again.

I have dreaded writing this like some of the worst nightmares of my life, for it is my heart that speaks not my head.

Your every breath  
(For I hear it on the phone often)

I am thinking hard how to phrase it, hopefully the words will come to me.

You should know that every moment I have spent with you has been bliss, tortured bliss but still bliss in its highest rapture

I exit stage right followed by bear

You will know I have not seen many wonderful things in my life unlike you, you have seen so much!

I am young and I look forward to my 11 years left to experience all the amazing things it has to offer!

You have something special to offer someone but I cannot be that person..

I know what I will think at the end, that when I arrive there I will look back and wonder how it could have been, what I could of done differently and I shall weep.

You and I, we submerge ourselves in poetry.

I want to live the poetry.

You are right in the way that poetry is something that cannot often be shared.

I need to read this poetry alone.

You seem always so calm, ruthless efficiency!

I admire you for it.

You will see in time how this was the right option, or indeed the wrong option but it does not matter, this is the beauty of life, moments come and moments pass, I am asking you nicely to let this one pass.

I will not block you this time, this is a sign of how real I am being. This has taken much thought and consideration

You and I we will be friends, good friends but nothing else.

I do not want to take this dance for I have seen it before in some dusty book on the second shelf of the highest book case in my mind, I know how it ends.

You should not be saddened for you have taught me so many wonderful things!

I only hope you can carry on teaching me with your words, there need not be poetry anymore after this.

You WILL find another for that is my will, and she will be so real and

so wonderful for you, it is only a matter of waiting, timing IS everything.

Wow... (TM)

You do not lack of heart. You are brave and you are loving. Do you know what I think? I think your heart grows with every thought of me - of us. The very possibility that this might be real nurtures it. I think it grows so fast it hurts and scares the life out of you and your head has little choice but to starve it. But as you saw today, life is precious and all too brief. Carpe diem! Spend it not in silence! Live... Love! Fuck May. That's what I think.

It is a great blessing to die holding the hand of an angel. I would risk everything to do so.

So we had some laughs, it was short, tragic, breath taking, brief, passionate, immeasurable, intolerable, loving, vicious.

All good rides are short and quick and do come to an end all too soon.

Yes I was scared, apparently it was all too fast for me to comprehend and I got lost somewhere in the distance with you holding my hand as you ran ahead.

I kept tripping and trying to let go.

I ended up cutting off my own hand.

You can keep it if you like, my hand or my heart as I sometimes wear it on my sleeve and fear it went with the hand.

Jay will not bother you anymore.

It will be ok.

I really did mean those last words to you and I will not go back on them this time

I pushed myself a little too far possibly, who can tell?

Ive blocked and deleted you from my msn, muted and removed your card from SL, and the same for skype. I would block these emails too if I knew how, I tell myself not to read them for I know they will just make me reply.

So I will ask you kindly not to reply to this or indeed to write me any further emails

One other thing. At this point, it is impossible for me to believe these virtual dismissals, as you have issued them so many times before. If this is your choice, have courage. Sin bravely! Don't hide from me with virtual tricks - that simply adds to the false nature of it. If you were really serious, you wouldn't hide and mute and block, you would be honest and true. In truth, these tricks but strengthen my will. So, run and hide if you will, but don't be surprised when in the end you fall even harder. For what does not kill us makes us stronger. May is nearly complete, and this will be my final enumerated electronic epistle. I think they have served their purpose quite well... we have survived a month that would certainly destroy (or at least confuse) even the strongest love. I would write a lengthy final dissertation on why you and I should be together, but it comes to this inescapable, inexplicable, and entirely surreal fact:

We are poetry.

Consider this bit from A Winter's Tale:

Autolycus sings a ballad in Act III, Scene IV:

Here's another ballad of a fish, that appeared upon  
the coast on Wednesday the four-score of April,  
forty thousand fathom above water, and sung this  
ballad against the hard hearts of maids: it was  
thought she was a woman and was turned into a cold  
fish for she would not exchange flesh with one that  
loved her: the ballad is very pitiful and as true.

Is not Autolycus a self-described rogue?!

Were you not a hard hearted maid?!  
(Indeed, I know your heart and it's squishy, but play along)

Was it not very nearly the four-score of April when we sang of fish with  
good John Henry?!

And now, I ask you...

Would you have OUR ballad be very pitiful and as true?

Would you risk turning into a cold fish?

Need I develop a fish fetish?!

Need I become an ichthymaniac?!

For the love of truth and beauty, exchange flesh with the one that loves  
you!

Everything for poetry!

---

Had May gone poorly, as it did for the past weeks,  
this final letter would have simply quoted of Anitgonus, Act III, Scene III:

Weep I cannot,  
But my heart bleeds; and most accursed am I  
To be by oath enjoin'd to this. Farewell!  
The day frowns more and more: thou'rt like to have  
A lullaby too rough: I never saw  
The heavens so dim by day. A savage clamour!  
Well may I get aboard! This is the chase:  
I am gone for ever.  
Exit, pursued by a bear

Which would have been THE most stylish and elegant goodbye any man could offer you.

"Exit, pursued by a bear" - better final words have ne'er been spoke!

I would have been satisfied with that ending,  
and would have pursued the matter no more.

As it is,

I think you have  
As little skill to fear as I have purpose  
To put you to't. But come; our dance, I pray:  
Your hand, my Perdita: so turtles pair,  
That never mean to part.

As for the bear, his name is Zahi...

---

Daniel: I love you.

Perdy: \*picks up the autistic boy and john, before exiting stage right.\* I love you too!

In this play, reality is played by a male virtual toilet door sign named novem Nephilim. And Logic is played by a small blonde English girl named Absinthe Nosferatu.

At the start of this play, reality is telling logic how it slipped into ego death on shrooms, logic is cold.

Reality VS Logic round 1!

novem Nephilim: like it was a still motion projector cycling through images at 2 second intervals..

You: That was your thought processes breaking down, your brain was registering slowly but in every detail, hence why you saw each frame..

novem Nephilim: you're probably right miss.

novem Nephilim: which, to think, is something like death.

Absinthe Nosferatu sips her coffee.

novem Nephilim: kind of see why they call it ego death...

Shawn Zorger is online

You: Well my belief is that death is a state of nothingness, the difference to ego death being that in ego death even though your unaware of anything or everything you can still see.

novem Nephilim: i think that night was the first time in my life i said, "somebody please kill me", and actually meant it, as if i couldnt handle it, and would rather die..

You: With death there simply in my opinion is less than a state of mind, not even that blackness everyone so comically pictures because they can perceive little else.

drunkmunky Turner: ao off

novem Nephilim: everyone has ideas on death.

novem Nephilim: personally i hold any of them just as valid as the rest.

novem Nephilim: when it comes to faith i like to think of one thing, "your only right if there wrong"

You: Explains just how subjective truth is..

novem Nephilim: well i can say this, if you do believe death is a nothingness, you couldnt comprehend it anyway

You: To place thought in nothingness isn't possible its beyond the capacity of the human mind to comprehend.

novem Nephilim: Marry me, well, it is, but then again, i like to believe that its always possible

You: tick tock, time is relative ;)

novem Nephilim: indeed.

novem Nephilim: as is reality

You: You know what? I just can't tell you how much you're like someone I used to know..

novem Nephilim: oh?

Absinthe Nosferatu nods.

novem Nephilim: hopefully a nice guy?

You: yeah..We used to sit and talk till the early hours.

novem Nephilim: thats good

You: Logical people will always argue

I happen to dislike you Im afraid, well either that or get on very well with you stranger, and you wouldnt want to get on well with me...

novem Nephilim: hopefully your not calling me logical.. heheh

novem Nephilim: i am not very logical.

You: What would you call yourself then?

novem Nephilim: reality

Phant Nabob is offline

You: That statement is a contradiction in terms coming from a guy dressed as a loo sign on a virtual game, but I love it.

novem Nephilim: uh you got me there miss Logic.

novem Nephilim: well, theres always the subjective and the objective.

novem Nephilim: is the world in your head, or is your head in the world?

novem Nephilim: this world is in my head.

You: I am logic.

novem Nephilim: I am reality, pleasure to meet you let us play the game.

You: I'm pretty sure i'm the other way round sometimes..

novem Nephilim: well you know.. think about it this way.

novem Nephilim: a mere century ago we werent aware of the existence of pluto.

You: Well even shorter than that we didn't know planet X existed, what is your point?

novem Nephilim: eventually, someone used mathematics to find it, long before constructing a telescope powerful enough to see it.

novem Nephilim: the real question is,

novem Nephilim: did it exists before it was found?

novem Nephilim: or did simply searching for it create it.

novem Nephilim: if it was unknown to all, untill one man presupposed its existence, its completely impossible to prove it one way or the other.

You: Well it is more likely that it existed beforehand..

novem Nephilim: that's the thing, it really isnt.

novem Nephilim: there cant possibly be proof in favor of the objective or the subjective, or our entire archetype of reality is invalid.

You: Well man can presuppose what man thinks and has, and you are saying that all of those presupposed things are created simply by being searched for? You are one of those damned serachers arn't you?

novem Nephilim: And no I am not a searcher I am a seeker there is a difference little miss.

You: Well think how many things have been presupposed through mathematics or science and not existed.

You: Searched for or not, I think your argument is rather flawed..

HERETIC Loudon is offline

novem Nephilim: well, I can't say for sure, no one man ever has or will...

novem Nephilim: no one man ever can.

novem Nephilim: what im saying is, that it can't be proven either way

You: Oh sure it can't be proven but it can be assumed until proven either way

You: and assume it how you will you my friend..

novem Nephilim: but thats the thing, does assumption lead to findind something that already exists, or does assumption simply create it to satisfy mans natural curiosity

novem Nephilim: if i am to think that all that is, exists in my head, then i yet again must define exactly where it is that i exist.

You: Assumption does both, at first it is created to satisfy our curiosity, then through that assumption it leads to the finding of the matter if it exists or not.

novem Nephilim: if i am to think that all that is is externa, then i must define where that external reality ends.

novem Nephilim: that is what is so amazing about the human mind, even though we havent found an end to the natural exhistence, we are still able to live in it

novem Nephilim: well

You: The boundary of where that external reality ends is just not known, you shouldn't have to define it, because if you define something you are certain of it, however it is alright to assume as it leaves space for the truth when and if found. Again your argument does not hold faith Im afraid.

novem Nephilim: you can say that and you mgiht be right.., but you must consider, before it is presupposed, what you are searching for is at a null state of in-existence, and when it is searched for, found or not found, you are still creating the idea of its inexistence of existence, therefore,

You: you are still creating either way..

You: Lol and I can't believe i'm having a philosophical match with a male toilet sign in a virtual hair shop.

novem Nephilim: ;o) (stop winning the debate, play the game right submit you stupid girl, submit to reality! )

novem Nephilim: well, i quit that job long ago.

novem Nephilim: my world was a little to blue then.

Absinthe Nosferatu takes another sip of her coffee. "I hardly give up on such things I have yet to start debating with you fully."

novem Nephilim: i think the bottom line to all that is in cognition, is to question everything, or question nothing.

novem Nephilim: I choose the former, and also question existence as a

whole.

You: Hmm and what is wrong with the in-between?

novem Nephilim: there really is no in between.

You: Oh there really is you foolish boy! You can question some things and simply live with the given data for other facts..

novem Nephilim: if you choose to accept something as true, then you must understand that someone else could choose to accept it as false, therefore making your observation completely subjective

novem Nephilim: in a world with no definition truth simply cant exist, and it doesnt, however, you can believe something that you think.

You: Well thats the point now we have reached it, you're speaking from the view of everyone rather than an individual

novem Nephilim: corect ;o), remmember, im reality, i am objective.

You: Whats wrong with the individual questioning different things from someone else?

You: You're a toilet sign!!

novem Nephilim: nothing is wrong ;o)

novem Nephilim: nothing is right.

novem Nephilim: all that is, is as you see it

You: No no it is wrong as you said and I quote "People question everything or nothing, there is no in-between."

You: I am saying there really is an in-between that many people like myself sit in!

novem Nephilim: but that mindstate is simply that, a MINDstate. ;o)

You: But its your mind state not mine!

You: Your self created one, with your views and opinions, we are our own creators you know?

novem Nephilim: You got me but..

novem Nephilim: you are choosing to define me in your own mind as an archetype, at any given time.

You: \*Elaborates for him.\* It's not an assumption it's fact, two people can not share the exact same mind state, however they can share similar opinions and ideals.

novem Nephilim: there is plenty to my arguement, and my self as a whole that you have not seen, not because it isnt there, simply because you choose what to accept and what not to

novem Nephilim: your right, no one person can share an identical mind-state

novem Nephilim: you must understand with my point of view, i can not simply say i am right or you are right, i must take an infinite amount of

"objective steps" outward, and say that neither of us can be right, or wrong  
 You: Here I will lower myself to your understanding think of it like a pick and mix, I select things to question, for example, religion, an example of something I wouldn't bother to question are the fundamentals of physics, it is all a game we play, it is a play in which we each have different roles.

novem Nephilim: your absolutely right,

novem Nephilim: or are you absolutely wrong? lol

You: hiss!

You: You tire me..

Absinthe Nosferatu finishes her coffee.

novem Nephilim: well, I won't give up just yet I will win you over soul AND mind.

novem Nephilim: those things that you wouldn't bother to question.

novem Nephilim: like the laws of natural physics.

novem Nephilim: can you prove them?

novem Nephilim: can you prove that gravity exists,

You: Why do I have to prove something I don't even bother to question?

novem Nephilim: you don't ;o)

You: I don't have enough knowledge on the subject to have the right to question it in the first place so I do not bother to try, maybe you should take a leaf from my book..

You: So I just leave it to others who do have the sufficient passion and drive in those fields to question it.

novem Nephilim: but if you do not question everything, simply accept some and not others, how can you accept your mindset as pure or truthful?

You: Now...Whoever said I thought my mindset was pure?

novem Nephilim: ahhh, good ;o)

novem Nephilim: there is Descartes stone "winks"

novem Nephilim: the root of this entire argument.

You: How can you wink, you lack eyes...

novem Nephilim: oh, but I do have eyes ;o), they are just not visible to humans

Absinthe Nosferatu gasps.

novem Nephilim: haha play the game with me.

You: I don't like games I'm afraid and especially not with strangers...

novem Nephilim: you're a pretty smart young lady....Possibly there is more to you than anyone I have ever met.

You: You're wearing invisibles aren't you! My life is a lie!!!

novem Nephilim: sounds like you have spent quite some thought on the

subject.

You: Hardly between you and me i'd never given it any thought until now, I just wanted to beat you :)

You: I don't claim to have intelligence and those who do are foolish in their own rights for they cannot fully appreciate it.

novem Nephilim: Well I hand this debate to you, you are the winner, I hope to contact you in the morning....

You: That wont be necessary.

You: I'm blonde afterall ;) Goodnight.

You are not allowed into the destination.

You: I suppose I'm still muted?

Absinthe Nosferatu seems her tea, admires the veiw not to mention the silence.

Absinthe Nosferatu: ao off

You: Fact is, I don't care if you can't here me.

Absinthe Nosferatu: ao on

You: It's not like you ever listen anyways.

You: It's amazing to me just how much I love you.

You: Like nothing I've read of in poetry or prose.

You: Or seen depicted in art or heard in music.

You: I wonder that perhaps this is the very meaning of the universe.

You: I am given to such poetics, but this is so very real.

You: Words escape me.

You: And yet, I tediously write to you, and would for the rest of my days.

Absinthe Nosferatu wonders what on earth he is typing.

You: I don't know if you have any idea what I am talking about.

Absinthe Nosferatu: why are you talking to yourself!?

You: Or if you see the vision that I do?

Absinthe Nosferatu: Do you not understand that I have you on mute!?

You: After all this, I wonder if you even have a heart...

You: How are you able to remain so aloof?

You: What injuries could be so severe as to inhibit this sense of eternity?

You: The wonders of the universe here, between us.

You: Yet, mute to you.

You: You cannot here the angelic choirs singing of our love?

You: The divine harps playing to you?

You: How can this be?

You: I perhaps have never been so wrong in all my days, if this is not to be.

You: Would that you could even love me...

Absinthe Nosferatu: .....

You: Then we might begin our real adventure.

Absinthe Nosferatu: you must be crazy..To talk to yourself...

You: I am crazy...

You: Crazy to have believed that this was actually real.

You: I think I'll go herd goats or something.

You: Spend the rest of my days wondering how the hell I screwed this up.

Absinthe Nosferatu: If you think I am going to unmute you...You have another thing coming

You: I have nothing more to say.

## **2006-05 Apology To The Maid**

Dearest Miss Sylion.

I would like to apologize for my seemingly boorish and ungentlemanly behavior towards Miss Absinthe. I was entirely out of line, and hope that you will accept my apologies. In truth, we are, in the "real world" very much in love, and I was merely teasing her in public of this perhaps non-disclosed fact. A fact that has caused Miss Absinthe and I great unrest in the past few weeks. I am not, in fact, a "cad" in reality, but merely in Role Play, and we had thought that Caledon needed a good villain. It seems that we are both better actors than we thought. I hope you will return to the game and that I may apologize to you in person. And perhaps someday we may be friends.

Sincerely yours,

R.Desmoulins

Loco Nino: So does it work?

Loco Nino: TP?

Rogue Desmoulins: Works fine.

Loco Nino: ?

Loco Nino: lol tp me?

Rogue Desmoulins: Why?

Loco Nino: because

Loco Nino: actually

Loco Nino: why not?

Loco Nino: ?

Rogue Desmoulins: I'm really not the guy you want to fight.

Rogue Desmoulins: Go find this Chris guy...

Loco Nino: not worried about him

Loco Nino: That's later

Loco Nino: You're an \*can't spell it right\* entrapanuer

Rogue Desmoulins: she's with him tonight (again)

Loco Nino: doesn't surprise me

Rogue Desmoulins: I think she means to sleep with him.

Loco Nino: I knew it'd happen

Loco Nino: again

Rogue Desmoulins: I haven't spoken with her all day.

Loco Nino: he said it was over... overnight... but still

Rogue Desmoulins: So I doubt you have much to worry about from me.

Loco Nino: how can you give up a gal like her

Loco Nino: no.... i have alot to worry about from you

Rogue Desmoulins: Why do you say that?

Loco Nino: b/c you know it's true

Rogue Desmoulins: Maybe.

Rogue Desmoulins: Time will tell.

Loco Nino: and by god... guess what... i have saved enough money afterall  
:P

Loco Nino: I knew i could... i didn't think it'd ever happen

Rogue Desmoulins: Good. Then you should go to her. Stalk her, even.

Loco Nino: not going to stalk

Rogue Desmoulins: I'm sure she will be impressed.

Loco Nino: I'd let her know

Loco Nino: we talked a long time last night

Rogue Desmoulins: Did you now?

Loco Nino: yep yep

Loco Nino: we talk alot still

Rogue Desmoulins: Yes, I know.

Rogue Desmoulins: And you are emboldened by the fact that she doesn't

ask you to leave?

Loco Nino: and i am not a push over enough to let you or "Chris" stop me

Loco Nino: I am very proud of the fact.

Rogue Desmoulins: Is hardly a matter of being a push over.

Rogue Desmoulins: Nor am I trying to stop you.

Loco Nino: but if i was... it'd make it easier for everyone else

Rogue Desmoulins: And Chris knows nothing.

Loco Nino: he doesn't know that i'd kill him if I got his address

Loco Nino: he knows alot about me

Rogue Desmoulins: It would make it easier for me to have a conversation with her without you calling every five minutes.

Loco Nino: she talks about me... to make herself feel better around him

Rogue Desmoulins: I thought you had stopped drinking?

Loco Nino: lol

Loco Nino: more than one thing is hard to quit

Rogue Desmoulins: I suppose so.

Rogue Desmoulins: Sucks to be you, I guess.

Loco Nino: if yo usay

Loco Nino: but you'd be happier if you were

Loco Nino: b/c yeah... I slowly am taking her back

Loco Nino: You nore chris can truely have her

Rogue Desmoulins: Yes, so I've noticed.

Loco Nino: she told me she needs a dom

Rogue Desmoulins: Did she now?

Loco Nino: and i'm doing something i don't like to do

Loco Nino: she does

Loco Nino: I apparently have to be the arrogant asshole that I am

Rogue Desmoulins: If you think that will impress her.

Loco Nino: in order for her to stop seeing married men and assholes that just want to use her up

Loco Nino: I'm tired of being the nice guy in shinning armour.... I'll do what it takes

Rogue Desmoulins: I see.

Loco Nino: just b/c i know.... i wont abuse her

Rogue Desmoulins: Alright.

Loco Nino: so therefore... i gotta be vicious again

Rogue Desmoulins: Do you think that others will abuse her?

Loco Nino: yes

Loco Nino: like tonight

Rogue Desmoulins: She's going of her own free will.

Loco Nino: kinda hard to argue there  
 Loco Nino: she has a free will... but it's very susceptible  
 Loco Nino: truly yeah it does take 2  
 Loco Nino: but.... it doesn't mean I don't have to give a damned later  
 Rogue Desmoulins: I think that you are going about this all wrong.  
 Loco Nino: good detour  
 Loco Nino: I have no doubt  
 Rogue Desmoulins: It is not my place to counsel you.  
 Loco Nino: If i come to england... i will kill that man  
 Rogue Desmoulins: And I won't try.  
 Rogue Desmoulins: Then I wish you godspeed.  
 Loco Nino: i'll be fast  
 Rogue Desmoulins: Though he sounds like a nice guy.  
 Loco Nino: and think of a clever way for him to open the door  
 Rogue Desmoulins: And has caught her attention.  
 Loco Nino: he's not nice when he treats her like shit behind closed doors...  
 vocal any physically  
 Rogue Desmoulins: Maybe.  
 Loco Nino: I can't have that  
 Rogue Desmoulins: It's really not for you to have.  
 Loco Nino: so you say  
 Rogue Desmoulins: She has to find her own way.  
 Loco Nino: apparently not  
 Loco Nino: You imposed yourself... you're being hypocritical  
 Loco Nino: on lecturing my intents  
 Rogue Desmoulins: Perhaps.  
 Loco Nino: yes  
 Loco Nino: no perhaps  
 Loco Nino: you have invaded so much of her personal life... and he's a  
 push over  
 Loco Nino: I have avoided doing so.... but now  
 Loco Nino: i'm not at rest... I have not died and given up  
 Rogue Desmoulins: I fear that you are heading down a path you cannot  
 return from.  
 Loco Nino: I'm strict and to the point  
 Loco Nino: doesn't matter  
 Loco Nino: so maybe now i'm evil  
 Rogue Desmoulins: If you say so.  
 Loco Nino: I'll be cruel and vicious, but never to her  
 Rogue Desmoulins: Then by all means, be as cruel and vicious to me as

you can.

Loco Nino: i will do what i can to protect her, from you or chris or payne or sakura

Rogue Desmoulins: You must do what you feel is right, of course.

Rogue Desmoulins: I assure you that I am no danger to her.

Loco Nino: I know her cycle... and she needs control

Loco Nino: I don't care anymore

Loco Nino: i'm gonna be vicious to all

Loco Nino: indiscriminately\*

Rogue Desmoulins: Even if it makes her unhappy?

Loco Nino: no

Loco Nino: that's the line

Rogue Desmoulins: So if she tells you that you are making her unhappy you'll stop?

Loco Nino: yeah

Rogue Desmoulins: Fair enough.

Loco Nino: if she means it

Loco Nino: if

Loco Nino: i know her mind too

Rogue Desmoulins: Would you like to chase me away now?

Loco Nino: she says alot of things she doesn't mean

Loco Nino: i'm glad you don't like the chris fellow either... but yeah

Loco Nino: i'd like to chase you away... b/c you are forcably tring to be the rebound

Loco Nino: from this misadventure she has taken

Rogue Desmoulins: Then convince me to stop.

Loco Nino: why bother?

Loco Nino: I am here to do what she can't... I'll chew your head off if i could

Rogue Desmoulins: So you are completely impotent to protect her?

Loco Nino: but unfortunately... as far as she is... I can't waste money on seeing you to kill you

Rogue Desmoulins: I thought you were going to chase me away?

Rogue Desmoulins: That's your plan?

Rogue Desmoulins: To kill me?

Loco Nino: but if you gave me the a plane ticket

Loco Nino: ouch

Rogue Desmoulins: And then you go to prison and never see her again?

Loco Nino: if i was smart i wouldn't go to prison

Loco Nino: especially where i live

Loco Nino: woods everywhere

Loco Nino: hell my mother found a hand in the backyard

Loco Nino: police did nothing

Loco Nino: \*cough\* i'm not sure where the hand came from

Rogue Desmoulins: Let's say you did.

Loco Nino: but yeah.... it was out there

Loco Nino: I could live with myself

Loco Nino: if you're going that route

Loco Nino: done it before

Rogue Desmoulins: Surely you've got a backup plan?

Loco Nino: why need a back up when you do it right

Rogue Desmoulins: Well, because otherwise it's very difficult to take you seriously.

Rogue Desmoulins: You just sound like a raving lunatic, and she and I will mute you.

Rogue Desmoulins: Raving lunatic isn't sexy.

Rogue Desmoulins: I have really tried to be respectful of you.

Rogue Desmoulins: I kinda liked you when you were pathetic.

Rogue Desmoulins: But raving lunatic doesn't do much for me.

Loco Nino: XD

Loco Nino: i can give you some tims

Loco Nino: tips

Rogue Desmoulins: I doubt that.

Rogue Desmoulins: There really is very little that I need or want from you.

Loco Nino: same

Loco Nino: but what you do... is cut up the body right

Loco Nino: tub ofcourse if there's no leads on you

Rogue Desmoulins: you mean when you kill someone?

Loco Nino: bones are easy to get rid of...

Loco Nino: yeah

Rogue Desmoulins: you've done this?

Loco Nino: yeah it was easy

Loco Nino: you call up the humane society

Rogue Desmoulins: pray tell who?

Rogue Desmoulins: another suitor?

Loco Nino: "pathetic" person

Loco Nino: and well you call them up... and say you wanna donate food

Loco Nino: it's quite mad

Loco Nino: you saw the left overs into short bones and such

Loco Nino: you show up... and give the the "Ribs"

Loco Nino: the doggies love it

Rogue Desmoulins: you aren't well, you know that?

Loco Nino: no i'm not

Rogue Desmoulins: have you considered getting professional help?

Loco Nino: but whatever it takes to get a few kicks

Loco Nino: not really

Loco Nino: I'm pretty happy about my buisness

Rogue Desmoulins: Fine. You've scared me away.

Loco Nino: :/

Rogue Desmoulins: I won't speak to her again.

Loco Nino: bull

Loco Nino: You've made me mad when you offered a ticket to the "wedding"

Rogue Desmoulins: It was a hypothetical question.

Loco Nino: that was arrogant and vain... and rubbing it in one's face

Loco Nino: was not

Rogue Desmoulins: You were being quite impolite and ungentlemanly.

Loco Nino: pfft

Rogue Desmoulins: And yes, it was rude.

Loco Nino: how can i be

Rogue Desmoulins: And I felt bad about it.

Rogue Desmoulins: But you really were being an ass.

Loco Nino: if you were the such... you would not have done what you have so far... when you knew how i felt about her

Rogue Desmoulins: Kinda like now.

Loco Nino: You started it and \*points like a child\*

Rogue Desmoulins: I have extended more courtesy to you than you deserve.

Loco Nino: same

Loco Nino: can we mute each other now?

Loco Nino: inquisitive bastard

Dearest Perdita,

So now that I have just logged off, and told John Henry farewell, for I do not intend to play SecondLife again. You have done something quite unusual, and I'm not quite sure what to do with it. You seem to have tried to surgically extracted me yet again. Without discussion or warning, leaving me with... nothing. Were this May, I would shrug it off. But it is June. You have done this on the first day of June. I have in no way wronged you, nor your friend. I was completely honest with her and with you. I do not lie. You know this, and could have stemmed the tide of this awful thing. Why have you done this and left me in such an awkward situation? It is childish and immature, inexcusable and intolerable. It seems we could not even make it a day. I was so very happy. You were so very happy. Perhaps I am just tired. Tears well in my eyes, though I forbid them to fall. You have failed me today, Perdita, and for that I am very sad. You have failed me in silence and in actions.

I offer you the final word, and encourage you to consider it carefully. I will ever remain in love with you, and you know that you remain in love with me, but that does not make us immortal, and I fear you have fatally wounded us with your silence.

Sincerely in love and anguish,  
Dan

Okay, so I've given it some thought.

What happen in SL is within the boundaries of that game. A game which never ceases to amaze me with it's ability to crush real souls. You may defriend/Mute me all you like. It is part of the game. And it is \*I\* who forgot that, not you. Please forgive my ranting, it is perhaps still too close to May. It is easy to forget that it is a game! I regret that I did tell Miss Abbey that we are in love. I was feeling hurt that you deleted me. But, it really won't matter as she apparently hates me. You might have mentioned that she was a Zomby! I had no idea, and was caught quite unawares. Had I known, she might have made an excellent nemesis! You will have to sort all this out, because it is really no fun playing with people who won't talk to you. So, I'll take a break and resurface sometime next week. Which means that you will have to find me in reality... I would (still) like to actually talk to you, and I think it would be a good idea if you were to call me tomorrow. I will not ask again, for it becomes embarrassing. Poor John, he as yet fights my battle for me, and in all seriousness and with honor.

I really did want you to love me in game as in real. To be my Maid. :) I thought it all very poetic and beautiful. I perhaps should have approached Miss Abbey with truth, but it is a game, is it not? "Miss Abbey, please let me have my girlfriend?" Wouldn't much have worked, would it, because you were seemingly there by choice. It is all quite wonderous, and I am amazed that things became so very odd. How you were able to stir up such negativity towards me! And from MIss Maxine of all people! Most impressive. As for Miss Abbey, I perhaps dug a bit of that hole myself, but I am certain that you helped in no small way. Poor Miss Absinthe who needs to be protected from the evil that is Rogue Desmoulins. Ridiculous. If only they knew... but they can't can they? No one can or ever will. Maybe John

knows. Perhaps he is our only audience.

Your only true crime - and it's a big one - is not saying goodnight.  
You should always say goodnight... even when you are angry.

I will find you in the morning.

O MY Luve's like a red, red rose  
That's newly sprung in June!  
O my Luve's like the melodie  
That's sweetly play'd in tune!

As fair art thou, my bonnie lass,  
So deep in luv am I;  
And I will luv thee still, my dear,  
Till a' the seas gang dry—

Till a' the seas gang dry, my dear,  
And the rocks melt wi' the sun;  
I will luv thee still, my dear,  
While the sands o' life shall run.

And fare thee weel, my only Luve!  
And fare thee weel awhile!  
And I will come again, my Luve,  
Tho' it were ten thousand mile.

I slept poorly.  
I awoke and hoped to find something from you.  
Thinking perhaps you would awake to your rose.  
And remember that you love me.  
Alas, you are pitifully silent.  
I am sad.

## State of Enchantment

S.divinorum and A.absinthium in the Land of Enchantment

So I have spent the past week playing with potions - tinctures of salvia and absinthe - in the wilderness of New Mexico, the Land of Enchantment. It was a beautiful adventure, and I wanted to share it with you because it is about you. It is just the transliteration of my journal. I make no apologies for it, and have made minimal editorial changes. It is what it is. I provide no context, no clues. If you wonder about it, well, you'll have to find me...

Sunday

Somewhere in the Land of Enchantment, I am lost. Not in the "I don't know how I got here" sense, for the path of the past is quite clear. Rather in the "I'm not quite sure where here is" or perhaps that "I don't know exactly why I'm here" sense. Of course, I am lost because I wanted to be. Nobody knows where I am, nobody is around for miles.

The air smells of sage,

I am on a hill.

A fool on a hill.

I brought no artificial light and write by moonlight.

I think that Miss Salvia will like it here. She knows why I am here, and I will now meet her...

Monday

Neglect not the dawn meditation! Miss Salvia was kind to me - certainly more kind that one might expect trying a new drug alone in an unknown setting. I spent some time meditating upon the moon, spoke my mind into the night air - it was cool and windy - a familiar breeze like those I've felt when I have before exposed my mind to infinity. I slept a bit, then watched the moon set. Then I sat outside and wondered at the myriad of stars and galaxies. It has been far too long since I have seen the galaxy.

I am a bit ashamed I do not know stars and planets better. But I think I saw Mars and Venus in the west. In the starlight, I reasserted my purposes. Nothing fundamental is different. I still love the far away girl much to my waking disappointment. In a way, I strive to be done with her - as one

might struggle with a poem that must be finished. I pray to Our Poet to bring art and beauty. To be inspired by this love. For I want true love to be real. And I want for myself to be real. To blaze a trail that reveals that such love can exist! To inspire others to love more. To enlighten her mind that she may know Our Poet as I do. To make metaphor reality. To incarnate poetry! For, in my mind, the reality of this love is a matter of the reality of beauty itself. This is no casual affair. I know this, and she knows this. I fear that no one else can see as yet. It is a manifestation of truth, an instance of beauty. The things that poets see in ideals, we have

## 2

in actuality. How does this come to be? Did I create it from nothing? Am I then Our Poet? If so, then I have created it with her, and thus we are Our Poet. And if we stop creating? How tragic. As if the universe could. From here, I do not see the end, though perhaps it ends as every day, every sentence does. In happiness. In unsatiated desire for further adventures, but in complete satisfaction with today's. And then, as now, the sun rises after a thoughtful sleep. And the next stanza begins, and we pray for truth and beauty in every metric foot. Some words less beautiful than others perhaps, others with little meaning. But it is as if all of written language were providing context and definition for Our Poem. Every word used before elsewhere by others all around us. We live in a world of word. Ours is but to arrange them artistically, for our mutual amusement and the greater glory of Our Poet.

I am pleased to have found such a perfect place to spend the night. So lost yet so found. Nevertheless, I will leave this place. Not because I am unhappy here. But this is a journey and I need different perspectives on my mind in the universe. The dawn is quite perfect, and I feel this journey is going well.

...

Miss Salvia played with me. I am so very happy. I watched the sun rise over the hills. As it did, I smiles in concert. As if the rising corners of my lips were directly tied to the sun as it made its way up. The various horizons swayed to and fro like scenery from a child's play. We laughed. For a moment, I thought they were annoyed with me. As if I was the playwright and ought I get back to work. I did ask for wisdom, awkwardly, I felt. "There is a creator was the laughing reply. And then onwards. I sat their entranced with the rising sun a bit further, having thought the game over, but it had just begun. Did I say her name? I can't recall, for then I was stroking the ground, a tuft of grass like it was alive, like the

back of a vast creature. And it was. I wanted it to speak to me - but where was it's mouth? Then - if you want to listen - then listen! I closed my eyes listening to hear her speak. The birds and the insects sang her song. The elk mooed. Suddenly, I awoke. No, not yet.

## 3

I implored her to send a message to my far away love, thought the matrix of life itself. For good measure, I asked the sun as well to speak through its warmth and radiation. We found her, or imagined so, and brought her to the garden. The plants and flowers, birds and bees sang to her of my love. The sun touched her face, inspiring wonder. I believe she will receive the message. Just then, I was startled by an elk running away. I just caught it with my eye. Running away, I thought, to deliver the message. I stroked the earth more, as a pet or a child, loving her, and feeling loved. It's not clear what role I play. Surely I am just a part of her, but she is my pet? She seemed happy to please me, wielding the entirety of life to send a simple message of love to a little girl lost. I am certain she will receive it. But I wonder how and will she know me. At one point, the earth offered a humans arm to embrace her for me - a boy? I am embarrassed to say that I was jealous? Maybe not - but he was replaced by the touch of a tree or some ivy. I was myself, perhaps more than ever before. Miss Salvia was very

sweet (though bitter in taste) and remarkably swift - ruthless efficiency of mind altering friends, I think! I will see her again, and perhaps we will be lifelong friends, I look forward to finding my love again!

...

I am sitting naked outside. Completely sober. Well, mostly naked - I am wearing sandals and a NASA hat. The morning sun warms my body. It is very comfortable. I confess, I think of that other other girl. Could I love her as well? Could I create with her as well? It is a frightening though. Perhaps they are right and that I will never stop seeking. Need I? For is true love so selective? Does the sun not shine on all of us? How foreign, though, to love so many. It seems so odd, and yet so natural. I feel so multifaceted and need or at least desire in depth appreciation of every facet. The morning sun grows warm on parts that are unfamiliar - and I have no sunscreen.

An interesting day of contrasts. I awoke atop a hill and spent a good portion of the morning out of my mind and naked - though not at the same time. I wanted to return to Questa, the original destination, I did so, and had coffee. It is a sleepy little town, of little interest other than the

magnificent molybdenum mine in the hills, and of course, it's fabulous

4

name. I bought a book of local history and was pleased to discover that Zebulon Pike explored this area. On the way to Questa, I drove past a sign for DH Lawrence's ranch, and drove up on the way back from Questa. It was several miles up in the hills. Apparently it is used for retreats or something and operated by UNM. Some story about bickering over his remains between the women he loved. Somehow the ashes ended up in a wheelbarrow of cement in spite. The shrine is made with this wheelbarrow mold. Went to Taos, got vehicle serviced for long hot journey ahead. Bought a non-vegan flute, almost bought a non-vegan pipe. Went to Taos pueblo hoping to find shaman for pipe. Was naturally disappointed. Two margaritas for lunch made me quite tired for driving. So despite having decided not to, I took the first turnoff for Ojo Caliente. Though about camping, got cottage instead. Spent rest of afternoon hot and wet. Napped a bit. Had a good, cheap dinner. And now, here I sit, scheming. Of course those are the actions of the day. Thoughts generally were of my lost love. I suspect today that she will be lost upon my return, for so many push her away. Will I have the desire to find her again? I just realized that I will only be home for two days before wandering off to Telluride. They say that absences makes the heart grow fonder. We shall see. It seems odd that such intensity could fade, and I suppose if it does that is perhaps an indication. For all my love, I fear that she is not really and will hide herself. Without me there to coax it out, her heart may be lost again. But if not, she is mine forever so I suppose is a timely test. Ojo Caliente is not the ideal place for Miss Salvia nor Miss Absinthe. The latter is chilling in the fridge, but I am leaning away from modifying my consciousness and getting a massage instead... a good rest before entering the desert!

...

An excellent choice, I think. Tomorrow I will wander and find a home for three nights. What will I seek? The kingdom of God, of course, or directions there of. Love between a man and a woman is analogous to that of creation and creator. Are there many kingdoms of God? What is the kingdom of God anyways? How do "practical" matters fit in to this search? Can others seek with you? Can I really love two women? Can I

5

really explain myself to everyone's satisfaction? Will I ever get around to

doing something great/ Will the art I feel in my soul ever be expressed? Failing my love affair, can things go back to normal? What is this normal anyways? Is virtual love real? Will I ever kiss my love? Is she perhaps just the moon reflecting my radiance towards her? Is there such a thing as true love? Soul mates? Will I ever stop seeking? Will I break her heart as well? Am I dreaming her all together? Is she just manifestation of my desires? Is poetry real? is truth beauty and beauty truth? Will I ever love again? What can I tell my son? Am I a good person? Am I honorable? Do I really always tell the truth? Am I actually evil? Am I even real? Am I who I believe myself to be? Am I just selfish? Is art really worth it? Is suffering inherently bad? Does all desire lead to suffering? Or perhaps just that which is clung to. Does fat exist? Is there a creator? Does Our Poet exist? Is is all just coincidence? Does the poem just end? Need it be a good - or even complete poem? Can I do anything to effect this outcome? Have I

done all that I can? Do I hurt people when I play games? Does it matter? Do they even know they are playing? Are they like me? Do they think and feel and wonder? Or are they just apart of the environment? Does faith justify all? If I am destined for something, can it be avoided? If I didn't want to love her, could I? Can she escape? Does she wonder like I do? Does

she see the truth like I do? Does it matter? Will she grow with me? Will she change? So I want her to? Does she really know how much I love her? How utterly unique I think this is? How I would do anything to make this real, if only to demonstrate to the world that true love exists, that faith can move mountains, that truth is beauty. And if we do, will anyone care? Will I find the kingdom of heaven? Will I get lost?

Tuesday

It is slightly after seven. The healing waters of Ojo Caliente do not open until 8. Fortunately I have had much practice waiting in the past couple of months. Unfortunately I am still very poor at it. Perhaps that is the boon I should seek - the gift of patience. It is all about timing. Too often I rush matters, forcing situations that are not mature. And like eating fruit that is not ripe, they are hard and untasty. Wait too long and they become rotten and soft. The concept of "Ruthless Efficiency" by its very nature implies such precise waiting. To expend minimum effort with

keen eye for observation - to observe the patterns and cycles, to know when it is the "right time". Precise timing also requires control. The ability to execute the desired action at the desired time. I need to calm my mind and hone my skills. Organization is certainly a part of this. I presently am very disorganized. And while this does provide some opportunity for precise control - as I always react - it does not have the observational and waiting skills that I need. This is not a matter of technology. It is a matter of will. And perhaps that is what I lack. What do I ill? To seek, I suppose. To find myself in interesting and novel situations. To struggle with situations, to be injured, to heal, to learn. To wrestle with demons. To wrestle with angels... But I wonder if ruthless efficiency is helpful in seeking

the kingdom? There are doubtless many paths to the kingdom and the instruction is merely to seek. Not even to find. Perhaps then I am quite okay on my current path. Ruthless efficiency is a practical philosophy and not really applicable to art. Art, in fact, is quite its antithesis, or at least can be. Perhaps that is not so. Perhaps it is a matter of using ruthless efficiency to create situations - moments of extreme inspiration. I often talk of head and heart,. Of how the heart should lead the head. The heart concerns itself with inspiration - the head with execution. But perhaps that is too simple. For the head must also create the situations for inspiration. Careful planning for adventures.. Yes. This is certainly closer to the truth. The head must plot and plan a life that allows the opportunity for the heart, for inspiration. Much like this trip. The head ought to have foreseen the needs of the heart. In fact, it did, and here I am. There is a time and a place for uncertainty and randomness? In ruth, I think the best the head can do is to be flexible and responsive. To be able to replan and replot quickly. The Brecht quote about intelligence is not avoiding mistakes, but quickly responding to them and making them into something good. Perhaps the goal is to live a life where mistakes are possible, where failure is an option, and to exercise intelligence in making the situation into something good. It is much like that theory I've had about myself - how I dig deep holes just to see if I can climb out. And that vision from when I was so much younger about rappelling into the depths of hell with full faith that I will be rescued. Perhaps I do not take enough responsibility for my fate. I often say that I do not deserve it, that

7

I have done nothing to cause it. Is this true? For surely I am the one who makes the choices. It is time that I did take responsibility. I am the poet.

I am the creative genius of myself. What of the others? They are mine as well. I can no longer abide with the notion that their suffering is their own concern. I must be poet for them as well. We are not all poets - some are actors and some are props. I must no longer play games without responsibility. So much more responsibility... But perhaps the game remains the same. For to create such poetry requires vast observational and control abilities that are beyond me. They still must be improved. To love thy neighbor as thyself. To be a poet for them as well. Beware the ego trip, my son! You are but the poet... But you are also the poetry. A poem about a poet. Nevertheless in this poem you are to be a great poet! Be observant. Watch the audience carefully. You do not create for yourself alone. Respond to their needs. Control with precision, gradually. Try small changes, then learn from them. In time you will know them. But who will know me? Which returns my mind to the lost girl. I could so easily have her as she is. Why do I want more. I want her to know me - to know me as poet. To create with me, and not just act - or even star in my play. She is hardly too young - if anything she is too experienced - too jaded and bitter and cynical. And others will tell her to continue to act, for they believe the role and don't even know me. Do they have their own poets, I wonder? Perhaps The Poet controls them all and play against me. Perhaps this fundamentally changes the fabric of the universe, to have a co-creator with me. Perhaps it is impossible. But how novel! How interesting! And if not her? Perhaps there is no other. But, for now, I have faith in the vision that it is, or will be, her. That she will create with me and know me as poet. For what else? We create the poetry that is our lives, and how wonderful it is so far. We pray to Our Poet, but don't you see, dear Perdita, our poet is us. I wonder if you will know this before I tell you. I wonder if the other voices are as insistent and as loud as our silence.

The Poet is not the Creator. A poet observes beauty around him, and crafts it into a poem. Creates beauty... why? To control others - to inspire them, to release them, but all to manipulate them. Using existing words, sculpting ideas, playing with thoughts, the poet is not the creator of

## 8

Reality, but crafts it skillfully into beauty. The poet did not create the rough winds or the darling buds of May, but observed them and creates beauty with them. Ultimately this transcends them. Taking our focus, controlling our attention, if ever so briefly and showing beauty. It is also about control. The poet has no physical control over the reader, doubtless

the reader reads - why, though? Somehow the reader was led to the poem and physically apprehends it. But the poet controls the mind of the reader for a short time. Playing with it. Hiding truths to reveal others. The poet lies for beauty. Deceives the reader to lead her to truths otherwise inaccessible. No one forces the reader to read or to believe. The poem may be forgotten. It is not written for these readers. It is written for those readers - perhaps only one reader - who will know the poet. Art is created to get out of Hell says Artaud. The poet longs to be known. Wants his vision to be seen by others. Go there there is no path and leave a trail, says Emerson. Poetry is leaving a trail. There is nothing more hellish than an unobserved life. Poetry is not just words - There is a poetry of living. Living poetry is perhaps the highest form of art. Now I leave these healing waters and seek clarity of thought. That I may begin to create with a fresh energy. I seek Our Poet for guidance to know the themes, to elucidate the players, to master the styles. I will beseech Our Poet to lead my part down where there is no path, that I may leave a trail.

My path today unexpectedly went through Los Alamos. Such a peculiar place! The efforts of man to wield primal energies, to control others for the protection of self. Several dozen Tech Areas. As I leave the area, I turn into Bandolier National Monument hoping for a road back to desert. There are cliff dwellings here, but no thru roads. On the way, across a canyon I see a large satellite dish from one of the Tech Areas. What of technology? It seems to have an element in the current drama. The things that it allows... the adventures that are created, the wonders that are possible, but as the roads in Los Alamos remind me - the terror that it can wield. Whither technology...

Oh, I am most pleased.

El Malpais, the bad lands.

I sit in a shallow cave surrounded by a'a lava, in a collapsed lava tube. I am quite far into the backcountry of El Malpais, though at least people know that I am here. Indeed, when I asked if there were any other people back here, the ranger said that if I saw anyone it would be search and rescue. She repeated the phrase "search and rescue" often enough to make me slightly

nervous. And then proceeded to tell me how they actually lost two people out here three years ago - a father and a daughter. Like never found them lost. The police ended up concluding that they “just needed to be lost” for some reason. Having only quarter tank of gas and looking at the thunderstorm forecasted, I drove 30 miles to the nearest gas. And I stocked up on supplies. My tent has no rainfly - of course it does, but is not with me. So I asked if they had tarps. Of course they were out. So I settled for garbage bags, a tablecloth (with turkeys?), duct tape, a flashlight and a lighter. And a cherry slushee. I thought for a moment about a \$150 navajo shawl, but thought better of it. On the way back to El Malpais, I wished I had. So I stopped at the Ice Cave - which is privately owned and is a cave with ice. In their trading post I bought a Navajo rug - made in India! Apparently is too expensive to get the native ones? So much for authenticity, but at the moment, I am glad I have it as a’ a is quite sharp. The skies darken I hear thunder in the distance - and an airplane? I am sitting outside the cave looking at my home for the next few days. This is a daunting land. In addition to the lava, there are numerous sinkholes, and evidence of many fires. Apparently the high iron content in the soil makes trees

10

especially conductive? and prone to lightening. Driving here, the road was rough, and will likely be impassable in heavy rain.

Another aspect that makes this site a bit questionable is the many flies. I am reminded of Camus, but I have bug spray in the car. I think I felt a drop of rain, but remain outside in the collapsed tube. Despite the burnt trees, lava and flies, this really is a beautiful place. And there is a cave. I was thinking earlier that I wanted to stay in a cave while visiting Bandolier... From the car, all you can see is this smooth wall of lava. You cannot see my cave. I was drawn to it by the small stand of trees. I am extremely pleased to have the convenience of the car without being able to actually see it. I don’t know if Miss Saliva will like it here. But it has energy...

primal creative energy. The wind  
blows through the trees quite  
vigorously.

The sky is dark all around me. There will be no  
stargazing this evening. Perhaps later - forecast was for  
rain before midnight. There is a small aspen grove of  
three or four trees just outside my cave. It's white bark  
contrasts to the dark surroundings. The ground here is  
basically lava with several inches of soft pine needles. With the rug, it is  
not entirely uncomfortable. I am altogether pleased with the rug, what it  
lacks in authenticity, it makes up  
for in practical value. I find the  
aspens to be especially auspicious,  
and am thankful their beauty  
graces my cave. The wind and  
threatening rain makes me  
anxious. Change is in the air.

...

This is not necessarily the most  
comfortable cave... the rocks are

# 11

not quite as weathered as those outside. In here they are pinkish and  
smoother. But I don't actually know that I will sleep here. I think I shall  
find a spot and see how Miss Saliva likes my cave.

...

It seems Miss Salvia is quite happy to play with me here. After 4-5 droppers  
sublingually (and how it burns!) I find myself watching the rocks - but its  
not the rocks, it's the lichen that pulsates, I am aware of life all around  
me. For some reason, I am very cocky, yelling out to the trees, "So who is  
going to teach me" then "Surely someone has something to teach me" and  
"I've travelled all this way - has nobody anything to say" I lay back and  
ask the cave, and it agrees to protect me, but has nothing to teach me. I  
look at the aspen tree in the entrance to my cave. It is beautiful. I explain  
to the grove how I love two women. Shouting to them that I love Laura  
and my son and that I love Perdita as  
well. "And do you have any help for  
me" Then I recognize the beautiful  
aspen, young and vibrant as Perdita,  
my love. The tree immediately behind

and next to it, darker and older. At first I think it is protecting her. Then I realize that it is dead! Looking at the thin trunks, it is hard to tell them apart - they are both young trees. The one in front is clearly younger and has leaves. The one behind does not. Then I look at the dead tree more carefully. It is beautiful in structure. The old tree proceeds up about ten feet with few branches or deviations. Then the most remarkable thing. The white bark branches off the side - but the core continues on. Judging by the other tree, I suspect that the new tree starts to thrive when the old tree branches. Perhaps the new tree overtook

## 12

the old one, stealing nutrients and lift, forcing the old tree to take a different path. It is immediately clear that the young beautiful tree is Perdita, the older tree must be my wife. And how complex and beautiful it becomes - forced by the new tree to a different, but still parallel path. I interpret all this as a sign that I should love both trees, but that only the love with the young tree grows. I say as much. A bird, a falcon of some fashion flies by as if to affirm the wisdom. I stare and study these trees for sometime thanking whomever for the sign. It is perhaps more complex. There are three smaller aspens behind the main tree and another off to my left. Perhaps I will come to know them as well. For now, I will spend a few days learning what I can from this place and hopefully come to understand the path that is laid out before me. I watched the young tree, her leaves quaking in the breeze as if Miss Perdita's thoughts trying to find me here. I tell her that I love her and somehow know that she does.

Wednesday

Sleeping on lava is probably less comfortable than you

might imagine. Nevertheless, sleep I did. I awoke to the moon and got up to meditate a bit. And then slept until just before dawn, I packed some things and explored around my cave. Just over the hill is a nice clearing amidst the lava tubes, much as I had envisioned the clearing from the car to be. Beyond that (over another lava hill) is what I first thought to be a satellite dish! But quickly realized is a water collection cistern. A small area is protected with barbed wire. The cistern has a hose to a small jarlike container which has a water valve and meter which is in turn connected to a ground level trough. A strange place for a corral, though I suspect that is it's purpose. I am intrigued that it is here.

## 13

The vision of last night remains vivid.  
 The trees remain as visceral artifacts.  
 When I got up to see the moon, I left the cave briefly. On the way out, I kissed the young tree and hugged it. I did the same with the dead tree. It felt stiff and creaked, as if I might actually topple it with enough force. On the way back, the leaves of the vibrant aspen brushed my cheek and smiled and said, "I love you" to it and my lost love.

The underside of my mouth is quite raw and burnt from Miss Salvia. Perhaps this is a good thing and will limit my visits with her, though I do appreciate them. I am still very surprised by the vision. I'd thought all day about Perdita, generally thinking that she would not expend the effort to find me if I was gone when I returned. Thinking that I would not contact her upon my return. That at least this portion, this stanza, of the poem was over. The vision will take some processing to bring to reality. What of my marriage? The old tree seemed to thrive after "the incident", though it's core separated from the grove. Ultimately, though, it died. Taken as a full life, it lived longer than the new tree... it is thicker and about as tall. Clearly it lived for a while. But no longer does. I will need to meditate further...

I will now attempt a detailed description of this aspen grove. It is a bit larger than I'd originally thought. There are in fact eight standing trees and one failed - at least one. Judging by the debris, perhaps another. The "old" aspen is clearly the oldest as it is thicker, though not now taller than the "young aspen".

14

cave

It reminds me of planetary alignment,  
and I will refer to them as such.

Mercury is a thin white aspen to the immediate left of the cave opening (from cave point of view. I don't know that it is "closer" as such but linearly it is perhaps. It is rooted in a fissure on the side of the lava flow. Just above the fissure, are several failed branchlines. In their day, they were fairly successful. A few brozen branches at the base suggest other failed branching attempts. The next several feet above the fissure line have a few more branch attempts, all dead. Judging by the leaves, this tree only receives energy from branches which root in a section of about one - two inches on the trunk. The top of the tree, quite exquisite, has been aborted, it seems. There is in fact one other living branch, some two feet higher. There are a few dead leaves at the very top of the tree, perhaps indicating growth from last year. I am unclear how aspends reproduce, I'd though through roots, though clearly this has no common root with the rest of the grove. This tree is mostly dead, and though it shares its fissure with no one, it doesn't seem to have enough nutrition to build more leaves to collect more sun.

Venus

Clearly the healthiest tree in the grove, it is located immediately in front of the cave. So vibrant is its life that upon frist glance, I though the whole grove to be healthy. Its trunk is long and lean for about ten feet, with few attempts to branch. The first set of branches is

15

about 6 foot from teh ground, three symmetrical attempts  
and one slightly below, all dead. Then about two feet

before the next bud of interest. Then a group of six or so branch points all broken. Then a long stretch of trunk maybe another two feet before two branch points broken off two feet above that, a successful and healthy branch which reaches down about five feet, and is the one which brushes my face as I enter and exit my cave. The next attempt aims directly for the cave straight out about four feet. It has no leaves, and has curled back towards itself. It actually touches the extent of the healthy branch below it. There is another attempt directly towards the cave about a foot above it, in a similar pattern with a similar fate. And likewise a healthy branch with a similar pattern. Above this, the tree is healthy and all branches are leafed. It is a beautiful and vibrant tree, having explored some avenues of darkness (for the cave itself does shadow the lower branches) but having successfully abandoned those parts once healthier alternatives were available. These “dead ends” doubtless served their purpose, helping the young tree grow. It is interesting to see how the healthy branches around them somewhat hide the abortive branches.

#### Earth

This tree is injured at its base. The bark is decayed away and is rupturing along it. This is probably the cause of this tree's demise? It's the largest tree in the grove by girth though no longer the tallest. Its first branch point is about 6' from the ground, directly towards the cave. It was a significant branch, about 3-4" in diameter. There are a few more broken branch points, much smaller about 3' higher. Another 2-3' above that is a complex of three thicker branches, quite gnarly. They seem to branch out and towards the cave perhaps trying for morning sun. A few more direct attempts but none as significant as the lower one. About 10 feet above that complex, something very interesting happened. The tree

#### 16

abruptly changes direction, or at least some of it does. The core of the tree continues for a good five feet, but has no bark on it or branches. I cannot say whether the branch simply

became more successful, or what. I see no other instances of this in this grove. Perhaps I will explore more. Per my vision last night, I might blame the new tree. At some point, the newer healthier tree forced the old tree to change direction. Or perhaps the old tree became sick in it's trunk. I will mediate more on this later.

I have removed myself from the grove for a moment and returned to my car. Ostensibly to charge my camera phone.

But it seems like a good opportunity for some practical, grounded thoughts. Am I to take the vision at face value - that I should love the living love, that I should love the young and vibrant Perdita? And what of my wife? The old tree seems to have coped with it's incident - it did not die! The new tree did not kill it! Indeed, the tree became more interesting for it. Other trees in the grove are yet too young to be interesting. Other aspens in the area show no interesting aspects. The bend is truly remarkable. Should I then be inspired to follow through on my insult and love Perdita? The trees both remained close, sometimes I see them as one. The old tree did bend so that it can be seen from the cave. Again, it did not die from the insult. All

## 17

trees die, especially in lands as forbidding as this. The old tree is the oldest aspen in the area, I am certain that there is nothing foreboding in it's death. Though the fact that the younger tree thrives though it is younger.... At this point I am disposed to believe that my love with Perdita is real and should be pursued to exhaustion. It seems that I have wisdom to learn from her - which is a bit surprising - for I had thought quite the opposite.

A few forgotten thoughts - upon seeing the cave

for the first time, I did think to continue on, but the road was blocked by a fallen tree. Not impossibly so, I could have moved it, but I took it as a sign.

While speaking to the trees, I noticed at some point that I had my flute. I suppose I half expected my playing to be magical and beautiful - but it was quite awful. Still I played loudly to summon whatever spirits might be lurking.

All in all, I was decidedly unfrightened, despite the brewing storm (which never came). Indeed the winds died down and was very calm. I could hear the aspen quake.

How odd - in the car, listening to iPod, Loreena McKennitt - Ce He Mis le Ulaingt? (The Two Trees)

I rested in the council of pines, in the clearing by my cave. It was remarkably comfortable and flat. I am considering putting the tent there though it occurs to me to be of minimal use, except perhaps as protection from swarming insects. I played my flute for a time, though I am still horrible. I did watch my lovely aspen from the pine council, she quaked with grace in the wind. After a time, I decided to walk for a bit, perhaps to find other aspen to study. And surely I walked no more than a few dozen yards. To find a large sinkhole. In the middle, a single aspen, healthy and wise. I will journey down into the sinkhole...

## 18

Although my mouth has not quite healed I feel that I must speak with this tree and will thus invite Miss Salvia for a visit.

This tree is characteristically like the other - it has this sudden change in sun strategy. But there is no other force - no other tree. It is alone and for some reason decided to be different. Of

other interest, a lower branch curled back upon it self - in seeking the sun, it found itself - and thrived! The subsequent branch curves back upon

itself creating an elegant swirl towards the sun. Energy draws the tree upwards against gravity. I saw a lizard and tried to get closer. It hid. I set there for a long time at the base of the tree wondering aloud my purpose. I felt like a stupid child wondering my place. The trees were not impressed. The tree seeks the sun as I seek the kingdom of god. Many choices - the branches. Some prosper and help the tree grow. Others fail and end up in the dark or are too difficult to maintain. The way to the sun is not always up. The wind reminds me of its swirling presence. The wind makes art. The tree encounters obstacles, and reacts, ever seeking the sun. The lichens remind me that this whole plant thing is about transforming the rocks into art, to defy gravity if necessary - but to see the sun. The flies remain annoying. I

19

remember that they are my little thoughts, but am annoyed that I cannot remember what. The tree sought the sun - found strength in itself and continued on... The other tree did not die of the bifurcation - it died for lack of good connection to the earth - the bark damaged. All this energy - mostly in the rocks themselves. The tree transforms just microscopic amounts. The energy is stabilizing though. The aspen's roots cling to the infrastructure. Why? I still don't fully understand why. Why be beautiful? Clearly, though, I must not fear hard choices - though it appears that too many might be harmful. Does every branch try to be the trunk? Why do some fail? Why is this not a common pattern? But it can work! And it can be beautiful. And that is a valuable lesson. The main core continues to grow almost as high as the tree itself, though it seems to be just a sink of the system, not actually generating energy of its own - no leaves. It just keeps growing, providing stability for a normal tree. The rest of the tree seems to have compensated, swirling down and around itself, providing the extra energy the main trunk could

not.

Moving on, I wander over to a neighboring sink hole. Much larger, with a whole grove of aspens. I sit in their midst and they welcome me. They are not interesting of themselves. Young and slender - beautiful in their similitude. The sky is clouding and the sun is hidden. The wind blows. I am reminded that aspen groves are in fact one

## 20

creature. I wonder if I am among one or many. In fact, though separate, I wonder if they are the same. These are all younger, and have no story to tell other than just a simple beautiful quest for the sun. They sing to me as they quake, reminding me of my young aspen by my cave. In community they are safe and don't have to make difficult choices. Just up seems to do it. They do not need to explore for the sun. A butterfly flies through the grove. I follow...

To... more aspens in a neighboring sinkhole, healthy and happy. The butterfly shows them all to me. I see a fallen aspen in the grove. It was enormous! And interesting! I see the tell tale spike. I approach and observe. This mighty tree felled by - fire?

Lightening perhaps? In the end, it's interesting choices no matter. Nearby another grows health and strong - perhaps the largest I've seen.

...

I sit upon the edge of the third of three sinkholes devoid of aspens. A few shrubs, some lichen, but no consciousness - not yet.

...

Back in my cave, I take my shirt off, observing that fields of a'a is not a good place to be naked. But safe caves can be!..

And I am now naked in my cave. The cool breeze removes the heat of the day. The skies cloud up threatening rain. My aspen quakes to me. She is not, in herself, interesting. She has made no life changing choices, or at least none to deter her true path. Her leaves look entirely towards the sun, towards my cave. The old tree prevents any other explorations away from the cave. Here aspens are rare, this is doubtless the extremities of their

range. I never realized how primary they could be - creating from pine needles, lichen and lava. For that is all they are - ultimately they are lava and air and sun. Really we are all sun, so lava and air - and water. am I so much more?

## 21

so many observations the past day. Yet I wonder if I am just observing myself. Have I really learned anything new or just found things I'd lost - and hidden myself. Tomorrow I shall meditate and assimilate. I do not think I shall ask Miss Salvia for my mouth should heal. Perhaps as tea next time.

I am very impressed with Miss Salvia - she has an unmatched appreciation for ruthless efficiency. She helps me to observe. But what of control? How do I create? Perhaps Miss Absinthe will have that answer, who knows. I have observed my love for Perdita, it is true and it is beautiful. Need I do anything? What course of action? What game to play? Here in the wild, there is but one game - to live. The aspen simply seeks the sun. That is the motivation for its every branch, every leaf. It reacts. Animals, as the good flies remind me, are more complicated. They do not simply seek the sun. Observe my naked self in this cave hiding from it.

The wind is the sun.

The wind in her leaves,

The wind makes her quake.

They really were one tree, the old and the young. Sharing the sun, hardly interfering. Really accessing different spaces. The young one almost entirely towards the cave, though not directly. The old one away and out. They hardly touch at all. I once thought them the same.

I find it ironic that I am sitting naked in a cave.

The cave is not as comfortable as the council of pines.

Just as I stand up to go sleep in the council, it starts to rain. So, for now, I am still naked in the cave. I am pleased - I spotted a lizard by my cave. It is not actually raining either, but I take the drops as a sign to stay - perhaps so I saw the lizard. I remember don Juan capturing and maiming the lizards...

I return to thoughts of control. Knowing that I love my aspen Perdita, what should I do? Dare I assist her in any way? Dare I remove the dead tree? What if it went wrong? Perhaps uprooted her as well, killing her too! She is natural and beautiful and I need do nothing but love her. As the

sun, I just radiate as I am, the winds, perhaps giving her choices, different ways to seek and desire.

I wonder if the “interesting” trees experience anguish in their choices. Is there even an option for them to ever grow away from the Sun? Do they just get tired in the dark? Do they suffer as they twist and contort themselves? For they seek. What else can they do?

Look! A tiny aspen I had overlooked previously, out by Pluto.

It occurs to me that right vision is far more critical than right action. To see the path clearly is more challenging than to walk it. The trick, of course, is when we go where there is no path.

Seeing is illusion, but one I would like to recreate artificially. Practical thoughts enter my mind. How annoying... perhaps I don't write them down, they will go away.

Is now actually raining. I stay dry in my cave, but I did get dressed. No idea why...

Caves rock! :)

My lizard friend seems to enjoy the rain as he has emerged from his crevice.

I took a nap and though practical thoughts, then stopped by the car for no good reason.

Now I am sitting in the strange structure that I discovered yesterday, but now realize forgot to mention. Its a circle of lava rocks against one of the sides of the collapsed flow, with an entrance. It might be archaeological, but I somewhat doubt it. What ever it's origin, I am sitting inside to. There is a young, a baby, aspen on the side. I will meditate on my son.

...

## 23

Well, that turned out to be something quite different. For whatever reason, I did not identify the sapling aspen with my son. The poor plant, trapped in the lava fissure. Little hope for it.

Suddenly, I found myself meditating on power and with a need to fashion a magic wand. I picked up a dead twig, but was uninspired. Another sapling, this one dead was my next victim worthless dead, it seems. Then

for unfathomable reasons, I wrenched the poor sapling I hoped would be my son apart, twisting and ripping the living organism tearing its branches apart. I had my wand. I seized it's power and announced that I would take the power of all aspens as my own. I left the semicircle, to find... my son.

An "interesting" sapling in the middle of the grove. Similar branch structure to the other two. I blessed it.

Then I blessed the old tree and the young tree by my cave. At the other end of my dominion, I spoke forcefully to the grove of aspens of power and authority.

Grabbing a dead tree, I swung it round, lifting it as a spear, then striking a smaller, also dead aspen shattering the both of them again and again until all that was left was splintered wood in my hand. It rained slightly as I once again asserted my powers. I spoke of strange practical matters - my will be done.

Then I paused, and felt foolish and sad holding the sapling in my hand. I felt great remorse. Still carrying my bludgeon in the other hand, I returned to my cave. I sat upon the sloped lava outside and meditated on power and responsibility. Asking for wisdom and understanding, I slowly peeled the life from the sapling. For a moment, I thought I might save it and headed back to the car to fetch a plastic bottle. But surely that is

24

not the way of power. Slowly I peeled the sapling to its woody core - so thin,

so beautiful. There was a sense of evil as I peeled its life away. But somehow it was necessary. Required. As I tore it's life away, I prayed for guidance and for forgiveness. And I prayed that this awesome sacrifice - the death of the sapling would be made worthwhile by my humble administration of its energies. It rained again lightly, and I sat quite sedate, in humility and grace. Then with my finished wand in hand, I went over and magically blessed my son, then my wife, then my girlfriend.

I am back in my cave now, a bit stunned, and a bit in awe. Its raining again. So here I am, Lord of the Aspens it seems. Sometimes I do amaze myself with the depths of my insanity. Miss Salvia is gone - I do not need her any more this time.

I sat here in my cave for the past long while watching the rain and wondering about the days events. I quickly got lost in the future. What if I return from this quest in certainty to love and be loved by Perdita only to discover that she does not want me? Would that be devastating? Does it undermine the entire endeavor? Gripped by fear and plagued with doubt, I looked at her tree and saw its weaknesses. It leans, you know. Because it's not balanced. Its because of the old tree, but I cannot remove it for risk of destabilizing everything. I needed to nurture the tree - to provide the raw materials that it might strengthen and grow. First I gathered all the green twigs and leaves from the dissection of the wand and laid them at her feet. Next I broke off her two failed limbs that reached fruitlessly into the cave. Then I broke off the surrounding limbs from the old tree. And placed these at her feet, thinking they will decompose and provide her nutrients in the future. Removing the limbs gives her more room to grow and explore. And you know, she looks prettier

## 25

for it. It is perhaps the most loving act I have ever done. She shimmers in the late day sun and sings to me of the wind. She seems happy. And I am happy for nurturing her. I do not control her, cannot save her from her eventual death. Cannot force her to balance herself. I can but love and admire her, trimming dead branches and feeding her, giving her room to explore and to grow. I will leave her, perhaps as soon as tomorrow. I leave her as I leave my wife, my son, my friends, and my self. I know that I will find them again in reality. And that reality will

quickly take their places. I cannot say what the future holds. Not even if I shall return to this magical place. I do know that here and no, this is a most wonderfilled place of beauty and truth. I have learned many things and reaffirmed my place in nature. I became Lord of the Aspens :) I was more lucid and less sane than I have been in some time. Only what you take with you.

Indeed. That gives me hope, thought that this adventure will make sense to myself tomorrow and after, when I have left. For what I found here is within myself. It is who I am, and who I will to become. I did not come here lost, and I do not leave here lost. I hope that I am easily recognizable when I return.

