|"LGRA[17:29:03] |"LITADaniel :|"LC000000 I wrote you.

|"LGRA[17:29:03] |"LITAPerdy- Congratulations! You made it! :|"LC800000

I saw the phantom of the opera the other day you know? My mother called me down to watch it with her, was the first movie, the one based on the book rather than the current one, had a blonde christine and everything!

|"LGRA[17:30:12] |"LITADaniel :|"LC000000 I actually wrote you quite a bit...

|"LGRA[17:30:19] |"LITADaniel :|"LC000000 but I didn't send those.

|"LGRA[17:31:05] |"LITADaniel :|"LC000000 As for Lon Chaney, he's cool.

|"LGRA[17:31:35] |"LITAPerdy- Congratulations! You made it! :|"LC800000 I didn't miss you at all, why I spoke to you frequently.

|"LGRA[17:31:46] |"LITADaniel :|"LC000000 Funny that.

|"LGRA[17:32:04] |"LITADaniel :|"LC000000 And rather comforting, I think...

|"LGRA[17:32:22] |"LITAPerdy- Congratulations! You made it! :|"LC800000 Heh, more so than I could realise.

|"LGRA[17:32:36] |"LITADaniel :|"LC000000 A fine intermission, all in all.

|"LGRA[17:32:46] |"LITADaniel :|"LC000000 Not too short, not too long.

|"LGRA[17:32:57] |"LITADaniel :|"LC000000 Six months... that would have been too long.

|"LGRA[17:33:03] |"LITAPerdy- Congratulations! You made it! :|"LC800000 I doubt it.

"LGRA[17:33:16]"LITADaniel : "LC000000 Well, there were some practical considerations.

"LGRA[17:33:27]"LITADaniel : "LC000000 Like I didn't actually know what your address would be in six months.

"LGRA[17:33:42]"LITADaniel : "LC000000 Which would make the cool scheme more challenging.

"LGRA[17:34:04]"LITADaniel : "LC000000 Although, the timing is rather perfect... just in time for Carnevale...

"LGRA[17:34:12]"LITAPerdy- Congratulations! You made it! : "LC800000 Would of been all the more fun to avoid you.

"LGRA[17:34:13]"LITADaniel : "LC000000 Masquerade and all. Yes, it was a beautiful scheme.

"LGRA[17:34:25]"LITADaniel : "LC000000 I even made a remarkable discovery.

"LGRA[17:34:32]"LITADaniel : "LC000000 That I sorta want to keep a secret.

"LGRA[17:34:41]"LITADaniel : "LC000000 But, well, I'm not really good at keeping secrets.

"LGRA[17:34:46]"LITADaniel : "LC000000 Well, maybe this one...

"LGRA[17:34:49]"LITADaniel : "LC000000 Okay, nevermind.

"LGRA[17:34:57]"LITAPerdy- Congratulations! You made it! : "LC800000 hm?

"LGRA[17:35:34]"LITADaniel : "LC000000 When you visit me... then I will tell you.

"LGRA[17:35:43]"LITAPerdy- Congratulations! You made it! : "LC800000 Please do, keep it a secret by all means.

"LGRA[17:35:55]"LITADaniel : "LC000000 It is kept.

"LGRA[17:36:07]"LITADaniel : "LC000000 You didn't suffer at all?

"LGRA[17:36:11]"LITAPerdy- Congratulations! You made it! : "LC800000 I am happy to say it will remain so, if that is the case.

"LGRA[17:36:26]"LITADaniel : "LC000000 Because you will never visit me is your implication?

"LGRA[17:36:53]"LITAPerdy- Congratulations! You made it! : "LC800000 No, I must admit I was oddly happy, whisked as it were, days of verdi and beautiful discussion

"LGRA[17:37:05]"LITADaniel : "LC000000 Really?

"LGRA[17:37:21]"LITADaniel : "LC000000 Not preoccupied?

"LGRA[17:37:29]"LITAPerdy- Congratulations! You made it! : "LC800000 Was it Verdi? No wait sorry..

"LGRA[17:37:36]"LITAPerdy- Congratulations! You made it! : "LC800000

It was Puccini

"LGRA[17:37:43] "LITAPerdy- Congratulations! You made it! :)"LC800000
Puccini* even

"LGRA[17:37:54] "LITADaniel :)"LC000000 I am disappointed.

"LGRA[17:38:03] "LITAPerdy- Congratulations! You made it! :)"LC800000
slaps her wrist, smiling.

"LGRA[17:38:06] "LITAPerdy- Congratulations! You made it! :)"LC800000
I am not.

"LGRA[17:38:16] "LITADaniel :)"LC000000 I had thought you would be
sad and distraught.

"LGRA[17:38:29] "LITAPerdy- Congratulations! You made it! :)"LC800000
Why I was half waiting for you to admit you were him.

"LGRA[17:38:32] "LITAPerdy- Congratulations! You made it! :)"LC800000
Or vice versa

"LGRA[17:38:39] "LITAPerdy- Congratulations! You made it! :)"LC800000
perhaps I hope you still will..

"LGRA[17:39:02] "LITADaniel :)"LC000000 I see... *rolls his eyes*

"LGRA[17:39:18] "LITADaniel :)"LC000000 I considered such nonsense,
but it seems the universe does a fine job for me...

"LGRA[17:39:49] "LITAPerdy- Congratulations! You made it! :)"LC800000
Wont you?

"LGRA[17:39:49] "LITADaniel :)"LC000000 Well, I am pleased that you
were happy without sadness.

"LGRA[17:39:58] "LITAPerdy- Congratulations! You made it! :)"LC800000
Wont you save me?

"LGRA[17:40:03] "LITAPerdy- Congratulations! You made it! :)"LC800000
From this hell?

"LGRA[17:40:09] "LITADaniel :)"LC000000 It seems you do not need
me...

"LGRA[17:40:19] "LITAPerdy- Congratulations! You made it! :)"LC800000
No apparently I do not..

"LGRA[17:40:20] "LITADaniel :)"LC000000 You are happy and elated.

"LGRA[17:40:55] "LITADaniel :)"LC000000 I thought you might be re-
morseful and suffering in hell.

"LGRA[17:41:09] "LITAPerdy- Congratulations! You made it! :)"LC800000
I was, and yet I was not.

"LGRA[17:41:22] "LITADaniel :)"LC000000 I suppose the question is
why not?

"LGRA[17:41:26] "LITAPerdy- Congratulations! You made it! :)"LC800000
It was a strange feeling, you were there, and yet you were not.

"LGRA[17:41:38] "LITADaniel :|"LC000000 Is it because you enjoyed eating the demon poop?

"LGRA[17:41:47] "LITADaniel :|"LC000000 Or because you knew I would call for you...

"LGRA[17:42:10] "LITADaniel :|"LC000000 Incidentally, do you know what carnaval means?

"LGRA[17:42:22] "LITADaniel :|"LC000000 How about this: carne -vale

"LGRA[17:42:48] "LITAPerdy- Congratulations! You made it! :|"LC800000 oh

"LGRA[17:43:24] "LITAPerdy- Congratulations! You made it! :|"LC800000 to take away eaten meat?

"LGRA[17:44:48] "LITADaniel :|"LC000000 yes, giving up meat... for lent...

"LGRA[17:45:25] "LITAPerdy- Congratulations! You made it! :|"LC800000 And what of it?

"LGRA[17:46:59] "LITADaniel :|"LC000000 just an interesting aside. nothing more.

"LGRA[17:47:03] "LITADaniel :|"LC000000 not yet... ^^

"LGRA[17:47:54] "LITAPerdy- Congratulations! You made it! :|"LC800000 Well I have learnt one thing.

"LGRA[17:47:59] "LITADaniel :|"LC000000 Yes?

"LGRA[17:48:11] "LITAPerdy- Congratulations! You made it! :|"LC800000 It is far from impossible to live without you.

"LGRA[17:48:26] "LITADaniel :|"LC000000 How do you mean?

"LGRA[17:49:04] "LITAPerdy- Congratulations! You made it! :|"LC800000 I had rather thought it might be..

"LGRA[17:49:17] "LITADaniel :|"LC000000 And you imagined that you have?

"LGRA[17:49:35] "LITADaniel :|"LC000000 That these past four days were a good experiment of that?

"LGRA[17:49:38] "LITAPerdy- Congratulations! You made it! :|"LC800000 Or perhaps I simply wanted it to be so.

"LGRA[17:50:08] "LITADaniel :|"LC000000 I would have ventured you might have concluded the contrary...

"LGRA[17:52:21] "LITADaniel :|"LC000000 I am again rather disappointed.

"LGRA[17:52:26] "LITADaniel :|"LC000000 Not in you...

"LGRA[17:52:40] "LITADaniel :|"LC000000 Rather in my knowledge of you.

"LGRA[17:52:58] "LITAPerdy- Congratulations! You made it! :|"LC800000 Heart, we will forget him!

You and I, to-night!
 You may forget the warmth he gave,
 I will forget the light.

|"LGRA[17:53:31]|"LITADaniel :|"LC000000 Perhaps you will get your chance to discover what living without me really is like...

|"LGRA[17:54:19]|"LITADaniel :|"LC000000 If that is what you simply want.

|"LGRA[17:55:17]|"LITADaniel :|"LC000000 I had hoped that the intermission might have clarified the waters between us.

|"LGRA[17:55:33]|"LITAPerdy- Congratulations! You made it! :|"LC800000 I can so easily, you mistake me sir.

|"LGRA[17:55:52]|"LITADaniel :|"LC000000 My mistake.

|"LGRA[17:56:04]|"LITAPerdy- Congratulations! You made it! :|"LC800000 But you keep making it!

|"LGRA[17:56:11]|"LITADaniel :|"LC000000 Do I?

|"LGRA[17:56:22]|"LITADaniel :|"LC000000 Or do you?

|"LGRA[17:56:57]|"LITADaniel :|"LC000000 Always opting for pride and spite over humility and love...

|"LGRA[17:57:15]|"LITAPerdy- Congratulations! You made it! :|"LC800000 I learnt a secret this week..

|"LGRA[17:57:15]|"LITADaniel :|"LC000000 I should rather make my mistake.

|"LGRA[17:57:58]|"LITADaniel :|"LC000000 I had rather imagined that you were creating in my absense.

|"LGRA[17:58:27]|"LITAPerdy- Congratulations! You made it! :|"LC800000 Your imagination amuses me

|"LGRA[17:58:49]|"LITAPerdy- Congratulations! You made it! :|"LC800000 When left to my own devices I do whatever I please.

|"LGRA[17:59:08]|"LITADaniel :|"LC000000 I had imagined that Our Love pleased you.

|"LGRA[17:59:53]|"LITADaniel :|"LC000000 I had imagined that you would please me.

|"LGRA[18:00:03]|"LITAPerdy- Congratulations! You made it! :|"LC800000 Very little pleases me.

|"LGRA[18:00:38]|"LITADaniel :|"LC000000 Well, if this is what you have learned after so many days, then I think you should go back to being happy and elated.

|"LGRA[18:00:48]|"LITAPerdy- Congratulations! You made it! :|"LC800000 I think I should.

|"LGRA[18:01:15]|"LITAPerdy- Congratulations! You made it! :|"LC800000
I will not tell you what I think you should go and do..

|"LGRA[18:01:23]|"LITAPerdy- Congratulations! You made it! :|"LC800000
It is not within my nature.

|"LGRA[18:01:47]|"LITADaniel :|"LC000000 It is entirely withing your
nature.

|"LGRA[18:01:56]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Tell me what else does interest you sir? Every man has a passion, what is
yours?

|"LGRA[18:02:25]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Well....What would you say is your favorite emotion?

|"LGRA[18:02:39]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Mine is awe, if that gives insight to my passion..

|"LGRA[18:02:42]|"LITADaniel :|"LC000000 I am sorry that I have wasted
our time.

|"LGRA[18:02:52]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Oh?

|"LGRA[18:02:57]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Mine is sadness.

|"LGRA[18:03:08]|"LITAPerdy- Congratulations! You made it! :|"LC800000
inspiration is gained from many emotions...

|"LGRA[18:03:37]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Hrm? Personal sorrow, sorrow for the world, sorrow for finiteness?

|"LGRA[18:04:24]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Thereby you make a connection with it universe itself through a variety of
emotion which is a rare rare thing..

|"LGRA[18:04:41]|"LITAPerdy- Congratulations! You made it! :|"LC800000
I believe you are correct Dan McShan!

|"LGRA[18:04:50]|"LITAPerdy- Congratulations! You made it! :|"LC800000
yes?

|"LGRA[18:04:54]|"LITADaniel :|"LC000000 Sorrow and sadness do not
interest me.

|"LGRA[18:04:57]|"LITAPerdy- Congratulations! You made it! :|"LC800000
I experience a connections to the universe

|"LGRA[18:05:07]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Do you seek the universe sir?

|"LGRA[18:05:32]|"LITAPerdy- Congratulations! You made it! :|"LC800000
When awe obliterates what I previously thought was me, I know who I am
and now I seek.

|"LGRA[18:05:43]|"LITAPerdy- Congratulations! You made it! :|"LC800000

More to the point, do you believe in "fate" ?

"LGRA[18:05:59]"LITAPerdy- Congratulations! You made it! :|"LC800000
Do you live for the coincidence that is so unbelievable that you know full well it cannot be a coincidence...That feeling, of...

"LGRA[18:06:11]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: coincidence. hmmm, coincidence is in the flavor of a narrative.

"LGRA[18:06:34]"LITAPerdy- Congratulations! You made it! :|"LC800000
Dan: No awe is anti-narrative.

"LGRA[18:06:48]"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: just the opposite I'm sure.

"LGRA[18:06:57]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: awe destroys time, if just for a second..

"LGRA[18:07:08]"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: coincidence after coincidence, why if only you knew how coincidental this conversation is!

"LGRA[18:07:41]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: The relativity of time itself in comparison to another!

"LGRA[18:07:54]"LITAPerdy- Congratulations! You made it! :|"LC800000
Dan: Is another topic entirely...

"LGRA[18:08:08]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: time and narrative give birth to one another.

"LGRA[18:08:20]"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: Like naivety and innocence go hand in hand!

"LGRA[18:08:27]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: Piaget

"LGRA[18:08:46]"LITAPerdy- Congratulations! You made it! :|"LC800000
Dan: do you know what happens when a star goes nova?

"LGRA[18:09:24]"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: No do tell me Mr.Mcshan?

"LGRA[18:09:39]"LITAPerdy- Congratulations! You made it! :|"LC800000
Dan: when a star can no-longer sustain energy production, it collapses.

"LGRA[18:09:57]"LITAPerdy- Congratulations! You made it! :|"LC800000
bursts into laughter, almost doubling over in her chair. "Oh how alike you are!"

"LGRA[18:10:08]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: but then explodes?

"LGRA[18:10:23]"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: in an instant, it then transforms into another form of mater itself.

"LGRA[18:10:36]"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: which is?

|"LGRA[18:11:22]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Dan: neutronium, or black hole etc.

|"LGRA[18:11:40]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Hilbert: the star. Changes from, like from a gas to a liquid to a solid, etc.

|"LGRA[18:12:14]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: *Unable to control her laughter.* Now, black holes...Tell me...Whatever goes in, does not come out?

|"LGRA[18:12:34]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Hilbert: just a metaphor for transformation.

|"LGRA[18:12:48]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: Well the current theory being that the information that goes in gets smeared across the event horizon?

|"LGRA[18:13:14]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Hilbert: when the narrative can no longer sustain the weight of experience the awe causes a release of energy that transforms the object.

|"LGRA[18:13:31]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: Awe is something else....Hmm I don't often get to experience it, but how delightful a feeling it is!

|"LGRA[18:13:49]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Dan: yes, but you take the metaphor too far.

|"LGRA[18:14:15]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: Oh I do apologize Mr.McShan, I have a habit of doing so!

|"LGRA[18:14:54]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Dan: simply talking about a break in the normal narrative that release enormous energy, which is available to bbq and tofu and such.

|"LGRA[18:15:17]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: I know how fond you are of tofu!

|"LGRA[18:16:01]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Dan: Yes I rather am, I do not eat meat and the energy released connects with the whole universe too!

|"LGRA[18:16:38]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: I think your idea is beautiful! I think your love of tofu is beautiful! And I think your niavety to your existance is the msot beautiful thing of all!

|"LGRA[18:16:53]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Hilbert: It's the only analogy that is even close.

|"LGRA[18:17:13]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Hilbert: my awe is now on the radar Dan!

|"LGRA[18:17:30]|"LITAPerdy- Congratulations! You made it! :|"LC800000
 Perdy: I am glad that I have met you strangers!

|"LGRA[18:17:44]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: I should, as strangers do, introduce myself.

|"LGRA[18:18:16]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Hilbert: and you had a question about egypt for me and Dan?

|"LGRA[18:18:36]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: What is your view on the culture, just give me your general view, i'm always interested to hear.

|"LGRA[18:18:50]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Dan: hmmm, culture of Egypt?

|"LGRA[18:19:00]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Hilbert: I know that it had one of the most long lived systems of writing in history.

|"LGRA[18:19:24]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Dan: but also complicated Hilbert, and only partially phonetic.

|"LGRA[18:19:37]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Hilbert: consistency wise anyway..

|"LGRA[18:19:59]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: you know more than you let on..I swear it!

|"LGRA[18:20:20]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Dan: beyond that, the three big pyramids appear to be aligned the intensity and position of the belt of Orion.

|"LGRA[18:20:36]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Hilbert: so they like stars,, many people do.

|"LGRA[18:20:52]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: Oh yes, well everyone says that, nor do I doubt it but yes, quite, many people do.

|"LGRA[18:22:17]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: Now tell me of other countries, of modern times, poor england was so impressive, the country really has become..nothing

|"LGRA[18:22:22]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Dan: If I was a smart , king I'd get happy friendly with Brazil.

|"LGRA[18:22:56]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: Like Egypt, and the great Roman empire...Oh well of course you would! One of your best friends is there!

|"LGRA[18:23:28]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Dan: but this is some results of following the ideas of gaia hypothosis..Oh how did you know I had a friend in Brazil?

|"LGRA[18:23:44]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Hilbert: you are in England

|"LGRA[18:23:56]|"LITAPerdy- Congratulations! You made it! :|"LC800000

Perdy: Oh I know many things, and yes, England, correct.

|"LGRA[18:24:38]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: and what of corruption in the modern world?

|"LGRA[18:24:44]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: corruption is tricky and everywhere. but are problems getting
solved faster than they are being created.?

|"LGRA[18:24:50]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: that is the rub.

|"LGRA[18:25:06]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Hilbert: how do you protect the most people, for the longest time?

|"LGRA[18:25:22]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Perdy: It is a sorry state, I am tempted to say "C'est la vie." But if I stop
there and force myself to be oblivious to the problems, does that make me
any better than the rest? If we all turn away and try to be oblivious (igno-
rance is bliss they say)

|"LGRA[18:25:39]|"LITAPerdy- Congratulations! You made it! :|"LC800000
Dan: what do you care about the most?

[”LGRA[20:46:09] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :|”LC800000 Everytime that she said ”I hate you.” Beleza was really saying ”I hate that I am so in love with you.” And Verdade would simply reply with a smile ”I know.”

[”LGRA[20:47:24] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :|”LC800000 The girl Beleza wanted to be in love more than anything, it also so happened that she didn’t want to be in love more than anything also. [¹”LGRA[20:49:02] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 Beleza grew tired of her own games, and he grew even more tired of hers, Verdade could not understand how any mortal woman could become lost so easily, she would openly throw herself into rivers while they were trying to picnic, attempt to throw herself off bridges while they kissed.

[¹”LGRA[20:49:56] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 But luckily for Beleza she was found as easily as she was lost. [¹”LGRA[20:50:51] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 Beleza started to forget her previous mortal life in the company of Verdade, and it scared her. But somehow she wanted to forget...In order to remember something else.

[¹”LGRA[20:51:48] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 People would often tell her she was her own person. But ”Which person?” She often wondered, were they exactly referring to?

[¹”LGRA[20:52:25] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 Either was she was a collection of personas, her best mask so glued that even she could not remove it.

[¹”LGRA[20:52:58] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 ”Own person?” She thought, the problem being she was not her own person at all, she was part of someone else.

[¹”LGRA[20:53:58] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 One day Verdade grew tired of her persona’s and ripped away several of her masks until the glued one remained, he then handed her a mirror.

[¹”LGRA[20:54:55] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 She saw a perfect reflection of herself in the mirror, the glued mask in all it’s beauty. Verdade then started to try and pull the glued mask from her face as best he could for her to see what was really behind it.

[¹”LGRA[20:57:10] [¹”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :[¹”LC800000 But the mask having been glued there for so long refused to move, but Beleza did not need to see behind the mask for in the mirror she saw it, standing behind her was Verdade, and she knew then that this was what was behind the mask. Verdade meaning ”truth” and

Beleza meaning "beauty" Verdade was the truth behind the beauty, and for the twist of the tale it was truth and beauty that Verdade sought

"LGRA[06:45:44] "LITADaniel :)"LC000000 Why would you want to go there?

"LGRA[06:45:51] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I don't want to!

"LGRA[06:46:06] "LITADaniel :)"LC000000 Do they have egyptology?

"LGRA[06:46:25] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 i'm in the middle of composing an email to wales, fighting my case as it were, I was two bloody grades off.

"LGRA[06:47:00] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 Leeds have Egyptology within an Archaeology course and it is not what I want.

"LGRA[06:47:07] "LITADaniel :)"LC000000 I do not understand how any of this actually works, I'm afraid.

"LGRA[06:47:21] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 you don't have clearing over there?

"LGRA[06:47:35] "LITADaniel :)"LC000000 Not at all.

"LGRA[06:48:21] "LITADaniel :)"LC000000 I think they use a similar thing for medical school, actually.

"LGRA[06:48:30] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 basically, when you fail to get in somewhere, it isn't the end of the world, you then go to a list which has all the under subscribed courses and try get into one of those, by basically phoning up and begging

"LGRA[06:48:59] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 the only thing is that the courses on those lists are limited

"LGRA[06:50:28] "LITADaniel :)"LC000000 should you perhaps go to Wales in person and beg?

"LGRA[06:50:36] "LITADaniel :|"LC000000 you have rather alluring eyes...

on the subject you want to do by how knowledgeable and interested you
are in the subject itself, this may be the case for say Biology, however you
can't as of currently study Egyptology at any other level below this.

"LGRA[07:53:20] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I hate this!

"LGRA[07:53:24] "LITADaniel :)"LC000000 Not seduce, love.

"LGRA[07:53:35] "LITADaniel :)"LC000000 That will not do at all, in fact.

"LGRA[07:53:49] "LITADaniel :)"LC000000 You will want to put your hair up and get glasses :)

"LGRA[07:53:54] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 ...

"LGRA[07:53:58] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 i'd rather die first

"LGRA[07:55:12] "LITADaniel :)"LC000000 Either way, you need to become known by a professor.

"LGRA[07:55:23] "LITADaniel :)"LC000000 If you want to be in Swansea for a year, then start there.

"LGRA[08:10:16] "LITADaniel : "LC000000 I am not saying that you should include it.

"LGRA[08:10:27] "LITAPerdy: Goodluck everyone! <3 : "LC800000 And I am just so done with formal, the personal statement was damned formal, my interview was damned formal, and where did it get me!?

"LGRA[08:13:11] "LITADaniel : "LC000000 What's that?

"LGRA[08:13:59] "LITAPerdy: Goodluck everyone! <3 : "LC800000 The fact Laura had just passed with flying colors, highest grades you could get possible, right into Canada. And what makes it worst of all is that she doesn't know a thing!