Tomorrow I need to think about the others, those I love and how to explain my heart to them. For it seems that I am quite magically in love with this strange English girl, and have the courage to pursue this path to the end. As for choosing, ask the aspen of its choice. It maintained its core, and chose another path. It need not be a fatal choice, and can make for a most interesting tree.

I cannot simply remove the existing tree, dead or otherwise. It is part of the scene. I have trimmed it to not be in the way of new growth. Things are more beautiful now for this effort. My radiance shines for you who receive it. It nurtures you and you thrive on it. My son grows quite

## 26

independently, already having chosen an interesting branching. He will not be affected by this choice, and will grow and thrive unto himself.

I hope to see that stars again tonight. The sky is clearing and the sun is setting. I sit in my cave and look upon the trees that I love.

...

With sudden and strange visions of gynophagia, it occurs to me that she doesn't eat aspen. So I move the offering away to rot elsewhere and replace with dirt and pine from the rock above.

It just occurred to me that perhaps what I really want is the interesting tree. But that I do not get the interesting tree without the bifurcation event. To be obvious, I want the wife that comes from having the girlfriend. This makes absolutely no sense. My choice is quite the same,

but my goal is, well, most peculiar. It is as if I would try and force my wife into being interesting. To suffer and then seek and become interesting. Strange thoughts indeed.

Thursday

The sky never really cleared, though I awoke to the moon. I didn't sleep overly well - lava just isn't that comfortable. All night I felt anxious to leave, even considering departing then and there. Anxious to make real my vision. Anxious to consummate with Miss Absinthe. Yet, I remain though the day is rather gloomy and the sun doesn't shine. I am actually in the car, packed and ready to go. The car is on, but I am not driving. Perhaps I wait for the sun to emerge, that I may see her shimmer in its light one more time. I will wait for the sun. Timing is everything. "Only Time" plays on the iPod.

It is amazing and beautiful to me that this place exists - that I did not know about El Malpais at all - a void in my mind map before now. And now it is become so central. A place of great significance. I will return, I

27

think, someday. And this rainy cloudy weather reminds me how far from the desert I am. If I was looking for desert, I truly am lost! The landscape in front of me could be Colorado. Behind me, though, the behemoth fire worm tracks rupture the ground, collapsed upon itself. Seventeen mile long worm!

I am still in the car, waiting patiently for the sun to emerge. It occurs to me that I might wait all day! Perhaps even another night! It isn't as though I've someplace to be... My mind fills of course with schemes and plans, as it is wont to do in idleness.

It also occurs to me that as it continues to rain, my exit road will get worse. But I love the rain, it catalyzes my visions into reality. I must return to my cave...

She loves the rain. It keeps her vibrant and alive. The water collects in the porous lava, her roots draw upon it. She uses the water, drinking it up from the roots, it pressurizes her being - its turgor keeps her aloof.

Today is a day of growth, in the rain, not of choices. For the light is ambient grey, and there is little to inspire her one way or another, so she just grows in the direction she awoke with. The sun carves nearly the same path every day. Her strategy of yesterday will be as useful tomorrow. She need not make a choice today - just grow and thrive.

She seeks not today but to drink. Even when the sun shines, she seeks it and

not me, in this cave. This cave perhaps protects her, but also limits and challenges her. It is a resource limited land.

The rain hits her leaves, giving the illusion that she is singing to me, perhaps just quietly humming a song of growing - a drinking song. It is a very discrete song, each rain droplet playing a single leaf, a single note. As if the tune is played in slow motion. But I do not hear her song - the rain itself drowns it out. It is a visual song, then. The song of the rain quiets., I can hear the birds singing it in the distance. The rain itself is all but stopped. She sings on quietly to herself, dripping and dripping beads of water onto herself, onto the ground.

It is a little sad to me that no one else will know this tree. In these short days I have loved her so intensely, and I know I soon must leave her alone

## 28

and unobserved. There is some comfort knowing that there is a mysterious oneness to all aspens, but she is somehow special - because she is mine - all

mine. Others will worship her by proxy, never truly knowing her.

Eventually she will die and decay and be consumed by her self that isn't really this self but a clone of sorts in that aspen oneness mysterious way.

That when I return, she will always be here, even if this tree, itself is not.

Just as if, had I come here years ago and loved her sister tree - the "old" tree, only to return today and find her dead, I would know that the young tree is the old tree in that mysterious aspen way. Something hidden - in the ground connects them and below that, connects us all. Through the soil and the rocks, to the core of the planet back in time, we all grew from the same sun, all manifestations of its radiance, of its energies, cooled and diffracted into myriad forms. I love this girl, my Perdita, and by her, this tree. By this tree, all life, the planet, the system, the sun, the universe, god, and ultimately, Our Poet.

Our Poet who crafts a universe so poetic that analogy can lead you to and fro, carry you from the depths of a lost girl's heart, to the outer reaches of infinity, through but the heart shaped leaf of the aspen.

Infinity in a grain of sand

Eternity in an hour

Would that I be such a poet - to find - to reveal such beauty and such truth - if only to her. That she might look up at me in wonder, inspired to explore and to create, to know and to be known. To have such love, I would sacrifice everything... all my powers as Lord of Aspens :)

And then, I think of my son - of Aidan. They are to me much the same. I

would love her and how that he will see that love and understand. That my choices would affect him. That things not stay as they are. That he would grow to seek and to hide - to create. To create is to hide. To create from one's self. It is hiding origins, perhaps, where and why things are. It is an odd fate to be in a cave in the wilderness in love with a tree that symbolically represents a girl that is loved only through symbols. But - she is real. As real as this tree. The symbols are our poetry and must be seen as such. This game we play is but a stage for our love to express itself in

## 29

poetry, in simulated actions, with actual words. It is a peculiar admixture of technology and nature that finds me in this situation. The dichotomy of technology and nature. For it is technology that brought me here - my car. And is technology our form of leaves? Our specialized forms for seeking? The car burns the oils created by life from the sun. It occurred to me yesterday that our money is green like leaves. We are happiest when we seek and receive - with the sun in our eyes, and the wind in our hair. And then when it rains on our skin, the drops softly playing a tune - a lullaby of growing. Even in reaching downward, away from the sun, as her lowest branch does, even then still seeking - the more obscure light. But light is light! And the light brings order to the universe - making interesting molecules from simple ones - molecules that persist and make other molecules. Chemicals to burn in cars, to burn in factories, to burn in living creatures. Chemicals like Miss Salvia to... what? To make poetry and beauty. For poetry is in the beholding. Our poet is no such without our appreciation of it. In that way, we make the Poet. By seeking and observing, we make the creator a poet. By appreciating the motifs, the meters of life, the rhymes and devices. By quoting, criticizing and ultimately creating our own poetry - that is what makes Our Poet real. That is what makes poetry like True Love possible. It is the faith that it does exist. The suspension of rational for the observable. For there is magic and mystery in everything. Above all the faith in seeking. That even when we are lost, we will find - and will be found. That faith in seeking - that seeking is poetry itself (or is it that poetry is seeking). That art is the way out of Hell. For seeking led me to this place, will lead me out. Being lost - being confused - being unloved - is an illusion - a lie for the sake of poetry. It provides the conflicts and the obstacles that our heroes must overcome. In this way, the villain is the poet, devious and cunning he hides truths and creates "evil" - that they may be found. Lucifer, the bringer of light, also the perpetrator of deception and lies.

This is no contradiction. It is the darkness which defines the light. Last night I watched the shadows cast by the moonlight on my cave wall and thought of Plato. That most look into the cave and see the shadows for reality. Cynicism and bitterness focus on such things, without understanding the sun - or the reflected sun, in the case of the moon. The

30

cave protects, but is also hides, and has nothing in itself to teach well, at least, not on this trip.

I seek the sun as she, my tree, seeks the sun. But I learned a while ago not to look directly upon it. So I sit in my cave watching the sunlight bounce off of her - only the light she doesn't want, that she doesn't use. Her white skin which contrasted so clearly when I arrived reflects most of it. The green absorbs most, except the green? I wait for the sun... but the sun is out! It diffuses through the clouds and appears not as an intense dot but as an entire sky of light.

What then do I wait for?

I was waiting for that.

...

My truck is caked with mud. But I emerged from the magical land of El Malpais relatively unscathed... and a bit hungry. The town by the highway is Grants, and so far appears to be mostly abandoned. Across from the New Mexico mining museum is the Uranium Cafe. Of course, I have to stop. It is a kitschy Route 66 diner with the trunk of a 56 Cadillac in the middle and Jerry Springer on the television. An excellent place to reenter consensual reality. Visions of guacamole burgers run in my head. Fortunately, they are out of corn tortilla's and I have an excuse to leave. Clearly not quite ready for consensual reality.

Taco Bell, consensual and real? Well, I am listening to Bizet's Carmen, "La Fleur Que Tu M'avais Jet E"

...

The sounds of the city below me prevent any meaningful sleep, but I did rest - naked and clean. I am in the Plaza Hotel, Room 305 in Vegas. Ahh, Vegas. Las Vegas, New Mexico... a poor town evidenced by the many squeaky brakes and broken mufflers. And yet I close my eyes and listen carefully, in the brief moments of silence I still hear her quaking. It is a historic hotel - old and of some character - and the windows open. I

31

am on the top floor in the corner suite. The windows over look the plaza, two open to a side street. I have them open and there is a pleasant cross breeze. The chair I am sitting in is entirely too low for the desk I have placed it in front of, but is a perfect height for the low windows...

I have replaced the desk with the round table from the sitting room. Still not quite right, but I will work on it. I mean to celebrate tonight with a nice dinner and then the bottle of Absinthe I

brought which is chilling in the fridge. Celebrate what, I wonder. A successful vision quest.

Whether or not I make this "work", it was a most wonderful trip. I have returned safely with vision. Vision I hope to reveal this evening.

Vision about risk - gambling if you will. And it is Vegas after all...

...

Well, maybe not a "nice" dinner as such - I think the disposable plastic cup with the iced tea set the tone well enough. What this hotel has in history and character, it somewhat lacks in amenities. The furnishings in this room are sparse, but comfortable, but for instance, the the hotel provided shampoo is dispensed from a pump on the wall. In any event is certainly more luxurious than sleeping on lava rock in a cave. The cave did have a lovely view, of course. "While Las Vegas was cosmopolitan and respectable, it also earned its reputation as one of the rowdiest cities in the West, with more than its share of gamblers, notorious hoodlums and 'lost' women.

Notorious characters of the Old West who frequented the Las Vegas Plaza included Big Nose Kate, Doc Holliday, and Voodoo Brown."

And so, here I am...

I wandered out to the car for the sugarcubes and brought my rug in. No idea why - just thought it should be here.

32

"La Fee captures the aroma and taste that great writers and artists such as Verlaine, Rimbaud, Toulouse-Lautrec and Vincent Van Gogh enjoyed back at the turn of the 19th century."

Fabulous.

No doubt due to the superhydrating, structured, oxygenated, alkaline drinking water from Angel Fire.

I think that Miss Absinthe and I will be good friends indeed.

You know, I don't really make choices as such. I am, at heart, a man of principle. Perhaps I choose the principles but they more evolve over time. My dinner choice, for instance, was somewhat simplified by my ethical principles of not eating dead animals. Perhaps I am a man of principle because I am lazy, and don't want to make hard choices. There are very few "choices" that I have made in my life. - at least ones of significance. And with most, I am well down the path (or not) before I even consciously realize there is a choice to be made. There is a bit in my favorite alchemical text "Chymical Wedding" where the author/protagonist is confronted with three paths to the castle. A verse describes each path and warns that once chosen, the course cannot be changed but for greatest peril.. The author worries over this and then is suddenly distracted by a bird stealing his food or hat or something. He chases after it only to discover that he has quite inadvertently chosen a path. He turns to go back and is greeted by an incredibly strong wind. "I" don't choose my path, I am too humble for that. As I often say, I am little in control of my life's path, and I know this. So why some may find me very egoic and self confident, it is quite the opposite. It rust - have faith in the universe - completely. And when confronted with choices, I rely upon the wisdom I've

mentioned before - "go where there is no path and leave a trail" and "the path less travelled" but ultimately it is "seek first the kingdom of God" And, of course, I believe in "points for style" - that poetry is truth. And following these principles has brought me to the present situation and my second glass of absinthe.

### 33

"Louche" - cloudy - pouring the water over the sugar makes the mixture cloudy. Curious for a cocktail renowned for its clarity.

Where was I? An yes, the present situation - predicament as it were. It appears that I am somehow in love with another woman. In fact she is not an ordinary other woman... she is the most interesting, beautiful and wonder filled girl I have ever met - or not et as the case may be. I find my time with her to be poetry. She is a fabulous blessing, which, of course, I little deserve. I can hardly wonder

the circumstances of our love and wont belabor our prelude here. Suffice to say that I do love her and I find that she loves me, but is far more cautious and practical despite her nature. But in lucidity we do occasionally find each other. We met in a world of symbols, of poetry, which seems odd to those unfamiliar with it. I wonder which is stranger to the observer - the game or the aspen tree. And so, we are in love, despite numerous attempts not to be and the objections and concerns of, well, of people who don't really know us. And I would jeopardize normalcy for this love? I would jeopardize it for far less. It is all a grand experiment is it not? Go where there is no path and leave a trail. Fools go where angels fear to tread. Is this undefined scheme where I actually love two women tenable? Of course it is. And honestly it is the least impossible thing I scheme. Will there be heartache and jealousy? Of course - such is human nature. Will love conquer all? Of course - such is divine nature. And how will I cause this to be? What "magic" will I cast?

Welcome, gentle reader, for I have just realized how and why this is. You, my friend (and I do hope you are) will aid me in this seemingly impossible quest. I not invite you to read this short adventure - to see into my mind and I invite you to help me create a more loving me and mine. You doubtless, whoever you are, know at least some of my tale of love and woe. If not, feel free to ask. It is my purpose now, and seemingly in retrospect, to

seduce you to my quest. My quest to make life and loving a bit more

### 34

beautiful and a bit more poetic. Certainly if you read this you know me. Hopefully we are good friends and you know that I am quite good at the impossible and the poetic already. You have read my odd visions with lava and aspens and have not given up on me yet. For this I thank you and love you. There is something magical and mysterious about the universe, and I seek it, though it may be improper and unfashionable these days. "Nature is like a woman, and it is impolite to look up her skirt" I really must find out who said that. We are, every morning after we sleep, presented with a self - who and what we (you) are - a personal history of memories - by now long term - and a set of principles - rules by which to guide us. Each day we make choices - yes, I know, I said I don't, but that was before - play along! It is like a card game with really complicated cards - memories, hopes, dreams, etc. And every day we take stock of our

hand and take actions to improve it. Depending on your creed and your beliefs, you may have big cards like “solve world hunger” towards which you apply your energies. But most of us have simpler cards like “love your wife” or “earn for your family” - simpler goals that play into a larger strategy of happiness and well being...

I fear my clarity improves, but my mind wanders with each sip of “louche”. Ask me about the card theory later. For now... minds wander. And that is a wonderful thing. We are here to wonder - to behold the beauty of creation. But we are also here to create! To actively participate in creation itself.

Who the hell invented chairs- makes my back sweat. I will not sit upon my rug. Far better and less far to fall. Speaking of which... more louche! I am spilling structured water everywhere...

Where was I...

Right! To actively participate in creation! And to create poetically... and in doing so - to love! By now you may think I am crazy - or drunk - but if you really do know me - you know that I am right now happy and lucid. And speaking truth.

I will love Laura Gene Miller, my wife and I will also love Perdita Caroline Alexandra Woodley. I will because I must. Because it is beautiful and

### 35

interesting to do so. Because - as doubtless my wife is tired of hearing - I am me! And who, actually am I, anyways? Am I your friend, your associate, your husband? Your father? Your lover. Your creation? Your poet? What was I before this epistle? What am I now? I would dream with you! Dream and scheme and make your life - our life - Life itself more beautiful and more poetic.

I have always been a bit poetic, appreciated symbols and analogy, with an appreciation of aesthetics - of style. In this woman, Perdita, I find myself wanting to (and actually) living poetry. I know it sounds absurd - but those poems are written for a reason - or rather are inspired...

You my friends, my family, you know me and you know my heart. Let us do something wonderful.

This transcends the particulars of the bit where I am in love with the Maid of Menie. It is the beginning, the eye opening (as I look upon the bottle of La Fee) of what may be possible - of a new path of light and love...

By now I'm getting a wee bit drunk, so may I

interrupt and be clear and concise for but a moment?

Dance with me!

Play with me!

Love with me!

Okay, that's about it... on with the party... something about this rug...

So YES! we are going to do fabulous things. Me because I quite literally have absolutely nothing better to do. I am in Las Vegas, NM for god's sake. You, however, are somewhere else. You are perhaps at home, in your work or school, maybe in a jungle (you know who you are). The time is now. Let

us be happy and whole. Let us start schemes and projects. What was it?

1. Leave us alone
2. We're working on a project
3. We are happy.

### 36

I don't know - ask the guy in the jungle - made sense at the time. Let us be inspired! Inspire each other - inspire our children - and do really cool and really interesting - and Poetic! things.

OK perhaps you have insight and psychology and realize that I just turned 34. Maybe you know that was a big deal...

More louche!

If you don't know why, I won't tell you. In truth I was looking to be inspired. And Miss Perdita was kind enough to be beautiful, intelligent, wise, compassionate and wonder filled. She really is (you really are) fabulous and I will forever love her (you). We are poetry and the universe seems to agree. Which is slightly surprising, even to me. I'd expected to... no matter.

You! Whoever you are... you have a role in this drama - in this play - its quite unclear if its comedy or tragedy. It is curious and it is poetic...

Huge trees in the Plaza! They blow and sing to put my Perdita aspen to shame :) Just kidding... I here here song in theirs.

I am crazy.

You will all keep me in your lives (whoever you are) because I am crazy - not because you are afraid of what I may do - but because you are incredibly attracted to what I may do next. It is you who are sick - not me. :)

This really is far more fun than should be allowed in Las Vegas, NM If you are nice to me and encourage me, I will do this more often :)

But... I do not know if I can fall in love again... Perhaps you will be lucky and Miss Perdita will see fit to lose me entirely... I warn you, though, she is

horribly bad at it. But there are so many other adventures, my friends! So many other wonders to wonder! This reality you know... there is... something else which makes everything even a simple aspen in an unknown lava flow from 10,000 years ago beautiful and fascinating. Do let me take you... do let me come with you. Just, oh, don't ask me to guide you - I haven't the slightest idea where I am going. I promise you that it will be wonderful. Seek with me! If you have before, do again! If you haven't, why, it's quite wonderful... In the in-between times, support me -

37

support yourself... build a solid foundation. For without that foundation - without that connection to the real - you will die. Death, of course, is the grandest adventure of all - perchance to dream. For now, live! Fear not death, but rather the unlive life! If you have children, live for them - do the sorts of things that will inspire them. If you don't - you should - great inspiration to be inspiring.

My son... my son gives me perspective daily. I would have him be like me, of course, but in doing so, to be himself. To seek! To find himself - to be who he is. Not in any particular sense like me - I mean, I confess that I like the idea of him drinking absinthe in Las Vegas... but perhaps just because I enjoy it so much...

I wish this for all of you, my few readers!

Room 305, Plaza Hotel, La Fee Parisian - may you have so much fun! So much joy!

My wife... so curious our path - so long you thought you didn't want to be a

mother - and it was your calling - your gift! Such is life. Even if you become not my wife, you are always the mother of my son and you are so amazing. Even without my son, you are my foundation and in every way enable me to be who I am, perhaps in spite of yourself. You are supportive even when you don't quite understand me. For that I love you. my self. my life. And I will always love you and care for you. You make my path possible, give me the grammar - the structure and form for my poetry. And you my strange, often lost girl... be not afraid, you are young but not immature. Seize the day... Gather rosebuds... Seek first. There is no second.

Wonder and wander with me these vast uncharted regions of mind and

physical space - inspire me.

And you, my friends and family, come with me - create with me - Find your poetry, your inspiration. For it is everywhere. It is within you already. You know your path - you know if there is no path. Find me and we will find you. We will write the poetry of your live in our love. It may involve El Malpais - maybe not - its your path.

\*wonders how she drinks eight glasses of this, is even more impressed\*

38

I had a vision of everybody reading this staying with me in El Malpais - there are larger caves - entire tubes. How bizarre. My loves, my friends, my family, it is you who make life interesting. If you didn't exist it would be necessary to create you. Without you - life would be in error.

I hope that I have neither scared nor confused you. More to the point, I'm not crazy, though I do reject your consensual reality - except for the Taco Bell - how timely, how welcome. The more I write, the more I doubt you will real. But I will promise something special at the end - to tease you and keep you reading.

So, uh, keep reading while I figure out just what that should be...

More Louche!

\*eight? must be those UK ounces...\*

It seems not to matter if you pour the absinthe over the sugar...

Absinthism... total myth...

You would perhaps be unwise to follow me if you like knowing where you are going. I have schemes but no plans.

Such a pretty green

Even in the louche pastel.

So pretty...

My chair is green.

Yes, I am back in the chair.

So, you will aid me on my quest for poetry? You will "tell me how much you

like my poetry"? Hmm? It occurs to me that most of my potential readers will not get this reference.

Time. Time is the fire in which we burn. Do you know (which you don't unless you are in Brazil) that I once was going to protest against time?

Space and time, actually. To get congress to ban it. "Down with space and time" and "Are you tired of being in the wrong place at the wrong time".

I'll be honest, my love lies to me - there is no way she drinks eight glasses of

this drink. She is very truthful and speaks her mind, but eight? Patience - I still write Okay so I miss a few vowels here and there.

39

“If had a wish,  
I’d fall in love  
With the planets  
And the stars above  
Isn’t that what life’s about  
When you’re underneath the rainbow”  
“Some were mystified, but  
Some were always dancing”  
Love, love, love  
All you need is love.

You know, Yellow Submarine is one of my favorite albums. I quite like the idea of telling people of my life aboard my yellow submarine and having you all join me. It’s an odd song like that, you know... Sky of blue, sea of green... Is a full moon tonight.

\*eight?\*

Perhaps I should have had a more substantial dinner...

There is no food to be had after 9pm in Las Vegas. I had to have two 16 year old girls order me pizza. It is increasingly clear to me that Miss Perdita, while a teenager, is not actually a teenager. And I am equally confirmed that I am not actually a pedophile. There is definitely something special about Perdita - something magical and inexplicable, and perhaps fleeting? Something that remains... something primordial. Something that will be lost... But does such wisdom necessitate cynicism and bitterness? Why do I not know more people so invigorated, so alive? What is it about our world that prevents innocence from persisting. Not innocence in our sense, but with Blake - through experience. The innocence to look at the world as if it were good and had something to offer - magic and mystery.

You, my friend and/or associate, when did you lose this innocence? You will need to regain it if we are to play. The universe is vast and wonderful and wants - needs to be explored. You must approach the kingdom as a child... with awe and wonder, and full of faith. If you have children, learn from them! If not, then have some. And if you still remember the

40

“seriousness one had as a child at play” - seek it out. Play with me! Know

the joys of exploration! Use your acquired wisdom and skills to explore new

things - new places not accessible as a child. Come to New Mexico with me

- the land of enchantment - become enchanted! Life is too short! I often say that when we are old and reminiscing to our grandchildren, we will not tell tales of the day that we went to work just like the day before! Work is for some, foundational, it grounds us and gives us infrastructure with which to build upon - but don't forget to build the soaring spires! Too often when we have kids we do everything for them and forget to be a role model for who we'd have them become. If you would have them change the

world - lead by example. "Be the change you would see in the world"

From this you might assume that I have a vendetta against monogamy.

This is perhaps partly true. Some see monogamy as a patriarchal relationship designed to keep one woman per man. I see it perhaps as entirely opposite, but then I have quite a matriarchal slant on most of history. That is, I see women as controlling most of society for most of history. Behind every great man is a great mother.

I think perhaps you may see my desire to love two women as patriarchal and misogynistic. Nothing could be farther from the truth. The women I love are strong and wise and have much to teach me. For even if you see me as selfish - you must see that they have gifts which I desire. And what then if I fail completely? If my love for Perdita is not returned and my marriage over? What then? I still love! So to you, my loves, you should feel no pressure to return my affections. Come what may, I will love you as

much if not more than I do now. And I will love as best I can - and the best you allow me.

And will there be others? Before that, there is this fundamental notion that perhaps I am unhappy... I am happy! I seek not because I'm unhappy - quite the contrary- I seek because I am so amazed at all there is to seek. So, will I seek to love another? A fair question. I think the answer is no... for in one I have foundation in another inspiration - I can imagine need for little more. Nevertheless, I seek. It's what I do. Time may reveal aspects unfulfilled. I do not pretend to know or control the future. If you love me, do so here and now, not for nostalgia or hope (or fear) of a future. Do so

speak to you - let tomorrow fend for itself. Imagine this is your final day - would you have me love you or no? If so, love with the eternal passion that only the here and now can offer... that timeless love... of songs and poetry. Why not? You are beautiful and perfect here and now in my eyes. I would not have you change to love you more. Be who you are, for that is who I love. If you must run, then run. My love will follow. Do not ask me to stop loving - for that is something I cannot do. Better to ask me to stop breathing than to stop seeking. Know that I will always love you. I am sure that this all seems odd and unnatural. But I ask you to consider the "natural" you envision - the "normal" of our culture. Is this what you seek? Or do you seek the exceptional? If we are friends, family or

lovers, I assure you that you are not about "normal". You know the truth better than I can express in absinthe laden words. I have no "normal" friends. You are special - not through any action of mine, but of your self. If you read this far, there is a reason - you want to come with me, to journey and adventure. I say put everything you are on the line. What greater treasure than to seek?

So green... so lucid... how can I still write? ... does math ... weird. I can count shots by sugar cubes... six. Alas I am henceforward out of structured water.

I could fail. I could lose everything, they say. And then, they ask? It's hardly a reasonable question. The poetry doesn't cease until I lack a reader. And you, dear reader, have been persistent so far, haven't you? Even in tragedy is love. I don't determine the outcome. I merely set the stage and advance the situation. The line between tragedy and comedy is so very thing. Yours is to love or hate. To counsel, for adventure or against. I suspect you all sense the futility of your advice in the overall outcome - but you give it anyhow - and I consider it and we continue to dialog and to dance.

I have the oddest sensation that I will - sometime in the future - become drunk. Yet I am not... or at least write fantastically for a drunkard - well, of course, you are better judge than I.

#### 42

So... you. Tell me about you. Tell me what you will. What do you want? Who are you? Who are we? Tell me. If you have read this far, I want - I demand to know. Who are you that I invite you so deep into my mind? Revealing my truths to you... what do you make of them? Do you find me insane? Am I evil and repugnant? Do you love me more for this journey?

For you have taken it with me by now... Do you fault me my loves? Do you

doubt my heart and integrity? What more might I have done? Do tell me... for I seek. I seek to be a better friend / family / lover to you. And, ultimately, it is all about communication. The writer and the reader.

The creator and the creation..

What will you do with this non-sense? You could dismiss it as the ramblings of a drugged and drunken fool - but it does speak to you and what then? What of you? Where do you go from here? more of the same? In truth, this has changed nothing - you are free to be where you were when we began. Do you fear for me? For you? For us? I assure you, you, me, us are quite safe and secure. And we can comfortably ignore all this is you like, never to mention again. But, if not, I have 2/3 bottle of absinthe left...

\*eight glasses, my dear? are you daft?\*

NOT that I advocate chemical manipulation of your mind. Alright... maybe I do. But if you are this far - you either know and agree or are tempted to give me the benefit of the doubt.

Some of you are doubtless Korean and lack enzymes to drink absinthe. Sucks to be you. She is a fine companion for the evening. Unlike any I have met. Perhaps you would simply enjoy conversation with me - for it seems I become terribly lucid and oh so entertaining.

You still wonder about what I will do. But I am far more interested in what you will do. For I like - I prefer - to react. Be interesting and unusual. Be yourself. I am already fascinated with you, or you wouldn't be here. If nothing else, watch as I do something marvelous - something wonderful - right before your eyes. For the best magicians don't need to hide their secrets. They tell you exactly what they are doing and then

43

execute with such grace and beauty to make you still watch in awe even knowing their secret.

You know my secrets... they are entirely plain and obvious. Come along won't you? Wonder with me...

Friday

I awoke this morning with the most wonderful smile, sitting up in bed, clutching the sheets. The image of Scarlett after her evening with Rhett came to mind. How am I not horrifically hung over? In fact, not only that... looks over to the remaining sips of cloudy green liquid... Absinthe... it's not just for breakfast anymore. Most unusual. She does agree with me,

this green fairy.

I vaguely recall the reverie in which I wrote the past evening. I hope you will excuse my drunken ramblings, but how very therapeutic...

I am resolved, in case it was unclear, to do most remarkable and impossible things. And I would invite you to do at least one of them with me. I am resolved to be more social in my wanderings and wonderings. I am of course resolved to love you, and the universe about you, to create poetry and to appreciate the poetry of creation. I am resolved to spend more time in New Mexico. To spend more time enchanted. I am resolved to be an enchanter :)

Today, then, I have the most unique opportunity to visit two castles. On here in Las Vegas, the other in Colorado. To see what men of peculiar vision have done. I only have a few pages left, so this postscript will be necessarily brief.

...

Unfortunately, Montezuma Castle is closed - it is home to United World College - USA founded by Armand Hammer in 1982. The idea is to bring people from different religious, ethnic and socioeconomic backgrounds... I am presently sitting in the Dwan Light Sanctuary. There are rainbows everywhere. Prisms on the walls and all over the ceiling. I should like to be naked and dance around in the colors, but I won't. It is built around the number 12 so says the brochure. And calculations. The result is very

44

beautiful and very peaceful. And there is rainbow on my notebook, on my hand and on my feet. Apparently lunch hour is the best time to visit.

Perhaps I will come back in a few hours,

or perhaps I will just wait. Such a

strange place to be here. There is an energy in New Mexico, clearly others have found it as well. I do like the idea

of this school - taking 16-19 year olds

and helping them to become world

citizens. It is places like this that are

perhaps our hope. I reflect upon my Son

again, and wonder if he will want to be

an enchanter as well. I should invite

you, dear reader, to help him as well, to invite him to explore, to inspire and to enchant. I think he is a most special person. Doubtless every

parent thinks so. I look forward to bringing him to the Land of Enchantment, to learn from him, to be enchanted by him... to be lost and found with him. In my every action I consider him., knowing that he observes me now and will increasingly so in the future. Perhaps that is also why I believe in such visions of truth and beauty - because I would have him do so as well. Of course he knows much more about wonder and wandering than I do. It is literally all he does. My real purpose is to nurture him and keep that sense of enchantment alive for all his days. To inspire him to grow and to become, well, whatever he will become. To surround him with beautiful and wonder filled people - like yourselves. It is a shame that we do not all live in community, that we only find each other occasionally. I used to have schemes for that, but I have not had them in some time. Perhaps it is time to reconsider them. To create a new family, a new community. Or perhaps we just continue on our strange diffracted paths. Maybe I will start smaller (shocking, I know) and strive to bring you all to the Land of Enchantment for a week. That we all might commune for that small time and wonder and wander.

...

45

So this is pretty much the coolest thing ever. I am sitting in more or less the center of a geodesic sphere atop a tower of Bishop's Castle. It is rickety and unsafe, this iron edifice. I am more impressed with his masonry... One guy, Jim Bishop, built this place, a testament to his passion for building, I suppose. And what is life without passion? But surely this is madness? It is glorious, and without equal in my mind. The iron structures sway a bit in the wind. I must be a hundred feet high? There are aspen trees below me. It is beautiful up here - can see for miles. I do wonder - why, though. And perhaps it does not matter. It is art. Signs at the base rant against the government - the builder seems to not be a big fan of driver's licenses - or building codes... Go where there is no path - and leave a trail. It is inspiring, Mr Bishop's Castle... I admire his persistence in the face of persecution, his vision, not necessarily his aesthetics - but it is his own and

is wonderfilled. I am envious of his determination and will.

...

I have not been so scared in quite a while.

...

Am not given to vertigo, but that tower was a bit much. At least trying to write up there... so why? Why do I climb? Because it's there. Guy is going on and on about how the stairs are backwards - something about descending with sword drawn... Somehow I don't think Mr Bishop is going for historical accuracy.

#### 46

I say this is cool. But I wonder about the whole "one man" angle, especially in light of my newfound social schemes. Perhaps art is always an individual act - between a creator and a creation. But is it really the product of one man? Is it not funded by his appreciative audience? Donations build it - donations given from joy and gratitude. Visitors, like myself are inspired. Nevertheless, the art is his own, and it is real - and very surreal. His life itself - his labor is doubtless not as interesting as his art. I wonder if a life can be created which is as inspirational and surreal. What ever would that mean? I am not longer in the Land of Enchantment - my lucidity fades. But this castle is fine illustration of what one person can do in the course of a lifetime. Projects - its all about having a project, having friends, and having fun. I do wonder if perhaps I lack focus - have too many projects... But such is my way, I suppose. It appears to be my fate, or at least my disposition. It is perhaps evidence of the theory that love multiplies - the more one loves, the more one can love. Said with regards to personal relationships, but perhaps equally valid for projects as well. Time will tell... I do know that I do not have too many friends. You, my friends, are my true loves. Let us create truth and beauty and have adventures worth singing about in years to come.

## The Valley of Love

 To: angelactress4u@hotmail.com

Love's valley is the next, ad here desire  
 Will plunge the pilgrim into seas of fire,  
 Until his very being is enflamed  
 And those whom fire rejects turn back ashamed.  
 The lover is a man who flares and burns,  
 Whose face is fevered, who in frenzy yearns,  
 Who knows no prudence, who will gladly send  
 A hundred worlds towards their blazing end,  
 Who knows of neither faith nor blasphemy,  
 Who has no time for doubt or certainty,  
 To whom both good and evil are the same,  
 And who is neither, but a living flame.  
 But you! Lukewarm in all you say or do,  
 Backsliding weak- O, no, this is not you!  
 True lovers give up everything they own  
 To steal one moment with the Friend alone-  
 They make no vague, procrastinating vow,  
 But risk their livelihood and risk it now.  
 Until their hearts are burnt, how can they flee  
 From their desire's incessant misery?  
 They are the falcon when it flies distressed  
 In circles, searching for its absent nest-  
 They are the fish cast up upon the land  
 That seeks the sea and shudders on the sand.  
 Lover here is fire; its thick smoke clouds the head-  
 When love has come the intellect has fled;  
 It cannot tutor love, and all its care  
 Supplies no remedy for love's despair.  
 If you could seek the unseen you would find  
 Love's home, which is not reason or the mind,  
 And love's intoxication tumbles down  
 The world's designs for glory and renown-  
 If you could penetrate their passing show

And see the world's wild atoms, you would know  
 That reason's eyes will never glimpse one spark  
 Of shining love to mitigate the dark.  
 Love leads whoever starts along our Way;  
 But you, unwilling both to love and tread  
 The pilgrim's path, you might as well be dead!  
 The lover chafes, impatient to depart,  
 And longs to sacrifice his life and heart.

I wonder if you will miss *\*being\** poetry...

Well, that was a most peculiar weekend, and while the festival was excellent, I must confess I was entirely preoccupied with our love affair. How do you have this affect on me? How do you consume me so - even, no, especially, when we are apart. I used to wonder if this love was real - if it would last. Now I wonder how it can possibly end. You have brought a brilliant intensity to my life, and the universe itself is brighter for it. How is it that we fought most of the weekend, and our love is stronger for it? I have little idea of where I (we) go from here. I am confident it will be amazing, and that I will awake one day soon to find you in my arms. I am less confident that I will ever be able to let you go - and that scares me. But for now, I am in love with our love. It is blossoming - just in time for summer. But what's with these rough winds of June? Hope you went to Ascot and played nice with family. One thing I did realize this weekend is that family is important. I also came to see that you are to be my family as well. I love you, Perdita Woodley. You are absolutely the most amazing woman I have ever met, and I want to be with you all ways.

Forever yours in love and friendship,  
 Dan

## [words of power]

To: angelactress4u@hotmail.com

Yet another strange week for us. I'm beginning to fear that they will all be so intense. But I suspect that you, like me, are fumbling around with this "in love" emotion. And that in time, we will figure this out. You ought not mistake the fact that I talk with such confidence for actually knowing what I'm doing. Like you, I leap into voids and unknowns with confidence, and it works out to the envy of all. But you know as well as I do that it's frightening and that we have little to no idea what we are doing. That said, you also know that what we have created is unique in all the universe. And you also have the sense that while we do not "deserve" it as such, it is our responsibility. You will not fail me - how could you? Be strong. Be brave. For as surely as we saw that May Eve, the forces of evil will rise up against us. But evil isn't what you think. It's not to be feared. It's to be experienced and conquered, and it makes us grow! Think back to all the overt evils we've faced - those who would destroy us. Every time, strengthening us. Our poetry grows - thrives - on such conflicts. There is no evil, no horror. Not really.

The book of Job, in the Bible, spells it out quite clearly... Satan is a son of God... evil is a product of the creator. It is the chisel of the sculptor, the black of the painter, the silence of composer. We need not fear it. It is in our service.

I need to remember this as well as you. For this week, you were very silent. And I was very afraid. Not for the unknown, for that you love me is entirely fundamental and True. But a lingering fear that you might forget me. That you might again become lost. That I would not have the energy to find you again. That is what I fear most of all. I need, at least for a while, to experience your love often... to strengthen me... to strengthen us... after our long and arduous journey. So when you said that you are leaving me... I almost gave up. And wondered if you would be able to find me again, for I did not have the energies to find you.

Such distances make the simplest cures of a touch on the cheek to be impossible. We hardly hear each others voices, and have hardly ever seen

each other on cam. Despite my requests, you never seem to be interested. Are you afraid that you cannot turn back? It is too late. You know that. I can not control you, because you are my soul... there is no real distinction between us.

Our Poet is our body, I am it's spirit, you are it's soul. You will bring Our Poet food. And you will find me, and we will be immortal. Consult your 32 copies of the Papyrus of Ani if you get lost. That is precisely why they were written. To remind us of this deepest mystery and Truth. When you are lost and afraid... when I am lost and afraid... there are the spells...

### The Chapter Of Not Letting The Soul Of A Man Be Held Captive In Khert-Neter

Hail, thou who art adored! Hail, Mighty One of Souls, thou divine Soul who inspirest great dread, who dost set the fear of thyself in the gods, who are enthroned upon thy mighty seat. Make thou a path for the Spirit-soul and the Ba-soul of the Osiris Ani. I am equipped with [words of power]. I am a Spirit-soul equipped with [words of power]. I have made my way to the place where are Ra and Hathor.

---

And what of these [words of power]? Of course, you know them... they are our words... these very ones... written by Our Poet. And this is why it is so important that we create these [words of power]... why it is so necessary that I write to you of my love and you write to me of yours. Why our poetry is so valuable and so important. And why prolonged silence can be so dangerous. For your words tonight, "I love you so much" are enough to equip me to keep you from being held captive by fear tonight. But every day, we repeat the cycle of birth and death and we journey through the underworld. And tomorrow, we may need other [words of power]. Everyday you give me these [words of power], then we shall be invincible. And you will find your way through the underworld to me... and we will join, and in our union become a star.

With the wisdom of the ancients,  
I love and protect you, Miss Perdita.

You shall not be shut up inside any door in Amentet, when you are coming forth upon the Earth, or when you are going back into the underworld.

Here, in the dark waters of Nun, before creation itself has begun... we slept.

From my heart, she springs forth, and, without hesitation, leaves me alone.  
 She flies over the eternal waters, and comes to rest upon a rock.  
 Lost and lonely, she cries, breaking the primeval silence.  
 The world is filled with the previously unknowable.  
 Creation unfolds.

She sings...

I am the Benu bird.  
 I am the keeper of the volume of the book  
 Of the things which have been made,  
 And of the things which shall be made.

Such awesome responsibility... such power.  
 Such loneliness.  
 Bare and frightened she is alone on the rock,  
 Singing our universe into existence,  
 Without thought, without kare.

In my time, though, I do awake to hear her song, beautiful and pure.  
 I set forth in my solar barge,  
 Made by her so long ago,  
 To find me, she whispered.  
 Seeking out this divine voice.  
 Shining on all the world, looking for my lost love.  
 As the dawn finds her, my radiance warms her,  
 And she remembers why she sings.  
 Enlightened, her song changes, and with it, all of creation.

She sings...

I am the benu, the ba of Ra,  
 who leads the blessed dead to the Underworld,

who causes their bas to go forth on earth  
to do whatever their kas wish.

I wish...

To love  
To be loved.  
To seek  
To be sought.  
To find  
To be found.  
To create  
To be created.  
To inspire  
To be inspired.

I wish for her to come back to me.  
I wish for us to go forth together.

Joyous day!

You exclaimed

Oh i'm so happy! \*Kisses him.\* I don't think i've ever been so happy!

You wrote in my morning.

Going out for a celebration meal with my friend over this!

You said.

What if I hadn't called at that very moment...

We would have been devastated?  
Our universe, suspended with such grace and balance,

Would have collapsed all around us?  
Surely we would not have recovered?

What if her phone was off...

Our Poem  
Ending tragically, in a field in Guildford?  
Without rhyme or reason?

What if she simply didn't answer...

All Truth and Beauty made false and ugly? All of it?  
Happiness itself destroyed in an instant?

What if you had been so base and prosaic...

So many songs left unsung?

What if I hadn't called at that very moment...

But... I did.

And somehow,  
You know,  
I always will.

Oh yes  
Sorry to bother you again I just saw something and I thought I should let you know.

The tree..  
Its dead.

I went outside to water it  
Only to find something had ate all the leaves from it last night, and the top is snapped, its nothing but a pathetic twig in the ground now.

If that's not a poetic end as you desired, then I don't know what is.

There is a story that says that when Jesus was crucified, his cross was made from an aspen tree. As a result, the tree was filled with grief and remorse and all aspen trees have trembled and quivered since then.

It is the only tree that is said to tremble but never bend at the strongest of winds. Of course, there is another legend from Germany that tells us that when the Holy Family - Jesus and Joseph and Mary were walking in the forest, all the trees bowed down in respect. But the aspen tree did not. So nature cursed the tree, saying it would tremble all its life.

So you see, Poetry works many ways - always remember that ultimately we control it. Our Poetry is our will. If you wish for the death of this tree to be our end, then you must create the Poetry. It is more than the observation, you must create the supporting art. Otherwise, it is as you say, just a pathetic twig. It is the Spirit of Poetry that breathes life into an inanimate and uncaring universe. Without that Spirit, that Will To Poetry, life itself is dull and meaningless.

Aspen roots are very sturdy, they don't even die when there is a fire. Give the soil some fertilizer, and keep its roots moist - not wet. It is not dead. With some effort, it will certainly live. If not, then sing its praises and mourn its death.

The time is nigh for you to create, Perdita. For you to live! For us to exist! Be inspired!

We are on the verge of something magical...

 [7:47] You: Such things exist in the real world they are just rare and beautiful, hard to find making them all the more worth searching for...  
 [7:47] Xavier Jevon: I did not come to take a sub or a slave.

 [7:49] Xavier Jevon: And I was surprised at how sure I was when I saw you.  
 [7:49] Xavier Jevon: IT FELT RIGHT.  
 [7:49] Xavier Jevon: That is my answer.  
 [7:50] You: The will to be able to submit and fully trust without fear and without limitation, is divine?  
 [7:50] Xavier Jevon: The levels of trust capable with it.. makes the relationship divine.

 [7:52] Xavier Jevon: It is not by chance that you have made yourself look like a porcelain doll on SL. \*smiles gently\* I know who you are I know

when people are real and most of all when they are beautiful...

[7:52] Xavier Jevon: If you see my baby picture, you will see divinity.

[7:53] Xavier Jevon: Divinity is LOST in us as we play games and more games.

[7:53] You: Can it not be regained?

[7:57] Absinthe Nosferatu smiles brightly at that. "That is the most beautiful thing I have heard all week!"

[7:57] Xavier Jevon: You want to see my baby picture?

[7:58] You: I would like to see it very much so..

## 2006-06-24

Dear enlisted. My name is Jeremy Archer. I am a mortician for the Thames morgue and a detective for Scotland yard.

I write to you to inform you that the body of a Mr. Luke Chamerberlin was found washed up on the silt bank of the Thames this morning near South Bank.

The corpse was already in decomposition beyond recognition when we found it the only form of identification came from a gold pocket watch which had the gentleman's name engraved, the pocket watch was Waltham design and a fairly expensive model showing us he must have been a gentleman of some standing, possibly visiting England from America?

Normally we do not carry out post mortems on the bodies we find in the Thames but assuming the gentleman might have been of some standing we took the liberty.

At first it was assumed he had committed suicide, many destitute souls throw themselves into the Thames, but after a post mortem was carried out we found evidence for repeated stab wounds to the stomach and neck also

there were signs of trauma to the left femur.

This is clearly a case of deliberate murder.

Then within the gentleman's clothing a small whiskey bottle containing a letter was found, a copy of the letter is enclosed as follows.

{ Dearest Absinthe I regret to tell you that when this letter reaches you I will no longer be in Caledon, I meant no harm to you by leaving so suddenly in the dead of night, the last thing I would wish to do is ever cause you any distress.

However I believe my life to be in danger I have received various threats from London while staying with you in Caledon, and by staying with you in Caledon I am putting your life in danger also.

You must know that your life and safety means more to me than the heavens themselves.

I really did mean my proposal and I hope you will consider it so that on my return from this matter we may be wed at once.

I do not care what Desmoulins thinks, frankly I do not think highly of the man aside his intellect. (Which I admire somewhat.) What is this hold he has on you so that I might be treated as a child in his presence with you?

What are you not telling me? I know the man has designs on you also as his wife and this is why I ask you to accept my proposal now.

Do not threat for me dearest Absinthe I will return as soon as all is well.

If you wish to write to me it will have to wait, I am currently staying in a coaching inn on the outskirts of London, I will write to you next when it is safe.

Remember when we were children and I would play as the Captain on the boat and you the orange girl waiting in the port who wanted to be a pirate and go to sea?

Well think of this like that, I would never let you go with me would I? And I cannot let you go with me this time. But when I return you can come on my ship as the pirate girl and you will travel the world with me.

I am becoming melancholy and childish, forgive me. I will return to Caledon soon with your Uncle...Traitor to the crown indeed! we both know he is innocent!

I will write again, I promise.

Fondest regards from yours truly Luke Chamerberlin. }

A week later from the date on this letter the body was found. We do not know of his relatives and so thought it best to give to a selected resident of Caledon so that they might distribute it accordingly to those who knew

him. Currently you are the only holder of a copy of this letter.  
 I now leave this matter in your hands with faith that you will inform those who should know.

[10:26] JohnHenry Holiday: What does, my Lady?  
 [10:26] JohnHenry Holiday looks up, kind and serious  
 [10:26] You: I feel homesick in this time...  
 [10:26] You: So homesick.  
 [10:26] JohnHenry Holiday: I cannot even begin to say how very homesick I feel.  
 [10:26] You: I...When I was at Ascot this week, just..  
 [10:27] JohnHenry Holiday listens gently - a tear drops into his cup  
  
 [10:29] JohnHenry Holiday: No - I am so homesick I can hardly bear it.  
 [10:29] You: yes I feel that way too!  
 [10:30] You: It is beyond tears and sad words..  
 [10:30] JohnHenry Holiday: Well it is everything.  
 [10:30] You: I think you are possibly the only person I could ever talk to who would fully understand it..  
 [10:31] JohnHenry Holiday: I know it so well.  
 [10:31] Dezeray Mondrian is offline  
 [10:31] JohnHenry Holiday: I miss... so much.  
  
 [10:36] JohnHenry Holiday: And they do 'things' on the equipment, and i watch and listen, a swirl, like a brothel, perhaps, and I just there, quiet, working, in my real clothes, in my real time.  
 [10:37] JohnHenry Holiday: Perhaps they do.  
 [10:37] JohnHenry Holiday: They blur, and I catch what glimmers from them I can.  
 [10:38] JohnHenry Holiday: William understands me like he understands you, yes when I met with him he told me your alt but I already knew it was you..  
 [10:55] JohnHenry Holiday: I pine because I miss like you a different time.  
 [10:55] JohnHenry Holiday: And...  
 [10:56] Absinthe Nosferatu smiles kindly and squeezes his hand for a moment. "And?"

[10:56] JohnHenry Holiday: I miss John.....  
 [10:56] Absinthe Nosferatu nods.

[10:59] JohnHenry Holiday smiles gently I know. I know.

 [11:00] Fion Patton is online  
 [11:02] JohnHenry Holiday smiles comfortingly How are you? I hope I do not disturb you? Does it hurt you to feel these things, usually not expressed at least?  
 [11:06] Absinthe Nosferatu listens to him quietly, smiling softly through her own red eyes.  
 [11:08] Dezeray Mondrian is online  
 [11:08] JohnHenry Holiday: I used to read stories of teh sea. Such hard work, pure struggle and diligence. It was so poetic.  
 [11:08] JohnHenry Holiday: And loyalty to ship and crew, beyond question, only your diligence moving you through the water and keeping you, rounding the horn.  
 [11:09] JohnHenry Holiday sighs  
 [11:09] JohnHenry Holiday: It was always the 19th century. Always.  
 [11:10] JohnHenry Holiday: Did I tell you how I grew up?

[11:17] JohnHenry Holiday: no music, dancing, games, cards, drink, jewelry, sports, television, holidays (like Christmas)  
 [11:17] Absinthe Nosferatu grimaces.  
 [11:17] You: no..music?  
 [11:18] JohnHenry Holiday: no computers, movies, radio, or friends outside the religion.  
 [11:18] JohnHenry Holiday: Well you are allowed hymns, but only thse written by the religion, and not other hymns.  
 [11:18] Absinthe Nosferatu looks utterly shocked.  
 [11:18] You: and you grew up in this?  
 [11:18] JohnHenry Holiday: Amazing Grace is... 'of the world', ie evil.

[11:18] JohnHenry Holiday: Yes I did.  
 [11:18] Leo Tokhes is online  
 [11:19] Tommy Eponym is offline  
 [11:19] JohnHenry Holiday: And further to this... One still must go to reg-

[11:19] You: oh how..awful

[11:19] You: you had your childhood robbed.

[11:19] JohnHenry Holiday: And in summer there are camps all day preaching...

[11:20] JohnHenry Holiday: oh yes. Did you read my baptism story? It is a recreation of teh camps.

[11:20] You: eee

[11:21] JohnHenry Holiday: So... I did not grow up like anyone else.

[11:21] You: John..Uh

[11:21] JohnHenry Holiday swallows... yes?

[11:21] You: Do you have any children?

[11:21] JohnHenry Holiday: Alas, no.

[11:21] You: May I ask why that is?

[11:22] JohnHenry Holiday: My wife is insane and we have not... done anything lo these four years.

[11:22] You: Oh...I just think

[11:22] You: you would make the most wonderful father.....I really do.

[11:22] JohnHenry Holiday: She is also unfit to look after a child.

[11:22] Phillip Drake is offline

[11:22] You: And with a child you could in some way regain your own childhood in some way..

[11:23] JohnHenry Holiday wipes his eyes. " I so wanted a child. I have collected toys and books... what shall I do with them now?"

[11:23] JohnHenry Holiday: You are kind to think it of me....so kind.

[11:23] You: you know, proper Christmases, playing the piano and singing songs of the confederacy...Nice roast meals, presents \*Quietly pictures them doing that.\*

[11:28] JohnHenry Holiday: maybe I will give the baby who belongs to my friend the toys and books. His name is really 'Mister'

[11:29] You: I think you should keep the toys and books....For your own child.

[11:29] JohnHenry Holiday whispers John wanted children. He loved them and was so very very good with them. Stories and those children's memories of him survive.

[11:29] You: What about adopting, have you ever considered that?

[11:30] JohnHenry Holiday: My wife is crazy. She would be terrible with a child.

- [11:30] Absinthe Nosferatu sighs uneasily.
- [11:30] JohnHenry Holiday: I am sorry.
- [11:30] Shenlei Flasheart is online
- [11:30] You: You have nothing to be sorry for.
- [11:31] JohnHenry Holiday: Mister is an angel. He pulls at my teeth and chews on my cards, and always smies when he sees me. i will teach him magic...
- [11:32] JohnHenry Holiday: \*smiles
- [11:32] You: It is just you are still young in terms of having children, my mama had me when she was 40 you know? But yes I understand...If she is crazy then why are you still with her?
- [11:32] JohnHenry Holiday: I took the other boy to a playground this week. We pretended the equipment was a pirate ship...
- [11:33] JohnHenry Holiday: It is not easy to leave someone. It is so very hard...
- [11:33] Absinthe Nosferatu ignores her tea cup which now appears so full of tears.
- [11:33] JohnHenry Holiday: I have this house I am responsible for, and I am unemployed. What can I do?
- [11:33] JohnHenry Holiday: my Lady. I really am so sorry....
- [11:34] You: If i were over there I would help you I swear to God I would?....I would even...
- [11:34] JohnHenry Holiday: If I am destitute William will help me, but please god it will not come to that.
- [11:34] JohnHenry Holiday: He said again last night he would.
- [11:34] Absinthe Nosferatu wipes her eyes and goes quiet at the mention of William.
- [11:35] JohnHenry Holiday: I shall perhaps be good enough at magic to go to Colorado. There is a town there - Trinidad. And I know more than near anyone in the whole world about John.
- [11:36] JohnHenry Holiday: And I will take my 19th century things, y books, and work at a museum perhaps, there, doing magic about John.
- [11:36] JohnHenry Holiday: And he and I will live there maybe, in my dream...
- [11:37] Absinthe Nosferatu nods still all a mess.
- [11:37] JohnHenry Holiday: It was the last place he was with Wyatt.
- [11:37] You: I want you to be happy, you deserve nothing less....I would...I..for you..i'd offer...to...
- [11:37] Ziekling Bunnyhug is offline

[11:37] JohnHenry Holiday: It is kind of you to say so...

[11:39] You: Promise me you will keep some of the toys and books for yourself?

[11:39] JohnHenry Holiday: He is the best I have seen, and he liked me, wanted to teach me.

[11:40] JohnHenry Holiday: I will do nothing sudden with them.

[11:40] JohnHenry Holiday: Would you like some when you have a child...?

[11:40] You: Because you see if you are giving up those...Then you are in essence giving up.

[11:40] JohnHenry Holiday: I have a collection of marionettes.

[11:41] Absinthe Nosferatu shakes her head wearily. "I do not think I will be having a child..."

[11:41] JohnHenry Holiday: I have very very fine toys. I do not want them... Wasted you are special enough for them.

[11:42] You: It is for many reasons, firstly if I am to spend the rest of my days with dan, well...He already has a child and a previous wife, it just wouldn't be the same...I wouldn't want to tie him down further, some women use children to keep hold of marriages you know?

[11:42] JohnHenry Holiday smiles gently understanding that fully.

[11:43] You: And I am quite sure the last thing he wants right now is "another" child, then on top of that if all that nonsense about me being dead at 30 were true that would be horrible for a child, it upsets me that I have been told I am going to die at 30 at three times, once as a child at ascot by a gypsy, once by a physic on the street when I was 15 and then as if to kick me in the ass I was told the same by a ouija board last year..

[11:43] JohnHenry Holiday nods sadly understanding her more than anyone.

[11:43] You: Mr.Chamberlain who is a dear friend of mine irl, his mother died not so long ago and it was horrible for him..

[11:44] JohnHenry Holiday: But Daniel does value his son. He might want another.

[11:44] You: He values his son very much and that pleases me greatly.

[11:44] JohnHenry Holiday: I remember him. That is so sad. I always worry my parents will die.

[11:44] You: he had phoned me once when they are at the playground and it made me smile....Oh god i'm such a mess.

[11:44] JohnHenry Holiday: ...I know.

[11:45] JohnHenry Holiday: If I had a son I would name him Damon.

[11:45] You: Why is that?

[11:45] JohnHenry Holiday: Damon and Pythias.  
 [11:46] You: oh!

## Tubes

Living organisms, including people, are merely tubes which put things in at one end and let them out at the other, which both keeps them doing it and in the long run wears them out. So to keep the farce going, the tubes find ways of making new tubes, which also put things in at one end and let them out at the other. At the input end they even develop ganglia of nerves called brains, with eyes and ears, so that they can more easily scrounge around for things to swallow. As and when they get enough to eat, they use up their surplus energy by wiggling in complicated patterns, making all sorts of noises by blowing air in and out of the input hole, and gathering together in groups to fight with other groups. In time, the tubes grow such an abundance of attached appliances that they are hardly recognizable as mere tubes, and they manage to do this in a staggering variety of forms. There is a vague rule not to eat tubes of your own form, but in general there is serious competition as to who is going to be the top type of tube. All this seems marvelously futile, and yet, when you begin to think about it, it begins to be more marvelous than futile. Indeed, it seems extremely odd.

Daniel: 06:37:33

Good day, sunshine. Enjoy your socializing!

Perdita Caroline Woodley: 06:37:43

\*smiles.\*

Perdita Caroline Woodley: 06:38:15

they changed it to an evening thing, suspicious if you ask me...

Daniel: 06:38:32

suspicious?

Perdita Caroline Woodley: 06:38:43

Every year because I claim to have no birthday my friends attempt to throw me one at a random point in the year, so i'm always on guard

Daniel: 06:38:51

think they will get you drunk and try to take advantage?

Perdita Caroline Woodley: 06:39:03

lol that too! \*Laughter\*

Daniel: 06:39:44

So whatever will you do with this newfound free time?

Perdita Caroline Woodley: 06:40:40

I hadn't planned for it..

Daniel: 06:41:05

Well surely you have a backlog of plans and schemes that need attending to.

Daniel: 06:43:25

Daniel: 06:44:47

Daniel: 06:44:55

(these are two years old)

Daniel: 06:45:37

<http://news.bbc.co.uk/1/hi/uk/1388014.stm>

Daniel: 06:45:49

but you might forward them to your friend?

Perdita Caroline Woodley: 06:45:59

yeah

Perdita Caroline Woodley: 06:46:47

thank you

Daniel: 06:52:17

Do you know Baroness Uddin?

Daniel: 06:52:29

<http://news.bbc.co.uk/1/hi/uk/865419.stm>

Daniel: 06:52:38

Chaired by Baroness Uddin of Bethnal Green and Lord Ahmed of Rotherham, the Choice by Right group discovered that factors such as protecting family honour or religious and cultural ideals are the reasons for many forced marriages.

In June, Baroness Uddin said a change of attitude both in communities and bodies such as the police in trying to combat the problem was already taking place.

Perdita Caroline Woodley: 06:53:29

I believe my godfather knows her from the house of lords

Daniel: 06:56:48

<http://www.soas.ac.uk/honourcrimes/FMpaperAnNa'im.pdf>

Perdita Caroline Woodley: 06:56:54

\*sighs\* I just tried to ring Faaria, but she had to go because her dad had just come back home

Daniel: 06:57:01

Is older, but seems more thorough

Daniel: 06:57:51

<http://www.mwhl.org/>

Daniel: 06:58:02

I think that is what we are looking for...

Daniel: 06:58:13

Need someone to talk to? Phone us on 020 8904 8193 or 020 8908 6715.

The Muslim Women's Helpline aims to provide any Muslim girl or woman in a crisis with a free, confidential listening service and referral to Islamic consultants, plus practical help and information where required.

Daniel: 06:58:53

You might call them yourself, on behalf of your friend...

Daniel: 06:59:14

is open 10-4 M-F

Daniel: 06:59:32

Seems like the place to begin.

Perdita Caroline Woodley: 06:59:41

I don't think I have the right to do that as such, but i'll provide her with all the stuff, the links and the numbers

Daniel: 07:00:04

Well, you can certainly call about your friend, without disclosing her identity.

Daniel: 07:00:16

They might have advice for how you can help.

Daniel: 07:00:46

Might have brochures or something you could give her when you see her.

Perdita Caroline Woodley: 07:00:52

I just hope it isn't too late, most of these things seem to aid for help before the actual marriage takes place

Daniel: 07:01:27

Well, I have also read about intervention efforts in Pakistan itself... so as long as she is still in UK, seems like it's not too late.

Perdita Caroline Woodley: 07:01:36

oh it's going to be really hard for me to see her, she works most the day then isn't allowed out at night, when she was in education it was the only time I could have an honest word with her alone

Daniel: 07:01:52

Where does she work?

Daniel: 07:02:29

You could probably slip her a package with a letter and some materials...

Perdita Caroline Woodley: 07:02:56

\*sighs\* she used to work as a help assistant at a bank, but her father has made her work in his shop now, to keep an eye on her, you know typical corner shop, I couldn't even easily walk into the area

Daniel: 07:03:11

but someone could...

Perdita Caroline Woodley: 07:03:40

if I did take her anywhere, she would refuse to get in taxis because she most likely knew that the person driving the taxi would be related to her or would know her father, and tell him she had been out

Perdita Caroline Woodley: 07:03:56

so we used to walk everywhere

Daniel: 07:04:20

do your friends know her?

Perdita Caroline Woodley: 07:04:47

they did, but they sort of gave up caring after she was pulled out

Perdita Caroline Woodley: 07:05:13

I honestly think i'm the only one who talks to her now, and even then I haven't spoken to her for months up until now

Daniel: 07:06:02

well, perhaps draft a letter of friendly support, something positive and uplifting, and have them sign it... so she knows she has friends... include some brochures and phone numbers, whatever you find, put them in an envelope and have someone slip it to her.

Daniel: 07:06:13

probably should be small and discrete, though

Perdita Caroline Woodley: 07:06:23

yeah

Perdita Caroline Woodley: 07:06:48

I made friends with lots of her sisters, and many of them work in shops in woking..But I doubt even then I could trust them with such a thing

Daniel: 07:07:02

probably not...

Daniel: 07:07:17

maybe include some cash for trainfare...

Daniel: 07:08:17

prepaid mobiles don't fit well in envelopes, but might be helpful if she really doesn't have a way to discretely call you

Daniel: 07:08:54

basically, give her a choice - someplace safe to go, and means to get there

Perdita Caroline Woodley: 07:09:06

maybe I could go undercover, wrap myself up in a big black towel that covers me up to the eyes, little bit of orange make up around them for skin tone then casually slip in the shop, put on an amazing actress accent and slip her the goods

Daniel: 07:09:21

hmm

Perdita Caroline Woodley: 07:09:42

although the dad might be like "I've not seen you around here before, who's wife are you?"

Daniel: 07:10:06

I think just have one of your friends wander in the shop

Perdita Caroline Woodley: 07:10:18

how?

Daniel: 07:10:27

to shop/

Perdita Caroline Woodley: 07:10:33

it is a total muslim community, do you not see how crazy that would look?

Daniel: 07:10:35

I mean you can buy things?

Daniel: 07:10:53

People get lost.

Perdita Caroline Woodley: 07:11:01

it is like this area where practically no one white dare steps into

Daniel: 07:11:11

tourists do

Perdita Caroline Woodley: 07:11:15

....hun

Perdita Caroline Woodley: 07:11:21

are you kidding me?

Daniel: 07:11:24

you have no other muslim friends?

Perdita Caroline Woodley: 07:11:32

oh!

Perdita Caroline Woodley: 07:11:35

Hakim!!

Daniel: 07:11:40

Hakim!

Perdita Caroline Woodley: 07:11:42

Brilliant!!

Perdita Caroline Woodley: 07:11:45

\*claps\*

Daniel: 07:11:53

Tell him that if he does this for you, he can kill you!

Perdita Caroline Woodley: 07:12:08

lol i'll let him cut my arm once or something \*shudder\*

Daniel: 07:12:14

freak...

Daniel: 07:12:33

yes, Hakim will do nicely

Perdita Caroline Woodley: 07:12:35

well I care about my friends!

Perdita Caroline Woodley: 07:12:46

I'll do what it takes!

Daniel: 07:13:02

\*assumes that I am not your friend\* ;)

Perdita Caroline Woodley: 07:13:21

actually the dad might be suspicious with this good looking indian chap wondering in and handing his daughter a secret package

Perdita Caroline Woodley: 07:13:32

the shop is pretty small

Daniel: 07:13:39

well, it's worth a try

Daniel: 07:13:50

perhaps he can hide it somewhere nearby

Perdita Caroline Woodley: 07:14:03

and i'll phone and tell her where to pick it up!

Daniel: 07:14:08

exactly

Perdita Caroline Woodley: 07:14:13

I'm going to phone Hakim, uno momento

Perdita Caroline Woodley: 07:15:32

oh dear

Daniel: 07:16:02

he's busy torturing right now, please leave a message?

Perdita Caroline Woodley: 07:16:05

I set off Laura in a psycho mood.

Perdita Caroline Woodley: 07:16:18

\*slaps her forehead.\*

Daniel: 07:16:22

you did? how?

Daniel: 07:16:33

I mean, doesn't seem very hard...

Perdita Caroline Woodley: 07:16:56

she got fired from working in a lingerie shop after like the 3rd day

Perdita Caroline Woodley: 07:17:10

so I was trying to make her feel better

Daniel: 07:17:11

seducing the customers?

Perdita Caroline Woodley: 07:17:32

no apparently she was putting them off....

Perdita Caroline Woodley: 07:17:41

I think it was weight related or something, I have no idea

Daniel: 07:17:56

lol

Perdita Caroline Woodley: 07:18:23

lingerie shops in england only seem to hire like supermodel good looking fake blonde girlies.

Perdita Caroline Woodley: 07:19:37

so I was trying to make her feel better and just saying how I noticed they only hire the stupidly goodlooking girls who are much older with fake boobs, yeah Laura they were most likely just in envy over your boobs because they are real!

Perdita Caroline Woodley: 07:19:54

and so she said "You don't think i'm stupidly goodlooking?"

Daniel: 07:20:18

she really isn't... but who would notice?!

Perdita Caroline Woodley: 07:20:40

and I knew at that moment, no matter what I said....She was going to flip

Daniel: 07:20:54

yes, I know those moments

Daniel: 07:23:14

it's best to just run and hide

Daniel: 07:23:29

am going to wander to the park to play...

Daniel: 07:23:44

back later...

Perdita Caroline Woodley: 07:24:03

alright

Perdita Caroline Woodley: 07:24:09

\*sighs\* I just phoned Hakim

Perdita Caroline Woodley: 07:24:19

I should of known what the ass would say

Daniel: 07:24:48

yeah, what's that?

Perdita Caroline Woodley: 07:24:58

"What do I get in return?"

Perdita Caroline Woodley: 07:25:22

I was like "Urm goodwill and a feeling of content that you have helped one of your friends?"

Perdita Caroline Woodley: 07:25:34

and he said "Not good enough" and hung up, fucking bastard!

Daniel: 07:25:58

ah well

Perdita Caroline Woodley: 07:26:08

there is no ah well!

Daniel: 07:26:13

there are other schemes

Perdita Caroline Woodley: 07:26:13

I'm calling him back

Perdita Caroline Woodley: 07:26:17

have fun at the park

Daniel: 07:26:24

don't er, let him torture you.

Daniel: 07:26:29

I would not like that.

Perdita Caroline Woodley: 07:26:30

I will not be denied!

Daniel: 07:26:41

Yes, well, just be careful.

Daniel: 07:26:54

I might love you less if you were mutilated.

Perdita Caroline Woodley: 07:27:01

Daniel, fantasy is very different from reality

Perdita Caroline Woodley: 07:27:15

I played with this guy when I was a toddler

Perdita Caroline Woodley: 07:27:56

he was hardly wielding knives at that point, everyone has sick fantasies, like putting people on sticks and cooking them, does not mean they carry them out

Daniel: 07:28:12

yes, I always forget...

Daniel: 07:28:31

I am want to make my fantasies real...

Daniel: 07:28:37

...as are you, I might add.

Daniel: 07:28:44

Is why we are awesome.

Daniel: 07:29:00

Back later (or find me on MSN if is emergency)

Daniel: 08:13:59

what schemes?

Daniel: 08:14:26

"Other party's Skype does not support chat with multiple people"

Daniel: 08:14:31

:/

Daniel: 08:14:41

Well, that does not please me at all.

Perdita Caroline Woodley: 08:14:49

?

Perdita Caroline Woodley: 08:14:50

what?

Daniel: 08:15:24

dunno, is the message I got

Perdita Caroline Woodley: 08:15:44

are you suggesting I am talking with someone else!?