"LGRA[08:14:39] "LITADaniel : "LC000000 She went to Harvard Law.

|"LGRA[08:14:53] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
And here I am, trying to prove to Gods name that I do have some scrap
of intelligence!

|"LGRA[08:15:05] |"LITADaniel :|"LC000000 She thought (and doubtless
still does) that I am a genius.

|"LGRA[08:15:21] |"LITADaniel :|"LC000000 As I say, "the system" is
not for us

|"LGRA[08:15:29] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
Err, you are a genius though?

|"LGRA[08:15:43] |"LITADaniel :|"LC000000 Despite all my marks, I might
add...

|"LGRA[08:15:46] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 oh

|"LGRA[08:15:47] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
right

|"LGRA[08:16:00] |"LITADaniel :|"LC000000 My undergraduate GPA was
like C+

|"LGRA[08:16:06] |"LITADaniel :|"LC000000 Well, B-

|"LGRA[08:16:21] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 It
is just that, I don't bother in things I have no interest in..

|"LGRA[08:16:29] |"LITADaniel :|"LC000000 And my courses were not
even remotely typical.

|"LGRA[08:17:23] |"LITADaniel :|"LC000000 I started year and a half
ahead of everyone, did poorly first semester, took literature/philosophy sec-
ond semester, did worse third semester, took off fourth semester, did okay
4th semester, took off 5th semester... well, you get the idea

|"LGRA[08:17:43] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
yeah

|"LGRA[08:17:59] |"LITADaniel :|"LC000000 I think you write a short let-
ter to Swansea asking if you can plead your case in person next week.

|"LGRA[08:18:30] |"LITADaniel :|"LC000000 Not an emotional plea as
such, just a matter of fact letter asking to visit.

|"LGRA[08:19:03] |"LITADaniel :|"LC000000 I love the mehyet fish... leave
that in ;)

|"LGRA[08:19:31] |"LITADaniel :|"LC000000 Something simple like, I
applied, I did not get in, I really want to study at Swansea...

|"LGRA[08:19:40] |"LITADaniel :|"LC000000 which is a tricky bit, I know,
since you don't

|"LGRA[08:19:47] |"LITADaniel :|"LC000000 but figure out why you do.

|"LGRA[08:19:55] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
hm

"LGRA[08:19:57] "LITADaniel : "LC000000 because of their musuem
 "LGRA[08:20:14] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 their musuem is damned crap
 "LGRA[08:20:17] "LITADaniel : "LC000000 drop the "I dream of a sys-
 tem" crap... they don't care
 "LGRA[08:20:53] "LITADaniel : "LC000000 drop the casual "ask me..."
 crap. if you want to point attention to your accomplishments, do so more
 professionally
 "LGRA[08:21:11] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 you are right on that part
 "LGRA[08:21:27] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 that was just my furious scribbling
 "LGRA[08:21:32] "LITADaniel : "LC000000 I know.
 "LGRA[08:21:40] "LITADaniel : "LC000000 Very therapeutic, I'm sure.
 "LGRA[08:21:48] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 yes, it was somewhat
 "LGRA[08:21:56] "LITADaniel : "LC000000 But not effective for doing
 your will.
 "LGRA[08:22:14] "LITADaniel : "LC000000 Be straightforward.
 "LGRA[08:22:28] "LITADaniel : "LC000000 In this letter, you haven't
 actually asked a question or made a request.
 "LGRA[08:22:48] "LITADaniel : "LC000000 You "fight your case" with-
 out actually requiring of them a course of action.
 "LGRA[08:23:15] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 oh!
 "LGRA[08:23:40] "LITADaniel : "LC000000 Perhaps it is "obvious", but
 there is no substitute for the words "I passionately want to attend Swansea
 to study Egyptology" being ingested into their head.
 "LGRA[08:24:32] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 great!!
 "LGRA[08:24:45] "LITADaniel : "LC000000 I think that you should men-
 tion that you have done that translation for Peter the egyptologist.
 "LGRA[08:24:57] "LITADaniel : "LC000000 ...if you want to head down
 that path.
 "LGRA[08:24:58] "LITAPerdy: Goodluck everyone! <3 : "LC800000
 it's meant to be a secret!!
 "LGRA[08:25:14] "LITADaniel : "LC000000 You should get permission
 to at least mention it.
 "LGRA[08:25:23] "LITADaniel : "LC000000 If not the content, at least
 that you were asked to do it?

|"LGRA[08:25:39] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 where should I add the "I passionately want to attend Swansea to study Egyptology" part?

|"LGRA[08:25:49] |"LITADaniel :|"LC000000 In the first paragraph, I think.

|"LGRA[08:25:57] |"LITADaniel :|"LC000000 Right after your name.

|"LGRA[08:26:19] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 ok

|"LGRA[08:26:31] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 *Nods happily.*

|"LGRA[08:26:33] |"LITADaniel :|"LC000000 Then say that you applied (app #), and were admitted to Leeds.

|"LGRA[08:27:19] |"LITADaniel :|"LC000000 But Leeds does not have the reputation/resources/whatever that Swansea has.

|"LGRA[08:27:25] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I can't say that, as it was only done voer the phone, there is no app # or anything

|"LGRA[08:27:37] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 it just wont look professional

|"LGRA[08:28:11] |"LITADaniel :|"LC000000 Well, you need to explain that you presently are not going to be attending Swansea.

|"LGRA[08:28:12] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 and swansea has no reputation!

|"LGRA[08:28:23] |"LITADaniel :|"LC000000 Somebody recommended to you?

|"LGRA[08:28:39] |"LITADaniel :|"LC000000 And you are quite wrong...

|"LGRA[08:28:45] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I said in the interview that Dr.Alex Nailer recommended the University to me.

|"LGRA[08:29:04] |"LITADaniel :|"LC000000 Wales has a long-standing tradition in the field of Egyptology, beginning with the 'Father of British Egyptology,' Sir Gardner Wilkinson.

|"LGRA[08:29:33] |"LITADaniel :|"LC000000 I think that you would be better with the Oxford scheme.

|"LGRA[08:29:37] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 he was just a socialite

"LGRA[08:30:01] "LITADaniel : "LC000000 His legacy includes the translation of the Turin Canon of Kings, numerous drawings of inscriptions, reliefs, and artefacts, as well as the comprehensive three-volume Manners and Customs of the Ancient Egyptians, which is still in print after more than a century.

"LGRA[08:30:21] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I want impossible people!

"LGRA[08:30:24] "LITAPerdy: Goodluck everyone! <3 : "LC800000 Not standard ones!

"LGRA[08:30:32] "LITADaniel : "LC000000 Right, well, then what the hell are you doing at Swansea

"LGRA[08:30:42] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I can't go to Oxford!

"LGRA[08:30:50] "LITADaniel : "LC000000 It's like having lesser friends... you play a part...

"LGRA[08:30:56] "LITADaniel : "LC000000 like you are interested in them, yes?

"LGRA[08:30:58] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I want to, but I can't, and my own lazy nature was my failing 2 years back!

"LGRA[08:31:03] "LITADaniel : "LC000000 you are very good at that

"LGRA[08:31:14] "LITADaniel : "LC000000 Swansea is like that.

"LGRA[08:31:21] "LITADaniel : "LC000000 You need to make her feel special.

"LGRA[08:31:22] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I know, I am aware I have to pretend how great Swansea is

"LGRA[08:31:39] "LITADaniel : "LC000000 I do not think that you have to pretend.

"LGRA[08:31:50] "LITAPerdy: Goodluck everyone! <3 : "LC800000 You know I just considered writing the whole damn thing in glyphs

"LGRA[08:31:56] "LITADaniel : "LC000000 Don't.

"LGRA[08:32:03] "LITADaniel : "LC000000 Cute idea, though.

"LGRA[08:32:14] "LITAPerdy: Goodluck everyone! <3 : "LC800000 Of course I wouldn't really.

"LGRA[08:32:35] "LITADaniel : "LC000000 Why Swansea for a year over Leeds?

"LGRA[08:32:42] "LITADaniel : "LC000000 If you are to transfer to Oxford next year?

"LGRA[08:32:51] "LITADaniel : "LC000000 Which, I think, you will.

"LGRA[08:32:54] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 because Leeds doesn't do egyptology

"LGRA[08:33:09] "LITADaniel :)"LC000000 But the courses would count towards a degree?

"LGRA[08:33:24] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 Yes but would I pass it?

"LGRA[08:33:35] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I'd have to do amazingly in my first year in order to transfer

"LGRA[08:33:37] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 like, amazing

"LGRA[08:33:41] "LITADaniel :)"LC000000 Leeds is easier?

"LGRA[08:33:48] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 and thus it needs to be in a subject I am amazing in

"LGRA[08:34:08] "LITADaniel :)"LC000000 You will have to do amazingly either way...

"LGRA[08:34:25] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 leeds is all bloody british, "omg i'm so excited over this mesolithic shard I found in the mud! It could of bee a pot!"

"LGRA[08:34:26] "LITADaniel :)"LC000000 You want to go to Swansea because you want to be an Egyptologist.

"LGRA[08:34:36] "LITADaniel :)"LC000000 Easy enough.

"LGRA[08:34:42] "LITADaniel :)"LC000000 You just need some justification...

"LGRA[08:34:42] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 ...

"LGRA[08:35:00] "LITADaniel :)"LC000000 as to why Leeds isn't going to work.

"LGRA[08:35:27] "LITADaniel :)"LC000000 I had imagined Leeds had some egyptology and you were upgrading.

"LGRA[08:35:33] "LITADaniel :)"LC000000 This is rather simple, then, I think.

"LGRA[08:36:07] "LITADaniel :)"LC000000 Your passion is Egyptology, and the score/grades do not reflect that passion.

"LGRA[08:36:47] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 yes, that is good

"LGRA[08:36:47] "LITADaniel :)"LC000000 You own books/scrolls/artifacts. You enjoy translating complicated texts.

"LGRA[08:37:13] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I swear my collection of egyptian books is larger than the one at swansea

"LGRA[08:37:20] "LITADaniel :)"LC000000 How big?

"LGRA[08:37:25] "LITADaniel :)"LC000000 round number...

"LGRA[08:37:29] "LITADaniel : "LC000000 several dozen?

"LGRA[08:37:41] "LITAPerdy: Goodluck everyone! <3 : "LC800000
several boxes worth, all in the garage

"LGRA[08:38:20] "LITAPerdy: Goodluck everyone! <3 : "LC800000
most of them are those deliciously rare exquisite books that are hard to
find...

"LGRA[08:38:35] "LITADaniel : "LC000000 don't mention they are in
the garage.

"LGRA[08:38:38] "LITAPerdy: Goodluck everyone! <3 : "LC800000
ehh

"LGRA[08:38:40] "LITADaniel : "LC000000 hundreds?

"LGRA[08:38:42] "LITAPerdy: Goodluck everyone! <3 : "LC800000
smiles.

"LGRA[08:38:53] "LITAPerdy: Goodluck everyone! <3 : "LC800000
hundreds, yes

"LGRA[08:39:04] "LITADaniel : "LC000000 "hundreds of books on Egypt-
ology"

"LGRA[08:39:16] "LITADaniel : "LC000000 you have translated how
many texts?

"LGRA[08:39:23] "LITAPerdy: Goodluck everyone! <3 : "LC800000
lord knows!

"LGRA[08:39:43] "LITAPerdy: Goodluck everyone! <3 : "LC800000
nothing that's not been translated before mind you

"LGRA[08:39:59] "LITADaniel : "LC000000 "I have translated several
dozen texts, and have become rather proficient at it"

"LGRA[08:40:03] "LITAPerdy: Goodluck everyone! <3 : "LC800000
aside maybe the scarab..

"LGRA[08:40:31] "LITADaniel : "LC000000 But! You need Swansea...

"LGRA[08:40:37] "LITADaniel : "LC000000 What will you learn at Swansea?

"LGRA[08:40:42] "LITAPerdy: Goodluck everyone! <3 : "LC800000
that just comes over to me as arrogant!

"LGRA[08:41:33] "LITADaniel : "LC000000 If it is factual, it is not ar-
rogant.

"LGRA[08:41:39] "LITADaniel : "LC000000 And we are going to soften
it...

"LGRA[08:41:55] "LITAPerdy: Goodluck everyone! <3 : "LC800000
good

"LGRA[08:41:59] "LITADaniel : "LC000000 "I want to attend Swansea
to..."

"LGRA[08:42:10] "LITADaniel : "LC000000 to formalize your educa-

tion,

"LGRA[08:42:20] "LITADaniel :|"LC000000 to transform your passion into a career

"LGRA[08:42:48] "LITADaniel :|"LC000000 to learn not only Egyptology, but how to be an Egyptologist.

"LGRA[08:43:00] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 yes!

"LGRA[08:43:00] "LITADaniel :|"LC000000 ...the latter can not be over-emphasized.

"LGRA[08:43:08] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 that last part

"LGRA[08:43:13] "LITADaniel :|"LC000000 You can study egyptology on your own.

"LGRA[08:43:18] "LITADaniel :|"LC000000 You have the books...

"LGRA[08:43:34] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 yes but really, that wont get me anywhere and they know that

"LGRA[08:43:34] "LITADaniel :|"LC000000 You want a career, though, which is a rather different path.

"LGRA[08:43:44] "LITADaniel :|"LC000000 To dig, you need letters.

"LGRA[08:44:10] "LITADaniel :|"LC000000 You mention the vast books and translations to demonstrate your passion...

"LGRA[08:44:27] "LITADaniel :|"LC000000 not to say that you are arrogant and all knowing.

"LGRA[08:44:41] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 quite, that is how it sounds currently

"LGRA[08:44:58] "LITADaniel :|"LC000000 Rather than "I have translated..."

"LGRA[08:45:22] "LITADaniel :|"LC000000 Perhaps, "I have enjoyed learning how to translate Egyptian texts."

"LGRA[08:45:36] "LITADaniel :|"LC000000 ...you are still learning, and not proficient

"LGRA[08:45:40] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 transliterate you mean?

"LGRA[08:45:43] "LITADaniel :|"LC000000 whatever

"LGRA[08:45:46] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 right

"LGRA[08:46:10] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 where on earth sound I play that part?

"LGRA[08:46:25] "LITADaniel :|"LC000000 ?

"LGRA[08:46:39] "LITAPerdy: Goodluck everyone! <3 :|"LC800000

place..

"LGRA[08:46:40] "LITADaniel : "LC000000 second paragraph is about your passion and desires

"LGRA[08:46:48] "LITAPerdy: Goodluck everyone! <3 : "LC800000 right

"LGRA[08:46:54] "LITADaniel : "LC000000 You are passionate, and you want to attend Swansea.

"LGRA[08:47:01] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I have that bit

"LGRA[08:47:16] "LITADaniel : "LC000000 First paragraph is a simple introduction to who you are, what you want, and why you are writing.

"LGRA[08:47:26] "LITADaniel : "LC000000 Final paragraph is a call to action.

"LGRA[08:47:35] "LITADaniel : "LC000000 What are your options?

"LGRA[08:47:54] "LITADaniel : "LC000000 How might they proceed?

"LGRA[08:47:59] "LITADaniel : "LC000000 Can they just "let you in"?

"LGRA[08:48:19] "LITAPerdy: Goodluck everyone! <3 : "LC800000 they have the power to do so

"LGRA[08:48:41] "LITADaniel : "LC000000 You are requesting admission to their single honours degree in Egyptology.

"LGRA[08:49:38] "LITADaniel : "LC000000 Perhaps you should mention the Egypt Center in second paragraph as part of "why Swansea"

"LGRA[08:50:14] "LITADaniel : "LC000000 Because, "At Swansea, students are given the rare opportunity to work directly with Egyptian objects at the Egypt Centre"

"LGRA[08:50:40] "LITAPerdy: Goodluck everyone! <3 : "LC800000 they are in every other uni also that offers it

"LGRA[08:50:47] "LITAPerdy: Goodluck everyone! <3 : "LC800000 UCL...*drools at the thought*

"LGRA[08:51:24] "LITADaniel : "LC000000 Well, you can leverage that later...

"LGRA[08:51:44] "LITADaniel : "LC000000 Kick ass at Swanea for a year, and we'll work on UCL/Oxford next...

"LGRA[08:52:12] "LITADaniel : "LC000000 (and in fact, is really just for a semester... you'll want to start scheming next year)

|"LGRA[08:52:56] |"LITADaniel :|"LC000000 When you get into Swansea,

amazing, impossible things catch my eye

"LGRA[08:56:09] "LITADaniel : "LC000000 the thought is to find something at Swansea that "inspires you" but their resources cannot quench your desire... thus you must transfer to UCL

"LGRA[08:56:10] "LITADaniel : "LC000000 ;)

"LGRA[08:56:24] "LITADaniel : "LC000000 And doubtless the museum curators know each other...

"LGRA[08:56:31] "LITADaniel : "LC000000 and you can get a recommendation out of it.

"LGRA[08:56:41] "LITADaniel : "LC000000 That's going to be the trick, you see...

"LGRA[08:57:29] "LITADaniel : "LC000000 You will need recommendations to transfer, and a good excuse.

"LGRA[08:57:35] "LITADaniel : "LC000000 Not just "Swansea sucks"

"LGRA[08:57:50] "LITADaniel : "LC000000 But that you want to spend time with the artifacts at UCL.

"LGRA[08:58:23] "LITADaniel : "LC000000 Because the fact is that "Egyptian Language I" is going to be pretty much the same either place...

"LGRA[08:58:53] "LITADaniel : "LC000000 The difference is really who you can meet and impress, and what resources they have for you.

"LGRA[08:59:03] "LITAPerdy: Goodluck everyone! <3 : "LC800000 i'll show you a picture of something that catches my eye

"LGRA[08:59:10] "LITAPerdy: Goodluck everyone! <3 : "LC800000 <http://www.touregypt.net/featurestories/science1-1.jpg>

"LGRA[08:59:23] "LITADaniel : "LC000000 Yes?

"LGRA[08:59:36] "LITADaniel : "LC000000 Why?

"LGRA[08:59:50] "LITADaniel : "LC000000 If they had that artifact in Swansea, what would you do about it?

"LGRA[09:00:03] "LITAPerdy: Goodluck everyone! <3 : "LC800000 *raises an eyebrow*

"LGRA[09:00:07] "LITAPerdy: Goodluck everyone! <3 : "LC800000 i'd steal it

"LGRA[09:00:10] "LITADaniel : "LC000000 lol

"LGRA[09:00:12] "LITAPerdy: Goodluck everyone! <3 : "LC800000 *smiles* No no

"LGRA[09:00:27] "LITAPerdy: Goodluck everyone! <3 : "LC800000 it just means so much, to the Egyptologist, a statue like that

"LGRA[09:00:37] "LITAPerdy: Goodluck everyone! <3 : "LC800000 to you, it is just a statue of a man and a baboon, right?

"LGRA[09:00:48] "LITADaniel : "LC000000 if you like.

"LGRA[09:00:58] "LITAPerdy: Goodluck everyone! <3 :)"LC800000
ok, then tell me what you think when you see it?

"LGRA[09:02:27] "LITADaniel :)"LC000000 Fine, it's a man and a baboon ;)

"LGRA[09:02:39] "LITADaniel :)"LC000000 But I could research it and understand it...

"LGRA[09:03:13] "LITAPerdy: Goodluck everyone! <3 :)"LC800000
Hugs him softly.

"LGRA[09:03:21] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I really need to eat something, anything

"LGRA[09:04:01] "LITAPerdy: Goodluck everyone! <3 :)"LC800000
sighs one moment..

"LGRA[09:04:37] "LITADaniel :)"LC000000 Khonsu?

"LGRA[09:05:08] "LITADaniel :)"LC000000 Baboon with moon on his head?

"LGRA[09:09:23] "LITADaniel :)"LC000000 Thoth?

"LGRA[09:09:36] "LITADaniel :)"LC000000 I'm going with Thoth, on account of the scribe....

"LGRA[09:09:51] "LITADaniel :)"LC000000 I rather like Thoth...

"LGRA[09:10:04] "LITADaniel :)"LC000000 is the source of much mystery and wonder...

"LGRA[09:10:25] "LITADaniel :)"LC000000 Yes, I'm totally going with Thoth.

"LGRA[09:11:13] "LITADaniel :)"LC000000 Do you know about Egyptian tarot?

"LGRA[09:11:26] "LITADaniel :)"LC000000 Aleister Crowley did... ;)

"LGRA[09:11:51] "LITADaniel :)"LC000000 Perhaps I will buy the tarot deck today.

"LGRA[09:11:53] "LITADaniel :)"LC000000 For posterity.

"LGRA[09:27:09] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 ...

"LGRA[09:27:16] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I hate that man

"LGRA[09:28:44] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 although this lemon rice does make me feel a little better

"LGRA[09:48:33] "LITADaniel :)"LC000000 What man is that?

"LGRA[09:48:40] "LITADaniel :)"LC000000 Aleister?

"LGRA[09:48:51] "LITADaniel :)"LC000000 He's cool...

"LGRA[09:49:00] "LITADaniel :)"LC000000 You just have to approach him right.

"LGRA[10:48:02] "LITAPerdy: Goodluck everyone! <3 :|"LC800000

|"LGRA[10:54:36] |"LITADaniel :|"LC000000 So?

|"LGRA[10:58:02] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 oh

|"LGRA[10:58:41] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I

|"LGRA[11:13:02] |"LITADaniel :|"LC000000 As for being "just about to

"LGRA[11:22:04] "LITADaniel :)"LC000000 The Flaming Lips All We Have is Now

As logic stands you couldn't meet a man
 Who's from the future
 But logic broke as he appeared he spoke
 About the Future
 "We're not gonna make it" He explained how
 the end will come - you and me were never meant
 to be part of the future -
 All we have is now -
 All we've ever had was now
 All we have is now

All we'll ever have is now

I noticed that he had a watch and hat
That looked familiar
He was me - from a dimension torn free
Of the future
"We're not gonna make it" He explained how
the end will come - You and me were never meant
to be part of the future -
All we have is now -
All we've ever had was now
All we have is now
All we'll ever have is now -

All we have is now -

|”LGRA[08:14:07] |”LITADaniel :|”LC000000 Which describes your interests and the skills you have obtained.

|”LGRA[08:14:24] |”LITADaniel :|”LC000000 I am thinking a single page, with your name/info at the top,

|”LGRA[08:15:39] |”LITADaniel :|”LC000000 When you have considerations like that...

|”LGRA[08:15:52] |”LITADaniel :|”LC000000 doubts about the quality or content of your cv,

|”LGRA[08:16:01] |”LITADaniel :|”LC000000 think about how you can remedy that

|"LGRA[08:32:24] |"LITAPerdy: And so we danced...All night, without a care in the world. :|"LC800000 I go to Oxford summer school, to study Egyptology and gather some points, then re-apply

|”LGRA[09:22:41] |”LITADaniel :|”LC000000 I am very, very impressed!

|”LGRA[09:23:05] |”LITAPerdy: And so we danced...All night, without a care in the world. :|”LC800000 I basically managed to convince the guy on the phone that I actually did have some serious knowledge, I got into a debate about if Amenhotep IV had Marfan’s syndrome or Froehlich’s Syndrome.

|”LGRA[09:23:21] |”LITADaniel :|”LC000000 What inspired you to call them?

|”LGRA[09:23:31] |”LITAPerdy: And so we danced...All night, without a care in the world. :|”LC800000 I totally whipped his ass, every point he came up with I could counter.

"LGRA[06:44:22] "LITAPerdy: My lips on stone. : "LC800000 Yes I know I know...My father already told me this morning that our idea as great as it was already existed several times over

"LGRA[06:44:43] "LITAPerdy: My lips on stone. : "LC800000 especially in the Caribbean

"LGRA[06:45:26] "LITADaniel : "LC000000 I can't find any that actually take it seriously...

"LGRA[06:45:55] "LITAPerdy: My lips on stone. : "LC800000 he said...He actually knew the captain on one , and had been on holiday with him in Saint Lucia and he got shot down in the helicopter that my dad was flying

"LGRA[06:46:19] "LITAPerdy: My lips on stone. : "LC800000 and apparently there is an amazing one called "The rum runner" that he loves also in the Caribbean

"LGRA[06:46:40] "LITADaniel : "LC000000 Good drink...

"LGRA[06:47:19] "LITAPerdy: My lips on stone. : "LC800000 and he said "Yeah you get to dress up as a pirate, have piurate sex feast and drink rum then they stop in this bay and you can get off and swim."

"LGRA[06:47:39] "LITAPerdy: My lips on stone. : "LC800000 I was just like *Stares.*

"LGRA[06:48:00] "LITAPerdy: My lips on stone. : "LC800000 so then

he was like ” Great idea but it’s been done, think up another.” and then walked out!

”LGRA[06:48:22] |”LITADaniel :|”LC000000 Well, it’s all a matter of degrees, isn’t it?...

”LGRA[06:48:45] |”LITADaniel :|”LC000000 It’s little surprise that there are short little cosplay pirate cruises.

”LGRA[06:49:35] |”LITADaniel :|”LC000000 But I do not see any which are truly immersive role play...

”LGRA[06:50:02] |”LITAPerdy: My lips on stone. :|”LC800000 yes that is true

”LGRA[06:50:07] |”LITADaniel :|”LC000000 And, having things done before is a good thing for raising money...

”LGRA[06:50:22] |”LITADaniel :|”LC000000 Because you can say, ”like this, except better”

”LGRA[06:50:45] |”LITAPerdy: My lips on stone. :|”LC800000 yes that is also true!

”LGRA[06:51:03] |”LITADaniel :|”LC000000 The fact is that if you google ”caribbean pirate cruise” you do not pull up any satisfactory responses.

”LGRA[06:51:22] |”LITADaniel :|”LC000000 So if there is competition, they suck at marketing.

”LGRA[06:51:39] |”LITAPerdy: My lips on stone. :|”LC800000 lol check this

”LGRA[06:51:45] |”LITADaniel :|”LC000000 And obviously there is no super-cool pirate ship... or we’d know about it.

”LGRA[06:52:26] |”LITADaniel :|”LC000000 See, that’s just cheesy...

”LGRA[06:56:39] |”LITADaniel :|”LC000000 But is an example of the ”game holiday” genre...

”LGRA[06:57:17] |”LITAPerdy: My lips on stone. :|”LC800000 that is one badly laid out page though

"LGRA[06:57:23] "LITADaniel : "LC000000 No, I am fairly certain that our idea is unique enough to remain viable, interesting and cool...

"LGRA[06:57:48] "LITAPerdy: My lips on stone. : "LC800000 I think maybe we need to think outside the Caribbean also.

"LGRA[06:57:57] "LITADaniel : "LC000000 All the "competition" I have seen are rather insipid.

"LGRA[06:58:17] "LITADaniel : "LC000000 Oh yes, I quite agree - though the Caribbean is easy...

People like fantasy, and chicks dig pirates. When John Doe goes back to Salt Lake and tells his buddies that the serving wenches were hot and encouraged sexual intimidation and he got in a sword fight with an officer? Come on, they will be flocking to this cruise. Again, people like fantasy, and guys love to be pirates. Now I ask you, what American corporation owns fantasy?"

"LGRA[14:55:07] "LITADaniel : "LC000000 I know you.

"LGRA[14:55:12] "LITADaniel : "LC000000 I know you and I love you.

"LGRA[14:55:19] "LITADaniel : "LC000000 I know you and I want you.

"LGRA[14:55:29] "LITADaniel : "LC000000 I know you and you...

"LGRA[14:55:32] "LITADaniel : "LC000000 You know me.

"LGRA[14:55:36] "LITADaniel : "LC000000 And you know us.

"LGRA[14:55:42] "LITAPerdy: Ai : "LC800000 ...

"LGRA[14:55:45] "LITADaniel : "LC000000 And we know how to dream.