Daniel: 08:15:54

that is what skype was suggesting

Perdita Caroline Woodley: 08:16:03

Don't listen to skype

Daniel: 08:16:24

alright

Perdita Caroline Woodley: 08:16:30

^^;

Perdita Caroline Woodley: 08:16:34

\*smiles\*

Daniel: 08:17:23

you know, I really am not a jealous guy...

Daniel: 08:17:28

something about you, though.

Perdita Caroline Woodley: 08:18:08

i'm told I have that effect on men

Daniel: 08:18:35

I like to imagine that I am better than "men"

Perdita Caroline Woodley: 08:18:37

and women times 10...god, the jealousy of women is a scary scary thing

Daniel: 08:20:18

you seem less jealous than any woman I have met

Perdita Caroline Woodley: 08:20:27

lol that upsets them too!

Perdita Caroline Woodley: 08:20:36

They want me to be jealous for some weird reason

Daniel: 08:20:39

I like it.

Perdita Caroline Woodley: 08:20:40

it doesn't make any sense!

Daniel: 08:20:44

You are exceedingly unique.

Perdita Caroline Woodley: 08:21:52

I am just a firm believer than man should not have to be monogamous as such, desires are desires, we all get them single or otherwise.

Perdita Caroline Woodley: 08:22:38

I think my mothers attitude on the matter has helped me very much, she taught me some serious secrets.

Perdita Caroline Woodley: 08:22:42

speaking of secrets!

Perdita Caroline Woodley: 08:23:36

My mother told me a purely fabulous secret story!!

Perdita Caroline Woodley: 08:24:08

about, Venice in February!

Daniel: 08:24:18

Yes?!

Perdita Caroline Woodley: 08:24:32

about her and my father, god it was an exciting story!

Perdita Caroline Woodley: 08:25:23

But she was really embarrassed to tell it! And she swore me to secrecy but

God of God I want to tell you \*cries\*

Daniel: 08:25:33

you must!

Perdita Caroline Woodley: 08:25:36

But no wonder she never told me of the Venice Carnival! It makes sense now!

Perdita Caroline Woodley: 08:26:08

it is a story of lust and raunchy gondoliers!

Daniel: 08:26:35

yes! I must know...

Perdita Caroline Woodley: 08:26:53

I know but my mother has asked me to never tell anyone! \*Cries.\*

Daniel: 08:27:04

well fortunately I am not anyone.

Daniel: 08:27:07

I'm you.

Daniel: 08:27:12

We are one.

Perdita Caroline Woodley: 08:27:28

anyway

Perdita Caroline Woodley: 08:27:35

we have had our hour

Daniel: 08:27:43

have we?

Perdita Caroline Woodley: 08:27:46

\*nods\*

Daniel: 08:28:06

was pleasant

Daniel: 08:28:08

goodbye

Perdita Caroline Woodley: 08:28:13

see you tomorrow ^^

Daniel: 08:28:17

I am still starving, you know.

Daniel: 08:28:23

It is rather painful, actually.

Perdita Caroline Woodley: 08:28:26

..oh

Perdita Caroline Woodley: 08:28:29

it is?

Daniel: 08:28:33

Who puts starving people on a diet?

Daniel: 08:28:40

anyway

Perdita Caroline Woodley: 08:28:43

maybe you'll die or something!

Daniel: 08:29:03

I'm sure you would enjoy that.

Daniel: 08:29:09

I won't just to spite you.

Perdita Caroline Woodley: 08:29:29

\*frets quietly, although for someone who frets and worries there is an awfully large smile across her lips\*

Daniel: 08:29:30

This was a particularly unsatisfying hour, by the way.

Daniel: 08:29:43

Not at all what it should be.

Daniel: 08:29:53

But it is what you want.

Daniel: 08:30:03

And, it's all about you, isn't it?

Perdita Caroline Woodley: 08:30:11

\*has a little power trip and nods.\*

Daniel: 08:30:33

you know that this isn't even remotely in your best interest, right?

Perdita Caroline Woodley: 08:30:41

uh

Perdita Caroline Woodley: 08:30:42

how so?

Daniel: 08:31:06

Our happiness is a matter of investment.

Daniel: 08:31:30

You do not become wealthy by investing conservatively.

Perdita Caroline Woodley: 08:31:43

oh

Daniel: 08:31:43

In love as in money.

Daniel: 08:32:08

You already know this.

Daniel: 08:32:48

And so you will not be surprised when we do not do impossible things.

Perdita Caroline Woodley: 08:33:17

i'm just playing nurse to our 3am friend, he can't sleep or something, and is upset because I said i'd no longer talk to him on the phone

Daniel: 08:33:30

I see...

Daniel: 08:33:37

Well, that IS more important.

Daniel: 08:34:14

You know what your options are.

Perdita Caroline Woodley: 08:35:01

well I have stopped talking to him via the phone it was getting a little too...intense for my liking.

Daniel: 08:35:08

You know the workings of the universe - at least in a broad sense.

Daniel: 08:35:20

I asked you to do that days ago, didn't I?

Daniel: 08:35:31

And I thought you had agreed.

Daniel: 08:35:37

Locked yourself in your cage as it were.

Daniel: 08:35:46

I thought you understood.

Daniel: 08:36:06

You do.

Perdita Caroline Woodley: 08:36:20

well that was then

Daniel: 08:36:23

You are merely stubborn and spiteful.

Perdita Caroline Woodley: 08:36:26

I let myself out the cage days ago

Daniel: 08:36:41

Yes, all your eternal promises seem to be very ephemeral.

Daniel: 08:36:50

And you wonder why I don't trust you...

Perdita Caroline Woodley: 08:36:54

\*giggles\*

Daniel: 08:37:00

Why we keep going round in circles.

Daniel: 08:37:05

I'm not laughing.

Perdita Caroline Woodley: 08:37:13

Oh I am!

Perdita Caroline Woodley: 08:37:31

like the windmills of your mind

Daniel: 08:37:34

And why?

Daniel: 08:38:01

do you imagine that what I need right now is you laughing at me?

Daniel: 08:38:43

it's really what you want, I suppose

Perdita Caroline Woodley: 08:38:45

Oh I am sorry...It is hardly my fault you can't handle the goods.

Daniel: 08:38:54

goods?

Perdita Caroline Woodley: 08:39:06

is a pun..

Perdita Caroline Woodley: 08:39:21

well a english phrase anyway

Daniel: 08:41:36

By myself, alone, I can handle anything...

Daniel: 08:41:57

But, for reasons that surely made sense at the time, I have invested much of my self in you...

Daniel: 08:42:57

And, yes, now I am incapable of properly handling your scorn and your spite.

Perdita Caroline Woodley: 08:43:13

We are in Bazooko's Circus, in the bar which you sit at that spins, like a carousel!

Daniel: 08:43:13

Like setting sail on a boat and having your rowing partner rowing against you.

Daniel: 08:44:07

When she clearly promised that she would.

Daniel: 08:44:24

But, of course, that was then.

Daniel: 08:46:00

You really want me to believe that you don't care?

Perdita Caroline Woodley: 08:46:14

yes that was then, this is now

Daniel: 08:46:20

I see.

Daniel: 08:46:35

So you no longer love me?

Daniel: 08:46:45

No longer need me?

Daniel: 08:46:52

Are no longer my soul?

Daniel: 08:48:24

Because you are talking to your 3am friend, I imagine.

Daniel: 08:48:33

Which you knew you should not.

Perdita Caroline Woodley: 08:48:34

can't you tell?

Daniel: 08:48:40

I can tell.

Perdita Caroline Woodley: 08:48:44

no, he has gone to bed, took some time.

Daniel: 08:49:03

But I need you to tell me.

Perdita Caroline Woodley: 08:49:24

I cannot do that..

Daniel: 08:49:30

Then you are weak.

Perdita Caroline Woodley: 08:49:39

Not unless you invoke enough anger in me to do so.

Daniel: 08:49:51

And even that hardly lasts.

Daniel: 08:50:08

You have given me little reason to take you seriously

Daniel: 08:50:21

Ignoring me hasn't worked before, and won't work now.

Daniel: 08:50:43

All it does is tear my soul from my chest, and cause me to suffer wondering if it will return.

Daniel: 08:50:51

Which seems to bring you great pleasure.

Perdita Caroline Woodley: 08:51:08

Do you know..

Perdita Caroline Woodley: 08:51:13

That when I do that..

Perdita Caroline Woodley: 08:51:29

I experience the exact same pain..

Daniel: 08:51:47

I do not intentionally pain myself.

Daniel: 08:51:54

I cannot imagine that you do either.

Perdita Caroline Woodley: 08:52:25

It is a horrific gutless feeling, of wondering and of upset and constant thought of the other, of needing, this weird need to converse alone, to

know..

Daniel: 08:52:42

It's not so bad, when you are in it.

Daniel: 08:52:54

It's when you try and leave you feel the tug.

Daniel: 08:53:07

Like being upset at gravity...

Perdita Caroline Woodley: 08:53:13

see when you are in it, it is not so bad

Perdita Caroline Woodley: 08:53:16

so therefore

Perdita Caroline Woodley: 08:53:19

leaving it longer in it

Perdita Caroline Woodley: 08:53:43

will ease the pain off completely in time

Daniel: 08:53:54

no,

Daniel: 08:53:56

that's stupid

Perdita Caroline Woodley: 08:54:04

if we could leave ourselves in that state for say, 4 months, I assure you it would be gone forever

Daniel: 08:54:10

like saying that hiding in a tree will make the gravity go away

Daniel: 08:54:20

you assure me?

Daniel: 08:54:27

you do not have that faith.

Daniel: 08:55:46

Such powerful predictions require far better understanding of the workings of the universe than you presently have.

Perdita Caroline Woodley: 08:56:06

I could slap you..

Daniel: 08:56:19

But you can't.

Daniel: 08:56:24

Because I am not there.

Perdita Caroline Woodley: 08:56:34

\*sobs\*

Perdita Caroline Woodley: 08:56:38

I know

Daniel: 08:57:31

If I did let you go for four months, and then returned, you would fall so hard it would be more than you could manage.

Daniel: 08:57:39

It's like a spring...

Daniel: 08:57:54

the farther you pull, the more violently it snaps back

Perdita Caroline Woodley: 08:58:37

and what of you?

Daniel: 08:58:41

and what of me?

Daniel: 08:58:51

I have no interest in pulling away.

Daniel: 08:59:03

For I am lazy.

Perdita Caroline Woodley: 08:59:10

how about this

Perdita Caroline Woodley: 08:59:21

tell my your ideal girl, i'll find her

Daniel: 08:59:39

you really are messed up.

Daniel: 09:00:10

look, why don't you just go away for four months...

Perdita Caroline Woodley: 09:00:13

give me the description and I will bring her to you, and how the hell is that messed up!? I am offering you a better replacement

Daniel: 09:00:34

since you seem to need to be seriously smacked... the recoil from your flight will do you good

Daniel: 09:00:49

a better replacement?

Daniel: 09:00:52

for my soul?

Daniel: 09:01:22

how about finding me a girl that actually loves me, and realizes what a blessing that is?

Daniel: 09:01:46

a girl who wants to know the universe and to create with it.

Daniel: 09:02:02

a girl who is strong enough to do what she wills to do

Daniel: 09:02:20

who is not spiteful of the universe for all it's wonders

Perdita Caroline Woodley: 09:02:21

I will find you one!

Daniel: 09:02:39

you can't even find yourself!

Daniel: 09:03:00

look, just go away...

Daniel: 09:03:18

do whatever you think you "should" be doing...

Daniel: 09:03:27

ignore the universe entirely

Daniel: 09:03:39

when you hear our song, go deaf

Daniel: 09:03:54

when you see our poetry, go blind

Daniel: 09:04:04

maim yourself in whatever fashion you need to

Daniel: 09:04:17

destroy yourself as completely as you can.

Perdita Caroline Woodley: 09:05:40

\*Looks at the floor.\*

Daniel: 09:08:14

Have you read the Gospel of Thomas?

Daniel: 09:08:41

Jesus said, "Those who seek should not stop seeking until they find. When they find, they will be disturbed. When they are disturbed, they will marvel, and will reign over all. And after they have reigned, they will rest"

Daniel: 09:09:57

Is apocryphal gospel, but has much truth.

Daniel: 09:10:10

Jesus said, "I am the light that is over all things. I am all: from me all came forth, and to me all attained. Split a piece of wood; I am there. Lift up the stone, and you will find me there."

Daniel: 09:10:24

Do you imagine that you can hide from the universe?

Daniel: 09:11:00

You must convince yourself of Our Truth.

Perdita Caroline Woodley: 09:11:14

I do not want convincing!

Daniel: 09:11:29

You do, or you would not test it so...

Daniel: 09:11:51

Continually challenging the universe to show you what you already know to be true.

Daniel: 09:12:14

As if this were the ultimate question of your existence.

Daniel: 09:12:19

And, of course, it is.

Daniel: 09:12:29

But it's not the final one.

Daniel: 09:13:17

Imagine a baby...

Daniel: 09:13:20

learning to walk.

Daniel: 09:13:27

Crawling is just fine.

Daniel: 09:13:30

Why bother.

Daniel: 09:13:42

After all, these legs are so shaky and wobbly.

Daniel: 09:13:59

And yet, we all learn to walk...

Daniel: 09:14:14

Regardless of how stubborn a crawler we were.

Perdita Caroline Woodley: 09:14:32

...

Daniel: 09:15:15

Jesus said, "When you make the two into one, you will become children of Adam, and when you say, 'Mountain, move from here!' it will move."

Daniel: 09:17:04

Jesus said, "Come to me, for my yoke is comfortable and my lordship is gentle, and you will find rest for yourselves."

Daniel: 09:17:46

Jesus said, "How miserable is the body that depends on a body, and how miserable is the soul that depends on these two."

Daniel: 09:18:27

I would enjoy your company for eternity.

Daniel: 09:18:37

You have a unique thirst for knowledge.

Daniel: 09:18:53

You want to find things for yourself.

Daniel: 09:19:03

I want you to find me.

Daniel: 09:19:28

For though I have given you myself, I remain hidden.

Daniel: 09:21:33

His disciples said, "When will you appear to us, and when will we see you?"

Jesus said, "When you strip without being ashamed, and you take your clothes and put them under your feet like little children and trample them, then you will see the son of the living one and you will not be afraid."

Daniel: 09:21:56

You see, even Jesus liked naked... ;-)

Perdita Caroline Woodley: 09:22:21

!!

Daniel: 09:23:33

Jesus said, "I took my stand in the midst of the world, and in flesh I appeared to them. I found them all drunk, and I did not find any of them thirsty. My soul ached for the children of humanity, because they are blind in their hearts and do not see, for they came into the world empty, and they also seek to depart from the world empty."

Daniel: 09:24:18

Jesus said to them, "When you make the two into one, and when you make the inner like the outer and the outer like the inner, and the upper like the lower, and when you make male and female into a single one, so that the male will not be male nor the female be female, when you make eyes in place of an eye, a hand in place of a hand, a foot in place of a foot, an image in place of an image, then you will enter the kingdom."

Daniel: 09:24:25

...

Daniel: 09:24:52

Do not underestimate Our Poetry.

Daniel: 09:25:00

You do not.

Daniel: 09:25:26

You know that we have created something very special.

Perdita Caroline Woodley: 09:25:37

Who are you trying to convince?

Daniel: 09:25:56

I am not trying to convince anyone.

Daniel: 09:26:01

Just revelling in Truth.

Perdita Caroline Woodley: 09:26:06

then why answer on my behalf?

Daniel: 09:26:11

You have before, you know how intoxicating it is.

Daniel: 09:26:37

Oh, there is no "behalf" – you are no half.

Daniel: 09:26:51

We are a whole.

Daniel: 09:27:21

You struggle against me precisely as you did when I kept you within me.

Daniel: 09:28:00

But the time came for us to need a stronger soul.

Daniel: 09:28:18

And so you freed yourself from my cage (indeed, my rib cage)

Daniel: 09:28:27

And you have thrived as my soul.

Daniel: 09:29:14

And with freedom comes great power.

Perdita Caroline Woodley: 09:30:08

stop

Daniel: 09:30:14

I was.

Daniel: 09:31:23

...

Perdita Caroline Woodley: 09:31:41

...

Daniel: 09:31:53

It is long past your turn to speak.

Daniel: 09:32:12

Sing to me.

Daniel: 09:34:17

Jesus said, "After all, no one lights a lamp and puts it under a basket, nor does one put it in a hidden place. Rather, one puts it on a lampstand so that all who come and go will see its light."

Daniel: 09:34:51

Jesus said, "Often you have desired to hear these sayings that I am speaking

to you, and you have no one else from whom to hear them. There will be days when you will seek me and you will not find me.”

Daniel: 09:35:20

Jesus said, ”Whoever has something in hand will be given more, and whoever has nothing will be deprived of even the little they have.”

Daniel: 09:35:32

Why do you not sing?

Daniel: 09:35:46

Are you so afraid of the sound of your song?

Daniel: 09:36:48

Jesus said, ”I disclose my mysteries to those who are worthy of my mysteries.”

Daniel: 09:37:41

I desire to be worthy of your mysteries, my love.

Perdita Caroline Woodley: 09:38:37

\*Looks at him.\*

Daniel: 09:39:11

\*is always looking at her\*

Daniel: 09:39:29

I would kiss you.

Daniel: 09:39:50

Jesus said, ”Whoever drinks from my mouth will become like me; I myself shall become that person, and the hidden things will be revealed to him.”

Perdita Caroline Woodley: 09:40:30

I want to kiss you..

Perdita Caroline Woodley: 09:40:34

so much..

Daniel: 09:45:16

We kiss more passionately in thought and words than any have with lips and tongue.

Daniel: 09:48:51

Nonetheless, I would like to take tea with you.

Daniel: 09:49:39

If only because you forbid it.

Perdita Caroline Woodley: 09:49:57

It wouldn't be ok..

Daniel: 09:49:59

And I want nothing forbidden between us.

Daniel: 09:50:16

I wouldn't want it to be ”ok”

Daniel: 09:50:37

I have little use for "ok"

Perdita Caroline Woodley: 09:51:08

We would sit there either side of the table, with the tea, just looking..

Daniel: 09:51:43

if I was uninvited, you would be sipping furiously...

Daniel: 09:51:56

or is that just for champagne?

Daniel: 09:53:15

In truth, I think it would be remarkably comfortable.

Daniel: 09:53:40

More like taking tea alone, in meditation.

Daniel: 09:54:16

The tea keeping us from dozing off into oblivion.

Perdita Caroline Woodley: 09:54:55

you'd get the tea over your head I assure you, if it was uninvited!

Daniel: 09:55:16

\*smiles\*

Perdita Caroline Woodley: 09:56:09

do not smile!

Daniel: 09:56:57

no, it's not funny at all.

Perdita Caroline Woodley: 09:57:12

quite!

Daniel: 09:57:54

\*suppresses smile\*

Perdita Caroline Woodley: 09:58:00

!!!

Daniel: 09:59:54

It is a bit amusing. The thought that you invest all the effort in making a nice pot of tea, only to pour it on my head.

Daniel: 10:00:01

Very deliberate. Very evil.

Perdita Caroline Woodley: 10:01:59

I'd most likely coax you in first actually, false sense of security as they say

Daniel: 10:03:00

Yes, how clever...

Daniel: 10:04:23

Well, I've abused your hour rule sufficiently for today.

Daniel: 10:04:35

Though I remain starved, I will go.

Daniel: 10:05:16

I am sorry that your heart is mute.

Perdita Caroline Woodley: 10:05:21  
mute!?

Perdita Caroline Woodley: 10:05:24

\*Looks angry\*

Daniel: 10:05:47

Does it sing to me?

Daniel: 10:05:54

Have I heard it in days?

Perdita Caroline Woodley: 10:06:11

I am going now anyway, I need to get ready and go and enjoy myself

Daniel: 10:06:12

Perhaps it is too busy singing to others...

Perdita Caroline Woodley: 10:06:38

I don't have time to sing to old men. \*glares\*

Daniel: 10:06:55

I see.

Daniel: 10:07:31

Thanks for that... it was exceedingly painful.

## 2006.07.28

2006-07-28

Perdita Caroline Woodley: 07:26:43  
so today I learn another shocking truth

Daniel: 07:32:14

hi!

Daniel: 07:32:24

what another shocking truth have you learned?

Daniel: 07:32:43

I missed you... perhaps I simply awoke too early.

Perdita Caroline Woodley: 07:32:44

It is about our dear friend Miss Abby

Daniel: 07:32:47

Oh!

Daniel: 07:33:18

How is our babe bbq friend?

Perdita Caroline Woodley: 07:33:46

although I am not sure yet, but my suspicions are almost confirmed

Daniel: 07:33:59

yes?

Daniel: 07:34:27

you so have a sense of dramatic timing...

Daniel: 07:34:35

:P

Perdita Caroline Woodley: 07:34:39

I was in Caledon when I met a stranger, male guy named Dorian something or rather, in a nice suit etc, cane, pocket watch, hardly any hair

Perdita Caroline Woodley: 07:35:06

spoke briefly, he was a very boring personh

Perdita Caroline Woodley: 07:35:19

I went off to talk to John and he said good day

Perdita Caroline Woodley: 07:35:44

but then I log off, and later that day I log on to find a note card has been given to me by him

Perdita Caroline Woodley: 07:36:15

and the note card was like all about how he had been watching "us" from afar and how bad this all was for me

Daniel: 07:36:26

"us"?

Daniel: 07:36:31

us us?

Perdita Caroline Woodley: 07:36:33

as in you and me

Perdita Caroline Woodley: 07:36:58

and it spoke of john henry, as your lacky or something

Daniel: 07:37:09

lacky?

Daniel: 07:37:13

lacky!?

Daniel: 07:37:15

lover, perhaps.

Perdita Caroline Woodley: 07:37:18

lol

Perdita Caroline Woodley: 07:37:22

well

Perdita Caroline Woodley: 07:37:47

the letter was distressing and upsetting to me and really not very nice about you and so I decided I would not tell you about it

Daniel: 07:38:07

\*wonders if he need emote his displeasure\*

Perdita Caroline Woodley: 07:38:14

I showed it to john to ask for his opinion while we were sitting in caledon

Perdita Caroline Woodley: 07:38:30

but the letter had asked me to show no one, so I told John to keep it in confidence

Perdita Caroline Woodley: 07:38:44

he knew parts of the letter were about him and adviced I just did not reply

Perdita Caroline Woodley: 07:38:46

and so I did not

Perdita Caroline Woodley: 07:38:49

for many days

Perdita Caroline Woodley: 07:38:56

and more and more of these notecards came

Perdita Caroline Woodley: 07:39:25

the notecard said

Perdita Caroline Woodley: 07:39:40

"I know you gave John my letter, I saw you."

Perdita Caroline Woodley: 07:40:43

and then it went on to say again how I should stop this at once with you for my own health and that virtual should never mix with reality etc etc

Perdita Caroline Woodley: 07:41:02

and then there was another bit directly aimed at the poor dentist describing him as your minion or something

Daniel: 07:41:06

well, I don't play SL any more, do I?

Daniel: 07:41:12

so no mixing.

Daniel: 07:41:18

just real. no virtual.

Perdita Caroline Woodley: 07:41:35

quite, which is exactly what I have said in my reply that i am writing now

Daniel: 07:42:08

so what is the shocking truth about Miss Abby?

Daniel: 07:42:18

Just that he is her?

Daniel: 07:42:27

Secretly stalking you?

Perdita Caroline Woodley: 07:42:27

and then it went on to say how this man was my secret admirer, and at the end of the letter it says with regards from Dorian (Daniel)

Daniel: 07:42:47

Just what you need... a "secret" admirer...

Perdita Caroline Woodley: 07:43:06

so, I figured the only way this person could of known I had given the letter to john was someone who was around at the time

Perdita Caroline Woodley: 07:43:27

and indeed Miss Abbey was standing by the shop in ear listening range when I gave and told john about the letter

Daniel: 07:44:42

she sure holds a grudge for a long time...

Daniel: 07:45:06

or a torch...

Perdita Caroline Woodley: 07:45:14

I believe miss abbey to be a man! I believe those are not her photos, I believe she is a man who is named Daniel!

Perdita Caroline Woodley: 07:46:17

all her interests in SL are directed at women, and she tells me that you are stalkerish, I think her behaviour is one beyond stalkerish

Daniel: 07:46:30

er

Daniel: 07:46:34

but

Perdita Caroline Woodley: 07:46:38

creating an alt to spy on me and send me essay long letters about a man who isn't even in sl anymore!?

Daniel: 07:47:17

I don't think she's a man...

Daniel: 07:47:32

Well, assuming that our yahoo 360 inference is correct...

Daniel: 07:47:44

Could be that we are mistaken in that.

Daniel: 07:47:52

Perhaps she really is just infatuated with you.

Perdita Caroline Woodley: 07:47:56

This is what I believe from her behaviour, regardless of that yahoo profile

Perdita Caroline Woodley: 07:48:05

no, I know women, they do not get it that bad

Daniel: 07:48:09

I would agree. It is a mystery.

Daniel: 07:48:55

your phone on?

Daniel: 07:49:00

I want to try something kewl.

Perdita Caroline Woodley: 07:49:47

phone isn't in, hang on

Perdita Caroline Woodley: 08:00:35

I'll have to relog it's not working

Perdita Caroline Woodley: 08:03:51

should work now...\*crosses her fingers\*

Daniel: 10:42:05

Perdita Caroline Woodley: 10:50:50

Daniel: 10:51:04

am back home.

Daniel: 10:51:09

Daniel: 10:51:17

need to hack it a bit so it will run skype

Perdita Caroline Woodley: 10:51:28

Daniel: 10:51:54  
the things I do for you...

Daniel: 10:51:55  
:P

Perdita Caroline Woodley: 10:52:01  
think it will work?

Daniel: 10:53:39  
hmm

Daniel: 10:53:40  
maybe

Daniel: 10:53:44  
should

Daniel: 10:53:53  
if it does, will be very cool

Perdita Caroline Woodley: 10:54:08  
ok

Perdita Caroline Woodley: 10:54:10  
well

Perdita Caroline Woodley: 10:54:27  
i'll go sit outside, finish with smir off then come back in

Daniel: 10:55:17  
oh

Daniel: 10:55:19  
well,

Daniel: 10:55:28  
please don't drink too much

Daniel: 10:55:43  
it really doesn't change your mood, just enhances where you're at

Daniel: 10:55:47  
:)

Perdita Caroline Woodley: 10:55:53  
:/

Daniel: 10:55:59  
Of course, if you are currently in love with me...

Daniel: 10:56:02  
then DRINK!

Daniel: 10:56:07  
:D

Daniel: 10:56:50

but if you doubt, even a bit, then take it easy

Daniel: 10:57:27

hey... can you sign on MSN (to check out phone)

Daniel: 11:07:48

well, I saw you...

Daniel: 11:07:52

but then I did something else

Perdita Caroline Woodley: 11:09:30

k

Perdita Caroline Woodley: 11:19:48

And now I..I..Why do these coincidences, plague me so!? When will I be free of them. When will be able to spend a week free of them? When will they not slap me in the face? Why do they make me cry now? Such weakness..

Perdita Caroline Woodley: 11:19:50

such pain

Daniel: 11:20:12

What?

Daniel: 11:20:22

Tell me!

Daniel: 11:20:31

Do not suffer in silence...

Perdita Caroline Woodley: 11:21:06

it is of a different nature

Perdita Caroline Woodley: 11:21:11

it pains me so.

Perdita Caroline Woodley: 11:21:14

like nothing else

Daniel: 11:21:23

and you will hide it from me?

Perdita Caroline Woodley: 11:21:35

so saddenin..

Perdita Caroline Woodley: 11:21:42

You would not understand if I told you

Daniel: 11:21:48

I see.

Daniel: 11:22:01

You are hurting me today, with your doubts...

Perdita Caroline Woodley: 11:22:13

I am sorry

Daniel: 11:22:20

As if we were strangers.

Perdita Caroline Woodley: 11:22:27

I will go, there is no use in me being online anyway right now

Daniel: 11:22:30

And you do not trust or care for me.

Daniel: 11:22:34

:(

Daniel: 11:22:42

Why do you do this to yourself?

Perdita Caroline Woodley: 11:22:45

I will sit in the dying rays of the sun

Daniel: 11:22:46

Why do you do this to me?

Perdita Caroline Woodley: 11:22:48

and beg it not to go

Daniel: 11:23:02

I fear that if you are lost, I will not find you again today.

Daniel: 11:23:06

For you are so distant.

Perdita Caroline Woodley: 11:23:16

but still it will slip beyond the horizon, and I will weep..

Daniel: 11:23:19

I am unhappy today.

Daniel: 11:23:27

Very, very unhappy.

Daniel: 11:23:39

You are stronger than this.

Daniel: 19:59:17

You are seriously out of balance today, my love.

Perdita Caroline Woodley: 19:59:30

ok

Perdita Caroline Woodley: 19:59:34

one thing down

Daniel: 19:59:53

you aren't going to tell me a damn thing, are you?

Perdita Caroline Woodley: 19:59:56

I will

Perdita Caroline Woodley: 20:00:17

look I am being exceedingly logical about this

Daniel: 20:00:36

yeah, I'm sure...

Daniel: 20:00:47

like telling him about the webcam in the first place?

Daniel: 20:00:51

or ignoring me all day?

Daniel: 20:00:57

really fucking logical

Perdita Caroline Woodley: 20:01:14

when something kicks in like this that presents a major threat I have this sort of sub system that kicks in and takes control, I like to call it ultimate ruthless efficiency

Daniel: 20:01:31

so, losing the love of your life isn't a "major threat"?

Daniel: 20:02:31

why do I never see that "sub system"?

Perdita Caroline Woodley: 20:03:10

No listen, having alex g tell my brother what we were up to on the cam is the major threat

Daniel: 20:03:23

what we're up to?

Daniel: 20:03:28

we aren't up to anything?!

Perdita Caroline Woodley: 20:03:45

when something like this happens I deal with the first and most major on the list and then work my way down

Daniel: 20:03:58

what the hell did you tell him you were doing on cam?!

Perdita Caroline Woodley: 20:04:09

I told him exactly what I did

Daniel: 20:04:23

WHY?!

Daniel: 20:04:38

Even with venting, surely you have some discretion?

Perdita Caroline Woodley: 20:04:43

I was very angry and vented to the wrong person

Daniel: 20:05:08

WHY WERE YOU ANGRY?

Daniel: 20:05:13

YOU WEREN'T ANGRY.

Daniel: 20:05:52

I'm sorry, this is just too stupid for me.

Perdita Caroline Woodley: 20:05:57

I really was..

Perdita Caroline Woodley: 20:06:09

you didn't suffer it though, it got passed on down the line

Daniel: 20:06:09

You really weren't.

Daniel: 20:06:18

Why would you be?

Daniel: 20:06:27

Did I humiliate you?

Perdita Caroline Woodley: 20:06:32

it involved something to do with 3am

Daniel: 20:07:07

You have any idea how much you need me?

Daniel: 20:07:11

Any idea at all?

Perdita Caroline Woodley: 20:07:25

yes

Daniel: 20:07:34

er...

Perdita Caroline Woodley: 20:07:35

I am starting to get the picture

Daniel: 20:07:35

well...

Daniel: 20:07:38

good.

Daniel: 20:07:41

so

Daniel: 20:07:41

there.

Daniel: 20:08:02

you are a lunatic!

Daniel: 20:08:12

you keep this up, you won't make it to 20!

Perdita Caroline Woodley: 20:08:42

\*Closes her eyes.\*

Daniel: 20:09:09

\*calms down\*

Daniel: 20:09:21

\*hugs her and kisses her forehead softly\*

Daniel: 20:10:39

\*holds her tightly\*

Daniel: 20:10:47

Do you know how much I love you?

Perdita Caroline Woodley: 20:11:33

I...

Perdita Caroline Woodley: 20:11:57

I love you very much, very very much.

Daniel: 20:12:25

\*sighs\* you are still a lunatic

Perdita Caroline Woodley: 20:12:41

\*stops\* I take it bad

Perdita Caroline Woodley: 20:12:43

back\*\*\*

Daniel: 20:12:48

\*smiles\*

Perdita Caroline Woodley: 20:13:04

I don't want this crazyness

Perdita Caroline Woodley: 20:13:07

I want a normal life

Daniel: 20:13:09

I know!

Perdita Caroline Woodley: 20:13:12

I want a guy my own age

Daniel: 20:13:18

Heh.

Perdita Caroline Woodley: 20:13:19

I want to have 2 kids

Daniel: 20:13:21

Right.

Daniel: 20:13:23

I want 3.

Perdita Caroline Woodley: 20:13:26

I want to make pot roast

Daniel: 20:13:36

I will indulge you.

Daniel: 20:13:54

You think a guy your own age will put up with this shit?

Daniel: 20:14:16

No, my love, you need me.

Perdita Caroline Woodley: 20:14:41

yes but there wouldn't be "this shit" with a normal guy

Daniel: 20:14:47

er...

Daniel: 20:14:49

why?

Daniel: 20:14:59

because Jay would have said, "okay sure"

Daniel: 20:15:40

no, love, NOTHING so far has anything to do with my age.

Daniel: 20:15:55

married, maybe. age, no.

Daniel: 20:15:56

:P

Daniel: 20:16:02

hardly matters.

Daniel: 20:16:10

we are quite bonded for eternity.

Daniel: 20:16:24

You may wish I was younger.

Daniel: 20:16:30

I wish you had bigger boobs.

Daniel: 20:16:30

:P

Perdita Caroline Woodley: 20:16:39

no because if it were a real relationship with someone I just met down the pub jay wouldn't even know of it, and in the relationship we wouldn't talk of the universe me and this normal guy, we'd talk about cricket and shit, so there would be no lunitic talk

Daniel: 20:16:54

cricket and shit

Perdita Caroline Woodley: 20:16:57

and he'd take me for walks in the park and it would just be dull and simple

Daniel: 20:17:07

yes, I can imagine.

Daniel: 20:17:22

I can be dull and simple..

Daniel: 20:17:24

...

Daniel: 20:17:25

hmm

Daniel: 20:17:27

...

Perdita Caroline Woodley: 20:17:30

and we'd have dull and normal sex, and everyone would approve of the relationship

Daniel: 20:17:32

no, I really can't be.

Perdita Caroline Woodley: 20:17:49

and he'd be you know standard tall good looking simple normal guy, a lawyer

Daniel: 20:17:57

but on the flip side, no one would write an opera about you.

Perdita Caroline Woodley: 20:18:11

and i'd be unhappy, but it would be "normal" to conform to the fucking masses of what is right and acceptable

Daniel: 20:18:11

and the universe would hardly give a shit

Daniel: 20:18:59

ah well

Daniel: 20:19:06

better luck next time.

Daniel: 20:20:06

this time round, it's just adventure, excitement and really wild sex.

Perdita Caroline Woodley: 20:20:32

so don't you ever call me a lunatic

Daniel: 20:20:48

er, no... never...

Daniel: 20:20:55

you are a sexy lunatic.

Daniel: 20:21:07

does that make it sweeter?

Perdita Caroline Woodley: 20:21:14

I am only a lunatic because you have dragged me into this shit, what the hell did I do before you that was anything remotely lunatic?

Daniel: 20:21:21

dragged?

Daniel: 20:21:31

you dragged me...

Perdita Caroline Woodley: 20:21:43

Maybe you should read your own emails sometime

Daniel: 20:21:51

Maybe you should...

Daniel: 20:21:52

er...

Daniel: 20:21:58

I didn't drag you.

Daniel: 20:22:04

You seduced me!

Perdita Caroline Woodley: 20:22:08

No one in the entire world has ever bothered to try and pursue me so much.

Perdita Caroline Woodley: 20:22:27

no one have I ever tried to push away so hard only to have them come back closer

Daniel: 20:22:28

Because no one in the entire world has ever bothered to love me so much!

Perdita Caroline Woodley: 20:22:37

...

Perdita Caroline Woodley: 20:22:39

really?

Daniel: 20:22:45

To understand even a word I say.

Perdita Caroline Woodley: 20:22:54

Oh Dan..

Daniel: 20:23:10

To be my soul.

Perdita Caroline Woodley: 20:23:35

I cannot believe that, i'm sure others have tried to love you so much

Daniel: 20:23:54

No, I am scary and weird.

Daniel: 20:24:24

Most people who know me more than a drink or two are freaked out and intimidated by me.

Daniel: 20:24:44

Most people can't listen to the poetry of the universe without going quite mad.

Daniel: 20:24:50

Let alone live it.

Daniel: 20:25:05

Make no mistake, you are entirely unique in all of history.

Perdita Caroline Woodley: 20:25:09

\*Hugs him quietly.\*

Perdita Caroline Woodley: 20:25:24

that upsets me..that no one has

Daniel: 20:25:32

Why?

Perdita Caroline Woodley: 20:25:48

I don't know..I just feel like you have a right to be loved

Daniel: 20:26:02

I'm sure you will make up for lost time.

Perdita Caroline Woodley: 20:26:18

\*Nods.\*

Daniel: 20:26:25

But I don't believe that anyone has a "right" to be loved.

Daniel: 20:26:30

Not the way I seek.

Daniel: 20:26:46

It is uncommon.

Daniel: 20:27:00

Like saying that everyone has a right to truffles.

Daniel: 20:27:10

(which I had for dinner)

Daniel: 20:27:23

(well, truffle oil over my ravioli)

Perdita Caroline Woodley: 20:27:46

no no

Perdita Caroline Woodley: 20:27:54

you don't understand what I am saying..

Daniel: 20:27:57

No, such love as ours is quite unique... and clearly not for everyone.

Daniel: 20:29:08

Could I have met you sooner?

Daniel: 20:29:23

I don't imagine I could have.

Daniel: 20:29:40

You want to know a vision that I had the other night?

Perdita Caroline Woodley: 20:29:53

yes

Daniel: 20:30:29

I have virtually no memories before I was about 16...

Daniel: 20:30:41

A few, here and there, but no real sense of me.

Perdita Caroline Woodley: 20:31:32

really!?

Daniel: 20:31:35

I had this vision that sometime, around when I was 15 or 16 I woke up, became conscious, and you were conceived in that awakening.

Perdita Caroline Woodley: 20:31:51

no childhood memories!?

Daniel: 20:32:11

Perhaps when I was in Mexico, building houses for a church group, and "became a Christian"

Daniel: 20:32:22

Very few memories, actually.

Perdita Caroline Woodley: 20:32:25

!!

Daniel: 20:32:27

I have them.

Daniel: 20:32:34

But they don't feel like me.

Perdita Caroline Woodley: 20:32:57

How strange

Daniel: 20:34:02

They are more factual memories, I suppose.

Perdita Caroline Woodley: 20:34:13

and of christmas and so on?

Daniel: 20:34:29

I have no christmas memories, as such.

Daniel: 20:34:37

Well, one from when I was 6

Perdita Caroline Woodley: 20:34:53

\*Strokes his hair.\*

Daniel: 20:34:57

I kept dropping weapons from my action figure down the grate in my grandparents floor

Daniel: 20:35:12

Oddly, I am nostalgic for Christmas.

Daniel: 20:35:26

For a Bedford Falls type ordeal.

Daniel: 20:35:34

You know the film?

Daniel: 20:35:39

Do they show it in UK?

Daniel: 20:36:16

\*looks into her eyes\*

Daniel: 20:36:51

I really feel that my whole life is yours.

Perdita Caroline Woodley: 20:36:58

No but I am also exceedingly nostalgic for Christmas also..

Daniel: 20:37:04

That I have sought you from the moment you were born.

Perdita Caroline Woodley: 20:37:12

Someday i'll give you the best christmas day ever

Daniel: 20:37:42

I believe you will.

Daniel: 20:37:53

Why do I fear that there will be pot roast?

Perdita Caroline Woodley: 20:38:11

you'll be in awe for it every year that follow, it'll involve the most exotic amazing presents and girls fucking out of boxes and yes, pot roast! And John henry playing the piano

Daniel: 20:38:29

mmm.... boxes.

Perdita Caroline Woodley: 20:38:44

and the girls will have ribbons so you can unwrap them

Daniel: 20:38:57

and then make love to you in front of them?

Daniel: 20:39:12

because you know that I want no other...

Daniel: 20:39:15

I need only you.

Perdita Caroline Woodley: 20:39:42

and there will just be amazing gifts so unique that they make you smile for hours, and of course the yacht wont fit easily into a box

Daniel: 20:39:59

superbox for the superyacht

Perdita Caroline Woodley: 20:40:02

i'll be busy making the pot roast! Please work with my fantasy here

Perdita Caroline Woodley: 20:40:06

\*laughs.\*

Daniel: 20:40:23

imagines coming up behind you...

Daniel: 20:40:31

you are wearing an apron

Daniel: 20:40:35

and a corset

Daniel: 20:40:48

bending over to put the pot roast in the oven

Daniel: 20:41:16

mmm... pot roast

Perdita Caroline Woodley: 20:41:19

I would like you to know I don't actually have a fetish for it

Daniel: 20:41:25

well, you do now!

Daniel: 20:41:26

:P

Perdita Caroline Woodley: 20:41:42

I just have this need to recreate my dream ^^;

Perdita Caroline Woodley: 20:41:57

\*whispers that she doesn't even \*like\* pot roast \*

Daniel: 20:42:26

we can recreate all you like...

Daniel: 20:43:18

I have one or two dreams I might like to recreate as well...

Perdita Caroline Woodley: 20:43:45

you never tell me

Daniel: 20:43:53

you never ask

Perdita Caroline Woodley: 20:44:02

I am asking now.

Daniel: 20:44:12

About my dreams?

Perdita Caroline Woodley: 20:44:14

yes

Perdita Caroline Woodley: 20:44:20

tell me your dreams..

Perdita Caroline Woodley: 20:44:30

is the first step to making them come true

Daniel: 20:44:48

I thought if you told people they wouldn't come true...

Daniel: 20:44:51

or is that wishes?

Perdita Caroline Woodley: 20:45:09

yes

Daniel: 20:45:48

I dream of having you (and it's always been you, even when it wasn't) desire me...

Daniel: 20:46:26

I dream of costumes, of games, and of exotic locations.

Daniel: 20:46:42

I dream of making love to you and climaxing while a geyser erupts.

Perdita Caroline Woodley: 20:46:58

god that timing wouldn't be easy

Daniel: 20:47:06

I dream of making love to you by a waterfall.

Daniel: 20:47:12

In the wilderness.

Daniel: 20:47:17

In the sphinx ;)

Daniel: 20:47:30

I dream of your virginity.

Perdita Caroline Woodley: 20:47:32

i'm ok with the wilderness part, so long as there are no squirrels..

Daniel: 20:47:49

I dream of making love to you in outer space.

Daniel: 20:48:03

On the moon.

Perdita Caroline Woodley: 20:48:25

we can't do the sphinx one

Perdita Caroline Woodley: 20:48:29

and the moon would be tricky

Daniel: 20:48:43

I dream of you never saying no.

Perdita Caroline Woodley: 20:48:56

unelss you invent some joint space suit thing going on

Daniel: 20:48:57

I dream of you saying no, and being punished for it.

Daniel: 20:49:14

I dream of you saying no, and coming up with a better notion.

Perdita Caroline Woodley: 20:49:21

\*smiles.\*

Daniel: 20:49:44

I dream of complicated apparati, of dungeons, and swings, and paraphernalia.

Daniel: 20:50:03

I dream of taking you in the kitchen.

Daniel: 20:50:14

In our steam room.

Daniel: 20:50:20

In our hot tub

Daniel: 20:50:26

In our pool

Daniel: 20:50:29

In our gardens

Perdita Caroline Woodley: 20:50:31

paraphernalia\* do you mean?

Daniel: 20:50:36

Under our aspen tree.

Perdita Caroline Woodley: 20:50:39

oh no

Perdita Caroline Woodley: 20:50:45

the aspen tree is gone you know that!

Perdita Caroline Woodley: 20:50:48

\*cries\*

Daniel: 20:50:49

(we can get another)

Perdita Caroline Woodley: 20:50:54

it wont be the same!!

Daniel: 20:51:01

Actually, it well might me.

Daniel: 20:51:12

They are genetically identical to each other within a grove.

Daniel: 20:51:16

Is really just one tree.

Daniel: 20:51:40

What happened to the body?

Daniel: 20:51:44

(of the tree?)

Perdita Caroline Woodley: 20:51:57

I couldn't look after it from the wilds...I saved it twice from hell

Daniel: 20:51:58

You know, when I sent it to you, I hated you?

Daniel: 20:52:04

And you hated me.

Perdita Caroline Woodley: 20:52:11

and then it was gone

Daniel: 20:52:13

I was going to give you a spell to be rid of me forever.

Perdita Caroline Woodley: 20:52:20

stollen in the middle of the night, by a squirrel I like to think

Daniel: 20:52:37

To remove one leaf a day, and send them to me.

Daniel: 20:52:45

No doubt a squirrel.

Daniel: 20:53:00

We have plenty more aspens, I assure you.

Daniel: 20:53:07

It served it's purpose well.

Perdita Caroline Woodley: 20:53:09

one with a really bushy tail and beady black eyes

Daniel: 20:53:25

I dream of our children.

Daniel: 20:53:31

Of our grandchildren.

Perdita Caroline Woodley: 20:53:36

you have one!

Daniel: 20:53:37

I dream of you being a little old lady.

Daniel: 20:53:42

I have one!

Perdita Caroline Woodley: 20:53:45

There will be no more children

Daniel: 20:53:59

Doesn't mean that I cannot dream of them.

Daniel: 20:54:22

Surely it is at least as likely as anal sex on the moon.

Perdita Caroline Woodley: 20:54:58

fine fine

Daniel: 20:56:04

I dream of making love in our tomb.

Daniel: 20:56:12

Creepy, but it won't actually be a tomb.

Daniel: 20:56:22

(at least, not when we make love)

Perdita Caroline Woodley: 20:56:47

Yes.

Perdita Caroline Woodley: 20:57:08

Can we make love on easter island?

Daniel: 20:57:10

I dream of always dreaming of you.

Daniel: 20:57:18

Yes, we can make love on easter island.

Daniel: 20:57:29

We'll even be sure to face the right direction.

Perdita Caroline Woodley: 20:57:37

hehe

Daniel: 20:58:01

I dream of making a professional quality porn film with you.

Perdita Caroline Woodley: 20:58:36

\*smiles.\*

Daniel: 20:58:40

I dream of watching our porn film with you.

Daniel: 20:58:49

I dream of watching other peoples porn films with you.

Perdita Caroline Woodley: 20:59:08

they better be good ones, the amount of crap porn films i've seen

Daniel: 20:59:10

I dream of taking you to a formal ball.

Daniel: 20:59:32

I dream of everyone's eyes staring at how beautiful and how in love we are.

Daniel: 20:59:44

I dream of some of them actually being inspired by it.

Perdita Caroline Woodley: 20:59:49

\*smiles brightly.\*

Daniel: 20:59:59

And doing remarkable things with that inspiration.

Daniel: 21:01:51

I dream of our friends and family wondering how they ever doubted our love.

Daniel: 21:02:17

I dream of my son meeting you, and loving you.

Daniel: 21:02:59

I dream of my wife being happy.

Daniel: 21:03:19

I dream of Jay being happy and content.

Daniel: 21:03:26

I dream of impossible things, I know.

Perdita Caroline Woodley: 21:03:53

\*sighs\*

Daniel: 21:04:02

I dream of spending all eternity dreaming of you.

Daniel: 21:04:15

And in those eternal dreams, there is no impossible.

Perdita Caroline Woodley: 21:04:18

In this city...there are no people.

Perdita Caroline Woodley: 21:04:25

The lights are on in all the houses. But there's nobody on the streets

Perdita Caroline Woodley: 21:04:35

Are there people inside? I peek in a window to find out.

Perdita Caroline Woodley: 21:04:44

There are people. But they are with them.

Perdita Caroline Woodley: 21:04:52

I look in other houses. These people are with them, too.

Perdita Caroline Woodley: 21:05:02

This city is just like all the rest.

Perdita Caroline Woodley: 21:05:08

Being with them is fun. More fun than being with people.

Perdita Caroline Woodley: 21:05:16

Nobody comes outside anymore. There are no people in this city.

Perdita Caroline Woodley: 21:05:23

I will leave this city and go to another one.

Perdita Caroline Woodley: 21:05:30

I hope that I will meet someone. Someone just for me

Perdita Caroline Woodley: 21:05:39

But if that special someone falls in love with me...

Perdita Caroline Woodley: 21:05:58

I do not know what will happen, even so, I want to meet that special some-

one.

Perdita Caroline Woodley: 21:06:04

This is what I think as I leave the city with no people.

Perdita Caroline Woodley: 21:06:19

Just as I feared...there's no one here either

Perdita Caroline Woodley: 21:06:27

Everyone is inside with them.

Being with them is like living a beautiful dream.

Perdita Caroline Woodley: 21:06:52

A beautiful dream that no one wants to wake up from.

They will grant your deepest wishes.

They will do whatever you ask. They will be whatever you want. But they will not be true for they are not real.

Perdita Caroline Woodley: 21:07:17

They can do things that you cannot.

But...there is one thing...they cannot do. They cannot love.

Perdita Caroline Woodley: 21:07:27

Today I look for someone just for me.

Someone who will love me even if I can't fulfill their wishes.

Someone who has love for me alone.

But...

Perdita Caroline Woodley: 21:07:49

There is another me, another side to me.

The other me asks..."Does such a person exist?"

Perdita Caroline Woodley: 21:08:36

I need...someone whose love for me is true.

I want...someone who loves me without asking.

I hope...unless that someone loves me for being me... And in return I can love them, the special someone just for me.

Perdita Caroline Woodley: 21:08:48

Is this so?

"It is."

Perdita Caroline Woodley: 21:08:54

This someone exists?

"He does."

Perdita Caroline Woodley: 21:09:04

If so...then where?

Perdita Caroline Woodley: 21:09:11

My someone is nearby, I think. Perhaps I already know him.

"But..."

Perdita Caroline Woodley: 21:09:39

"People aren't like them. You can't erase their feelings."

"People aren't easy to change. The special someone just for me is different to them."

Perdita Caroline Woodley: 21:09:49

I know.

But people do change. Their feelings are dynamic.

Perdita Caroline Woodley: 21:09:59

"Feelings of love are more resistant than others."

Perdita Caroline Woodley: 21:10:21

"What if he never loves you?" Asks the other me.

Perdita Caroline Woodley: 21:10:27

The I'll have to decide.

Perdita Caroline Woodley: 21:10:34

Decide...and then do what must be done.

Perdita Caroline Woodley: 21:10:39

Me and the other me

Perdita Caroline Woodley: 21:11:00

They can be prettier than the real thing.

They can be smarter than the real thing.

They can be whatever people want them to be.

Whatever people can dream of.

Perdita Caroline Woodley: 21:11:05

But then...people forgot their dreams

Perdita Caroline Woodley: 21:11:15

And in time, they invited people to share a new dream...

...a dream they can't wake up from.

But...

Perdita Caroline Woodley: 21:11:27

Is that the dream that people want? Is that what happiness is? Asks the other me

Perdita Caroline Woodley: 21:11:51

But...are people truly happy being with them? Something that is not true not their special someone just for them, can they ever be content?

Perdita Caroline Woodley: 21:12:03

Is this city with no people truly happy?

Perdita Caroline Woodley: 21:12:09

I don't know. Because...

Perdita Caroline Woodley: 21:12:23

Happiness depends on the individual.

All people are different. No two are the same. I am just waiting for my special someone just for me.

Perdita Caroline Woodley: 21:12:38

People's souls come in all shapes and sizes.

And as time goes on and a person grows, their soul can change.

Their hopes and dreams can change.

Perdita Caroline Woodley: 21:12:50

That's why...there isn't just one type of happiness.

Then...

Perdita Caroline Woodley: 21:12:57

...there must be a way that I can be happy, too?

Perdita Caroline Woodley: 21:13:20

To find the person just for you, the someone waiting

Perdita Caroline Woodley: 21:13:44

One day I went to a new city.

Perdita Caroline Woodley: 21:13:49

The people are with them.

There are as many of them as there are people.

But...

Perdita Caroline Woodley: 21:13:56

There is only one person just for me...

Perdita Caroline Woodley: 21:14:10

...and I still have not found him.

Perdita Caroline Woodley: 21:14:19

You are a person, aren't you?

What was that? I should do what with my hand?

Perdita Caroline Woodley: 21:14:26

Hold it out?

Where are you taking me?

Perdita Caroline Woodley: 21:14:46

Is this your house? Why did you bring me here?

Are you...

Perdita Caroline Woodley: 21:14:52

Are you...

Perdita Caroline Woodley: 21:14:59

...the person just for me?

Perdita Caroline Woodley: 21:15:10

You might be...but...

Perdita Caroline Woodley: 21:15:22

Maybe he's just like everyone else. Maybe he just wants me to grant his wishes. Tells my other side

Perdita Caroline Woodley: 21:15:38

I'm not like the rest of them.

Perdita Caroline Woodley: 21:15:58

Many days have passed since you...

...brought me to this place.

Perdita Caroline Woodley: 21:16:06

You still go outside, even when you have me.

You experience many things outside.

Perdita Caroline Woodley: 21:16:12

And then you come home and tell me about them.

Perdita Caroline Woodley: 21:16:25

Sometimes you even take me outside and show me the wonders of the world.

Perdita Caroline Woodley: 21:17:02

You tell me that I can do whatever I want with my time, as we are equals.

Perdita Caroline Woodley: 21:17:16

Little by little, the time with you and me passes.

Little by little, this space becomes yours and mine.

Perdita Caroline Woodley: 21:17:22  
 Little by little, the distance is moving.

Yours and my distance.

Perdita Caroline Woodley: 21:17:34  
 But has the distance between us gotten smaller?

Perdita Caroline Woodley: 21:17:50  
 I do know that I want it to be smaller, I am afraid.

Perdita Caroline Woodley: 21:18:13  
 But then the same thing would happen again as it has before and we would repeat in this city with no people.

Perdita Caroline Woodley: 21:18:24

"It won't be the same."

Perdita Caroline Woodley: 21:18:49

"This person isn't that person."

"It's someone else. People are all different." Tells my other side.

Perdita Caroline Woodley: 21:19:01

"No two hearts are exactly the same."

"That's why the same thing won't happen."

Perdita Caroline Woodley: 21:19:06

Then is that person the "someone just for me?"

Perdita Caroline Woodley: 21:19:15

I don't know.

But...

Perdita Caroline Woodley: 21:19:41

...I'm starting to know he might well have always been the someone just for you. Tells my other side to me.

Perdita Caroline Woodley: 21:20:04

..little by little...

...I'm beginning to hope that...

...I can start finding happiness, something more beautiful than them, in this city with no people.

Perdita Caroline Woodley: 21:20:12

But...

Perdita Caroline Woodley: 21:20:27

...someone will come to stop it.

Someone will come to prevent me from finding the someone just for me,  
people always do.

Perdita Caroline Woodley: 21:20:37

And...

Daniel: 21:20:43

\*smiles\*

Perdita Caroline Woodley: 21:21:01

That person will take care of me from these people.

Perdita Caroline Woodley: 21:21:12

That person is kind.

To all people and all of them...

...he is kind.

Perdita Caroline Woodley: 21:22:00

That's right.

A person's heart can't stay the same forever. Tells my other side.

Perdita Caroline Woodley: 21:22:19

A person's heart changes a little bit everyday...

...because that is their nature., to change their wants and needs, we adapt.

Perdita Caroline Woodley: 21:22:29

It can be different.

It doesn't always have to be the same.

Perdita Caroline Woodley: 21:22:50

If he...

...finds in me the things that make me special.

If he likes me because I am me, because I am not one of them...

Perdita Caroline Woodley: 21:23:06

If that person...

...takes the time to find what makes me different from the others...

Perdita Caroline Woodley: 21:23:35

...if that happens...

...we may be able to become something a little different from before and  
I will not disagree with you so much. Tells my other side.

Perdita Caroline Woodley: 21:24:06

That someone he...is something precious...

...something you can't lose.

Perdita Caroline Woodley: 21:24:19

He has the proof that I am who I am...

...the special proof.

Perdita Caroline Woodley: 21:24:59

But I am still searching.

Still searching for that thing most precious.

Perdita Caroline Woodley: 21:25:15

Someone who I'll love because he is him.

Perdita Caroline Woodley: 21:25:47

The "someone just for me."

Perdita Caroline Woodley: 21:25:52

I know that...He says

...I am you...

...and you are me.

Perdita Caroline Woodley: 21:26:01

That's how I know that...

Inside of me, I'm one full person.

Perdita Caroline Woodley: 21:26:08

I am happy when that person smiles.

I am happy when that person is near.

Perdita Caroline Woodley: 21:26:17

Yes.

I am happy...

...when that person is happy.

That person is special, different from other people.

Perdita Caroline Woodley: 21:26:29

You found it!'

'The thing that makes that person special...

...that makes him different from the rest...is that he is him.'

I found him.

The person that's precious and special...

The "someone just for me."

Perdita Caroline Woodley: 21:26:44

I have found him.

I fell in love with him because he is that person.

Perdita Caroline Woodley: 21:26:58

...I want him to find me.

Perdita Caroline Woodley: 21:27:03

And I want him to love me.

Perdita Caroline Woodley: 21:27:14

This feeling inside of me...

...is very soft.

But sometimes it hurts.

I become full of this feeling when I think of that person.

Perdita Caroline Woodley: 21:28:06

'What is wrong?'

It hurts.

Perdita Caroline Woodley: 21:28:21

'It's a powerful feeling, isn't it?'

'A hurt so strong it can cause you to break.'

Perdita Caroline Woodley: 21:28:36

All I want right now, more than anything else...

...is to be with him.

Perdita Caroline Woodley: 21:28:52

The glow inside is brightest when that person is near...

...and the pain inside hurts more when he is away.

I am happiest when I think about that person...

...I am saddest when I think about that person.

That person makes all my feelings more intense.

That must be what love is.

Perdita Caroline Woodley: 21:29:43

So please...

...let the person that I love...

...be the "someone just for me."

Daniel: 21:30:22

That was very beautiful.

Daniel: 21:30:26

What is it?

Daniel: 21:32:01

(by now, of course, I know what it is)

Daniel: 21:32:59

There is not a shadow of doubt in my mind that you are the "someone just for me"

Daniel: 21:33:27

And I am blessed to have found you and to love you.

Perdita Caroline Woodley: 21:34:20

\*smiles.\*

Perdita Caroline Woodley: 21:34:50

Goodnight Mr.McShan

Daniel: 21:34:59

Goodnight, Miss Woodley.

Daniel: 21:35:09

Dream sweet dreams for me.

Daniel: 21:35:40

Dream sweet dreams for you.

## 2006.07.26

2006-07-26

Daniel: 18:26:39

Well, so much for that...

Perdita Caroline Woodley: 18:26:55

?

Daniel: 18:27:24

Was going over to friends house, but wife is sick, so am staying home to take care of Aidan.

Daniel: 18:27:37

So I will play with you instead.

Perdita Caroline Woodley: 18:27:38

oh!!

Daniel: 18:27:51

Which is what I would rather be doing anyways.

Daniel: 18:28:09

Want to show me your smiling face?

Perdita Caroline Woodley: 18:28:12

I was just looking at various things

Daniel: 18:28:23

Various things, you say?

Daniel: 18:28:30

What manner of various things?

Perdita Caroline Woodley: 18:28:32

yes..

Daniel: 18:28:42

I am quite a fan of various things.

Perdita Caroline Woodley: 18:29:00

I don't know..Do you ever find yourself looking at things you could never afford?

Daniel: 18:29:19

Like superyachts? No, never.

Perdita Caroline Woodley: 18:29:23

haha

Daniel: 18:29:56

It's useful to identify impossible things now, so that when we have them we properly appreciate them.

Perdita Caroline Woodley: 18:30:50

well it's not something i'd actually buy

Daniel: 18:30:57

So what various impossibilities have caught your mind?

Perdita Caroline Woodley: 18:32:38

oops

Perdita Caroline Woodley: 18:32:54

I just was talking to to joseph thinking it was you \*laughter\*

Perdita Caroline Woodley: 18:33:19

i'll just look at scottish property, that always makes me feel better because you can buy the most amazing things for nothing

Daniel: 18:34:52

joseph?

Daniel: 18:35:40

show me what you were looking at?

Daniel: 18:36:50

...

Perdita Caroline Woodley: 18:37:19

\*giggles\* this one is nice! And shockingly cheap, costs less than the house

we have now <http://www.primelocation.com/uk-property-for-sale/details/id/KFLAWS1>

Perdita Caroline Woodley: 18:38:06

<http://www.primelocation.com/uk-property-for-sale/details/id/KFLAWS1021479/>

Daniel: 18:38:16

cute house!

Perdita Caroline Woodley: 18:38:17

oh no, wait!

Perdita Caroline Woodley: 18:38:21

this one! \*laughs\* <http://www.primelocation.com/uk-property-for-sale/details/id/KFED>

Daniel: 18:38:32

Amazingly cheap.

Daniel: 18:38:39

Seriously.

Perdita Caroline Woodley: 18:38:39

shocking isn't it

Daniel: 18:39:06

But you have to live in UK...

Perdita Caroline Woodley: 18:39:28

all the scheming you could do in a house like that

Daniel: 18:39:34

agreed!

Perdita Caroline Woodley: 18:39:35

all the rooms you could have sex in

Perdita Caroline Woodley: 18:39:39

all the maids you could have!

Daniel: 18:39:43

and you'd have plenty of time to because of the weather!

Daniel: 18:40:03

I think I'd want something a bit more charming.

Perdita Caroline Woodley: 18:40:05

\*fans herself\* and the many many christmas decorations you could place

Perdita Caroline Woodley: 18:40:10

the giant parties you could have

Daniel: 18:40:13

yes!

Perdita Caroline Woodley: 18:41:26

\*shakes her fist, tears in eyes.\* I should of let patrick docherty touch me

up!!

Daniel: 18:41:33

feh

Perdita Caroline Woodley: 18:41:34

I could of been living in a house like that by now!

Daniel: 18:41:48

[http://www.telluriderealtors.com/listings/detail.php?property\\_id=1024](http://www.telluriderealtors.com/listings/detail.php?property_id=1024)

Perdita Caroline Woodley: 18:42:19

\$14,900,000!?

Perdita Caroline Woodley: 18:42:31

it isn't even that large!

Daniel: 18:42:35

Is literally on the slope!

Perdita Caroline Woodley: 18:42:56

i'd have to ski to the shops or something awful

Daniel: 18:43:09

That is why Telluride is Telluride, and the UK is the UK.

Daniel: 18:43:22

location, location, location

Perdita Caroline Woodley: 18:44:16

look this will clearly never work, you were born to live on ski slopes in tiny houses for stupidly large amounts of money while I was born to live in...In..Houses like this! <http://www.primelocation.com/uk-property-for-sale/details/id/hagaGUC050094/>

Daniel: 18:44:19

impressive thing is that folks who but \$14M homes in Telluride have several...

Daniel: 18:44:31

I think we can compromise.

Daniel: 18:44:43

Fabulous.

Daniel: 18:44:47

I quite like that.

Perdita Caroline Woodley: 18:45:04

70 million

Perdita Caroline Woodley: 18:45:07

double that in dollars

Perdita Caroline Woodley: 18:45:55

If I had a brothel there, no one could touch me, no police no nothing

Daniel: 18:46:04

true...

Daniel: 18:46:16

of course, we wouldn't actually NEED paying customers.

Daniel: 18:46:23

we could just have a resident harem

Daniel: 18:46:28

for parties and such

Perdita Caroline Woodley: 18:46:28

\*swoons\*

Perdita Caroline Woodley: 18:46:33

with exotic cushions!?

Daniel: 18:46:39

of course.

Perdita Caroline Woodley: 18:47:00

and.. and...a uh local elephant that could roam the estate

Daniel: 18:47:09

giraffe.

Daniel: 18:47:16

Aidan likes giraffes.

Perdita Caroline Woodley: 18:47:24

we will have 2!

Daniel: 18:47:38

agreed.

Perdita Caroline Woodley: 18:47:45

2 fucking giraffes! \*laughs\*

Daniel: 18:47:46

lest they get lonely

Daniel: 18:47:55

we will rescue them from a zoo

Daniel: 18:48:05

so we feel morally superior for having them!

Perdita Caroline Woodley: 18:49:18

[http://dragondebris.com/burning\\_man\\_2003/playa2/images/harem.jpg](http://dragondebris.com/burning_man_2003/playa2/images/harem.jpg)

Daniel: 18:49:33

wanna go?

Daniel: 18:49:45

to burning man

Daniel: 18:49:49

is in Nevada.

Daniel: 18:50:00

<http://www.burningman.com/>

Perdita Caroline Woodley: 18:50:03

the playboy mansion has a zoo thing going on!

Perdita Caroline Woodley: 18:50:27

<http://images.burningman.com/index.cgi?image=23944> !?

Daniel: 18:50:53

It's a trippy sorta place.

Perdita Caroline Woodley: 18:51:00

woww

Perdita Caroline Woodley: 18:51:04

giant cupcakes!!

Daniel: 18:51:09

You totally should come!

Daniel: 18:51:18

Fuck Pompeii

Daniel: 18:51:23

We'll go next summer.

Daniel: 18:51:34

Take Orient Express to Venice... then down to Rome.

Perdita Caroline Woodley: 18:51:36

I am going to enjoy pompeii

Daniel: 18:51:40

Yes, I know.

Daniel: 18:51:48

I just want to enjoy it with you.

Daniel: 18:51:50

\*sigh\*

Perdita Caroline Woodley: 18:51:53

I have to buy a whole new wardrobe for it though...

Daniel: 18:53:01

Yes, I imagine.

Daniel: 18:53:08

I am very jealous.

Daniel: 18:53:19

That you are going on adventure without me.

Daniel: 18:53:29

Almost unbearably so.

Perdita Caroline Woodley: 18:53:42

it's ok..

Daniel: 18:53:48

Is it?

Daniel: 18:53:53

Doesn't feel ok.

Daniel: 18:53:57

Feels kinda sucky.

Perdita Caroline Woodley: 18:54:02

....hm

Perdita Caroline Woodley: 18:54:44

Is better then Geneva

Daniel: 18:54:58

If you say so.

Daniel: 18:55:10

I'm just being selfish.

Perdita Caroline Woodley: 18:56:31

\*nods\*

Daniel: 18:56:48

You will have a wonderful time and make great memories with your friend.

Perdita Caroline Woodley: 18:57:35

I will.

Daniel: 18:57:41

I know.

Daniel: 18:58:17

And you will be so excited that you will not even miss me at all. I will have to figure out something to keep myself busy...

Daniel: 18:58:25

Something that doesn't actually require a soul.

Perdita Caroline Woodley: 18:59:00

<http://www.deviantart.com/view/20974148/> wow!!

Perdita Caroline Woodley: 18:59:48

I have an addiction to beautiful exotic things \*sobs\*

Daniel: 19:00:13

me too!

Perdita Caroline Woodley: 19:00:17

<http://www.deviantart.com/view/20972730/> check out this light!! Isn't this the best light ever!?

Perdita Caroline Woodley: 19:00:25

I could just....stare at it forever

Daniel: 19:00:42

very cool!

Daniel: 19:00:58

I totally want one!

Daniel: 19:01:02

And a place to put it.

Perdita Caroline Woodley: 19:01:03

and not because i'm on drugs either! XD Just because!

Daniel: 19:01:08

And the girls that go with it.

Daniel: 19:01:11

And the hookah.

Perdita Caroline Woodley: 19:01:20

hookaH

Perdita Caroline Woodley: 19:01:36

as Jerry so fondly places it

Perdita Caroline Woodley: 19:01:47

rang me from a HookAH bar once

Daniel: 19:01:56

er, I see

Perdita Caroline Woodley: 19:02:01

in england a hookah is a prostitute!

Daniel: 19:02:09

hooker.

Perdita Caroline Woodley: 19:02:16

it was meant to be a pun

Perdita Caroline Woodley: 19:02:24

but you just ruined it \*sighs\*

Daniel: 19:02:28

who knows with you english times.

Daniel: 19:02:30

types.

Daniel: 19:02:36

so dry, your humor

Perdita Caroline Woodley: 19:02:38

...

Perdita Caroline Woodley: 19:02:55

you clearly never saw the carry on films

Perdita Caroline Woodley: 19:03:08

all our humour is sexual

Daniel: 19:03:29

you must have very dry sex

Perdita Caroline Woodley: 19:04:50

Ok that's it \*Diverts her attention to the stockbroker.\*

Daniel: 19:06:56

hi.

Daniel: 19:07:08

so these are hardly impossible things

Daniel: 19:07:18

certainly nothing to sell out to a stockbroker for

Perdita Caroline Woodley: 19:07:57

Did I mention he is an exceedingly rich one who I had been chatting up shortly before I met you?

Daniel: 19:09:28

meh

Daniel: 19:09:45

I very much doubt it would be worth it.

Daniel: 19:10:50

Now, living in the Sphinx, that's impossible.

Daniel: 19:11:08

And worthy of my attention.

Daniel: 19:12:36

I quite like the idea of owning an entire town.

Daniel: 19:16:07

Making love to you, that's impossible.

Daniel: 19:16:13

And worthy of my attention.

Daniel: 19:16:40

Making love to you in our Sphinx home...

Daniel: 19:16:45

NOW we're talkin'

Daniel: 19:17:33

\*assumes she is talking to stockbroker\*

Daniel: 19:17:36

pity.

Daniel: 19:19:11

:(

Daniel: 19:19:22

The Sphinx... so lonely without you.

Perdita Caroline Woodley: 19:24:05

I KNEW the man was up to something! It was all too quaint inviting me out to Pompeii like that! I'm bloody furious and upset! I should of known there was a reason for it!!

Daniel: 19:34:05

hm?

Daniel: 19:34:13

I thought you just said there wasn't?

Daniel: 19:34:21

...

Daniel: 19:35:57

And what do you mean you KNEWS?

Daniel: 19:36:24

???

Daniel: 19:36:25

!!!

Daniel: 19:36:31

Speak, crazy girl.

Daniel: 19:39:04

Hey!

Daniel: 19:39:10

Pay attention!

Perdita Caroline Woodley: 19:39:32

oh

Perdita Caroline Woodley: 19:39:35

sorry

Daniel: 19:39:35

Your ACTUAL boyfriend is chatting to you.

Perdita Caroline Woodley: 19:39:38

\*sobbing\*

Daniel: 19:39:47

Tell me what happened.

Perdita Caroline Woodley: 19:41:13

I just don't believe this..The man comes online, drunk of all things (after having lectured me on drinking)

Perdita Caroline Woodley: 19:41:25

can barely type, tells me he has to tell me something

Daniel: 19:42:06

\*plays along as best he can\* yes? oh my. how unbelievable.

Daniel: 19:42:14

and?

Perdita Caroline Woodley: 19:42:35

and..

Daniel: 19:43:08

(yes, I already said that)

Perdita Caroline Woodley: 19:43:47

\*holds her handkerchief to her mouth, sobbing.\*

Daniel: 19:44:07

\*soothes her sympathetically\*

Daniel: 19:44:22

...

Daniel: 19:44:33

\*waits patiently for the unexpected punchline\*

Daniel: 19:45:53

...

Daniel: 19:46:02

this is slightly annoying

Daniel: 19:46:20

\*sigh\*

Daniel: 19:46:25

\*wanders off, bored of waiting\*

Perdita Caroline Woodley: 19:46:45

...

Daniel: 19:47:47

sorry

Daniel: 19:47:59

just remembering some story about your mother eradicating girlfriends

Daniel: 19:48:08

hardly matters.

Daniel: 19:48:12

so what did he say?

Daniel: 19:48:42

God, this must be embarrassing for you...

Perdita Caroline Woodley: 19:49:07

so he said "I have to tell you somethingssfd REALLY BAD!" So I asked him whatever it could be..

Daniel: 19:49:09

But, on the bright side, is quite amusing to me.

Daniel: 19:49:29

How romantic.

Perdita Caroline Woodley: 19:49:50

He said (I can't be bothered to put in the typos.) "I am taking you to Pompeii for a reason."

Daniel: 19:49:56

by now, you must have been suspecting what I am suspecting

Daniel: 19:50:23

that he's really gay, and is trying to convince his father that he is straight  
by bringing you along

Perdita Caroline Woodley: 19:50:36

So I asked him what it was

Perdita Caroline Woodley: 19:50:57

he said "I can't tell you, I have to tell you in pomepii."

Perdita Caroline Woodley: 19:51:09

so i said "No tell me now, I don't want any mix ups."

Daniel: 19:51:14

\*is on edge of my seat\*

Perdita Caroline Woodley: 19:51:14

then he started to cry

Perdita Caroline Woodley: 19:51:31

I told him it was ok and to just tell me whatever it was

Daniel: 19:51:33

oh dear

Perdita Caroline Woodley: 19:51:40

and he kept avoiding it, and that made me more angry

Perdita Caroline Woodley: 19:51:50

he said "No i'm drunk, please don't make me tell you."

Daniel: 19:51:55

I simply CANNOT imagine how horrible that must be?

Daniel: 19:52:20

having to drag out the truth from a drunk

Daniel: 19:52:27

you poor girl!

Perdita Caroline Woodley: 19:52:29

So I said "Tell me or i'll refuse right now to ever talk with you again."

Daniel: 19:52:41

Wow, you're getting pretty good at that... :P

Perdita Caroline Woodley: 19:53:28

He said "Ok fine you leave me no other choice \*lots of sobbing\*"

Perdita Caroline Woodley: 19:53:47

then he started trying to tell me about "Baraka"

Daniel: 19:53:53

Baraka?

Perdita Caroline Woodley: 19:53:56

and how it means "Blessing" in Arabic

Daniel: 19:54:21

\*really, really hopes this elongated tale has a surprise ending\*

Perdita Caroline Woodley: 19:54:32

I told him to stop being stupid and to tell me (for liek you I knew what was coming at that point)

Daniel: 19:55:04

how intuitive of you... perhaps you should become a gypsy.

Perdita Caroline Woodley: 19:55:10

And he said "My friend i'm going to India."

Perdita Caroline Woodley: 19:55:17

I said "What?"

Daniel: 19:55:19

What?

Daniel: 19:55:41

\*is infinitely please that the elongation at least had some purpose\*

Daniel: 19:56:07

India? To be gay?

Daniel: 19:56:15

I think that's just unreasonable.

Daniel: 19:56:22

You can be perfectly gay in the UK!

Perdita Caroline Woodley: 19:56:24

He said "I'm going to go and live in Rajasthan, i'm going this December, i'll never see you or any of my friends again, my home or my family \*sobb sobb sobb\*"

Perdita Caroline Woodley: 19:56:49

I was just like "what?"

Daniel: 19:56:49

You have so many gay friends... he can stay!

Perdita Caroline Woodley: 19:57:28

he was like "I invited you to Pompeii with my father so I could tell you both there \*sob sob\*"

Daniel: 19:57:37

what?

Perdita Caroline Woodley: 19:57:48

I said that too

Daniel: 19:57:53

\*is really impressed. this is a fabulous, fabulous tale\*

Perdita Caroline Woodley: 19:57:53

I said "You've not told your father?"

Daniel: 19:58:40

So he's bringing you along as a human shield?!

Daniel: 19:59:01

That is seriously seriously fucked up.

Daniel: 19:59:19

I would have respected a proposal more.

Perdita Caroline Woodley: 19:59:23

He said "No" I am in love with a girl in India and I have to go and live with her there I am so bitter about England and the people here, the fucking capitalist pigs!"

Perdita Caroline Woodley: 19:59:40

I was like "LUKE!?"

Daniel: 19:59:54

Fucking capitalist pigs?

Daniel: 19:59:58

So he's moving to India?

Daniel: 20:00:06

The final frontier of market capitalism?

Perdita Caroline Woodley: 20:00:20

he says he is going to go and do charity work also

Perdita Caroline Woodley: 20:00:31

and then the cutting line

Perdita Caroline Woodley: 20:00:39

the..."Come with me."

Daniel: 20:00:48

Why?

Daniel: 20:00:52

I thought....

Perdita Caroline Woodley: 20:00:53

exactly

Daniel: 20:00:56

\*scrolls back up\*

Daniel: 20:00:57

What?

Perdita Caroline Woodley: 20:00:59

!! exactly!

Perdita Caroline Woodley: 20:01:04

what does that mean!?

Daniel: 20:01:14

Your friend... he's not quite right in the head.

Perdita Caroline Woodley: 20:01:16

He wants me to go and do charity work with him

Perdita Caroline Woodley: 20:01:25

and live with him and his indian bride!?

Daniel: 20:01:33

And live w... exactly.

Perdita Caroline Woodley: 20:01:38

What's up with that!?

Daniel: 20:01:51

And you never heard about this girl?

Perdita Caroline Woodley: 20:01:52

then he started telling me I wasn't safe in England either

Daniel: 20:01:59

safe?

Perdita Caroline Woodley: 20:02:00

and that the system was out to get us both

Daniel: 20:02:10

well, there is a worldwide revolution coming

Daniel: 20:02:17

but India isn't exactly safe

Daniel: 20:02:39

I mean the universe isn't going to put up with this shit for much longer...

Daniel: 20:02:44

....

Daniel: 20:02:45

how odd.

Daniel: 20:02:53

did you get details on the girl?

Perdita Caroline Woodley: 20:03:11

I know, i've heard horrible things about white girls trying to live in rural parts of india and getting uh, well killed or..other stuff

Perdita Caroline Woodley: 20:03:21

he wouldn't tell me shit!

Daniel: 20:03:26

(you know that the "system" is actually designed to help us...)

Daniel: 20:03:38

(and keep the "others" down)

Daniel: 20:03:49

(but that's not the point)

Daniel: 20:03:51

so...

Daniel: 20:03:56

so, that's really fucked up.

Daniel: 20:04:14

why would he imagine that taking you to Pompeii is a good idea?

Perdita Caroline Woodley: 20:04:14

not really, it is a beautiful dream

Daniel: 20:04:30

no, the dream is beautiful.

Daniel: 20:04:34

I respect and admire it.

Daniel: 20:04:45

Bringing you to Pompeii with his dad... that's fucked up.

Perdita Caroline Woodley: 20:04:57

i'm like one of his best friends

Daniel: 20:04:58

Because surely his dad must think he has intentions on you?

Daniel: 20:05:04

Well, maybe not,

Daniel: 20:05:08

But nevertheless.

Perdita Caroline Woodley: 20:05:24

surely his dad knows he is in love with some indian girl?

Daniel: 20:05:29

I mean, if you had gone, to actually, I don't know, see Pompeii...

Perdita Caroline Woodley: 20:05:30

but just not that he is going to india

Daniel: 20:05:44

surely this would put a weird ambiance on the trip?

Daniel: 20:05:53

Like tension filled and stressful?

Perdita Caroline Woodley: 20:05:59

it's going to be really sad now..

Daniel: 20:06:05

Exactly.

Perdita Caroline Woodley: 20:06:07

i'll never see him again

Daniel: 20:06:14

And awkward, assuming his dad doesn't actually know?

Daniel: 20:06:24

You will see him again.

Daniel: 20:06:31

We'll go.

Perdita Caroline Woodley: 20:06:31

\*whines unhappily\*

Daniel: 20:06:35

Will be an adventure.

Daniel: 20:06:50

But I don't really understand this Pompeii thing, I guess.

Daniel: 20:07:03

I especially don't understand the "come with me" thing

Daniel: 20:07:15

I mean, I'd be impressed if you did

Perdita Caroline Woodley: 20:07:18

I don't get it either, i'm really upset

Daniel: 20:07:22

But seems like an odd perspective.

Perdita Caroline Woodley: 20:07:26

I think he is just scared to go alone

Daniel: 20:07:45

Weird.

Perdita Caroline Woodley: 20:07:45

sure to go there alone on holiday or adventure is one thing, but to go alone to live there?

Daniel: 20:07:56

The indian girl is there?

Daniel: 20:07:58

Or here?

Daniel: 20:08:01

Or where?

Daniel: 20:08:09

I mean, he won't be alone?

Perdita Caroline Woodley: 20:08:36

indian girl is clearly there isn't she!?

Perdita Caroline Woodley: 20:08:40

or he wouldn't be going!!

Perdita Caroline Woodley: 20:08:51

god, i'm going to bed.

Daniel: 20:08:54

I thought maybe "from" there?

Daniel: 20:09:01

Oh, don't go...

Daniel: 20:09:24

I...

Daniel: 20:09:55

hi.

Perdita Caroline Woodley: 20:09:59

what..

Daniel: 20:10:00

you can go if you like.

Perdita Caroline Woodley: 20:10:26

ok

Daniel: 20:10:26

I'm just being selfish again. ;)

Daniel: 20:10:31

Goodnight.

Perdita Caroline Woodley: 20:10:46

what time is it there?

Daniel: 20:10:50

9

Perdita Caroline Woodley: 20:10:54

shocking..

Daniel: 20:11:08

You are eternally surprised by the very obvious.

Daniel: 20:11:20

:)

Daniel: 20:11:34

I was just thinking that I might taste the fruit of your labors.

Perdita Caroline Woodley: 20:11:42

Oh yes..?

Daniel: 20:12:18

Yes, but I'm practicing patience.

Daniel: 20:12:23

I can wait, I suppose.

Daniel: 20:12:39

You did tell me an odd story with an exciting ending.

Daniel: 20:13:03

But I do long to see your beauty.

Daniel: 20:13:32

Especially since yesterday was so very crazy...

Daniel: 20:13:44

I'm sure we will arise tomorrow.

Daniel: 20:13:54

Sleep now.

Daniel: 20:14:05

Know that I love you and will always.

Perdita Caroline Woodley: 20:16:27

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=1aa.jpg&ref>

Perdita Caroline Woodley: 20:16:50

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=corset1.jpg&ref>

Daniel: 20:16:51

mmm

Daniel: 20:16:55

thank you!

Daniel: 20:17:30

you are amazingly sexy

Daniel: 20:17:47

the moment you invite me to be with you...

Daniel: 20:18:10

I want you Miss Perdita.

Daniel: 20:18:22

I want all of you.

Perdita Caroline Woodley: 20:18:52

\*Looks at the line of people who have said that same thing.\*

Perdita Caroline Woodley: 20:19:15

\*Looks at the empty line of people who have achieved it.\*

Perdita Caroline Woodley: 20:19:18

Goodluck with that

Daniel: 20:19:19

I do hope to set myself apart from them.

Daniel: 20:20:06

It is an impossible thing, I suppose.

Perdita Caroline Woodley: 20:20:12

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=thedoll1.jpg&ref>

Daniel: 20:20:17

Although apparently something you offer to your friends when drunk?

Daniel: 20:20:33

:P

Daniel: 20:20:46

Tell me,

Daniel: 20:20:58

Do you think I need goodluck?

Perdita Caroline Woodley: 20:21:10

I do not know.

Daniel: 20:21:35

I think that I already have plenty of luck.

Daniel: 20:21:43

I just need a miracle.

Daniel: 20:22:08

Something I imagine you will become exceedingly adept at.

Daniel: 20:23:25

I think that I started with the hard part...

Daniel: 20:23:50

(God, I \*hope\* that was the hard part)

Perdita Caroline Woodley: 20:24:00

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=adolll.jpg&r>

Daniel: 20:24:01

Perdita...

Daniel: 20:24:38

love me forever...

Daniel: 20:24:44

and then...

Perdita Caroline Woodley: 20:25:35

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=heels.jpg&r>

Daniel: 20:25:46

and then, it's my turn to love you forever.

Daniel: 20:26:03

pretty shoe.

Daniel: 20:26:21

too bad there isn't a cockroach under it :P

Perdita Caroline Woodley: 20:26:30

@.@;

Perdita Caroline Woodley: 20:26:32

\*shudders\*

Daniel: 20:27:10

Make me impossible promises.

Daniel: 20:27:17

Promise me impossible things.

Perdita Caroline Woodley: 20:27:28

promise the impossible haha..

Perdita Caroline Woodley: 20:28:00

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=kim2.jpg&re>

Daniel: 20:28:30

beautiful kimono

Daniel: 20:29:00

my impossible promise to you is to make you smile.

Perdita Caroline Woodley: 20:29:38

the day you buy me my old house will be the day i'll never stop smiling

Daniel: 20:29:52

as you wish.

Perdita Caroline Woodley: 20:30:08

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=kimonoback>

Daniel: 20:31:09

You love me forever... I'll buy you that house and ten just like it.

Perdita Caroline Woodley: 20:31:39

there isn't 10 like it i'm afraid

Perdita Caroline Woodley: 20:31:45

just the one, and i'll be content

Daniel: 20:32:00

Content?

Perdita Caroline Woodley: 20:32:06

<http://s81.photobucket.com/albums/j235/barekare/?action=view&current=kimonogirl.j>

Daniel: 20:32:15

Do you smile when you are content?

Perdita Caroline Woodley: 20:32:20

ok i'll never be content,XD

Perdita Caroline Woodley: 20:32:28

I wont be content until I

Daniel: 20:32:30

just so long as you smile.

Perdita Caroline Woodley: 20:32:34

until I have it all!

Perdita Caroline Woodley: 20:32:43

\*insert evil laughter here.\*

Daniel: 20:33:03

when we have returned to the stars...

Daniel: 20:33:19

then I will be content

Daniel: 20:33:35

and my smile will radiate throughout the heavens

Daniel: 20:34:27

just now, do you know my mind? my heart?

Daniel: 20:34:41

do you know how beautiful we are?

Daniel: 20:34:48

how glorious we shall be?

Daniel: 20:34:54

shh...

Daniel: 20:34:58

listen.

Perdita Caroline Woodley: 20:35:00

\*blinks.\*

Daniel: 20:35:23

listen to the universe

Daniel: 20:35:54

close your eyes, listen with your heart

Daniel: 20:36:45

feel our love resonating throughout time and space

Daniel: 20:37:12

be at home here, in this love

Daniel: 20:37:48

and though you may wander this world, never again leave

Perdita Caroline Woodley: 20:37:54

...

Daniel: 20:38:26

desire everything in the world...

Daniel: 20:38:53

for we will have so much more.

Perdita Caroline Woodley: 20:39:47

that last picture I sent you? You should look at the eyes..Because they are looking at you and no one else, goodnight

## **2006.07.25**

2006-07-25

Perdita Caroline Woodley: 09:18:48

”I fell in love. She was a vision of what I never knew to be true beauty.”

That is a wonderful quote from his page

Daniel: 09:19:13

that is wonderful.

Daniel: 09:19:30

tell me, before you met me...

Daniel: 09:19:46

had you ever heard such poetry?

Perdita Caroline Woodley: 09:20:17

I am also mistaken with my C's, he lives in California I think, still not sure, it is you who lives in Colorado lol

Daniel: 09:20:23

lol

Perdita Caroline Woodley: 09:20:40

and no I had not, well I think the druggie was trying to go somewhere with it...trying hard to express what he felt

Daniel: 09:20:46

EVERYBODY lives in California.

Perdita Caroline Woodley: 09:20:48

but I didn't quite grasp it back then

Daniel: 09:21:00

yes, I feel the same way...

Daniel: 09:21:15

like there were intimations of our poetry in words and pictures, song and film

Perdita Caroline Woodley: 09:21:27

I'm afraid I cannot really give you this page...He really did ask me not to, and I have morals if few.

Perdita Caroline Woodley: 09:21:39

like my fair lady

Daniel: 09:22:02

it's not important, I was just interested to read his poetry

Daniel: 09:22:48

Can you give me more of it?

Daniel: 09:23:00

I find it as attractive as you do.

Perdita Caroline Woodley: 09:23:20

he quoted something from our conversation in it actually

Perdita Caroline Woodley: 09:23:36

Subliminal

Have you ever sat down with a paper and pencil and then... wrote.. but without thinking about what you were writing? I did that today... the results were odd. It wasn't random gibberish. That part makes me ponder.

I think i'll be doing more of this soon.

Perdita Caroline Woodley: 09:24:02

Insanity is what drives me. Curiosity is what fuels me. Where ya Going? Need a ride?

Perdita Caroline Woodley: 09:24:41

I am the ousted dictator of fantasy land.

Who died and made me mayor of fantasy land? Well i could tell you but id pretty much self incriminate myself...

Daniel: 09:25:35

He is interesting.

Perdita Caroline Woodley: 09:25:39

Early on in the later parts of my life, what some would call the prime, others would call the top of the hill(just before tumbling down the other edge). I fell in love. She was a vision of what I never knew to be true beauty. But she wasn't what I was looking for.

Daniel: 09:25:54

And that was your job was it not?

Perdita Caroline Woodley: 09:26:09

She wasn't as tall as I was, myself being a tall glass, She being only about three forths as tall. It was a quick courtship both of us being saturated by all that the other was and meant, only then to be consumed by our equally delightful tastes in Decadence, leaving only crumbs of her and an empty shell of what held me.

For she was a cookie and I was milk. Mmmm... cookies and milk. So delightful, I hope to get some more soon.

Daniel: 09:26:10

To consume souls for us...

Perdita Caroline Woodley: 09:26:42

I like milk and cookies \*sobs\*

Daniel: 09:26:49

Oh my! The coincidences!

Perdita Caroline Woodley: 09:26:53

\*cries\*

Daniel: 09:27:01

I think you will survive.

Daniel: 09:27:06

We have cake!

Perdita Caroline Woodley: 09:27:26

"i think people should care. Apathy is such a disgusting thing."

Daniel: 09:29:02

Tell me what you think about him.

Perdita Caroline Woodley: 09:29:49

Beauty by the bucketful of fruit.

Dabbling in the darker parts of my mind, I stumble across memories lining the floor.

Kneeling there in the dark, I find thoughts that I didn't think would be back.

So it was, so it was. I was there and never knowing id be here i did the things

I did and would do them again much the same way it was. But there are things I would change and its not to late just yet to start on that way.

It all boils down to being more than I am and that's easy with all of the spare parts of me I've got lining the floor in my mind. So I got to figure out whets part of me and what's less of me to be left out of me.

Perdita Caroline Woodley: 09:30:13

I think..

Daniel: 09:31:04

I am impatient for your thoughts.

Perdita Caroline Woodley: 09:31:09

I..

Perdita Caroline Woodley: 09:31:27

my heart beats so fast when I try to think about it.

Daniel: 09:32:24

Let it!

Daniel: 09:32:32

Tell me what you see!

Daniel: 09:32:39

You are my eyes in the universe.

Daniel: 09:32:47

Look at me!

Daniel: 09:32:56

Tell me what I look like.

Perdita Caroline Woodley: 09:33:01

\*looks away.\*

Daniel: 09:33:07

Exactly!

Daniel: 09:33:14

Look away!

Daniel: 09:33:23

You cannot!

Perdita Caroline Woodley: 09:33:26

\*covers her eyes and sobs.\*

Daniel: 09:33:32

What is so sad?

Perdita Caroline Woodley: 09:33:45

I do not know!

Daniel: 09:33:49

You understand all to well. It is joyous!

Perdita Caroline Woodley: 09:34:01

I feel such loss when I talk to him

Daniel: 09:34:05

I know what you see! For I see it too!

Daniel: 09:34:18

Yes, it is beautiful, really.

Perdita Caroline Woodley: 09:34:22

this pain in my heart..

Perdita Caroline Woodley: 09:34:25

what is it

Daniel: 09:34:35

Did you read that poem about the moths?

Perdita Caroline Woodley: 09:34:41

no?

Daniel: 09:34:55

I sent it last week?

Perdita Caroline Woodley: 09:35:03

I have not been keeping track

Perdita Caroline Woodley: 09:35:34

i'm going downstairs, to see james and lil ollie

Daniel: 09:36:06

oh

Daniel: 09:36:08

alright

Daniel: 09:36:23

you need not hide...

Daniel: 09:36:52

but it concerns me that you do not read what I send you.

Daniel: 09:37:15

:P

Daniel: 09:37:40

I sent it on the 20th at 5:09pm my time, entitled "The moths and the flame"

Daniel: 09:38:14

I am impatient for your understanding.

Daniel: 09:39:33

I am impatient for your wisdom.

Daniel: 09:40:09

I am impatient for your wonder.

Daniel: 09:42:06

I will recite poetry in your absense.

Daniel: 09:43:41

One night a fool of God wept bitterly  
And said: "The world, as far as I can see,  
Is like a box, and we are locked inside,  
Lost in the darkness of our sin and pride;  
When death removes the lid we fly away-  
If we have feathers - to eternal day,  
But those who have no feathers must stay here,  
Tormented in this box by pain and fear."

Perdita Caroline Woodley: 09:44:33

back

Daniel: 09:44:34

Give wings to aspiration; love the mind;  
And if at death you'd leave this box behind,  
Grow wings and feathers for the soul; if not  
Burn all your hopes, for you will die and rot.

Daniel: 09:44:52

I quite like that verse.

Perdita Caroline Woodley: 09:44:55

lol I had a total john henry moment there

Daniel: 09:45:09

howso?

Daniel: 09:45:28

I am going to recite more poetry.

Perdita Caroline Woodley: 09:45:30

held the little baby in my arms, wept for no reason, told it i'd teach it magic tricks and cards!

Daniel: 09:45:41

lol

Daniel: 09:45:43

fabulous!

Daniel: 09:45:49

do you know any magic tricks?

Daniel: 09:45:54

other than escape?

Perdita Caroline Woodley: 09:45:56

oh yeah

Perdita Caroline Woodley: 09:46:11

they are all sexual though and involve women

Perdita Caroline Woodley: 09:46:38

i was going to tell you a story actually, a tale of love and woe

Daniel: 09:46:50

Yes?

Perdita Caroline Woodley: 09:46:56

I have felt rejection

Daniel: 09:46:57

I would enjoy to hear it.

Perdita Caroline Woodley: 09:47:00

the sting..

Daniel: 09:47:12

I like it already.

Daniel: 09:47:53

Tell me more. I will get tea.

Perdita Caroline Woodley: 09:48:00

sorry

Perdita Caroline Woodley: 09:48:03

eating ice cream

Perdita Caroline Woodley: 09:48:30

i'll just go all zombie until 3am I think

Daniel: 09:48:42

good plan.

Daniel: 09:48:55

ignore the poet for the poem

Perdita Caroline Woodley: 09:49:23

sorry it is just i'm really not feeling like typing, even tpying this sentence is annoying me somewhat

Perdita Caroline Woodley: 09:49:40

setence\*\*

Daniel: 09:49:40

\*smiles patiently\*

Daniel: 09:49:59

alright. go away.

Perdita Caroline Woodley: 09:50:10

i'm too tired to go anywhere

Daniel: 09:51:29

You ought do things which collect energy rather than waste it.

Daniel: 09:51:40

We have impossible things to do.

Daniel: 09:51:57

Things that require no effort, but vast amounts of energy.

Daniel: 09:52:28

I mispoke - you do not wish to collect energy at all

Daniel: 09:52:34

Simply redirect it.

Daniel: 09:52:53

Collecting energy is effortful.

Daniel: 09:53:17

At least for any duration.

Perdita Caroline Woodley: 09:53:18

I have to exert a stupidly large amount of energy soon, I have to uh sit and gather

Daniel: 09:53:26

On what?

Perdita Caroline Woodley: 09:54:02

on my witless friend who is unable to help herself it would seem

Daniel: 09:54:14

Ah yes. How fun that will be.

Daniel: 09:54:18

You know that, while we live, we starve.

Perdita Caroline Woodley: 09:54:43

I would not have bothered you know

Daniel: 09:54:51

Would not have bothered?

Perdita Caroline Woodley: 09:55:05

if she had not...said the words "help me perdy."

Perdita Caroline Woodley: 09:55:16

\*rolls her eyes.\* what else am I to do?

Daniel: 09:55:26

we will help her, of course

Perdita Caroline Woodley: 09:55:42

we?

Daniel: 09:55:47

we.

Daniel: 09:56:36

how do you imagine this works, you and I?

Daniel: 09:56:49

do you yet imagine that Perdy is all alone struggling with the universe?

Daniel: 09:56:57

for she is not.

Daniel: 09:57:13

she is your persona, of course

Daniel: 09:57:20

and your responsibility

Perdita Caroline Woodley: 09:57:24

I do not struggle with it

Perdita Caroline Woodley: 09:57:30

I dance with it

Daniel: 09:57:46

\*smiles more than he ever has\*

Daniel: 09:57:51

yes, you do.

Daniel: 09:58:37

I perhaps have never loved anything more than I love you right now.

Perdita Caroline Woodley: 09:59:15

I know.

Daniel: 09:59:43

You are a good person.

Daniel: 10:00:07

Which is to say, a marvelous actress.

Daniel: 10:03:07

I find my time with you most enlightening.

Perdita Caroline Woodley: 10:03:25

It is a pleasure to be in your company.

Daniel: 10:03:47

I feel at once teacher and student. It is entirely perfect.

Daniel: 10:04:31

It reminds me of...

Daniel: 10:04:36

You know the poet Rumi?

Daniel: 10:06:25

Hmm.

Daniel: 10:06:41

You have fled my presence by not my heart.

Daniel: 10:10:35

When you return I will tell your of Rumi and Shams.

Daniel: 19:21:33

Hi.

Daniel: 19:21:44

I can't talk right now.

Daniel: 19:21:46

Just IM.

Daniel: 19:21:51

(baby is nearly sleeping)

Perdita Caroline Woodley: 19:22:04

You may do what you like, in truth you did get to me like never before today, but I had not right to tell Jay, I needed to vent and it was the wrong person and by far the wrong tim

Perdita Caroline Woodley: 19:22:06

time\*

Daniel: 19:22:27

I know that I got to you.

Daniel: 19:22:34

And it was special and beautiful and true.

Daniel: 19:22:43

And I loved you so very much for it.

Perdita Caroline Woodley: 19:22:48

I am utterly ashamed, but perhaps better taught for it.

Daniel: 19:22:49

Like never before.

Daniel: 19:23:08

You humiliated me before an idiot.

Daniel: 19:23:11

I hate that.

Daniel: 19:23:48

I have never felt so angry.

Daniel: 19:23:54

It was wickedly intense.

Daniel: 19:24:00

But subsided quickly.

Perdita Caroline Woodley: 19:24:04

I could tell, i've heard some angry voices in my time..

Daniel: 19:24:07

...because he is an idiot.

Perdita Caroline Woodley: 19:24:11

that one just about topped it

Daniel: 19:24:15

Yes.

Daniel: 19:24:19

You... wow.

Daniel: 19:24:21

Just wow.

Perdita Caroline Woodley: 19:24:43

it was more angry than..God I don't know what

Daniel: 19:25:01

You know the depth of my love for you.

Perdita Caroline Woodley: 19:25:02

and then the storm!

Perdita Caroline Woodley: 19:25:08

I was shaking I swear to god!

Daniel: 19:25:08

Now you know it a little better.

Daniel: 19:25:44

I don't think it is a good idea for you to continue with your new Japanese friend just now.

Perdita Caroline Woodley: 19:25:47

no

Perdita Caroline Woodley: 19:25:52

I don't believe it is

Daniel: 19:26:13

But I do need to know what you feel that I can never offer you.

Daniel: 19:26:21

For the universe is really my best offer.

Daniel: 19:26:27

\*looks around\*

Daniel: 19:26:31

I don't really have much else.

Perdita Caroline Woodley: 19:26:37

that is the last thing i'll be telling you now

Perdita Caroline Woodley: 19:26:54

\*puts an extra lock on the cage, just in case.\*

Daniel: 19:26:57

I don't believe you are in a position to be judging anything.

Perdita Caroline Woodley: 19:27:20

yes but I am hardly going to risk your anger at this point in the game

Daniel: 19:27:23

I want to know what our limitations are that we may exceed them.

Perdita Caroline Woodley: 19:27:23

I'm not stupid you know.

Daniel: 19:27:37

Afterall, it is what got us into this mess.

Daniel: 19:27:43

So answer me.

Perdita Caroline Woodley: 19:27:44

I know when you push my cards and I know when i've pushed too far.

Daniel: 19:27:50

I gave you the chance to scheme.

Daniel: 19:27:58

Would you like another instead of the answer?

Daniel: 19:28:09

\*sigh\*

Daniel: 19:28:12

Power...

Daniel: 19:28:36

Look, I am not going to be angry.

Perdita Caroline Woodley: 19:28:37

That was beyond rare humiliation, there is no word for what it was!

Daniel: 19:28:45

Yes, it was horrific.

Daniel: 19:29:00

Think of it this way - I have no anger left today.

Perdita Caroline Woodley: 19:29:13

\*fans herself.\*

Daniel: 19:29:14

So I want to know what you seek.

Daniel: 19:29:32

It will not anger me.

Perdita Caroline Woodley: 19:29:44

yes but it might upset you

Daniel: 19:29:46

If I can offer it to you at all, then I will strive to do so.

Perdita Caroline Woodley: 19:29:49

i'm not digging either

Daniel: 19:30:02

If I am not able to offer it, then I need to know that as well.

Daniel: 19:30:09

It's a good time.

Daniel: 19:30:15

I'm quite relaxed.

Daniel: 19:30:19

And will not be upset.

Daniel: 19:30:43

So, I am asking you what you need.

Daniel: 19:30:51

Family, you said.

Daniel: 19:31:01

Truth.

Daniel: 19:31:04

Beauty.

Daniel: 19:31:07

Self-realization.

Daniel: 19:31:13

er

Daniel: 19:31:17

I don't remember the rest.

Perdita Caroline Woodley: 19:31:21

...

Perdita Caroline Woodley: 19:31:23

thats ok

Perdita Caroline Woodley: 19:31:33

no worries, don't worry about it

Daniel: 19:31:36

speak plainly, without obfuscation.

Perdita Caroline Woodley: 19:31:37

forget it even

Daniel: 19:31:48

I will not be able to forget it.

Daniel: 19:31:54

Fine.

Daniel: 19:32:01

Tell me what you do like about us.

Daniel: 19:32:32

Better yet...

Perdita Caroline Woodley: 19:32:33

I used to like that we really didn't fight

Perdita Caroline Woodley: 19:32:34

urm and

Daniel: 19:33:19

that we really didn't fight?

Daniel: 19:33:22

...

Daniel: 19:33:23

hi.

Daniel: 19:33:25

remember me?

Perdita Caroline Woodley: 19:33:36

I like that you are a vegetarian, despite the evil scary thing, shows you have morals.

Perdita Caroline Woodley: 19:33:52

I like that you don't take shit, I don't take shit either

Perdita Caroline Woodley: 19:34:05

I like that you seek something better in the world

Perdita Caroline Woodley: 19:34:16

I like that you dig poetry

Perdita Caroline Woodley: 19:34:43

I like that you have sexual desires (who doesn't? )

Perdita Caroline Woodley: 19:35:07

I like that you can take risks so easily without fear of the outcome

Perdita Caroline Woodley: 19:35:27

I like that you like..uh..god..what were they called, fruit loops?

Daniel: 19:35:40

mmm... fruit loops

Daniel: 19:36:06

now that I am sufficiently inflated

Daniel: 19:36:11

what don't you like?

Perdita Caroline Woodley: 19:36:25

I like that you scheme even if it is crazed sometimes (like the robotic brothel and the travelling stage in a lorry with a robot that eats the audience at the end, both of those are just fucked i'm afraid. )

Perdita Caroline Woodley: 19:36:38

I like your laugh.

Daniel: 19:37:17

people WILL pay to have sex with robots!

Perdita Caroline Woodley: 19:37:34

I hate your stubbornness

Perdita Caroline Woodley: 19:37:44

I hate the fact you don't just go with whatever I say

Daniel: 19:37:47

well, that is something we have in common, isn't it.

Perdita Caroline Woodley: 19:38:12

I hate the fact you can last for so long while being starved

Perdita Caroline Woodley: 19:38:28

I hate the fact that you are 35

Perdita Caroline Woodley: 19:38:39

I hate the fact that you came out of fucking no where

Perdita Caroline Woodley: 19:38:54

I hate the fact I can't actually hate you

Perdita Caroline Woodley: 19:39:07

I REALLY hate the idea that I need you in any shape or form

Perdita Caroline Woodley: 19:40:25

I'll have some more, gimme a moment to think of them

Perdita Caroline Woodley: 19:41:00

oh yeah, I fucking hate the fact you don't like tweety pie

Perdita Caroline Woodley: 19:41:03

that's about it

Perdita Caroline Woodley: 19:42:58

\*Waits for him to slap her or something.(

Daniel: 19:45:57

hi.

Daniel: 19:46:00

remember me?

Perdita Caroline Woodley: 19:46:24

..\*Wonders if she is going nuts.\*

Daniel: 19:46:33

look.

Daniel: 19:46:47

I can't do anything about any of the things you hate.

Daniel: 19:47:11

I can grow to like Tweety Pie.

Daniel: 19:47:14

Er

Daniel: 19:48:54

That's about it.

Daniel: 19:49:05

The rest you are just going to have to accept.

Daniel: 19:49:18

But they are poetic, if annoying.

Perdita Caroline Woodley: 19:49:21

\*grumbles\*

Daniel: 19:50:01

I love you more than I thought was possible.

Daniel: 19:50:13

You have opened my heart to impossibilities.

Perdita Caroline Woodley: 19:50:24

God this thunder, this isn't good thunder like the other day...

Daniel: 19:50:25

You inspire every cell in my body.

Daniel: 19:50:37

No, the universe is NOT happy with you, I imagine.

Perdita Caroline Woodley: 19:51:05

\*Quakes in fear.\*

Daniel: 19:51:16

For everything that I hate about you (and the list is extensive), I cannot deny that you are exactly what I seek.

Daniel: 19:51:24

And the things I hate, I need.

Daniel: 19:51:30

I need to be more patient.

Daniel: 19:51:34

To learn to wait.

Daniel: 19:51:37

To love others.

Daniel: 19:51:55

To be slower to anger.

Daniel: 19:51:59

To be practical.

Daniel: 19:52:03

(did I say that?)

Daniel: 19:52:17

But more than any of that, I need to love you.

Daniel: 19:52:43

I need you in my life.

Perdita Caroline Woodley: 19:52:44

\*clings to him.\* God this thunder is something else I swear to God

Daniel: 19:52:48

I need you to be my life.

Daniel: 19:52:56

I need you not to freak out about that.

Daniel: 19:53:07

To love the poetry we create.

Daniel: 19:53:13

To remain in awe of it.

Daniel: 19:53:17

To not take it for granted.

Daniel: 19:53:20

To feed it daily.

Daniel: 19:53:31

To bare your self to me often.

Daniel: 19:53:34

To not hide.

Perdita Caroline Woodley: 19:53:36

Oh the rain..

Daniel: 19:53:38

To reveal secrets.

Perdita Caroline Woodley: 19:53:40

That makes me feel better

Daniel: 19:53:47

Yes, the rain is always good.

Daniel: 19:53:54

Like a release of energy.

Daniel: 19:54:18

I need you Perdita.

Daniel: 19:54:29

You, specifically.

Perdita Caroline Woodley: 19:54:29

\*shrieks\*

Perdita Caroline Woodley: 19:54:37

this is fucking awful

Daniel: 19:54:40

Are you alright?

Daniel: 19:55:53

\*worries\*

Perdita Caroline Woodley: 19:56:00

yes sorry, I need to compose myself

Daniel: 19:56:14

\*smiles comfortingly\*

Daniel: 19:57:20

take your time

Perdita Caroline Woodley: 19:57:22

I think god is going to kill me or something! x.x;;;

Perdita Caroline Woodley: 19:57:30

I think the universe has had enough

Daniel: 19:57:30

I can't imagine why.

Perdita Caroline Woodley: 19:57:59

\*clings to the desk.\*

Daniel: 19:58:16

Don't fuck with god.

Daniel: 19:58:21

That is the lesson for today.

Daniel: 19:58:23

:)

Daniel: 19:58:38

Don't worry, I'm on good terms with her.

Perdita Caroline Woodley: 19:58:47

if I die, lillies at the funeral please?

Daniel: 19:58:50

We drink and do drugs occasionally.

Daniel: 19:58:55

Lillies. Of course.

Daniel: 19:59:01

I almost sent some last week.

Daniel: 19:59:08

A funeral arrangement for our death.

Perdita Caroline Woodley: 19:59:14

good, and I want fucking Hysteria playing throughout the whole thing

Daniel: 19:59:14

But you got fruit instead.

Daniel: 19:59:20

Got it.

Daniel: 19:59:23

Hysterical Lillies.

Perdita Caroline Woodley: 19:59:38

I want the actual band, muse there

Daniel: 19:59:40

And I will spend the rest of my life/fortune creating a suitable tomb for you.

Daniel: 19:59:47

I will do so.

Daniel: 19:59:55

If not, I will put them in your tomb.

Perdita Caroline Woodley: 19:59:59

and I want some dramatic shit to happen half way through

Daniel: 20:00:07

Hmmm

Daniel: 20:00:11

How about resurrection?

Daniel: 20:00:23

Assuming you haven't yet been flayed, or whatever that was.

Daniel: 20:00:30

Cuz that wud be gross.

Perdita Caroline Woodley: 20:00:35

flayed? erm

Perdita Caroline Woodley: 20:00:39

what is flayed?

Daniel: 20:00:41

What was it.

Perdita Caroline Woodley: 20:00:45

rotted?

Daniel: 20:00:46

Something about removing skn.

Perdita Caroline Woodley: 20:00:49

of

Daniel: 20:01:26

I don't know - you were on about death earlier.

Daniel: 20:01:30

And funeral preparations.

Perdita Caroline Woodley: 20:01:30

excarnation baby

Daniel: 20:01:34

exarnation!~

Daniel: 20:01:36

right

Daniel: 20:01:45

is my favorite new word

Perdita Caroline Woodley: 20:01:50

The act of depriving or divesting of flesh; excarnation; – opposed to incarnation.

Daniel: 20:01:56

sounds like a flower

Perdita Caroline Woodley: 20:02:00

heh

Daniel: 20:02:22

so, no exarnation if you select the resurrection option.

Daniel: 20:02:33

cuz that wud be gross

Perdita Caroline Woodley: 20:02:35

I bet to hell that volcano will go now while i'm there

Perdita Caroline Woodley: 20:02:54

I always was a fan of the corpse bride

Daniel: 20:02:56

I will wager that you have quite learned your lesson.

Daniel: 20:03:14

That you will listen when the universe speaks to you.

Daniel: 20:03:24

And will allow yourself to be lazy and happy.

Daniel: 20:03:35

If only for a few months.

Daniel: 20:03:36

:)

Daniel: 20:04:02

One benefit of my advanced years is that I know a few things about the workings of the universe.

Daniel: 20:04:08

Of course, I learned them at your age.

Daniel: 20:04:14

But that's not the point.

Daniel: 20:04:35

Stupid, dull people do not have these problems, incidentally

Daniel: 20:04:54

They don't fuck with the universe.

Daniel: 20:05:11

Animals don't fuck with the universe, either.

Daniel: 20:05:17

Just clever humans.

Daniel: 20:05:38

And it is a precious few who have the power and then the audacity to do so.

Daniel: 20:06:06

With great power, great responsibility.

Daniel: 20:06:37

I wonder if I can get Muse to record a song called Excarnation.

Perdita Caroline Woodley: 20:07:56

lol

Daniel: 20:08:02

\*wonders if he should order the lillies\*

Perdita Caroline Woodley: 20:09:08

I think that you should, just in case

Perdita Caroline Woodley: 20:09:18

\*is in fear for her life here in england\*

Daniel: 20:09:36

will do.

Daniel: 20:11:26

oh, before you go...

Perdita Caroline Woodley: 20:11:40

\*cries\* yes?

Daniel: 20:11:56

nevermind, I'll tell you on the other side.

Perdita Caroline Woodley: 20:12:07

\*sniffles up.\* right.

Daniel: 20:12:20

it'll make more sense then, anyways

Perdita Caroline Woodley: 20:12:29

yes, i'm sure.

Daniel: 20:13:02

will add some funeral dirges to our soundtrack

Daniel: 20:13:12

I...

Perdita Caroline Woodley: 20:13:17

great..

Daniel: 20:13:26

I think it is sad that I didn't get to kiss you.

Daniel: 20:13:33

Er, with your skin on.

Daniel: 20:14:04

ooh!

Daniel: 20:14:08

Lesbian Death Dirge!

Daniel: 20:14:11

Perfect.

Daniel: 20:15:58

If you die, I will drink expensive absinthe in your honor.

Daniel: 20:16:06

Er, even if you don't, I still will.

Daniel: 20:16:39

Oh!

Daniel: 20:16:42

Before you go?

Daniel: 20:16:52

Can you send me that song in email?

Daniel: 20:16:56

For posterity.

Daniel: 20:18:55

Hanging in there?

Daniel: 20:19:07

\*worries\*

Daniel: 20:19:47

should I order the white lily spray or the longiform lily tribute?

Daniel: 20:20:29

hmm... the white lily spray is for a casket.

Daniel: 20:20:46

but perhaps would look nice on a shelf.

Daniel: 20:20:51

if, in fact, you live.

Daniel: 20:25:07

I rather hope you survive.

Daniel: 20:26:46

Because I am not nearly done with you.

Daniel: 20:27:06

And... I would worry about you.

Daniel: 20:27:35

Since you haven't quite worked out this whole "traveling through the underworld and coming forth by day" bit

Daniel: 20:27:54

And, honestly, after today's stunts, I'm not sure how your heart would weigh :P

Daniel: 20:28:30

If you do die, you know that I will always love you.

Daniel: 20:29:18

And will remain True forever.

Daniel: 20:29:48

I will become the greatest poet ever, if need be, and will sing of your beauty and our love.

Daniel: 20:30:07

Generations will be inspired...

Daniel: 20:30:25

I will write an opera for you.

Daniel: 20:30:29

Well, not actually the music.

Daniel: 20:30:35

But I will compose the libretto.

Daniel: 20:31:01

I will commission the most beautiful music to be written.

Daniel: 20:31:07

Soaring and epic, like our love.

Daniel: 20:31:40

It will be the greatest achievement in all of human history.

Daniel: 20:32:00

But it will not begin to capture the depth of what I feel for you.

Daniel: 20:32:09

Of what we have created and become.

Daniel: 20:32:54

I will weep at every scene of every performance for it's inability to capture the beauty and truth that you have shown me.

Daniel: 20:33:16

Every word, every note will resonate throughout the universe.

Daniel: 20:33:44

It will be performed eternally, for so long as there is a mind to behold it.

Daniel: 20:36:16

when the last sentient beings watch the setting of the universe, as it collapses upon itself, they will reflect back on all of history and remark on

how there was nothing more beautiful nor true than our love...

Daniel: 20:37:06

they will collapse with it, perhaps envious that in all eternity, ours was the pinnacle

Daniel: 20:37:26

but they will also be content that all this \*waves arms about\* had a point

## 2006.07.24

2006-07-24

Daniel: 16:42:34

Hey sexy girl.

Daniel: 16:42:57

How are you?

Daniel: 16:43:55

No you.

Daniel: 16:44:48

Pity.

Perdita Caroline Woodley: 16:46:47

oh

Perdita Caroline Woodley: 16:46:48

shocking!

Daniel: 16:46:56

what's that?

Perdita Caroline Woodley: 16:46:57

sorry I am logged on another window

Perdita Caroline Woodley: 16:47:11

I could onyl hear your messages, go on msn?

Daniel: 17:48:41

Where did you go?

Daniel: 17:51:37

Hmm.

Daniel: 18:17:11

Where could you be

Daniel: 18:30:02

hmm, hmm, hmm

Daniel: 19:51:41

care to enlighten me?

Daniel: 19:59:04

I love you very much.

Perdita Caroline Woodley: 19:59:18

\*smiles.\*

Daniel: 19:59:59

And, even though you won't tell me, I know. You know?

Perdita Caroline Woodley: 20:00:23

you know?

Daniel: 20:00:56

I know that something is bothering you.

Daniel: 20:02:00

And I ask you to tell me, not because I want to know more.

Daniel: 20:02:12

But because I think it helps you.

Perdita Caroline Woodley: 20:02:18

...

Daniel: 20:03:05

And you know that it does, and that you don't like keeping such secrets.

Daniel: 20:03:29

But that hardly matters.

Perdita Caroline Woodley: 20:03:49

\*rests her head in her hands, thinking.\*

Daniel: 20:04:12

Just know that I love you, and think of it more like talking to yourself.

Daniel: 20:04:24

For I am an aspect of you.

Perdita Caroline Woodley: 20:06:17

I do not see why I should bother you with my bothers

Daniel: 20:06:26

You don't?

Daniel: 20:06:52

Because I am your best friend... and it's healthy to talk about things.

Daniel: 20:07:01

And I need to learn to just listen.

Daniel: 20:07:12

So that you can trust me with anything and everything.

Daniel: 20:07:27

Because that is the sort of love that I want.

Daniel: 20:07:38

And is the key to our long term happiness, I think.

Daniel: 20:07:48

Intercourse IS communication.

Daniel: 20:09:25

And our bothers, our day to day concerns, will bring intimacy.

Daniel: 20:09:30

And maintain our passion.

Daniel: 20:10:29

Because I will know you more, and you will trust me more, and we will love each other more for it.

Daniel: 20:10:44

The facts - the words - the issue - are hardly consequential.

Daniel: 20:11:00

What is essential is the act of communicating.

Perdita Caroline Woodley: 20:11:11

\*Falls asleep, leaning on him as she attempted her best to sit and listen.\*

Daniel: 20:14:29

\*smiles\*

Daniel: 20:14:41

And perhaps it's best to not save communication for bedtime :)

Daniel: 20:15:46

Just know that I am always here, I am always interested, and I always love you.

Perdita Caroline Woodley: 20:17:00

\*Mummers and sits upright.\* night night xxxx

Daniel: 20:17:36

I love you.

Daniel: 20:17:42

Good night.

Daniel: 20:17:48

Dream sweet dreams for me.

Daniel: 20:17:56

Dream sweet dreams for you.

**2006.07.21**

2006-07-18

Daniel: 13:27:40

How

2006-07-21

Perdita Caroline Woodley: 13:47:25

\*blink\*

Perdita Caroline Woodley: 13:47:40

how...now?

Daniel: 14:46:01

hihi

Daniel: 14:46:51

no you.

Daniel: 14:48:19

I ran to the market... was dangerously low on tea ;)

Daniel: 14:51:39

L'amour est un oiseau rebelle

Que nul ne peut apprivoiser,

Et c'est bien en vain qu'on l'appelle,

S'il lui conviet de refuser.

Daniel: 15:05:52

<http://www.youtube.com/watch?v=EtOoQFa5ug8>

Daniel: 15:06:35

...speaking of tubes ;)

Daniel: 15:11:05

Is (as you will see) making fun of a US Senator from Alaska who called the internet "a series of tubes"

Daniel: 15:26:14

And, incidentally, were I not blocked on MSN, I would have been able to tell you that I ran to the market. ;P

Daniel: 15:36:26

Hmm...

Daniel: 15:36:38

You were here? And now are not?

Daniel: 15:36:48

And now are?

Daniel: 15:38:54

Et c'est bien en vain qu'on l'appelle, indeed ;)

Daniel: 16:02:11

Well, maybe I'll call you tomorrow.

Daniel: 16:07:39

Miss Woodley, I bid the a pleasant evening.

Daniel: 16:07:45

thee, even :)

Daniel: 16:08:26

Dream sweet dreams for me.

Daniel: 16:09:22

Incidentally, you can find me on MSN if you need... well, not "need" of course, since you don't "need" me atall.

Daniel: 16:14:44

\*wonders if he's being ignored\* :)

Perdita Caroline Woodley: 16:23:21

\*stares a little.\*

Daniel: 16:23:36

hi beautiful.

Daniel: 16:24:07

where did you go?

Daniel: 16:25:28

Oh well. I had a lovely time talking with you.

Perdita Caroline Woodley: 16:25:30

I slept aparently

Daniel: 16:25:36

It should be like that, forever, I think.

Perdita Caroline Woodley: 16:25:36

uh apparently\*

Daniel: 16:25:44

Sleep!

Daniel: 16:25:47

Sleep is good, yes?

Perdita Caroline Woodley: 16:25:53

yes well now I am awake

Daniel: 16:25:58

hmm

Daniel: 16:26:07

well, that's maybe not so good.

Perdita Caroline Woodley: 16:26:13

why?

Daniel: 16:26:34

well, is sleepy time?

Perdita Caroline Woodley: 16:26:53

i'll get over it

Daniel: 16:26:56

I don't much care for late evening naps.

Daniel: 16:26:59

So you say :)

Daniel: 16:27:06

Dinner was good?

Perdita Caroline Woodley: 16:27:28

wonderful, if not a drunken madness

Daniel: 16:27:55

Drunken madness?

Daniel: 16:27:58

Gracious.

Perdita Caroline Woodley: 16:28:13

lol isn't this strange coming from a gay man... \*Peers blindly at the other window.\*

Perdy- Misery loves company. says:

It is hardly questionable as a normal love affair. It is without a doubt the strangest thing I have ever known, for someone to know you, not just to

believe they know you but to really know the workings of your soul...

Perdita Caroline Woodley: 16:57:20

Perdita Caroline Woodley: 17:02:55

Perdy- Misery loves company. says:

It is also the most frustrating thing I have ever known, for as much as I love him I also hate him, I find myself constantly running away but from what? Only wanting to be found... he seeks me in the most poetic nature, the strangest gifts...It as if the universe were crafted so that he might find me.

Perdy- Misery loves company. says:

Perdita Caroline Woodley: 17:12:05

Perdy- Misery loves company. says:

Perdita Caroline Woodley: 17:12:54

he reminds me of me. he said "dont you appreciate your garden more after sex" i said "i love you" he said "kiss me" i said "where" says:

Daniel: 17:24:58

See, Miss, \*I\* would have taken you to Paris, you know? En route to Venice, but no.... I'm not invited :P

Perdita Caroline Woodley: 17:26:49

...

Perdita Caroline Woodley: 17:27:40

I wonder why I have been invited on so many holidays this summer?

Perdita Caroline Woodley: 17:28:30

I was totally meant to be going to go look at Mayan temples with my anthropologist professor friend!

Daniel: 17:30:25

you are sexy.

Perdita Caroline Woodley: 17:31:14

I am now going to go and bake a cake!

Perdita Caroline Woodley: 17:31:19

Just because.

Perdita Caroline Woodley: 17:32:18

Urges must be obeyed I find.

Daniel: 17:34:29

Yes, they must.

Daniel: 17:34:42

Will you eat it, too?

Daniel: 17:36:00

Incidentally, I am still slightly bitter that another man who has intentions is taking you on an adventure... :P

Daniel: 17:37:30

Indeed, if I didn't know better (and I don't) I'd assume that he changed the vacation to Pompeii just for you.

Daniel: 17:38:21

It's all good... I'm totally winning the bet, though.

Perdita Caroline Woodley: 17:49:34

no

Perdita Caroline Woodley: 17:49:38

you are not

Perdita Caroline Woodley: 17:50:13

My urge quickly subdued when I reached the kitchen and was replaced with a need to cook Chinese, which I then did!

Daniel: 18:00:07

I cooked Chinese!

Daniel: 18:00:10

It failed horribly.

Daniel: 18:00:19

Was to be dumplings.

Daniel: 18:00:23

Was, in fact, not.

Daniel: 18:00:39

As for the bet, he totally wants you.

Daniel: 18:00:49

Oh! You left?

Daniel: 18:00:53

Weird.

Perdita Caroline Woodley: 18:01:44

wait

Perdita Caroline Woodley: 18:01:50

you cooked chinese too!?

Daniel: 18:02:06

I did.

Perdita Caroline Woodley: 18:02:10

how strange!

Daniel: 18:02:12

Was to be dumplings, as I said.

Daniel: 18:02:24

But was instead some form of noodly thing.

Perdita Caroline Woodley: 18:02:34

I think the word dumplings is adorable

Daniel: 18:02:37

With dumpling innards and noodly appendages.

Daniel: 18:02:46

Do you grok noodly appendages?

Perdita Caroline Woodley: 18:02:52

I cooked noodles, with mushrooms

Daniel: 18:03:03

<http://www.venganza.org/>

Perdita Caroline Woodley: 18:03:10

haha honey

Perdita Caroline Woodley: 18:03:14

that site

Daniel: 18:03:19

just checking

Perdita Caroline Woodley: 18:03:23

well..long story

Perdita Caroline Woodley: 18:03:26

wont go into it

Daniel: 18:03:31

Imagine that...

Daniel: 18:03:41

You do that an awful lot.

Perdita Caroline Woodley: 18:03:56

As I say I know many many people, including a group who are crazed by that religion to the point of madness

Daniel: 18:03:58

Someday I will simply tie you up and tickle you until you complete all your long stories.

Daniel: 18:04:00

...

Daniel: 18:04:05

Did you call me honey?

Perdita Caroline Woodley: 18:04:12

no?

Daniel: 18:04:45

No... of course not.

Perdita Caroline Woodley: 18:04:48

they dress up as pirates and spread the weird gospel

Daniel: 18:04:55

In SL?

Perdita Caroline Woodley: 18:05:00

irl

Daniel: 18:05:05

Beautiful.

Daniel: 18:05:18

And now....

Daniel: 18:05:22

you can join them!

Perdita Caroline Woodley: 18:05:25

I could join Barry in his gorup now, having a pirate costume

Daniel: 18:05:32

Stop that.

Perdita Caroline Woodley: 18:05:35

I know

Daniel: 18:05:38

You have seen the graph, then?

Perdita Caroline Woodley: 18:05:41

I was about to say the same

Perdita Caroline Woodley: 18:05:41

yes

Daniel: 18:05:48

It's fabulous.

Perdita Caroline Woodley: 18:05:50

It is!

Perdita Caroline Woodley: 18:06:04

did you hear about the pirates who attacked that cruise liner?

Perdita Caroline Woodley: 18:06:12

with plastic parrots in a little dingie?

Perdita Caroline Woodley: 18:06:19

tried to take the whole thing over

Daniel: 18:06:23

no! but I approve!

Daniel: 18:06:26

I like pirates.

Perdita Caroline Woodley: 18:06:34

had guns and everything, even a little skull n cross bones flag sooo kewl!

Daniel: 18:06:38

I have considered using my yacht for such.

Daniel: 18:06:40

Er..

Perdita Caroline Woodley: 18:06:44

...

Daniel: 18:06:44

Not that I have a yacht.

Daniel: 18:06:51

I think pirates are fascinating.

Perdita Caroline Woodley: 18:06:57

so do I!!

Daniel: 18:07:00

Because in real life, they raped and pillaged.

Daniel: 18:07:05

And now they are amusing.

Perdita Caroline Woodley: 18:07:10

\*Looks at him in some hidden awe.\*

Perdita Caroline Woodley: 18:07:26

Barry is a great pirate

Daniel: 18:07:40

Like I wonder if in hundreds of years kids will dress up as Nazi's for hal-loween, and parents will think it's cute.

Perdita Caroline Woodley: 18:07:49

not so sure about the rest of them, they are just his wannabie followers

Daniel: 18:07:59

Mobsters are fashionable like that, too.

Perdita Caroline Woodley: 18:08:15

I thought it was cute when Harry dressed as a Nazi

Daniel: 18:08:33

So did I!

Daniel: 18:08:42

In truth, that's what I love about Allo Allo.

Perdita Caroline Woodley: 18:08:54

God I made public outcry at that

Daniel: 18:08:55

The "Gestapo staff car" cracks me up every time

Perdita Caroline Woodley: 18:09:59

Have you seen the one where they are working in the grape vines, like treading down the grapes and they try to poison the wine?

Perdita Caroline Woodley: 18:10:09

Not that I am into poison or anything, but you know.

Daniel: 18:10:25

yes!

Perdita Caroline Woodley: 18:10:45

Oh it makes me laugh.

Perdita Caroline Woodley: 18:13:19

If I had an ipod, i'd get this <http://www.venganza.org/spread/ipod.htm>

Daniel: 18:13:50

hehe

Daniel: 18:13:56

too bad you don't have one. ;P

Perdita Caroline Woodley: 18:15:02

I had one you know?

Perdita Caroline Woodley: 18:15:09

It was so annoying that I gave it to my brother

Perdita Caroline Woodley: 18:15:41

pointless thing, battery wouldn't hold out etc

Daniel: 18:19:24

Yes. Pointless.

Daniel: 18:20:25

I never knew you when you were not in love with me, so I can hardly be as ecstatically surprised as your friend.

Daniel: 18:20:36

I will have to settle for the day that you have a Mac :P

Perdita Caroline Woodley: 18:22:39

...

Perdita Caroline Woodley: 18:22:40

I see

Perdita Caroline Woodley: 18:25:23

....That day doesn't exist

Daniel: 18:36:43

Just like how you are getting rid of me? Hmm?

Perdita Caroline Woodley: 18:36:56

yes..

Daniel: 18:37:03

Oh yes, I will make you do unspeakable things.

Daniel: 18:37:29

Go on, Perdy, turn it on...

Daniel: 18:37:40

hehe

Perdita Caroline Woodley: 18:37:44

I don't think so.

Daniel: 18:41:07

You drawn the line at farm animals and macs?

Daniel: 18:41:44

But everything else is pretty much okay?

Daniel: 18:41:48

I can live with that :P

Daniel: 18:44:11

You there?

Daniel: 18:44:17

Or too disgusted with the mac :P

Daniel: 18:44:54

I know, so is really unpleasant of me. Shocking, really.

Perdita Caroline Woodley: 18:45:12

\*Looking at him with beady eyes from across the room.\*

Daniel: 18:45:33

beady eyes?

Daniel: 18:45:36

eek.

Perdita Caroline Woodley: 18:45:58

no one has ever glanced at you with beady eyes before hm?

Perdita Caroline Woodley: 18:47:02

Beady eyes = unknown intention or thought, when you look at someone who is looking at you and think. "Erugh what exactly is going on in their head."

Daniel: 18:47:06

Like that Marty Feldman guy from Young Frankenstein?

Daniel: 18:47:20

What exactly IS going on in your head??

Perdita Caroline Woodley: 18:47:34

\*Laughs.\*

Daniel: 18:48:34

Am hoping its sexy.

Daniel: 18:48:40

I could use sexy.

Perdita Caroline Woodley: 18:49:07

I am quite sure..

Perdita Caroline Woodley: 18:49:25

\*Looks at the line of people who could also use sexy.\*

Daniel: 18:49:32

But I'm just thankful you aren't getting rid of me.

Perdita Caroline Woodley: 18:49:45

Oh you don't know..

Perdita Caroline Woodley: 18:49:50

What is going on in my head.

Perdita Caroline Woodley: 18:49:57

My next plan as it were.

Daniel: 18:50:14

Next plan?

Perdita Caroline Woodley: 18:50:23

Continuation on a theme of "My last stand."

Perdita Caroline Woodley: 18:50:36

act 2 as it were

Daniel: 18:50:49

\*sigh\*

Perdita Caroline Woodley: 18:50:50

Last scenes are always the most dramatic I find..

Perdita Caroline Woodley: 18:50:56

and....tragic

Daniel: 18:50:58

Can't I have a little sexy before Act 2?

Daniel: 18:51:04

To tide me over?

Daniel: 18:51:33

Intermission as it were...

Perdita Caroline Woodley: 18:51:47

\*Shakes her head and smiles.\* Sorry.

Daniel: 18:51:52

I see.

Perdita Caroline Woodley: 18:52:01

My body is my temple, don't you know?

Daniel: 18:52:04

You know you really do treat me quite horribly.

Perdita Caroline Woodley: 18:52:33

The rain..

Perdita Caroline Woodley: 18:52:39

\*Smiles.\*

Daniel: 18:54:18

What makes it worse is that you know that you could make me very happy, but consciously choose not to.

Perdita Caroline Woodley: 18:54:30

“Anyone who says sunshine brings happiness has never danced in the rain”

Daniel: 18:55:02

I still love you despite your cruelty.

Perdita Caroline Woodley: 18:55:39

Oh a storm!!

Daniel: 18:55:40

And... I will have my revenge.

Perdita Caroline Woodley: 18:55:55

\*Sighs happily.\*

Perdita Caroline Woodley: 18:56:37

Let the rain kiss you. Let the rain beat upon your head with silver liquid drops. Let the rain sing you a lullaby.

Daniel: 18:57:17

I am happy when it rains...

Perdita Caroline Woodley: 18:57:34

I know you will have your revenge.

Daniel: 18:58:03

See, the unfair bit is that when I do... you will enjoy it.

Daniel: 18:58:26

Well, except the emu part :P

Perdita Caroline Woodley: 18:58:34

the emu part....?

Perdita Caroline Woodley: 18:58:42

\*Looks horrified\* what emu part?

Perdita Caroline Woodley: 18:59:03

there is no emu part!!! \*Backs against the wall.\*

Daniel: 18:59:39

ehehe

Perdita Caroline Woodley: 19:00:00

God this thunder is loud!

Daniel: 19:00:47

I love thunderstorms.

Perdita Caroline Woodley: 19:00:59

I adore them too!

Daniel: 19:01:11

There is perhaps no weather I like better, other than snow, of course

Perdita Caroline Woodley: 19:01:20

\*Quietly counts.\*

Daniel: 19:01:36

It is definitely the time of year when I start dreaming of snowboarding again...

Perdita Caroline Woodley: 19:01:37

It is already very loud and some miles away

Daniel: 19:02:49

I like that you like thunderstorms...

Perdita Caroline Woodley: 19:03:06

I almost want to go outside

Daniel: 19:03:21

And dance?

Perdita Caroline Woodley: 19:03:44

I have one beautiful memory of being outside my old house in the height of a storm, pitch dark, spinning in the rain

Perdita Caroline Woodley: 19:04:09

was totally electric atmosphere, true natural high

Daniel: 19:06:15

I love you. I really do.

Daniel: 19:07:38

How long will you be gone for in Act 2, do you imagine?

Perdita Caroline Woodley: 19:09:12

infinity

Daniel: 19:09:34

Infinity isn't a time?

Daniel: 19:09:42

eternity, that's a time.

Perdita Caroline Woodley: 19:09:45

not in your book

Perdita Caroline Woodley: 19:09:48

I break the rules

Daniel: 19:09:52

cheater.

Perdita Caroline Woodley: 19:09:56

time is relative afterall..

Daniel: 19:10:03

so I have heard.

Daniel: 19:10:12

so you like running away just so that I find you?

Daniel: 19:12:13

It does inspire me to be rather poetic... :)

Daniel: 19:12:29

But it also quite exhausts me.

Daniel: 19:12:53

Hence the thought that perhaps you might provide for me whilst you are here and sane.

Perdita Caroline Woodley: 19:13:15

sane?

Perdita Caroline Woodley: 19:13:17

here?

Daniel: 19:13:36

\*sigh\*

Daniel: 19:13:50

You know that I really am just looking after your best interests...

Daniel: 19:14:57

And you really have not provided for me as you ought to.

Perdita Caroline Woodley: 19:16:27

Aren't I terrible?

Daniel: 19:20:40

I am merely suggesting that I would be more motivated to find beautiful, sexy Perdita than annoying, evil Perdita :P

Daniel: 19:20:59

You are, actually.

Daniel: 19:21:03

Quite horrible, really.

Perdita Caroline Woodley: 19:21:10

I enjoy myself very much doing it.

Daniel: 19:21:16

Why?

Daniel: 19:21:49

Doesn't seem very enjoyable to me.

Daniel: 19:21:58

But then again, I actually like making you happy, don't I?

Perdita Caroline Woodley: 19:26:20

power is starting to go..

Perdita Caroline Woodley: 19:26:27

lights flickering etc

Daniel: 19:29:54

Oh...

Daniel: 19:30:00

I was just writing you email...

Daniel: 19:30:12

explaining how I am leaving you unless you create something beautiful for me.

Daniel: 19:30:24

Need I continue, or can I consider the message delivered?

Perdita Caroline Woodley: 19:30:51

That is what I long to hear

Perdita Caroline Woodley: 19:31:18

please send me the email, will give me tips on what to do

Daniel: 19:32:05

It is sent.

Daniel: 19:32:11

I truly am exhausted.

Perdita Caroline Woodley: 19:32:12

Anyway I am going to phone Jay to see how he is....

Daniel: 19:32:23

Alright. Send him my regards.

Daniel: 19:32:27

Er, rather, don't...

Daniel: 19:32:36

But I wish him well.

Perdita Caroline Woodley: 19:32:38

..

Daniel: 19:32:59

You can tell him I left you and broke your heart if that is your plan.

Daniel: 19:33:13

I'm sure he'd be pleased to hear that.

Daniel: 19:33:50

If I don't hear from you again in life, I will pray for you in death.

Perdita Caroline Woodley: 19:35:00

That email was beautiful!

Perdita Caroline Woodley: 19:35:26

Do not pray for me, I don't need such things!

Daniel: 19:35:45

No? You know your way back well enough by now?