"LGRA[14:55:50] "LITADaniel : "LC000000 And we know how to live.

"LGRA[14:55:52] "LITAPerdy: Ai : "LC800000 I hate myself, I just want to stop talking to you.

"LGRA[14:55:59] "LITAPerdy: Ai : "LC800000 I just want to be able to leave it alone

"LGRA[14:56:22] "LITADaniel : "LC000000 Why?

"LGRA[14:56:26] "LITADaniel : "LC000000 Because you love me.

"LGRA[19:40:29] "LITADaniel : "LC000000 Hey there...

"LGRA[19:41:39] "LITADaniel : "LC000000 I wanted to kiss you good-night...

"LGRA[19:42:03] "LITADaniel : "LC000000 Or goodbye.

"LGRA[19:44:39] "LITADaniel : "LC000000 So, you know, if you decide to come with me...

"LGRA[19:44:55] "LITADaniel : "LC000000 I think we can safely travel when it is not favorable...

"LGRA[19:52:47] "LITADaniel : "LC000000 I think that's good news... t

"LGRA[19:52:56] "LITADaniel : "LC000000 that the Cairo Calendar cannot be trusted.

"LGRA[19:53:11] "LITAPerdy: Red on white. : "LC800000 well

"LGRA[19:53:40] "LITAPerdy: Red on white. : "LC800000 so i'm sitting in the kitchen, musing over my glass of absinthe..

[03:53:31] Perdy: Who's up for another round of Senet!? : *Sneaks up behind him while he is away with that glint in her eye.*
 [03:58:07] Perdy: Who's up for another round of Senet!? : *Lays kisses across his face then down his neck. She kneels down and lays kisses on every single part of his body, her lips brushing against his skin with such accuracy that she does not miss any part of him while paying particular attention to his member, caressing and paying worship to it with each tactfully placed kiss despite knowing he is not there.*
 [04:01:26] Perdy: Who's up for another round of Senet!? : *Is unable to help herself from kissing his member a little more fully to show her appreciation for it, taking the tip of his shaft between her lips and sucking gently.*
 [04:16:43] Perdy: Who's up for another round of Senet!? : *Isibella eventually releases him from the tantalising grip of her lips, kissing him once more before laying her head to rest against his thighs, her blonde hair falling down to his knees so that he feels it brushing against him, and then apparently promptly falls asleep.*
 [07:15:30] Daniel : *wakes in a most exotic state of bliss*
 [07:17:16] Daniel : Sweetest dawn of a new day to you, Isibella Deviamta Antoinette of Abaton
 [07:17:31] Daniel : Did I mention that we will buy an island and name it Abaton?
 [07:22:02] Daniel : Dream, perchance to sleep...
 [07:22:32] Perdy: Who's up for another round of Senet!? : hi!
 [07:22:38] Daniel : And in that peace, know me.
 [07:22:49] Daniel : Oh, hello, Isibella.

[07:23:00] Daniel : How is your birth day coming along so far?

[07:23:07] Perdy: Who's up for another round of Senet!? : Wonderfully!

[07:23:12] Daniel : Yes?

[07:23:12] Perdy: Who's up for another round of Senet!? : I got the strangest gift

[07:23:18] Daniel : Did you now?

[07:23:21] Perdy: Who's up for another round of Senet!? : a chest of all things!

[07:23:25] Daniel : The strangest, you say?

[07:23:59] Daniel : A... new chest?

[07:24:04] Perdy: Who's up for another round of Senet!? : no

[07:24:06] Perdy: Who's up for another round of Senet!? : >.>:

[07:24:16] Perdy: Who's up for another round of Senet!? : *looks down at her chest*

[07:24:17] Daniel : *smiles playfully*

[07:24:34] Daniel : Your chest is perfectly divine.

[07:25:07] Perdy: Who's up for another round of Senet!? : Of course in my curiosity I struggled with the gold knot and opened the box quickly without having read anything

[07:25:13] Perdy: Who's up for another round of Senet!? : struggled*

[07:25:15] Daniel : Of course.

[07:25:31] Daniel : I should have enclosed warning labels.

[07:25:32] Perdy: Who's up for another round of Senet!? : My family were quite amazed you know

[07:25:49] Daniel : Really?

[07:25:59] Daniel : Good thing I opted for the PG gift.

[07:26:03] Perdy: Who's up for another round of Senet!? : I believe they love you

[07:26:27] Perdy: Who's up for another round of Senet!? : and my mother had never seen anything so romantic as an entire operatic score

[07:26:54] Perdy: Who's up for another round of Senet!? : and desperately wished you had included her in it, in place of Albert

[07:27:16] Perdy: Who's up for another round of Senet!? : as she claimed only french teenagers could be into Camus as a passing phase

[07:27:22] Daniel : Albert has a rather lengthy monologue.

[07:27:33] Daniel : But, his point is valid.

[07:28:08] Daniel : And without you... that is how my life would be lived... sans hope, sans everything.

[07:29:32] Daniel : Have you listened to the score yet? It got a bit unweildy, I'm afraid. The Opera now spans several days.

[07:29:58] Daniel : And is hardly complete...

[07:30:24] Daniel : Why, just yesterday I had to add "Act II" - Christening"

[07:31:30] Perdy: Who's up for another round of Senet!? : I am now hurrying to finish my own amazing gift for you

[07:31:40] Daniel : Will my family love you for it?

[07:31:42] Daniel : :P

[07:31:46] Perdy: Who's up for another round of Senet!? : but alas I just keep on adding

[07:32:00] Daniel : You know, I'm embarassed to say that I didn't even think about your family at all...

[07:32:23] Daniel : That they would be in the audience ;)

[07:33:17] Perdy: Who's up for another round of Senet!? : I was sitting there in front of this box with them all watching saying "Go on, open it up then, we want to see!" so I was thinking "I hope to hell there is not a usb rabbit dildo in here..."

[07:33:24] Daniel : But I am so pleased that they like it as it is - as an expression of my love for you.

[07:33:46] Daniel : Well, there is a usb hub ;)

[07:33:55] Perdy: Who's up for another round of Senet!? : is there!?

[07:34:15] Daniel : With the other accessories, yes...

[07:34:30] Daniel : The non-poetic bits under the mirror.

[07:34:55] Perdy: Who's up for another round of Senet!? : oh, the bottom mirror lifts up!?

[07:35:11] Daniel : There is a small loop of tape at the top.

[07:35:15] Perdy: Who's up for another round of Senet!? : lol well isn't this the most endless chest

[07:35:16] Daniel : It's even hinged ;)

[07:35:38] Daniel : It is difficult to create poetry around power adapters.

[07:35:42] Perdy: Who's up for another round of Senet!? : I must say I got very excited about it all

[07:35:53] Perdy: Who's up for another round of Senet!? : I had my mother reading one part for me, and myself doing the other

[07:35:53] Daniel : But I wanted you to be able to listen to music in Pompeii...

[07:36:40] Daniel : As there are special recordings for your days away...

[07:36:49] Perdy: Who's up for another round of Senet!? : oh, are they already on it?

[07:37:30] Daniel : So... you shouldn't actually plug it in to iTunes... because it will want to erase it...

[07:37:37] Perdy: Who's up for another round of Senet!? : i've never ac-

tually been able to listen to music before while going places! ^^

[07:37:44] Perdy: Who's up for another round of Senet!? : Ok, will do.

[07:37:50] Perdy: Who's up for another round of Senet!? : or rather, will not do.

[07:37:54] Perdy: Who's up for another round of Senet!? : as the case may be!

[07:37:58] Daniel : When I visit, I'll bring a disk and install it on your computers.

[07:38:08] Daniel : For now, you just plug it into the way..

[07:38:16] Daniel : Under "Music-Playlists"

[07:38:22] Perdy: Who's up for another round of Senet!? : way??

[07:38:27] Daniel : wall.

[07:38:31] Perdy: Who's up for another round of Senet!? : right!

[07:39:04] Daniel : You will find the various Acts of the score as well as "Good Morning Pompeii" which you listen to in the morning.

[07:39:18] Daniel : And Rilke recordings which you can read at night.

[07:39:54] Perdy: Who's up for another round of Senet!? : this is very very cool

[07:40:55] Daniel : I have a vision for the libretto... is quite epic though...

[07:41:18] Daniel : In time.

[07:41:54] Daniel : Every song is in there for some reason or another...

[07:42:35] Daniel : And the ordering is also very important, of course.

[07:42:40] Perdy: Who's up for another round of Senet!? : oh

[07:42:47] Perdy: Who's up for another round of Senet!? : are they in the right order?

[07:42:50] Daniel : So you don't want to shuffle.

[07:42:55] Daniel : They are in the right order.

[07:43:15] Daniel : They tell a story, you see...

[07:44:01] Daniel : So if you listen to Act 0, you will hear our story of April and May.

[07:44:03] Perdy: Who's up for another round of Senet!? : Ok, oh dear how will I pace them out..

[07:44:32] Perdy: Who's up for another round of Senet!? : score 0?

[07:44:46] Daniel : Yes. Our Score - Prelude

[07:44:50] Daniel : er 0

[07:45:15] Daniel : It begins with "Summoning of the Muse"

[07:45:55] Daniel : And ends, just before I leave for New Mexico with "Should I stay or should I go"

[07:46:06] Perdy: Who's up for another round of Senet!? : how kewl!!

[07:46:15] Perdy: Who's up for another round of Senet!? : ok hm so should

I leave this charging?

[07:46:25] Daniel : Should be charged.

[07:46:28] Perdy: Who's up for another round of Senet!? : I must confess I don't claim to have ever owned an ipod you see

[07:46:32] Daniel : I know.

[07:46:41] Daniel : It's not difficult.

[07:47:49] Daniel : In Act 0, we meet, fall in love, you tell me dreams - I actually have a track called "Vision of Maat" - I write you poetry "Theme for a Jackal" -

[07:47:53] Perdy: Who's up for another round of Senet!? : it's so cute!

[07:48:26] Daniel : Even "Walpurgisnacht" has a track.

[07:48:35] Perdy: Who's up for another round of Senet!? : ?

[07:48:41] Daniel : May Eve.

[07:48:48] Perdy: Who's up for another round of Senet!? : oh! How exciting

[07:49:06] Daniel : Followed quickly by "Mr Crowley" by Ozzy ;)

[07:49:11] Perdy: Who's up for another round of Senet!? : !!!!!!!!!

[07:49:41] Daniel : So listen to lyrics... wonder why they are there.

[07:50:00] Perdy: Who's up for another round of Senet!? : can I listen to it now?

[07:50:12] Perdy: Who's up for another round of Senet!? : I can listen to this and finish off my gift!

[07:50:16] Perdy: Who's up for another round of Senet!? : *jumps up and down.*

[07:52:06] Daniel : Of course, you can also just randomly shuffle through the music.

[07:52:13] Daniel : And wonder where everything fits.

[07:52:23] Daniel : Actually, I can send you a playlist, if you like.

[07:52:29] Perdy: Who's up for another round of Senet!? : I cannot even explain how cool this is Daniel!

[07:53:22] Daniel : It is easy to say "I love you"... this was a bit trickier ;)

[07:53:39] Daniel : Who knew cutting glass was so difficult.

[07:53:45] Perdy: Who's up for another round of Senet!? : !!

[07:53:48] Perdy: Who's up for another round of Senet!? : you never did?

[07:53:51] Perdy: Who's up for another round of Senet!? : did you?

[07:54:10] Daniel : I cut the mirrors from 12x12 tiles.

[07:54:15] Perdy: Who's up for another round of Senet!? : !

[07:54:17] Perdy: Who's up for another round of Senet!? : shocking!

[07:54:36] Daniel : I hinged it, and added the felt... everything.

[07:54:42] Daniel : I didn't actually build the box.

[07:54:42] Perdy: Who's up for another round of Senet!? : no way!?

[07:54:50] Daniel : I completely did.

[07:54:52] Perdy: Who's up for another round of Senet!? : !!

[07:54:54] Perdy: Who's up for another round of Senet!? : !!!!!!!!!!!

[07:54:55] Perdy: Who's up for another round of Senet!? : !!!!!!!!!!!!!!!!!!!!!!!

[07:55:06] Perdy: Who's up for another round of Senet!? : it looks very very professional!

[07:55:13] Perdy: Who's up for another round of Senet!? : With the little hinge and everything!

[07:55:45] Perdy: Who's up for another round of Senet!? : first thing my dad said was something like "Oh great now she's going off to be a pirate or something." XD

[07:55:52] Daniel : Maybe I should become a professional pretty box maker...

[07:56:02] Daniel : You did catch that like in the film?

[07:56:02] Perdy: Who's up for another round of Senet!? : heehee

[07:56:11] Daniel : About the pretty box, pretty girl?

[07:56:23] Perdy: Who's up for another round of Senet!? : yes

[07:56:28] Perdy: Who's up for another round of Senet!? : ^^

[07:56:32] Daniel : *smiles*

[07:56:44] Perdy: Who's up for another round of Senet!? : Perhaps i'll just have to carry the box everywhere with me now

[07:56:47] Perdy: Who's up for another round of Senet!? : anyway I am inspired!

[07:56:51] Daniel : I even have songs in Our Score for all our friends...

[07:56:59] Perdy: Who's up for another round of Senet!? : Look at me all inspired!

[07:57:07] Perdy: Who's up for another round of Senet!? : *runs off to do things*

[07:57:22] Daniel : It is you who inspired me.

[07:57:37] Daniel : You who I breathe in with every breath.

[07:57:48] Perdy: Who's up for another round of Senet!? : omg the csardas is in here!

[07:57:50] Daniel : Who makes my heart pump.

[07:57:50] Perdy: Who's up for another round of Senet!? : *swoons*

[07:58:28] Daniel : AND 45 variations of Windmills of Your Mind :)

[07:58:35] Daniel : hehe

[07:58:36] Perdy: Who's up for another round of Senet!? : ^^ *joy*

[07:58:56] Perdy: Who's up for another round of Senet!? : although this is a different version, still good though

[07:59:24] Daniel : There are also two albums of Egypt bits... in the "Egypt"

playlist - by Philip Glass and Ars Nova

[07:59:34] Daniel : They aren't actually integrated into the Score, though.

[07:59:43] Perdy: Who's up for another round of Senet!? : *nods*

[08:01:29] Daniel : I very much love you, Isibella.

[08:01:43] Perdy: Who's up for another round of Senet!? : as do I, as do I!

[08:01:55] Daniel : You are the most beautiful goddess...

[08:02:22] Perdy: Who's up for another round of Senet!? : I am very fond of my new name!

[08:04:20] Daniel : I am so pleased that you are...

[08:07:09] Daniel : For it will be the name that I call you with in eternity...

[08:07:38] Daniel : Perhaps this is why I have had such trouble with "Perdita" not hearing me... ;)

[08:08:28] Daniel : Would be like calling out to an actress with the name of her part...

[08:08:55] Daniel : Running after Johnny Depp shouting "Willy! Willy!"

[08:09:17] Perdy: Who's up for another round of Senet!? : I would so do that you know?

[08:09:29] Daniel : Even if he was in Pirate getup?

[08:09:33] Perdy: Who's up for another round of Senet!? : yes

[08:09:41] Perdy: Who's up for another round of Senet!? : Mr Wonka, Mr.Wonka!!

[08:09:48] Daniel : Perhaps we can just call him "Mr Wonka" at parties.

[08:09:57] Daniel : I'm certain it will annoy him...

[08:10:09] Daniel : But he will want to hang out with us, so he'll endure.

[08:10:15] Perdy: Who's up for another round of Senet!? : "Get away from me you freaky little blonde girl! I'm not ACTUALLY Willy Wonka, kay?"

[08:10:49] Perdy: Who's up for another round of Senet!? : can we have a Johnny Depp Vs Gene Wilder cage fight?

[08:10:59] Daniel : Yes!

[08:11:02] Daniel : Oh!

[08:11:03] Perdy: Who's up for another round of Senet!? : Tim Burton can like be the guy on the speaker phone

[08:11:15] Daniel : And we'll have a scary tunnel they enter from...

[08:11:30] Daniel : Well, at least Gene will...

[08:11:38] Perdy: Who's up for another round of Senet!? : yes!!!

[08:12:14] Perdy: Who's up for another round of Senet!? : can we have Deep Roy vs and original umpa lumpa also?

[08:12:29] Perdy: Who's up for another round of Senet!? : I love Deep Roy, I just want him to hang with us and say cool stuff.

[08:13:20] Daniel : You have seen "Neverending Story"?

[08:14:07] Daniel : He rides the racing snail...

[08:14:17] Perdy: Who's up for another round of Senet!? : It's just too kewl

[08:14:30] Perdy: Who's up for another round of Senet!? : hes been in soo much stuff

[08:15:48] Daniel : I am amused at your dad's remark about the pirate...

[08:16:14] Daniel : That would have been a clever thing as well...

[08:16:25] Daniel : I will have to keep that in mind for future projects.

[08:17:51] Perdy: Who's up for another round of Senet!? : omg I can't believe you stuck in the bond theme

[08:24:40] Daniel : hehe

[08:25:12] Daniel : I think it's a cool version...

[08:25:38] Daniel : mostly because it has the "do you expect me to talk" sample ;)

[09:37:59] Daniel : You must be... busy ;)

[10:57:24] Perdy: Who's up for another round of Senet!? : *smiles*

[10:57:44] Daniel : hey... I was just thinking about you.

[10:57:50] Perdy: Who's up for another round of Senet!? : really now?

[10:58:01] Daniel : It's true.

[10:58:14] Perdy: Who's up for another round of Senet!? : well I am pleased!

[10:58:25] Daniel : I was thinking that I wanted to talk to you.

[10:58:30] Daniel : And... here you are.

[10:58:41] Perdy: Who's up for another round of Senet!? : it's all part of the job.

[10:58:57] Daniel : To be thought of? ;)

[10:59:09] Daniel : You must be very good at it, for I think of you often.

[10:59:16] Perdy: Who's up for another round of Senet!? : haha!

[11:00:22] Daniel : So where are you at in the score?

[11:01:31] Perdy: Who's up for another round of Senet!? : A rasputin song apparently!

[11:01:35] Perdy: Who's up for another round of Senet!? : really quite amusing

[11:01:52] Daniel : Russia's greatest love machine...

[11:02:02] Perdy: Who's up for another round of Senet!? : ra ra rasputin!

[11:02:08] Perdy: Who's up for another round of Senet!? : God I love Russians

[11:02:13] Daniel : hehe

[11:02:23] Daniel : So I've heard...

[11:02:46] Daniel : Maybe we should spend some time there so I can pick up an accent ;)

[11:02:58] Perdy: Who's up for another round of Senet!? : omg

[11:03:01] Perdy: Who's up for another round of Senet!? : john henry!?

[11:03:02] Perdy: Who's up for another round of Senet!? : wtf

[11:03:02] Perdy: Who's up for another round of Senet!? : wtf

[11:03:03] Perdy: Who's up for another round of Senet!? : wtf

[11:03:04] Perdy: Who's up for another round of Senet!? : wtf

[11:04:04] Daniel : Is about a rail worker... they just don't have ballads about gunslinging dentists, I'm afraid...

[11:04:13] Perdy: Who's up for another round of Senet!? : oh!

[11:04:14] Perdy: Who's up for another round of Senet!? : :(

[11:04:37] Daniel : But... I... er... improvised with the next two tracks ;)

[11:05:01] Perdy: Who's up for another round of Senet!? : *hits the fast forward*

[11:05:24] Perdy: Who's up for another round of Senet!? : LOL

[11:05:25] Daniel : heh

[11:05:45] Perdy: Who's up for another round of Senet!? : what the hell is up with the misfit song!?

[11:05:50] Daniel : it's...

[11:06:02] Daniel : Rudolph the Red Nosed Reindeer?

[11:06:07] Daniel : The weird animated thing?

[11:06:10] Daniel : The elf...

[11:06:14] Perdy: Who's up for another round of Senet!? : ?

[11:06:16] Daniel : wanted to be a dentist.

[11:06:19] Perdy: Who's up for another round of Senet!? : LOL

[11:06:36] Daniel : He would go around with this whiny snivelling voice, "I wanna be a dentist"

[11:06:43] Daniel : I couldn't find the sample, tho...

[11:07:15] Daniel : <http://www.funtocollect.com/dentisthermeyislandofmisfits.html>

[11:07:23] Daniel : They do have a t-shirt....

[11:07:23] Perdy: Who's up for another round of Senet!? : I hate to say this, but you lost the plot after the john henry song XD

[11:08:04] Daniel : Some portions of the score are... slightly weaker...

[11:08:09] Daniel : But it picks up later.

[11:08:18] Daniel : I do like the lighthouse song.

[11:08:30] Daniel : It has that weird "pot roast" nostalgia, I think.

[11:08:37] Daniel : And is very, very sexy.

[11:08:38] Perdy: Who's up for another round of Senet!? : how on earth?
XD

[11:08:55] Daniel : Who knows how my mind works...

[11:09:10] Perdy: Who's up for another round of Senet!? : gone with the wind!!

[11:09:13] Perdy: Who's up for another round of Senet!? : *sighs happily*

[11:09:56] Daniel : *waits patiently*

[11:10:12] Perdy: Who's up for another round of Senet!? : *twirls around to the tara theme.*

[11:11:03] Perdy: Who's up for another round of Senet!? : LOL

[11:11:10] Perdy: Who's up for another round of Senet!? : you are awful!

[11:11:18] Daniel : cmon, it's part of the story...

[11:11:21] Perdy: Who's up for another round of Senet!? : awful awful!!

[11:11:33] Perdy: Who's up for another round of Senet!? : *throws something at him.*

[11:12:35] Daniel : No ballads involving large pots of tea, either...

[11:12:58] Daniel : The final score will need some original pieces to fill in the plot...

[11:13:39] Daniel : Do you remember when it snowed in April? Was the first time you tried to leave...

[11:14:26] Daniel : If only I knew then that it was the first of a few dozen attempts...

[11:15:18] Perdy: Who's up for another round of Senet!? : :)

[11:15:26] Perdy: Who's up for another round of Senet!? : *Sits quietly with him.*

[11:15:39] Daniel : Sometimes its best not to know the terrain before you leap...

[11:18:14] Daniel : Then again, had I known about today...

[11:18:27] Daniel : Well, it's the journey, not the destination.

[11:20:57] Perdy: Who's up for another round of Senet!? : *Smiles.*

[11:27:07] Daniel : In truth, the Prelude is, as most Preludes are, just character definitions.

[11:27:18] Daniel : Introductions to the dramatis personae.

[11:27:38] Daniel : With a few plot points tossed in...

[11:28:22] Daniel : Like Walpurgisnacht... because, well, that's when I realized just how strange we were. ;)

[11:28:46] Perdy: Who's up for another round of Senet!? : ;p

[11:28:59] Daniel : What an odd day that was...

[11:29:19] Perdy: Who's up for another round of Senet!? : what day?

[11:29:46] Daniel : May Eve.

[11:30:08] Daniel : With Jay sleuthing about that poem, and Jimi being really, really, really freaky.

- [11:31:26] Daniel : And everybody thinking I'm a witch. :P
- [11:31:35] Perdy: Who's up for another round of Senet!? : oh!
- [11:31:43] Perdy: Who's up for another round of Senet!? : was damn weird
- [11:31:48] Perdy: Who's up for another round of Senet!? : and we sat here both freaking out
- [11:31:55] Perdy: Who's up for another round of Senet!? : like sipping jasmine tea
- [11:32:09] Daniel : Yes!
- [11:32:22] Daniel : At one point, I was genuinely frightened...
- [11:32:39] Daniel : Before we pieced together what actually happened.
- [11:33:32] Perdy: Who's up for another round of Senet!? : what were we frightened about again?
- [11:33:40] Daniel : *laughs*
- [11:33:50] Perdy: Who's up for another round of Senet!? : thing was, after that, jimmy went all normal
- [11:33:59] Daniel : Well, he was a girl for a while...
- [11:34:09] Perdy: Who's up for another round of Senet!? : yes..
- [11:34:13] Daniel : But yeah... was like he was possessed.
- [11:34:22] Daniel : And then had no purpose.
- [11:34:41] Daniel : Like he was created for that night alone.
- [11:34:59] Daniel : I have the transcript somewhere, I think...
- [11:35:44] Daniel : Incidentally, Psalm 69 (the Ministry track) is a reference to Aleister Crowley's "Book of Lies"
- [11:36:06] Perdy: Who's up for another round of Senet!? : weird...
- [11:36:13] Daniel : Is very clever... I think I told you already... "The way to succeed and the way to suck eggs"
- [11:36:22] Perdy: Who's up for another round of Senet!? : i'd like to see the transcript
- [11:36:48] Daniel : someday, when I've made it into art ;)
- [11:37:37] Daniel : Jimi was all like "I sense that you are under the spell of a great sorcerer... a student of Crowley"
- [11:37:48] Daniel : "I sense that... Rogue Desmoulins is there."
- [11:37:53] Daniel : I was like, "what?!"
- [11:38:01] Perdy: Who's up for another round of Senet!? : erugh I hate crowley
- [11:38:02] Daniel : I didn't even know the guy....
- [11:38:46] Daniel : I tell you he was greatly misunderstood...
- [11:38:53] Perdy: Who's up for another round of Senet!? :
- [11:39:01] Daniel : Largely because he wanted to be, I suspect...
- [11:39:57] Daniel : I think it is interesting... like Theosophy... how western

minds approached Egyptian and Hindoo wisdom...

[11:40:12] Daniel : Making it all weird and mystical...

[11:40:38] Perdy: Who's up for another round of Senet!? : I actually hate him.

[11:40:41] Perdy: Who's up for another round of Senet!? : I mean like hate hate

[11:40:51] Daniel : Have you reason to?