Daniel: 19:35:53

I think I will pray for you all the same.

Perdita Caroline Woodley: 19:35:59

I am excited!

Perdita Caroline Woodley: 19:36:04

I feel like!

Daniel: 19:36:20

To ensure that you do not perish in Khert-neter

Perdita Caroline Woodley: 19:36:23

Maybe it is just this god invoking storm going on or!!

Daniel: 19:36:39

Or rotting....

Perdita Caroline Woodley: 19:36:48

i'm totally charged!

Daniel: 19:36:56

etc. etc. etc.

Daniel: 19:37:18

Well, then I wish you luck in your quest.

Daniel: 19:37:22

Goodbye Perdita.

Perdita Caroline Woodley: 19:37:30

Goodbye Dan!

Daniel: 19:37:34

Until you come forth by day.

Perdita Caroline Woodley: 19:37:37

and thank you!

Daniel: 19:37:57

you are free, I suppose.

Perdita Caroline Woodley: 19:38:01

You have taught me a lot, be pleased for it if nothing else!

Daniel: 19:38:14

I doubt you have learned anything.

Daniel: 19:38:54

I don't think you understood anything at all...

2006-07-22

Perdita Caroline Woodley: 12:17:07

Not at all i'm afraid.

**2006.07.10**

2006-07-10

Perdita Caroline Woodley: 05:53:19

Daniel: 07:04:29

Daniel: 07:05:49

Perdita Caroline Woodley: 07:06:01  
because I don't agree with him, ok?  
Perdita Caroline Woodley: 07:07:29

Perdita Caroline Woodley: 07:07:44  
Ok, yep, see you later.  
Daniel: 07:07:51  
you can call me, you know?  
Perdita Caroline Woodley: 07:08:01  
I have no idea how  
Daniel: 10:42:40

Perdita Caroline Woodley: 10:42:45  
why wont it work!?  
Perdita Caroline Woodley: 12:14:37

Daniel: 12:14:47

Perdita Caroline Woodley: 12:14:59

Perdita Caroline Woodley: 12:15:07

Daniel: 12:15:27  
dcmcschan

Daniel: 12:15:36

but I thought it should know that by now?

Daniel: 12:15:49

do I show up on your computer's skype?

Perdita Caroline Woodley: 12:15:50

has nothing under names you see

Daniel: 12:15:58

under Contacts?

Perdita Caroline Woodley: 12:16:02

yes

Daniel: 12:16:14

perhaps you need to sync the phone with the computer somehow?

Perdita Caroline Woodley: 12:17:30

it has like a phone book thing for under shared and private numbers

Perdita Caroline Woodley: 12:18:22

But here I got you something...

Daniel: 12:18:31

Yes?

Perdita Caroline Woodley: 12:19:26

\*Takes out a grenadilla and hands it to him.\*

Daniel: 12:19:35

grenadilla?

Perdita Caroline Woodley: 12:19:46

uh...aka passion fruit

Daniel: 12:20:00

I LOVE passion fruit.

Daniel: 12:20:04

lilikoi

Perdita Caroline Woodley: 12:20:12

It's from Hawaii!

Daniel: 12:20:44

Yes, my favorite beverage is POG

Daniel: 12:20:55

Is this cheap sugary drink in Hawaii

Daniel: 12:21:01

Passion - Orange - Guava

Daniel: 12:21:06

Its fabulous.

Perdita Caroline Woodley: 12:21:13

You were going to get a Guava tomorrow but

Perdita Caroline Woodley: 12:21:22

now i'll have to change my plans..

Daniel: 12:21:27

I drink it till I can't stand it any more.

Daniel: 12:21:55

lilikoi and dark rum is also a fine beverage

Perdita Caroline Woodley: 12:22:10

\*Nods.\*

Daniel: 12:22:25

Have you been to Hawaii?

Perdita Caroline Woodley: 12:22:28

\*Sits there and waits for him to eat it.\*

Daniel: 12:22:38

\*sucks the juices out sensuously\*

Perdita Caroline Woodley: 12:23:00

\*Waits for him to look at her.\*

Daniel: 12:23:30

\*looks up at her, juice dripping from the corner of his mouth\*

Perdita Caroline Woodley: 12:23:48

\*Fans herself.\*

Perdita Caroline Woodley: 12:24:03

It is said in some cultures, after eating a Passion Fruit, you fall in love with the next person you make eye contact with!

Daniel: 12:24:29

If only you had your cam on...

Daniel: 12:24:35

...oh, look, the mailman...

Perdita Caroline Woodley: 12:24:41

oh no!

Perdita Caroline Woodley: 12:25:17

well i'm going to go take a long shower..

Daniel: 12:25:28

can I see you before you do?

Perdita Caroline Woodley: 12:25:32

Don't get off too badly with the mailman, they have a job to do!

Daniel: 12:25:46

you're going to leave me frustrated again, aren't you?

Siddhartha walked through the forest, was already far from the city, and knew nothing but that one thing, that there was no going back for him, that this life, as he had lived it for many years until now, was over and done away with, and that he had tasted all of it, sucked everything out of it until he was disgusted with it. Dead was the singing bird, he had dreamt of. Dead was the bird in his heart. Deeply, he had been entangled in Sansara, he had sucked up disgust and death from all sides into his body, like a sponge sucks up water until it is full. And full he was, full of the feeling of been sick of it, full of misery, full of death, there was nothing left in this world which could have attracted him, given him joy, given him comfort.

Passionately he wished to know nothing about himself anymore, to have rest, to be dead. If there only was a lightning-bolt to strike him dead! If there only was a tiger to devour him! If there only was a wine, a poison which would numb his senses, bring him forgetfulness and sleep, and no awakening from that! Was there still any kind of filth, he had not soiled himself with, a sin or foolish act he had not committed, a dreariness of the soul he had not brought upon himself? Was it still at all possible to be alive? Was it possible, to breathe in again and again, to breathe out, to feel hunger, to eat again, to sleep again, to sleep with a woman again? Was this cycle not exhausted and brought to a conclusion for him?

RHETT: Selfish to the end, aren't you? Thinking of your own precious hide with never a thought for the Noble Cause.

SCARLETT: Rhett, how could you do this to me, and why should you go now that, after it's all over and I need you, why? Why?

RHETT: Why? Maybe it's because I've always had a weakness for lost causes, once they're really lost. Or maybe, maybe I'm ashamed of myself. Who knows?

SCARLETT: You should die of shame to leave me here alone and helpless.

RHETT: You, helpless? Heaven help the Yankees if they capture you. Now climb down here. I want to say goodbye.

SCARLETT: No.

RHETT: Climb down.

SCARLETT: Oh Rhett, please don't go. You can't leave me, please, I'll never forgive you.

RHETT: I'm not asking you to forgive me. I'll never understand or forgive myself. And if a bullet gets me, so help me, I'll laugh at myself for being an idiot. But there's one thing that I do know. And that is I love you, Scarlett. In spite of you and me and the whole silly world going to pieces around us, I love you. Because we're alike. Bad lots, both of us. Selfish and shrewd. But able to look things in the eyes and call them by their right names.

SCARLETT: Don't hold me like that.

RHETT: Scarlett, look at me. I love you more than I've ever loved any woman. And I've waited longer for you than I've ever waited for any woman. (Butler is pressing his lips onto Scarlett's.)

SCARLETT: Let me alone!

RHETT: Here's a soldier of the South that loves you, Scarlett. Wants to feel your arms around him, wants to carry the memory of your kisses into battle with him. Never mind about loving me. You're a woman who's sending a soldier to his death with a beautiful memory. Scarlett, kiss me, kiss me, once.

SCARLETT: You're a low-down, cowardly, nasty thing, you! They were right. Everybody was right, you, you aren't a gentleman.

RHETT: A minor point at such a moment. Here, if anyone lays a hand on that nag, shoot him. But don't make a mistake and shoot the nag.

SCARLETT: Oh, go on. I want you to go. I hope a cannonball lands slap on you, I hope you're blown into a million pieces, I...

RHETT: Never mind the rest, I follow your general idea. And when I'm dead on the order of my country, I hope your conscience heard you. Good-bye Scarlett.

Grant thou to me glory in heaven, and power upon earth, and truth-speaking in the Divine Underworld, and the power to sail down the river to Tetu in the form of a living Ba-soul, and the power to sail up the river to Abydos in the form of a Benu bird, and the power to pass in through and to pass out from, without obstruction, the doors of the lords of the Tuat.

.....

Last night, my Ba-soul fell off the boat into the river on the way to Tetu.

Before we parted, you whispered to me songs of love and joy.  
Of books and labors yet undone, of sober decadence.  
Though unformed, the thoughts comforted me, knowing you were mine.  
I sang my song of love to you, you were almost home.  
We parted, without fear or concern of what lay ahead.  
Upon our solar ship you sailed to wander and explore.

Leaning over the edge of the barge, smiling with thoughts of union,  
She sailed along peacefully as the day waned on,  
But dusk became night, and the sky faded away.  
The hideous, broken creatures on the shore awoke.  
And began their evil ritual of teasing and taunting.  
My love you forgot, and could not hear my heart throb.  
Despite my song, despite your promises of morn,  
The green iridescent waters caught your eye,  
You lept into the turbulent stream.  
My calls unheard, my prayers ignored,  
You splashed about in fear, your screams I heard and knew.  
To the shore you swam and found comfort in the evil.  
Lost, and drunk you whored yourself to that you did despise.  
And when I finally found you, pathetic and used,  
You covered your head with the tattered rags of your pride,  
And spoke to me no more.

...

In time, we practice for eternity.  
Our days a life to live.

We sleep in heaven or in hell.  
 Then all but once we do awake,  
 To practice life again.

July 4th is the anniversary of the publication of Walt Whitman's Leaves of Grass. Doubtless, without knowing this somewhat trivial fact, my friend in Brazil sent me an excerpt of the Preface. I will read the rest to you some other time, perhaps when we are together, in a garden, lying in the cool green grass... but since it was July 4th, and my friend gave this to me yesterday:

I am going to share something with you which I see as how I would like to live my life. I have shared it two times before, both to seduce women (succesfully). But I shouldnt have. So please know that I do not share this poem often!

But it seems to speak to some things you are saying.

This is what you shall do. Love the earth and sun and the animals, despise riches, give alms to everyone that asks, stand up for the stupid and crazy, devote your income and labor to others, hate tyrants, argue not concerning God, have patience and indulgence toward the people, take off your hat to nothing known or unknown, or to any man or number of men-go freely with powerful uneducated persons, and with the young, and with the mothers or families-re-examine all you have been told in school or church or in any book, and dismiss whatever insults your own soul; and your very flesh shall be a great poem, and have the richest fluency, not only in its words, but in the silent lines of its lips and face, and between the lashes of your eyes, and in every motion and joint of your body.

No, ours is not a dance of seduction. "duce" to lead - like education. who is leading? who is following? and where would we be going? can you be lead to this place we are? the poets left us their trail, as we shall leave ours. perhaps it is more akin to the journey of the mystic seeking union with god. no, we have not been seduced. we explore. we discover aspects of Our Self. we practice for The Great Adventure. practice losing and finding. it seems we are quite good at it by now. we have revealed Truth, and like the first pharoahs, will construct vast monuments, art, and culture to remind of this most precious Truth - that all this \*waves his hands crazily about atop this mountain\* all this was created that we might love. so pure and beautiful is our love that it alone justifies the infinity of creation and the eternity of time that has brought these words to your mind. here. now. if i thought such things could be seduced from the universe, I would feel an obligation to seduce everyone to know what we know. but far better would I be to seduce this aspen tree before me. (quiet, you) for they \*looks down upon the entire world\* are our environment, our infrastructure. for that we love them and are thankful. but we are something else - divine, perhaps - from but not of. and now, that we exist, the universe itself is aware, and is our ally. do I love my soul? seems ridiculous to even say. and who is this "I" person anyways? we love. that seems far more true and beautiful..

These are the cartouches, I'd thought about using them on the papyrus, but I will probably settle for the font-based approach because I think it will scale better. You are free to suggest others. I did some research - just based on existing pharoah names. For myself, I like "djedkare", though a fairly unremarkable pharoah, is cool name, and reminds me of the story of the djed. I've seen it translated as "the ka of Ra endures" which seems appropriate :P

For you, "neferbare"... and you are more beautiful than all the queens of egypt, though I thought perhaps that was so obvious as to hardly require mentioning. I considered "Nikare" - the one who belongs to the ka of Ra, and "Merikare" - the one who loves the ka of Ra, or even "Maatkare", which seemed appropriate.

This was really just experiment with creating the heiroglyphics and the cartouche. It's a personal thing, choosing a praenomen, and you are the egyptologist. So - you tell me - who are WE?

I created these with MacScribe, that glyph program I told you about? Is pretty cool - you can enter the text phonetically - so, "ra dd kA" and "ra nfr bA" Oh yes, and my coffin texts have arrived - are at home! I will get them today.

 Subject: Papyrus, Again

So this is a little more complete - has some clever tattering, which I don't know that I will actually keep, but seemed clever ;) Looking at the pdf, I think it needs softer edges... I thought perhaps I'd use the tatters for the

bits where I don't have the rest of the conversations (e.g. those in SL), or for the boring bits. When I visit you, I will grab your chat history (unless you actually know how to do so), and use that to fill in whatever blanks I might have, since I have like 6 different IM clients. Also, at some point, we can use your journal to help fill in gaps and errors, and we can scan your drawings. But, you get the idea. Chats and drawings and stories and poetry - poetry we've written, poetry we've referenced, 50 page treatises on drugs and trees... In time, I'd like to create some heirogpyhic type illustrations for scenes we lack authentic pictures of. Our meeting at the chess table, for instance - I grabbed a snap from SL and sketched it, but I think an actual glyph of Rogue and Absinthe and a table would go well in that bit. We'll need glyphs for you and me, and all our friends. Just imagine Orhalla with his barrel as a glyph... that scene of him dead on the corner of Caledon...

The vision is to create this strange tapestry that is Our Poetry. To keep this record and use it, as you know, for the precise purpose of the Egyptian Book of the Dead - to guide our soul back to our spirit. At the moment, I have no interest in sharing it with others. Some of our discussions - our secrets - might be inappropriate. Perhaps some day we will issue the abridged (censored?) version with the secret parts conveniently tattered away ;)

So I am doing this in Open Office, which is open-source Word replacement. It supports larger page size - 46" which isn't anywhere near the 35" sheets. I don't know yet whether I can get sequential pages to print right next to each other, but worst case, we have gaps, or just settle for 46" pages... which are probably easier to wield anyways. I have also considered formatting smaller pages - like 8.5" x 14" (which is US legal size). The advantage there is that we can actually print then on standard paper... Your opinions and insight are of course welcome... scheme with me! Let us create this wonder.

I know it's not necessarily "authentic" - we should have some horizontal sections, for instance. Also, for now, is to be line drawings to best print on the papyrus - we can probable do some color printing at some point, but maybe someday we will simply hand color it. OpenOffice has a simple "sketch" filter which turns photos into sketches. It's crude, but I think it will suffice. And we can add/improve as time allows. You can get OpenOffice and edit/create as well... we'll figure that out in time.

It is, of course, quite the impossible project, but I think it gives us a nice place (even if just conceptual) to archive our many, many impossible

projects to come. Catching up with the past few months may be a bit of a chore, but should be pretty easy to keep it up to date on a weekly basis in about hour or so a week - in theory we just cut/paste the chat transcripts, run some formatting macros, and paste images. Someday, we should compose the stories that are lost... how we met... and so forth.

Another cool thing is that we'll know when we are being boring.... (or is that the times when we are being productive)... when we go a week without anything to add... and thus when it's time to scheme. Our Poetry will doubtless ebb and flow - it's hard to imagine the rest of our lives being so ridiculously intense as the past few weeks. And perhaps we work on papyrus when we are uninspired to create something new. In the future, we will doubtless have times where we have less time together. You will be in school, I will be scheming billion dollar schemes. We will fight, and break up, and wander away. Someday, we might die... unless your brother and I do some serious scheming. In those times, we will look at the volumes of papyrus and remember who we are, and know that we will again create epic poetry... we will always have our one final poem, when our soul finds our spirit and Our Poetry - the universe itself - is complete.

This is the paragraph immediately following the one that my friend sent... and this is how I would like to live MY life...

The known universe has one complete lover and that is the greatest pot. He consumes an eternal passion and is indifferent which chance happens and which possible contingency of fortune or misfortune and persuades daily and hourly his delicious pay. What balks or breaks others is fuel for his burning progress to contact and amorous joy. Other proportions of the reception of pleasure dwindle to nothing to his proportions. All expected from heaven or from the highest he is rapport with in the sight of the day-break or a scene of the winter woods or the presence of children playing or with his arm round the neck of a man or woman. His love above all love

has leisure and expanse . . . . he leaves room ahead of himself. He is no irresolute or suspicious lover . . . he is sure . . . he scorns intervals. His experience and the showers and thrills are not for nothing. Nothing can jar him . . . . suffering and darkness cannot—death and fear cannot. To him complaint and jealousy and envy are corpses buried and rotten in the earth . . . . he saw them buried. The sea is not surer of the shore or the shore of the sea than he is of the fruition of his love and of all perfection and beauty.

The fruition of beauty is no chance of hit or miss . . . it is inevitable as life . . . . it is exact and plumb as gravitation. From the eyesight proceeds another eyesight and from the hearing proceeds another hearing and from the voice proceeds another voice eternally curious of the harmony of things with man.

So you are drunk and regretful again. I am merely regretful that I cannot taste your mind before you enter that dark place. That I cannot drink from your ecstasy while you experience it. That you could not sing to me of your day, leaving me only with words of sorrow and concern. But you have made progress - at least now you return to me, my soul, from your journeys. Granted you've eaten everything you collected for me, and there is none left to feed me, but you are home, and you may rest upon the body of Our Poet and I will watch over you, and care for you... you are learning the lessons of the river... when to drink, and how much... by now, the journey is all too familiar... which means you are observing... soon you will practice control... and then you will be able to sail the river, and drink it too!

Who says words with my mouth?

All day I think about it, then at night I say it.  
Where did I come from, and what am I supposed to be doing?  
I have no idea.  
My soul is from elsewhere, I'm sure of that,  
and I intend to end up there.

This drunkenness began in some other tavern.  
When I get back around to that place,  
I'll be completely sober. Meanwhile,  
I'm like a bird from another continent, sitting in this aviary.  
The day is coming when I fly off,

but who is it now in my ear who hears my voice?  
Who says words with my mouth?

Who looks out with my eyes? What is the soul?  
I cannot stop asking.  
If I could taste one sip of an answer,  
I could break out of this prison for drunks.  
I didn't come here of my own accord, and I can't leave that way.  
Whoever brought me here will have to take me home.

This poetry. I never know what I'm going to say.  
I don't plan it.  
When I'm outside the saying of it,  
I get very quiet and rarely speak at all.

Another verse (actually two), because I had time for you, and wanted to read to you, but you were too wasted... know that I love you, and do not apologize so much. I would rather hear you say "I love you" than "I'm sorry". As always, "sin bravely"!

~

The wine we really drink is our own blood.  
Our bodies ferment in these barrels.  
We give everything for a glass of this.  
We give our minds for a sip.

~

THE MANY WINES  
-Rumi

God has given us a dark wine so potent that,

drinking it, we leave the two worlds.

God has put into the form of hashish a power  
to deliver the taster from self-consciousness.

God has made sleep so  
that it erases every thought.

God made Majnun love Layla so much that  
just her dog would cause confusion in him.

There are thousands of wines  
that can take over our minds.

Don't think all ecstasies  
are the same!

Jesus was lost in his love for God.  
His donkey was drunk with barley.

Drink from the presence of saints,  
not from those other jars.

Every object, every being,  
is a jar full of delight.

Be a connoisseur,  
and taste with caution.

Any wine will get you high.  
Judge like a king, and choose the purest,

the ones unadulterated with fear,  
or some urgency about "what's needed."

Drink the wine that moves you  
as a camel moves when it's been untied,  
and is just ambling about.

Rumi is one of my favorite poets. And so, I offer you another poem, whispered in your electronic ear as you recover... [words of power] as it were...

### BURNT KABOB

Last year, I admired wines. This,  
I'm wandering inside the red world.

Last year, I gazed at the fire.  
This year I'm burnt kabob.

Thirst drove me down to the water  
where I drank the moon's reflection

Now I am a lion staring up totally  
lost in love with the thing itself.

Don't ask questions about longing.  
Look in my face.

Soul drunk, body ruined, these two  
sit helpless in a wrecked wagon.  
Neither knows how to fix it.

And my heart, I'd say it was more  
like a donkey sunk in a mudhole,  
struggling and miring deeper.

But listen to me: for one moment,  
quit being sad. Hear blessings  
dropping their blossoms  
around you. God.

-Rumi

"soul drunk, body ruined"  
but rescued and protected  
by... "me"... your spirit ... your Ka,  
with blessings.

And so now you are aware...

I went beyond any limit last night, I knew another day in Laura's company would drive me to hell.

And it did, quite successfully I might add.

It started with the absinthe and then several glasses of wine, followed by a few cans of beer.

There is a saying "never mix the grain with the grape."

We then had the fine idea of venturing to the white horse inn, where I was passed glass after glass of white wine by Laura, which I easily accepted.

The rest of that time became a blur..

I had to be escorted out of my own pub!  
 As if that wasn't enough..  
 I returned home only to find myself locked out.  
 It rained, I cried.

I felt myself slipping...Spiralling downwards into unconsciousness, the rain comforting my body.

I saw the headlights of the car, God knows what my parents thought seeing us there.

Once inside I sat by the toilet, slipping in and out of consciousness occasionally to hurl up.

I must admit for all my drinking I hardly ever vomit and so this was "seeing Ralph" as Jay claims you Americans say.

I somehow got upstairs, only to get as far as the first bathroom...  
 I cried in vicious self pity.

My mother comes in to tell me that you called, and that you didn't want to speak to me in this state.

Her words are cruel and edged with spite as she clearly enjoys the reaction.

I watch my tears mingle with the water.

My brother assures me that you will talk with me again.

I ask him to get the bottle of absinthe.

He looks shocked but passes it to me, I open the cap and let the beautiful scent greet me, I then close my eyes and pour the rest of the bottle into the bath.

I then return to "Ralph" and eventually I fall asleep on the floor.

As I awake I am in hell, my heart is beating so fast like that of a small animal, my eyes panda ridden, cheeks stained with mascara, everything spins so much that I am unable to move.

My mother comes in with a glass of water and becomes kind, explaining that you didn't really say those things to her last night.

My whole body aches, I try to get up, to go downstairs to the kitchen, I collapse on the floor my heart beating faster than ever, I tell myself I wouldn't be any good to you dead.

My father comes in and sees me lying in a pathetic heap on the kitchen floor, my eyes glazed over seemingly somewhere else.

He puts his hand over my heart and then checks my pulse.

He picks me up into his arms and tells my brother to call the doctor.

He sets me down on the couch where I pass out.

I awake to see my brother sitting beside me, holding my hand.

It doesn't take a moment before I feel my stomach failing me once more, churning as I run to the sink.

I return to the living room sitting quietly as we watch a programme on Stephen Hawking and the explanation of black holes..

I think of you and I want more than anything to phone you but I find myself too weak to even stand and so I lie there watching the rain out of the window, beautiful and dark.

When I have the strength I decide I should email you, I open up my inbox only to find myself reading all your emails, I go to compose one but my hands shake so much I am unable to type, and so I leave msn on in the hopes I will be able to catch a message from you.

I start to shiver as I climb into my mothers bed, drawing the covers over me I attempt to write you a letter, my hands shake so much I am unable to write but still I try before falling into a feverish induced deep sleep.

I awake to find my brother explaining to me that you called, I start to

cry, angry at myself for being asleep when you called. He tells me not to worry and that he has explained everything to you.

I drift back to sleep, forced into vivid dreams of airfields and car crashes.

As I awake at last I feel some strength  
I venture to go and look at the screen only to look as far as your first three messages and break down. I hold my head and sob, listening to the strange song you sent me, and now I write this email because I shake less.

You awake to find your tomb empty.

Where has your ba gone this time?  
Fluttered off once more without message or care for your starvation?  
No, tied to your head is a small roll of papyri.

Your ba will not be here today as she has gone flying with her father.  
(And to take lunch and talk of you I am sure.)

Today I received the phone which was wonderful! My whole family stared in marvel at it for some time!

By the sarcophagus you will find a lunch box containing a pear so that you do not starve.  
And here is a small tale from my book to keep you nourished, the tale is an actual Egyptian text!

The tale of Djadjamkh.

The story goes that the Pharaoh Sneferu grew bored and called for his priest Djadaemankh for some entertainment.

"I have traveled around every room of the palace and searched for an amusement, but I have not found any."

"Let Your Majesty go to the palace lake and fill your galley with all the beautiful women of your harem. Your Majesty's heart will be refreshed by seeing them rowing from downstream to upstream. You will see the beautiful nesting spots along the shore of your lake. You will see its fields and its beautiful banks and your heart will be refreshed by it."

"Indeed, I shall go rowing! Have brought to me twenty ebony oars worked in gold with handles of skeb wood worked in fine gold. Have brought to me twenty women with beautiful bodies and breasts and hair who have not given birth. And have brought to me twenty nets and give these nets to these women in place of their clothes."

Just as they reached the middle of the lake, the lead rowing maiden had tangled the oar handle in her golden hair, and her fish-shaped pendant of turquoise that the pharaoh himself had given her had fallen into the waters, where it quickly vanished beneath the surface. She grew silent, and ceased her rowing and started to weep, the other girls refused to row and started to cry also. Sneferu, on demanding to know what was wrong, offered to replace the trinket for her, yet she refused as it had been so special to her. Feeling for her loss, Sneferu called on his magician. Using his magic skills, Djadjaemankh piled half the water of the lake up on top of the other until it was parted, and descended to the lake bed. He found the ornament sitting on a pottery shard, and was able to recover it. His Majesty spent the day as a holiday everyone enjoyed themselves with the entire palace and rewarded the lector priest Djadjaemankh with every good thing. On hearing the completion of this tale, Khufu gave many offerings to the ka's of Sneferu and Djadjaemankh.

It is important in this story to note the how the priest piled the water up in order to descend to the lake bed, does not these theme sound familiar to the parting of the sea in the exodus tale?

I have been struggling for the past hour or so attempting to properly

capture my feelings regarding this evening's ending. My words all came out cruel and spiteful and bitter at your callous departure, so I shall hide them from you. I will simply observe that it seems it was not a lack of proper technology which kept you from whispering a simple "goodnight, I love you" all these days. I have always had a strange awe about leaving. I think my mother warned me as a child never to leave angry, lest something horrible happen and you regret things said or unsaid. Now, I sleep, faithless that We shall awake. And I whisper this poem like so many others before it, into the void that you have left for me this evening...

Lay your sleeping head, my love,  
 Human on my faithless arm;  
 Time and fevers burn away  
 Individual beauty from  
 Thoughtful children, and the grave  
 Proves the child ephemeral:  
 But in my arms till break of day  
 Let the living creature lie,  
 Mortal, guilty, but to me  
 The entirely beautiful.  
 Soul and body have no bounds:  
 To lovers as they lie upon  
 Her tolerant enchanted slope  
 In their ordinary swoon,  
 Grave the vision Venus sends  
 Of supernatural sympathy,  
 Universal love and hope;  
 While an abstract insight wakes  
 Among the glaciers and the rocks  
 The hermit's carnal ecstasy.

Certainty, fidelity  
 On the stroke of midnight pass  
 Like vibrations of a bell  
 And fashionable madmen raise  
 Their pedantic boring cry:  
 Every farthing cost,  
 All the dreaded cards foretell,  
 Shall be paid, but from this night  
 Not a whisper, not a thought,

Not a kiss nor look be lost.

Beauty, midnight, vision dies:  
 Let the winds of dawn that blow  
 Softly round your dreaming head  
 Such a day of welcome show  
 Eye and knocking heart may bless,  
 Find our mortal world enough;  
 Noons of dryness find you fed  
 By the involuntary powers,  
 Nights of insult let you pass  
 Watched by every human love.

While sending you poetry is not entirely unsatisfying, someday, I'd like to actually read it to you.  
 Should I wait? In truth, I await the time when this verse itself is true.  
 Your brilliant effort - that impossible thing...

*Poca favilla gran fiamma seconda.* -Dante

*Ogni altra cosa, ogni pensier va fore,  
 E sol ivi con voi rimansi amore.* -Petrarca

I loved you first: but afterwards your love  
 Outsoaring mine, sang such a loftier song  
 As drowned the friendly cooings of my dove.  
 Which owes the other most? my love was long,  
 And yours one moment seemed to wax more strong;  
 I loved and guessed at you, you construed me  
 And loved me for what might or might not be -  
 Nay, weights and measures do us both a wrong.

For verily love knows not 'mine' or 'thine';  
 With separate 'I' and 'thou' free love has done,  
 For one is both and both are one in love:  
 Rich love knows nought of 'thine that is not mine';  
 Both have the strength and both the length thereof,  
 Both of us, of the love which makes us one.

My Perdita!

A secret I have to confide in you, my confidante. To whom should I confide it? To the echo? It would betray it. To the stars? They are cold. To people? They do not understand it. Only to you dare I confide it, for you know how to keep it. There is a girl more beautiful than my soul's dream, purer than the light of the sun, deeper than the sea's source, prouder than the eagle's flight - there is a girl - oh, incline your head to my head and to my words, so that my secret may slip into it! This girl I love more than my life, for she is my life, more than all my desires, for she is my sole desire, more than all my thoughts, for she is my sole thought, more warmly than the sun loves the flower, more ardently than sorrow loves the secrecy of the troubled spirit, more longingly than the desert's burning sands love the rain. To her I attach myself more tenderly than the mother's eye to her child, more trustingly than the worshiper's soul to God, more inseparably than the plant to its root.

Your head becomes heavy and thoughtful, it sinks down on your breast, your bosom rises in support - my Perdita! You have understood me, you have understood me exactly, to the letter, no title has escaped you. Shall I attune my ears and let your voice assure me of this? Or is there occasion to doubt? Will you keep this secret? Dare I depend on you? They tell about men who because of terrible crimes pledged one another to mutual silence. To you I have entrusted a secret which is my life and my life's content - have

you nothing to trust to me that is so significant, so beautiful, so chaste, that supernatural forces would awake if it were betrayed?

Your Daniel.

My Perdita!

Why feel fear? When we keep together, then we are strong, stronger than the world, stronger than the gods themselves. You know there once lived a race of creatures on earth, who were human beings, to be sure, but each one of whom was sufficient unto himself and did not know the inner union of love. Yet they were mighty, so mighty that they wanted to take heaven by storm. Jupiter feared them and divided them in such a way that

from one came two, a man and a woman. If now it sometimes happens that what was once united is again joined together in love, then such a union is stronger than Jupiter. The man and woman thus united are not only as strong as the pristine being was, they are even stronger, for love's union is an even higher one.

That's no moon.  
 -Obi Wan Kenobi

---

You are no moon.  
 We are stars.  
 We shine together.

The eye of Medusa.  
 Beta Persei.  
 The star Algol,  
 About every three days  
 It dims dramatically for about two hours.

The ancients thought this most evil.  
 In astrology it is the most unfortunate star.  
 It's name, from the arabic al-ghul.  
 Al-ghul is the Ogre who leads out the  
 travellers of the right way  
 and devours them from the feet.  
 The word derives from ghala,  
 "to enrapture", "to put someone to death"  
 The hebrews interpreted it as  
 "satan's head" but also  
 As Lilith, Adam's first wife.  
 The Chinese called it Tseih She, "Piled-up Corpses"

But, there is other poetry...

A Maghrebin legend.  
 Joaquin Garcia Campos

The famous variable star Algol is but a lamp which The Flower of Love (Naûrat ash-shaq) following the advice of Perseus , her faithful lover, has put in the dormer window of her cave. The Flower of Love was the adored and beatiful Orcus' slave who in spite of gifts and caresses was unable to make her his. She made Orcus believe that the lamp's light was shining only in order to guide him in the darkness of the night when he was coming back from hunting and that she would put it out little by little when he would come in the cave. Every time when the young beloved saw that al-Gol , her master was coming back from hunting step by step she covered the lantern with more and more veils until it seemed out. The lack of light warned then her lover about the danger: Orcus was there! However when he went back haunting the veils were raised one by one and gradually the lantern returned to shine again. Then Perseus rushed to Naura's arms and love deified the cave again. Yet the lovers have been once unexpectedly taken by surprise by Orcus. He was out of his mind because of jealousy and attacked the unprepared lovers and managed to kill the slave , but he was also killed by her beloved who flew into a rage and cut Orcus' throat and since then he holds the monster's head in his hand, seizing it by the hair. In memory of his unforgettable lover and in order to revere her, Perseus , faithful to his Naura far beyond the death continues perpetually to light and to put out the lantern which has given light to his lost happiness.

The poetry of science reveals

That Algol is not actually a star.  
 It is, in fact, two stars - binary stars.  
 In the same plane as the earth,  
 And subject to eclipse.  
 Two stars, seen as one.  
 In this misinterpretation,  
 Evil is inferred.  
 But it is an evil that it entirely  
 A matter of perspective.  
 Of ignorance.  
 They do not understand.

Can you see the truth?  
 That your unhappiness stems  
 Not from within us,  
 But from without.  
 That it is in speaking with  
 Your other lovers  
 That you become lost.  
 You reflect upon their thoughts  
 That you do not exist  
 That we should not exist.  
 But they do not know you  
 And they do not know us.

I often wonder how mythologies  
 How entire world views  
 Are really just speculations on local astronomy.  
 That if our planet was in a binary system,  
 How much easier it would be for you  
 To remember who we are.

We are stars.  
 We shine together.  
 You are no moon.

Incidentally, about that Maghrebian story of Perseus, the word "maghreb"

is an Arabic term literally meaning "place of setting (of the sun)", and hence "West". It derives from the root ghuroob, meaning "to set" or "to be hidden" (however, it is not used to refer to the setting of the moon). It is also used in a manner similar to the metaphorical use "to be eclipsed", which is used in English.

I wanted to read this to you just now:

O truant Muse, what shall be thy amends  
 For thy neglect of truth in beauty dyed?  
 Both truth and beauty on my love depends;  
 So dost thou too, and therein dignified.  
 Make answer, Muse: wilt thou not haply say  
 'Truth needs no colour, with his colour fix'd;  
 Beauty no pencil, beauty's truth to lay;  
 But best is best, if never intermix'd?'  
 Because he needs no praise, wilt thou be dumb?  
 Excuse not silence so; for't lies in thee  
 To make him much outlive a gilded tomb,  
 And to be praised of ages yet to be.  
 Then do thy office, Muse; I teach thee how  
 To make him seem long hence as he shows now.

I would read it slowly and carefully, and again. And then I would ask of you, what shall be thy amends for thy neglect of truth in beauty? Need I persist in this charade of teaching thee how to love? Surely you are more comfortable in this role than I, and far more beautiful in the part of Muse. I look and feel foolish in the role - like a drag queen with breasts stuffed with melons. I need not lead you anywhere, you need no seducing. You feel it swelling within your heart and your mind and your body. You fight, and it exhausts you. Consider the amount of effort you have expended fighting this - it is vast. But, you have reached the summit. I have diligently

followed you. Have you ever summited a peak before? You have invested the effort already. From here, the easiest way - indeed the only way - is down. Be lazy, my Muse - ruthlessly efficient - do what it is that you were created for, what brings you happiness, and, indeed, what is easiest... be beauty, be truth, be yourself, be mine.

This is my last stand.

I have climbed mountains before, mount tidy to the summit for one.  
 I can see the summit in sight and now I have let go and let myself slide down the entire mountain.

Do not call me or write me, I will deny you.

If you can overcome this and somehow sway me from this mindset then god truly I swear here and now that I will be yours now and forever.

That will not be the case however, I hear you laughing?  
 Dont you enjoy playing for high stakes?  
 God I cannot tell you how much it hurts to cut off your own arm.

He watches as she rolls like a snowball down the mountain, wondering how such a clearly experienced climber could make such a childish mistake.

"Mount Tidy?" he laughs aloud, and assumes that she means "Mount Teide" in the Canary islands. At an elevation of about 3700m, it would not make the "Top 500" highest peaks here, in the higher state. He considers hiking up to the ridge across the valley which easily eclipses "Mount Tidy" and then heads upwards to some of the highest peaks in the land. But why bother?

What was it she said as she slid down the mountain? "This is my last stand." The mountaineer chuckles to himself at the irony. She was always good for a laugh. Looking down the mountain, he watches her tumble head over heels down the mountain, without grace, without beauty, without poetry. How awkward she looks as she falls. Fortunately, he has poetry for this situation. He sits down and grabs a well worn paperback from his rucksack, and begins to read to himself, as he waits for his lover to return up the mountain, this time of her own power and volition. "So stubborn," he shakes his head ruefully. She reminds him of his two year old son, who always insists on doing things himself and his way - who will start over from the very beginning just to do so.

What he reads is perhaps his oldest poetry. That which has been with him the longest, as long as he has been awake, he thinks. It was, indeed, the one which awoke him. The philosophy he was quite literally about to share with his climbing partner, before her dreadful and willful descent (this is why it was in his rucksack). Ironically, he reflects, the philosophy that would have made her understand everything. They haven't spoken of the Absurd, though they have lived it. He does not scream it down to her - he knows she cannot hear him - he just sits down atop their mountain, reads it quietly to himself, and waits patiently as a rock for his most noble soul to return. Perhaps he scribbles it onto a piece of papyrus and folds it into a paper aeroplane and sends it down to her.

The gods had condemned Sisyphus to ceaselessly rolling a rock to the top of a mountain, whence the stone would fall back of its own weight. They had thought with some reason that there is no more dreadful punishment than futile and hopeless labor.

If one believes Homer, Sisyphus was the wisest and most prudent of

mortals. According to another tradition, however, he was disposed to practice the profession of highwayman. I see no contradiction in this. Opinions differ as to the reasons why he became the futile laborer of the underworld. To begin with, he is accused of a certain levity in regard to the gods. He stole their secrets. Egina, the daughter of Esopus, was carried off by Jupiter. The father was shocked by that disappearance and complained to Sisyphus. He, who knew of the abduction, offered to tell about it on condition that Esopus would give water to the citadel of Corinth. To the celestial thunderbolts he preferred the benediction of water. He was punished for this in the underworld. Homer tells us also that Sisyphus had put Death in chains. Pluto could not endure the sight of his deserted, silent empire. He dispatched the god of war, who liberated Death from the hands of her conqueror.

It is said that Sisyphus, being near to death, rashly wanted to test his wife's love. He ordered her to cast his unburied body into the middle of the public square. Sisyphus woke up in the underworld. And there, annoyed by an obedience so contrary to human love, he obtained from Pluto permission to return to earth in order to chastise his wife. But when he had seen again the face of this world, enjoyed water and sun, warm stones and the sea, he no longer wanted to go back to the infernal darkness. Recalls, signs of anger, warnings were of no avail. Many years more he lived facing the curve of the gulf, the sparkling sea, and the smiles of earth. A decree of the gods was necessary. Mercury came and seized the impudent man by the collar and, snatching him from his joys, lead him forcibly back to the underworld, where his rock was ready for him.

You have already grasped that Sisyphus is the absurd hero. He is, as much through his passions as through his torture. His scorn of the gods, his hatred of death, and his passion for life won him that unspeakable penalty in which the whole being is exerted toward accomplishing nothing. This is the price that must be paid for the passions of this earth. Nothing is told us about Sisyphus in the underworld. Myths are made for the imagination to breathe life into them. As for this myth, one sees merely the whole effort of a body straining to raise the huge stone, to roll it, and push it up a slope a hundred times over; one sees the face screwed up, the cheek tight against the stone, the shoulder bracing the clay-covered mass, the foot wedging it, the fresh start with arms outstretched, the wholly human security of two earth-clotted hands. At the very end of his long effort measured by skyless space and time without depth, the purpose is achieved. Then Sisyphus watches the stone rush down in a few moments toward that lower world whence he will have to push it up again toward the summit. He goes back down to the plain.

It is during that return, that pause, that Sisyphus interests me. A face that toils so close to stones is already stone itself! I see that man going back down with a heavy yet measured step toward the torment of which he will never know the end. That hour like a breathing-space which returns as surely as his suffering, that is the hour of consciousness. At each of those moments when he leaves the heights and gradually sinks toward the lairs of the gods, he is superior to his fate. He is stronger than his rock.

If this myth is tragic, that is because its hero is conscious. Where would his torture be, indeed, if at every step the hope of succeeding upheld him? The workman of today works everyday in his life at the same tasks, and his fate is no less absurd. But it is tragic only at the rare moments when it becomes conscious. Sisyphus, proletarian of the gods, powerless and rebellious, knows the whole extent of his wretched condition: it is what he thinks of during his descent. The lucidity that was to constitute his torture at the same time crowns his victory. There is no fate that can not be surmounted by scorn.

If the descent is thus sometimes performed in sorrow, it can also take place in joy. This word is not too much. Again I fancy Sisyphus returning toward his rock, and the sorrow was in the beginning. When the images of earth cling too tightly to memory, when the call of happiness becomes too insistent, it happens that melancholy arises in man's heart: this is the rock's victory, this is the rock itself. The boundless grief is too heavy to bear. These are our nights of Gethsemane. But crushing truths perish from being acknowledged. Thus, Edipus at the outset obeys fate without knowing it. But from the moment he knows, his tragedy begins. Yet at the same moment, blind and desperate, he realizes that the only bond linking him to the world is the cool hand of a girl. Then a tremendous remark rings out: "Despite so many ordeals, my advanced age and the nobility of my soul make me conclude that all is well." Sophocles' Oedipus, like Dostoevsky's Kirilov, thus gives the recipe for the absurd victory. Ancient wisdom confirms modern heroism.

One does not discover the absurd without being tempted to write a manual of happiness. "What!—by such narrow ways—?" There is but one world, however. Happiness and the absurd are two sons of the same earth. They are inseparable. It would be a mistake to say that happiness necessarily springs from the absurd. It happens as well that the felling of the absurd springs from happiness. "I conclude that all is well," says Oedipus, and that remark is sacred. It echoes in the wild and limited universe

of man. It teaches that all is not, has not been, exhausted. It drives out of this world a god who had come into it with dissatisfaction and a preference for futile suffering. It makes of fate a human matter, which must be settled among men.

All Sisyphus' silent joy is contained therein. His fate belongs to him. His rock is a thing. Likewise, the absurd man, when he contemplates his torment, silences all the idols. In the universe suddenly restored to its silence, the myriad wondering little voices of the earth rise up. Unconscious, secret calls, invitations from all the faces, they are the necessary reverse and price of victory. There is no sun without shadow, and it is essential to know the night. The absurd man says yes and his efforts will henceforth be unceasing. If there is a personal fate, there is no higher destiny, or at least there is, but one which he concludes is inevitable and despicable. For the rest, he knows himself to be the master of his days. At that subtle moment when man glances backward over his life, Sisyphus returning toward his rock, in that slight pivoting he contemplates that series of unrelated actions which become his fate, created by him, combined under his memory's eye and soon sealed by his death. Thus, convinced of the wholly human origin of all that is human, a blind man eager to see who knows that the night has no end, he is still on the go. The rock is still rolling.

I leave Sisyphus at the foot of the mountain! One always finds one's burden again. But Sisyphus teaches the higher fidelity that negates the gods and raises rocks. He too concludes that all is well. This universe henceforth without a master seems to him neither sterile nor futile. Each atom of that stone, each mineral flake of that night filled mountain, in itself forms a world. The struggle itself toward the heights is enough to fill a man's heart. One must imagine Sisyphus happy.

He smiles, as he always does, at the beautiful vision of Camus. He remembers that he is human, and why that is so glorious. That there are no gods, no poetic ideals, no Truth, and no Beauty. All their Poetry - the last few months - glorious not because they were fated to be, not because of divine will, but because they were created to be. Because THEY created it - this very mountain they climbed, created by two brilliant, and very human, creator poets.

He misses her tremendously, of course. He always does - for it is not his arm, but his soul which falls. He regrets not reminding her of their humanity before she slid down their rather untidy mountain. But this time,

he realizes, she knows the way, and will not become lost.

He then remembers her words...

This is one trap fate has thrown me in but I feel its a really really deep one of which my heart desires.

Or maybe it is this thing called fate!

I do not believe in such things, I hope fate is ready to dance with me.

And laughs out loud at the realization that while there is no such thing as fate, he really does enjoy dancing with her.

From her depths, she hears that most absurd song drifting through the air...

From denial of the recent death of the Poet,  
he is forced to reconcile himself with the fact that she is, in fact, dead.

And no amount of patience atop this mountain of poetic excretion will bring her back.

Despite the rarified air, the body of the Poet has begun to decay in the intense sun.

And so, quite upset, he descends the mountain with the body of the Poet.

The weight is heavy, almost unbearable.

In the effort, his denial gives way to anger at the shame of her death.  
Not that suicide is necessarily dishonorable - the Samurai knew this.

"The Way of the Samurai is found in death",  
says the Hagakure.

"We all want to live.  
And in large part we make our logic according to what we like.  
But not having attained our aim and continuing to live is cowardice."

And certainly grounds for seppuku, honorable suicide.  
The art of course, is living as though we were already dead.

"If by setting one's heart right every morning and evening,  
one is able to live as though his body were already dead,  
he gains freedom in the Way.  
His whole life will be without blame,  
and he will succeed in his calling."

It angers him that she was so self-absorbed and stubborn to not realize the wisdom:

That true freedom comes not in death, but in living as if already dead.

In this focus on death, the ancient Egyptians were little different from the Samurai.

Every action done with the end in mind.

He is now seething with anger that the girl failed, and the Poet died in dishonor.

Suicide is selfish.

Who leaves in the middle of the play?

How utterly perverse and evil.

How... Absurd.

He smiles, utterly and completely alive and in love in death.  
It is easy to love the dead.

He puts his necrophilial thoughts aside, and wanders down a hollow to a cavern where the sun has never shone, and lays the body to rest. And he took fine linen (from his rucksack, no doubt), and took it down, and wrapped it in the linen, and laid him in the sepulchre which was hewn out of a rock, and rolled a stone unto the door of the sepulchre. Then grabs a cello from his rucksack and plays a mournful dirge...

And that absurd song! Again! How long will it haunt her?

He sits outside the tomb and weeps for the dishonorable death of The Poet and vows revenge...

"Even if it seems certain that you will lose, retaliate.  
Neither wisdom nor technique has a place in this.  
A real man does not think of victory or defeat.  
He plunges recklessly towards an irrational death.  
By doing this, you will awaken from your dreams."

Our Hero weeps, "O Princess, lady of this captive heart, a grievous wrong hast thou done me to drive me forth with scorn, and with inexorable obduracy banish me from the presence of thy beauty. O lady, deign to hold in remembrance this heart, thy vassal, that thus in anguish pines for love of thee."

@-}-

At that moment, he caught sight of some thirty or forty windmills, which stand on that plain, and as soon as he saw them he said to his squire (which he, er, pulled out of his rucksack): "Fortune is guiding our affairs better than we could have wished. Look over there, friend, where more than thirty monstrous giants appear. I intend to do battle with them and take all their lives. With their spoils we will begin to get rich, for this is a fair war, and it is a great service to God to wipe such a wicked brood from the face of the earth."

"What giants?" said his friend, "those things over there are not giants but windmills"

"It is quite clear," replied Our Hero, "that you are not experienced in this matter of adventures. They are giants, and if you are afraid, go away and say your prayers, whilst I advance and engage them in fierce and unequal battle."

@-}-//

In engaging the windmills as giants, is Our Hero mad? Or is he quite lucid, playing his game according to rules? His adventures all in the name of a princess, who is, in reality, no more than a country slut. He attacks windmills?

Doubtless the scorn of his Lady hath made him so. Yet, we have no record of scorn, only tender memories of epic love.

"There is the point," Our Hero will reply, "and that is the beauty of this business of mine; no thanks to a knight-errant for going mad when he has cause; the thing is to turn crazy without any provocation, and let my lady know, if I do this in the dry, what I would do in the moist; moreover I have abundant cause in the long separation I have endured from my lady till death... in absence all ills are felt and feared."

His poetry requires him to be mad. For surely he cannot leave this damsel in distress. The Lady of his Thoughts, she knows this all too well as she prepares her prosaic departure in her mind. Moreover, she knows that he knows. And he knows that she knows that he knows. And so he persists in his madness for her entertainment and salvation. For he imagines that she requires such Poetry as she requires breath itself. And that though she feigns departing, she wants him to find her again, more than anything she will ever want in her time.

Or...

Her poetry requires him to be mad. She is the enchantress, creating monsters from windmills to torment his heart. Though but a country slut, she imagines herself a right proper princess, and deserving of such gallantry, creating obstacles for him to vanquish that he may be worthy of her hand. Yet, she should fear that never again will she find such a spirit, willing to endure such nonsense. If he were to actually leave, her heart would be so empty as to collapse upon itself. So, again, she wants him to find her again, more than anything she will ever want in her time.

\\-{-@

"O my goodness!" said his friend, "Didn't I tell your worship to look what you were doing, for they were only windmills? Nobody could mistake them, unless he had windmills in his mind."

"Silence, friend," replied Our Hero, "Matters of love are more subject to most to continual change." And puts his squire back in his rucksack.

Just then, from the windmills which recently were giants, a song is measured out in the wind...

Our Hero and His Princess are forced to wonder just how many variations of this absurd theme can there possible be?!

Time is fleeting...  
Madness takes its toll.

He retrieves the poor squire from the rucksack.  
Our Hero looks at his friend.  
They speak of his love for his Lady, of the heroic and impossible things he schemes to win back her love.

"But your worship," the squire pleads, "epic love is not won by fruit baskets."

"I have told thee already," replies Our Hero, "that on the subject of adventures thou knowest little"

And stuffs him back in the rucksack.

-{-@

He sits on the plain, watching the windmills,  
their long arms ticking away the moments of this dull day,  
like a clock whose hands are sweeping past the minutes on it's face

Relativity destroyed time.  
Before that, Time existed, a quantity measured out by clocks...  
All clocks.

When Our Hero and Our Princess travelled together  
they experienced the same time.

And even now,

If Our Hero and Our Princess both remain immobile and stubborn,  
they experience the same time.

But when Our Hero begins to move and leaves Our Princess behind,  
entombed, times change.

(Yes, I know what you say, the spirit was entombed, and the soul went free... but it's all relative, isn't it?  
And it's more poetic this way - hanging on in quiet desperation IS the English way.)

The consequence is that Our Hero and Our Princess cannot agree whether two events happen at the same time.  
Thus they cannot experience the synchronicity.

For some time now, they travelled together,  
 agreeing upon the synchronicities that defined Their Poetry.  
 Now, as they drift apart, they occur less and less.  
 Indeed, they cannot even agree on fundamental facts of time and space -  
 were they ever in love?  
 Certainly, by now, she is already dismissing Their Poetry as fantastic apophe-  
 nia.  
 Will it be easy for her to drift away?  
 She need only suppress her heart,  
 something as a country slut she was once so very proficient at.  
 But can she bury it now?  
 She wanted freedom, tried to give him up...  
 Nothing can ever be the same.  
 Can time even run out for the eternal?

How DID it come to this?

He pulls a harp from his rucksack and plays the absurd song...

Will these variations never end?!

And will she miss them?

Like a wheel within a wheel...  
 The phrase in his mind over and over.

"Good squire," Our Hero said aloud,  
 hearing muted mumblings from behind him,  
 he looked around, finding no one.

"Right. The rucksack!" and quickly retrieved his friend.

"Good squire, we head to the land of the Chaldeans by the river Chebar,  
 a convenient place for finding adventures"

"This will be worse than the windmills," lamented the squire.

—{-@

Now it came to pass in the fourth month, in the fifth day of the month,  
They were among the captives by the river of Chebar,  
that the heavens were opened, and Our Hero saw visions of God.

(he immediately protected the good squire back in the rucksack)

And he looked, and, behold,  
a whirlwind came out of the north,  
a great cloud,  
and a fire infolding itself,  
and a brightness was about it,  
and out of the midst thereof as the colour of amber,  
out of the midst of the fire.

Also out of the midst thereof came the likeness of four living creatures.  
And this was their appearance;  
they had the likeness of a man.  
And every one had four faces,  
and every one had four wings.  
And their feet were straight feet;  
and the sole of their feet was like the sole of a calf's foot:  
and they sparkled like the colour of burnished brass.  
And they had the hands of a man under their wings on their four sides;  
and they four had their faces and their wings.  
Their wings were joined one to another;  
they turned not when they went;  
they went every one straight forward.  
As for the likeness of their faces,  
they four had the face of a man,  
and the face of a lion, on the right side:  
and they four had the face of an ox on the left side;  
they four also had the face of an eagle.  
Thus were their faces:  
and their wings were stretched upward;  
two wings of every one were joined one to another,  
and two covered their bodies.  
And they went every one straight forward:  
whither the spirit was to go, they went;

and they turned not when they went.  
 As for the likeness of the living creatures,  
 their appearance was like burning coals of fire,  
 and like the appearance of lamps:  
 it went up and down among the living creatures;  
 and the fire was bright,  
 and out of the fire went forth lightning.  
 And the living creatures ran and returned as the appearance of a flash of lightning.

Now as he beheld the living creatures,  
 behold one wheel upon the earth by the living creatures,  
 with his four faces.

The appearance of the wheels and their work was like unto the colour of a beryl:  
 and they four had one likeness: and their appearance  
 and their work was as it were a wheel within a wheel.

And this ever spinning wheel, believe it or not... played the Absurd song!

"That," said Our Hero, "will be Our Chariot," and ran after the impossible vehicle.

To which his friend replied, in a rucksack muffled voice: "In God's name, I cannot endure or bear with patience some of the things your worship says. They make me think that all you tell me about chivalries and winning kingdoms and empires, and giving isles and doing other favours and might deeds, as knight errant do, must just be wind and lies, and all friction or fiction or whatever you call it."

"Look you, by the same oath as you swore just now, I swear," said Our Hero, "that you have less brains than any squire has or ever had in the whole world. Is it possible that all this while you have been with me you have not discovered that everything to do with knights errant appears to be chimaera, folly and nonsense, and to go all contrariwise?"

And to Our Princess they went,  
 and when they went, they went upon their four sides:  
 and they turned not when they went.  
 As for their rings,

they were so high that they were dreadful;  
 and their rings were full of eyes round about them four.  
 And when the living creatures went,  
 the wheels went by them:  
 and when the living creatures were lifted up from the earth,  
 the wheels were lifted up. Whithersoever the spirit was to go,  
 they went, thither was their spirit to go;  
 and the wheels were lifted up over against them:  
 for the spirit of the living creature was in the wheels.  
 When those went, these went; and when those stood, these stood;  
 and when those were lifted up from the earth,  
 the wheels were lifted up over against them:  
 for the spirit of the living creature was in the wheels.”

But will Our Princess be impressed by such an impossibility?

And how eternal is the Absurd song?

 Are you any less afraid?  
 Do you somehow feel like you are in "control"?  
 Are you happier for it?  
 Do you think someday you will be?  
 Will your forget me?

When?  
 Tomorrow?

 Next month?  
 Next year?

Know thyself.

Know that you are my responsibility - you are my soul.

Because you know me.  
Because you love me.  
Need me because you can.

Let me carry you further than you could alone.

Do not let go... hold on to me like your life depended on it.

It does.

Our Hero sails along in the divine chariot, looking for the Lady of his Thoughts, conversing with his rucksack bound squire.

From the plains back to the mountains they flew when they came to a tunnel that they followed to a tunnel of it's own. In the dark depths of the mountain they sought the fallen Princess. So dark and mysterious was the tunnel that Our Hero had grown a bit scared. Yes, hard as it is to believe, he began to wonder if they would ever see the light of day, let alone the Princess again. And so Our Hero did what he does best when he is uncomfortable - he made idle conversation.

"Did you know, my friend," Our Hero asked rhetorically knowing full

well his friend did not know, and if he did he would be unable to answer for the rucksack muffled his every syllable”

”Did you know that in Japan it was once customary to give young people about to be married a ”pillow book.” This was a small volume of wood-block prints, often colored, showing all the details of sexual intercourse. It wasn’t just that, as the Chinese say, ”one picture is worth ten thousand words.” It was also that it spared parents the embarrassment of explaining these intimate matters face-to-face. But today in the West you can get such information at any newsstand Sex is no longer a serious taboo. Teenagers sometimes know more about it than adults.”

”But if sex is no longer the big taboo, what is? For there is always something taboo, something repressed unadmitted, or just glimpsed quickly out of the corner of one’s eye because a direct look is too unsettling Taboos lie within taboos, like the skins of an onion. What, then, would be The Book which fathers might slip to their sons and mothers to their daughters without ever admitting it openly?”

”The Book I’m thinking about would not be religious in the usual sense, but it would have to discuss many things with which religions have been concerned—the universe and man’s place in it, the mysterious center of experience which we call ”I myself,” the problems of life and love, pain and death, and the whole question of whether existence has meaning in any sense of the word. For there is a growing apprehension that existence is a rat-race in a trap: living organisms, including people, are merely tubes which put things in at one end and let them out at the other, which both keeps them doing it and in the long run wears them out. So to keep the farce going, the tubes find ways of making new tubes, which also put things in at one end and let them out at the other. At the input end they even develop ganglia of nerves called brains, with eyes and ears, so that they can more easily scrounge around for things to swallow As and when they get enough to eat, they use up their surplus energy by wiggling in complicated patterns, making all sorts of noises by blowing air in and out of the input hole, and gathering together in groups to fight with other groups. In time, the tubes grow such an abundance of attached appliances that they are hardly recognizable as mere tubes, and they manage to do this in a staggering variety of forms. There is a vague rule not to eat tubes of your own form, but in general there is serious competition as to who is going to be the top type of tube. All this seems marvelously futile, and yet, when you begin to think about it, it begins to be more marvelous than futile. Indeed, it seems extremely

odd.”

Yes, they spoke of tubes.

So enamored with the concept was Our Hero with tubes that he reached into the rucksack and grabbed for his clarinet.

”Hey!” yelled the squire, ”that is NOT your clarinet”

”Sincerest apologies,” replied Our Hero, and took the clarinet as handed by the squire.

He played and thought of the time he revealed the tubes to His Lady... only she wasn’t His Lady, but her deception. Nevertheless, he played the tune through the tube, dreaming of finding her again, of seeing the stars one more time.

In the depths of the tunnel of it’s own, lit only by the luminance of of the chariot itself, Our Hero grows despondent. From his rucksack he retrieved some tattered pictures of the Lady of His Thoughts. So beautiful her visage, and yet he would give them all for three words from her heart scribbled hastily.

The squire poked his head out of the open rucksack. ”Did she love you, sire?”

Our Hero paused, and looked at his berucksacked friend.

”I cannot say;

I have no certain knowledge any more;

I doubt my doubt, doubt itself is unsure;

I love, but who is it for whom I sigh?

My heart is empty, yet with love is full;

My own love is to me incredible.”

”If only,” sighed the squire, ”you had some evidence of her love.”

"Yes," replied Our Hero,  
 "but I have no evidence of her loss, either.  
 When I thought we were in love,  
 When we were happy,  
 I had endeavored, through poetry, to create this evidence,  
 To help us through this inevitable darkness,  
 But alas, she was uninterested in expending any effort to create with me.  
 Doubtless for fear it would make our present task too simple.  
 And now, were I to write it, how should I attempt it?  
 It is one thing to write as a poet, and another as a historian.  
 The poet can relate and sing things,  
 not as they were but as they should have been,  
 without in any way affecting the truth of the matter."

"But," smiles Our Hero,  
 "these pictures are beautiful.  
 I consider myself blessed for them.  
 And yet, they torture me so.  
 For they, as my love, shall never fade,  
 but her love is seemingly easily discarded.  
 It is the disparity of truth which pains me.  
 How can I find our love to be True,  
 if she does not?"

The squire just nods.

"They say that Beauty is in the eye of the beholder -  
 though I daresay that no one could ever find her not -  
 but perhaps Truth is also such.  
 That where I see love, she see as hateful.  
 Where I see her freedom, she sees a prison.  
 Can the infinite be seen as finite?  
 Can eternity be measured?  
 If so, how might I destroy myself as she has?  
 For I would rather burn with her in Hell,  
 than be eternally separated yet in Heaven."

Pictures hanging in a hallway  
 And a fragment of this song

"If I could pluck out my heart, and lay it on a plate on this table here before your highness's eyes, it would spare my tongue the pain of telling what can hardly be thought of"

What should my words say that you do not already know?

You know that we are starcrossed lovers.

That not even death shall tear us apart.

Your absurd departure notwithstanding.

You are still with me, aren't you?

The only difference is that we suffer.

Needlessly.

Or is that the point?

You who are so afraid of needing.

Do you not now need for me to let go?

And after pleading with me never to, you now think I can?

You underestimate me.

You underestimate my divinity. My love.

You underestimate my humanity. My suffering.

You know what comes next.

I will, of course, threaten to book passage to find you.

"The revenge lies in simply forcing one's way into a place and being cut down. There is no shame in this. By thinking that you must complete the job you will run out of time. By considering things like how many men

the enemy has, time piles up; in the end you will give up. No matter if the enemy has thousands of men, there is fulfillment in simply standing them off and being determined to cut them all down, starting from one end. You will finish the greater part of it.”

Curious how the advice to Samurai assassins is relevant to love.

And so, I will force my way into your life.

Then you may cut us down honorably.

We will die.

And then we can live.

Could you leave me in the rain with two tickets to somewhere?

I am betting my entire life that you will not.

Do you doubt?

Or you could just pick up the phone I so conveniently bought you and call, and save us both the effort.

For we are lazy.

I know it requires vast effort for you to ignore me.

You ought redirect that effort to inspire us, rather than to exhaust yourself.

I see no dishonor in pursuing an opponent.

At least not for the one in pursuit.

A fight and a death is always more honorable.

This is quite intolerable.

I am quite exhausted.

This is not impossible.

It's just stupid.

How do you not suffer?

Can you possibly not sense how wrong this is?

Is this not the most evil thing imaginable?

How did you become this cold?

What demon has enchanted you?

This is no "last stand"

I'd like to say that it's weak and pathetic,  
but I wouldn't have the strength to do it.

I have too much honor and respect for you.

The ideals of Truth and Beauty actually exist for me.

I had thought you...

I had though...

I...

The horror!

\*smiles\*

Having fun yet?

Pining away for lost love which isn't actually lost?  
Kinda takes the fun out of it if I don't suffer, doesn't it?

I am only disappointed if you actually thought this would separate us.

It lacks poetry, your "last stand".

I will grow bitter and cynical and leave you, abandoning all hope?  
You know better than that...

Your evidence is this:

The farther you run,  
The stronger we love.

Since we are playing such high stakes,  
I would wager that you have never loved me more than you do right now.

That you want nothing more than to give in.  
To stop holding your breath  
And experience Nirvana again and again.

I have climbed mountains before, mount tidy to the summit for one.

Do not call me or write me, I will deny you.

If you can overcome this and somehow sway me from this mindset then god truly I swear here and now that I will be yours now and forever.

That will not be the case however, I hear you laughing?

[4:06] You: You are scaring me please stop..

[4:06] Absinthe Nosferatu is in horror at the thought that she has that effect on almost everyone.

if I may ask one question? and I'll never ask it again of you.

[4:07] You: Oh of course, ask me anything you desire

Dont worry they all start out that way, they all slip, just dont forget yourself.

[4:07] Shaunathan Sprocket: it doesn't bother you that I'm 28?

[4:08] You: Not at all!!

[4:08] Shaunathan Sprocket nods

[4:08] You: You see...In my experience older men

[4:09] Shaunathan Sprocket: You see

[4:09] You: the legal consenting age in the UK is 16...It should not matter but I would like to know what you are implying?

## **The Moths And The Flame**

From: dan@syzygyx.com  
 Subject: The moths and the flame  
 Date: July 20, 2006 5:09:06 PM MDT  
 To: angelactress4u@hotmail.com

Moths gathered in a fluttering throng one night  
 To learn the truth about the candle's light.  
 And they decided one of them should go

To gather news of the elusive glow.  
 One flew till in the distance he discerned  
 A palace window where a candle burned -  
 And went no nearer; back again he flew  
 To tell the others what he thought he knew.  
 The mentor of the moths dismissed his claim,  
 Remarking: "He know nothing of the flame."  
 A moth more eager than the one before  
 Set out and passed beyond the palace door.  
 He hovered in the aura of the fire,  
 A trembling blur of timorous desire,  
 Then headed back to say how far he'd been,  
 And how much he had undergone and seen.  
 The mentor said: "You do not bear the signs  
 Of one who's fathomed how the candle shines."  
 Another moth flew out - his dizzy flight  
 Turned to an ardent wooing of the light;  
 He dipped and soared, and in his frenzied trance  
 Both Self and fire were mingled by his dance-  
 The flame engulfed his wing-tips, body, head;  
 His being glowed a fierce translucent red;  
 And when the mentor saw that sudden blaze,  
 The moth's form lost within the glowing rays,  
 He said: "He knows, he knows the truth we seek,  
 That hidden truth of which we cannot speak."  
 To go beyond all knowledge is to find  
 That comprehension which eludes the mind,  
 And you can never gain the longed-for goal  
 Until you first outsoar both flesh and soul;  
 But should one part remain, a single hair  
 Will drag you back and plunge you in despair -  
 No creature's Self can be admitted here,  
 Where all identity must disappear.

## Non-Scheming

From: dan@syzygyx.com  
 Subject: Non-Scheming  
 Date: July 21, 2006 7:42:49 AM MDT  
 To: angelactress4u@hotmail.com

So the first part of the scheme is, of course, an attempt to not have to scheme at all.

You do not wish to be rid of me.  
 For the loss would be unbearable.

You wish to be rid of your self.  
 Of that suffering it imposes on you.

You wish to transcend need?  
 We must do that together.

You wish to be truly free?  
 Remember that nirvana.

I am not an enemy.  
 This is not a battle.  
 We are not at war.

I am your only friend.  
You know me.  
You trust me.

I know why you suffer.  
I know what you fear.

You cannot run.  
You cannot hide.

It is not inside me.  
It is inside you.

But, just now, I am the only person that can make it go away.  
Remember that nirvana.

If I leave, it remains.

You offer me this impossible challenge.

I accept.  
I will not fail.  
I will not falter.

It is not desperation.  
It is not stubbornness.  
It is not even persistence.  
It is merely concentration.

No matter what it is, there is nothing that cannot be done. If one manifests the determination, he can move heaven and earth as he pleases. Moving heaven and earth without putting forth effort is simply a matter of concentration.

favorite quotes....

But success shall crown my endeavours. Wherefore not? Thus far I have gone, tracking a secure way over the pathless seas: the very stars themselves being witnesses and testimonies of my triumph. Why not still proceed over the untamed yet obedient element? What can stop the determined heart and resolved will of man?

So I'm leaving you this time. I'm bored of this game where I find you. Let's do something a bit more interesting. I'm especially tired of you just now, and don't think you will ever be beautiful for me again without provocation. I have created poetry for you, the universe is my ally.

Now you create for me. Woo me back, or there will be no more poetry, no flowers, no bears, no chocolates, no fruit baskets, no Iceland, no Orient Express to Venice, no impossible things. I'm exhausted. It's really a wonder I'm not entirely dead.

Think I'm not serious? Think again. You have crushed my spirit the past few days, I have poured all my self into rescuing us. I have nothing left. So create beauty for me.

Until then, goodbye.

Siddhartha had left his life as a wandering ascetic, fell in love with Kamala the courtesan, and took a job with Kamaswami to support his lifestyle, but after one evening of drunken revelry, he had a dream in his drunken, sleepless state...

Kamala owned a small, rare singing bird in a golden cage. Of this bird, he dreamt. He dreamt: this bird had become mute, who at other times always used to sing in the morning, and since this arose his attention, he stepped in front of the cage and looked inside; there the small bird was dead and lay stiff on the ground. He took it out, weighed it for a moment in his hand, and then threw it away, out in the street, and in the same moment, he felt terribly shocked, and his heart hurt, as if he had thrown away from himself all value and everything good by throwing out this dead bird.

Starting up from this dream, he felt encompassed by a deep sadness. Worthless, so it seemed to him, worthless and pointless was the way he had been going through life; nothing which was alive, nothing which was in some way delicious or worth keeping he had left in his hands. Alone he stood there and empty like a castaway on the shore.

...

In the same hour of the night, Siddhartha left his garden, left the city, and never came back. For a long time, Kamaswami had people look for him, thinking that he had fallen into the hands of robbers. Kamala had no one look for him. When she was told that Siddhartha had disappeared, she was not astonished. Did she not always expect it? Was he not a Samana, a man who was at home nowhere, a pilgrim? And most of all, she had felt this the last time they had been together, and she was happy, in spite of all the pain of the loss, that she had pulled him so affectionately to her heart for this last time, that she had felt one more time to be so completely possessed and penetrated by him.

When she received the first news of Siddhartha's disappearance, she went to the window, where she held a rare singing bird captive in a golden cage. She opened the door of the cage, took the bird out and let it fly. For a long time, she gazed after it, the flying bird. From this day on, she received no more visitors and kept her house locked. But after some time, she became aware that she was pregnant from the last

time she was together with Siddhartha.

I wasn't thinking, I was just writing.

Do you believe that the universe can bring souls together? That....Once in a while, maybe every 100 years or so we meet someone where we think..."Hey, this seems strangely familiar?"

I do you see.

Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost. says:

I want to find out who you are because you might just be the one.

I want to see where this life will lead, just this one I do not worry bout the next life times for I will not have ill timing and will find you with some ease.

Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost. says:

You know what most disturbs me is that I feel Ive been doing this dance of running and hiding with this man for man for longer than I even realize.

Yes

Alright

Israel says:

Im back..

Israel says:

Again my heart speeds up despite you not being here, SEE I knew I was unable to leave you alone!

I wanted you to know that I was cut off this night by a power cut.  
In my state of fear in the height of the storm I was plunged into darkness.

I spent a night in the underworld and it was truly fearful  
I was so ill prepared.  
And I was lost.  
I had no way to find you.

I really thought I would never see the sun again and that the rain would never cease.  
My only light being the blue streaks of lightning which would illuminate my world for a moment before plunging me back into the duat.  
I prayed that Ra would be reborn, the Egyptians used to do it every night you know? For fear that the sun would not rise the next day, they always wanted to be prepared. There was a prayer to ensure against everything.  
No I must be prepared, for anything and everything, I want to be prepared every day, never again do I want to feel so helpless.

I wanted to say goodnight..

And when the rain finally ceased I opened my eyes to the pale blue light of morning.

I realised I had survived my flight in the underworld, damp to the bone but alive none the less.

Ra was reborn before my eyes, he winked at me through shafts of early light, knowing I had been bad but comforted me in his light and congratulated me on surviving.

I came to find you as quickly as I could..

It is 5am here, and you are no where in sight, your ba sits, screaming truth and beauty, praising the essence of the universe itself and you are no where to be found..

I return to the tomb to find you safe and sleeping, I lay an olive branch on your chest carefully as not to wake you, whisper goodnight before returning to the cage, to which I let myself in and lock the door behind me.

I sought a Chapter On Not Letting The Soul Of A Man Be Struck Down By The Wrath Of The Universe. Instead, I read the Chapter Of Making The Transformation Into A Swallow, which seemed useful and somewhat prophetic.

I am a swallow, [I am] a swallow. [I am] that Scorpion, the daughter of Ra. Hail, O ye gods whose odour is sweet. Hail, O ye gods whose odour is sweet. Hail, Flame, who comest forth from the horizon. Hail, thou who art in the city. I have brought the Warder of his corner there. Give me thy two hands, and let me pass my time in the Island of Flame. I have advanced with a message, I have come having the report thereof [to make]. Open to me. How shall I tell that which I have seen there? I am like Horus, the governor of the Boat, when the throne of his father was given unto him, and when Set, that son of Nut, was [lying] under the fetters which he had made for Osiris. He who is in Sekhem hath inspected me. I stretch out my arms over Osiris. I have advanced for the examination, I have come to speak there. Let me pass on and deliver my message. I am he who goeth in, [I am] judged, [I] come forth magnified at the Gate of Nebertcher. I am purified at the Great Uart. I have done away my wickednesses. I have put away utterly my offences. I have put away utterly all the taints of evil

which appertained to me [upon the earth]. I have purified myself, I have made myself to be like a god. Hail, O ye Doorkeepers, I have completed my journey. I am like unto you. I have come forth by day. I have advanced on my legs. I have gained the master over [my] footsteps. [Hail, ye] Spirit-souls! I, even I, do know the hidden roads and the Gates of Sekhet Aaru. I live there. Verily, I, even I, have come, I have overthrown my enemies upon the earth, although my body lieth a mummy in the tomb.

”I have done away my wickedness. I have put away utterly my offences. I have put away utterly all the taints of evil which appertained to me upon the earth. ... I have come forth by day. I have advanced on my legs. I have gained the master over my footsteps”

Though it was frightening, I believe that you have, and that we ought need never fear anything again. We will prepare daily. Our efforts will rival the ancients. My soul, you are the most precious thing to me. More than life itself. For without this body, I will yet live, and still long for you. When that day comes that we are again seemingly separated forever, I will rejoice knowing that we are one step closer to that completely and final union in eternity. A vision so Beautiful to my mind that I cannot bear for it not to be True.

You will find when you return online a promise regarding an opera that I am going to write for you upon your demise. It was to be the most beautiful thing ever created. I would have expended my self and my fortune to accomplish this impossible task, but I must say that I am relieved to not have to just yet.

In Truth and In Beauty I Love Thee.

How Do I Love Thee? She then began to count the ways...

I would find it easier to count the stars in the desert sky  
Than to attempt to count the ways in which I love thee.

In you, I find the answer to the questions asked of me  
Not only how, but who? and what? and why?

Might that I could describe the mysteries of your countenance  
In words the secrets of the universe revealed honestly - but lies.  
For your beauty humbles my truth, your lips, your cheeks your eyes  
No, not words. Perhaps, you're better captured in music or in dance

For how can static symbols ever capture your dynamic  
Their effect is of remembering concepts already known  
But our love? Impossible - such seed has ne'er been sown.  
Unique in all the world, brought forth from poetry and magic.

No, in such short span, I cannot count the ways of how I love thee.  
But I can imagine no better way to spend all eternity.

—{-@

A semisonnet because I am too lazy to tune the meter.  
But, hey, it has 14 lines, rhymes almost Italianesque (abba), and has a clever  
couplet.  
Good night, my love!  
Let us now dream together.

I think that to understand why your daughter is not ruining my marriage, I should share something with you. Shortly after I told my wife about Perdita, I was trying to help her understand the depth of feelings that I have for your daughter. That I was in need of poetry - a poetry not just of words but of living - and that inexplicably I have found it in your daughter.

She simply said, "I do not like poetry, I do not understand it."

I wept for the precision and accuracy of this statement. I suppose this is what I'd been trying to fix for so many years - hoping to create a love of

poetry - of love itself. I knew this from before we married - that she didn't understand. I had imagined that people grow and change. And perhaps they do in extraordinary circumstances, but not through common living. When I look at my son, I know that he sees the beauty of the world, and has that wonder, and can experience that magic. Perhaps every child does, I don't know. I do know that I feel an obligation to him to live a most poetic life - to live as example - to maintain that light he has within himself. My love for your daughter is as True and as Beautiful as anything I have experienced. I also know that many will disapprove, for there are few in this dark age who still can see Truth and Beauty. And perhaps this is the most impossible task of all: to rekindle that light in hearts that have long since darkened.

Here is how I see it. If we continue to make choices alone and selfishly... and I do this as much as you... we will condemn ourselves to a life of suffering the likes of which we are only beginning to fathom... this poetry about us not actually being complete beings... it seems to be quite real... for everytime we imagine a "solution" to our "problem" on our own... we end up here, in this place, with the suffering and the screaming... I don't like this place... and would be happy to never see it again... for with you I have seen things... impossible things... so perhaps it is time, at long last, to scheme together... and perhaps we can yet make this epic drama into something beautiful...

Yours in death, as in life (that is to say, in suffering),

I wish that you would have fed me today. A sexy email, words of affection... I am exhausted from the past... and needed sustenance... I hate having to ask... it removes most of the value of any gift. So I simply leave this note for you knowing that you are already sleeping, perhaps reminding you for the future. I love you very much, and imagine we are very near to having a fabulous life together... but sometimes, like now, as I sit here entirely unfed and starving, my hope dwindles a bit... and I lack energy for any of the myriad of schemes I had but yesterday. So, I sleep, feeling exhausted and unloved and frustrated for it...

Patience, you say... please, just don't wait too long.

There is a story that I heard about a man of great faith and patience. His town, it seems, was flooding. Before the storm, he was offered a ride out of town by a passing car. "No, no," says the man, "God will save me." And as the waters were rising above the level of his house, a boat came by and offered him rescue. He said, "no, no, I am a man of faith! God will save me", and dismissed them. By now, the waters were quite high and the helicopter rescue came for him. "Get in!" they shouted. "No, no, I am a patient man! God will save me." And the helicopter reluctantly left him there. The waters overtook the roof of his house and the man drown in the flood. Upon reaching the afterlife, the man was a bit perturbed and spoke to God directly, "hey, I was faithful and patient! why didn't you rescue me?!" God says, "what do you mean? I sent you a car and a boat and a helicopter?"

- [20:22] Absinthe Nosferatu: I was done with you weeks ago!
- [20:22] Rogue Desmoulins: Too tired for poetry?
- [20:23] Rogue Desmoulins: I think that is pathetic.
- [20:23] Absinthe Nosferatu: not of poetry I am happy with whom I share it
- [20:24] Rogue Desmoulins: Then why so hatefilled?
- [20:25] Absinthe Nosferatu: I am happy..
- [20:25] Rogue Desmoulins: So quickly... I am jealous.
- [20:26] Absinthe Nosferatu: it was strange
- [20:26] Absinthe Nosferatu: very strange..
- [20:26] Rogue Desmoulins: I'm sure it was.
- [20:26] Absinthe Nosferatu: very much like your first egyptologist
- [20:26] Absinthe Nosferatu: I just found the real deal
- [20:26] Rogue Desmoulins: Again? How fortunate for you.
- [20:27] Absinthe Nosferatu: again?
- [20:27] Absinthe Nosferatu: I don't know what you mean
- [20:27] Rogue Desmoulins: You fall in love every time we are apart for more than a day.
- [20:27] Rogue Desmoulins: Are you so needy?
- [20:28] Absinthe Nosferatu: I am not needy I am happy.
- [20:28] Rogue Desmoulins: I am not.
- [20:28] Absinthe Nosferatu: are you not now?

[20:28] Absinthe Nosferatu: I thought you would of been?

[20:28] Rogue Desmoulins: Why would you think that?

[20:29] Absinthe Nosferatu: I just..

[20:30] Rogue Desmoulins: I had imagined your love was stronger than your pride.

[20:30] Rogue Desmoulins: But you were stubborn and selfish to the very end.

[20:31] Absinthe Nosferatu: I just became in shock the day after.

[20:31] Rogue Desmoulins: Surely you did not actually imagine me happy?

[20:31] Absinthe Nosferatu: I did..

[20:31] Rogue Desmoulins: You knew I waited for you.

[20:32] Rogue Desmoulins: That I expected, anticipated that you would find me.

[20:32] Rogue Desmoulins: That you would create for me.

[20:32] Rogue Desmoulins: And now, I see, that you were too busy falling in love.

[20:33] Rogue Desmoulins: Honestly, I am devastated.

[20:33] Absinthe Nosferatu: I am sorry but I can hardly predict who comes up now can I?

[20:33] Rogue Desmoulins: I suppose it is all a matter of your focus.

[20:33] Absinthe Nosferatu: No..

[20:34] Rogue Desmoulins: Of course it does.

[20:34] Absinthe Nosferatu: If you had been me, you would of been seduced also.

[20:34] Rogue Desmoulins: Were you focused on saving Our Poetry, it would have been saved.

[20:34] Rogue Desmoulins: Instead, you went off in search of attention elsewhere.

[20:35] Rogue Desmoulins: Satisfying your self with shallow attention.

[20:35] Absinthe Nosferatu: shallow?

[20:35] Rogue Desmoulins: Did you even consider making an effort?

[20:35] Absinthe Nosferatu: this is hardly shallow..

[20:35] Rogue Desmoulins: Or were you too happy because it was over?

[20:35] Absinthe Nosferatu: I was entirely somewhere else

[20:36] Rogue Desmoulins: So it seems.

[20:36] Rogue Desmoulins: I hate you.

[20:36] Absinthe Nosferatu: I know..

[20:36] Rogue Desmoulins: You know that.

[20:36] Rogue Desmoulins: It was doubtless your plan.

[20:36] Absinthe Nosferatu: It is a good job you'll heal.

- [20:36] Absinthe Nosferatu: this was not my plan
- [20:36] Absinthe Nosferatu: but yours
- [20:36] Absinthe Nosferatu: remember that
- [20:36] Rogue Desmoulins: My plan?
- [20:37] Absinthe Nosferatu: yes
- [20:37] Rogue Desmoulins: I offered you freedom to love.
- [20:37] Absinthe Nosferatu: you left this time, not me
- [20:37] Rogue Desmoulins: Freedom which you entirely squandered.
- [20:37] Rogue Desmoulins: Irresponsibly and selfishly.
- [20:37] Absinthe Nosferatu: I do not hold onto people when they want to fly..
- [20:37] Rogue Desmoulins: I did not want to fly.
- [20:37] Absinthe Nosferatu: I think it is saddening but beautiful.
- [20:37] Absinthe Nosferatu: oh but you did
- [20:38] Absinthe Nosferatu: really a part of you never wanted to talk to me again
- [20:38] Rogue Desmoulins: Do you have any remorse at all?
- [20:38] Absinthe Nosferatu: I bet you swore to yourself you wouldn't
- [20:38] Rogue Desmoulins: Not at all.
- [20:38] Rogue Desmoulins: I held my breath.
- [20:39] Absinthe Nosferatu: and died?
- [20:39] Rogue Desmoulins: And waited for something miraculous.
- [20:39] Rogue Desmoulins: Something impossible.
- [20:39] Rogue Desmoulins: You however, sought refuge in the comfortable.
- [20:39] Rogue Desmoulins: It is you who died.
- [20:39] Absinthe Nosferatu: No, I was found.
- [20:39] Absinthe Nosferatu: really found.
- [20:39] Rogue Desmoulins: Yes, I'm sure.
- [20:40] Rogue Desmoulins: Who, exactly do you imagine I am?
- [20:41] Rogue Desmoulins: Do you think that because two days have past, that we no longer exist?
- [20:41] Absinthe Nosferatu: . "So... you said you were lost Perdita.. your current state... I feel you need to be found, I feel people have tried to find you and have failed, the difference with me being that I have already found you."
- [20:41] Rogue Desmoulins: You are not that foolish.
- [20:41] Rogue Desmoulins: Yes, I really could not care less.
- [20:42] Rogue Desmoulins: You are not impressing me.
- [20:42] Rogue Desmoulins: You had a chance to do something amazing,

and you chose not to.

[20:42] Absinthe Nosferatu: I'm sorry to tell you I had never been so impressed

[20:42] Rogue Desmoulins: Why?

[20:42] Rogue Desmoulins: Tell me, did I "fail to find you"?

[20:43] Rogue Desmoulins: Is that what happened?

[20:43] Absinthe Nosferatu: you were not the "special someone just for me."

[20:43] Rogue Desmoulins: really now?

[20:43] Absinthe Nosferatu: really..

[20:44] Rogue Desmoulins: And you are quite convinced of this, are you?

[20:45] Rogue Desmoulins: I heard an interesting lecture this weekend...

[20:45] Absinthe Nosferatu: I have never been more convinced by anyone in my entire life..

[20:46] Rogue Desmoulins: Tell me, though, why didn't you even try with us?

[20:46] Rogue Desmoulins: It was nothing to you?

[20:47] Rogue Desmoulins: All your words lies and acting?

[20:47] Rogue Desmoulins: And now you are found.

[20:47] Rogue Desmoulins: And this is Ture?

[20:47] Absinthe Nosferatu: I was not acting

[20:48] Rogue Desmoulins: The lecture revolved around the word "person"

[20:48] Rogue Desmoulins: We strive to become real persons, to meet other persons.

[20:48] Rogue Desmoulins: Do you know the etymology of "person"?

[20:49] Rogue Desmoulins: It comes from greek.

[20:49] Rogue Desmoulins: "persona"

[20:49] Rogue Desmoulins: As in "dramatis persona"

[20:49] Absinthe Nosferatu: I am aware of it..

[20:49] Rogue Desmoulins: It referred to the mask that actors used.

[20:50] Rogue Desmoulins: It had a megaphone so the audience could hear.

[20:50] Rogue Desmoulins: per (through) + sona (sound)

[20:50] Rogue Desmoulins: I thought of you while listening to this.

[20:50] Rogue Desmoulins: And of myself.

[20:50] Rogue Desmoulins: And of the personas that we offer the world.

[20:51] Rogue Desmoulins: And how easy you make it for others to fall in love with your persona.

[20:51] Rogue Desmoulins: But how difficult to fall in love with the actress herself.

[20:51] Absinthe Nosferatu: ...

[20:52] Rogue Desmoulins: I have fallen in love with the actress that no one else sees.

[20:53] Rogue Desmoulins: And she has fallen in love with me.

[20:53] Rogue Desmoulins: You know that you can only hid behind that mask for a short while.

[20:53] Absinthe Nosferatu: William came back yesterday you know?

[20:54] Rogue Desmoulins: And that what you want more than anything is to be known.

[20:54] Absinthe Nosferatu: if only for a few mins, you missed it, quite sad really.

[20:54] Rogue Desmoulins: Yes, quite a pity.

[20:54] Absinthe Nosferatu: would you like to come and take tea with me and John?

[20:54] Rogue Desmoulins: I believe that your persona is in love (again), but not you.

[20:54] Rogue Desmoulins: Yes, I think I would enjoy that.

[20:55] Rogue Desmoulins: I also know that it is really embarassing for you when I do this.

[20:55] Rogue Desmoulins: Like talking to me completely naked.

[20:57] Rogue Desmoulins: I did underestimat your pride and stubbornness this weekend.

[20:58] Rogue Desmoulins: I really did think that you understood.

[20:59] Rogue Desmoulins: And I am disappointed that you did not.

[20:59] Rogue Desmoulins: For it was your opportunity.

[20:59] Rogue Desmoulins: To be free.

[20:59] Absinthe Nosferatu: I am sorry but you did...lose me

[21:00] Absinthe Nosferatu: we can be friends however, I know that you would like that

[21:00] Rogue Desmoulins: Yes, clearly I did.

[21:01] Absinthe Nosferatu: I am in love with a man named Israel.

[21:01] Rogue Desmoulins: Yes?

[21:01] Rogue Desmoulins: How wonderful.

[21:01] Absinthe Nosferatu: Yes..

[21:01] Rogue Desmoulins: Tell me about him.

[21:01] Rogue Desmoulins: Do you talk for hours and hours.

[21:01] Absinthe Nosferatu: I can hardly stop myself from doing that

[21:01] Absinthe Nosferatu: we do.

[21:02] Rogue Desmoulins: When did you meet?

[21:02] Absinthe Nosferatu: at the same time

- [21:02] Absinthe Nosferatu: same place
- [21:02] Absinthe Nosferatu: here, where I met you
- [21:02] Rogue Desmoulins: when?
- [21:04] Rogue Desmoulins: I am much more interested in why you did nothing to find me.
- [21:05] Absinthe Nosferatu: the day you left
- [21:05] Rogue Desmoulins: Friday.
- [21:06] Rogue Desmoulins: In how one goes about of disposing of such love.
- [21:06] Rogue Desmoulins: For when I left you, we were very much in love.
- [21:06] Rogue Desmoulins: And then, moments later, you were very much in love elsewhere?
- [21:06] Absinthe Nosferatu: uh whisked!
- [21:07] Absinthe Nosferatu: haha is the only word I can think for it
- [21:07] Rogue Desmoulins: without any remorse or concern for ever seeing me again?
- [21:07] Absinthe Nosferatu: I have..never felt so..
- [21:07] Absinthe Nosferatu: No one has crossed my mind since
- [21:07] Rogue Desmoulins: really now?
- [21:08] Absinthe Nosferatu: I confess I am rather...Perplexed.
- [21:08] Rogue Desmoulins: So I left you with the words "create beauty for me. until then, goodbye"
- [21:09] Rogue Desmoulins: And you took that as a cue to leave and find someone else?
- [21:09] Absinthe Nosferatu: I think you were attempting to starve me
- [21:09] Rogue Desmoulins: Starve?
- [21:09] Absinthe Nosferatu: it hardly matters now, as you are fond of saying
- [21:09] Rogue Desmoulins: NO, love, that's your stupid game.
- [21:10] Rogue Desmoulins: I was offering you freedom and a reason to create.
- [21:10] Absinthe Nosferatu: do not call me that
- [21:10] Rogue Desmoulins: love?
- [21:10] Rogue Desmoulins: no, of course, you are no longer in love.
- [21:10] Absinthe Nosferatu: Please lets be civil..
- [21:10] Rogue Desmoulins: civil?!
- [21:11] Rogue Desmoulins: You find me uncivil?
- [21:11] Rogue Desmoulins: You see nothing uncivil in your own behavior?
- [21:12] Rogue Desmoulins: Nothing odd or unreasonable?

- [21:12] Rogue Desmoulins: Nothing peculiar at all?
- [21:12] Absinthe Nosferatu: I am being very calm...or rather I feel sedated
- [21:13] Rogue Desmoulins: Tell me why you think I should believe you.
- [21:13] Absinthe Nosferatu: Because I am shocked that I believe myself
- [21:13] Absinthe Nosferatu: heart and head
- [21:14] Rogue Desmoulins: I am shocked as well.
- [21:14] Absinthe Nosferatu: I am tempted to say..
- [21:15] Rogue Desmoulins: I had thought you were sufficiently in love with me to make such a bold offer of freedom sensible.
- [21:16] Rogue Desmoulins: I clearly do not know you at all.
- [21:16] Absinthe Nosferatu: I am glad someone does..
- [21:16] Rogue Desmoulins: Yes, I'm sure.
- [21:16] Rogue Desmoulins: So you didn't cry at all?
- [21:16] Rogue Desmoulins: Did not suffer a moment?
- [21:17] Rogue Desmoulins: Terminal love, then "create beauty for me" and then nothing at all...
- [21:17] Rogue Desmoulins: wow.
- [21:18] Absinthe Nosferatu: I have suffered no emotions that I am aware of
- [21:18] Rogue Desmoulins: And this seems all very real to you, does it?
- [21:19] Rogue Desmoulins: I spoke with you for what? all day on Friday.
- [21:19] Rogue Desmoulins: And then all gone so you imagined.
- [21:19] Rogue Desmoulins: And you were quite content with that?
- [21:20] Rogue Desmoulins: \*smiles\*
- [21:20] Rogue Desmoulins: That didn't strike you at all as familiar?
- [21:20] Rogue Desmoulins: Didn't remind you of anything?
- [21:20] Rogue Desmoulins: Clearly it resonated. Of course it did.
- [21:21] Rogue Desmoulins: But it didn't occur to you...
- [21:21] Rogue Desmoulins: You weren't expecting it?
- [21:22] Rogue Desmoulins: Surely you have learned at least a little about the universe from your time with me?
- [21:24] Rogue Desmoulins: Oh, come now.
- [21:25] Rogue Desmoulins: So, you are not lost anymore... you know that.
- [21:27] Rogue Desmoulins: And when was this conversation?
- [21:30] Rogue Desmoulins: Friday, just after I "left" you insist?
- [21:32] Rogue Desmoulins: Am on the edge of my seat...
- [21:32] Rogue Desmoulins: He does seem to have magickal powers!
- [21:34] Absinthe Nosferatu: \*rolls her eyes\*
- [21:36] Rogue Desmoulins: Surely you have more?
- [21:37] Rogue Desmoulins: No?

[21:37] Absinthe Nosferatu: yes  
 [21:37] Rogue Desmoulins: Good.  
 [21:38] Rogue Desmoulins: Am hungry.  
 [21:39] Rogue Desmoulins: And that didn't seem odd to you?  
 [21:40] Rogue Desmoulins: Is that the end of your story?  
 [21:41] Rogue Desmoulins: And why are you hiding his name from me?  
 [21:42] Rogue Desmoulins: Afraid I will point out something very very obvious?  
 [21:44] Rogue Desmoulins: LOL  
 [21:44] Rogue Desmoulins: Too much!  
 [21:45] Rogue Desmoulins: I am sufficiently amused...  
 [21:46] Rogue Desmoulins: This didn't freak you out?  
 [21:46] Rogue Desmoulins: Of course it did.  
 [21:46] Rogue Desmoulins: Because you had forgotten everything we have learned about the universe.  
 [21:47] Rogue Desmoulins: But surely THIS non sequitor must have enlightened you again?  
 [21:50] Rogue Desmoulins: This is a cool story.  
 [21:50] Rogue Desmoulins: Thank you for sharing it with me.  
 [21:50] Rogue Desmoulins: The underworld is getting craftier and craftier.  
 [21:52] Rogue Desmoulins: ...  
 [21:52] Rogue Desmoulins: Hi.  
 [21:52] Rogue Desmoulins: Remember me?  
 [21:52] Absinthe Nosferatu: \*sits quietly.\*  
 [21:53] Rogue Desmoulins: You know full well the workings of the universe!  
 [21:54] Rogue Desmoulins: You know that we can do this as often as you need.  
 [21:54] Rogue Desmoulins: Now, I am happy.  
 [21:55] Rogue Desmoulins: For you did create something beautiful for me.  
 [21:55] Rogue Desmoulins: I was expecting a drawing or words, you offered something far mor convincing.  
 [21:56] Rogue Desmoulins: Well done.  
 [21:56] Rogue Desmoulins: ...  
 [21:56] Rogue Desmoulins: You okay?  
 [21:58] Rogue Desmoulins: hehe  
 [21:59] Rogue Desmoulins: I quite like the serial nature of the delivery.  
 [21:59] Rogue Desmoulins: It is so dramatic.  
 [22:04] Rogue Desmoulins: I have always thought that "Israel" has some esoteric poetry "Is real"

[22:05] Rogue Desmoulins: I wonder if people fully understood their role in the universe if they would be happy or sad about it.

[22:05] Rogue Desmoulins: This man's entire life for this moment.

[22:06] Rogue Desmoulins: It is a worthy purpose... certainly more interesting than most.

[22:08] Rogue Desmoulins: You know that Blake envisioned the New Jerusalem in England?

[22:09] Rogue Desmoulins: Bring me my Bow of burning gold:

[22:09] Rogue Desmoulins: Bring me my Arrows of desire:

[22:09] Rogue Desmoulins: Bring me my Spear, O clouds unfold!

[22:09] Rogue Desmoulins: Bring me my Chariot of Fire.

[22:09] Rogue Desmoulins: ...

[22:10] Absinthe Nosferatu: I love that song..

[22:10] Rogue Desmoulins: I never fully explained the charior, did I?

[22:10] Rogue Desmoulins: chariot.

[22:10] Rogue Desmoulins: of Ezekiel's vision.... the Chariot of Fire.

[22:11] Rogue Desmoulins: Is the basis for the Mer-Ka-Ba mysticism.

[22:11] Rogue Desmoulins: I have decided today that will be the name of our yacht.

[22:11] Rogue Desmoulins: "Mer-Ka-Ba"

[22:12] Rogue Desmoulins: And I tracked down the ship.

[22:13] Rogue Desmoulins: Is currently in france.

[22:13] Rogue Desmoulins: <http://yachts.monacoeye.com/yachtsbysize/pages/kingdom>

[22:14] Absinthe Nosferatu: stop ignoring john, you are killing him

[22:14] Rogue Desmoulins: It has a ballet studio.

[22:14] Absinthe Nosferatu: !!

[22:14] Rogue Desmoulins: Or, at least it did...

[22:14] Rogue Desmoulins: I don't know what Mr Trump did to it.

[22:15] Absinthe Nosferatu: !!

[22:15] Absinthe Nosferatu: TRUMP!?!>

[22:15] Absinthe Nosferatu: \*dies\*

[22:15] Rogue Desmoulins: He bought it from the arms dealer.

[22:15] Absinthe Nosferatu: DONALD TRUMP!?

[22:15] Rogue Desmoulins: for \$35M

[22:15] Rogue Desmoulins: spent another \$8M

[22:15] Rogue Desmoulins: renamed it "Trump Princess"

[22:15] Absinthe Nosferatu: grr

[22:15] Rogue Desmoulins: but lost it in his bankruptcy

[22:15] Absinthe Nosferatu: that man!

[22:16] Absinthe Nosferatu: he is trying to steal my fathers barony!

[22:16] Rogue Desmoulins: now owned by King Fahd's nephew

[22:16] Rogue Desmoulins: yes, I know.

[22:16] Absinthe Nosferatu: He wants to be Baron von trump of menie to match his new gold course and it will not happen!

[22:16] Rogue Desmoulins: which is why it will be cool to have the yacht he lost

[22:17] Rogue Desmoulins: this yacht was in Bond film...

[22:17] Rogue Desmoulins: Never Say Never AGain

[22:18] Rogue Desmoulins: hehe - John is worried that he has offended me.

[22:19] Rogue Desmoulins: Any more or Mr Orr?

[22:19] Rogue Desmoulins: of\*

[22:20] Absinthe Nosferatu: I was a idiot, was tired and failed to save the rest..

[22:20] Rogue Desmoulins: Nothing idiotic about it.

[22:21] Rogue Desmoulins: I suspect there was little need.

[22:21] Rogue Desmoulins: Thank you.

[22:22] Rogue Desmoulins: Honestly, I am impressed that you manage to stay as sane as you are.

[22:22] Rogue Desmoulins: I find that I lack the mental constitution to second guess the universe anymore.

[22:23] Rogue Desmoulins: You are stubborn.

[22:23] Absinthe Nosferatu: tell me something I don't know?

[22:23] Rogue Desmoulins: You love me.

[22:27] Absinthe Nosferatu: i'm sorry....Normally I would not say it but I do mean it.

[22:27] Rogue Desmoulins: what's that?

[22:28] Rogue Desmoulins: that you are sorry?

[22:28] Rogue Desmoulins: you have nothing to apologize for.

[22:28] Absinthe Nosferatu: ...I do not love you

[22:29] Rogue Desmoulins: no? what then?

[22:29] Rogue Desmoulins: what is it, between you and I?

[22:29] Rogue Desmoulins: it clearly is not love.

[22:29] Rogue Desmoulins: for love is ephemeral - easily won, easily lost

[22:30] Rogue Desmoulins: I should not even consider using the same word to describe your feelings for Mr Orr and those for myself.

[22:30] Rogue Desmoulins: It would be... blasphemy, perhaps

[22:31] Rogue Desmoulins: And I do not want your "love" if it is such.

[22:32] Absinthe Nosferatu: yes they are beyond that...What I feel for him is on this entire new level

- [22:32] Rogue Desmoulins: \*rolls his eyes\*
- [22:32] Rogue Desmoulins: cute
- [22:34] Rogue Desmoulins: get some sleep, friend.
- [22:34] Rogue Desmoulins: I'll call you later.
- [22:35] Absinthe Nosferatu: I cannot sleep
- [22:35] Rogue Desmoulins: I can imagine.
- [22:35] Absinthe Nosferatu: I have been unable to, literally since I met the man
- [22:35] Rogue Desmoulins: You feel the universe is conspiring against you.
- [22:36] Rogue Desmoulins: It is, as this lecture aptly observe, a problem with our culture.
- [22:36] Rogue Desmoulins: That we treat our persons as random occurrences in the universe.
- [22:36] Rogue Desmoulins: Rather than seeing our selves as emanations from the universe it self.
- [22:37] Rogue Desmoulins: He says, that as an apple tree "apples", our planet "peoples" :)
- [22:38] Rogue Desmoulins: That we are the leading edge of the "big bang" so to speak
- [22:38] Rogue Desmoulins: Which is a far more holistic way to look at yourself.
- [22:38] Rogue Desmoulins: And goes a long way towards explaining such "coincidences"
- [22:39] Rogue Desmoulins: I'll include it... the lecture.
- [22:39] Absinthe Nosferatu: ...
- [22:40] Rogue Desmoulins: And I think that once you stop imaging the scenario as Perdita vs. The Universe, things will be less stressful.
- [22:40] Rogue Desmoulins: For Perdita IS the universe.
- [22:40] Absinthe Nosferatu: I do not see it like that!
- [22:41] Rogue Desmoulins: You are frightened by the universe.
- [22:41] Rogue Desmoulins: Because you pretend to not understand it.
- [22:41] Rogue Desmoulins: You pretend to be lost.
- [22:41] Rogue Desmoulins: Lost from what?
- [22:41] Absinthe Nosferatu: Why are you doing this?
- [22:41] Rogue Desmoulins: Because I love you.
- [22:42] Rogue Desmoulins: Because I know that you know exactly what I am talking about.
- [22:42] Absinthe Nosferatu: Why are you telling me this...I do not need to hear it, I am already so confused.
- [22:43] Rogue Desmoulins: Because you enjoy it, I suppose.

- [22:43] Rogue Desmoulins: Because you like being found :)
- [22:43] Rogue Desmoulins: Don't ask me... YOU are the universe.
- [22:43] Rogue Desmoulins: It's your game.
- [22:43] Absinthe Nosferatu: Yes and now I have been, turly
- [22:44] Absinthe Nosferatu: For something that is my game I wish people would play by MY rules!
- [22:44] Rogue Desmoulins: I think the problem is that you set up those rules so long ago, that you have forgotten them yourself.
- [22:45] Rogue Desmoulins: You are the one not playing by your rules.
- [22:45] Rogue Desmoulins: Truth and Beauty.
- [22:45] Rogue Desmoulins: You wanted Poetry to exist.
- [22:45] Rogue Desmoulins: It does.
- [22:46] Rogue Desmoulins: Why should that be so unsettling?
- [22:46] Rogue Desmoulins: Surely you were not ever really lost in the part?
- [22:48] Rogue Desmoulins: Now I am dangerously close to the role of the guy trying to convince the audience that the play isn't real.
- [22:48] Rogue Desmoulins: Sorry, but it's just...
- [22:48] Absinthe Nosferatu: I know.
- [22:48] Absinthe Nosferatu: You need to do that
- [22:48] Rogue Desmoulins: \*smiles\*
- [22:49] Rogue Desmoulins: You just seem to want to remember.
- [22:49] Absinthe Nosferatu: remember?
- [22:49] Absinthe Nosferatu: remember what?
- [22:50] Rogue Desmoulins: The workings of the universe.
- [22:51] Absinthe Nosferatu: what will it take you to push you to the edge of being dangerously close then going over?
- [22:51] Rogue Desmoulins: Which edge?
- [22:51] Absinthe Nosferatu: to make you
- [22:51] Absinthe Nosferatu: to
- [22:52] Absinthe Nosferatu: I am desperate to cut you from this now
- [22:53] Rogue Desmoulins: Why is that, do you think?
- [22:53] Rogue Desmoulins: That you are so desperate?
- [22:53] Rogue Desmoulins: Either you want to know the workings of the universe, or you don't.
- [22:54] Rogue Desmoulins: You will fight through the fear.
- [22:54] Rogue Desmoulins: Sometimes being a great actress isn't in your favor :)
- [22:54] Absinthe Nosferatu: I will find them on my own...Although it seems I cannot be alone..now
- [22:54] Rogue Desmoulins: Again with the "on your own"

[22:55] Rogue Desmoulins: Remember, you are never - were never - on your own.

[22:55] Absinthe Nosferatu: I know that I can't be now, I must be happy

[22:55] Rogue Desmoulins: happy?

[22:55] Rogue Desmoulins: what is happy?

[22:55] Rogue Desmoulins: it's the smiley face on your mask?

[22:55] Absinthe Nosferatu: I'm sure he would tell me that, what happy is as a pure state of mind

[22:56] Rogue Desmoulins: does he tell you anything I don't?

[22:56] Rogue Desmoulins: anything you don't already know?

[22:57] Rogue Desmoulins: from the conversyou are not lost.

[22:58] Rogue Desmoulins: what is it that you are in love with?

[22:59] Absinthe Nosferatu: The very nature of..

[23:00] Rogue Desmoulins: you can't just start over... not now.

[23:01] Rogue Desmoulins: well, of course, you can.

[23:01] Rogue Desmoulins: but you do not want to...

[23:01] Rogue Desmoulins: or we wouldn't be strolling down this path, would we?

[23:02] Absinthe Nosferatu: you are like a nagging voice in my head

[23:02] Rogue Desmoulins: \*smiles\*

[23:02] Rogue Desmoulins: Did I ever tell you about the flies?

[23:02] Absinthe Nosferatu: I can even hear your actual voice with each sentence.

[23:03] Absinthe Nosferatu: wait..

[23:03] Absinthe Nosferatu: dear god

[23:03] Absinthe Nosferatu: I cannot!

[23:03] Rogue Desmoulins: cannot?

[23:03] Absinthe Nosferatu: I have utterly forgotten it...

[23:04] Rogue Desmoulins: It's all that drinking - kills your brain cells :)

[23:04] Rogue Desmoulins: But your voice...

[23:04] Rogue Desmoulins: your voice is so much a part of me now.

[23:04] Rogue Desmoulins: When we speak, even now, I speak to myself.

[23:05] Rogue Desmoulins: First sign of madness... :)

[23:05] Rogue Desmoulins: When I tell you about the universe...

[23:05] Rogue Desmoulins: I am simply telling myself.

[23:05] Rogue Desmoulins: Because, I am the universe as well.

[23:06] Rogue Desmoulins: This is a pretty trippy place we are, you know?

[23:06] Rogue Desmoulins: \*wonders if he has taken acid recently\*

[23:07] Absinthe Nosferatu: I know I damn well ain't (said in the most common english accent possible)

[23:07] Rogue Desmoulins: No, me neither.

[23:08] Rogue Desmoulins: But it's definitely that type of reality.

[23:08] Rogue Desmoulins: Except I have a sneaking suspicion that if I sleep, you will still be there in the morning.

[23:09] Rogue Desmoulins: ...

[23:09] Absinthe Nosferatu: ....

[23:09] Rogue Desmoulins: \*goes outside for some air\*

[23:09] Rogue Desmoulins: brb

[23:09] Absinthe Nosferatu: ....

[23:11] Rogue Desmoulins: hi

[23:11] Rogue Desmoulins: remember me?

[23:11] Absinthe Nosferatu: hi..

[23:11] Rogue Desmoulins: you know...

[23:11] Rogue Desmoulins: there's something odd about us.

[23:12] Absinthe Nosferatu: \*Looks utterly oblivious.\*

[23:13] Rogue Desmoulins: oblivious or obvious?

[23:16] Rogue Desmoulins: I am going to phone you in the morning.

[23:17] Rogue Desmoulins: Do you think you will answer?

[23:17] Absinthe Nosferatu: morning..?

[23:17] Absinthe Nosferatu: it is the morning

[23:17] Absinthe Nosferatu: oh

[23:17] Absinthe Nosferatu: your morning

[23:17] Rogue Desmoulins: in the afternoon.

[23:17] Rogue Desmoulins: \*smiles\*

[23:17] Rogue Desmoulins: my morning...

[23:17] Absinthe Nosferatu: \*smiles.\*

[23:18] Rogue Desmoulins: if you need more space...

[23:18] Rogue Desmoulins: more time...

[23:18] Rogue Desmoulins: I've plenty to spare :)

[23:19] Rogue Desmoulins: You want me to hurt and leave, don't you?

[23:20] Absinthe Nosferatu: \*Nods slowly.\*

[23:20] Rogue Desmoulins: Why do you think that is?

[23:20] Rogue Desmoulins: Because you are not in love with me?

[23:20] Rogue Desmoulins: Or because you are?

[23:21] Rogue Desmoulins: Do you think I should leave?

[23:21] Absinthe Nosferatu: yes..

[23:22] Rogue Desmoulins: Why?

[23:22] Absinthe Nosferatu: because I am asking you to, is that not all that should matter ?

[23:22] Rogue Desmoulins: Are you?

[23:23] Rogue Desmoulins: So that you can pretend not to miss me again?

[23:23] Rogue Desmoulins: No emotions at all?

## 2006-07-24

[13:55] Orr : My drawings are inked out with words and sentences. My murals painted with phrases and rhetoric.

[13:55] You: That is poetic somewhat..

[13:55] Orr chuckles

[13:55] Orr : That is more accurate than you might ever imagine Perdita.

[13:55] Absinthe Nosferatu blinks a little, looking directly at him.

[13:56] Orr: I adore poetry....It is what is left of my soul, which is in tatters... Thus I find this need to find a new one.

[13:56] Xander Orr feels her look at him and can not but help look back wondering if she knows what he wants.

[14:02] Orr: As one grows... countless filters are applied to the way one thinks... the way one sees. If only i could claim Niavety once more to be able to see things fresh and new.

[14:03] Orr sits there seeming quite engrossed in their conversation.

[14:03] Absinthe Nosferatu considers that. "But with those filters comes learning does it not? You seem quite wise."

[14:05] Absinthe Nosferatu watches him carefully although it is hard to tell exactly what she is focusing on.

[14:05] Orr: I'm just ... well... fragmented i suppose.

[14:05] JohnHenry Holiday is offline

[14:05] You: Fragmented...

[14:06] Orr nods after she repeats the word he chose which makes him more certain of who she might be.

[14:06] Orr: Ecliptic might be another word that could fit.

[14:06] You: I have met people who believe that also you know?

[14:07] Orr: Oh? Please tell me more if you would.

[14:07] Orr: so that i may know as you know....

[14:08] You: There is not much to tell, I seem to attract "Fragmented people." as it were, interesting persons of a variety of natures.

[14:08] You: I consider myself lost if you can believe the term.

[14:09] Orr glances at the Ankh hanging from her neck upon a silver looking jewelled necklace. "Lost?" he asks as he looks up into your face "There are many ways to become lost... which way have you wandered from your path?&Maat?

[14:09] Orr: &&&

[14:10] Orr: "and i believe the term, its very straightforward and yet can mean so many things"

[14:10] Absinthe Nosferatu absentmindedly fondles the ankh in her hand, apparently deep in thought over how to reply to that quite shocked that everyone mentions that one goddess to scare her and how he could even know of it. In relation to herself.

[14:11] Orr seems to have suddenly realized something. He stands up and straightens his clothes.

[14:11] You: I would like to say I am very much the personification of lost.

[14:11] Absinthe Nosferatu blinks a little, her head tilted as she watches him.

[14:12] Orr: Well my lost little one... i just realized that i myself had lost something... My manners... How could i have gone so long in my own home from not introducing myself, although I am sure you already know ..

[14:38] You: Oh, do have a seat if you like!

[14:38] Orr steps into her room and looks about "good memories i hope that warm the heart and soul.... and if there are any bad memories among them let they be ones that help you learn&I feel like you had a major fight in this green room, a crushed heart..

[14:39] You: Oh hmm I tend to run along with the "No regrets" thing&&&&And yes there was a fight in here once but that is beside the point.

[14:41] Orr: "its generally a good policy... regret does little that i know of, except waste time and emotions" \*he also looks into the fire, feeling the warmth upon him. \*

[14:42] Absinthe Nosferatu closes her eyes, her lips parting as she goes to speak, but the words fail her.

[14:42] Absinthe Nosferatu pauses.

[14:43] Orr: The past is the past true, and what has happened can not change... so one shouldn't worry about that. But if one takes the past for what it is...and learns from it... then she can change the present and grow beyond what has happened.

[14:44] You: Well you are wise aren't you?

[14:44] Absinthe Nosferatu grins, smiling in her coy little manner.

[14:45] Orr: I adamantly refuse to admit that. " He looks over her and smiles the slightest bit.

[14:46] You: Of course, some of the wisest people I know would be the last to admit such a thing...

[14:46] Absinthe Nosferatu glances back over, watching the smile at it's edge.

[14:47] You: I would however try to provide an argument, but I find myself unable as of late...

[14:47] Orr tries to keep his composure as well as what was going on inside of him under control, though when she looked him his skin felt like it was going to be on fire that she might be the one he thought.

[14:55] You: correct, would you follow me?

[14:55] You: hmm my secret place is somewhere around here

[14:55] Orr: Gladly, lead and i will be your shadow alone for eternity.

[14:56] You: what do you think?

[14:56] Orr 's mouth drops as he looks about.

[14:56] Orr: its...

[14:56] Orr: its... simply amazing...

[14:57] You: I come here to think a lot&.My escape place as it were.

[14:57] Orr: It seems like the perfect place to ponder.

[15:02] You: All at once? How wonderful! But the other person? I have no idea what you talk of..I am very alone.

[15:02] Absinthe Nosferatu laughs softly behind one hand.

He then looks straight up wondering just who the hell this woman is.

[15:45] Orhalla Zander: it's ok

[15:45] You: I know, I hardly believe I am saying it myself.

[15:45] Orhalla Zander: you've been with him for a long time

[15:45] Orhalla Zander: almost as long as before he came with me

[15:45] You: I need to get the man out of my head..

[15:45] Absinthe Nosferatu closes her eyes.

[15:46] Orhalla Zander: :(

[15:46] Orhalla Zander: i mean when you're into getting to say i love him daily and doing it so much it must be hard to just stop.

[15:46] Orr : Oh don't worry I have a cure for her, afterall timing is everything and these things take time.

[15:47] Absinthe Nosferatu sighs angrily. "You do not even know who we are talking about."

[15:58] You: &.God why&.Why say such a thing.

[15:58] Absinthe Nosferatu almost passes out.

[15:58] Orr glances down at Perdita "Are you ok ?"

[15:59] Absinthe Nosferatu glances up through a cloudy pair of sapphire eyes. "Yes I just...Hmm how strange coincidence can be."

[16:02] Grylor Gupte is online

[16:02] Orr looks into her cloudy sapphire eyes, with his shimmering shattered crystal blues. "But what do you call strange coincidences that happen over and over again in ones life? What is it ? Did something i say pin down something you thought? Was it me

[16:03] You: Oh if only you knew...

[16:03] Orr: I could know... if you told me. I want you to tell me everything you see..

[16:03] Orr: I'll never know why i do or say certain things...

[16:04] You: I am plagued with coincidences currently, and no I refuse to believe in such things as fate..

[16:04] Orr: I refuse predestination... i refuse destiny... but is fate in their lot? What is "our" lot Perdita?

[16:04] Orr: i believe so... even in your silence you know why I am here.

[16:04] Orr: but i'm not quite sure...Yet if you are the one.

[16:05] Orr: What i do know is that there is so much more to this world that we cannot see...

[16:06] You: ...I would agree.

[16:06] Orr: I think that things happen because of people.

[16:06] Orr: someone does something and it happens and other people deal with the after affects.

[16:07] You: Have you ever been frightened by coincidence?

[16:07] Orr: ive dealt with it before...

[16:08] You: well to quote "there are more things in heaven and hell than are dreamt of in your philosophy"

[16:08] Orr listens

[16:08] You: But who really knows...What I dealt with was so surreal that I had to push it away.

[16:08] You: so...planned

[16:10] Orr: I prefer chaos in life as opposed to a rigid planned schedule. Chaos tastes like hot chocolate chip cookies out of the oven, I don't mind to admitting I am evil, I thrive off such things.

16:10] Orr: Where as structure and order tastes like those vanilla wafers...

[16:10] You: Hmm what would Ma'at do without Set?

[16:10] Orr: Evil tastes like lime jello...And I just love lime jello the most

[16:10] Orr: the balance would topple over..You should know this Perdita.

[16:11] You: ...

[16:11] Orr: and balance is utmost important&.I think you know this better than anyone.

[16:11] You: quite.

[16:11] Orr: both chaos and order know this

[16:11] Orr: death is the life bringer

[16:11] You: that is why they are best friends you know?

[16:11] You: Each need the other live.

[16:11] Orr nods.

[16:12] Orr: Right now I want to know why my heart is beating like it is right now...

[16:12] You: I...

[16:12] Orr: and why this seems to happen to me... where i say something out of the blue and it strikes a cord.&..A cord in your&.soul.

[16:12] Orr: is your heart beating like this...

[16:12] You: Yes.

[16:12] Orr: perhaps thats why...

[16:12] You: It is.

[16:12] You: Oh I do not know....

[16:13] You: I do not claim to understand the workings of the universe...

[16:13] Orr: nor should anyone Perdita!!! Don't you dare suggest otherwise, ever.

[16:13] You: Oh! I am hardly content with not knowing!!! I want to find out and I will!

[16:14] Orr: normally i'm curious... the type who overhears a conversation between two people and can't shake the urge to know more..

[16:14] Orr: even if it has nothing to do with him or what he deals with..

[16:14] Orr: but&

[16:15] You: Go ahead I know what you are thinking, just .....ask.

[16:15] Orr: What has happened in your life that has so.&&changed you? Something or&Someone has changed you!

[16:16] Orr: its like an echo

[16:16] Orr: but unique in its familiarity...And it was not meant to happen and I almost feel...late in meeting you.

[16:16] You: Changed me...What makes you say this!? I am not changed!? You do not even KNOW me! \*Stands up clearly furious.\*

[16:17] Orr: sit right back down Perdita...Now.

[16:18] Orr: because its as if i feel it. because it might explain something to me.. because when you told me to go ahead and ask it was the exact thing in my mind and it felt as if someone else had touched my thought. A fraction of a second afterwards before (C)

[16:19] Orr: (c) before it hit me what i felt , the next thought i had seemed to be displaced , as if it was the thought that someone would typically ask.

[16:20] You: I see.....

[16:20] Orr: Does that make sense?

[16:20] You: Well I hate to say that it does.

[16:53] Orr slips up next to you and hugs you, pulling you into his arms, wrapping them around you, kissing you quite forcefully as though they had done so many times before. I am glad I found you again Perdita.

[17:05] You: it was something else, very frightening&The coincidences I felt with this man....God where is he.

[17:06] You: And I do not deny I was deeply allured by his words...

[17:06] Orr: Don't talk of him. May i introduce myself? partially?

[17:06] You: when someone claims to really "know you" better than you know yourself...

[17:06] You: Oh, of course&Sorry

[17:08] Orr: My name is Israel. All my life i've dealt with strange circumstances and feelings that i couldn't explain, gut feelings, heart feelings, soul feelings, all of them were there. All of them had a warning or message for me. (C)

[17:08] You: Israel is a beautiful name!!! Do you struggle with God then?

[17:08] Orr: i've dreamt the dreams of life without limit and unbound self control (which I can tell you want to hear more of for you suffer them yourself without knowing)

[17:09] Orr: During the day i would day dream and ponder..

[17:09] Orr: I have spent my life thinking&.

[17:09] Orr: wrestling over the details&

[17:09] Absinthe Nosferatu listens quietly.

[17:09] Orr: in that way my father named me perfectly&

[17:10] Orr: Israel means "Struggles with god, or wrestles with god" As you so nicely pointed out lost one.

[17:11] Orr: Is that your real name?&I feel like it is.

[17:11] Orr: So tell me now why do you think you told me your real name right away..

[17:11] You: I do not know why I told you my real name... \*Starts to cry in frustration at it all. \*It is something I hardly do, especially not with people i've just met...

[17:12] Orr: Yes it is frustrating isn't it? You cannot deny the feelings now that are stirring inside of you, I would bet 100 dollars that you are crying real tears.

[17:12] Orr: You know...at times i am curled up in a safe little cocoon oblivious to the flows of the world around me...What my nature or my task was.

## 2006-07-02 Dear Abbey

Dear Abbey.

It has been over a month since we last spoke. One month and three days, in fact. I would like to apologize for my behavior that upset you so. I know that you do not approve of my relationship with Absinthe, but I assure you that my intentions were and remain honorable. I am not the cad that I once roleplayed. I have fallen terribly in love with this girl, and I am rearranging my universe for her. I am separated from my wife and child. I have the blessings of her family, and we are as yet, very much in love, and it is my intent to marry her. I know that you acted out of compassion for her, and for that you are to be commended. She is a brilliant actress, though, and I fear she perhaps made the situation out to something it was, and is not.

I wonder if perhaps I might persuade you to unmute me, for I did find you genuinely interesting, and would really enjoy the opportunity to get to

know you better.

Sincerely,  
Rogue (though I am not!)

[9:34] Rogue Desmoulins: So, while I appreciate the sentiment of you leaving us also, having your friend call me and tell me that I'm on "reprieve"? doesn't exactly meet with the spirit of the request, does it.

I am sorry but I am my own worst enemy

I cant  
 I cant take it.  
 Seriously, find another victim to mind fuck with.

I admit I enjoy it, horribly so.  
 I admit I want it, horribly so.  
 But this night twice I have awoken from the point of passing out to either  
 tell you I hate you or that I love you  
 .Damn well which is it?

This is the third time I awake, and to tell you what?

I just do not know...Why am I even here?

What I DO know, is that I dont like it.  
 I cant deal with it anymore.  
 I write to you to let you know that regardless of what you say I may or may  
 not talk with you tomorrow. You might aswell not speak at all..  
 If I do...Speak to you...Then I am weak....  
 None of the blocking, I cant deal with that anymore, it is down to basic  
 denial now.  
 My heart yearns to the point where it cries.  
 You have other women, bloody well use them!  
 I have never been this unhappy...  
 I have never been this content...  
 I dislike that and will not entertain the feeling or thought.  
 If you had any morals you'd listen to me...You'd have left me alone...

I need to be rid of you, you call me blind yet are you blind to see how  
 urgent this is?

Ill get you anyone, anything  
 Just leave me to my existence.

I want someone my age..  
 I want someone single..  
 I want comfort in that what I desire..  
 I do not want this empty feeling.  
 I want to be able to talk with them all day, all night, and all morning.  
 Please don't be upset..Your tears distress me more than you might imagine,  
 despite what you believe...

I hate you  
 I need you  
 I want you  
 Please deny me regardless of what I say...

Not even 4 months, eternity...

I have fond, distant memories, let us leave it at that.

Trueth sir (quoth she) but not to love; for constrained love is force, not love: and know this sir, mine honesty is such, as I hadde rather dye then be a concubine even to a King, and my birth is so base as I am unfitte to bee a wife to a poore farmer.

10.07.2006 13:33:54 dan@syzygyx.com [Daniel, Online]

Why then (quoth he) thou canst not love Dorastus.

10.07.2006 13:34:21 dan@syzygyx.com [Daniel, Online]

Yes saide Fawnia, when Dorastus becomes a shepheard, and with that the presence of his men broke off their parle, so that he went with them to the palace, and left Fawnia sitting still on the hill side, who seeing that the night drewe on, shifted her fouldes, and busied her selfe about other worke to drive away such fond fancies as began to trouble her braine. But all this could not prevaile, for the beautie of Dorastus had made such a deepe impression in her heart, as it could not be worne out without cracking, so that she was forced to blame her owne folly in this wise.

10.07.2006 13:35:05 dan@syzygyx.com [Daniel, Online]

Ah Fawnia, why doest thou gaze against the Sunne, or catch at the Winde? starres are to be looked at with the eye, not recht at with the hande: thoughtes are to be measured by Fortunes, not by desires: falles come not by sitting low, but by climing too hie: what then shal al feare to fal, because some happe to fall? No luck commeth by lot, and fortune windeth those threedes which the destinies spin

His honor wished him to cease from such folly, but Love forced him to follow fancy: yea and in despite of honour, love wonne the conquest, so that his hot desires caused him to find new devises, for hee presently made himselfe a shepherds coate, that he might goe unknowne, and with the lesse suspition to prattle with Fawnia...

[he then speaks to himself]

10.07.2006 13:39:01 dan@syzygyx.com [Daniel, Online]

Ah Dorastus thou canst but love, and unlesse thou love, thou art like to perish for love. Yet fond foole, choose flowers, not weedes; Diamondes, not peables; Ladies which may honour thee, not shepherds which may disgrace thee. Venus is painted in silkes, not in ragges; and Cupid treadeth on disdaine, when he reacheth at dignitie.

10.07.2006 13:39:07 dan@syzygyx.com [Daniel, Online]

And yet Dorastus, shame not at thy shepherds weede: the heavenly Godes have sometime earthly thoughtes: Neptune became a ram, Jupiter a Bul, Apollo a shepherd: they Gods, and yet in love: and thou a man appointed to love.

10.07.2006 13:44:05 dan@syzygyx.com [Daniel, Online]

Fawnia hearing this solemn protestation of Dorastus, could no longer withstand the assault, but yeelded up the forte in these friendly tearmes.

10.07.2006 13:44:51 dan@syzygyx.com [Daniel, Online]

Ah Dorastus, I shame to expresse that thou forcest me with thy sugred speeche to confesse: my base birth causeth the one, and thy high dignities the other. Beggars thoughts ought not to reach so far as Kings, and yet my desires reach as high as Princes. I dare not say, Dorastus, I love thee, because I am a shepherd; but the Gods know I have honored Dorastus (pardon if I say amisse) yea and loved Dorastus with such dutiful affection as Fawnia can performe, or Dorastus desire:

10.07.2006 13:44:56 dan@syzygyx.com [Daniel, Online]

I yeeld, not overcome with prayers, but with love, resting Dorastus handmaid ready to obey his wil, if no prejudice at all to his honour, nor to my credit.

10.07.2006 13:45:15 dan@syzygyx.com [Daniel, Online]

Dorastus hearing this frendly conclusion of Fawnia embraced her in his armes, swearing that neither distance, time, or adverse fortune should diminish his affection: but that in despiht of the destinies he would remaine loyall unto death.

It seems that "obtaining the slightest glance of Perdita's face" comes somewhere between "capturing the man-eating mares of Diomedes" and "obtaining the girdle of Hippolyte, queen of the Amazons".

Hercules was sent to steal the girdle, but Hippolyte fell so very much in love with him, she offered it to him freely.

10.07.2006 15:30:58 dan@syzygyx.com [Daniel, Online]

But Hera intervened.

10.07.2006 15:31:34 dan@syzygyx.com [Daniel, Online]

She took the form of an Amazon and spread the rumor that Hercules was going to steal away their queen.

10.07.2006 15:31:50 dan@syzygyx.com [Daniel, Online]

They waged battle against Hercules and his men in protection of their queen.

10.07.2006 15:32:12 dan@syzygyx.com [Daniel, Online]

10.07.2006 15:32:35 dan@syzygyx.com [Daniel, Online]

Hercules killed Hippolyte, thinking she had betrayed him.

10.07.2006 15:36:21 dan@syzygyx.com [Daniel, Online]

In the ending that I prefer, Hercules doesn't kill her.

10.07.2006 15:36:40 dan@syzygyx.com [Daniel, Online]

10.07.2006 18:09:48 Opening session with Perdy- I see the world in your eyes...

10.07.2006 18:09:50 Session opened.

10.07.2006 18:10:30 dan@syzygyx.com [Daniel, Online]

and they stopped for port at the kingdom of his father's arch-enemy, Pandosto.

10.07.2006 18:11:21 dan@syzygyx.com [Daniel, Online]

(who is, in fact, Fawnia's father)

10.07.2006 18:12:27 dan@syzygyx.com [Daniel, Online]

And, unknowingly, Pandosto falls madly in love with her!

10.07.2006 18:13:01 dan@syzygyx.com [Daniel, Online]

Love is brittle, where appetite, not reason, beares the sway. Kinges thoughtes ought not to climbe so high as the heavens, but to looke no lower then honour: better it is to pecke at the starres with the young Eagles, then to prey on dead carkases with the Vulture: tis more honourable for Pandosto to dye by concealing Love, then to enjoy such unfitte Love. Doth Pandosto then love? Yea. Whome? A maid unknowne, yea and perhappes, immodest, stragled out of her owne countrie: comelie in bodie, but perhappes crooked

in minde.

10.07.2006 18:13:22 dan@syzygyx.com [Daniel, Online]

"comelie in bodie, but perhappes crooked in minde"

10.07.2006 18:13:26 dan@syzygyx.com [Daniel, Online]

Fabulous!

10.07.2006 18:13:52 dan@syzygyx.com [Daniel, Online]

he continues (to himself): Cease then Pandosto, to looke at Fawnia, much lesse to love her: be not overtaken with a womans beauty, whose eyes are framed by arte to inamour, whose heart is framed by nature to inchaunt, whose false teares knowe their true times, and whose sweete wordes pearce deeper then sharpe swordes.

10.07.2006 18:14:10 dan@syzygyx.com [Daniel, Online]

Here Pandosto ceased from his talke, but not from his love: for although he sought by reason, and wisdom to suppress this franticke affection, yet he could take no rest, the beautie of Fawnia had made such a deepe impression in his heart. But on a day, walking abroad into a Parke which was hard adjoyning to his house, he sent by one of his servants for Fawnia, unto whome he uttered these wordes.

10.07.2006 18:14:51 dan@syzygyx.com [Daniel, Online]

Fawnia, I commend thy beauty and wit, and now pittie thy distresse and want: but if you will forsake Sir Meleagrus, whose poverty though a Knight, is not able to maintaine an estate aunswerable to thy beauty, and yeld thy consent to Pandosto, I wil both increase thee with dignities and riches. No sir, answered Fawnia: Meleagrus is a knight that hath wonne me by love, and none but he shal weare me: his sinister mischance shall not diminishe my affection, but rather increase my good will. Thinke not though your Grace hath imprisoned him without cause, that feare shall make mee yeeld my consent: I had rather be Meleagrus wife, and a beggar, then live in plenty, and be Pandostos Concubine.

10.07.2006 18:15:08 dan@syzygyx.com [Daniel, Online]

I don't know that you are actually reading this, but I find it all most poetic.

10.07.2006 18:15:45 dan@syzygyx.com [Daniel, Online]

Ah, infortunate Fawnia, thou seest to desire above fortune is to strive against the Gods and Fortune. Who gazeth at the sunne weakeneth his sight: they which stare at the skie, fall oft into deepe pits: haddest thou rested content to have been a shepheard, thou neededst not to have feared mischaunce. Better had it bene for thee, by sitting lowe, to have had quiet, then by climbing high to have fallen into miserie.

10.07.2006 18:19:36 Opening session with Perdy- I see the world in your eyes...

10.07.2006 18:19:37 Session opened.

10.07.2006 18:20:12 dan@syzygyx.com [Daniel, Online]

Well, Pandosto had imprisoned Dorastus (who is pretending to be a Knight named Meleagrus)

10.07.2006 18:21:16 dan@syzygyx.com [Daniel, Online]

And Pandosto had told Fawnia that he would release Dorastus and even make him wealthy if she would only consent to be his...

10.07.2006 18:21:43 dan@syzygyx.com [Daniel, Online]

She says, "But alas, I feare not mine owne daunger, but Dorastus displeasure. Ah sweete Dorastus, thou art a Prince, but now a prisoner, by too much love procuring thine owne love. Haddest thou not loved Fawnia thou haddest bene fortunate. Shall I then bee false to him that hath forsaken Kingdomes for my cause? No; would my death might deliver him, so mine honor might be preserved."

10.07.2006 18:22:34 dan@syzygyx.com [Daniel, Online]

With that, fetching a deepe sigh, she ceased from her complaints, and went againe to the Pallace, injoying a libertie without content, and profered pleasure with smal joy.

10.07.2006 18:22:36 dan@syzygyx.com [Daniel, Online]

!

10.07.2006 18:23:08 dan@syzygyx.com [Daniel, Online]

But againe to Pandosto, who broyling at the heat of unlawfull lust could take no rest but still felte his minde disquieted with his new love, so that his nobles and subjectes marveyled greatly at this sudaine alteration, not being able to conjecture the cause of this his continued care

10.07.2006 18:23:30 dan@syzygyx.com [Daniel, Online]

And they have a conversation...

10.07.2006 18:23:47 dan@syzygyx.com [Daniel, Online]

Pandosto: are you become lesse wilfull and more wise, to preferre the love of a King before the liking of a poore Knight? I thinke ere this you thinke it is better to be favoured of a King then of a subject.

10.07.2006 18:24:01 dan@syzygyx.com [Daniel, Online]

Fawnia: the body is subject to victories, but the mind not to be subdued by conquest: honesty is to be preferred before honour, and a dramme of faith weigheth downe a tunne of gold. I have promised Meleagrus to love, and will performe no lesse.

10.07.2006 18:24:22 dan@syzygyx.com [Daniel, Online]

Pandosto: I know thou art not so unwise in thy choice, as to refuse the offer of a King, nor so ingrateful as to dispise a good turne: thou art now in that place where I may commaunde, and yet thou seest I intreate. My power is such as I may compell by force, and yet I sue by prayers: Yeelde Fawnia thy love to him which burneth in thy love. Meleagrus shall be set free, thy countrymen discharged: and thou both loved and honoured.

10.07.2006 18:24:35 dan@syzygyx.com [Daniel, Online]

Fawia: See, Pandosto, where lust ruleth it is a miserable thing to be a virgin, but know this, that I will alwaies preferre fame before life, and rather choose death then dishonour.

10.07.2006 18:24:48 dan@syzygyx.com [Daniel, Online]

About knots?

10.07.2006 18:57:48 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I didn't!

10.07.2006 18:58:00 dan@syzygyx.com [Daniel, Online]

About my wedding?

10.07.2006 18:58:05 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]  
!?

10.07.2006 18:58:14 dan@syzygyx.com [Daniel, Online]

So last summer, I married two of my friends.

10.07.2006 18:58:26 dan@syzygyx.com [Daniel, Online]

I am ordained minister.

10.07.2006 18:58:36 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]  
wow!

10.07.2006 18:58:45 dan@syzygyx.com [Daniel, Online]

They gave me free reign and no direction.

10.07.2006 18:58:58 dan@syzygyx.com [Daniel, Online]

Except that they really didn't want me to mention god.

10.07.2006 18:59:16 dan@syzygyx.com [Daniel, Online]

So I schemed up this magnificent Viking/Druid wedding.

10.07.2006 18:59:24 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]  
\*laughter\*

10.07.2006 18:59:43 dan@syzygyx.com [Daniel, Online]

It was even on a Friday - Freya's day!

10.07.2006 18:59:59 dan@syzygyx.com [Daniel, Online]

We didn't do the exchanging of swords which was disappointing.

10.07.2006 19:00:07 dan@syzygyx.com [Daniel, Online]

But did have a hand fasting.

10.07.2006 19:00:32 dan@syzygyx.com [Daniel, Online]

So, in preparation, I wanted to create a braid for the fasting...

10.07.2006 19:00:54 dan@syzygyx.com [Daniel, Online]

I procured red, green and undyed hemp cord.

10.07.2006 19:01:11 dan@syzygyx.com [Daniel, Online]

And worked out this beautiful metaphor about braids.

10.07.2006 19:01:47 dan@syzygyx.com [Daniel, Online]

If you connect each cord of the braid to itself, it creates an interesting topology called Borromean Rings

10.07.2006 19:02:29 dan@syzygyx.com [Daniel, Online]

So, I fastened an end of each cord to something, and started to braid.

10.07.2006 19:02:46 dan@syzygyx.com [Daniel, Online]

being careful to keep the braid consistent and tight

10.07.2006 19:03:49 dan@syzygyx.com [Daniel, Online]

I got about a foot and half along, and realized that while my braid was beautiful - nearly perfect - behind me was a complete mess!

10.07.2006 19:04:08 dan@syzygyx.com [Daniel, Online]

The anti-braid! A knot so ridiculously complicated I could not possibly untie it.

10.07.2006 19:04:16 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

!

10.07.2006 19:04:27 dan@syzygyx.com [Daniel, Online]

So I brought the entire configuration to the wedding.

10.07.2006 19:04:32 dan@syzygyx.com [Daniel, Online]

And explained it thus...

10.07.2006 19:04:48 dan@syzygyx.com [Daniel, Online]

The braid represents our past, which is tidy and organized.

10.07.2006 19:04:59 dan@syzygyx.com [Daniel, Online]

The three cords in the center are our present.

10.07.2006 19:05:13 dan@syzygyx.com [Daniel, Online]

And the future is the gnarly intractable knot.

10.07.2006 19:05:24 dan@syzygyx.com [Daniel, Online]

And then promptly cut out the future.

10.07.2006 19:05:28 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

not a nice future..

10.07.2006 19:05:29 dan@syzygyx.com [Daniel, Online]

And "tied the knot"

10.07.2006 19:05:35 dan@syzygyx.com [Daniel, Online]

BUT!

10.07.2006 19:05:47 dan@syzygyx.com [Daniel, Online]

The future is in fact, topologically identical to the braid.

10.07.2006 19:05:57 dan@syzygyx.com [Daniel, Online]

it is not actually a knot!