[11:40:53] Perdy: Who's up for another round of Senet!? : I don't even have a reason for it

[11:40:58] Perdy: Who's up for another round of Senet!? : I just REALLY hate the man

[11:41:04] Perdy: Who's up for another round of Senet!? : I mean like, crazily so

[11:41:06] Daniel : I don't particularly like or dislike him... I just think he was an interesting guy.

[11:41:17] Daniel : Along with L.Ron Hubbard...

[11:41:24] Daniel : The scientology guy.

[11:41:42] Perdy: Who's up for another round of Senet!? : I mean but come on

[11:41:43] Daniel : Same modern thought process about control.

[11:42:18] Perdy: Who's up for another round of Senet!? : Aleister crowley was a chess master, mountain climber, poet, astrologer, drug experiemnter. How many of those can you tick off?

[11:42:37] Daniel : Maybe I'm him...

[11:42:45] Daniel : *laughs evilly*

[11:43:23] Daniel : Except, well, I'm not very good at chess.

[11:44:21] Daniel : I think he's merely representative of the early inter-course of western and eastern thought...

[11:44:34] Daniel : Which was later refined in the 50s and 60s...

[11:44:44] Daniel : And now is considered quite passe.

[11:46:24] Perdy: Who's up for another round of Senet!? : Oh...I love this version of ave maria

[11:47:35] Daniel : You posted it on your journal... May 1 :)

[11:48:08] Daniel : (Ave Maria, not Maria Callas)

[11:49:14] Perdy: Who's up for another round of Senet!? : *smiles softly.*

[11:49:16] Perdy: Who's up for another round of Senet!? : so I did

[11:49:54] Daniel : And so, here we are... in May :)

[11:50:00] Daniel : See how clever?

[11:50:04] Perdy: Who's up for another round of Senet!? : heehe!

[11:50:30] Perdy: Who's up for another round of Senet!? : Eleanor Rigby!!!

[11:50:30] Daniel : soon we come to a vast number of tracks involving Jay...

[11:50:48] Perdy: Who's up for another round of Senet!? : the house of the rising sun one was about as Jay as they get

[11:51:05] Daniel : I had no idea...

[11:52:56] Perdy: Who's up for another round of Senet!? : hobo song LOL

[11:53:07] Daniel : John Prine... cool song.

[11:55:47] Perdy: Who's up for another round of Senet!? : mmm

[11:56:07] Daniel : I saw him in Telluride... was very cool.

[11:56:31] Perdy: Who's up for another round of Senet!? : no...you have tarnished this entire thing

[11:56:32] Perdy: Who's up for another round of Senet!? : westlife...

[11:56:34] Perdy: Who's up for another round of Senet!? : oh...my...god

[11:56:48] Daniel : heh

[11:57:26] Daniel : I didn't say I *liked* all these songs...

[11:57:31] Perdy: Who's up for another round of Senet!? : ;p

[11:58:11] Daniel : is why there is a fast forward button ;)

[11:58:22] Perdy: Who's up for another round of Senet!? : is fun!

[11:58:32] Daniel : I do like the James Taylor song.

[11:59:06] Daniel : In truth, there are definitely parts of May I probably wished I had a Fast Forward button for :P

[11:59:15] Daniel : So... is appropriate.

[11:59:20] Perdy: Who's up for another round of Senet!? : *grins*

[11:59:46] Perdy: Who's up for another round of Senet!? : death in june!

[12:00:02] Daniel : So when Jay called me...

[12:00:11] Daniel : I had no idea who is was...

[12:00:22] Daniel : I thought maybe an old friend?

[12:00:34] Daniel : So I said, say something I would recognize...

[12:00:40] Daniel : He said "ku ku"

[12:00:45] Daniel : So there ya go.

[12:00:47] Perdy: Who's up for another round of Senet!? : buoh my god!

[12:00:48] Perdy: Who's up for another round of Senet!? : oh

[12:00:50] Perdy: Who's up for another round of Senet!? : my

[12:00:50] Perdy: Who's up for another round of Senet!? : god!

[12:00:53] Perdy: Who's up for another round of Senet!? : ku ku!

[12:01:01] Perdy: Who's up for another round of Senet!? : *starts to cry.*

[12:01:07] Perdy: Who's up for another round of Senet!? : Do you even know what that is?

[12:01:12] Daniel : I have no idea.

[12:01:18] Perdy: Who's up for another round of Senet!? : cu cu and ku ku

[12:01:24] Perdy: Who's up for another round of Senet!? : when I used to

hang out with Jay

[12:01:29] Perdy: Who's up for another round of Senet!? : people like Payne would come long

[12:01:33] Perdy: Who's up for another round of Senet!? : and I got so easily lost..

[12:01:52] Daniel : imagine that...

[12:01:53] Perdy: Who's up for another round of Senet!? : So he made up a sort of silent sign language to which he could tell what sort of trouble I was in

[12:02:22] Perdy: Who's up for another round of Senet!? : cu cu meant it was over a dom, or you know someone like payne

[12:02:55] Perdy: Who's up for another round of Senet!? : so cu cu was physical fucking and ku ku was more emotional mindfucking

[12:03:05] Perdy: Who's up for another round of Senet!? : so if I was talking to someone and he'd say "ku ku"

[12:03:14] Perdy: Who's up for another round of Senet!? : it would mean he thought they were a mindfuck

[12:03:22] Perdy: Who's up for another round of Senet!? : and he wanted me to know, without you know, directly saying

[12:03:44] Daniel : and then Death in June recorded it ;)

[12:04:28] Perdy: Who's up for another round of Senet!? : I don't know if I can sit here anymore

[12:04:44] Daniel : see, that's the beauty of the ipod... ;)

[12:04:49] Perdy: Who's up for another round of Senet!? : I just can't stand this computer

[12:04:50] Daniel : you don't have to

[12:05:05] Perdy: Who's up for another round of Senet!? : it bores me witless, aside for talking to you and drawing on

[12:05:45] Daniel : My only fear is the iPod will take precedence over talking to me :P

[12:06:12] Perdy: Who's up for another round of Senet!? : >.>

[12:06:35] Daniel : because you only have two ears.

[12:07:04] Daniel : I'm going to do some things away from my computer as well, though...

[12:07:08] Perdy: Who's up for another round of Senet!? : i'm a woman

[12:07:13] Perdy: Who's up for another round of Senet!? : I can multi task

[12:07:16] Daniel : right...

[12:07:22] Daniel : and you're sooo good at it.

[12:07:28] Daniel : nobody ever suspects a thing.

[12:08:56] Perdy: Who's up for another round of Senet!? : right!

[12:09:05] Perdy: Who's up for another round of Senet!? : oh

[12:09:09] Perdy: Who's up for another round of Senet!? : one second

[12:09:30] Daniel : oh? are you doing something else? I didn't suspect a thing.

[12:09:46] Daniel : did you plug in your USB hub?

[12:09:54] Daniel : so you can be all powerful all the time?

[12:10:18] Daniel : you might have to plug in both connectors if you are powering anything off usb...

[12:12:06] Daniel : Incidentally, my favorite bit of the Jay scene is Talking Heads "Psycho Killer" juxtaposed with System of a Downs "Pizza Pie" proceeding to "I would die 4 u" and wrapping up with Cranberries "Zombie"

[15:02:17] Daniel : Hey.

[16:48:09] Perdy- And she was soft as a feather. : I would not ask that of them

[16:48:22] Daniel : oh

[16:48:25] Daniel : I see.

[16:48:53] Daniel : do you no longer feel secretly admired?

[16:49:12] Perdy- And she was soft as a feather. : hm?

- [16:50:55] Daniel : shouting? no, I don't really enjoy that.
- [16:50:59] Perdy- And she was soft as a feather. : exactly

- [16:51:01] Perdy- And she was soft as a feather. : so don't be.
- [16:52:00] Daniel : except...
- [16:52:10] Daniel : that I am always jealous when you expend energy.
- [16:52:36] Daniel : I should rather take that bit of time and sit peacefully with you.
- [16:53:00] Daniel : But... you are an actress.
- [16:53:04] Daniel : And entitled to your drama.

- [16:58:31] Daniel : you won't reveal the secret identity?
- [16:58:38] Daniel : because you promised?
- [17:00:39] Daniel : in other mysteries, did you thank Jay for the house?
- [17:04:04] Daniel : *wonders*
- [17:24:36] Perdy- And she was soft as a feather. : sorry
- [17:24:40] Perdy- And she was soft as a feather. : having a chat with my father

 [17:51:09] Perdy- And she was soft as a feather. : ok
 [17:51:12] Perdy- And she was soft as a feather. : *sits down*
 [17:51:19] Daniel : hi

[13:13:07] Daniel : Odd... phone here didn't ring..

[13:13:24] Perdy- And she was soft as a feather. : no no, I mean while we were still on the phone

[13:13:26] Daniel : Oh.

[13:13:41] Perdy- And she was soft as a feather. : my other phone rang, I had to get it, and you weren't answering anyway

[13:15:00] Daniel : I don't understand the "you weren't answering anyway", but it hardly matters.

[13:15:01] Daniel : Hi.

[13:15:20] Perdy- And she was soft as a feather. : well I said "Hey I have to go?"

[13:15:24] Daniel : nope.

[13:15:25] Perdy- And she was soft as a feather. : and you didn't say anything

[13:15:30] Perdy- And she was soft as a feather. : so I said "hello?"

[13:15:32] Perdy- And she was soft as a feather. : still nothing

[13:15:47] Daniel : Maybe you hung up first.

[13:15:55] Perdy- And she was soft as a feather. : maybe

[13:16:03] Daniel : You mom came home... I just assumed you were chatting with her.

[13:16:29] Perdy- And she was soft as a feather. : ah that might ,be why *smiles.*

[13:17:08] Daniel : so what fun this evening?

[13:17:18] Daniel : shall I interrogate you about your secrets?

[13:17:26] Daniel : like did you ever thank Jay?

[13:17:31] Perdy- And she was soft as a feather. : I did

[13:17:34] Daniel : did you yell at secret admirere?

[13:17:56] Daniel : did you thank him sensibly?

[13:17:59] Perdy- And she was soft as a feather. : yes

[13:18:15] Daniel : good good

[13:18:32] Daniel : When do you actually find time for Option B?

[13:18:43] Daniel : Have you actually rendezvoused with him?

[13:19:08] Daniel : I am really impressed you have kept something so intense a secret from me.

[13:19:17] Perdy- And she was soft as a feather. : can we talk about something else?

[13:19:30] Daniel : er

[13:19:41] Daniel : 3am guy?

[13:19:44] Daniel : I know...

[13:19:48] Perdy- And she was soft as a feather. : ...

[13:19:48] Daniel : when is your birthday?

[13:19:55] Perdy- And she was soft as a feather. : why are you doing this?

[13:20:04] Daniel : just to make a point.

[13:20:07] Daniel : is it made?

[13:20:16] Perdy- And she was soft as a feather. : *nods*

[13:20:28] Daniel : secrets from me are dumb.

[13:20:46] Daniel : and you know it.

[13:21:05] Daniel : when are you going to Alex W?

[13:21:53] Perdy- And she was soft as a feather. : next week, I think i'll be out alot, just to let you know in advance

[13:22:03] Daniel : yeah? okay.

[13:22:14] Daniel : where to?

[13:22:54] Daniel : seems you are out alot already...

[13:24:03] Daniel : right, well...

[13:24:16] Daniel : You can avoid me again later...

[13:24:48] Daniel : For the record,

[13:25:00] Daniel : loving you, here and now, is very exhausting.

[13:26:25] Daniel : I am not going to write to you anymore...

[13:26:32] Perdy- And she was soft as a feather. : alright

[13:26:35] Daniel : I suspect you do not read it anyways.

[13:26:42] Perdy- And she was soft as a feather. : I do..

[13:26:47] Daniel : whatever

[13:28:16] Daniel : You... should.

[13:29:39] Daniel : You give me absolutely no reason to believe in you these days, you know that?

[13:29:55] Daniel : This is entirely faith alone.

[13:30:07] Perdy- And she was soft as a feather. : ...

[13:30:33] Daniel : And as I say, it is very exhausting...

[13:31:11] Daniel : Because, in truth, my faith is against all evidence you

have to offer.

[13:31:53] Daniel : So, if my faith falters, for but a moment, I see... nothing... vast emptiness.

[13:32:24] Daniel : At this moment... my faith falters...

[13:32:42] Daniel : I think I shall be lost for a while.

[13:33:05] Daniel : And without a thread...

[13:33:29] Perdy- And she was soft as a feather. : why do you think this is bad?

[13:33:43] Daniel : It is bad because I suffer horribly.

[13:33:53] Daniel : And I do not like to suffer at all, let alone horribly.

[13:33:57] Daniel : Do you?

[13:34:05] Daniel : Clearly you do...

[13:34:12] Perdy- And she was soft as a feather. : ...

[13:34:22] Perdy- And she was soft as a feather. : You are welcome to answer for me..

[13:34:29] Daniel : You know that you are destroying us?

[13:34:34] Perdy- And she was soft as a feather. : yes

[13:34:35] Daniel : Slowly, relentlessly.

[13:34:37] Perdy- And she was soft as a feather. : I know..

[13:34:40] Daniel : Without compassion.

[13:34:45] Perdy- And she was soft as a feather. : I lack it.

[13:34:46] Daniel : Without care or concern.

[13:34:53] Daniel : Without reason.

[13:34:53] Perdy- And she was soft as a feather. : When will you see that?

[13:34:59] Daniel : Without style.

[13:35:02] Perdy- And she was soft as a feather. : ...

[13:35:13] Daniel : Without being interesting.

[13:35:20] Daniel : Without truth.

[13:35:23] Daniel : Without beauty.

[13:35:29] Perdy- And she was soft as a feather. : You are trying to coax me out of it...But

[13:35:34] Daniel : No...

[13:36:01] Perdy- And she was soft as a feather. : You clearly...

[13:36:02] Daniel : I know better.

[13:36:59] Daniel : If I coax you, you will recoil in spite.

[13:37:20] Daniel : If I leave you, you will remain stubborn.

[13:37:31] Daniel : Tell me, Perdita, what you think you are doing?

[13:37:44] Perdy- And she was soft as a feather. : I..

[13:39:32] Daniel : "You truly love each other, and so you might have been truly happy.

[13:39:50] Daniel : Not once couple in a century has that chance, no matter what the storybooks say.

[13:40:05] Daniel : So I think no man in a century will suffer as greatly as you will”

[13:41:19] Daniel : Tell me, great actress... what is your part now?

[13:41:50] Perdy- And she was soft as a feather. : ...

[13:41:52] Daniel : Can you not even form a complete sentence?

[13:41:57] Daniel : Surely you can do better?

[13:42:46] Daniel : Tell me what scheme you now have to deny True Love...

[13:44:32] Daniel : You can not hide from us... as you know, I am always there, in you.

[13:44:45] Perdy- And she was soft as a feather. : I do not need to hide..

[13:44:59] Daniel : Yes, you just find it amusing to do so...

[13:45:07] Daniel : Speak to me, with your persona...

[13:45:48] Daniel : Can you not?

[13:45:49] Perdy- And she was soft as a feather. : You mistake me..

[13:46:24] Daniel : I already have you, why should I take you again? And I assure you, I never mis-

[13:47:49] Perdy- And she was soft as a feather. : you ”believe” that you have me, because it is what you would like to believe, and because it is what you want to believe I hold up the ”illusion” on your behalf as it were..

[13:48:08] Daniel : then what is the ”truth” behind this illusion?

[13:48:53] Perdy- And she was soft as a feather. : Don’t you know? My...my..

[13:49:47] Perdy- And she was soft as a feather. : You amuse me, like a child is amused by a new toy, it will not last I assure you, and secretly as much as you may deny it you fear this being the reality.

[13:50:02] Daniel : honestly, I am quite disappointed in your acting abilities...

[13:50:18] Daniel : you seem rather typecast...

[13:50:26] Perdy- And she was soft as a feather. : heh..

[13:50:43] Perdy- And she was soft as a feather. : for what? The black widow role?

[13:50:56] Daniel : hardly that clever

[13:51:16] Perdy- And she was soft as a feather. : No I just...Grow tired of people, I am constantly seeking new people to amuse me with their affections towards me.

[13:51:28] Daniel : yes, that one...

[13:51:35] Daniel : the shallow blonde

[13:51:50] Perdy- And she was soft as a feather. : Occasionally someone like yourself comes along and I can be amused for maybe a few months,

but it always goes away,Ä¶

[13:51:56] Perdy- And she was soft as a feather. : Can't you feel it..

[13:51:59] Daniel : afraid to swim in the deep end of the pool...

[13:52:03] Perdy- And she was soft as a feather. : Starting to slip out of your fingers..

[13:52:28] Daniel : yes, I feel you are entirely out of your depth...

[13:52:45] Daniel : slipping back to play your kiddie games in your kiddie pool

[13:52:53] Perdy- And she was soft as a feather. : you try to cling on, but it's like water, you have nothing to hold onto

[13:52:55] Perdy- And she was soft as a feather. : oh please

[13:53:20] Daniel : you find these teenage dramas to be challenging?

[13:53:25] Perdy- And she was soft as a feather. : I am a teenager, I can sit in the middle of both the deep and the shallow, I have no need to be dragged in to the last part yet..

[13:53:41] Perdy- And she was soft as a feather. : you however

[13:53:43] Daniel : and yet...

[13:54:12] Daniel : you are afraid that you will never be dragged like this again...

[13:54:26] Daniel : you like being dragged...

[13:54:49] Daniel : and you cannot imagine that anyone could ever drag me like I have...

[13:54:55] Daniel : kicking and screaming as it were...

[13:55:01] Perdy- And she was soft as a feather. : *Looks angrily at him.* That is not true!

[13:55:32] Daniel : and even if you did let yourself be dragged again...

[13:55:42] Daniel : how challenging to make it seem authentic...

[13:55:52] Perdy- And she was soft as a feather. : ...

[13:56:05] Daniel : always judging your mate against this...

[13:56:12] Perdy- And she was soft as a feather. : You really think you are special don't you?

[13:56:49] Daniel : Yes, that sums up your fear rather well.

[13:56:53] Daniel : What if I am?

[13:57:01] Daniel : Unique in all the world to you?

[13:57:12] Perdy- And she was soft as a feather. : I do not fear the nature of humanity...There will be someone else for me..

[13:57:23] Daniel : I am certain there will be many others...

[13:57:32] Perdy- And she was soft as a feather. : and one of them..

[13:57:37] Perdy- And she was soft as a feather. : will be the special someone

- [13:58:32] Daniel : yes, I'm certain...
- [13:58:48] Daniel : you are quite good at convincing yourself...
- [13:58:56] Daniel : of believing your role is you
- [13:59:18] Daniel : just beware of mirrors...
- [13:59:27] Daniel : avoid them like a vampire.
- [13:59:47] Daniel : for... you have no reflection that is not me...
- [13:59:48] Perdy- And she was soft as a feather. :
- [14:00:15] Perdy- And she was soft as a feather. : You really do want to believe that do you not?
- [14:00:21] Daniel : believe?
- [14:00:36] Daniel : no, I am little interested in believing it.
- [14:00:46] Daniel : for beliefs can be disproven...
- [14:00:51] Perdy- And she was soft as a feather. : You want to think that even if you walk away i'll still be looking for you in other people, in order to make yourself feel slightly better, that there was some truth to all...this *waves her hand around.*
- [14:01:25] Perdy- And she was soft as a feather. : you'd hate the idea that I would just of really played you like all the rest.
- [14:01:39] Perdy- And she was soft as a feather. : you loathe that more than anything..that you might be one of "them" to me
- [14:01:42] Daniel : oh, I actually like that idea quite a bit.
- [14:02:15] Daniel : for then I could seduce you again and again
- [14:02:34] Perdy- And she was soft as a feather. : well do not worry yourself
- [14:02:39] Daniel : but once per lifetime...
- [14:02:43] Daniel : that was the agreement...
- [14:02:54] Perdy- And she was soft as a feather. : I will not be looking for you again
- [14:02:55] Daniel : why we flush our memories each time
- [14:03:00] Perdy- And she was soft as a feather. : not in this lifetime, or the next
- [14:03:04] Daniel : were you ever looking for me?
- [14:03:08] Perdy- And she was soft as a feather. : no
- [14:03:13] Perdy- And she was soft as a feather. : I wasn't even meant to be here
- [14:03:21] Daniel : I just picked you out...
- [14:03:26] Daniel : a random girl...
- [14:03:39] Daniel : given a beautiful, precious gift...
- [14:03:56] Daniel : but she tossed it aside...
- [14:03:59] Perdy- And she was soft as a feather. : don't you know I get so

many gifts I have to reject them?

[14:04:02] Daniel : and sat around eating poop.

[14:04:35] Perdy- And she was soft as a feather. : *rolls her eyes* and you call me the child

[14:04:48] Daniel : it's a most serious concern...

[14:04:54] Perdy- And she was soft as a feather. : Look at you...You're pathetic..

[14:04:56] Daniel : why, I could write dozens of poems about it.

[14:05:10] Perdy- And she was soft as a feather. : Perhaps I was blind to it before

[14:05:18] Daniel : blind and deaf, actually

[14:05:33] Daniel : unfeeling in general, actually

[14:05:38] Perdy- And she was soft as a feather. : But no, you really think i'm cruel? You haven't seen anything...

[14:05:45] Daniel : completely nonsensical

[14:05:51] Daniel : without sense as it were

[14:05:56] Daniel : like a brain in a jar

[14:06:19] Perdy- And she was soft as a feather. : And now I think it is time I introduced you to the cruellest of my persona, for this is after all a play is it not?

[14:06:26] Daniel : it is, yes...

[14:06:39] Daniel : is this the ugly mask I saw backstage?

[14:06:53] Perdy- And she was soft as a feather. : I will get rid of you

[14:06:53] Daniel : the one with the horns?

[14:07:02] Perdy- And she was soft as a feather. : tonight

[14:07:15] Daniel : oh, this mask...

[14:07:24] Daniel : is it that time again already?

[14:07:37] Perdy- And she was soft as a feather. : No because I wont be leaving..

[14:07:45] Perdy- And she was soft as a feather. : You are the one who will be leaving my friend.

[14:07:58] Daniel : Oh!

[14:08:08] Daniel : But... but... I left that costume at home.

[14:08:24] Daniel : Oh dear.

[14:08:31] Perdy- And she was soft as a feather. : ...

[14:08:31] Daniel : MAKEUP!

[14:09:32] Perdy- And she was soft as a feather. : If you wont play along nicely and leave I will have to do something horrifically cruel for both of us.

[14:09:36] Perdy- And she was soft as a feather. : Because I am tired.

[14:09:46] Daniel : Do you imagine that you are actually WRITING this drama?

[14:09:53] Daniel : Every actor wants to be a director...

[14:10:16] Daniel : Tired?

[14:10:19] Perdy- And she was soft as a feather. : the play will not work without the actors..

[14:10:23] Daniel : As in exhausted, or just bored?

[14:10:23] Perdy- And she was soft as a feather. : and..

[14:10:25] Perdy- And she was soft as a feather. : what if..

[14:10:39] Daniel : I have...

[14:10:43] Daniel : more complicated plays...

[14:10:50] Daniel : far more interesting...

[14:10:52] Daniel : most sublime.

[14:11:01] Daniel : *hands her a script*

[14:11:27] Perdy- And she was soft as a feather. : *Looks at the script, briefly as she flips through the pages.*

[14:11:39] Daniel : *points out the really clever bits*

[14:12:01] Perdy- And she was soft as a feather. : *turns away and continues to read it.*

[14:12:02] Daniel : *especially the sexy ones*

[14:12:32] Daniel : It is... one of many...

[14:12:37] Perdy- And she was soft as a feather. : I hope you find a more willing actress..

[14:12:55] Daniel : Yes, well...

[14:13:11] Daniel : They do rather call for your particular, er, talents...

[14:13:28] Daniel : Especially here *points* and here *points*

[14:13:35] Daniel : Oh!

[14:13:39] Daniel : *grabs the script*

[14:13:49] Daniel : *flips through pages towards the end*

[14:13:53] Daniel : And ESPECIALLY here...

[14:14:17] Daniel : Really, almost as if written specifically for you...

[14:14:29] Perdy- And she was soft as a feather. : meh..

[14:14:43] Perdy- And she was soft as a feather. : *Drops the script in a diva like fashion.* It will not do..

[14:14:52] Daniel : *is clearly insulted*

[14:14:56] Daniel : This is High Art!

[14:15:15] Daniel : Why, any actress would KILL for such roles...

[14:15:19] Daniel : Many have...

[14:15:39] Perdy- And she was soft as a feather. : I have other companies who want my talent, these roles are of no interest to me...They look like

roles for the common whore.

[14:15:56] Daniel : *stammers*

[14:15:57] Daniel : I...

[14:16:00] Daniel : there..

[14:16:05] Daniel : there is nothing COMMON about it!

[14:16:38] Daniel : *crosses his arms and turns his back on her*

[14:17:16] Daniel : *peeks over his shoulder, then quickly back*

[14:17:45] Perdy- And she was soft as a feather. : *is on her phone, calling to have someone pick her up, holding some papillon under her arm.*

[14:17:54] Daniel : bah

[14:18:20] Daniel : fine... one moment...

[14:18:29] Perdy- And she was soft as a feather. : *holds the phone for a moment.*

[14:18:51] Daniel : *goes to his locked chest backstage, and from beneath a secret door, pulls out a tube*

[14:19:00] Perdy- And she was soft as a feather. :

[14:19:03] Daniel : *unseals the tube*

[14:19:25] Daniel : *retrieves a scroll of papyrus sealed with a wax seal*

[14:19:38] Daniel : *hands it to her, without looking at her*

[14:19:45] Perdy- And she was soft as a feather. : ..

[14:20:06] Perdy- And she was soft as a feather. : *Unscrolls the Papyri, glancing over the text from right to left.*

[14:20:17] Perdy- And she was soft as a feather. : what is this?

[14:20:37] Daniel : It is...

[14:21:09] Daniel : *goes very silent, letting her evaluate it for herself*

[14:21:25] Daniel : *leaves the stage for a cup of tea*

[14:21:56] Perdy- And she was soft as a feather. : *Does not believe the text and looks very spiteful of it.*

[14:22:16] Perdy- And she was soft as a feather. : *Quietly takes out a box of matches.*

[14:23:30] Daniel : It is priceless...

[14:23:37] Perdy- And she was soft as a feather. : *Lights up one of the matches and goes to set fire to the papyrus, some of the audience who are still there eating ice cream during half time stop and start to scream.*

[14:23:39] Daniel : Unique in all the world...

[14:24:19] Daniel : It is yours...

[14:24:39] Perdy- And she was soft as a feather. : ...

[14:24:42] Daniel : I merely agreed to keep it for you.

[14:24:50] Perdy- And she was soft as a feather. : *Blows out the match.*

[14:25:54] Daniel : It is quite authentic, I assure you.

[14:26:23] Perdy- And she was soft as a feather. : *Hands him back the papyrus.* Keep it for next time, I'm not interested this time round.. *A screech of tires from a car is heard outside, she picks up her dog and her bag and exits stage left.*

[14:27:27] Daniel : *shrugs, tosses it over his shoulder, and exits stage right, pursued by no one*

[14:28:54] Perdy- And she was soft as a feather. : *The audience start to applaud for no reason.*

[14:29:08] Daniel : *peeks out from stage right*

[14:29:24] Daniel : *looks at his watch*

[14:29:34] Daniel : *looks back at the audience*

[14:29:55] Perdy- And she was soft as a feather. : *The audience look expectantly at him.*

[14:30:00] Daniel : *looks at the papyrus*

[14:30:23] Daniel : *slowly walks out to the middle of the stage*

[14:30:31] Daniel : *picks up the papyrus*

[14:30:37] Daniel : *rolls it carefully*

[14:30:44] Daniel : *looks back at the audience*

[14:31:05] Perdy- And she was soft as a feather. : *The audience are clearly on the edge of their seats.*

[14:31:20] Daniel : *everyone looks stage left*

[14:31:42] Daniel : *looks at his watch*

[14:32:01] Perdy- And she was soft as a feather. : *Angry screaming his heard from outside.* "What do you mean the tires are flat!?"

[14:32:18] Daniel : *smirks ever so slightly*

[14:32:39] Daniel : *relaxes to "look casual"*

[14:33:00] Daniel : *even bored, looking at his nails*

[14:33:08] Perdy- And she was soft as a feather. : *Further screaming is heard and possibly a man yelping for help, a dog is heard barking.*

[14:33:35] Daniel : *pulls out a nail file*

[14:33:49] Perdy- And she was soft as a feather. : *She storms on stage, right up to him.* "Give me your phone!"

[14:34:40] Daniel : *walks over to the comfy chair, puts his feet up*

[14:34:48] Perdy- And she was soft as a feather. : hey!

[14:34:49] Daniel : Where the devil ARE my slippers?

[14:35:14] Perdy- And she was soft as a feather. : don't ignore me! *Looks furious.* Here are your damned slippers!! *Throws them at him.*

[14:35:28] Daniel : Dare I ask for scotch?

[14:36:51] Daniel : Pulls a pipe out of his smoking jacket.

[14:36:52] Perdy- And she was soft as a feather. : *Walks up to the edge of

the stage and bends over slightly to address the audience.* ”Can I borrow someone’s cell phone?”

[14:37:28] Daniel : *admirers her derrier as she does so*

[14:37:57] Daniel : Scotch, love?

[14:38:13] Perdy- And she was soft as a feather. : *There is a deathly silence from the audience, she covers the back of her skirt slightly to stop him looking, and looks back to the audience, slightly more angrily.*

[14:38:35] Daniel : Macallan Millenium 50...

[14:39:22] Daniel : The one in the cool bottle...

[14:40:11] Perdy- And she was soft as a feather. : Highland malt whisky indeed!! *She addresses the audience with an angry glare before fetching the bottle and pouring him a glass.* On the rocks..or?

[14:40:45] Daniel : neat

[14:40:58] Perdy- And she was soft as a feather. : And do not call me that..

[14:41:30] Daniel : *takes the glass, and sips most luxuriously*

[14:42:41] Perdy- And she was soft as a feather. :

Looks utterly furious at the idea that he might be enjoying it, and is secretly glad that she slipped in some Atropine.

[14:43:17] Daniel : really?

[14:43:27] Daniel : *says entirely out of character*

[14:43:27] Perdy- And she was soft as a feather. : *Suddenly notices one young man has put his hand up in the audience, within his palm is clutched a cell phone which he waves slightly.*

[14:44:12] Perdy- And she was soft as a feather. : *Suddenly he is followed by about 50 other men in the audience who also hold up their cell phones.*

[14:45:00] Perdy- And she was soft as a feather. : *She smiles and hurries, jumping off stage and into the stalls, where she takes the first cell phone that is close to hand.*

[14:45:15] Daniel : *is too busy enjoying his \$300 glass of scotch*

[14:45:43] Perdy- And she was soft as a feather. : *thinks she could of got her handbag with a glass for that amount.*

[14:46:01] Daniel : (well, only if you had one too...)

[14:46:13] Daniel : (or if it was a generous pour)

[14:46:51] Daniel : (and the bag was on sale)

[14:47:18] Perdy- And she was soft as a feather. : *Dials a number, chats on the phone for a little, giggling away as she walks out the fire exit.*

[14:47:31] Daniel : *looks at the audience*

[14:47:36] Daniel : what?!

[14:48:34] Daniel : *removes the papyrus from his pocket*

[14:48:47] Daniel : *looks around carefully*

[14:48:54] Daniel : *makes some edits*

[14:50:01] Daniel : *rolls the papyrus back up*

[14:50:15] Daniel : *sighs, as he puts on his own damn slippers*

[14:51:20] Daniel : *smiles at the audience, who doubtless expect him to monologue*

[14:51:46] Daniel : *just closes his eyes and takes a well deserved nap*

[14:52:15] Perdy- And she was soft as a feather. : *The audience boo and hiss, throwing tomatoes at him.*

[15:05:38] Daniel : oh!

[15:05:53] Daniel : *wakes suddenly, as if from a dream*

[15:06:01] Daniel : *looks around for his love*

[15:06:11] Daniel : I had the strangest dream...

[15:06:51] Perdy- And she was soft as a feather. : *is there sitting in front of him, peeringly oddly at him.*

[15:07:08] Daniel : there was this papyrus...

[15:07:18] Daniel : *looks around, not finding it anywhere*

[15:07:25] Perdy- And she was soft as a feather. : huh?

[15:07:37] Daniel : *looks up at her*

[15:07:43] Daniel : *takes her hand*

[15:07:48] Daniel : *brings her to his lap*

[15:08:21] Perdy- And she was soft as a feather. : *Blinks as he draws her into her lap, wriggling slightly to get comfy.*

[15:08:31] Daniel : *holds her cozily*

[15:08:49] Daniel : we should make sure the flat in Venice has a fireplace...

[15:09:03] Perdy- And she was soft as a feather. : that would be wonderful..

[15:09:08] Perdy- And she was soft as a feather. : we could sit and watch the fire

[15:09:59] Daniel : I will brush your hair.

[15:10:04] Daniel : You do have a hairbrush?

[15:10:10] Perdy- And she was soft as a feather. :are you crazy?

[15:10:22] Perdy- And she was soft as a feather. : do you know ANY women who don't?

[15:10:30] Daniel : my wife does not.

[15:10:34] Perdy- And she was soft as a feather. : really!?

[15:10:41] Daniel : she has beautiful, curly hair

[15:10:47] Perdy- And she was soft as a feather. : what does she brush her hair with?

[15:10:49] Daniel : no brushing

[15:11:05] Daniel : it just looks great, whatever she does with it

[15:11:16] Perdy- And she was soft as a feather. : curly hair needs no brushing? hm I never knew that! How nice

[15:11:44] Daniel : well, not really, because then I have no hairbrush.

[15:12:00] Perdy- And she was soft as a feather. : you brush your hair, right?

[15:12:09] Daniel : no, I do not...

[15:12:15] Perdy- And she was soft as a feather. : *looks very worried, gets off his lap and runs for the door.*

[15:12:18] Daniel : I just use lots of expensive conditioner...

[15:12:27] Daniel : I have beautiful hair, did you know?

[15:12:36] Perdy- And she was soft as a feather. : *bangs at the door.*

[15:13:13] Daniel : you may brush my hair, if you like.

[15:14:41] Perdy- And she was soft as a feather. : *Turns around, slowly, pressed against the door.* I'll never let you brush my hair, I never have let anyone aside myself!

[15:14:51] Daniel : really?

[15:14:59] Daniel : how wonderful.

[15:15:11] Perdy- And she was soft as a feather. : why is it wonderful!?

[15:15:22] Daniel : just another impossible thing.

[15:15:29] Daniel : I quite insist that you let me.

[15:15:34] Perdy- And she was soft as a feather. :*puffs up her cheeks.*

[15:15:40] Perdy- And she was soft as a feather. : i'll die first

[15:15:47] Daniel : *smiles*

[15:16:00] Daniel : *imagines brushing her beautiful corpses hair*

[15:16:11] Perdy- And she was soft as a feather. : *turns around and bangs on the door again, screaming.*

[15:16:51] Perdy- And she was soft as a feather. : *The door is opened by Hakim, who has been listening to the sexy convo about corpses with his hand down his pants.*

[15:17:01] Perdy- And she was soft as a feather. : *Looks in shock and shuts the door suddenly.*

[15:17:06] Daniel : Where do you imagine that door...

[15:17:09] Daniel : *laughs*

[15:17:24] Perdy- And she was soft as a feather. : *Looks for an open window.*

[15:17:36] Daniel : *looks at the prop window behind him*

[15:17:48] Daniel : *that leads, er, backstage?

[15:17:57] Perdy- And she was soft as a feather. : is there a fire exit back stage?

[15:18:03] Daniel : backstage?

- [15:18:07] Daniel : there is no backstage...
- [15:18:13] Perdy- And she was soft as a feather. : ...
- [15:18:13] Daniel : *laughs maniacally*
- [15:18:28] Perdy- And she was soft as a feather. : *wonders where the hell she is.*
- [15:18:30] Daniel : go on... take a look....
- [15:18:34] Daniel : I've already seen it...
- [15:18:38] Daniel : just a vast nothingness.
- [15:18:45] Daniel : ... scotch?
- [15:18:49] Perdy- And she was soft as a feather. :
- [15:19:18] Perdy- And she was soft as a feather. : * Presses herself against...anything, something, the side of the fire, panting slightly as she passes him the bottle of scotch to pour himself.*
- [15:19:47] Daniel : *pours a glass*
- [15:20:07] Daniel : *drinks it slowly*
- [15:20:15] Daniel : NOW you could have bought that handbag.
- [15:20:21] Perdy- And she was soft as a feather. : *Watches him quietly.*
- [15:20:31] Daniel : *looks over to her freaking out*
- [15:21:05] Perdy- And she was soft as a feather. : *Has large emerald eyes, which he should note is unusual because they used to be blue.*
- [15:21:25] Daniel : Hey...
- [15:21:33] Daniel : didn't you used to have blue eyes?
- [15:21:43] Daniel : *looks to see if her breasts are any more substantial*
- [15:22:33] Perdy- And she was soft as a feather. : *Her poor breasts are as small and perked as ever, but she fails to answer him.*
- [15:23:01] Daniel : Continues reading his Coffin Texts...
- [15:23:31] Daniel : "I have placed my eye in my bush, and it is what is commanded to you that your hand shall move to and fro because of what is non-existent"
- [15:23:39] Daniel : I find that exceedingly sexy, don't you?
- [15:24:09] Perdy- And she was soft as a feather. : *Just stares.*
- [15:24:45] Daniel : Would you like some scotch, love?
- [15:25:09] Perdy- And she was soft as a feather. : I asked you not to call me that..
- [15:25:44] Daniel : Very well... you quite happy with your urine?
- [15:26:21] Perdy- And she was soft as a feather. :* Pours herself a glass of absinthe from no where.*
- [15:26:49] Daniel : So the "N" guy is deceased?
- [15:27:11] Perdy- And she was soft as a feather. : *Downs the entire glass straight because she failed to create any prop to mix it with and doubles

over, unable to breath or speak for a good five minuets.*

[15:27:41] Daniel : And is not necesarily the target of the spell?

[15:27:51] Daniel : Just using the dead guy, as it were?

[15:28:15] Daniel : Surely not...

[15:28:39] Daniel : These must be spells for the living for the deceased.

[15:30:27] Daniel : You can actually drink the expensive absinthe quite pleasantly...

[15:30:45] Perdy- And she was soft as a feather. : *Opens up a small dusty book.*

[15:31:05] Daniel : *looks at her...*

[15:31:32] Daniel : Do you know how to knit?

[15:31:40] Perdy- And she was soft as a feather. : *Wonders if he knows what she is up to.*

[15:31:44] Perdy- And she was soft as a feather. : I love to knit and crochet

[15:31:58] Daniel : Fabulous.

[15:32:08] Perdy- And she was soft as a feather. : Myself and john..Well nevermind

[15:32:42] Daniel : My eyes are the lion, my phallus is Babi, I am the Out-cast, seed is in my mouth, my head is in the sky, my head is on earth.

[15:33:03] Daniel : I am one having power in my heart,

[15:33:25] Daniel : I am one who ejaculates when he knits together, I ejaculate seed as that one and this one.

[15:33:36] Daniel : ...

[15:33:38] Perdy- And she was soft as a feather. : here is without a doubt one of the most powerful ones..

[15:34:14] Daniel : AS FOR ANY MAN WHO SHALL KNOW THIS SPELL, HE SHALL COPULATE IN THIS LAND BY DAY AND BY NIGHT, AND DESIRE SHALL COME TO THE WOMAN BENEATH HIM WHENEVER HE COPULATES.

[15:34:34] Daniel : ...

[15:34:47] Daniel : Surely you will not deny a man who knows such a spell... ;)

[15:34:51] Perdy- And she was soft as a feather. : May N. pant like a bitch in heat over her desire for me. May she have no happiness, no peace, no sleep, no appetite only hunger and lust for me. Do not let the soul of

[15:35:01] Perdy- And she was soft as a feather. : N. rest in peace until she comes to me.

[15:35:11] Daniel : Ooh! I quite like that... which is?

[15:35:28] Perdy- And she was soft as a feather. : it comes from something else *Closes the little dusty book.*

[15:35:41] Perdy- And she was soft as a feather. : the first N is the girls name, and the second N is the angry soul

[15:35:51] Perdy- And she was soft as a feather. : so you see it is an example of how the N is hard to trace

[15:36:06] Perdy- And she was soft as a feather. : N can mean your own name, the person you want to effect's name or the angry souls name

[15:36:16] Daniel : May Perdita pant like a bitch in heat over her desire for me. May she have no happiness, no peace, no sleep, no appetite only hunger and lust for me. Do not let the soul of Our Poet rest in peace until she comes to me.

[15:36:24] Daniel : What is it from?

[15:36:32] Daniel : I simply must know.... for posterity.

[15:37:00] Perdy- And she was soft as a feather. : *slaps him.*

[15:37:06] Perdy- And she was soft as a feather. : Never put my name in anything like that

[15:37:09] Perdy- And she was soft as a feather. : ever

[15:37:34] Daniel : well... the bitch part seems to be working...

[15:38:22] Perdy- And she was soft as a feather. : don't ever actually say anything like that out loud ok? It just isn't good to recite that sort of thing..

[15:38:36] Daniel : As if you are not already panting...

[15:39:14] Daniel : Do you have anything other than hunger and lust for me?

[15:39:32] Daniel : Do you know happiness, peace, sleep or appetite without me?

[15:39:48] Perdy- And she was soft as a feather. : just don't, ok?

[15:40:00] Daniel : Don't? I already have.

[15:40:13] Perdy- And she was soft as a feather. : you did not!

[15:40:24] Perdy- And she was soft as a feather. : you just wrote it down, right?

[15:40:55] Daniel : *thinks this is rather ironic*

[15:41:08] Daniel : *given her abuse of his poetry, so long ago*

[15:41:20] Perdy- And she was soft as a feather. : !

[15:42:02] Perdy- And she was soft as a feather. : hang on, I have to put the phone in..

[16:02:43] Daniel : I will retell our story to you...

[16:03:31] Daniel : And some nights, you will hardly be able to sleep, for fear that the tale will not resolve itself happily.

[16:03:47] Daniel : Every day retold every night.

[16:04:18] Daniel : In this way, in death, you will enjoy the exquisite torture you delivered unto me in life.

[16:04:27] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : ...

[16:04:34] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : I do not think I like that

[16:05:01] Daniel : You are dead, I secretly replaced Charon and you remember nothing.

[16:05:31] Daniel : But, after about one hundred days of fear, you will begin to enjoy the story,

[16:05:43] Daniel : As it gets richer and richer, and stranger and stranger,

[16:06:08] Daniel : The adventures are fantastical, but so real is the tale... almost as if they really happened to you.

[16:06:50] Daniel : You begin to realize that I know this story too well for it to be fiction...

[16:07:06] Daniel : Sometimes you catch me reciting without actually reading from the papyrus...

[16:07:51] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : or change the story

[16:07:58] Daniel : the license of the poet, my love...

[16:08:07] Daniel : I might be lying now...

[16:08:11] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! :

[16:08:25] Daniel : It does seem a bit impossible, doesn't it?

[16:08:40] Daniel : That I should be the love of your life...

[16:09:07] Daniel : I do seem to know you far better than should be reasonable to expect from someone you have never met...

[16:09:27] Daniel : Likewise, your love is peculiarly intense

[16:09:49] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : *Holds her hands over over left breast.*

[16:10:15] Daniel : *looks slightly concerned at her*

[16:10:26] Daniel : shall I stop reading?

[16:10:30] Daniel : you look concerned.

[16:10:54] Daniel : perhaps that is enough for today... you've been ill...

[16:11:01] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : ...

[16:11:07] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : *Looks up at him.*

[16:11:44] Daniel : *looks down at her nude form, the fire flickering, and the full moon shining upon her skin, her sweat glistening*

[16:12:17] Daniel : *smiles, perhaps slightly deviously*

[16:12:29] Daniel : *goes to say something* I...

[16:12:38] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : *Decides now is not the time to pass out.*

[16:12:38] Daniel : *kisses her softly instead*

[16:13:24] Daniel : *continues reading from the papyrus, their story continues*

[16:14:43] Daniel : Did your father read my note?

[16:14:55] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : *Smiles happily, her eyes closing.* I'm going to go show it to him now

[16:15:19] Daniel : Do watch his expression... I should like to know it as he reads :)

[16:17:04] Daniel : As his eyes grow wide and wonderous, and the thought that his daughter has taken up with a lunatic fills his head

[16:54:58] Daniel : *looks disappointed, clearly expecting some reaction*

[16:55:32] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : *Waltz off to have a bath.*

[16:55:43] Daniel : ooh...

[16:55:48] Daniel : touch yourself for me?

[16:56:02] Daniel : pant, like... well, you know how to pant don't you?

[16:56:08] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : ...

[16:56:27] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : sorry you got beaten to it in request

[16:56:34] Daniel : excuse me?!

[16:56:39] Daniel : wow

[16:56:50] Daniel : I am impressed!

[16:56:59] Daniel : Well, pant for them, but all means...

[16:57:20] Daniel : I'm a little upset I didn't get right of first refusal...

[16:58:14] Daniel : First you sell your eternal love without giving me a response, then you go and promise to pant for another.

[16:58:21] Daniel : Why, I am being cuckolded!

[16:58:48] Daniel : You naughty, naughty whore.

[16:59:58] Daniel : I won't even ask why you are wasting your time elsewhere...

[17:00:13] Daniel : You will doubtless tell me it is non of my business.

[17:00:19] Daniel : And that you promised not to say.

[17:00:30] Perdy- Will, Paul, three lots of t.t, one Miss H Trask, A lonely Hillfort and some sheep, I make that Pimms 'o Clock! : *comes back and slaps him, then walks out again.* It IS none of your business!

[17:00:36] Daniel : mmhmm

[17:00:52] Daniel : *smacks her ass very hard on the way out*

[17:01:04] Daniel : It is ALL my business.

[17:01:54] Daniel : *fully knows that she will only pant for him*

[Conversation started on 08 Aug 2006 17:11:19]

[17:11:19] Daniel : ...

[17:11:49] Perdy- Congratulations! You made it! : Good evening.

[17:12:12] Daniel : Hello, my love, how have you been?

[17:12:44] Perdy- Congratulations! You made it! : Very well, and yourself Mr.Mcshan?

[17:12:53] Daniel : Quite well, thank you.

[17:13:05] Perdy- Congratulations! You made it! : I am glad to hear that.

[17:13:07] Daniel : A happy unbirthday to you!

[17:13:22] Daniel : It is not your birthday today, is it not?

[17:13:28] Perdy- Congratulations! You made it! : Why it is your unbirthday too?

[17:13:41] Daniel : Why I suppose it is.

[17:13:44] Daniel : How marvelous!

[17:13:48] Perdy- Congratulations! You made it! : Oh, why it is not my birthday!

[17:14:32] Daniel : And so, are you not 19 or not 20?

[17:14:45] Perdy- Congratulations! You made it! : I am as I was.

[17:14:56] Daniel : Completely unchanged?

[17:15:22] Perdy- Congratulations! You made it! : For yes, I do not often change on unbirthdays

[17:15:57] Daniel : I find that unbirthdays are the best days to change...

[17:16:03] Perdy- Congratulations! You made it! : yes?

[17:16:30] Daniel : Why I change my underwear each and every unbirthday.

[17:16:51] Perdy- Congratulations! You made it! : Do you now? I believe I do also! And I have more unbirthdays than you!

[17:17:22] Daniel : Well, it is good to know that you will always be fresh.

[17:17:56] Perdy- Congratulations! You made it! : More fresh than you might realise

[17:18:13] Daniel : Doubtless.

[17:18:48] Perdy- Congratulations! You made it! : Quite the enigma.

[17:19:13] Daniel : I am rather fond of enigmas...

[17:19:21] Perdy- Congratulations! You made it! : As am I..

[17:19:25] Daniel : So cleansing and refreshing. Oh... wait...

[17:19:37] Daniel : You mean like the mystery ;)

[17:19:42] Perdy- Congratulations! You made it! : Yes...?

[17:20:13] Daniel : Well, enema's can be a bit of a mystery as well...

[17:21:07] Perdy- Congratulations! You made it! : Hm is that so?

[17:21:10] Daniel : Have you been enjoying your days in the underworld?

[17:21:30] Perdy- Congratulations! You made it! : Oh? I did forget...I was somewhere high above.

[17:21:40] Daniel : High above?

[17:22:35] Perdy- Congratulations! You made it! : Yes, elated.

[17:22:50] Daniel : Elated?

[17:23:34] Perdy- Congratulations! You made it! : Do you know what I was counting down to?

[17:23:51] Daniel : Do you wish to tell me?

[17:24:18] Perdy- Congratulations! You made it! : I thought you might know, I was counting down to the moment you would talk with me again..

- [17:24:30] Daniel : I had hoped so.
- [17:24:39] Daniel : I did try to call...
- [17:24:46] Perdy- Congratulations! You made it! : did you?
- [17:24:50] Daniel : i did.
- [17:24:54] Perdy- Congratulations! You made it! : Oh my.
- [17:25:09] Daniel : I had much more epic schemes, you know...
- [17:26:00] Perdy- Congratulations! You made it! : You always do..
- [17:26:52] Daniel : Oh, but this was vast and cool...
- [17:27:26] Daniel : But... I was a victim of my own philosophy.
- [17:27:46] Perdy- Congratulations! You made it! : ...
- [17:29:03] Daniel : I wrote you.
- [17:29:03] Perdy- Congratulations! You made it! : I saw the phantom of the opera the other day you know? My mother called me down to watch it with her, was the first movie, the one based on the book rather than the current one, had a blonde christine and everything!
- [17:30:12] Daniel : I actually wrote you quite a bit...
- [17:30:19] Daniel : but I didn't send those.
- [17:31:05] Daniel : As for Lon Chaney, he's cool.
- [17:31:35] Perdy- Congratulations! You made it! : I didn't miss you at all, why I spoke to you frequently.
- [17:31:46] Daniel : Funny that.
- [17:32:04] Daniel : And rather comforting, I think...
- [17:32:22] Perdy- Congratulations! You made it! : Heh, more so than I could realise.
- [17:32:36] Daniel : A fine intermission, all in all.
- [17:32:46] Daniel : Not too short, not too long.
- [17:32:57] Daniel : Six months... that would have been too long.
- [17:33:03] Perdy- Congratulations! You made it! : I doubt it.
- [17:33:16] Daniel : Well, there were some practical considerations.
- [17:33:27] Daniel : Like I didn't actually know what your address would be in six months.
- [17:33:42] Daniel : Which would make the cool scheme more challenging.
- [17:34:04] Daniel : Although, the timing is rather perfect... just in time for Carnevale...
- [17:34:12] Perdy- Congratulations! You made it! : Would of been all the more fun to avoid you.
- [17:34:13] Daniel : Masquerade and all. Yes, it was a beautiful scheme.
- [17:34:25] Daniel : I even made a remarkable discovery.
- [17:34:32] Daniel : That I sorta want to keep a secret.
- [17:34:41] Daniel : But, well, I'm not really good at keeping secrets.