10.07.2006 19:06:03 dan@syzygyx.com [Daniel, Online]

at least not topologically

10.07.2006 19:06:10 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

10.07.2006 19:09:14 dan@syzygyx.com [Daniel, Online]

I have always had a thing for knots...

10.07.2006 19:09:20 dan@syzygyx.com [Daniel, Online]

When you fly fish...

10.07.2006 19:09:36 dan@syzygyx.com [Daniel, Online]

At least, when I fly fish, the line gets knotted - "wind knots"

10.07.2006 19:09:48 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

fly...fish?

10.07.2006 19:09:49 dan@syzygyx.com [Daniel, Online]

Is so strange because obviously it's not actually a knot!

10.07.2006 19:09:50 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

\*blink\*

10.07.2006 19:09:56 dan@syzygyx.com [Daniel, Online]

flyfishing?

10.07.2006 19:10:12 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

what is this? Fly fishing??

10.07.2006 19:10:28 dan@syzygyx.com [Daniel, Online]

Did you see "A River Runs Through It"?

10.07.2006 19:11:13 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I have not?

10.07.2006 19:11:59 dan@syzygyx.com [Daniel, Online]

Is a way of fishing involving a long, flexible pole and you whip it back and forth, placing the "fly" just above the water.

10.07.2006 19:12:21 dan@syzygyx.com [Daniel, Online]

Anyhow, I used to practice, and would get the knots and sit for hours untying them.

10.07.2006 19:12:54 dan@syzygyx.com [Daniel, Online]

Is a beautiful movie... if you ever have the chance.

10.07.2006 19:13:10 dan@syzygyx.com [Daniel, Online]

So, yes, I think about knots often.

10.07.2006 19:13:42 dan@syzygyx.com [Daniel, Online]

And what is and is not actually a knot.

10.07.2006 19:13:53 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

...

10.07.2006 19:13:58 dan@syzygyx.com [Daniel, Online]

And I'm pretty good at deknottting chains, incidentally.

10.07.2006 19:14:10 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I see the beauty in that.

10.07.2006 19:14:39 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Then again I can see beauty in gaffa tape

10.07.2006 19:14:46 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

\*grin\*

10.07.2006 19:16:16 dan@syzygyx.com [Daniel, Online]

And generally, just require some energy... loosening the loops...

10.07.2006 19:16:22 dan@syzygyx.com [Daniel, Online]

and the solution presents itself.

10.07.2006 19:16:36 dan@syzygyx.com [Daniel, Online]

But is difficult to tell when it's all pulled tight.

10.07.2006 19:17:05 dan@syzygyx.com [Daniel, Online]

But tell me what you've got so far...

10.07.2006 19:17:10 dan@syzygyx.com [Daniel, Online]

in your untangling scheme.

10.07.2006 19:19:02 dan@syzygyx.com [Daniel, Online]

Or if you are more comfortable, we can talk about Nephthys.

10.07.2006 19:19:11 dan@syzygyx.com [Daniel, Online]

But we really do need to talk, I think.

10.07.2006 19:48:30 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

R.F.E

10.07.2006 19:49:43 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Ruthless fucking efficiency !

10.07.2006 19:49:52 dan@syzygyx.com [Daniel, Online]

"Then you should say what you mean," the March Hare went on.

10.07.2006 19:50:20 dan@syzygyx.com [Daniel, Online]

"I do", Alice hastily replied, "at least, at least, I mean what I say that's the same thing, you know"

10.07.2006 19:50:56 dan@syzygyx.com [Daniel, Online]

"Not the same thing a bit!" said the Hatter. "Why, you might just as well say that 'I see what I eat' is the same thing as 'I eat what I say'"

10.07.2006 19:51:06 dan@syzygyx.com [Daniel, Online]

er, see\*

10.07.2006 19:51:55 dan@syzygyx.com [Daniel, Online]

"You might just as well say," added the March Hare, that "I like what I get" is the same thing as "I get what I like"

10.07.2006 19:52:34 dan@syzygyx.com [Daniel, Online]

"You might just as well say," added the Dormouse, who seemed to be talking in his sleep, that "I breathe when I sleep" is the same thing as "I sleep when I breather"

10.07.2006 19:52:41 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I don't want to be amoung mad people!

10.07.2006 19:52:53 dan@syzygyx.com [Daniel, Online]

"It IS the same thing with you," said the Hatter, and here the conversation dropped.

10.07.2006 19:53:23 dan@syzygyx.com [Daniel, Online]

and the party sat silent for a minute, while Alice thought over all she could remember about ravens and writing-desks, which wasn't much.

"No, I give it up," Alice replied, "what's the answer?"

10.07.2006 19:55:25 dan@syzygyx.com [Daniel, Online]

"I haven't the slightest idea," said the Hatter.

10.07.2006 19:55:33 dan@syzygyx.com [Daniel, Online]

"Nor I," said the March Hare.

10.07.2006 19:55:59 dan@syzygyx.com [Daniel, Online]

Alice sighed wearily, "I think you might do something better with time," she said, "than waste it in asking riddles that have no answers"

10.07.2006 19:56:26 dan@syzygyx.com [Daniel, Online]

"If you knew Time as well as I do," said the Hatter, "you wouldn't talk

about wasting IT. It's HIM"

...

10.07.2006 19:57:09 dan@syzygyx.com [Daniel, Online]

So, I think perhaps you might just tell him that you are my girlfriend, and it simply won't do to go wandering off to Geneva with him.

10.07.2006 19:57:28 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

He might not like that

10.07.2006 19:57:37 dan@syzygyx.com [Daniel, Online]

No, I shouldn't imagine he would.

10.07.2006 19:57:39 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

And why will it not do?

10.07.2006 19:57:42 dan@syzygyx.com [Daniel, Online]

But it is the truth.

10.07.2006 19:57:59 dan@syzygyx.com [Daniel, Online]

10.07.2006 19:58:04 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Thank you

10.07.2006 19:58:11 dan@syzygyx.com [Daniel, Online]

But I still think you should tell him the truth.

10.07.2006 19:58:20 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Oh dear lord!

10.07.2006 19:58:23 dan@syzygyx.com [Daniel, Online]

Because he is your friend, and will be heartbroken later.

10.07.2006 19:59:14 dan@syzygyx.com [Daniel, Online]

"Once upon a time, there were three little sisters, and their names were Elsie, Lacie, and Tillie; and they lived at the bottom of a well--"

10.07.2006 19:59:41 dan@syzygyx.com [Daniel, Online]

"What did they live on?" said Alice, who always took a great interest in questions of eating and drinking.

10.07.2006 20:00:01 dan@syzygyx.com [Daniel, Online]

"They lived on treacle," said the Dormouse, after thinking a minute or two.

10.07.2006 20:00:20 dan@syzygyx.com [Daniel, Online]

"They couldn't have done that, you know," Alice gently remarked; "they'd have been ill."

10.07.2006 20:00:34 dan@syzygyx.com [Daniel, Online]

"So they were," said the Dormouse; "VERY ill."

10.07.2006 20:01:30 dan@syzygyx.com [Daniel, Online]

10.07.2006 20:01:42 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

10.07.2006 20:01:55 dan@syzygyx.com [Daniel, Online]

"Take some more tea," the March Hare said to Alice, very earnestly.

10.07.2006 20:02:12 dan@syzygyx.com [Daniel, Online]

"I've had nothing yet," Alice replied in an offended tone, "so I can't take more."

10.07.2006 20:02:33 dan@syzygyx.com [Daniel, Online]

"You mean you can't take LESS," said the Hatter; "it's very easy to take MORE than nothing."

10.07.2006 20:03:35 dan@syzygyx.com [Daniel, Online]

...

10.07.2006 20:03:36 dan@syzygyx.com [Daniel, Online]

...

10.07.2006 20:04:07 dan@syzygyx.com [Daniel, Online]

"They were learning to draw," the Dormouse went on, "and they drew all manner of things – everything that begins with an M –"

10.07.2006 20:04:43 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Why with an M?' said Alice.

10.07.2006 20:04:58 dan@syzygyx.com [Daniel, Online]

Why not? said the March Hare.

10.07.2006 20:05:00 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Alice was silent.

10.07.2006 20:05:17 dan@syzygyx.com [Daniel, Online]

The Dormouse had closed its eyes by this time, and was going off into a doze; but, on being pinched by the Hatter, it woke up again with a little shriek, and went on: –that begins with an M, such as mouse-traps, and the moon, and memory, and muchness– you know you say things are "much of a muchness"–did you ever see such a thing as a drawing of a muchness?

10.07.2006 20:05:40 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

"Really... now you ask me," said Alice, very much confused, "I don't think...."

10.07.2006 20:05:45 dan@syzygyx.com [Daniel, Online]

Then you shouldn't talk, said the Hatter.

10.07.2006 20:05:47 dan@syzygyx.com [Daniel, Online]

hehe

10.07.2006 20:06:15 dan@syzygyx.com [Daniel, Online]

But you do think... and we should talk...

10.07.2006 20:06:38 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

"At any rate!!! I'll never go there again!" said Alice as she picked her way through the wood. 'It's the stupidest eternal tea party I ever was at in all my life!!!"

10.07.2006 20:06:40 dan@syzygyx.com [Daniel, Online]

10.07.2006 20:06:53 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

10.07.2006 20:07:40 dan@syzygyx.com [Daniel, Online]

10.07.2006 20:08:04 dan@syzygyx.com [Daniel, Online]

meditation.

10.07.2006 20:08:13 dan@syzygyx.com [Daniel, Online]

Talking to you, is.

10.07.2006 20:08:47 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

sometimes we don't talk and it isn't even awkward, we just sit, it is weird.

10.07.2006 20:09:08 dan@syzygyx.com [Daniel, Online]

It is entirely perfect.

10.07.2006 20:09:17 dan@syzygyx.com [Daniel, Online]

Those are the moments I live for.

10.07.2006 20:09:41 dan@syzygyx.com [Daniel, Online]

Those pauses when we are not fighting, not in love, not going, not coming.

Just being.

10.07.2006 20:10:03 dan@syzygyx.com [Daniel, Online]

And then we create conversation again.

10.07.2006 20:10:11 dan@syzygyx.com [Daniel, Online]

And the universe starts up as it was.

10.07.2006 20:10:27 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

if I fight hard enough it is inevitable I will just collapse in silence and accept..

10.07.2006 20:11:01 dan@syzygyx.com [Daniel, Online]

I would counsel you to save your strength, but I know you will not listen.

10.07.2006 20:11:09 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

It will be beautifully pathetic

10.07.2006 20:11:47 dan@syzygyx.com [Daniel, Online]

You always are...

But, I think you are nearly tame.

10.07.2006 20:12:41 dan@syzygyx.com [Daniel, Online]

And I will be unique in all the world to you.

10.07.2006 20:13:58 dan@syzygyx.com [Daniel, Online]

We will be unique in all the world.

10.07.2006 20:14:05 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

stroke me..I dare you..

10.07.2006 20:14:08 dan@syzygyx.com [Daniel, Online]

And we will understand ourselves.

10.07.2006 20:14:15 dan@syzygyx.com [Daniel, Online]

And we will be friends.

10.07.2006 20:14:39 dan@syzygyx.com [Daniel, Online]

but first, you must be very patient

10.07.2006 20:14:59 dan@syzygyx.com [Daniel, Online]

first, you will sit down at a little distance from me - like that - in the grass

10.07.2006 20:15:19 dan@syzygyx.com [Daniel, Online]

I shall look at you out of the corner of my eye, and you will say nothing.

10.07.2006 20:15:25 dan@syzygyx.com [Daniel, Online]

Words are the source of misunderstandings.

10.07.2006 20:15:33 dan@syzygyx.com [Daniel, Online]

:)

10.07.2006 20:15:41 dan@syzygyx.com [Daniel, Online]

But, they ARE all we've got.

10.07.2006 20:15:49 dan@syzygyx.com [Daniel, Online]

So I await your words.

"It is only with the heart that one can see rightly; what is essential is invisible to the eye."

10.07.2006 20:18:00 dan@syzygyx.com [Daniel, Online]

10.07.2006 20:18:27 dan@syzygyx.com [Daniel, Online]

And I have wasted a lot of time on you, my dear...

10.07.2006 20:18:39 dan@syzygyx.com [Daniel, Online]

and become responsible, forever, for what I have tamed.

10.07.2006 20:18:47 dan@syzygyx.com [Daniel, Online]

I am responsible for my rose.

10.07.2006 20:19:25 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Even when she will bite your hand off?

10.07.2006 20:19:36 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

No that's right..Never bite the hand that feeds you.

10.07.2006 20:19:44 dan@syzygyx.com [Daniel, Online]

Have I read you the Blake poem?

10.07.2006 20:19:52 angelactress4u@hotmail.com [Perdy- I see the world

in your eyes..., Online]

You have not.

10.07.2006 20:19:53 dan@syzygyx.com [Daniel, Online]

O rose, thou art sick!

The invisible worm

That flies in the night,

In the howling storm,

Has found out thy bed

Of crimson joy,

And his dark secret love

Does thy life destroy.

10.07.2006 20:20:04 dan@syzygyx.com [Daniel, Online]

It has wonderful double-entendre...

10.07.2006 20:20:38 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

hmm

10.07.2006 20:20:40 dan@syzygyx.com [Daniel, Online]

But, you will not bite my hand off.

10.07.2006 20:21:13 dan@syzygyx.com [Daniel, Online]

Because in taming you, I have tamed myself.

10.07.2006 20:21:46 dan@syzygyx.com [Daniel, Online]

And you are equally responsible for me.

10.07.2006 20:21:50 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I think you will be shocked when you are eaten by yourself.

10.07.2006 20:22:30 dan@syzygyx.com [Daniel, Online]

I think sooner could I bite my own hand off or break my own heart...

10.07.2006 20:22:37 dan@syzygyx.com [Daniel, Online]

than you could.

Shall we bet?

10.07.2006 20:23:13 dan@syzygyx.com [Daniel, Online]

You like to pretend that you are in control...

10.07.2006 20:23:25 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Come now, are you afraid of a little bet?

10.07.2006 20:23:26 dan@syzygyx.com [Daniel, Online]

that this is just like all the other relationships.

10.07.2006 20:23:42 dan@syzygyx.com [Daniel, Online]

But I'm not like the other boys.

Oh I do not doubt that it is not like the others, i've tried very hard to make it so but you don't go down so easily.

she would even talk about him while we were trying to have sex for christ's sakes!

Right?

10.07.2006 20:40:57 dan@syzygyx.com [Daniel, Online]

We had a wager, as I recall.

10.07.2006 20:40:58 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

right.

10.07.2006 20:41:06 dan@syzygyx.com [Daniel, Online]

So, why would he care?

10.07.2006 20:41:20 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I don't know, he might just be concerned about it

10.07.2006 20:41:26 dan@syzygyx.com [Daniel, Online]

Surely if you are friends, you want him to know?

10.07.2006 20:41:33 dan@syzygyx.com [Daniel, Online]

Or am i still a secret?

10.07.2006 20:41:56 dan@syzygyx.com [Daniel, Online]

It's okay if I am.

10.07.2006 20:42:07 dan@syzygyx.com [Daniel, Online]

10.07.2006 20:42:13 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

this is coming from the man who hasn't even told his parents, damn right you are a secret to 90% of my real world

10.07.2006 20:42:16 dan@syzygyx.com [Daniel, Online]

I'm just giving you a hard time.

10.07.2006 20:42:21 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

oh please, stop taking words out my mouth already!

10.07.2006 20:42:29 dan@syzygyx.com [Daniel, Online]

You are still flaky.

10.07.2006 20:42:32 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

It is really starting to get to me today

10.07.2006 20:42:44 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

you've done it maybe 11 times? No jokes

10.07.2006 20:42:55 dan@syzygyx.com [Daniel, Online]

When you are less flaky about our love, then I'll take out an ad in the paper.

10.07.2006 20:43:03 dan@syzygyx.com [Daniel, Online]

Yes, I know, comes with being you.

10.07.2006 20:43:06 dan@syzygyx.com [Daniel, Online]

Sorry.

10.07.2006 20:43:36 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

don't apologize

10.07.2006 20:43:52 dan@syzygyx.com [Daniel, Online]

I love you.

10.07.2006 20:43:56 dan@syzygyx.com [Daniel, Online]

(see, like that)

10.07.2006 20:45:00 dan@syzygyx.com [Daniel, Online]

When you are less flaky for like two consecutive days... then I'll advertise.

10.07.2006 20:45:25 dan@syzygyx.com [Daniel, Online]

As it is, every time I get around to considering it, you do something ridiculous.

10.07.2006 20:46:14 dan@syzygyx.com [Daniel, Online]

Like, say, avoid talking to me on the phone or show me your picture because you are talking with a boy who not last month wanted to marry you.

10.07.2006 20:46:20 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I am good at the ridiculous, you have yet to see the impossible.

10.07.2006 20:46:31 dan@syzygyx.com [Daniel, Online]

I can't wait...

10.07.2006 20:47:15 dan@syzygyx.com [Daniel, Online]

But, I am optimistic that any day now, you are going to figure us out.

10.07.2006 20:47:39 dan@syzygyx.com [Daniel, Online]

And stop fucking around with these knots you've created ;P

10.07.2006 20:47:56 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I'm like a cat, very fond of my yarn

10.07.2006 20:48:04 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

problem is..

10.07.2006 20:48:06 dan@syzygyx.com [Daniel, Online]

Yes, I've notived.

10.07.2006 20:48:14 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I tie other people up in my yarn too!

10.07.2006 20:48:27 dan@syzygyx.com [Daniel, Online]

My wife called today in tears...

10.07.2006 20:48:34 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

oh dear..

10.07.2006 20:48:46 dan@syzygyx.com [Daniel, Online]

Nanook, my dog, had caught a field mouse.

10.07.2006 20:49:03 dan@syzygyx.com [Daniel, Online]

She didn't know what to do...

10.07.2006 20:49:11 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

!!!!!!!

10.07.2006 20:49:14 dan@syzygyx.com [Daniel, Online]

It was only "mostly dead" you see.

10.07.2006 20:49:27 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Haha

10.07.2006 20:49:35 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I don't know what to do with dying men

10.07.2006 20:49:37 dan@syzygyx.com [Daniel, Online]

So she brought it a towel, but it died moments later.

10.07.2006 20:49:48 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

So I hold their hands when they are "mostly dead."

10.07.2006 20:49:53 dan@syzygyx.com [Daniel, Online]

Same instinct, I suppose.

10.07.2006 20:50:33 dan@syzygyx.com [Daniel, Online]

Neighbors cat snatched a hummingbird out of mid air...

10.07.2006 20:50:52 dan@syzygyx.com [Daniel, Online]

That's pretty impressive... hummingbirds are quite small and fast.

10.07.2006 20:51:01 dan@syzygyx.com [Daniel, Online]

Of course, they also hover...

10.07.2006 20:51:21 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Life is only as long or short as we make it...

10.07.2006 20:51:57 Session opened.

10.07.2006 20:52:02 dan@syzygyx.com [Daniel, Online]

Yes, I suppose it is.

10.07.2006 20:52:18 dan@syzygyx.com [Daniel, Online]

Much like our days.

10.07.2006 20:52:42 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

We have the ability to end it, we are always in control, even in death itself..

10.07.2006 20:53:08 dan@syzygyx.com [Daniel, Online]

Death is easy.

10.07.2006 20:53:14 dan@syzygyx.com [Daniel, Online]

Living is the tricky bit.

10.07.2006 20:53:34 dan@syzygyx.com [Daniel, Online]

Living for a single day.

10.07.2006 20:53:59 dan@syzygyx.com [Daniel, Online]

And then sleeping.

10.07.2006 20:55:01 dan@syzygyx.com [Daniel, Online]

Looking back on every waking hour, and feeling that you appreciated it.

10.07.2006 20:55:16 dan@syzygyx.com [Daniel, Online]

That you loved as much as you could in those moments.

10.07.2006 20:55:56 dan@syzygyx.com [Daniel, Online]

That you were true to your ideals...

10.07.2006 20:55:59 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I envy the non existing.

10.07.2006 20:56:03 dan@syzygyx.com [Daniel, Online]

that you created some poetry.

10.07.2006 20:56:13 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

And for what?

10.07.2006 20:56:23 dan@syzygyx.com [Daniel, Online]

For what?

10.07.2006 20:56:23 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

a sense of well being?

10.07.2006 20:56:45 dan@syzygyx.com [Daniel, Online]

Perhaps.

10.07.2006 20:56:53 dan@syzygyx.com [Daniel, Online]

But mostly just being authentic.

10.07.2006 20:56:59 dan@syzygyx.com [Daniel, Online]

Because that is what we do.

10.07.2006 20:57:02 dan@syzygyx.com [Daniel, Online]

We love and we create.

10.07.2006 20:57:18 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

And what will authenticity gain us above the rest?

10.07.2006 20:57:32 dan@syzygyx.com [Daniel, Online]

Truth and beauty, nothing more.

10.07.2006 20:57:43 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

But why do you need that?

10.07.2006 20:57:53 dan@syzygyx.com [Daniel, Online]

It's what we do.

10.07.2006 20:58:00 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

But why do we do it?

10.07.2006 20:58:04 dan@syzygyx.com [Daniel, Online]

Why do we need to breathe?

10.07.2006 20:58:23 dan@syzygyx.com [Daniel, Online]

Why do we need to eat?

10.07.2006 20:58:47 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

We breathe in order to keep the body going, so you are saying that we seek truth and beauty alone in order to keep going?

10.07.2006 20:59:11 dan@syzygyx.com [Daniel, Online]

And perhaps we keep going in order simply in order to answer that question.

10.07.2006 20:59:26 dan@syzygyx.com [Daniel, Online]

Why do we exist?

10.07.2006 20:59:27 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

To answer the question is...

10.07.2006 20:59:34 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Impossible

10.07.2006 20:59:37 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

and impossible

10.07.2006 20:59:39 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

is what we do

10.07.2006 20:59:55 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

So let us find out what no one else has.

10.07.2006 20:59:58 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Alright?

10.07.2006 20:59:58 dan@syzygyx.com [Daniel, Online]

Yes, my love, I do think you understand.

10.07.2006 21:01:09 dan@syzygyx.com [Daniel, Online]

Everything we know has brought us this far... but soon, we need to leave the path of the charted... of the possible...

10.07.2006 21:01:33 angelactress4u@hotmail.com [Perdy- I see the world

in your eyes..., Online]

\*Smiles.\* I always understand, ok? I will just refrain from letting you know it often.

10.07.2006 21:02:16 dan@syzygyx.com [Daniel, Online]

Why?

10.07.2006 21:02:29 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Why do we breathe?

10.07.2006 21:02:34 dan@syzygyx.com [Daniel, Online]

touche

10.07.2006 21:02:35 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

There is a reason for everything.

10.07.2006 21:02:42 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

heh

10.07.2006 21:02:59 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

did I ever show you the conversation of "love" between myself and the druggie?

10.07.2006 21:03:11 dan@syzygyx.com [Daniel, Online]

No, I don't think you have.

10.07.2006 21:30:28 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I can hardly look at the thing myself, it was right before the day where we went to walk by the river in guildford, I was in my hobo stage at that time

10.07.2006 21:30:47 dan@syzygyx.com [Daniel, Online]

what happened that day?

10.07.2006 21:31:05 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I hadn't really eaten like I should of, I should of been resting round my friends house while I had the chance of being somewhere

10.07.2006 21:31:38 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

but I went out to see him we were going to go see Othello that night actually...

10.07.2006 21:32:52 dan@syzygyx.com [Daniel, Online]

and?

10.07.2006 21:32:58 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

We walked all day...In the late September sunshine..

10.07.2006 21:33:48 dan@syzygyx.com [Daniel, Online]

...

10.07.2006 21:33:53 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

and..

10.07.2006 21:34:09 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I felt feverish I remember, but I kept going..

10.07.2006 21:35:04 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

We stopped by the castle walls and he asked me to tell him why the moment existed

10.07.2006 21:35:19 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I did my best to answer...I really did

10.07.2006 21:35:38 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

And we carried on walking, and this feverish feeling was getting worse

10.07.2006 21:35:45 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

But I didn't want to bother him with it..

10.07.2006 21:36:11 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I knew we were going to see Othello that night so I bit my lip and carried on walking

10.07.2006 21:36:29 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

we went through the town towards the theatre..There were so many people

10.07.2006 21:36:56 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I was almost there..Honest to God I could see the theatre

10.07.2006 21:37:19 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Then I collapsed..

10.07.2006 21:38:04 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I..

10.07.2006 21:39:02 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

He picked me up in his arms, I think it was because I hadn't really eaten properly in possibly over a week, i'd been living off coffee and peoples hospitality.

10.07.2006 21:41:20 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Anyway he took me back to the boarding house, which was a pretty amazing place

10.07.2006 21:42:38 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

and abandoned school, in the top part of the lofts him and his illegal Russian druggie friends had turned it into their home with coloured glass hanging over the windows and all sorts of creative things to make it seem like home

10.07.2006 21:44:07 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

And God did I ever have a fever, even though it was mid september at night ..

10.07.2006 21:44:43 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I took off my clothes and lay there in the darkness while they slept

10.07.2006 21:45:31 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

but uh, my boyfriend wasn't really sleeping, he was awake, watching, and I didn't realise till I heard this half hearted little sob

10.07.2006 21:45:47 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I looked over and he was there, looking at me, tears running down his face

10.07.2006 21:48:33 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

So I panicked and asked him what was wrong and he just said "I've never seen anything so beautiful." And he turned away, still I wasn't sure what he was going on about but apparently the roof had a window in it, under which I was sleeping on the floor, and the moonlight had been pouring down over my figure and it had made him cry!

10.07.2006 21:49:00 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

He was really poetic like that actually..

10.07.2006 21:49:32 dan@syzygyx.com [Daniel, Online]

How beautiful.

10.07.2006 21:49:41 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

And then I wrapped the cover round myself and he took me on to the roof, this vast flat roof, and we sat and talked all night, for irony as we always did

10.07.2006 21:52:29 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

10.07.2006 21:52:45 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I shut the door on him, still he tried at 11pm at night, banging on the door

10.07.2006 21:54:46 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

But I find that humor is an important element to the impossible.

10.07.2006 22:03:02 dan@syzygyx.com [Daniel, Online]

It's going to get far worse, you know...

10.07.2006 22:03:30 dan@syzygyx.com [Daniel, Online]

Your knot, I mean.

So Dorastus comes acroww Fawnia...

10.07.2006 22:05:28 dan@syzygyx.com [Daniel, Online]

across\*

10.07.2006 22:05:48 dan@syzygyx.com [Daniel, Online]

and she is being coy with him as to why she cannot love him.

10.07.2006 22:06:09 angelactress4u@hotmail.com [Perdy- I see the world

in your eyes..., Online]

Yes?

10.07.2006 22:06:10 dan@syzygyx.com [Daniel, Online]

Sir (quoth she) beggars ought not to strive against fortune, nor to gaze after honour, least either their fall be greater, or they become blinde. I am borne to toile for the Court, not in the Court, my nature unfit for their nurture: better live then in meane degree, than in high disdaine.

10.07.2006 22:06:46 dan@syzygyx.com [Daniel, Online]

he, of course, doubts her...

10.07.2006 22:06:47 dan@syzygyx.com [Daniel, Online]

Well saide, Fawnia (quoth Dorastus) I gesse at thy thoughts; thou art in love with some Countrey Shepheard.

10.07.2006 22:07:10 dan@syzygyx.com [Daniel, Online]

No sir (quoth she) shepherds cannot love, that are so simple, and maides may not love that are so young.

10.07.2006 22:07:38 dan@syzygyx.com [Daniel, Online]

Nay therefore (quoth Dorastus) maides must love, because they are young, for Cupid is a child, and Venus, though olde, is painted with fresh colours.

10.07.2006 22:07:53 dan@syzygyx.com [Daniel, Online]

I graunt (quoth she) age may be painted with new shadowes, and youth may have imperfect affections; but what arte concealeth in one, ignorance revealeth in the other.

10.07.2006 22:08:07 dan@syzygyx.com [Daniel, Online]

It's quite poetic, really.

10.07.2006 22:08:29 dan@syzygyx.com [Daniel, Online]

...

10.07.2006 22:08:51 dan@syzygyx.com [Daniel, Online]

Do you think that you are so young?

10.07.2006 22:09:07 dan@syzygyx.com [Daniel, Online]

With imperfect affections?

10.07.2006 22:09:15 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

That is poetic...

10.07.2006 22:09:46 dan@syzygyx.com [Daniel, Online]

He continues (and perhaps I quoted this earlier?)

10.07.2006 22:09:53 dan@syzygyx.com [Daniel, Online]

Why, Fawnia, perhappes I love thee, and then thou must needes yeelde, for thou knowest I can commaunde and constraine.

10.07.2006 22:10:19 dan@syzygyx.com [Daniel, Online]

Trueth sir (quoth she) but not to love; for constrained love is force, not love:

and know this sir, mine honesty is such, as I hadde rather dye then be a concubine even to a King, and my birth is so base as I am unfitte to bee a wife to a poore farmer.

10.07.2006 22:10:48 dan@syzygyx.com [Daniel, Online]

After which she tells him to become a shepherd...

10.07.2006 22:11:23 dan@syzygyx.com [Daniel, Online]

....

10.07.2006 22:11:41 dan@syzygyx.com [Daniel, Online]

I think that you are not so young.

10.07.2006 22:12:08 dan@syzygyx.com [Daniel, Online]

Though I daresay your affections are somewhat imperfect :)

10.07.2006 22:12:39 dan@syzygyx.com [Daniel, Online]

But I think that you do know what love is.

10.07.2006 22:13:07 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

10.07.2006 22:13:13 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

You either know or you don't.

10.07.2006 22:13:16 dan@syzygyx.com [Daniel, Online]

But... perhaps had thought it was fucking impossible.

10.07.2006 22:14:12 dan@syzygyx.com [Daniel, Online]

You tell me, then what you know and what you don't.

10.07.2006 22:15:01 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

Why?

10.07.2006 22:15:06 dan@syzygyx.com [Daniel, Online]

Because, here, at the end of the day, and the beginning of another...

10.07.2006 22:15:29 dan@syzygyx.com [Daniel, Online]

I have waited all day - indeed several days now - to simply see your smiling face.

10.07.2006 22:16:02 dan@syzygyx.com [Daniel, Online]

And while you rent it out, and give it for free to others... you would have me wait in vain.

10.07.2006 22:16:27 dan@syzygyx.com [Daniel, Online]

You say that you love me and then you say that you will never marry me.

10.07.2006 22:16:48 dan@syzygyx.com [Daniel, Online]

I know your heart, and yet you tell me I do not.

10.07.2006 22:16:52 dan@syzygyx.com [Daniel, Online]

So tell me.

10.07.2006 22:17:03 dan@syzygyx.com [Daniel, Online]

Come slowly, Eden

Lips unused to thee.

Bashful, sip thy jasmines,

As the fainting bee,

Reaching late his flower,

Round her chamber hums,

Counts his nectars -alights,

And is lost in balms!

HOPE IS A THING WITH FEATHERS

Emily Dickinson

Hope is a thing with feathers  
That perches in the soul  
And sings a tune without words  
And never stops at all.

And sweetest, in the gale, is heard  
And sore must be the storm  
That could abash the little bird  
That keeps so many warm.

I've heard it in the chilliest land  
And on the strangest sea  
Yet, never, in extremity  
It ask a crumb of me.

11.07.2006 12:01:19 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

How interesting!

11.07.2006 12:01:52 dan@syzygyx.com [Daniel, Online]

"beloved of the gods"

11.07.2006 12:02:57 angelactress4u@hotmail.com [Perdy- I see the world in your eyes..., Online]

I was not aware of that!

11.07.2006 12:03:17 dan@syzygyx.com [Daniel, Online]

letter?

"Rabbit in the Moon"

25.07.2006 07:34:33 dan@syzygyx.com [Daniel, Online]

is a cool techno DJ actually...

25.07.2006 07:34:37 dan@syzygyx.com [Daniel, Online]

but that's not the point

25.07.2006 07:35:11 dan@syzygyx.com [Daniel, Online]

According to ancient books, about 400 years ago the samurai class had the custom of offering mochi (rice dumplings) to the moon on the night of June 16th on the lunar calendar in the year a child of the house turned sixteen. The parents made a hole in the mochi and their child would view the moon through this hole. The common people imitated their practice and soon the custom merged with the original legend and gradually developed into the present day party called tsukimi.

Moon related customs are common in agrarian societies all over the world. Americans have the Man in the Moon and also talk of the harvest moon. Another Japanese fable tells how the craters and shadows on the moon were made by a rabbit pounding rice to make mochi. When Americans landed on the moon in 1969, they never found a lunar rabbit, but the Japanese still enjoy their legends and the present day tsukimi.

\*Wriggles in his lap.\* I think they should invent a pill which adjusts your time line through sleeping pattern, so you could just take ie a "japan" pill or an "italy" pill before going on holiday

I have envisioned an entire company based on sleep engineering!

god even hearing that word makes me tired

26.07.2006 11:22:58 dan@syzygyx.com [Daniel, Online]

My idea is that you sleep in cycles, and that we would monitor them and help you sleep better.

26.07.2006 11:23:36 dan@syzygyx.com [Daniel, Online]

For instance, if you need to be awake by 8 am, you might rather wake up at 7:15 am in your light sleep cycle than at 8 am in your deep sleep.

26.07.2006 11:23:46 dan@syzygyx.com [Daniel, Online]

If you wanted to remember your dreams, you would awake in REM

26.07.2006 11:24:51 angelactress4u@hotmail.com [Perdy- There's a piece

yes I was in a bookstore (god forbid)

26.07.2006 11:25:00 dan@syzygyx.com [Daniel, Online]

how horrible!

26.07.2006 11:25:22 angelactress4u@hotmail.com [Perdy- There's a piece  
that was torn from the morning, and it hangs in the gallery of frost., Online]  
and there was like this little ladder at the back of the shop

26.07.2006 11:26:29 angelactress4u@hotmail.com [Perdy- There's a piece  
that was torn from the morning, and it hangs in the gallery of frost., Online]  
climbed up the ladder into what was an attic but looked like another part of  
the bookstore, hidden, dark sort of oak panneling, very low roof, old dust  
books framing all the walls, a low hanging light, little cushions here and  
there

26.07.2006 11:27:14 dan@syzygyx.com [Daniel, Online]

cool

26.07.2006 11:27:47 angelactress4u@hotmail.com [Perdy- There's a piece  
that was torn from the morning, and it hangs in the gallery of frost., Online]  
so being small I was able to climb into the room, I sat there for some time  
casually flipping through the books, and I remember I picked up a nursery  
rhyme one that must of been made in the 1800's

26.07.2006 11:28:32 angelactress4u@hotmail.com [Perdy- There's a piece  
that was torn from the morning, and it hangs in the gallery of frost., Online]  
I was looking at the pictures in the book, while sitting sort of like a doll,  
legs kicked out because I couldn't stand in the room as it were, and had  
decided to make this place my new escape

26.07.2006 11:30:26 angelactress4u@hotmail.com [Perdy- There's a piece  
that was torn from the morning, and it hangs in the gallery of frost., Online]  
Suddenly a very tall figure, not fat but wide, really large man dressed in  
black popped up through the hole, had really broad shoulders, was great a  
giant black overcoat and black hat.

26.07.2006 11:31:22 angelactress4u@hotmail.com [Perdy- There's a piece  
that was torn from the morning, and it hangs in the gallery of frost., Online]  
Just a really frightening sort of person to look at, he had a moustache and a  
pair of coal black eyes and said something about the book I was reading, but  
his English was so bad, clouded over by some other accent that I couldn't

understand a word the man was saying

26.07.2006 11:32:43 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] he said something again about the book and handed me another, exactly the same but claimed it was the original or something, then went back down the hole, shutting the door behind him!

26.07.2006 11:32:51 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] So I was stuck in this tiny room!

26.07.2006 11:33:48 dan@syzygyx.com [Daniel, Online]

Like Mr Quine, when he was creepy!

26.07.2006 11:33:55 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] and well it was only around 2pm according to the john henry pocket watch I had for some reason, so I figured if I went to sleep they would let me out before closing time

26.07.2006 11:34:03 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] yeah just like Mr.Quine before he got handsome

26.07.2006 11:35:00 dan@syzygyx.com [Daniel, Online]

I wonder what the book was?

26.07.2006 11:35:16 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] So I went to sleep in the dream, and...When I woke it was much darker, and I was awoken by the sound of the trap door opening

26.07.2006 11:35:24 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] and up popped that horrific figure again

26.07.2006 11:36:05 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] I smiled and thanked him for letting me out, went to go forwards but the man got on all fours, filling up nearly the entire room and came towards me!

26.07.2006 11:38:07 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] And he reached, pushed me against the books, loads of them falling down causing clouds of dust, and put his hand up my skirt! And at that point I literally forced myself to wake up, but what was so horrific was that I could see my room clearly and that I was in bed, but I couldn't move and I could still physically feel the hand up my skirt!

26.07.2006 11:39:41 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] so eventually I was tossing and turning on my bed trying to kick myself out of this weird grasp and then suddenly I was able to fully move again

26.07.2006 11:39:46 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online] was really strange!

29.07.2006 13:44:39 dan@syzygyx.com [Daniel, Online]

Often.

29.07.2006 13:44:56 dan@syzygyx.com [Daniel, Online]

And now, after starving us for week, you think a diet is in order?!

29.07.2006 13:45:08 dan@syzygyx.com [Daniel, Online]

I do insult you a lot.

29.07.2006 13:45:17 dan@syzygyx.com [Daniel, Online]

But wow do you really, really make me angry.

29.07.2006 13:45:31 dan@syzygyx.com [Daniel, Online]

And that is how I express it.

29.07.2006 13:45:40 dan@syzygyx.com [Daniel, Online]

It's better than throwing the laptop across the room.

29.07.2006 13:45:55 dan@syzygyx.com [Daniel, Online]

I'm not sure that you ever actually know how I am feeling.

29.07.2006 13:45:56 angelactress4u@hotmail.com [Perdy- pure morning, Online]

you have not had your fucking parents weeping and screamaing over this, no, fuck you havn't even told them! ? I can't help but feel it is just passing fancy, you just fucking want it all, you said as much yourself and the world doesn't work like that.

29.07.2006 13:46:13 angelactress4u@hotmail.com [Perdy- pure morning, Online]

DO NOT GO

29.07.2006 13:46:46 dan@syzygyx.com [Daniel, Online]

GIVE ME SOME REASON TO IMAGINE THAT THIS IS REAL

29.07.2006 13:47:05 dan@syzygyx.com [Daniel, Online]

GIVE ME TWO CONSECUTIVE DAYS OF YOU ACTUALLY IN LOVE

WITH ME AND NOT RUNNING AWAY

29.07.2006 13:47:23 dan@syzygyx.com [Daniel, Online]

GIVE ME ANYTHING, AND I PROMISE YOU IT WILL BE REPAID  
HUNDRED FOLD

29.07.2006 13:47:51 dan@syzygyx.com [Daniel, Online]

THUS FAR, YOU HAVE GIVEN ME PRECIOUS LITTLE REASON TO  
IMAGINE THAT YOU AREN'T GOING TO JUST UP AND LEAVE TO-  
MORROW

29.07.2006 13:47:59 dan@syzygyx.com [Daniel, Online]

THAT I AM JUST A PASSING FANCY FOR YOU.

29.07.2006 13:48:10 dan@syzygyx.com [Daniel, Online]

HELL, EVERY FUCKING DAY YOU STAB AT THAT WOUND

29.07.2006 13:48:38 dan@syzygyx.com [Daniel, Online]

NOW, GET BACK HERE, AND TALK TO ME.

29.07.2006 13:48:48 dan@syzygyx.com [Daniel, Online]

OR I WILL SIMPLY GO MAD.

29.07.2006 13:49:01 dan@syzygyx.com [Daniel, Online]

AND WILL DO STUPID THINGS THAT ARE IN NOBODY'S BEST  
INTEREST.

YOU ARE JUST FUCKING WITH ME, AREN'T YOU? YOU AREN'T  
REALLY IN LOVE, OR YOU WOULD NOT TREAT ME LIKE THIS.

29.07.2006 13:50:13 dan@syzygyx.com [Daniel, Online]

YOU TREAT YOUR IDIOT EVIL FRIENDS BETTER THAN THIS.

29.07.2006 13:50:42 dan@syzygyx.com [Daniel, Online]

I THINK YOU ACT SO OFTEN THAT YOU HAVE FORGOTTEN WHAT  
REALITY IS.

29.07.2006 13:51:06 dan@syzygyx.com [Daniel, Online]

YOU HAVE SERIOUSLY ABUSED ME THE PAST SEVERAL MONTHS.

29.07.2006 13:51:19 dan@syzygyx.com [Daniel, Online]

MORE THAN ANYONE SHOULD HAVE TO ENDURE.

29.07.2006 13:51:38 dan@syzygyx.com [Daniel, Online]

AND NOW, IT SEEMS, ALL FOR YOUR AMUSEMENT.

29.07.2006 13:51:48 dan@syzygyx.com [Daniel, Online]

YOU STILL DOUBT MY SINCERITY

29.07.2006 13:51:52 dan@syzygyx.com [Daniel, Online]

PASSING FANCY

29.07.2006 13:52:01 dan@syzygyx.com [Daniel, Online]

AS IF THIS HAS BEEN FUCKING PLEASANT?!

29.07.2006 13:52:41 dan@syzygyx.com [Daniel, Online]

WHEN DO YOU GIVE IN?

29.07.2006 13:52:53 dan@syzygyx.com [Daniel, Online]

WHEN DO YOU SHOW INTEREST IN MAKING ME HAPPY?

WHEN DO YOU SHOW INTEREST IN MAKING YOU HAPPY?

29.07.2006 13:53:11 dan@syzygyx.com [Daniel, Online]

WHY ARE YOU STILL IGNORING ME.

29.07.2006 13:53:22 dan@syzygyx.com [Daniel, Online]

GODDAMN, THIS IS HELL.

29.07.2006 13:53:37 dan@syzygyx.com [Daniel, Online]

YOU IMAGINE I DO NOT SUFFER?

29.07.2006 13:53:49 dan@syzygyx.com [Daniel, Online]

YOU HAVE BEEN QUITE AWFUL TO ME.

29.07.2006 13:54:02 dan@syzygyx.com [Daniel, Online]

RELENTLESSLY HURTFUL.

29.07.2006 13:54:21 dan@syzygyx.com [Daniel, Online]

THE WOUND BEGINS TO HEAL AND YOU RIP THE SCAB OFF AND  
POUR SALTY WATER IN IT.

29.07.2006 13:54:25 dan@syzygyx.com [Daniel, Online]

AND WHY?

29.07.2006 13:54:30 dan@syzygyx.com [Daniel, Online]

I DO NOT ASK MUCH OF YOU.

29.07.2006 13:54:35 dan@syzygyx.com [Daniel, Online]

I ASK YOU TO BE TRUE.

29.07.2006 13:54:40 dan@syzygyx.com [Daniel, Online]

I ASK YOU TO BE BEAUTIFUL.

29.07.2006 13:54:50 dan@syzygyx.com [Daniel, Online]

YOU PREFER FALSENESS AND UGLINESS, IT SEEMS.

29.07.2006 13:55:06 dan@syzygyx.com [Daniel, Online]

I HAVE TRIED.

29.07.2006 13:55:16 dan@syzygyx.com [Daniel, Online]  
 I HAVE TIRED TO GO ALONG WITH YOUR WAY OF THINGS.

29.07.2006 13:55:27 dan@syzygyx.com [Daniel, Online]  
 I EVEN THOUGHT THE HOUR WAS A REASONABLE IDEA.

29.07.2006 13:55:38 dan@syzygyx.com [Daniel, Online]  
 THAT WE HAD FINALLY REACHED SOME POINT WHERE PER-  
 HAPS THAT WAS FEASIBLE.

29.07.2006 13:55:49 dan@syzygyx.com [Daniel, Online]  
 BUT INSTEAD, YOU HAVE SHOWN NO APTITUDE FOR GOOD-  
 NESS OR SINCERITY..

29.07.2006 13:55:57 dan@syzygyx.com [Daniel, Online]  
 YOU SAY "I WILL" AND THEN YOU DON'T.

29.07.2006 13:56:06 dan@syzygyx.com [Daniel, Online]  
 YOU LIE AND YOU CHEAT WITH MY HEART.

29.07.2006 13:56:35 dan@syzygyx.com [Daniel, Online]  
 YOU ARE DESTROYING ME.

29.07.2006 13:56:41 dan@syzygyx.com [Daniel, Online]  
 EVERYTHING I AM.

29.07.2006 13:56:49 dan@syzygyx.com [Daniel, Online]  
 IT DISINTEGRATES.

29.07.2006 13:56:59 dan@syzygyx.com [Daniel, Online]  
 DESSICATES.

29.07.2006 13:57:07 dan@syzygyx.com [Daniel, Online]  
 DIES.

29.07.2006 13:57:12 dan@syzygyx.com [Daniel, Online]  
 .

29.07.2006 13:57:41 dan@syzygyx.com [Daniel, Online]  
 I HAVE NEVER HATED ANYTHING MORE THAN YOUR IGNOR-  
 ING ME.

29.07.2006 13:57:54 dan@syzygyx.com [Daniel, Online]  
 THIS IS BY FAR THE LOWEST I HAVE BEEN.

29.07.2006 13:58:18 dan@syzygyx.com [Daniel, Online]  
 HAVE YOU NO SENSE?

29.07.2006 13:58:28 dan@syzygyx.com [Daniel, Online]  
 DO YOU NOT KNOW ME?

29.07.2006 13:58:38 dan@syzygyx.com [Daniel, Online]  
 CAN YOU NOT UNDERSTAND THE ANGUISH?

29.07.2006 13:58:49 dan@syzygyx.com [Daniel, Online]  
 THIS IS NOT "ZOMBIE" ANGUISH, MY LOVE.

29.07.2006 13:59:05 dan@syzygyx.com [Daniel, Online]

THIS IS RARE HUMILIATION.

29.07.2006 13:59:22 dan@syzygyx.com [Daniel, Online]

FOR ONLY ONE WHO LOVES AS MUCH AS I DO,

29.07.2006 13:59:30 dan@syzygyx.com [Daniel, Online]

CAN SUFFER AS MUCH AS I AM.

29.07.2006 13:59:33 dan@syzygyx.com [Daniel, Online]

PLEASE.

29.07.2006 13:59:42 dan@syzygyx.com [Daniel, Online]

PLEASE.

29.07.2006 13:59:45 dan@syzygyx.com [Daniel, Online]

HELP ME.

29.07.2006 13:59:49 dan@syzygyx.com [Daniel, Online]

BE TRUE WITH ME.

29.07.2006 14:00:08 dan@syzygyx.com [Daniel, Online]

i cannot do this alone

29.07.2006 14:00:46 dan@syzygyx.com [Daniel, Online]

you do not remember?

29.07.2006 14:01:04 dan@syzygyx.com [Daniel, Online]

I know you are there.

29.07.2006 14:01:11 dan@syzygyx.com [Daniel, Online]

You are reading.

29.07.2006 14:01:15 dan@syzygyx.com [Daniel, Online]

You are probably even laughing.

29.07.2006 14:01:31 dan@syzygyx.com [Daniel, Online]

Perhaps telling your friend that you are "busy" with what a fool I am.

29.07.2006 14:01:51 dan@syzygyx.com [Daniel, Online]

Because love is a weakness, right?

29.07.2006 14:02:33 dan@syzygyx.com [Daniel, Online]

You know, before we met, you might have been spared an eternity of suffering for such ignorance.

29.07.2006 14:02:36 dan@syzygyx.com [Daniel, Online]

But now...

29.07.2006 14:02:40 dan@syzygyx.com [Daniel, Online]

you know better.

29.07.2006 14:03:12 dan@syzygyx.com [Daniel, Online]

And the price of that knowledge is expensive.

29.07.2006 14:03:41 dan@syzygyx.com [Daniel, Online]

You should know that by now.

29.07.2006 14:03:52 dan@syzygyx.com [Daniel, Online]

You have suffered for it.

29.07.2006 14:04:03 dan@syzygyx.com [Daniel, Online]

But you are afraid of it.

29.07.2006 14:04:38 dan@syzygyx.com [Daniel, Online]

You have seen the vast power of the universe...

29.07.2006 14:04:46 dan@syzygyx.com [Daniel, Online]

Are you not even curious about exploiting it?

29.07.2006 14:05:01 dan@syzygyx.com [Daniel, Online]

Do you not wonder what can be done with that energy?

29.07.2006 14:05:30 dan@syzygyx.com [Daniel, Online]

Are you so shallow as to imagine that if only you could forget this knowledge that you would be free?

29.07.2006 14:05:34 dan@syzygyx.com [Daniel, Online]

No.

29.07.2006 14:05:36 dan@syzygyx.com [Daniel, Online]

You know.

29.07.2006 14:05:54 dan@syzygyx.com [Daniel, Online]

And you know that right now you are but hiding your head in the sand.

29.07.2006 14:06:25 dan@syzygyx.com [Daniel, Online]

You scheme to control it...

29.07.2006 14:06:28 dan@syzygyx.com [Daniel, Online]

that is promising.

29.07.2006 14:06:35 dan@syzygyx.com [Daniel, Online]

But you must be true to it.

29.07.2006 14:06:52 dan@syzygyx.com [Daniel, Online]

You cannot force water to flow uphill.

29.07.2006 14:07:02 dan@syzygyx.com [Daniel, Online]

But you can redirect it...

29.07.2006 14:07:20 dan@syzygyx.com [Daniel, Online]

Tell me that you understand.

29.07.2006 14:07:27 dan@syzygyx.com [Daniel, Online]

No.

29.07.2006 14:07:29 dan@syzygyx.com [Daniel, Online]

Show me.

29.07.2006 14:07:40 dan@syzygyx.com [Daniel, Online]

Show me that you understand this gift we have been given.

29.07.2006 14:08:07 dan@syzygyx.com [Daniel, Online]

That you do not want to forget this knowledge of the workings of the universe.

29.07.2006 14:08:25 dan@syzygyx.com [Daniel, Online]

And that you accept the responsibility for such power.

29.07.2006 14:08:32 dan@syzygyx.com [Daniel, Online]

Show me, Perdita.

29.07.2006 14:08:39 dan@syzygyx.com [Daniel, Online]

Show me now.

29.07.2006 14:09:06 dan@syzygyx.com [Daniel, Online]

.

29.07.2006 14:09:27 dan@syzygyx.com [Daniel, Online]

Fuck me! You are offline?

29.07.2006 14:09:30 dan@syzygyx.com [Daniel, Online]

Since when?

29.07.2006 14:09:56 dan@syzygyx.com [Daniel, Online]

GOD THAT IS ANNOYING!

29.07.2006 14:45:11 dan@syzygyx.com [Daniel, Online]

...

29.07.2006 14:45:30 dan@syzygyx.com [Daniel, Online]

you know what I was scheming yesterday afternoon, before you steered us down this path?

29.07.2006 14:46:33 dan@syzygyx.com [Daniel, Online]

I was scheming the quickest way to create sufficient wealth to permanently relocate to Venice and live in the Habsburg Palace.

29.07.2006 14:46:40 dan@syzygyx.com [Daniel, Online]

Seriously. That's what I was doing.

29.07.2006 14:46:53 dan@syzygyx.com [Daniel, Online]

And now, I cannot scheme my way to even smile.

29.07.2006 14:47:16 dan@syzygyx.com [Daniel, Online]

You were so very close...

29.07.2006 14:54:35 dan@syzygyx.com [Daniel, Online]

We were so very close.

29.07.2006 14:54:51 dan@syzygyx.com [Daniel, Online]

Now, we are lost.

29.07.2006 14:55:08 dan@syzygyx.com [Daniel, Online]

In your fucking silence.

29.07.2006 14:55:26 dan@syzygyx.com [Daniel, Online]

Have you no spine?

I'll go with an obstacle, ok, location, you are us, i'm uk

31.07.2006 09:50:52 dan@syzygyx.com [Daniel, Online]

The concern about physical location is mainly one of physical touching. Clearly we have a very cool and deep relationship without actually having touched each other. Technology is improving in this direction. In time we will see each other holographically every day.

31.07.2006 09:51:25 dan@syzygyx.com [Daniel, Online]

As for physical touching, we obviously can visit ever several months. While not ideal, I suspect that we can make each rendezvous sufficiently intense to last for a few months.

31.07.2006 09:51:47 dan@syzygyx.com [Daniel, Online]

Besides, for the near future, we both have matters to attend to with school and making billions.

31.07.2006 09:52:04 dan@syzygyx.com [Daniel, Online]

So we don't really need the hassle of a day in day out live in relationship.

31.07.2006 09:52:34 dan@syzygyx.com [Daniel, Online]

You need to study and learn and become world famous egyptologist.

31.07.2006 09:52:41 angelactress4u@hotmail.com [Perdy- Taking ideas for the event, drop me a line., Online]

right, so that is why i really can't have you getting upset if I am in a relationship

31.07.2006 09:52:55 dan@syzygyx.com [Daniel, Online]

how do you mean?

31.07.2006 09:53:30 dan@syzygyx.com [Daniel, Online]

(that's a separate obstacle, I think)

31.07.2006 09:55:16 angelactress4u@hotmail.com [Perdy- Taking ideas for the event, drop me a line., Online]

I mean...If you know, I find someone very cool at uni who I want to be with, day in day out. You have to understand that I wouldn't be doing that to spite you but more for my own needs to just you know, hold someones hand occasionally, have someone to go out with in the evenings, walk in the park, etc etc

31.07.2006 09:55:31 dan@syzygyx.com [Daniel, Online]

Hmm...

31.07.2006 09:55:35 dan@syzygyx.com [Daniel, Online]

Good point.

31.07.2006 09:55:56 dan@syzygyx.com [Daniel, Online]

do you want to be with me day in day out?

31.07.2006 09:56:10 angelactress4u@hotmail.com [Perdy- Taking ideas

for the event, drop me a line., Online]

I would never ask that of you.

31.07.2006 09:56:13 dan@syzygyx.com [Daniel, Online]

I would.

31.07.2006 09:56:30 dan@syzygyx.com [Daniel, Online]

But I'm not sure you would want that, actually. Strange as it may seem.

31.07.2006 09:56:46 dan@syzygyx.com [Daniel, Online]

I think that would curtail your freedom too much.

31.07.2006 09:56:50 dan@syzygyx.com [Daniel, Online]

curtail.

31.07.2006 09:57:06 dan@syzygyx.com [Daniel, Online]

In time, when we are older, perhaps.

31.07.2006 09:57:25 dan@syzygyx.com [Daniel, Online]

But I do imagine that you will meet someone very cool.

31.07.2006 09:57:34 dan@syzygyx.com [Daniel, Online]

And that they will want you to be all theirs.

31.07.2006 09:57:46 angelactress4u@hotmail.com [Perdy- Taking ideas for the event, drop me a line., Online]

I'm just letting you know know, for fear of you believing that i'm doing it to upset you

31.07.2006 09:58:09 dan@syzygyx.com [Daniel, Online]

Will you still love me, day in and day out?

31.07.2006 09:58:37 angelactress4u@hotmail.com [Perdy- Taking ideas for the event, drop me a line., Online]

i'm sure.

31.07.2006 09:58:54 dan@syzygyx.com [Daniel, Online]

Then it is not so impossible.

31.07.2006 09:59:14 dan@syzygyx.com [Daniel, Online]

I imagine you having a very active and exciting love life in university, actually.

31.07.2006 09:59:34 angelactress4u@hotmail.com [Perdy- Taking ideas for the event, drop me a line., Online]

If I find an interesting enough person

31.07.2006 10:00:18 dan@syzygyx.com [Daniel, Online]

But I very much doubt that you will allow another to, er, violate (for lack of better word) you as you have allowed me.

31.07.2006 10:00:39 angelactress4u@hotmail.com [Perdy- Taking ideas for the event, drop me a line., Online]

\*blushes\*

31.07.2006 10:01:26 dan@syzygyx.com [Daniel, Online]

And so, I am little concerned that you will meet another to displace me at university or anywhere else in the universe.

31.07.2006 10:02:34 dan@syzygyx.com [Daniel, Online]

And if we talk everyday, communicate open and honestly with each other, our love will be stronger than any temptation.

31.07.2006 10:02:57 dan@syzygyx.com [Daniel, Online]

And I think we have established a pretty good foundation to build upon.

31.07.2006 10:03:33 dan@syzygyx.com [Daniel, Online]

I cannot imagine what we have fading...

## Dear Sir and Madam

Dear Mr and Mrs Woodley,

I have been meaning to write this letter for some time, but was deliberating over precisely what to say. It comes down to the truth that I have fallen in love with your daughter Perdita. How this has come about is quite mysterious, but she is unique in all the world to me and I to her. Her spirit and her soul inspire me, and my life is more beautiful and poetic for her love.

Your daughter is... willful and quite stubborn. And it is this quality, more than all her intelligence, charm and beauty, that I respect and adore. It also frustrates and infuriates me. I also feel that I owe you and your family an apology for the Ascot fiasco. In truth, this letter should have accompanied that form. It was hardly my intention to cause trouble between you and your daughter, and I am pleased that she did the honorable thing in attending. And now, I also must apologize for calling in the middle of the night! I really must send this letter before matters get worse and you come to imagine this horrible American your daughter is in love with.

Perhaps to make our next phone greeting less awkward, I feel that I should also take this opportunity to introduce myself. My name is Daniel Charles McShan. My father is a professor of Medical Physics at the University of Michigan Medical School. My mother has a degree in English Literature and was an English teacher. Perhaps following my mother, my sister, Jessica Kate is just graduating from Cambridge with a PhD in English literature. Her thesis involves Shelleyan lyricism and musical aesthetics. I, myself, have a degree in electrical engineering from University

of Michigan, and am finishing a doctorate in computational biology from the University of Colorado. Currently, I own a small company and consult for NASA. And while that career is quite lucrative, I am in the process of developing several other ambitious business projects.

As you know, I am also married. I have been married for about twelve years, and have a two year old son named Aidan Ezekiel. I love and respect my family, and consider myself an honorable gentleman, though circumstance may seem otherwise. While most assume that I am unhappy and that is why I wander, it simply is not true. I am perhaps the happiest and most optimistic person I know. Philandery is not my way... I neither frivolous nor casual in affairs of the heart. I am, in truth, a bit of a misanthrope and not easily impressed with others. And so, what I have created with your daughter I find to be exceedingly surprising - Beautiful and True. I do not have a roadmap for how my love for Perdita will evolve with respect to my family. It is a challenging situation - perhaps impossible. But, I find the impossible to be most alluring, and have become quite adept at it.

I would like to plan a holiday to England in the near future to properly court your daughter. The wonders of modern technology that have made it feasible for us to meet and to love are a blessing. Yet, as real as we find it, there is yet that aura of illusion. And so I must visit your land, to see Perdita, if only to take tea, to assure myself and herself that this is worthy and real. Of course, at the moment, she isn't speaking to me. Did I mention willful and stubborn?

As I said, and as you know, your daughter is unique in all the world. It is easy to fall in love with such grace and vivaciousness. It is quite another matter to maintain that love over a lifetime. I imagine that it will require much the same qualities as raising her - love and honesty, persistence and patience. It is the latter - the patience to allow her to find her own way when she becomes lost - that I find most challenging. For while I am confident of our future, it is easy to become despondent with the present. She is, as I say, willful and stubborn. For better or worse, so am I.

Yours truly,

Dan McShan

Dear Absinthe \*Hands it to her with shaking hands, he so trembled when he wrote it that the words are hard to read.\*

First of all let me tell you, that I have written these letters to you because I am honestly and seriously concerned about your situation, and at the same time so fascinated with you as a person, everything about you.

I am in no way out to trick you, but I do understand and appreciate your concern. You have every right to pose these questions of who I might or might not be. But I must ask, are you posing them on behalf of yourself? Or on behalf of John or Rogue? Was it on your own accord?

I ask this because.. you pose the questions so harshly to me...Perhaps you are just frustrated.

You see, I am willing to take an ultimate step for you. I am willing to give you some information that could have some very drastic consequences for me, of who I am.

So I simply must know if I can trust your confidentiality, or if this information will be spread? Will others know?

I have asked you to trust in me, and therefore it would be unfair of me not to trust in you.

I want to trust in you! Can I trust you? I ask because I know what influence Rogue (Still I refuse to call the man after my own name) holds over you. Or hopefully "has held". I ask because I know you trust in John, even though he likely tells Rogue everything you tell him. If I tell you, I must know if others are 'listening in' so to speak, or if this will truly be between you and me. No matter what you hear, or how strange it may be.

It is truly a complicated situation, and I would ask of you to meet me under other circumstances, outside of SL, to talk this over. A rendezvous of the most secret kind, perhaps for real? Or by phone? The trust is up to you now..

Please do not think of me too badly, for all this secrecy. I assure you it has been necessary.

Sincerely  
Daniel

I will leave you with a poem..

She walks in beauty, like the night  
Of cloudless climes and starry skies;  
And all that's best of dark and bright  
Meet in her aspect and her eyes:  
Thus mellowed to that tender light  
Which heaven to gaudy day denies.

One shade the more, one ray the less,  
Had half impaired the nameless grace  
Which waves in every raven tress,  
Or softly lightens o'er her face;  
Where thoughts serenely sweet express  
How pure, how dear their dwelling place.

And on that cheek, and o'er that brow,  
So soft, so calm, yet eloquent,  
The smiles that win, the tints that glow,  
But tell of days in goodness spent,  
A mind at peace with all below,  
A heart whose love is innocent!

Daniel I present you with three questions, riddles if you will.

Each one requires one word as an answer and one word alone, if you can answer all three correctly then I swear to God without a doubt that I will consent my hand to you forever.

As a result, as your prize you can when and if you please marry me...  
 I never go back on my promises, hence why I so rarely make them.  
 ( I Perdita Alexandra Caroline Woodley Maid of Menie/Balquhain consent to the above written. )

What Daniel is born each night and can die so easily at each dawn only to be reborn once more?

hint: It is an emotion but is not love.

What is red and warm like a flame, but is not fire?

hint: Is something physical as a material but not a heart.

Tell me Daniel what is like ice, but burns like fire in your passion?

hint: It is not an emotion.

A Fragment of a Confession

Robert Browning

Plus ne suis ce que j'ai été,  
 Et ne le sçaurois jamais être.—MAROT.  
 Non dubito, quip titulus libri nostri raritate suâ quamplurimos alliciat ad legendum: inter quos nonnulli obliquæ opinionis, mente languidi, multi etiam maligni, et in ingenium nostrum ingrati accedent, qui temerariâ suâ ignorantîâ, vix conspecto titulo clamabunt: Nos vetita docere, hæresium semina jacere: piis auribus offendiculo, præclaris ingeniis scandalo esse: . . . adeò conscientîæ suæ consulentes, ut nec Apollo, nec Musæ omnes, neque Angelus de cælo me ab illorum execratione vindicare queant: quibus et ego nunc consulo, ne scripta nostra legant, nec intelligant, nec neminerint: nam noxia sunt, venenosa sunt: Acherontis ostium est in hoc libro, lapides loquitur, caveant, ne cerebrum illis excutiat. Vos autem, qui æquâ mente ad legendum venitis, si tantam prutentiæ discretionem adhibueritis, quantam in melle legendo apes, jam securi legite. Puto namque vos et utilitatis haud parùm et voluptatis plurimùm accepturos. Quod si qua repperitis, quæ vobis non placeant, mittite illa, nec utimini. NAM ET EGO VOBIS ILLA NON PROBO, SED NARRO. Cætera tamen propterea non respute . . . Ideo, si quid liberius dictum sit, ignoscite adolescentiæ nostræ, qui minor quam adolescens hoc opus composui.—H. Cor. Agrippa, De Occult. Phil.

London, January, 1833.