[17:34:46] Daniel : Well, maybe this one...

[17:34:49] Daniel : Okay, nevermind.

[17:34:57] Perdy- Congratulations! You made it! : hm?

[17:35:34] Daniel : When you visit me... then I will tell you.

[17:35:43] Perdy- Congratulations! You made it! : Please do, keep it a secret by all means.

[17:35:55] Daniel : It is kept.

[17:36:07] Daniel : You didn't suffer at all?

[17:36:11] Perdy- Congratulations! You made it! : I am happy to say it will remain so, if that is the case.

[17:36:26] Daniel : Because you will never visit me is your implication?

[17:36:53] Perdy- Congratulations! You made it! : No, I must admit I was oddly happy, whisked as it were, days of verdi and beautiful discussion

[17:37:05] Daniel : Really?

[17:37:21] Daniel : Not preoccupied?

[17:37:29] Perdy- Congratulations! You made it! : Was it Verdi? No wait sorry..

[17:37:36] Perdy- Congratulations! You made it! : It was Pucinni

[17:37:43] Perdy- Congratulations! You made it! : Puccini* even

[17:37:54] Daniel : I am disappointed.

[17:38:03] Perdy- Congratulations! You made it! : *slaps her wrist, smiling.*

[17:38:06] Perdy- Congratulations! You made it! : I am not.

[17:38:16] Daniel : I had thought you would be sad and distraught.

[17:38:29] Perdy- Congratulations! You made it! : Why I was half waiting for you to admit you were him.

[17:38:32] Perdy- Congratulations! You made it! : Or vice versa

[17:38:39] Perdy- Congratulations! You made it! : perhaps I hope you still will..

[17:39:02] Daniel : I see... *rolls his eyes*

[17:39:18] Daniel : I considered such nonsense, but it seems the universe does a fine job for me...

[17:39:49] Perdy- Congratulations! You made it! : Wont you?

[17:39:49] Daniel : Well, I am pleased that you were happy without sadness.

[17:39:58] Perdy- Congratulations! You made it! : Wont you save me?

[17:40:03] Perdy- Congratulations! You made it! : From this hell?

[17:40:09] Daniel : It seems you do not need me...

[17:40:19] Perdy- Congratulations! You made it! : No apparently I do not..

[17:40:20] Daniel : You are happy and elated.

[17:40:55] Daniel : I thought you might be remorseful and suffering in hell.

[17:41:09] Perdy- Congratulations! You made it! : I was, and yet I was not.

[17:41:22] Daniel : I suppose the question is why not?

[17:41:26] Perdy- Congratulations! You made it! : It was a strange feeling, you were there, and yet you were not.

[17:41:38] Daniel : Is it because you enjoyed eating the demon poop?

[17:41:47] Daniel : Or because you knew I would call for you...

[17:42:10] Daniel : Incidentally, do you know what carnaval means?

[17:42:22] Daniel : How about this: carne -vale

[17:42:48] Perdy- Congratulations! You made it! : oh

[17:43:24] Perdy- Congratulations! You made it! : to take away eaten meat?

[17:44:48] Daniel : yes, giving up meat... for lent...

[17:45:25] Perdy- Congratulations! You made it! : And what of it?

[17:46:59] Daniel : just an interesting aside. nothing more.

[17:47:03] Daniel : not yet... ^^

[17:47:54] Perdy- Congratulations! You made it! : Well I have learnt one thing.

[17:47:59] Daniel : Yes?

[17:48:11] Perdy- Congratulations! You made it! : It is far from impossible to live without you.

[17:48:26] Daniel : How do you mean?

[17:49:04] Perdy- Congratulations! You made it! : I had rather thought it might be..

[17:49:17] Daniel : And you imagined that you have?

[17:49:35] Daniel : That these past four days were a good experiment of that?

[17:49:38] Perdy- Congratulations! You made it! : Or perhaps I simply wanted it to be so.

[17:50:08] Daniel : I would have ventured you might have concluded the contrary...

[17:52:21] Daniel : I am again rather disappointed.

[17:52:26] Daniel : Not in you...

[17:52:40] Daniel : Rather in my knowledge of you.

[17:52:58] Perdy- Congratulations! You made it! : Heart, we will forget him!

You and I, to-night!

You may forget the warmth he gave,

I will forget the light.

[17:53:31] Daniel : Perhaps you will get your chance to discover what living without me really is like...

[17:54:19] Daniel : If that is what you simply want.

[17:55:17] Daniel : I had hoped that the intermission might have clarified the waters between us.

[17:55:33] Perdy- Congratulations! You made it! : I can so easily, you mistake me sir.

[17:55:52] Daniel : My mistake.

[17:56:04] Perdy- Congratulations! You made it! : But you keep making it!

[17:56:11] Daniel : Do I?

[17:56:22] Daniel : Or do you?

[17:56:57] Daniel : Always opting for pride and spite over humility and love...

[17:57:15] Perdy- Congratulations! You made it! : I learnt a secret this week..

[17:57:15] Daniel : I should rather make my mistake.

[17:57:58] Daniel : I had rather imagined that you were creating in my absence.

[17:58:27] Perdy- Congratulations! You made it! : Your imagination amuses me

[17:58:49] Perdy- Congratulations! You made it! : When left to my own devices I do whatever I please.

[17:59:08] Daniel : I had imagined that Our Love pleased you.

[17:59:53] Daniel : I had imagined that you would please me.

[18:00:03] Perdy- Congratulations! You made it! : Very little pleases me.

[18:00:38] Daniel : Well, if this is what you have learned after so many days, then I think you should go back to being happy and elated.

[18:00:48] Perdy- Congratulations! You made it! : I think I should.

[18:01:15] Perdy- Congratulations! You made it! : I will not tell you what I think you should go and do..

[18:01:23] Perdy- Congratulations! You made it! : It is not within my nature.

[18:01:47] Daniel : It is entirely withing your nature.

[18:01:56] Perdy- Congratulations! You made it! : Tell me what else does interest you sir? Every man has a passion, what is yours?

[18:02:25] Perdy- Congratulations! You made it! : Well....What would you say is your favorite emotion?

[18:02:39] Perdy- Congratulations! You made it! : Mine is awe, if that gives insight to my passion..

[18:02:42] Daniel : I am sorry that I have wasted our time.

[18:02:52] Perdy- Congratulations! You made it! : Oh?

[18:02:57] Perdy- Congratulations! You made it! : Mine is sadness.

[18:03:08] Perdy- Congratulations! You made it! : inspiration is gained from many emotions...

[18:03:37] Perdy- Congratulations! You made it! : Hrm? Personal sorrow, sorrow for the world, sorrow for finiteness?

[18:04:24] Perdy- Congratulations! You made it! : Thereby you make a connection with it universe itself through a variety of emotion which is a rare rare thing..

[18:04:41] Perdy- Congratulations! You made it! : I believe you are correct Dan McShan!

[18:04:50] Perdy- Congratulations! You made it! : yes?

[18:04:54] Daniel : Sorrow and sadness do not interest me.

[18:04:57] Perdy- Congratulations! You made it! : I experience a connections to the universe

[18:05:07] Perdy- Congratulations! You made it! : Do you seek the universe sir?

[18:05:32] Perdy- Congratulations! You made it! : When awe obliterates what I previously thought was me, I know who I am and now I seek.

[18:05:43] Perdy- Congratulations! You made it! : More to the point, do you believe in "fate" ?

[18:05:59] Perdy- Congratulations! You made it! : Do you live for the coincidence that is so unbelievable that you know full well it cannot be a coincidence...That feeling, of...

[18:06:11] Perdy- Congratulations! You made it! : Hilbert: coincidence. hmmm, coincidence is in the flavor of a narrative.

[18:06:34] Perdy- Congratulations! You made it! : Dan: No awe is anti-narrative.

[18:06:48] Perdy- Congratulations! You made it! : Perdy: just the opposite I'm sure.

[18:06:57] Perdy- Congratulations! You made it! : Hilbert: awe destroys time, if just for a second..

[18:07:08] Perdy- Congratulations! You made it! : Perdy: coincidence after coincidence, why if only you knew how coincidental this conversation is!

[18:07:41] Perdy- Congratulations! You made it! : Hilbert: The relativity of time itself in comparison to another!

[18:07:54] Perdy- Congratulations! You made it! : Dan: Is another topic entirely...

[18:08:08] Perdy- Congratulations! You made it! : Hilbert: time and narrative give birth to one another.

[18:08:20] Perdy- Congratulations! You made it! : Perdy: Like naivety and innocence go hand in hand!

[18:08:27] Perdy- Congratulations! You made it! : Hilbert: Piaget

[18:08:46] Perdy- Congratulations! You made it! : Dan: do you know what happens when a star goes nova?

[18:09:24] Perdy- Congratulations! You made it! : Perdy: No do tell me Mr.Mcshan?

[18:09:39] Perdy- Congratulations! You made it! : Dan: when a star can no-longer sustain energy production, it collapses.

[18:09:57] Perdy- Congratulations! You made it! : bursts into laughter, almost doubling over in her chair. "Oh how alike you are!"

[18:10:08] Perdy- Congratulations! You made it! : Hilbert: but then explodes?

[18:10:23] Perdy- Congratulations! You made it! : Hilbert: in an instant, it then transforms into another form of mater itself.

[18:10:36] Perdy- Congratulations! You made it! : Perdy: which is?

[18:11:22] Perdy- Congratulations! You made it! : Dan: neutronium, or black hole etc.

[18:11:40] Perdy- Congratulations! You made it! : Hilbert: the star. Changes from, like from a gas to a liquid to a solid, etc.

[18:12:14] Perdy- Congratulations! You made it! : Perdy: *Unable to control her laughter.* Now, black holes...Tell me...Whatever goes in, does not come out?

[18:12:34] Perdy- Congratulations! You made it! : Hilbert: just a metaphor for transformation.

[18:12:48] Perdy- Congratulations! You made it! : Perdy: Well the current theory being that the information that goes in gets smeared across the event horizon?

[18:13:14] Perdy- Congratulations! You made it! : Hilbert: when the narrative can no longer sustain the weight of experience the awe causes a release of energy that transforms the object.

[18:13:31] Perdy- Congratulations! You made it! : Perdy: Awe is something else....Hmm I don't often get to experience it, but how delightful a feeling it is!

[18:13:49] Perdy- Congratulations! You made it! : Dan: yes, but you take the metaphor too far.

[18:14:15] Perdy- Congratulations! You made it! : Perdy: Oh I do apologize Mr.McShan, I have a habit of doing so!

[18:14:54] Perdy- Congratulations! You made it! : Dan: simply talking about a break in the normal narrative that release enormous energy, which is available to bbq and tofu and such.

[18:15:17] Perdy- Congratulations! You made it! : Perdy: I know how fond you are of tofu!

[18:16:01] Perdy- Congratulations! You made it! : Dan: Yes I rather am, I do not eat meat and the energy released connects with the whole universe too!

[18:16:38] Perdy- Congratulations! You made it! : Perdy: I think your idea is beautiful! I think your love of tofu is beautiful! And I think your niavety to your existance is the msot beautiful thing of all!

[18:16:53] Perdy- Congratulations! You made it! : Hilbert: It's the only analogy that is even close.

[18:17:13] Perdy- Congratulations! You made it! : Hilbert: my awe is now on the radar Dan!

[18:17:30] Perdy- Congratulations! You made it! : Perdy: I am glad that I have met you strangers!

[18:17:44] Perdy- Congratulations! You made it! : Perdy: I should, as strangers do, introduce myself.

[18:18:16] Perdy- Congratulations! You made it! : Hilbert: and you had a question about egypt for me and Dan?

[18:18:36] Perdy- Congratulations! You made it! : Perdy: What is your view on the culture, just give me your general view, i'm always interested to hear.

[18:18:50] Perdy- Congratulations! You made it! : Dan: hmmm, culture of Egypt?

[18:19:00] Perdy- Congratulations! You made it! : Hilbert: I know that it had one of the most long lived systems of writing in history.

[18:19:24] Perdy- Congratulations! You made it! : Dan: but also complicated Hilbert, and only partially phonetic.

[18:19:37] Perdy- Congratulations! You made it! : Hilbert: consistency wise anyway..

[18:19:59] Perdy- Congratulations! You made it! : Perdy: you know more than you let on..I swear it!

[18:20:20] Perdy- Congratulations! You made it! : Dan: beyond that, the three big pyramids appear to be aligned the intensity and position of the belt of Orion.

[18:20:36] Perdy- Congratulations! You made it! : Hilbert: so they like stars,, many people do.

[18:20:52] Perdy- Congratulations! You made it! : Perdy: Oh yes, well

everyone says that, nor do I doubt it but yes, quite, many people do.

[18:22:17] Perdy- Congratulations! You made it! : Perdy: Now tell me of other countries, of modern times, poor England was so impressive, the country really has become..nothing

[18:22:22] Perdy- Congratulations! You made it! : Dan: If I was a smart , king I'd get happy friendly with Brazil.

[18:22:56] Perdy- Congratulations! You made it! : Perdy: Like Egypt, and the great Roman empire...Oh well of course you would! One of your best friends is there!

[18:23:28] Perdy- Congratulations! You made it! : Dan: but this is some results of following the ideas of Gaia hypothesis..Oh how did you know I had a friend in Brazil?

[18:23:44] Perdy- Congratulations! You made it! : Hilbert: you are in England

[18:23:56] Perdy- Congratulations! You made it! : Perdy: Oh I know many things, and yes, England, correct.

[18:24:38] Perdy- Congratulations! You made it! : Perdy: and what of corruption in the modern world?

[18:24:44] Perdy- Congratulations! You made it! : Hilbert: corruption is tricky and everywhere. but are problems getting solved faster than they are being created.?

[18:24:50] Perdy- Congratulations! You made it! : Hilbert: that is the rub.

[18:25:06] Perdy- Congratulations! You made it! : Hilbert: how do you protect the most people, for the longest time?

[18:25:22] Perdy- Congratulations! You made it! : Perdy: It is a sorry state, I am tempted to say "C'est la vie." But if I stop there and force myself to be oblivious to the problems, does that make me any better than the rest? If we all turn away and try to be oblivious (ignorance is bliss they say)

[18:25:39] Perdy- Congratulations! You made it! : Dan: what do you care about the most?

[18:26:01] Perdy- Congratulations! You made it! : Dan: when you answer these things will be clearer.

[18:26:16] Perdy- Congratulations! You made it! : Perdy: I care about myself the most, for we are all somewhat to an extent selfish, once one can admit that then you can go on to do better things yet still be aware of it.

[18:26:27] Perdy- Congratulations! You made it! : Dan: would you die for anything.?

[18:26:41] Perdy- Congratulations! You made it! : Hilbert: yes the last human, would you die?

[18:27:02] Perdy- Congratulations! You made it! : Hilbert: the last copy

of your favorite opera, would you die?

[18:27:23] Perdy- Congratulations! You made it! : Perdy: Listen you two, If I were to die for something, i'm sure it would be in some way beneficial to myself!

[18:27:35] Perdy- Congratulations! You made it! : Hilbert: the last human, would you die?

[18:27:48] Perdy- Congratulations! You made it! : Perdy: for example, if I had a child, I would most likely die for it, but purely in order to save my own gene line, if you see?

[18:28:00] Perdy- Congratulations! You made it! : Dan: your child.

[18:28:06] Perdy- Congratulations! You made it! : Hilbert: hmmm, selfish, genes, and selfish memes.

[18:28:22] Perdy- Congratulations! You made it! : Hilbert: like Christianity and Islam

[18:28:45] Perdy- Congratulations! You made it! : Perdy: I would also die for a man I love's child, despite it not being my own, I have no idea why I just said that...

[18:28:56] Perdy- Congratulations! You made it! : blushes slightly and smiles despite herself.

[18:29:03] Perdy- Congratulations! You made it! : Dan: keep adding to the list, my dear

[18:29:16] Perdy- Congratulations! You made it! : Perdy: I would die for little else, I assure you, as cruel as it sounds...

[18:29:25] Perdy- Congratulations! You made it! : Hilbert: honesty is the best policy.

[18:29:33] Perdy- Congratulations! You made it! : Hilbert: no way to fault honesty.

[18:30:05] Perdy- Congratulations! You made it! : Hilbert: Would you die for the last firefile? There must me something else you'd die for aside another man's child..#

[18:30:18] Perdy- Congratulations! You made it! : Perdy:Here....I know

[18:30:27] Perdy- Congratulations! You made it! : Perdy: One other thing I would die for...

[18:30:38] Perdy- Congratulations! You made it! : Perdy: I would die to save the last poem...

[18:30:49] Perdy- Congratulations! You made it! : Hilbert: you are a dancer?

[18:31:07] Perdy- Congratulations! You made it! : Perdy: I was not aware I told you this?

[18:31:14] Perdy- Congratulations! You made it! : Hilbert: Tell me why

you dance?

[18:31:25] Perdy- Congratulations! You made it! : Perdy: I am I dancer because..

[18:31:40] Perdy- Congratulations! You made it! : Perdy: Well because I enjoy the feeling of reaching a state of grace in perfection, dancing is a very...hm

[18:31:55] Perdy- Congratulations! You made it! : Dan: transcendent..

[18:32:12] Perdy- Congratulations! You made it! : Hilbert: more human than human as human.

[18:32:26] Perdy- Congratulations! You made it! : Perdy: same with singing...Or when I play my harp in the darkness

[18:32:40] Perdy- Congratulations! You made it! : Dan: when I see a great dancer or singer, it makes every human being greater.

[18:32:59] Perdy- Congratulations! You made it! : Perdy: You know... I think that I might die for the last flower..I find them more beautiful and worthy of life.

[18:33:23] Perdy- Congratulations! You made it! : Hilbert: it elevates the whole race, every race, and every species that feeds that species, every cow and chicken and grain of wheat.

[18:33:35] Perdy- Congratulations! You made it! : Hilbert: a radiance that spreads to every cause and effect

[18:33:51] Perdy- Congratulations! You made it! : Perdy: you are fond of animals? It would seem?

[18:34:07] Perdy- Congratulations! You made it! : Dan: was Leonardo a vegetarian?

[18:34:19] Perdy- Congratulations! You made it! : Perdy: I enjoy meat..

[18:34:52] Perdy- Congratulations! You made it! : Dan: I do not eat meat or wear animal related products but I could be stricter. But I do what I can

[18:35:22] Perdy- Congratulations! You made it! : Dan: people are poetry, are animals and the stars

[18:35:40] Perdy- Congratulations! You made it! : Perdy: But Mr.McShan when you consume an animal, you are consuming it for it's energy which is broken down, everything is about energy really....It can be given or taken, used to exerted.

[18:35:53] Perdy- Congratulations! You made it! : Hilbert: and I would like for quality life to be sustained with the least suffering on the part of the greatest number of beings.

[18:36:12] Perdy- Congratulations! You made it! : Perdy: Hilbert...suffering..Is human, to wish for it at the least is a selfish thing to say believe it or not, a balance is needed in order to sustain nature

[18:36:23] Perdy- Congratulations! You made it! : Hilbert: I'm concerned about the quality of its life

[18:36:30] Perdy- Congratulations! You made it! : Hilbert: as I am, mine and other people's

[18:36:42] Perdy- Congratulations! You made it! : Perdy: quality is poor, you are right to be concerned, but it varies greatly, people must suffer, for without chaos there is not order

[18:36:56] Perdy- Congratulations! You made it! : Hilbert: hmm, suffering is a tricky thing.

[18:37:05] Perdy- Congratulations! You made it! : Dan: Isn't it just?

[18:37:24] Perdy- Congratulations! You made it! : Hilbert: different people may suffer in different ways,

[18:37:42] Perdy- Congratulations! You made it! : Perdy: And now gentlemen, the vital point. To appreciate happiness, one must appreciate suffering.

[18:37:55] Perdy- Congratulations! You made it! : Perdy: If one were to eradicate suffering, no one would appreciate happiness..

[18:38:11] Perdy- Congratulations! You made it! : Perdy: those moments where you think "God i'm so lucky to be where I am." Those moments can only exist through your awareness of other peoples suffering.

[18:38:32] Perdy- Congratulations! You made it! : Hilbert: the whole idea of choice, and role, and selfish memes and genes running around trying to get your attention.

[18:38:52] Perdy- Congratulations! You made it! : Dan: one man's stimulant is another woman's sedative

[18:39:12] Perdy- Congratulations! You made it! : Perdy: Very well said, best thing i've heard all day!

[18:39:27] Perdy- Congratulations! You made it! : Hilbert: the genes make new mental structures, which mix with chemicals from the environment and language from the environment

[18:39:49] Perdy- Congratulations! You made it! : Dan: we talked all night.

[18:39:58] Perdy- Congratulations! You made it! : Perdy: So we did!

[18:40:07] Perdy- Congratulations! You made it! : Hilbert: the sun she rises.

[18:40:18] Perdy- Congratulations! You made it! : Perdy: I think it is beautiful!

[18:40:33] Perdy- Congratulations! You made it! : Perdy: I do not often spend an entire night talking with strangers..

[18:40:54] Perdy- Congratulations! You made it! : Hilbert: minimal suf-

fering, of everyone who is not blonde, see how the line can be drawn anywhere!

[18:41:16] Perdy- Congratulations! You made it! : Perdy: People have tried to find that balance for thousands of years...Wait, what did you say!? BLONDE!? I AM BLONDE!

[18:41:43] Perdy- Congratulations! You made it! : Perdy: You know there are very few real blondes left! I am of a dying race, in 200 years there will be no real blondes left!!!!

[18:42:03] Perdy- Congratulations! You made it! : Dan: try 50 years.

[18:42:13] Perdy- Congratulations! You made it! : Perdy: 50!!?

[18:42:30] Perdy- Congratulations! You made it! : Hilbert: attached to some form of self, would you let someone die to change 50 years for blondes?

[18:43:17] Perdy- Congratulations! You made it! : Dan: ~Sarcasm~ an interesting question Hilbert.

[18:43:35] Perdy- Congratulations! You made it! : Hilbert: I am concerned about humanity, both of you are clearly not.

[18:44:09] Perdy- Congratulations! You made it! : Hilbert: creativity will always win in the long run in dominance

[18:44:25] Perdy- Congratulations! You made it! : Dan: the uncreative will follow, you know?

[18:44:52] Perdy- Congratulations! You made it! : Perdy: Hardly matters anyway...The whole thing...means..

[18:45:21] Perdy- Congratulations! You made it! : Dan: actually I hate to tell you this my dear but, matters quite a bit to me, what you think.

[18:45:39] Perdy- Congratulations! You made it! : Perdy: it is a picture of raw human nature..

[18:46:05] Perdy- Congratulations! You made it! : Hilbert: you will have trust until you don't need it anymore.

[18:46:33] Perdy- Congratulations! You made it! : Hilbert: And by the way Perdy, coincidences are for people lacking in aesthetics.

[18:46:47] Perdy- Congratulations! You made it! : Dan: I like blue.

[18:47:03] Perdy- Congratulations! You made it! : Perdy: oh yes? haha the coincidences, the coincidences!!

[18:47:38] Perdy- Congratulations! You made it! : Perdy: I must admit, i've had a wonderful evening talking with you both!

[18:47:46] Perdy- Congratulations! You made it! : Hilbert: me too

[18:47:56] Perdy- Congratulations! You made it! : Dan: you are quite a being.

[18:48:12] Perdy- Congratulations! You made it! : Perdy: You are too

kind..Both of you!

[18:48:24] Perdy- Congratulations! You made it! : Perdy: I do believe we drank all this whisky! And now I think I will bid you a goodnight from London, where it is 1:15 am!

[18:48:47] Perdy- Congratulations! You made it! : Dan: well I like Hilbert normally don't like blondes but I make an exception in your case my dear...

[18:49:00] Perdy- Congratulations! You made it! : Perdy: !!! shocking

[18:49:22] Perdy- Congratulations! You made it! : Hilbert: well, yes, actually, it is shocking, YOU are shocking and now I am off to a meeting, goodnight to the both of you.

[18:49:51] Perdy- Congratulations! You made it! : Dan: And now that we are alone, a parting greeting: happy wind chimes with gentle winds..

[18:50:18] Perdy- Congratulations! You made it! : Perdy: Goodnight...Stranger.

[18:50:53] Perdy- Congratulations! You made it! : And so you see, I have been blissfully unaware that I was talking to you the entire week.

[18:51:17] Daniel : And from that you conclude that it is far from impossible to live without me?

[18:51:46] Perdy- Congratulations! You made it! : Yes, because I just, well you seem to be everywhere, I don't actually need "you" as such

[18:52:19] Daniel : Hm?

[18:52:30] Perdy- Congratulations! You made it! : admit it was you!

[18:52:50] Daniel : I have ignored you for days.

[18:53:11] Daniel : Sunday was my 12th wedding anniversary.

[18:53:36] Perdy- Congratulations! You made it! : oh? It was..My parents also! Only their, 27th or something

[18:54:30] Daniel : Well, I am happy that you don't actually need "me" as such.

[18:54:41] Perdy- Congratulations! You made it! : *smiles.*

[18:55:16] Daniel : I did not encounter anyone like you at all.

[18:55:30] Daniel : I simply spent four days without you.

[18:56:07] Perdy- Congratulations! You made it! : oh dear, the person must of thought I was mad

[18:56:32] Daniel : or just blonde.

[18:56:47] Perdy- Congratulations! You made it! :50 years indeed

[18:57:19] Daniel : I think you are rather mad AND blonde, myself.

[18:57:36] Perdy- Congratulations! You made it! : I have decided that I will have a child you know? But it will be with a blonde man, purely for genetic reasons.

[18:57:46] Daniel : And have a unique ability to not be honest when you should.

[18:58:16] Perdy- Congratulations! You made it! : !
 [18:58:20] Daniel : ...honest with yourself.
 [18:58:34] Perdy- Congratulations! You made it! : You just dislike my truth!
 [18:58:46] Daniel : Yes, I rather do.
 [18:59:01] Perdy- Congratulations! You made it! : *Smiles.*
 [18:59:03] Daniel : It is very unattractive.
 [18:59:12] Perdy- Congratulations! You made it! : *Smiles further* yes?
 [18:59:57] Daniel : Did you imagine for a moment that I would like it?
 [19:00:00] Daniel : Or even believe it?
 [19:00:57] Perdy- Congratulations! You made it! : believe!
 [19:01:03] Perdy- Congratulations! You made it! : How can you not believe the truth!?
 [19:02:00] Daniel : Do you want me to?
 [19:02:29] Daniel : Or do you want faith?
 [19:02:57] Daniel : Truth is, I can go either way...
 [19:03:10] Daniel : Each way presents and interesting challenge...
 [19:03:17] Daniel : with limits and obstacles of its own.
 [19:03:48] Perdy- Congratulations! You made it! : Are you not gone yet?
 [19:04:00] Daniel : I was never here.
 [19:04:11] Perdy- Congratulations! You made it! : *Waves her hand dismissively.* Then stop.

[19:09:19] Daniel : Would you like to read an email that I didn't send you?
 [19:09:35] Perdy- Congratulations! You made it! : Not really.
 [19:09:57] Daniel : ...
 [19:10:12] Daniel : You understand.
 [19:10:15] Perdy- Congratulations! You made it! : ...
 [19:10:25] Daniel : The consequences of your actions.
 [19:10:35] Perdy- Congratulations! You made it! : I know what will come of it.
 [19:10:56] Daniel : And you are happy with that?
 [19:11:14] Perdy- Congratulations! You made it! : Terrible...Terrible things
 [19:11:50] Perdy- Congratulations! You made it! : Unimaginable loss like no other.
 [19:11:57] Daniel : You do not imagine that you are worth saving?
 [19:12:17] Perdy- Congratulations! You made it! : Oh I know it well, and I care not for it, or anything, not really.

- [19:12:41] Daniel : That I should just leave you here, to wallow.
- [19:13:01] Daniel : To eat and drink filth... this is your destiny?
- [19:13:18] Daniel : Forever is still a long time.
- [19:13:25] Perdy- Congratulations! You made it! : I am quite happy in my wallowing, it pleases me on a level you could never understand, others will attempt to pick me up from it, and i'll stand, when i'm ready, not when others pick me up
- [19:13:40] Perdy- Congratulations! You made it! : So please, go, and be happy.
- [19:13:41] Daniel : I could not pick you up if you tried.
- [19:13:48] Daniel : if I tried.
- [19:13:55] Daniel : I will go and be happy.
- [19:14:02] Daniel : You are miserable and pathetic.
- [19:14:14] Daniel : And I fear that you always will be.
- [19:14:21] Perdy- Congratulations! You made it! : Fear what you like..
- [19:14:31] Daniel : Such a witty retort...
- [19:14:41] Daniel : You have given me little to regret or even miss.
- [19:14:47] Perdy- Congratulations! You made it! : For it is fear that sustains us....Fear does feed the weak
- [19:14:53] Perdy- Congratulations! You made it! : so if you wish to fear, do so.
- [19:15:06] Perdy- Congratulations! You made it! : That was the plan, no regrets..
- [19:15:08] Daniel : It is not I who fear... just an expression.
- [19:15:19] Daniel : You are ugly and weak like that.
- [19:15:28] Perdy- Congratulations! You made it! : *Smiles.* Keep it coming.
- [19:15:43] Daniel : That's all.
- [19:15:53] Perdy- Congratulations! You made it! : wonderful
- [19:16:02] Daniel : I do not pity you.
- [19:16:06] Daniel : For you are conscious.
- [19:16:11] Daniel : And you will suffer greatly.
- [19:16:17] Daniel : Because you know it was your choice.
- [19:16:27] Perdy- Congratulations! You made it! : I will also rise from it.
- [19:16:28] Daniel : It was your will to be where you are.
- [19:16:32] Daniel : You will not rise.
- [19:16:33] Perdy- Congratulations! You made it! : There are others.
- [19:16:35] Daniel : Do you know why?
- [19:16:47] Perdy- Congratulations! You made it! : Because you would like it to be that way.

[You have closed the window on 08 Aug 2006 19:16:49]

[Conversation started on 08 Aug 2006 19:37:46]

[19:37:46] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Oh yes and I almost forgot! Sleep well when you do, and dream of people who will dream for you, and that is said in a most true and non bitter manner.

[20:01:31] Daniel : You imagine that I need or want people to dream for me?

[20:01:38] Daniel : That is almost comical.

[20:01:43] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : ...

[20:02:20] Daniel : But shows that you no longer know me at all...

[20:02:36] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : yes..

[20:02:57] Daniel : But I suspect that you never really did...

[20:03:12] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I am glad that you see it..

[20:03:27] Daniel : Which is a shame...

[20:03:43] Daniel : For I am uniquely the one person in the universe that you should know.

[20:04:27] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I do not know anyone, not really.

[20:04:29] Daniel : And, of course, you know that.

[20:04:38] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I have no need to..

[20:04:45] Daniel : You do not know anyone, and you never shall.

[20:05:18] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Looks at him.*

[20:05:24] Daniel : *looks at her*

[20:05:32] Daniel : You coming with me or not?

[20:05:35] Daniel : It's hot down here...

[20:06:40] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : i'm coming, you can go ahead, i'll catch up *Smiles.*

[20:06:56] Daniel : cool

[20:11:02] Daniel : *looks back over his shoulder*

[20:11:21] Daniel : wipe that poop off your face before you do...

[20:11:25] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. :

[20:11:30] Daniel : oh... and brush your teeth already.

[20:11:33] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Throws it at him.*

[20:12:15] Daniel : *shakes his head and mutters* God, this place is disgusting, someone should write a spell or something...

[20:13:13] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Decides to sit on his shoulders through laziness.* you can do the driving..

[20:13:41] Daniel : *looks at the shit eating bird* as if...

[20:14:30] Daniel : I just cleaned up a dead skunk... odd, you know, it didn't stink nearly as bad as you...

[20:14:42] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *In shock.*

[20:15:00] Daniel : *looks annoyed at having to trudge through filth to find his soul... again*

[20:15:08] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Clamps onto his ear, drawing blood.*

[20:15:57] Daniel : Asks a passing demon for a glass of urine and sterilizes his ear.

[20:16:21] Daniel : *Pours the rest over his soul*

[20:17:00] Daniel : I will never understand how you can drink this stuff...

[20:17:34] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Shakes her feathers, covering him in it.*

[20:17:39] Daniel : Even with a fancy Stella Artois label...

[20:17:45] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !!!

[20:18:10] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : so you've been reading my journal!? * Puffs up her feathers angrily.*

[20:18:34] Daniel : What did you imagine, love?

[20:18:54] Daniel : That I am heartless and lack compassion?

[20:19:00] Daniel : I'm afraid you stole that mask... :P

[20:19:50] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : You can share masks, you know?

[20:19:59] Daniel : You know that I love you very much...

[20:20:06] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Believe it or not I do not lock my persona cupboard..

[20:20:27] Daniel : Really, so complete strangers can just rifle through your selves?

[20:20:41] Daniel : How wonderful!

[20:21:40] Perdy- Ruled by secrecy. - There is no inability sweeter than

your own. : well, most people don't realise they are personas..

[20:21:51] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : how can you rifle through something you do not know exists?

[20:22:01] Daniel : No, I dare say that nobody does...

[20:22:18] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *beams with pride.*

[20:22:21] Daniel : Except those enlightened types, but they pretty much keep it to themselves, don't they?

[20:23:01] Daniel : Because, well, they are great actors and actresses, aren't they?

[20:23:09] Daniel : Anything less would be so unprofessional...

[20:23:21] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : quite!

[20:23:44] Daniel : Like shouting out in the middle of the play to the teary eyed woman in the first row... "It's okay, love, I'm not *really* going to die"

[20:24:03] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I sometimes wish actors did do that

[20:24:10] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : that* Would be rather...Poetic

[20:24:10] Daniel : We can!

[20:24:22] Daniel : I think it would be rather cool, actually...

[20:24:46] Daniel : But I somewhat doubt that the teary eyed woman in the first row would much appreciate the attention.

[20:24:58] Daniel : She might even be rather humiliated.

[20:25:06] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : "we"? *Looks at him.* there you go with that "we" thing again

[20:25:31] Daniel : *takes off his mask*

[20:25:40] Daniel : *they smile*

[20:26:17] Daniel : well, it might be a sort-of royal we... :)

[20:26:25] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : oh my god!

[20:26:27] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : the story!

[20:26:34] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *falls off her chair*

[20:26:50] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I did do something!!

[20:26:54] Perdy- Ruled by secrecy. - There is no inability sweeter than

your own. : I did something!!

[20:27:04] Daniel : *looks quite shocked*

[20:27:18] Daniel : You mean you weren't miserable and pathetic?

[20:27:23] Daniel : Why...

[20:27:26] Daniel : shocking!

[20:27:27] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : And I completely forgot about it! Wait here!!

[20:27:57] Daniel : *sits upon an evil looking toadstool and waits*

[20:29:16] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : wow

[20:29:28] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I wrote a 7 page long story!

[20:29:34] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : which I actually forgot about

[20:29:41] Daniel : Imagine that...

[20:30:04] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I think it was because I was busy looking after my brothers girlfriend before she left

[20:30:25] Daniel : Did you take her to Camden?

[20:30:28] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Sits and quietly opens the book.*

[20:30:38] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I did, she was most impressed

[20:30:58] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : ok

[20:31:01] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : are you ready to hear this?

[20:31:12] Daniel : You have my attention.

[20:31:15] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : oh

[20:31:16] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : wait!

[20:32:08] Daniel : *grabs a bottle of Hefe*

[20:37:35] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : There was a man named Verdade, and a girl named Beleza...

[20:37:56] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : They fell in love, to fell is to fall as to need is to ?

[20:38:23] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Yes they fell long ago, there was no jumping involved despite popular belief

[20:38:37] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Verdade wanted truth and beauty.

[20:38:48] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Beleza wanted Pot roast.

[20:39:09] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : What Verdade didn't know was that pot roast stood for many things..

[20:40:37] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Perfection. Oneiric. Truth Reality. Originality. Amazement. Sex .Trust

[20:41:08] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : And so each time Verdade insulted this, he insulted what she dreamed of without knowing.

[20:41:54] Daniel : *thinks he has never heard "Oneiric" used in a sentence so close to "pot roast", and doubts anyone else has either*

[20:42:10] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : He would never quite know how much she smiled when he addressed her as "pot roast girl." she she represented in this name all the things he yearned.

[20:42:40] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Beleza tried everything she could to destroy their love, for she was a spiteful creature.

[20:43:17] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : And yet it was the most unpredictable love known to man, the strongest and yet the weakest.

[20:43:44] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Months rolled by and still they remained terminally in love.

[20:44:15] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : One day Beleza was plotting once more how to destroy her love with Verdade.

[20:44:56] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : She decided to rid herself of him she would cut off her own hand. However Verdade quickly sewed it back on.

[20:46:09] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Everytime that she said "I hate you." Beleza was really saying "I hate that I am so in love with you." And Verdade would simply reply with a smile "I know."

[20:47:24] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : The girl Beleza wanted to be in love more than anything, it also so happened that she didn't want to be in love more than anything

also. One day she would kiss him and the next she would stab him, but being immortal Verdade was unaffected.

[20:49:02] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Beleza grew tired of her own games, and he grew even more tired of hers, Verdade could not understand how any mortal woman could become lost so easily, she would openly throw herself into rivers while they were trying to picnic, attempt to throw herself off bridges while they kissed.

[20:49:56] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : But luckily for Beleza she was found as easily as she was lost. Verdade would often sigh as he pulled the half drowned girl out the river, or laugh as he watched her try to drown herself in the shallow end.

[20:50:51] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Beleza started to forget her previous mortal life in the company of Verdade, and it scared her. But somehow she wanted to forget...In order to remember something else.

[20:51:48] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : People would often tell her she was her own person. But "Which person?" She often wondered, were they exactly referring to?

[20:52:25] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Either was she was a collection of personas, her best mask so glued that even she could not remove it.

[20:52:58] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : "Own person?" She thought, the problem being she was not her own person at all, she was part of someone else.

[20:53:58] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : One day Verdade grew tired of her persona's and ripped away several of her masks until the glued one remained, he then handed her a mirror.

[20:54:55] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : She saw a perfect reflection of herself in the mirror, the glued mask in all it's beauty. Verdade then started to try and pull the glued mask from her face as best he could for her to see what was really behind it.

[20:57:10] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : But the mask having been glued there for so long refused to move, but Beleza did not need to see behind the mask for in the mirror she saw it, standing behind her was Verdade, and she knew then that this was what was behind the mask. Verdade meaning "truth" and Beleza meaning "beauty" Verdade was the truth behind the beauty, and for the twist of the tale it was truth and beauty that Verdade sought

[20:57:53] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : They then did not say a word, he knew that she knew and always had, and at that moment the no two people in the universe had ever been so in love, for it is so easy to love yourself..

[20:57:57] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : the end ^^

[20:58:19] Daniel : marry me.

[20:58:22] Daniel : or don't.

[20:58:24] Daniel : hardly matters.

[20:59:09] Daniel : pot roast, huh?

[20:59:41] Daniel : *considers this for a while*

[21:00:14] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *grins*

[21:00:21] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : you don't want to know what tweety meant

[21:00:50] Daniel : you clearly have an esoteric symbolic scheme...

[21:00:54] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Will you entertain my pot roast dream?

[21:01:19] Daniel : the oneiric pot roast ideal?

[21:01:52] Daniel : the... mystical pot roast of perfect knowing?

[21:02:12] Daniel : the... One True Pot Roast?

[21:02:16] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : What is your understanding of the term "Oneiric?"

[21:02:26] Daniel : dream like

[21:02:38] Daniel : do you have another *is slightly afraid*

[21:03:05] Daniel : you don't... eat it, do you?

[21:03:40] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : ...

[21:03:49] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Looks for something to throw at him.*

[21:04:03] Daniel : No! Not the pot roast!

[21:04:09] Daniel : *phew* but a dream

[21:04:28] Daniel : Will I entertain your pot roast dream...?

[21:04:40] Daniel : I find it entertaining... does that count?

[21:04:47] Daniel : ...

[21:05:17] Daniel : Seriously, though I make light of it, I do know and understand your pot roast.

[21:05:37] Daniel : I always have, you know?

[21:05:48] Daniel : It is... slightly funny, though.

[21:06:21] Daniel : I have a pot roast dream as well, did you know?

- [21:06:42] Daniel : But I hide it from you...
- [21:08:47] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !?
- [21:08:54] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : You have had a port roast dream!?
- [21:09:00] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *stares, with stars in her eyes.*
- [21:09:11] Daniel : It involves Christmas.
- [21:09:16] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !!!
- [21:09:22] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *almost passes out.*
- [21:09:25] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : it does?!
- [21:09:29] Daniel : And a really big table.
- [21:09:31] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !!!
- [21:09:33] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Mine does too!
- [21:09:39] Daniel : Everyone is there...
- [21:09:44] Daniel : I mean a REALLY big table.
- [21:09:51] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : yeah!!
- [21:10:07] Daniel : Like in a big Viking feast hall sorta table
- [21:10:48] Daniel : And the whole hall is decorated in that Germanic/Northern christmas sorta way
- [21:11:02] Daniel : With an enormous tree, and piles of presents.
- [21:11:34] Daniel : Everyone we know, our family and friends... all there.
- [21:11:51] Daniel : A huge fire... just like in this lodge in Keystone...
- [21:12:00] Daniel : almost unruly large fire...
- [21:12:13] Daniel : In fact, it might actually be that very dining hall... curious...
- [21:12:34] Daniel : And everyone is getting along and being merry.
- [21:12:49] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Smiles and listens.*
- [21:13:08] Daniel : And if you looked in, you might wonder what they are celebrating...
- [21:13:18] Daniel : It's snowing lightly outside
- [21:13:36] Daniel : The moon is out and it's bright and cheerful through the frozen windows

[21:13:45] Daniel : A clear night - very col
 [21:13:46] Daniel : cold
 [21:13:59] Daniel : Inside it is warm and cozy (despite becing vast)
 [21:14:23] Daniel : I am sitting at the head of the table, by the fire...
 [21:14:30] Daniel : I have a goblet(!) of wine...
 [21:14:34] Daniel : er, mead...
 [21:14:41] Daniel : it's red, though.
 [21:14:48] Daniel : And then...
 [21:14:49] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *giggles*
 [21:15:07] Daniel : I look at this assortment of people who know us
 [21:15:14] Daniel : Who now know each other.
 [21:15:25] Daniel : And then you come in...
 [21:15:49] Daniel : Your hair is a bit messy
 [21:15:54] Daniel : You even look a bit tired
 [21:16:00] Daniel : But you are smiling
 [21:16:06] Daniel : Not at me or our guests
 [21:16:31] Daniel : But at the swaddled baby that you are holding in your arms.
 [21:16:43] Daniel : And I cry a little...
 [21:16:45] Daniel : ...
 [21:16:50] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. :
 [21:16:52] Daniel : I guess there really isn't any pot roast.
 [21:17:06] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I thought you were going to say...
 [21:17:16] Daniel : That you were carrying pot roast?
 [21:17:20] Daniel : Oh dear...
 [21:17:25] Daniel : Our poor child...
 [21:17:33] Daniel : Such a stigma...
 [21:17:40] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : "But your smiling, not at me, or our guets, but at the pot roast you made, sitting in the middle of the table.*
 [21:18:15] Daniel : When she is 15 and starting to date, her date comes over to pick her up, "So, young man, where will you be taking our little pot roast tonight?"
 [21:19:07] Daniel : You think you've got it bad being a replacement for your sister... just imagine being a replacement for a pot roast
 [21:19:22] Daniel : There are turkey legs, in my dream, though....
 [21:19:35] Daniel : I dont really know why.

[21:19:40] Daniel : Ambiance, I suppose.

[21:20:09] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Hugs him tightly.*

[21:20:18] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Kisses his cheek.*

[21:20:51] Daniel : I...

[21:21:01] Daniel : I'm a little concerned that pot roast means sex.

[21:21:21] Daniel : Is a bit... gynophagic?

[21:22:06] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. :

[21:22:21] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Lets go of him.*

[21:22:40] Daniel : How can pot roast mean so much?

[21:22:57] Daniel : Have you ever actually had pot roast?

[21:23:24] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *looks in horror.*

[21:23:32] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : you don't understand me at all!

[21:23:42] Daniel : hehe

[21:24:17] Daniel : I do, however, completely understand the dream...

[21:24:40] Daniel : And I will do everything in my power to realize it.

[21:25:03] Daniel : It is a nostalgic ambiance...

[21:25:40] Daniel : I am not much for nostalgia as such, which is okay, because I think it is nostalgic for something we've never actually had.

[21:29:05] Daniel : My dream is more of a Charles Dickens meets Viking Great Hall

[21:30:02] Daniel : I no longer have your attention.

[21:30:45] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : how wise you are!

[21:31:08] Daniel : wise *he asks cautiously*

[21:31:14] Daniel : ?

[21:32:32] Daniel : Right, I'm off... sleep well.

[You have closed the window on 08 Aug 2006 21:32:35]

[Conversation started on 08 Aug 2006 21:33:24]

[21:33:24] Daniel : A rather pathetic ending for an otherwise interesting day...

[21:34:16] Daniel : Well, good luck with whomever has stolen you from me...

[You have closed the window on 08 Aug 2006 21:34:19]

[Conversation started on 08 Aug 2006 21:35:44]

[21:35:44] Daniel : *sneaks back in to steal her back*

[21:35:48] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !

[21:36:01] Daniel : Again with the poop eating?

[21:36:08] Daniel : When will you ever learn...

[21:36:09] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I swear there is some rule against stealing

[21:36:10] Daniel : :P

[21:37:09] Daniel : Say...

[21:37:18] Daniel : When you make me pot roast...

[21:37:32] Daniel : can we leave the demons somewhere else?

[21:37:44] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : demons?

[21:37:52] Daniel : I shouldn't think that feces and urine go well with pot roast...

[21:38:13] Daniel : Yes, these distracting demons who want you to eat their poop...

[21:39:00] Daniel : Think I will always need be wareful of feces demi-glaze?

[21:39:17] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : heh

[21:39:30] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I think they will vanish

[21:39:37] Daniel : Folks will wonder why instead of grace I'm always talking about how I will NOT eat feces...

[21:39:45] Daniel : because, you know, I doubly detest it.

[21:40:10] Daniel : I suspect they will vanish only when you stop looking for them :)

[21:40:27] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : ..looking?

[21:40:31] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : tell me how I look?

[21:40:57] Daniel : How should I know... it's none of my business, remember?

[21:41:39] Daniel : I just find you eating their poop... ;-)

[21:41:54] Daniel : I don't have any idea how you got there.

[21:42:36] Daniel : You so often end up here, I can only assume you solicit the attention.

[21:42:48] Perdy- Ruled by secrecy. - There is no inability sweeter than

your own. : *yawns sleepily and crawls into his lap.*

[21:42:58] Daniel : *pets her head*

[21:43:30] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : so have you gotten my present yet?

[21:43:30] Daniel : I am happy you are here.

[21:43:35] Daniel : Nope, not yet.

[21:43:44] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : hrm

[21:43:54] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I assume it will come soon

[21:44:06] Daniel : Probably tomorrow...

[21:44:26] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *smiles.*

[21:44:29] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I hope so!

[21:44:56] Daniel : Yesterday I got two DVDs in the mail...

[21:45:16] Daniel : Well, techically it was like 5.

[21:45:24] Daniel : But no gifts.

[21:45:30] Daniel : (I bought them for myself)

[21:46:17] Daniel : One even has Johnny Depp!

[21:46:38] Daniel : *well, if that didn't get your attention, you really must be feasting!*

[21:46:44] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !

[21:46:49] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Johnny Depp!?

[21:47:00] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *Sits upright and looks around.*

[21:47:03] Daniel : So it's called "Lost in La Mancha"

[21:47:12] Daniel : It's a documentary, actually.

[21:47:16] Daniel : Terry Gilliam...

[21:47:23] Daniel : do you know who Terry Gilliam is?

[21:47:52] Daniel : Surely you do?

[21:48:00] Daniel : Tell me you do.

[21:48:59] Daniel : I'll be honest, I don't care for this lack of attention...

[21:49:03] Daniel : Night.

[You have closed the window on 08 Aug 2006 21:49:04]

[Conversation started on 08 Aug 2006 21:49:45]

[21:49:45] Daniel : *doesn't bother to steal her*

[21:50:36] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !

[21:50:49] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : * Pouts.*

[21:50:51] Daniel : what are you doing?

[21:51:03] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : something

[21:51:15] Daniel : you imagine it is important?

[21:51:21] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : hrm

[21:51:22] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : possibly

[21:51:25] Daniel : more important than me?

[21:51:34] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : Not as important as that

[21:51:41] Daniel : *looks at the delusional girl having a tea party with filth*

[21:51:50] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !

[21:51:53] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I'm not!

[21:51:55] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I'm not!!

[21:52:02] Daniel : mmhmm

[21:52:28] Daniel : You may have your secrets.

[21:52:49] Daniel : But do have the courtesy of telling me before you wander off into someone else's arms?

[21:53:02] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : oh

[21:53:06] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : i'm not though...

[21:53:18] Daniel : If you say so

[21:53:22] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I'm drawing a picture of the new outfit I brought today from Ann Summers ^^

[21:53:35] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : and it is not often I draw myself like this, thus I am very pleased

[21:53:37] Daniel : *feels a little silly*

[21:53:49] Daniel : You might have just mentioned?

[21:53:58] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : would of ruined it!

[21:54:04] Daniel : Would it?

[21:54:07] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : yes

[21:54:09] Daniel : why?

[21:54:14] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : for i'm going to put witty comments on it

[21:54:25] Daniel : ah... how... witty...

[21:54:29] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : yes!!

[21:54:37] Daniel : well, I am going to sleep, I think..

[21:55:10] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : I wish I could sleep

[21:55:24] Daniel : Why?

[21:55:30] Daniel : Seems like you are being creative...

[21:55:53] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : But I have been unable to, rather tempted to say i've come down with something.

[21:56:14] Daniel : something?

[21:56:28] Daniel : What manner of something?

[21:57:00] Daniel : Perhaps if you panted a bit...

[21:57:27] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : ...

[21:57:40] Daniel : I could watch... make sure you are doing it right...

[21:58:08] Daniel : I'm pretty sure the audience agrees...

[21:58:22] Daniel : I took an informal poll entr'acte....

[21:59:03] Daniel : "Funny, touching, dramatic, heartbreaking, sexy, but not sexy enough"

[21:59:11] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : how dare you confer with the audience without telling me!

[21:59:16] Daniel : *****/*****

[21:59:26] Daniel : *looks shifty eyed*

[21:59:33] Daniel : was just an informal poll...

[21:59:49] Daniel : I was in the lobby getting some snacks...

[22:00:31] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : !!

[22:00:36] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : there is a lobby!?

[22:00:45] Perdy- Ruled by secrecy. - There is no inability sweeter than

your own. : *looks starved*

[22:00:47] Daniel : Sure... it's the place with the snacks...

[22:01:00] Daniel : Junior Mint? *hands her the box*

[22:01:07] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : thank you

[22:03:32] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : oh no!