V. A. XX.

PAULINE, mine own, bend o'er me—thy soft breast  
 Shall pant to mine—bend o'er me—thy sweet eyes,  
 And loosened hair, and breathing lips, arms  
 Drawing me to thee—these build up a screen  
 To shut me in with thee, and from all fear,  
 So that I might unlock the sleepless brood  
 Of fancies from my soul, their lurking place,  
 Nor doubt that each would pass, ne'er to return  
 To one so watched, so loved, and so secured.  
 But what can guard thee but thy naked love?  
 Ah, dearest; whoso sucks a poisoned wound  
 Envenoms his own veins,—thou art so good,  
 So calm—if thou should'st wear a brow less light  
 For some wild thought which, but for me, were kept  
 From out thy soul, as from a sacred star.  
 Yet till I have unlocked them it were vain  
 To hope to sing; some woe would light on me;  
 Nature would point at one, whose quivering lip  
 Was bathed in her enchantments—whose brow burned  
 Beneath the crown, to which her secrets knelt;  
 Who learned the spell which can call up the dead,  
 And then departed, smiling like a fiend  
 Who has deceived God. If such one should seek  
 Again her altars, and stand robed and crowned  
 Amid the faithful: sad confession first,  
 Remorse and pardon, and old claims renewed,  
 Ere I can be—as I shall be no more.  
 I had been spared this shame, if I had sate  
 By thee for ever, from the first, in place  
 Of my wild dreams of beauty and of good,  
 Or with them, as an earnest of their truth.  
 No thought nor hope, having been shut from thee,  
 No vague wish unexplained—no wandering aim  
 Sent back to bind on Fancy's wings, and seek  
 Some strange fair world, where it might be a law;  
 But doubting nothing, had been led by thee,  
 Thro' youth, and saved, as one at length awaked,

Who has slept thro' a peril. Ah! vain, vain!  
 Thou lovest me—the past is in its grave,  
 Tho' its ghost haunts us—till this much is ours,  
 To cast away restraint, lest a worse thing  
 Wait for us in the darkness. Thou lovest me,  
 And thou art to receive not love, but faith,  
 For which thou wilt be mine, and smile, and take  
 All shapes, and shames, and veil without a fear  
 That form which music follows like a slave;  
 And I look to thee, and I trust in thee,  
 As in a Northern night one looks alway  
 Unto the East for morn, and spring a joy.  
 Thou seest then my aimless, hopeless state,  
 And resting on some few old feelings, won  
 Back by thy beauty, would'st that I essay  
 The task, which was to me what now thou art:  
 And why should I conceal one weakness more?  
 Thou wilt remember one warm morn, when Winter  
 Crept aged from the earth, and Spring's first breath  
 Blew soft from the moist hills—the black-thorn boughs,  
 So dark in the bare wood; when glistening  
 In the sunshine were white with coming buds,  
 Like the bright side of a sorrow—and the banks  
 Had violets opening from sleep like eyes—  
 I walked with thee, who knew not a deep shame  
 Lurked beneath smiles and careless words, which sought  
 To hide it—till they wandered and were mute;  
 As we stood listening on a sunny mound  
 To the wind murmuring in the damp copse,  
 Like heavy breathings of some hidden thing  
 Betrayed by sleep—until the feeling rushed  
 That I was low indeed, yet not so low  
 As to endure the calmness of thine eyes;  
 And so I told thee all, while the cool breast  
 I leaned on altered not its quiet beating;  
 And long ere words, like a hurt bird's complaint,  
 Bade me look up and be what I had been,  
 I felt despair could never live by thee.  
 Thou wilt remember:—thou art not more dear  
 Than song was once to me; and I ne'er sung

But as one entering bright halls, where all  
 Will rise and shout for him Sure I must own  
 That I am fallen—having chosen gifts  
 Distinct from theirs—that I am sad—and fain  
 Would give up all to be but where I was;  
 Not high as I had been, if faithful found—  
 But low and weak, yet full of hope, and sure  
 Of goodness as of life—that I would lust  
 All this gay mastery of mind, to sit  
 Once more with them, trusting in truth and love.  
 And with an aim—not being what I am.  
 Oh, Pauline! I am ruined! who believed  
 That tho' my soul had floated from its sphere  
 Of wide dominion into the dim orb  
 Of self—that it was strong and free as ever:—  
 It has conformed itself to that dim orb,  
 Reflecting all its shades and shapes, and now  
 Must stay where it alone can be adored.  
 I have felt this in dreams—in dreams in which  
 I seemed the fate from which I fled; I felt  
 A strange delight in causing my decay;  
 I was a fiend, in darkness chained for ever  
 Within some ocean-cave; and ages rolled,  
 Till thro' the cleft rock, like a moonbeam, came  
 A white swan to remain with me; and ages  
 Rolled, yet I tired not of my first joy  
 In gazing on the peace of its pure wings.  
 And then I said, "It is most fair to me,  
 "Yet its soft wings must sure have suffered change  
 "From the thick darkness—sure its eyes are dim—  
 "Its silver pinions must be cramped and numbed  
 "With sleeping ages here; it cannot leave me,  
 "For it would seem, in light, beside its kind,  
 "Withered—tho' here to me most beautiful."  
 And then I was a young witch, whose blue eyes,  
 As she stood naked by the river springs,  
 Drew down a god—I watched his radiant form  
 Growing less radiant—and it gladdened me;  
 Till one morn, as he sat in the sunshine  
 Upon my knees, singing to me of heaven,

He turned to look at me, ere I could lose  
 The grin with which I viewed his perishing.  
 And he shrieked and departed, and sat long  
 By his deserted throne—but sunk at last,  
 Murmuring, as I kissed his lips and curled  
 Around him, “I am still a god—to thee.”  
 Still I can lay my soul bare in its fall,  
 For all the wandering and all the weakness  
 Will he a saddest comment on the song.  
 And if, that done, I can be young again,  
 I will give up all gained as willingly  
 As one gives up a charm which shuts him out  
 From hope, or part, or care, in human kind.  
 As life wanes, all its cares, and strife, and toil,  
 Seem strangely valueless, while the old trees  
 Which grew by our youth’s home—the waving mass  
 Of climbing plants, heavy with bloom and dew—  
 The morning swallows with their songs like words,—  
 All these seem clear and only worth our thoughts.  
 So aught connected with my early life—  
 My rude songs or my wild imaginings,  
 How I look on them—most distinct amid  
 The fever and the stir of after years!  
 I ne’er had ventured e’en to hope for this,  
 Had not the glow I felt at His award,  
 Assured me all was not extinct within.  
 Him whom all honor—whose renown springs up  
 Like sunlight which will visit all the world;  
 So that e’en they who sneered at him at first,  
 Come out to it, as some dark spider crawls  
 From his foul nest, which some lit torch invades,  
 Yet spinning still new films for his retreat.—  
 Thou didst smile, poet,—but can we forgive?  
 Sun-treader—life and light be thine for ever;  
 Thou art gone from us—years go by—and spring  
 Gladdens, and the young earth is beautiful,  
 Yet thy songs come not—other bards arise,  
 But none like thee—they stand—thy majesties,  
 Like mighty works which tell some Spirit there  
 Hath sat regardless of neglect and scorn,

Till, its long task completed, it hath risen  
 And left us, never to return: and all  
 Rush in to peer and praise when all in vain.  
 The air seems bright with thy past presence yet,  
 But thou art still for me, as thou hast been  
 When I have stood with thee, as on a throne  
 With all thy dim creations gathered round  
 Like mountains,—and I felt of mould like them,  
 And creatures of my own were mixed with them,  
 Like things half-lived, catching and giving life.  
 But thou art still for me, who have adored,  
 Tho' single, panting but to hear thy name,  
 Which I believed a spell to me alone,  
 Scarce deeming thou wert as a star to men—  
 As one should worship long a sacred spring  
 Scarce worth a moth's flitting, which long grasses cross,  
 And one small tree embowers droopingly,  
 Joying to see some wandering insect won.  
 To live in its few rushes—or some locust  
 To pasture on its boughs—or some wild bird  
 Stoop for its freshness from the trackless air,  
 And then should find it but the fountain-head,  
 Long lost, of some great river—washing towns  
 And towers, and seeing old woods which will live  
 But by its banks, untrod of human foot,  
 Which, when the great sun sinks, lie quivering  
 In light as some thing lieth half of life  
 Before God's foot—waiting a wondrous change  
 —Then girt with rocks which seek to turn or stay  
 Its course in vain, for it does ever spread  
 Like a sea's arm as it goes rolling on,  
 Being the pulse of some great country—so  
 Wert thou to me—and art thou to the world.  
 And I, perchance, half feel a strange regret,  
 That I am not what I have been to thee:  
 Like a girl one has loved long silently,  
 In her first loveliness, in some retreat,  
 When first emerged, all gaze and glow to view  
 Her fresh eyes, and soft hair, and lips which bleed  
 Like a mountain berry. Doubtless it is sweet

To see her thus adored—but there have been  
 Moments, when all the world was in his praise,  
 Sweeter than all the pride of after hours.  
 Yet, Sun-treader, all hail!—from my heart's heart  
 I bid thee hail!—e'en in my wildest dreams,  
 I am proud to feel I would have thrown up all  
 The wreaths of fame which seemed o'er-hanging me,  
 To have seen thee, for a moment, as thou art.  
 And if thou livest—if thou lovest, spirit!  
 Remember me, who set this final seal  
 To wandering thought—that one so pure as thou  
 Could never die. Remember me, who flung  
 All honor from my soul—yet paused and said,  
 “There is one spark of love remaining yet,  
 “For I have nought in common with him—shapes  
 “Which followed him avoid me, and foul forms  
 “Seek me, which ne'er could fasten on his mind;  
 “And tho' I feel how low I am to him,  
 “Yet I aim not even to catch a tone  
 “Of all the harmonies which he called up,  
 “So one gleam still remains, altho' the last”  
 Remember me—who praise thee e'en with tears,  
 For never more shall I walk calm with thee;  
 Thy sweet imaginings are as an air,  
 A melody, some wond'rous singer sings,  
 Which, though it haunt men oft in the still eve,  
 They dream not to essay; yet it no less,  
 But more is honored. I was thine in shame,  
 And now when all thy proud renown is out,  
 I am a watcher, whose eyes have grown dim  
 With looking for some star—which breaks on him,  
 Altered and worn, and weak, and full of tears.  
 Autumn has come—like Spring returned to us,  
 Won from her girlishness—like one returned  
 A friend that was a lover—nor forgets  
 The first warm love, but full of sober thoughts  
 Of fading years; whose soft mouth quivers yet  
 With the old smile—but yet so changed and still!  
 And here am I the scoffer, who have probed  
 Life's vanity, won by a word again

Into my old life—for one little word  
 Of this sweet friend, who lives in loving me,  
 Lives strangely on my thoughts, and looks, and words,  
 As fathoms down some nameless ocean thing  
 Its silent course of quietness and joy  
 O dearest, if indeed, I tell the past,  
 May'st thou forget it as a sad sick dream;  
 Or if it linger—my lost soul too soon  
 Sinks to itself, and whispers, we shall be  
 But closer linked—two creatures whom the earth  
 Bears singly—with strange feelings, unrevealed  
 But to each other; or two lonely things  
 Created by some Power, whose reign is done,  
 Having no part in God, or his bright world,  
 I am to sing; whilst ebbing day dies soft,  
 As a lean scholar dies, worn o'er his book,  
 And in the heaven stars steal out one by one,  
 As hunted men steal to their mountain watch.  
 I must not think—lest this new impulse die  
 In which I trust. I have no confidence,  
 So I will sing on—fast as fancies come  
 Rudely—the verse being as the mood it paints.  
 I strip my mind bare—whose first elements  
 I shall unveil—not as they struggled forth  
 In infancy, nor as they now exist,  
 That I am grown above them, and can rule them,  
 But in that middle stage when they were full,  
 Yet ere I had disposed them to my will;  
 And then I shall show how these elements  
 Produced my present state, and what it is.  
 I am made up of an intensest life,  
 Of a most clear idea of consciousness  
 Of self—distinct from all its qualities,  
 From all affections, passions, feelings, powers;  
 And thus far it exists, if tracked in all,  
 But linked in me, to self-supremacy,  
 Existing as a centre to all things,  
 Most potent to create, and rule, and call  
 Upon all things to minister to it;  
 And to a principle of restlessness

Which would be all, have, see, know, taste, feel, all—  
 This is myself; and I should thus have been,  
 Though gifted lower than the meanest soul.  
 And of my powers, one springs up to save  
 From utter death a soul with such desires  
 Confined to clay—which is the only one  
 Which marks me—an imagination which  
 Has been an angel to me—coming not  
 In fitful visions, but beside me ever,  
 And never failing me; so tho' my mind  
 Forgets not—not a shred of life forgets—  
 Yet I can take a secret pride in calling  
 The dark past up—to quell it regally.  
 A mind like this must dissipate itself,  
 But I have always had one lode-star; now,  
 As I look back, I see that I have wasted,  
 Or progressed as I looked toward that star—  
 A need, a trust, a yearning after God,  
 A feeling I have analysed but late,  
 But it existed, and was reconciled  
 With a neglect of all I deemed His laws,  
 Which yet, when seen in others, I abhorred.  
 I felt as one beloved, and so shut in  
 From fear—and thence I date my trust in signs  
 And omens—for I saw God everywhere;  
 And I can only lay it to the fruit  
 Of a sad after-time that I could doubt  
 Even His being—having always felt  
 His presence—never acting from myself,  
 Still trusting in a hand that leads me through  
 All dangers; and this feeling still has fought  
 Against my weakest reason and resolves.  
 And I can love nothing—and this dull truth  
 Has come the last—but sense supplies a love  
 Encircling me and mingling with my life.  
 These make myself—for I have sought in vain  
 To trace how they were formed by circumstance,  
 For I still find them—turning my wild youth  
 Where they alone displayed themselves, converting  
 All objects to their use—now see their course!

They came to me in my first dawn of life,  
 Which passed alone with wisest ancient books,  
 All halo-girt with fancies of my own,  
 And I myself went with the tale,—a god,  
 Wandering after beauty—or a giant,  
 Standing vast in the sunset—an old hunter,  
 Talking with gods—or a high-crested chief,  
 Sailing with troops of friends to Tenedos;—  
 I tell you, nought has ever been so clear  
 As the place, the time, the fashion of those lives.  
 I had not seen a work of lofty art,  
 Nor woman's beauty, nor sweet nature's face,  
 Yet, I say, never morn broke clear as those  
 On the dim clustered isles in the blue sea:  
 The deep groves, and white temples, and wet caves—  
 And nothing ever will surprise me now—  
 Who stood beside the naked Swift-footed,  
 Who bound my forehead with Proserpine's hair.  
 An' strange it is, that I who could so dream,  
 Should e'er have stooped to aim at aught beneath—  
 Aught low, or painful, but I never doubted;  
 So as I grew, I rudely shaped my life  
 To my immediate wants, yet strong beneath  
 Was a vague sense of power folded up—  
 A sense that tho' those shadowy times were past,  
 Their spirit dwelt in me, and I should rule.  
 Then came a pause, and long restraint chained down  
 My soul, till it was changed. I lost myself,  
 And were it not that I so loathe that time,  
 I could recall how first I learned to turn  
 My mind against itself; and the effects,  
 In deeds for which remorse were vain, as for  
 The wanderings of delirious dream; yet thence  
 Came cunning, envy, falsehood, which so long  
 Have spotted me—at length I was restored,  
 Yet long the influence remained; and nought  
 But the still life I led, apart from all,  
 Which left my soul to seek its old delights,  
 Could e'er have brought me thus far back to peace.  
 As peace returned, I sought out some pursuit:

And song rose—no new impulse—but the one  
 With which all others best could be combined.  
 My life has not been that of those whose heaven  
 Was lampless, save where poesy shone out;  
 But as a clime, where glittering mountain-tops,  
 And glancing sea, and forests steeped in light,  
 Give back reflected the far-flashing sun;  
 For music, (which is earnest of a heaven,  
 Seeing we know emotions strange by it,  
 Not else to be revealed) is as a voice,  
 A low voice calling Fancy, as a friend,  
 To the green woods in the gay summer time.  
 And she fills all the way with dancing shapes,  
 Which have made painters pale; and they go on  
 While stars look at them, and winds call to them,  
 As they leave life's path for the twilight world,  
 Where the dead gather. This was not at first,  
 For I scarce knew what I would do. I had  
 No wish to paint, no yearning—but I sang.  
 And first I sang, as I in dream have seen,  
 Music wait on a lyrist for some thought,  
 Yet singing to herself until it came.  
 I turned to those old times and scenes, where all  
 That's beautiful had birth for me, and made  
 Rude verses on them all; and then I paused—  
 I had done nothing, so I sought to know  
 What mind had yet achieved. No fear was mine  
 As I gazed on the works of mighty bards,  
 In the first joy at finding my own thoughts  
 Recorded, and my powers exemplified,  
 And feeling their aspirings were my own.  
 And then I first explored passion and mind;  
 And I began afresh; I rather sought  
 To rival what I wondered at, than form  
 Creations of my own; so much was light  
 Lent back by others, yet much was my own  
 I paused again—a change was coming on,  
 I was no more a boy—the past was breaking  
 Before the coming, and like fever worked.  
 I first thought on myself—and here my powers

Burst out. I dreamed not of restraint, but gazed  
 On all things: schemes and systems went and came,  
 And I was proud (being vainest of the weak),  
 In wandering o'er them, to seek out some one  
 To be my own; as one should wander o'er  
 The white way for a star.

. . . . .

On one, whom praise of mine would not offend,  
 Who was as calm as beauty—being such  
 Unto mankind as thou to me, Pauline,  
 Believing in them, and devoting all  
 His soul's strength to their winning back to peace;  
 Who sent forth hopes and longings for their sake,  
 Clothed in all passion's melodies, which first  
 Caught me, and set me, as to a sweet task,  
 To gather every breathing of his songs,  
 And woven with them there were words, which seemed  
 A key to a new world; the muttering  
 Of angels, of something unguessed by man.  
 How my heart beat, as I went on, and found  
 Much there! I felt my own mind had conceived,  
 But there living and burning; soon the whole  
 Of his conceptions dawned on me; their praise  
 Is in the tongues of men; men's brows are high  
 When his name means a triumph and a pride;  
 So my weak hands may well forbear to dim  
 What then seemed my bright fate: I threw myself  
 To meet it. I was vowed to liberty,  
 Men were to be as gods, and earth as heaven.  
 And I—ah! what a life was mine to be,  
 My whole soul rose to meet it. Now, Pauline,  
 I shall go mad if I recall that time.

. . . . .

O let me look back, e'er I leave for ever  
 The time, which was an hour, that one waits  
 For a fair girl, that comes a withered hag.  
 And I was lonely—far from woods and fields,  
 And amid dullest sights, who should be loose  
 As a stag—yet I was full of joy—who lived  
 With Plato—and who had the key to life.

And I had dimly shaped my first attempt,  
 And many a thought did I build up on thought,  
 As the wild bee hangs cell to cell—in vain;  
 For I must still go on: my mind rests not.  
 'Twas in my plan to look on real life,  
 Which was all new to me; my theories  
 Were firm, so I left them, to look upon  
 Men, and their cares, and hopes, and fears, and joys;  
 And, as I pondered on them all, I sought  
 How best life's end might be attained—an end  
 Comprising every joy. I deeply mused.  
 And suddenly, without heart-wreck, I awoke  
 As from a dream—I said, 'twas beautiful,  
 Yet but a dream; and so adieu to it.  
 As some world-wanderer sees in a far meadow  
 Strange towers, and walled gardens, thick with trees,  
 Where singing goes on, and delicious mirth,  
 And laughing fairy creatures peeping over,  
 And on the morrow, when he comes to live  
 For ever by those springs, and trees, fruit-flushed  
 And fairy bowers—all his search is vain.  
 Well I remember . . .  
 First went my hopes of perfecting mankind,  
 And faith in them—then freedom in itself,  
 And virtue in itself—and then my motives' ends,  
 And powers and loves; and human love went last.  
 I felt this no decay, because new powers  
 Rose as old feelings left—wit, mockery,  
 And happiness; for I had oft been sad.  
 Mistrusting my resolves: but now I cast  
 Hope joyously away—I laughed and said,  
 "No more of this"—I must not think; at length  
 I look'd again to see how all went on.  
 My powers were greater—as some temple seemed  
 My soul, where nought is changed, and incense rolls  
 Around the altar—only God is gone,  
 And some dark spirit sitteth in His seat!  
 So I passed through the temple: and to me  
 Knelt troops of shadows; and they cried, "Hail, king!  
 "We serve thee now, and thou shalt serve no more!

"Call on us, prove us, let us worship thee!"  
 And I said, "Are ye strong—let fancy bear me  
 "Far from the past."—And I was borne away  
 As Arab birds float sleeping in the wind,  
 O'er deserts, towers, and forests, I being calm;  
 And I said, "I have nursed up energies,  
 "They will prey on me." And a band knelt low,  
 And cried, "Lord, we are here, and we will make  
 "A way for thee—in thine appointed life  
 "O look on us!" And I said, "Ye will worship  
 "Me; but my heart must worship too." They shouted,  
 "Thyself—thou art our king!" So I stood there  
 Smiling . . .

And buoyant and rejoicing was the spirit  
 With which I looked out how to end my days;  
 I felt once more myself—my powers were mine;  
 I found that youth or health so lifted me,  
 That, spite of all life's vanity, no grief  
 Came nigh me—I must ever be light-hearted;  
 And that this feeling was the only veil  
 Betwixt me and despair: so if age came,  
 I should be as a wreck linked to a soul  
 Yet fluttering, or mind-broken, and aware  
 Of my decay. So a long summer morn  
 Found me; and e'er noon came, I had resolved  
 No age should come on me, ere youth's hopes went,  
 For I would wear myself out—like that morn  
 Which wasted not a sunbeam—every joy  
 I would make mine, and die; and thus I sought  
 To chain my spirit down, which I had fed  
 With thoughts of fame. I said, the troubled life  
 Of genius seen so bright when working forth  
 Some trusted end, seems sad, when all in vain—  
 Most sad, when men have parted with all joy  
 For their wild fancy's sake, which waited first,  
 As an obedient spirit, when delight  
 Came not with her alone, but alters soon,  
 Coming darkened, seldom, hasting to depart,  
 Leaving a heavy darkness and warm tears.  
 But I shall never lose her; she will live

Brighter for such seclusion—I but catch  
 A hue, a glance of what I sing; so pain  
 Is linked with pleasure, for I ne'er may tell  
 The radiant sights which dazzle me; but now  
 They shall be all my own, and let them fade  
 Untold—others shall rise as fair, as fast.  
 And when all's done, the few dim gleams transferred,—  
 (For a new thought sprung up—that it were well  
 To leave all shadowy hopes, and weave such lays  
 As would encircle me with praise and love;  
 So I should not die utterly—I should bring  
 One branch from the gold forest, like the night  
 Of old tales, witnessing I had been there,)—  
 And when all's done, how vain seems e'en success,  
 And all the influence poets have o'er men!  
 'Tis a fine thing that one, weak as myself,  
 Should sit in his lone room, knowing the words  
 He utters in his solitude shall move  
 Men like a swift wind—that tho' he be forgotten,  
 Fair eyes shall glisten when his beauteous dreams  
 Of love come true in happier frames than his.  
 Ay, the still night brought thoughts like these, but morn  
 Came, and the mockery again laughed out  
 At hollow praises, and smiles, almost sneers;  
 And my soul's idol seemed to whisper me  
 To dwell with him and his unhonoured name—  
 And I well knew my spirit, that would be  
 First in the struggle, and again would make  
 All bow to it; and I would sink again.

. . . . .

And then know that this curse will come on us,  
 To see our idols perish—we may wither,  
 Nor marvel—we are clay; but our low fate  
 Should not extend them, whom trustingly,  
 We sent before into Time's yawning gulf,  
 To face what e'er may lurk in darkness there—  
 To see the painter's glory pass, and feel  
 Sweet music move us not as once, or worst,  
 To see decaying wits ere the frail body  
 Decays. Nought makes me trust in love so really,

As the delight of the contented lowness  
 With which I gaze on souls I'd keep for ever  
 In beauty—I'd be sad to equal them;  
 I'd feed their fame e'en from my heart's best blood,  
 Withering unseen, that they might flourish still.

. . . . .

Pauline, my sweet friend, thou dost not forget  
 How this mood swayed me, when thou first wert mine,  
 When I had set myself to live this life,  
 Defying all opinion. Ere thou camest  
 I was most happy, sweet, for old delights  
 Had come like birds again; music, my life,  
 I nourished more than ever, and old lore  
 Loved for itself, and all it shows—the king  
 Treading the purple calmly to his death,  
 —While round him, like the clouds of eve, all dusk,  
 The giant shades of fate, silently flitting,  
 Pile the dim outline of the coming doom,  
 —And him sitting alone in blood, while friends  
 Are hunting far in the sunshine; and the boy,  
 With his white breast and brow and clustering curls  
 Streaked with his mother's blood, and striving hard  
 To tell his story ere his reason goes,  
 And when I loved thee, as I've loved so oft,  
 Thou lovedst me, and I wondered, and looked in  
 My heart to find some feeling like such love,  
 Believing I was still what I had been;  
 And soon I found all faith had gone from me,  
 And the late glow of life—changing like clouds,  
 'Twas not the morn-blush widening into day,  
 But evening, coloured by the dying sun  
 While darkness is quick hastening:—I will tell  
 Sly state as though 'twere none of mine—despair  
 Cannot come near me—thus it is with me.  
 Souls alter not, and mine must progress still;  
 And this I knew not when I flung away  
 My youth's chief aims. I ne'er supposed the  
 Of what few I retained; for no resource  
 Awaits me—now behold the change of all.  
 I cannot chain my soul, it will not rest

In its clay prison; this most narrow sphere—  
 It has strange powers, and feelings, and desires,  
 Which I cannot account for, nor explain,  
 But which I stifle not, being bound to trust  
 All feelings equally—to hear all sides:  
 Yet I cannot indulge them, and they live,  
 Referring to some state or life unknown. . . .  
 My selfishness is satiated not,  
 It wears me like a flame; my hunger for  
 All pleasure, howsoe'er minute, is pain;  
 I envy—how I envy him whose mind  
 Turns with its energies to some one end!  
 To elevate a sect, or a pursuit,  
 However mean—so my still baffled hopes  
 Seek out abstractions; I would have but one  
 Delight on earth, so it were wholly mine;  
 One rapture all my soul could fill—and this  
 Wild feeling places me in dream afar,  
 In some wide country, where the eye can see  
 No end to the far hills and dales bestrewn  
 With shining towers and dwellings. I grow mad  
 Well-nigh, to know not one abode but holds  
 Some pleasure—for my soul could grasp them all,  
 But must remain with this vile form. I look  
 With hope to age at last, which quenching much,  
 May let me concentrate the sparks it spares.  
 This restlessness of passion meets in me  
 A craving after knowledge: the sole proof  
 Of a commanding will is in that power  
 Repressed; for I beheld it in its dawn,  
 That sleepless harpy, with its budding wings,  
 And I considered whether I should yield  
 All hopes and fears, to live alone with it,  
 Finding a recompense in its wild eyes;  
 And when I found that I should perish so,  
 I bade its wild eyes close from me for ever;—  
 And I am left alone with my delights,—  
 So it lies in me a chained thing—still ready  
 To serve me, if I loose its slightest bond—  
 I cannot but be proud of my bright slave.

And thus I know this earth is not my sphere,  
 For I cannot so narrow me, but that  
 I still exceed it; in their elements  
 My love would pass my reason—but since here  
 Love must receive its object from this earth,  
 While reason will be chainless, the few truths  
 Caught from its wanderings have sufficed to quell  
 All love below;—then what must be that love  
 Which, with the object it demands, would quell  
 Reason, tho' it soared with the seraphim?  
 No—what I feel may pass all human love,  
 Yet fall far short of what my love should be;  
 And yet I seem more warped in this than aught  
 For here myself stands out more hideously.  
 I can forget myself in friendship, fame,  
 Or liberty, or love of mighty souls.

. . . . .

But I begin to know what thing hate is—  
 To sicken, and to quiver, and grow white,  
 And I myself have furnished its first prey.  
 All my sad weaknesses, this wavering will,  
 This selfishness, this still decaying frame . . .  
 But I must never grieve while I can pass  
 Far from such thoughts—as now—Andromeda!  
 And she is with me—years roll, I shall change,  
 But change can touch her not—so beautiful  
 With her dark eyes, earnest and still, and hair  
 Lifted and spread by the salt-sweeping breeze;  
 And one red-beam, all the storm leaves in heaven,  
 Resting upon her eyes and face and hair,  
 As she awaits the snake on the wet beach,  
 By the dark rock, and the white wave just breaking  
 At her feet; quite naked and alone,—a thing  
 You doubt not, nor fear for, secure that God  
 Will come in thunder from the stars to save her.  
 Let it pass—I will call another change.  
 I will be gifted with a wond'rous soul,  
 Yet sunk by error to men's sympathy,  
 And in the wane of life; yet only so  
 As to call up their fears, and there shall come

A time requiring youth's best energies;  
 And straight I fling age, sorrow, sickness off,  
 And I rise triumphing over my decay.

. . . . .

And thus it is that I supply the chasm  
 'Twixt what I am and all that I would be.  
 But then to know nothing—to hope for nothing—  
 To seize on life's dull joys from a strange tear,  
 Lest, being them, all's lost, and nought remains

. . . . .

There's some vile juggle with my reason here—  
 I feel I but explain to my own loss  
 These impulses—they live no less the same.  
 Liberty! what though I despair—my blood  
 Rose not at a slave's name proudlier than now,  
 And sympathy obscured by sophistries.  
 Why have not I sought refuge in myself,  
 But for the woes I saw and could not stay—  
 And love!—do I not love thee, my Pauline?

. . . . .

I cherish prejudice, lest I be left  
 Utterly loveless—witness this belief  
 In poets, tho' sad change has come there too;  
 No more I leave myself to follow them:  
 Unconsciously I measure me by them.  
 Let me forget it; and I cherish most  
 My love of England—how her name—a word  
 Of her's in a strange tongue makes my heart beat! . . .

. . . . .

Pauline, I could do any thing—not now—  
 All's fever—but when calm shall come again—  
 I am prepared—I have made life my own—  
 I would not be content with all the change  
 One frame should feel—but I have gone in thought  
 Thro' all conjuncture—I have lived all life  
 When it is most alive—where strangest fate  
 New shapes it past surmise—the tales of men  
 Bit by some curse—or in the grasp of doom  
 Half-visible and still increasing round,

Or crowning their wide being's general aim. . . .

. . . . .

These are wild fancies, but I feel, sweet friend,  
As one breathing his weakness to the ear  
Of pitying angel—dear as a winter flower.  
A slight flower growing alone, and offering  
Its frail cup of three leaves to the cold sun,  
Yet and confiding, like the triumph  
Of a child—and why am I not worthy thee?

. . . . .

I can live all the life of plants, and gaze  
Drowsily on the bees that flit and play,  
Or bare my breast for sunbeams which will kill,  
Or open in the night of sounds, to look  
For the dim stars; I can mount with the bird,  
Leaping airily his pyramid of leaves  
And twisted boughs of some tall mountain tree,  
Or rise cheerfully springing to the heavens—  
Or like a fish breathe in the morning air  
In the misty sun-warm water—or with flowers  
And trees can smile in light at the sinking sun,  
Just as the storm comes—as a girl would look  
On a departing lover—most serene.  
Pauline, come with me—see how I could build  
A home for us, out of the world; in thought—  
I am inspired—come with me, Pauline!  
Night, and one single ridge of narrow path  
Between the sullen river and the woods  
Waving and muttering—for the moonless night  
Has shaped them into images of life,  
Like the upraising of the giant-ghosts,  
Looking on earth to know how their sons fare.  
Thou art so close by me, the roughest swell  
Of wind in the tree-tops hides not the panting  
Of thy soft breasts; no—we will pass to morning—  
Morning—the rocks, and vallies, and old woods.  
How the sun brightens in the mist, and here,—  
Half in the air, like creatures of the place,  
Trusting the element—living on high boughs  
That swing in the wind—look at the golden spray,

Flung from the foam-sheet of the cataract,  
 Amid the broken rocks—shall we stay here  
 With the wild hawks?—no, ere the hot noon come  
 Dive we down—safe;—see this our new retreat  
 Walled in with a sloped mound of matted shrubs,  
 Dark, tangled, old and green—still sloping down  
 To a small pool whose waters lie asleep  
 Amid the trailing boughs turned water plants  
 And tall trees over-arch to keep us in,  
 Breaking the sunbeams into emerald shafts,  
 And in the dreamy water one small group  
 Of two or three strange trees are got together,  
 Wondering at all around—as strange beasts herd  
 Together far from their own land—all wildness—  
 No turf nor moss, for boughs and plants pave all,  
 And tongues of bank go shelving in the waters,  
 Where the pale-throated snake reclines his head,  
 And old grey stones lie making eddies there;  
 The wild mice cross them dry-shod—deeper in—  
 Shut thy soft eyes—now look—still deeper in:  
 This is the very heart of the woods—all round,  
 Mountain-like, heaped above us; yet even here  
 One pond of water gleams—far off the river  
 Sweeps like a sea, barred out from land; but one—  
 One thin clear sheet has over-leaped and wound  
 Into this silent depth, which gained, it lies  
 Still, as but let by sufferance; the trees bend  
 O'er it as wild men watch a sleeping girl,  
 And thro' their roots long creeping plants stretch out  
 Their twined hair, steeped and sparkling; farther on,  
 Tall rushes and thick flag-knots have combined  
 To narrow it; so, at length, a silver thread  
 It winds, all noiselessly, thro' the deep wood,  
 Till thro' a cleft way, thro' the moss and stone,  
 It joins its parent-river with a shout.  
 Up for the glowing day—leave the old woods:  
 See, they part, like a ruined arch, the sky!  
 Nothing but sky appears, so close the root  
 And grass of the hill-top level with the air—  
 Blue sunny air, where a great cloud floats, laden

With light, like a dead whale that white birds pick,  
 Floating away in the sun in some north sea.  
 Air, air—fresh life-blood—thin and searching air—  
 The clear, dear breath of God, that loveth us:  
 Where small birds reel and winds take their delight.  
 Water is beautiful, but not like air.  
 See, where the solid azure waters lie,  
 Made as of thickened air, and down below,  
 The fern-ranks, like a forest spread themselves,  
 As tho' each pore could feel the element;  
 Where the quick glancing serpent winds his way—  
 Float with me there, Pauline, but not like air.  
 Down the hill—stop—a clump of trees, see, set  
 On a heap of rocks, which look o'er the far plains,  
 And envious climbing shrubs would mount to rest,  
 And peer from their spread boughs. There they wave, looking  
 At the muleteers, who whistle as they go  
 To the merry chime of their morning bells and all  
 The little smoking cots, and fields, and banks,  
 And copses, bright in the sun; my spirit wanders.  
 Hedge-rows for me—still, living, hedge-rows, where  
 The bushes close, and clasp above, and keep  
 Thought in—I am concentrated—I feel;—  
 But my soul saddens when it looks beyond;  
 I cannot be immortal, nor taste all.  
 O God! where does this tend—these straggling aims! I  
 What would I have? what is this “sleep,” which seems  
 To bound all? can there be a “waking” point  
 Of crowning life? The soul would never rule—  
 It would be first in all things—it would have  
 Its utmost pleasure filled—but that complete  
 Commanding for commanding sickens it.  
 The last point that I can trace is, rest beneath  
 Some better essence than itself—in weakness;  
 This is “myself”—not what I think should be,  
 And what is that I hunger for but God?  
 My God, my God! let me for once look on thee  
 As tho' nought else existed: we alone.  
 And as creation crumbles, my soul's spark  
 Expands till I can say, “Even from myself

"I need thee, and I feel thee, and I love thee;  
 "I do not plead my rapture in thy works  
 "For love of thee—or that I feel as one  
 "Who cannot die—but there is that in me  
 "Which turns to thee, which loves, or which should love."  
 Why have I girt myself with this hell-dress?  
 Why have I laboured to put out my life?  
 Is it not in my nature to adore,  
 And e'en for all my reason do I not  
 Feel him, and thank him, and pray to him? Now.  
 Can I forego the trust that he loves me?  
 Do I not feel a love which only ONE . . .  
 O thou pale form, so dimly seen, deep-eyed,  
 I have denied thee calmly—do I not  
 Pant when I read of thy consummate deeds,  
 And burn to see thy calm pure truths out-flash  
 The brightest gleams of earth's philosophy?  
 Do I not shake to hear aught question thee? . . .  
 If I am erring save me, madden me,  
 Take from me powers, and pleasures—let me die  
 Ages, so I see thee: I am knit round  
 As with a charm, by sin and lust and pride,  
 Yet tho' my wandering dreams have seen all shapes  
 Of strange delight, oft have I stood by thee—  
 Have I been keeping lonely watch with thee,  
 In the damp night by weeping Olivet,  
 Or leaning on thy bosom, proudly less—  
 Or dying with thee on the lonely cross—  
 Or witnessing thy bursting from the tomb!  
 A mortal, sin's familiar friend doth here  
 Avow that he will give all earth's reward,  
 But to believe and humbly teach the faith,  
 In suffering, and poverty, and shame,  
 Only believing he is not unloved. . . .  
 And now, my Pauline, I am thine for ever!  
 I feel the spirit which has buoyed me up  
 Deserting me: and old shades gathering on;  
 Yet while its last light waits, I would say much,  
 And chiefly, I am glad that I have said  
 That love which I have ever felt for thee,

But seldom told; our hearts so beat together,  
 That speech is mockery, but when dark hours come:  
 And I feel sad; and thou, sweet, deem'st it strange;  
 A sorrow moves me, thou canst not remove.  
 Look on this lay I dedicate to thee,  
 Which thro' thee I began, and which I end,  
 Collecting the last gleams to strive to tell  
 That I am thine, and more than ever now—  
 That I am sinking fast—yet tho' I sink  
 No less I feel that thou hast brought me bliss,  
 And that I still may hope to win it back.  
 Thou know'st, dear friend, I could not think all calm,  
 For wild dreams followed me, and bore me off,  
 And all was indistinct. Ere one was caught  
 Another glanced: so dazzled by my wealth,  
 Knowing not which to leave nor which to choose,  
 For all my thoughts so floated, nought was fixed—  
 And then thou said'st a perfect bard was one  
 Who shadowed out the stages of all life,  
 And so thou badest me tell this my first stage:—  
 'Tis done: and even now I feel all dim the shift  
 Of thought. These are my last thoughts; I discern  
 Faintly immortal life, and truth, and good.  
 And why thou must be mine is, that e'en now,  
 In the dim hush of night—that I have done—  
 With fears and sad forebodings: I look thro'  
 And say, "E'en at the last I have her still,  
 "With her delicious eyes as clear as heaven,  
 "When rain in a quick shower has beat down mist,  
 "And clouds float white in the sun like broods of swans."  
 How the blood lies upon her cheek, all spread  
 As thinned by kisses; only in her lips  
 It wells and pulses like a living thing,  
 And her neck looks, like marble misted o'er  
 With love-breath, a dear thing to kiss and love,  
 Standing beneath me—looking out to me,  
 As I might kill her and be loved for it.  
 Love me—love me, Pauline, love nought but me;  
 Leave me not. All these words are wild and weak,  
 Believe them not, Pauline. I stooped so low

But to behold thee purer by my side,  
 To show thou art my breath—my life—a last  
 Resource—an extreme want: never believe  
 Aught better could so look to thee, nor seek  
 Again the world of good thoughts left for me.  
 There were bright troops of undiscovered suns.  
 Each equal in their radiant course. There were  
 Clusters of far fair isles, which ocean kept  
 For his own joy, and his waves broke on them  
 Without a choice. And there was a dim crowd  
 Of visions, each a part of the dim whole.  
 And a star left his peers and came with peace  
 Upon a storm, and all eyes pined for him,  
 And one isle harboured a sea-beaten ship,  
 And the crew wandered in its bowers, and plucked  
 Its fruits, and gave up all their hopes for home.  
 And one dream came to a pale poet's sleep,  
 And he said, "I am singled out by God,  
 "No sin must touch me." I am very weak,  
 But what I would express is,—Leave me not,  
 Still sit by me—with beating breast, and hair  
 Loosened—watching earnest by my side,  
 Turning my books, or kissing me when I  
 Look up—like summer wind. Be still to me  
 A key to music's mystery, when mind fails,  
 A reason, a solution and a clue,  
 You see I have thrown off my prescribed rules:  
 I hope in myself—and hope, and pant, and love—  
 You'll find me better—know me more than when  
 You loved me as I was. Smile not; I have  
 Much yet to gladden you—to dawn on you.  
 No more of the past—I'll look within no more—  
 I have too trusted to my own wild wants—  
 Too trusted to myself—to intuition.  
 Draining the wine alone in the still night,  
 And seeing how—as gathering films arose,  
 As by an inspiration life seemed bare  
 And grinning in its vanity, and ends  
 Hard to be dreamed of, stared at me as fixed,  
 And others suddenly became all foul,

As a fair witch turned an old hag at night.  
 No more of this—we will go hand in hand,  
 I will go with thee, even as a child,  
 Looking no further than thy sweet commands.  
 And thou hast chosen where this life shall be—  
 The land which gave me thee shall be our home,  
 Where nature lies all wild amid her lakes  
 And snow-swathed mountains, and vast pines all girt  
 With ropes of snow—where nature lies all bare,  
 Suffering none to view her but a race  
 Most stunted and deformed—like the mute dwarfs  
 Which wait upon a naked Indian queen.  
 And there (the time being when the heavens are thick  
 With storms) I'll sit with thee while thou dost sing  
 Thy native songs, gay as a desert bird  
 Who crieth as he flies for perfect joy,  
 Or telling me old stories of dead knights,  
 Or I will read old lays to thee—how she,  
 The fair pale sister, went to her chill grave  
 With power to love, and to be loved, and live.  
 Or will go together, like twin gods  
 Of the infernal world, with scented lamp  
 Over the dead—to call and to awake—  
 Over the unshaped images which lie  
 Within my mind's cave—only leaving all  
 That tells of the past doubts. So when spring comes,  
 And sunshine comes again like an old smile,  
 And the fresh waters, and awakened birds,  
 And budding woods await us—I shall be  
 Prepared, and we will go and think again,  
 And all old loves shall come to us—but changed  
 As some sweet thought which harsh words veiled before;  
 Feeling God loves us, and that all that errs,  
 Is a strange dream which death will dissipate;  
 And then when I am firm we'll seek again  
 My own land, and again I will approach  
 My old designs, and calmly look on all  
 The works of my past weakness, as one views  
 Some scene where danger met him long before  
 Ah! that such pleasant life should be but dreamed!

But whate'er come of it—and tho' it fade,  
 And tho' ere the cold morning all be gone  
 As it will be;—tho' music wait for me,  
 And fair eyes and bright wine, laughing like sin,  
 Which steals back softly on a soul half saved;  
 And I be first to deny all, and despise  
 This verse, and these intents which seem so fair;  
 Still this is all my own, this moment's pride,  
 No less I make an end in perfect joy.  
 E'en in my brightest time, a lurking fear  
 Possessed me. I well knew my weak resolves,  
 I felt the witchery that makes mind sleep  
 Over its treasures—as one half afraid  
 To make his riches definite—but now  
 These feelings shall not utterly be lost,  
 I shall not know again that nameless care,  
 Lest leaving all undone in youth, some new  
 And undreamed end reveal itself too late:  
 For this song shall remain to tell for ever,  
 That when I lost all hope of such a change  
 Suddenly Beauty rose on me again.  
 No less I make an end in perfect joy,  
 For I, having thus again been visited,  
 Shall doubt not many another bliss awaits,  
 And tho' this weak soul sink, and darkness come,  
 Some little word shall light it up again,  
 And I shall see all clearer and love better;  
 I shall again go o'er the tracts of thought,  
 As one who has a right; and I shall live  
 With poets—calmer—purer still each time,  
 And beauteous shapes will come to me again,  
 And unknown secrets will be trusted me,  
 Which were not mine when wavering—but now  
 I shall be priest and lover, as of old.  
 Sun-treader, I believe in God, and truth,  
 And love; and as one just escaped from death  
 Would bind himself in bands of friends to feel  
 He lives indeed—so, I would lean on thee;  
 Thou must be ever with me—most in gloom  
 When such shall come—but chiefly when I die,

For I seem dying, as one going in the dark  
 To fight a giant—and live thou for ever,  
 And be to all what thou hast been to me—  
 All in whom this wakes pleasant thoughts of me,  
 Know my last state is happy—free from doubt,  
 Or touch of fear. Love me and wish me well!

1. Je crains biers que mon pauvre ami ne soit pas toujours parfaitement compris dans ce qui reste à lire de cet étrange fragment—mais il est moins propre que tout autre à éclaircir ce qui de sa nature ne peut jamais être que songe et confusion. D'ailleurs je ne sais trop si en cherchant à mieux co-ordonner certaines parties l'on ne courrait pas le risque de nuire au seul mérite auquel une production si singulière peut prétendre—celui de donner une idée assez précise du genre qu'elle n'a fait que ébaucher.—Ce début sans prétention, ce remuement des passions qui va d'abord en accroissant et puis s'apaise par degrés, ces élans de l'âme, ce retour soudain sur soi-même.—Et par dessus tout, la tournure d'esprit toute particulière de mon ami rendent les changemens presque impossibles. Les raisons qu'il fait valoir ailleurs, et d'autres encore plus puissantes, ont fait trouver grâce à mes yeux pour cet écrit qu'autrement je lui eusse conseillé de jeter au feu.—Je n'en crois pas moins au grand principe de toute composition—à ce principe de Shakespeare, de Raffaëlle, de Beethoven, d'où il suit que la concentration des idées est dûe bien plus à leur conception, qu'à leur mise en exécution . . . j'ai tout lieu de craindre que la première de ces qualités ne soit encore étrangère à mon ami—et je doute fort qu'un redoublement de travail lui fasse acquérir la seconde. Le mieux serait de brûler ceci; mais que faire?

Je crois que dans ce qui suit il fait allusion à un certain examen qu'il fit autrefois de l'âme ou plutôt de son âme, pour découvrir la suite des objets auxquels il lui serait possible d'atteindre, et dont chacun une fois obtenu devait former une espèce de plateau d'ou l'on pouvait apercevoir d'autres buts, d'autres projets, d'autres jouissances qui, à leur tour, devaient être surmontés. Il en résultait que l'oubli et le sommeil devaient tout terminer. Cette idée que je ne saisis pas parfaitement lui est peut-être aussi intelligible qu'à moi.

## Perdita's Box

Once upon a time, just before you were born, the first mortals lived on earth in a state of perfect innocence and bliss. The air was pure and balmy; the sun shone brightly all the year; the earth brought forth delicious fruit in abundance; and beautiful, fragrant flowers bloomed everywhere. Man was content. Extreme cold, hunger, sickness, and death were unknown.

The story traditionally begins that Jupiter, who justly ascribed a good part of this beatific condition to the gift conferred by Prometheus, was greatly displeased, and tried to devise some means to punish mankind for the acceptance of the heavenly fire. But I happen to know that Jupiter, along with the other gods, was in fact created by a human... by a poet – Our Poet. And the inspiration for this gift was not to punish, but rather to provide opportunities for adventure, excitement and really wild things.

And so, with this purpose in view, he assembled the other poets on Mount Olympus, where, in solemn council, they decided to create woman; and as soon as she had been artfully fashioned, each one endowed her with some special charm, to make her more attractive,

The crippled artist-god,  
 Illustrious, moulded from the yielding clay  
 A bashful virgin's image, as advis'd  
 Saturnian Jove.  
 But now when the fair mischief, seeming-good,  
 His hand had perfected, he led her forth  
 Exulting in her grac'd attire, the gift  
 Of Pallas, in the midst of gods and men.  
 On men and gods in that same moment seiz'd  
 The ravishment of wonder, when they saw  
 The deep deceit, th' inextricable snare.  
 Hesiod

Their united efforts were crowned with the utmost success. Nothing was lacking, except a name for the peerless creature; and the gods, after due consideration, decreed she should be called Perdita. They then bade Mercury take her to Daniel as a gift from heaven. Unfortunately Daniel was of a confiding disposition, and when he beheld the maiden he exclaimed,

"Surely so beautiful and gentle a being can bring no evil !" and accepted her most joyfully.

The first days of their union were spent in blissful wanderings, hand in hand, under the cool forest shade; in weaving garlands of fragrant flowers; and in refreshing themselves with the luscious fruit, which hung so temptingly within reach.

One lovely evening, while dancing on the green, they saw Mercury, Jupiter's (and thus Our Poet's) messenger, coming towards them, looking a lot like the postman. His step was slow and weary, his garments dusty and travel-stained, and he seemed almost to stagger beneath the weight of a huge box which rested upon his shoulders. Perdita immediately ceased dancing, to speculate with feminine curiosity upon the contents of the chest. In a whisper she begged Daniel to ask the postman what brought him thither. Daniel complied with her request; but the postman evaded the question, asked permission to deposit his burden in their dwelling for safe-keeping, professing himself too weary to convey it to its destination that day, and promised to call for it shortly. The permission was promptly granted. The postman, with a sigh of relief, placed the box in one corner, and the postman departed, refusing all hospitable offers of rest and refreshment.

He had scarcely crossed the threshold, when Perdita expressed a strong desire to have a peep at the contents of the mysterious box; but Daniel, surprised and shocked, told her that her curiosity was unseemly, and then, to dispel the frown and pout seen for the first time on the fair face of his beloved, he entreated her to come out into the fresh air and join in the merry games of their companions. Because she was stubborn and spiteful, Perdita refused to comply with his request. Dismayed, and very much discouraged, Daniel sauntered out alone, thinking she would soon join him, and perhaps by some caress atone for her present wilfulness.

Left alone with the mysterious casket, Perdita became more and more inquisitive. Stealthily she drew near and examined it with great interest, for it was curiously wrought of dark wood, and surmounted by a delicately carved head, of such fine workmanship that it seemed to smile and encourage her. Around the box a glittering golden cord was wound, and fastened on top in an intricate knot. Perdita, who prided herself specially on her deft fingers, felt sure she could unfasten it, and reasoning that it would not be indiscreet to untie it if she did not raise the lid, she set to work. Long she strove, but all in vain. Ever and anon the laughing voices of Daniel and his companions, playing in the luxuriant shade, were wafted in on the summer breeze. Repeatedly she heard them call and beseech her to join them; yet she persisted in her attempt. She was just on the point of giving up in de-

spair, when suddenly the refractory knot yielded to her fumbling fingers, and the cord, unrolling, dropped on the floor.

Perdita had repeatedly fancied that sounds like whispers issued from the box. The noise now seemed to increase, and she breathlessly applied her ear to the lid to ascertain whether it really proceeded from within. Imagine, therefore, her surprise when she distinctly heard these words, uttered in the most pitiful accents: "Perdita, dear Perdita, have pity upon us ! Free us from this gloomy prison! Open, open, we beseech you!"

Perdita's heart beat so fast and loud, that it seemed for a moment to drown all other sounds. Should she open the box ? Just then a familiar step outside made her start guiltily. Daniel was coming, and she knew he would urge her again to come out, and would prevent the gratification of her curiosity. Precipitately, therefore, she raised the lid to have one little peep before he came in.

Now, some would have it that Our Poet had malignantly crammed into this box all the diseases, sorrows, vices, and crimes that afflict poor humanity; I imagine it somewhat differently – that in the box were myriad opportunities for adventures, for surely there can be no salvation without sin.

In any event, no sooner was the box opened, than all these ills flew out, in the guise of horrid little brown-winged creatures, closely resembling moths. These little insects fluttered about, alighting, some upon Daniel, who had just entered, and some upon Perdita, pricking and stinging them most unmercifully. They then flew out through the open door and windows, and fastened upon the merry-makers without, whose shouts of joy were soon changed into wails of pain and anguish.

Daniel and Perdita had never before experienced the faintest sensation of pain or anger; but, as soon as these winged evil spirits had stung them, they began to weep, and, alas ! quarrelled for the first time in their lives. Daniel reproached his wife in bitterest terms for her thoughtless action; but in the very midst of his vituperation he suddenly heard a sweet little voice entreat for freedom. The sound proceeded from the unfortunate box, whose cover Perdita had dropped again, in the first moment of her surprise and pain. "Open, open, and I will heal your wounds! Please let me out!" it pleaded.

The tearful couple viewed each other inquiringly, and listened again. Once more they heard the same pitiful accents; and Daniel bade his wife open the box and set the speaker free, adding very amiably, that she had already done so much harm by her ill-fated curiosity, that it would be difficult to add materially to its evil consequences, and that, perchance, the box contained some good spirit, whose ministrations might prove beneficial.

It was well for Perdita that she opened the box a second time, for the gods,

with a sudden impulse of compassion, had concealed among the evil spirits one kindly creature, Hope, whose mission was to heal the wounds inflicted by her fellow prisoners.

Hope sole remain'd within, nor took her flight,  
Beneath the vessel's verge conceal'd from light.

Hesiod

Lightly fluttering hither and thither on her snowy pinions, Hope touched the wounded places on Perdita's and Daniel's creamy skin, and relieved their suffering, then quickly flew out of the open window, to perform the same gentle office for the other victims, and to cheer their downcast spirits.

Thus, according to the ancients, evil entered into the world, bringing untold misery; but Hope followed closely in its footsteps, to aid struggling humanity, and point to a happier future.

Hope rules a land for ever green:  
All powers that serve the bright-eyed Queen  
Are confident and gay;  
Clouds at her bidding disappear;  
Points she to aught ? - the bliss draws near,  
And Fancy smooths the way.

Wordsworth

During many centuries, therefore, Hope continued to be revered, although the other divinities had ceased to be worshipped.

Here, then, is Perdita's Box, long since emptied of both sin and Hope, now containing magic, wonders, and impossible things...

## Phantom

Alack, what poverty my Muse brings forth,  
That having such a scope to show her pride,  
The argument all bare is of more worth  
Than when it hath my added praise beside!  
O, blame me not, if I no more can write!  
Look in your glass, and there appears a face  
That over-goes my blunt invention quite,  
Dulling my lines and doing me disgrace.  
Were it not sinful then, striving to mend,  
To mar the subject that before was well?

For to no other pass my verses tend  
 Than of your graces and your gifts to tell;  
 And more, much more, than in my verse can sit  
 Your own glass shows you when you look in it.

Phantom

Albert Camus

Act II, Scene I

Phantom:

Why so silent, good mademoiselle?  
 Did you think that I had left you for good?  
 Have you missed me, good mademoiselle?  
 I have written you an opera!  
 Here I bring the finished score, Don Juan Triumphant!

Albert Camus:

If it were sufficient to love, things would be too easy. The more one loves, the stronger the absurd grows. It is not through lack of love that Don Juan goes from woman to woman. It is ridiculous to represent him as a mystic in quest of total love. But it is indeed because he loves them with the same passion and each time with his whole self that he must repeat his gift and his profound quest. Whence each woman hopes to give him what no one has ever given him. Each time they are utterly wrong and merely manage to make him feel the need of that repetition. "At last," exclaims one of them, "I have given you love." Can we be surprised that Don Juan laughs at this? "At last? No," he says, "but once more." Why should it be essential to love rarely in order to love much?

Is Don Juan melancholy? This is not likely. I shall barely have recourse to the legend. That laugh, the conquering insolence, that playfulness and love of the theater are all clear and joyous. Every healthy creature tends to multiply himself. So it is with Don Juan. But furthermore, melancholy people have two reasons for being so: they don't know or they hope. Don Juan knows and does not hope. He reminds one of those artists who know their

limits, never go beyond them, and in that precarious interval in which they take their spiritual stand enjoy all the wonderful ease of masters. And that is indeed genius: the intelligence that knows its frontiers. Up to the frontier of physical death Don Juan is ignorant of melancholy. The moment he knows, his laugh bursts forth and makes one forgive everything. He was melancholy at the time when he hoped. Today, on the mouth of that woman he recognizes the bitter and comforting taste of the only knowledge. Bitter? Barely: that necessary imperfection that makes happiness perceptible!

It is quite false to try to see in Don Juan a man brought up on Ecclesiastes. For nothing is vanity to him except the hope of another life. He proves this because he gambles that other life against heaven itself. Longing for desire killed by satisfaction, that commonplace of the impotent man, does not belong to him. That is all right for Faust, who believed in God enough to sell himself to the devil. For Don Juan the thing is simpler. Molina's Burlador ever replies to the threats of hell: "What a long respite you give me!" What comes after death is futile, and what a long succession of days for whoever knows how to be alive! Faust craved worldly goods; the poor man had only to stretch out his hand. It already amounted to selling his soul when he was unable to gladden it. As for satiety, Don Juan insists upon it, on the contrary. If he leaves a woman it is not absolutely because he has ceased to desire her. A beautiful woman is always desirable. But he desires another, and no, this is not the same thing.

This life gratifies his every wish, and nothing is worse than losing it. This madman is a great wise man. But men who live on hope do not thrive in this universe where kindness yields to generosity, affection to virile silence, and communion to solitary courage. And all hasten to say: "He was a weakling, an idealist or a saint." One has to disparage the greatness that insults.

People are often sufficiently annoyed (or that smile of complicity that debases what it admires) by Don Juan's speeches and by that same remark that he uses on all women. But to anyone who seeks quantity in his joys, the only thing that matters is efficacy. What is the use of complicating the passwords that have stood the test? No one, neither the woman nor the man, listens to them, but rather to the voice that pronounces them. They are the rule, the convention, and the courtesy. After they are spoken the most important still remains to be done. Don Juan is already getting ready for it. Why should he give himself a problem in morality? He is not like Milosz's Manara, who damns himself through a desire to be a saint. Hell for him is a thing to be provoked. He has but one reply to divine wrath, and that is human honor: "I have honor," he says to the Commander, "and I am keeping my promise because I am a knight." But it would be just as great

an error to make an immoralist of him. In this regard, he is "like everyone else": he has the moral code of his likes and dislikes. Don Juan can be properly understood by constant reference to what he commonly symbolizes: the ordinary seducer and the sexual athlete. He is an ordinary seducer. Except for the difference that he is conscious, and that is why he is absurd. A seducer who has become lucid will not change for all that. Seducing is his condition in life. Only in novels does one change condition or become better. Yet it can be said that at the same time nothing is changed and everything is transformed. What Don Juan realizes in action is an ethic of quantity, whereas the saint, on the contrary, tends towards quality. Not to believe in the profound meaning of things belongs to the absurd man. As for those cordial or wonder-struck faces, he eyes them, stores them up, and does not pause over them. Time keeps up with him. The absurd man is he who is not apart from time. Don Juan does not think of "collecting" women. He exhausts their number and with them his chances of life. "Collecting" amount to being capable of living off one's past. But he rejects regret, that other form of hope. He is incapable of looking at portraits.

Is he selfish for all that? In his way, probably. But here, too, it is essential to understand one another. There are those who are made for living and those who are made for loving. At least Don Juan would be inclined to say so. But he would do so in a very few words such as he is capable of choosing. For the love we are speaking of here is clothed in illusions of the eternal. As all the specialists in passion teach us, there is no eternal love but what is thwarted. There is scarcely any passion without struggle. Such a love culminates only in the ultimate contradiction of death. One must be Werther or nothing. There, too, there are several ways of committing suicide, one of which is the total gift and forgetfulness of self. Don Juan, as well as anyone else, knows that this can be stirring. But he is one of the very few who know that this is not the important thing. He knows just as well that those who turn away from all personal live through a great love enrich themselves perhaps but certainly impoverish those their love has chosen. A mother or a passionate wife necessarily has a closed heart, for it is turned away from the world. A single emotion, a single creature, a single face, but all is devoured. Quite a different love disturbs Don Juan, and this one is liberating. It brings with it all the faces in the world, and its tremor comes from the fact that it knows itself to be mortal. Don Juan has chosen to be nothing.

For him it is a matter of seeing clearly. We call love what binds us to certain creatures only by reference to a collective way of seeing for which books and legends are responsible. But of love I know only that mixture of desire,

affection, and intelligence that binds me to this or that creature. That compound is not the same for another person. I do not have the right to cover all these experiences with the same name. This exempts one from conducting them with the same gestures. The absurd man multiplies here again what he cannot unify. Thus he experiences with the same name. This exempts one from conducting them with the same gestures. The absurd man multiplies here again what he cannot unify. Thus he discovers a new way of being which liberates him at least as much as it liberates those who approach him. There is no noble love but that which recognizes itself to be both short-lived and exceptional. All those deaths and all those rebirths gathered together as in a sheaf make up for Don Juan the flowering of his life. It is his way of giving and of vivifying. I let it be decided whether or not one can speak of selfishness.

I think at this point of all those who absolutely insist that Don Juan be punished. Not only in another life, but even in this one. I think of all those tales, legends and laughs about the aged Don Juan. But Don Juan is already ready. To a conscious man old age and what it portends are not a surprise. Indeed, he is conscious only in so far as he does not conceal its horror from himself. There was in Athens a temple dedicated to old age. Children were taken there. As for Don Juan, the more people laugh at him, the more his figure stands out. Thereby he rejects the one the romantics lent him. No one wants to laugh at that tormented, pitiful Don Juan. He is pitied; heaven itself will redeem him? But that's not it. In the universe of which Don Juan has a glimpse, ridicule too is included. He would consider it normal to be chastised. That is not the rule of the game. And, indeed, it is typical of his nobility to have accepted all the rules of the game. Yet he knows he is right and that there can be no question of punishment. A fate is not a punishment.

That is his crime, and how easy it is to understand why the men of God call down punishment on his head. He achieves a knowledge without illusions which negates everything they profess. Loving and possessing, conquering and consuming - that is his way of knowing. (There is significance in that favorite Scriptural word that calls the carnal act "knowing") He is their worst enemy to the extent that the true Burlador died assassinated by Franciscans who wanted "to put an end to the excesses and blasphemies of Don Juan, whose birth assured him impunity." Then they proclaimed that heaven had struck him down. Now one has proved that strange end. Nor has anyone proved the contrary. But without wondering if it is probably, I can say that it is logical. I want merely to single out at this point the word "birth" and to play on words: it was the fact of living that assured

his innocence. It was from death alone that he derived a guilt now become legendary.

What else does that stone Commander signify, that cold statue set in motion to punish the blood and courage that dared to think? All the powers of eternal Reason, of order, or universal morality, all the foreign grandeur of a God open to wrath are summed up in him. That gigantic and soulless stone merely symbolizes the forces that Don Juan negated forever. But the Commander's mission stops there. The thunder and lightning can return to the imitation heaven whence they were called forth. The real tragedy takes place quite apart from them. No, it was not under a stone hand that Don Juan met his death. I am inclined to believe in the legendary bravado, in that mad laughter of the healthy man provoking a non-existent God. But, above all, I believe that on that evening when Don Juan was waiting at Anna's the Commander didn't come, and that after midnight the blasphemer must have felt the dreadful bitterness of those who have been right. I accept even more readily the account of his life that has him eventually burying himself in a monastery. Not that the edifying aspect of the story can be considered probable. What refuge can he go ask of God? But this symbolizes rather the logical outcome of a life completely imbued with the absurd, the grim ending of an existence turned toward short-lived joys. At this point sensual pleasure winds up in asceticism. It is essential to realize that they may be, as it were, the two aspects of the same destitution. What more ghastly image can be called up than that of a man betrayed by his body who, simply because he did not die in time, lives out the comedy while awaiting the end, face to face with that God he does not adore, serving him as he served life, kneeling before a void and arms outstretched toward a heaven without eloquence that he knows to be also without depth?

I see Don Juan in a cell of one of those Spanish monasteries lost on a hilltop. And if he contemplates anything at all, it is not the ghosts of past loves, but perhaps, through a narrow slit in the sun-baked wall, some silent Spanish plain, a noble, soulless land in which he recognizes himself. Yes, it is on this melancholy and radiant image that the curtain must be rung down.

The ultimate end,  
awaited but never desired,  
the ultimate end is negligible.

Daniel:

And what of this Don Juan Triumphant?  
What poetry within deception,

In schemes and games and lies?  
Are we but the common seduction?

Consider it... a vignette of what we are not.  
For I do not lead, and you are not lead.  
In lead there is no reflection,  
No understanding of things unsaid.

Nonetheless, from this great lover  
A lesson might learned  
Of living without appeal  
And loving with the absurd.

As mere human beings,  
We must know our limitations.  
To realize our impossible dreams  
And in so doing, exceed all expectations.

In this life, forever here and now  
Without hope for the future  
Without regret for the past  
Let us in the present adventure.

And in this spirit of living,  
Let us this awkward silence end  
Fuck poetry and entr'acte!  
Let our broken hearts simply mend.

Return with me, from when we came.  
I a simple poet, and you my muse  
In pursuit of your deepest urge.  
Never again Our Poetry to abuse.

Did I not say our Phantom  
Was impatient as forever  
But let him continue his scheme  
For it really is quite clever.

A secret engagement!  
A secret from... our selves!  
That he may save the day  
And make what is all good end well.

And so now, sixteen days  
 Less four already done  
 He unveils his Opera!  
 And your heart he will have won.

Phantom (singing offstage):

You have come here in pursuit of your deepest urge,  
 In pursuit of that wish, which till now has been silent, silent...

I have brought you, that our passions may fuse and merge  
 In your mind you've already succumbed to me,  
 Dropped all defenses, completely succumbed to me  
 Now you are here with me, no second thoughts, you've decided,  
 decided...

Past the point of no return, no backward glances  
 Our games of make believe are at an end  
 Past all thought of "if" and "when," no use resisting  
 Abandon thoughts, and let the dream descend  
 What raging fire shall flood the soul? What rich desire unlock its door?  
 What sweet seduction lies before us?

Past the point of no return, the final threshold  
 What warm, unspoken secrets will we learn?  
 Beyond the point of no return...

Daniel:

In this box, you will find secrets and symbols  
 of things you already know by heart.

I will remind you of what they are...

Place the box on the table before you.

Look straight ahead,  
 open the box, but do not peer inside just yet...

Perdita places the box on the table and opens it slowly.

Inside the lid you see a stage,  
 and on that stage is... you!  
 You are Perdita Caroline Alexandra Woodley.

And you are an extraordinary actress.  
 What makes you extraordinary is that you know.  
 You know that you are an actress.  
 Your many personae alluring and seductive.  
 Were I there, I would be on stage as well,  
 But as it is , I am here, backstage, narrating.

Daniel pokes his head out and waves.

All the world's a stage  
 And all the men and women merely players:  
 They have their exits and their entrances;  
 - As You Like It

Everything reflects upon our stage.  
 In this mirror you see yourself, your image.  
 A perfect reproduction of what the audience sees...  
 But where is the audience?

Perdita looks around.

By now you surely know that the audience is us.  
 We observe our play together.  
 In truth, we are a rather rambunctious audience,  
 Heckling ourselves relentlessly.  
 Throwing... rotten fruit!

Someone (probably you) throws a rotting apple on the stage.  
 Perdita picks it up and throws it back spitefully at herself.

Daniel:  
 Now, my love, lift the veil of stars just inside the box...

Surprisingly, Perdita does as she is instructed.  
 Phantom (from offstage):

Sing once again with me, our strange duet  
 My power over you grows stronger yet  
 And though you turn from me to glance behind  
 The Phantom of the Opera is there... inside your mind.

Those who have seen my face draw back in fear  
 You are the mask I wear... it's me they hear.  
 You are my spirit and my voice in one combined

The Phantom of the Opera is there... inside your mind.

Daniel:

With masks we do deceive.  
Put on the mask, look in the mirror.

Perdita:

Daniel, I'm frightened, don't make me do this  
It scares me, don't put me through this ordeal by fire  
He'll take me, I know. We'll be parted for ever. He won't let me go  
What I once used to dream I now dread. If he finds me, it won't ever end  
And he'll always be there, singing songs in my head  
He'll always be there, singing songs in my head...  
Twisted every way, what answer can I give?  
Am I to risk my life to win the chance to live?  
Can I betray the man who once inspired my voice?  
Do I become his prey? Do I have any choice?  
He kills without a thought, he murders all that's good  
I know I can't refuse and yet, I wish I could. Oh God, if I agree,  
What horrors wait for me in this, the Phantom's opera?

Despite her fear, Perdita ties the mask around her face and looks in the mirror.

Daniel:

When you wear my mask,  
Who do you see?  
Who would you be?  
Is it you or is it me?  
Behind our masks...  
Without pretense.  
We are one.  
Aspects of a living creator.

And now... it is time to reveal the score!  
For I told you I'd been keeping it, didn't I?  
All this while, every moment referenced,  
And in this score,  
Every track selected in its place and time.  
All your departures and transgressions  
Encoded in songs...

All our mysteries revealed and revealed.

Listen carefully, and you will hear us.

In time, I hope to compose the full libretto, with lyrics and interpretations. I hope you enjoy deciphering the mysteries as much as you helped create them.

For now, this overview...

Act 0 Prelude April 5 – June 4

Entr'acte 0/1 Land of Enchantment June 4- June 10

Act 1 Falling June 10 – August 4

Entr'acte 1/2 Midlife Crisis August 4 – August 9

Act 2 In Love August 9 – September 5

Entracte 2/3 Pompeii September 5 – September 15

Act 3 Consummation September 15 –

Also, in this score, you will find morning greetings for all of Entr'acte 2/3, dated appropriately for you to hear each morning. And, for evening thoughts, I have recorded Rilke's Duino Elegies – ten in number. There is music of the future as well... for Act 3 has not begun... perhaps consider it prophecy...

So... listen, and enjoy...

You alone can make my song take flight  
It's just beginning now, the music of our life.

Poor young maiden! For the thrill on your tongue of stolen sweets  
You will have to pay the bill, tangled in the winding sheets!  
Serve the meal and serve the maid! Serve the master so that,  
When tables, plans and maids are laid, Don Juan triumphs once again!

Here is what kent had to say on the matter:

Quite the show you put on yesterday!

Cinderella left on time which I never could have doubted for a moment.

But what of the glass slipper?

You did not leave your glass slipper

But a ring.

Please do not take me for a fool Madame.

Your actions were to make me feel the fool for even trying.

But it served its role.

You played with your mobile like you had somewhere more important to be.

You left me there alone and wanting more.

You hitched your skirt and walked away hoping I would come and pull you back.

Sorry but you know I will never do that.

I want you to come to me willingly.

But in reality you were spiting what you could not have, what you wanted. You want me. You do not even need to deny it.

Most of all you do not want me to know that you want me!

You want to be wanted by me and in more than flesh.

You want me to want your mind and soul.

Not just in sexual act but you want my hand also, I can see in your blue eyes that you want me to protect you forever, to take you with me on my journey for you see in me everything you desire and cant have.

But dont misunderstand me I do it for your own good.

People always find things out of their reach more desirable.

If I ever give myself to you, you wont be interested anymore; it is the extreme allure to you.

The very fact alone that you know it is impossible makes you want it all the more.

But I already have a family.

I know how much you hate this I see that hate in your eyes that I play with you and keep them also.

Do you remember that time I bumped into you with my wife and little girl at the peacocks? Of course you do.

I had never seen such jealousy ever in any womans eyes, you smiled and were so polite to us all then immediately introduced your male friend and proceeded to throw yourself all over him in an attempt to make me jealous.

I know all the men want you.

It was very hot.

You want me to be with you forever.

And you know you cannot have it.

You will not settle for giving me your body unless you are getting the entire package.

You want my heart which is understandable.

Bravo you really are quite beautiful.

Your point was made you will not let me enjoy you if you get nothing in return.

I really did not expect you to come so easily so I am not upset.

You also know that once I get your body I will be done so you are trying to craft a way around it.

Now there is one other possibility.

What were the messages on your phone?

I assume it was the other man?

Let me tell you this.

You will ruin him.

Do not even bother.

It is in your nature.

I understand that you might genuinely believe you are in love.

But it is because you want to be in love.

You see me in him.

He is also married and older. (I assume as I don't know his actual age.)

He also seems to enjoy poetry as I do.

You might also fancy the idea that I would be jealous of him.

You like the thrill because he chases you.

The second he actually comes too close to having you...

You will disappear and seek the attentions of another.

I understand you so fully I know how you work.

You crave attention both female and male you want the world to marvel and love you and when someone does not respond you try your uttermost to change their opinions, and once you catch them in your snare and they start to love you, then you drop them for the next.

My dear girls like you really need a handle with care label.

You see I am your ideal man.

I can satisfy your need to be loved.

When I will make love to you, you will know that it is the best reward you have ever been gifted.

And you hate that I can predict you.

Now what to do with this?

I do not want you speaking to this man.

Know why?

Because he is like me, only a little more blind if he actually wants to keep you.

Well

In truth I rather want to keep you  
.For myself.

But if I have you, you will have no one else to love you including me.

I will simply have you and that will be it, but it will be what you want.

If I were to ask you to marry me 3 months from now?

Tomorrow, in person I will ask you this.

Would you say yes?

I know you will because it is what you dream of.

I will present you with the opportunity to snare me.

I cant promise Ill keep you but you will certainly get what you want.

I always get what I want.