[22:03:45] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : John is totally on my case, he wont believe my "i'm just drawing" story!

[22:03:54] Daniel : er, we're looking for sexy... not drama...

[22:04:06] Daniel : audience concurs... WAY too much pointless drama

[22:04:14] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : oh wait

[22:04:18] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : he believes it, nevermind

[22:04:24] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : *carries on colouring in.*

[22:04:41] Daniel : see?

[22:04:50] Daniel : at least colour in the nude...

[22:05:01] Daniel : I mean, *I* can't see it, but for the audience...

[22:05:11] Daniel : *sneaks down into the orchestra pit*

[22:05:12] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : well it is a pretty sexy picture

[23:26:21] Perdy- Ruled by secrecy. - There is no inability sweeter than your own. : yes, it is not all flowers and roses

[23:26:59] Daniel : no, I think we can assure ourselves of that, but... I think it will be beautiful.

[23:30:29] Daniel : which is just as bad, if not worse.

[23:30:54] Daniel : it's cool...

[23:31:00] Daniel : just, er, you know...

[23:31:16] Daniel : don't eat the poop, drink the urine, or, uh, walk upside-down

[20:52:12] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : hehe

[20:57:28] Daniel : that was a bit underwhelming

[21:03:57] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh

[21:04:03] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I have to actually send it to you

[21:04:05] Daniel : ...and you are going to simply come back and say "Night" and then leave for months

[21:04:24] Perdy- if you're looking for something lifelike, hit the sardine nightclub! :hrm

[21:04:25] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : maybe

[21:04:32] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : depends how I feel really..

[21:04:35] Daniel : you are cruel.

[21:04:37] Daniel : and unusual.

[21:04:45] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : so they say

[21:04:57] Daniel : yes... they... and I am just one of them...

[21:05:03] Daniel : ...or so you lead me to believe

[21:05:35] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : haha if you escaped "them" you'd have many people begging you for your secret

[21:06:03] Daniel : and here I thought I'd escaped "them" some time ago...

[21:06:14] Daniel : you do keep my heart in my throat, don't you?

[21:07:33] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Is it a bad place to keep it?

[21:07:39] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Better than wearing it on your sleeve..

[21:07:46] Daniel : when you would rather breathe...

[21:07:55] Daniel : yeah, it makes living rather unbearable

[21:08:05] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : perhaps you should swallow it

[21:08:21] Daniel : I didn't really expect so much torture...

[21:08:36] Daniel : ...by now I thought you would have been more awake.

[21:08:48] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : should of gone for an easy target, your loss..

[21:09:16] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : there are so many, and it is easy, trust me I know...

[21:09:47] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : you are even welcome to keep me on the sidelines if you like

[21:10:00] Daniel : you really don't get it, do you?

[21:10:49] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Just none of that...Commitment....God I hate that word...

[21:11:05] Daniel : ...

[21:11:33] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : meh, clearly I really don't get it, hence why you need to find a replacement, fast

[21:11:37] Daniel : Here is what you do not get...

[21:11:52] Daniel : You are selfish.

[21:12:00] Daniel : I want you to be selfish.

[21:12:03] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh uh...I know that

[21:12:06] Daniel : I need you to be selfish.

[21:12:14] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : what?]

[21:12:18] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : That makes no sense.

[21:12:27] Daniel : No?

[21:12:36] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : why would you want that?

[21:12:45] Daniel : What do you imagine "selfish" means?

[21:12:55] Daniel : You want what is best for yourself.

[21:13:09] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : and as I am yourself

[21:13:10] Daniel : You focus on yourself.

[21:13:12] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : it makes sense?

[21:13:30] Daniel : Even if you do not realize this fundamental truth... which, clearly, you do not.

[21:13:33] Daniel : Even so...

[21:14:05] Daniel : You should see that pleasing me is entirely in your best interest.

[21:14:15] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Yes?

[21:14:25] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Listens.*

[21:14:35] Daniel : It is, perhaps, your most selfish opportunity...

[21:15:05] Daniel : For I offer you exquisite and exotic experiences and emotions...

[21:15:32] Daniel : things you simply cannot find without such investment as we have spent...

[21:16:06] Daniel : and the odds of you expending this effort again... of being here again...

[21:16:21] Daniel : well, I think you get the point.

[21:16:27] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : hm

[21:16:30] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I think that I do.

[21:16:53] Daniel : Moreover, when you inspire me, then I will do great things.

[21:17:06] Daniel : And create vast wealth.

[21:17:09] Daniel : And share it with you.

[21:17:16] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : well i'm working on it..

[21:17:25] Daniel : When you do not, I still do great things...

[21:17:27] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I'm about to give you something that i'd never give anyone

[21:17:34] Daniel : but I won't share it with you. :P

[21:17:47] Daniel : Yes... I am trying to inspire you to do so.

[21:17:59] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I don't "need" you to share anything with me

[21:18:16] Daniel : Will you stop with the "need" paranoia...

[21:18:19] Daniel : It's old.

[21:18:34] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I can get it off other people, maybe not in a nice package like you offer, but still I can get it in parts

[21:18:41] Daniel : What is your point?

[21:18:52] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : No point. *Smiles.*

[21:18:55] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Just letting you know.

[21:19:00] Daniel : Because?

[21:19:04] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Because.

[21:19:19] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : It is better for one to be well informed I find.

[21:19:23] Daniel : Because you think that I am over-confident of your love?

[21:19:27] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Lest you weep over the contract at the end.

[21:19:48] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : well you are the most over-confident one yet..

[21:19:50] Daniel : You really can be quite horrible to me... exquisitely so.

[21:19:58] Daniel : It's a bit amusing.

[21:20:03] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Yes I rather took it to an art form.

[21:20:23] Daniel : Because you know that I see right through it...

[21:20:43] Daniel : Like a little kid making ugly faces :)

[21:20:52] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : And you are perfectly capable of doing the same, so don't lets sift over the details.

[21:21:18] Daniel : Yes, but I don't!

[21:21:29] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Petty and slightly uninteresting....Oh you do!!!

[21:21:34] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : You damn well do!

[21:21:44] Daniel : Nonsense. I am never horrible to you.

[21:21:49] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : !

[21:22:12] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I'm not even going to answer that.

[21:22:29] Daniel : When have I ever "reminded" you that there are many other women in the world who would kill for such affections?

[21:22:53] Daniel : You know, just so that you don't cry when I do...

[21:23:12] Daniel : I am shocked!

[21:23:18] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I am shocked too!

[21:23:33] Daniel : I am not so brave and brazen as you...

[21:23:49] Daniel : well, except...

[21:24:03] Daniel : okay, so I rip a few masks off now and then

[21:24:12] Daniel : and, er, trample them to bits

[21:24:17] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : quite!!

[21:24:31] Daniel : well, they were horrible!

[21:24:33] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Has a whole other cupboard of masks he has ripped up.*

[21:24:52] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : we are not gentlemen you and I

[21:24:57] Daniel : I generally play along...

[21:25:03] Daniel : ...you konw, so long as it amuses me.

[21:25:19] Daniel : no, we are definitely not gentlemen...

[21:25:40] Daniel : we know each other FAR too well for that

[21:25:46] Daniel : and we are WAY too honest

[21:26:19] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : well they say honesty is the best policy..

[21:26:34] Daniel : again with the "they"!

[21:27:43] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Kisses him.* Not as bad as "Here's the thing."

[21:28:01] Daniel : the Thing! Yes!

[21:28:37] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : mm

[21:29:19] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : i'll have no chance of getting up tomorrow now...almost 5am, hrm

[21:29:38] Daniel : no, probably not...

[21:29:42] Daniel : pity.

[21:30:10] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : quite..

[21:31:17] Daniel : *wonders if she is going to do this impossible thing or not*

[21:31:20] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh!!

[21:31:33] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : gen is talking to me!

[21:32:24] Daniel : *expects not*

[21:32:53] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Heart pounds.* I gave her this book before she left..

[21:32:59] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : and she is telling me how much she loved it

[21:33:37] Daniel : What book?

[21:34:39] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : a bunch of sketches of mine, little scenes, costumes, girls, little stories.

[21:34:49] Daniel : !

[21:35:00] Daniel : I am so very, very jealous.

[21:35:10] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : heehe you soon wont be!

[21:35:11] Daniel : Almost intolerably so, actually.

[21:35:31] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : i'm going to give you my most special thing..

[21:35:58] Daniel : well, you've already done that, my love...

[21:36:19] Daniel : ...though you do tend to take it back rather often... :P

[21:36:54] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh my word

[21:36:58] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *tears in my eyes*

[21:37:09] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : what is she saying! *falls over, heart beating.*

[21:39:00] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : [on a side note, I am intrigued by all the interesting romances that seem to surround you! What is it that attracts these men to you? I was only there a few days but I saw it! it all seems like such fun, and glamorous too!! I am full of envy and maybe a little lust. I wish you could teach me...]

[21:39:04] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : She actually said that...

[21:39:27] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I think I have died and gone to heaven..

[21:40:59] Daniel : Oh my.

[21:41:05] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Hold me!

[21:41:25] Daniel : maybe a little lust?

[21:41:29] Daniel : My, oh my.

[21:41:34] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh my oh my!!!!

[21:41:58] Daniel : Will make for such interesting family reunions in Venice...

[21:42:16] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Why do I fall in love with my brother's girlfriends!?

[21:42:33] Daniel : I don't know... but I find it rather sexy.

[21:42:36] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Well actually, Anthony stole Alex G from me...

[21:42:45] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : The ring..

[21:42:47] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *sighs*

[21:43:13] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : actually I started flirting with alex G in front of my brother in the kitchen yesterday

[21:43:40] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I was like "Oh tehehe Alex, not in front of your brother! Don't touch me there!"

[21:44:04] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : He was facing the other way, cooking bacon and was just like "What the hell are you two doing!?"

[21:45:11] Daniel : heh

[21:45:34] Daniel : Why will I not be surprised when family reunion turns into some sort of kinky orgy of pleasure...

[21:46:54] Perdy- if you're looking for something lifelike, hit the sardine

nightclub! : lol well I assure you, if anyone is doing the kinky orgy stuff it will be me locking Alex G and Gen and myself in the same room, then forgetting where I put the key

[21:47:17] Daniel : Which I will have stolen, of course...

[21:48:23] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : but that would mean..

[21:49:32] Daniel : Of course, we will have kinky closed-circuit TV in all the rooms of the palazzo...

[21:49:47] Daniel : Just because that's the sort of hosts we are.

[21:51:58] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I see.

[21:52:19] Daniel : Well, honesty IS the best policy.

[21:52:22] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I think we are rather evil hosts... *Frets slightly.*

[21:52:37] Daniel : Yes, I imagine that we are.

[21:52:55] Daniel : But somehow I think most of our guests will appreciate that.

[21:53:38] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh my god

[21:53:43] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : she just said! "I hear rumors about you from the others you know"

[21:54:04] Daniel : she thinks you are lezzy...

[21:54:04] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : What the hell

[21:54:07] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : what others!?

[21:54:09] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh god

[21:54:10] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh no

[21:54:12] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh no!

[21:54:33] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Suddenly latches onto him.*

[21:54:44] Daniel : *holds onto her for dear life*

[21:54:47] Daniel : what is it?

[21:56:19] Daniel : ...

[21:57:15] Daniel : ?

[21:58:46] Daniel : well, this is rather annoying (imagine that)

[21:59:01] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Clings to him.*

[21:59:21] Daniel : *looks at the apparently mute girl*

[21:59:26] Daniel : speak!

[22:01:50] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : oh my.. I

[22:02:43] Daniel : I'm going...

[22:02:47] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : no..

[22:02:50] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : don't leave me..

[22:02:52] Daniel : you are in rare form tonight, my love.

[22:04:44] Daniel : Seriously, you are driving me crazy tonight with your mending and movie watching and very special something that you never send and your "oh god! oh no! oh no!" without explanation.

[22:04:53] Daniel : I'm exhausted.

[22:05:02] Daniel : Which is precisely where I don't want to be.

[22:05:09] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Please!! Don't leave me here with this crazy woman!

[22:05:17] Daniel : Go away.

[22:05:19] Daniel : away.

[22:05:25] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Attaches herself to his leg.*

[22:05:34] Daniel : You have sucked the life from me this evening...

[22:05:38] Daniel : slowly and methodically.

[22:05:53] Daniel : Let me sleep so I may recover.

[22:06:03] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *refuses to let go.*

[22:06:07] Daniel : I hope you have enjoyed yourself.

[22:06:20] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I am not enjoying myself!

[22:06:26] Daniel : Good!

[22:06:35] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Starts to weep.*

[22:06:49] Daniel : You have been torturing me all evening...

[22:07:03] Daniel : Do you imagine that I should be happy for it?

[22:07:10] Daniel : What the fuck is your problem?

[22:07:13] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : I have done no such thing!

[22:07:18] Perdy- if you're looking for something lifelike, hit the sardine

nightclub! : *Looks up at him.*

[22:07:33] Daniel : You tease and torment me as if I was one of "them"

[22:07:48] Daniel : I'm sure that it has marvelous results elsewhere.

[22:08:03] Daniel : But... I'm not.

[22:08:17] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : *Lets go, stands up and brushes herself off.*

[22:08:25] Daniel : It's not going to attract me to you any more.

[22:08:30] Daniel : It's just exhausting.

[22:08:36] Perdy- if you're looking for something lifelike, hit the sardine nightclub! : Alright, goodnight.

[22:08:51] Daniel : You don't even admit a thing do you?

[22:08:56] Daniel : You fucking bitch.

Why it is your unbirthday too?

"LGRA[17:13:41] "LITADaniel :)"LC000000 Why I suppose it is.

"LGRA[17:13:44] "LITADaniel :)"LC000000 How marvelous!

"LGRA[17:13:48] "LITAPerdy- Congratulations! You made it! :)"LC800000
Oh, why it is not my birthday!

"LGRA[17:14:32] "LITADaniel :)"LC000000 And so, are you not 19 or
not 20?

"LGRA[17:14:45] "LITAPerdy- Congratulations! You made it! :)"LC800000
I am as I was.

"LGRA[17:14:56] "LITADaniel :)"LC000000 Completely unchanged?

"LGRA[17:15:22] "LITAPerdy- Congratulations! You made it! :)"LC800000
For yes, I do not often change on unbirthdays

"LGRA[17:15:57] "LITADaniel :)"LC000000 I find that unbirthdays are
the best days to change...

"LGRA[17:16:03] "LITAPerdy- Congratulations! You made it! :)"LC800000
yes?

"LGRA[17:16:30] "LITADaniel :)"LC000000 Why I change my under-
wear each and every unbirthday.

"LGRA[17:16:51] "LITAPerdy- Congratulations! You made it! :)"LC800000
Do you now? I believe I do also! And I have more unbirthdays than you!

"LGRA[17:17:22] "LITADaniel :)"LC000000 Well, it is good to know that
you will always be fresh.

"LGRA[17:17:56] "LITAPerdy- Congratulations! You made it! :)"LC800000
More fresh than you might realise

"LGRA[17:18:13] "LITADaniel :)"LC000000 Doubtless.

"LGRA[17:18:48] "LITAPerdy- Congratulations! You made it! :)"LC800000
Quite the enigma.

"LGRA[17:19:13] "LITADaniel :)"LC000000 I am rather fond of enig-
mas...

"LGRA[17:19:21] "LITAPerdy- Congratulations! You made it! :)"LC800000
As am I..

"LGRA[17:19:25] "LITADaniel :)"LC000000 So cleansing and refresh-

"LGRA[17:19:37] "LITADaniel :)"LC000000 You mean like the mystery
;)

"LGRA[17:19:42] "LITAPerdy- Congratulations! You made it! :)"LC800000
Yes...?

"LGRA[17:20:13] "LITADaniel :)"LC000000 Well, enema's can be a bit

of a mystery as well...

"LGRA[17:21:10] "LITADaniel :]"LC000000 Have you been enjoying

"LGRA[17:31:46] "LITADaniel : "LC000000 Funny that.

"LGRA[17:32:04] "LITADaniel : "LC000000 And rather comforting, I think...

"LGRA[17:32:22] "LITAPerdy- Congratulations! You made it! : "LC800000 Heh, more so than I could realise.

"LGRA[17:32:36] "LITADaniel : "LC000000 A fine intermission, all in all.

"LGRA[17:32:46] "LITADaniel : "LC000000 Not too short, not too long.

"LGRA[17:32:57] "LITADaniel : "LC000000 Six months... that would have been too long.

"LGRA[17:33:03] "LITAPerdy- Congratulations! You made it! : "LC800000 I doubt it.

"LGRA[17:33:16] "LITADaniel : "LC000000 Well, there were some practical considerations.

"LGRA[17:33:27] "LITADaniel : "LC000000 Like I didn't actually know what your address would be in six months.

"LGRA[17:33:42] "LITADaniel : "LC000000 Which would make the cool scheme more challenging.

"LGRA[17:34:04] "LITADaniel : "LC000000 Although, the timing is rather perfect... just in time for Carnevale...

"LGRA[17:34:12] "LITAPerdy- Congratulations! You made it! : "LC800000 Would of been all the more fun to avoid you.

"LGRA[17:34:13] "LITADaniel : "LC000000 Masquerade and all. Yes, it was a beautiful scheme.

"LGRA[17:34:25] "LITADaniel : "LC000000 I even made a remarkable discovery.

"LGRA[17:34:32] "LITADaniel : "LC000000 That I sorta want to keep a secret.

"LGRA[17:34:41] "LITADaniel : "LC000000 But, well, I'm not really good at keeping secrets.

"LGRA[17:34:46] "LITADaniel : "LC000000 Well, maybe this one...

[”LGRA[20:43:44] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 Months rolled by and still they remained terminally in love.

[”LGRA[20:44:15] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 One day Beleza was plotting once more how to destroy her love with Verdade.

[”LGRA[20:44:56] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 She decided to rid herself of him she would cut off her own hand. However Verdade quickly sewed it back on.

[”LGRA[20:46:09] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 Everytime that she said ”I hate you.” Beleza was really saying ”I hate that I am so in love with you.” And Verdade would simply reply with a smile ”I know.”

[”LGRA[20:47:24] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 The girl Beleza wanted to be in love more than anything, it also so happened that she didn’t want to be in love more than anything also. One day she would kiss him and the next she would stab him, but being immortal Verdade was unaffected.

[”LGRA[20:49:02] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 Beleza grew tired of her own games, and he grew even more tired of hers, Verdade could not understand how any mortal woman could become lost so easily, she would openly throw herself into rivers while they were trying to picnic, attempt to throw herself off bridges while they kissed.

[”LGRA[20:49:56] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 But luckily for Beleza she was found as easily as she was lost. Verdade would often sigh as he pulled the half drowned girl out the river, or laugh as he watched her try to drown herself in the shallow end.

[”LGRA[20:50:51] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 Beleza started to forget her previous mortal life in the company of Verdade, and it scared her. But somehow she wanted to forget...In order to remember something else.

[”LGRA[20:51:48] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 People would often tell her she was her own person. But ”Which person?” She often wondered, were they exactly referring to?

[”LGRA[20:52:25] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :”LC800000 Either was she was a collection of personas, her best mask so glued that even she could not remove it.

[”LGRA[20:52:58] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :]”LC800000 ”Own person?” She thought, the problem being she was not her own person at all, she was part of someone else.

[”LGRA[20:53:58] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :]”LC800000 One day Verdade grew tired of her persona’s and ripped away several of her masks until the glued one remained, he then handed her a mirror.

[”LGRA[20:54:55] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :]”LC800000 She saw a perfect reflection of herself in the mirror, the glued mask in all it’s beauty. Verdade then started to try and pull the glued mask from her face as best he could for her to see what was really behind it.

[”LGRA[20:57:10] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :]”LC800000 But the mask having been glued there for so long refused to move, but Beleza did not need to see behind the mask for in the mirror she saw it, standing behind her was Verdade, and she knew then that this was what was behind the mask. Verdade meaning ”truth” and Beleza meaning ”beauty” Verdade was the truth behind the beauty, and for the twist of the tale it was truth and beauty that Verdade sought

[”LGRA[20:57:53] [”LITAPerdy- Ruled by secrecy. - There is no inability sweeter than your own. :]”LC800000 They then did not say a word, he knew that she knew and always had, and at that moment the no two people in the universe had ever been so in love, for it is so easy to love yourself..

|”LGRA[22:20:09] |”LITADaniel :|”LC000000 It is one thing to tease and torment your disposable and easily replaceable suitors.

|”LGRA[22:20:17] |”LITADaniel :|”LC000000 It’s quite another matter en-

tirely with us.

"LGRA[22:20:37] "LITADaniel : "LC000000 You know this.

"LGRA[22:20:49] "LITADaniel : "LC000000 I shouldn't have to remind you of any of this.

"LGRA[22:21:10] "LITADaniel : "LC000000 [18:45:13] Perdy: because...When I miss you I can just read your emails and feel ok, but you don't have anything like that much to fall back on..

"LGRA[22:22:04] "LITADaniel : "LC000000 I do not imagine that you know what it is like... this particularly torment you visit upon me...

"LGRA[22:23:00] "LITADaniel : "LC000000 You doubtless think it's funny.

"LGRA[22:23:15] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 i'm not laughing?

"LGRA[22:23:26] "LITADaniel : "LC000000 But there are some things that you do not yet understand...

"LGRA[22:23:38] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 like what?

"LGRA[22:23:54] "LITADaniel : "LC000000 You actions now cannot hurt me... not really.

"LGRA[22:24:05] "LITADaniel : "LC000000 They simply belittle you.

"LGRA[22:24:31] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 It is funny because you are one of the most easily hurt men I know

"LGRA[22:24:50] "LITADaniel : "LC000000 You need my respect.

"LGRA[22:25:15] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 either way

"LGRA[22:25:23] "LITADaniel : "LC000000 This evening, you have behaved horribly.

"LGRA[22:25:53] "LITADaniel : "LC000000 And you do not seem to even acknowledge that.

"LGRA[22:26:01] "LITADaniel : "LC000000 But I know you know.

"LGRA[22:26:03] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 I do not need your respect, stop telling me I need things, it infuriates me and there is hardly any wonder why I become so spiteful!

"LGRA[22:26:30] "LITADaniel : "LC000000 Your spite is weak and pathetic.

"LGRA[22:26:35] "LITADaniel : "LC000000 It gets you nowhere.

"LGRA[22:26:45] "LITADaniel : "LC000000 If anything, it turns you around the other direction.

"LGRA[22:26:49] "LITADaniel : "LC000000 So don't bother.

"LGRA[22:26:51] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 Oh for such weakness it seems to make you very frustrated..

"LGRA[22:27:19] "LITADaniel : "LC000000 And when I am frustrated?

"LGRA[22:27:21] "LITADaniel : "LC000000 You win?

"LGRA[22:27:35] "LITADaniel : "LC000000 Fine. You have ultimate control over us

"LGRA[22:27:36] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 no it makes you closer to leaving

"LGRA[22:27:42] "LITADaniel : "LC000000 HAAAAHA

"LGRA[22:27:55] "LITADaniel : "LC000000 You have control to destroy.

"LGRA[22:27:58] "LITADaniel : "LC000000 What good is that?

"LGRA[22:28:07] "LITADaniel : "LC000000 Can you control to create?

"LGRA[22:28:14] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 And when you leave, I win, I loose too but I win also.

"LGRA[22:28:21] "LITADaniel : "LC000000 You have demonstrated your skill at weakening...

"LGRA[22:28:29] "LITADaniel : "LC000000 Can you strengthen?

"LGRA[22:28:41] "LITADaniel : "LC000000 I will never leave.

"LGRA[22:28:46] "LITADaniel : "LC000000 Not ever.

"LGRA[22:28:56] "LITADaniel : "LC000000 You want to play that game for eternity?

"LGRA[22:28:57] "LITAPerdy- if you're looking for something lifelike, hit the sardine nightclub! : "LC800000 you bloody well will!

"LGRA[22:29:08] "LITADaniel : "LC000000 I think you will find me a worthy opponent.

"LGRA[22:29:19] "LITADaniel : "LC000000 But how dull.

|”LGRA[22:31:57] |”LITADaniel :|”LC000000 You know that as soon as you push or pull I will oppose it with all our collective strength...

|”LGRA[22:32:24] |”LITADaniel :|”LC000000 which by now is considerable.

|”LGRA[22:32:25] |”LITAPerdy- if you’re looking for something lifelike, hit the sardine nightclub! :|”LC800000 I will not be stubborn, i’ll leave, I’ll be polite as anything, and you wont be persistant, and then, then we will be free because of it!

|”LGRA[22:37:19] |”LITADaniel :|”LC000000 then you recoil back at me with great force

|”LGRA[22:37:33] |”LITADaniel :|”LC000000 and in the end, we move perhaps one step forward

|”LGRA[22:37:45] |”LITADaniel :|”LC000000 only because I needed it to regain our balance

|”LGRA[22:38:05] |”LITADaniel :|”LC000000 but that step isn’t going to take us to Venice.

|”LGRA[22:38:24] |”LITADaniel :|”LC000000 we need, like, a luxury train...

 |"LGRA[06:46:25] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000

i'm in the middle of composing an email to wales, fighting my case as it were, I was two bloody grades off.

"LGRA[06:47:00] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 Leeds have Egyptology within an Archaeology course and it is not what I want.

"LGRA[06:47:07] "LITADaniel :)"LC000000 I do not understand how any of this actually works, I'm afraid.

"LGRA[06:47:21] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 you don't have clearing over there?

"LGRA[06:47:35] "LITADaniel :)"LC000000 Not at all.

"LGRA[06:48:21] "LITADaniel :)"LC000000 I think they use a similar thing for medical school, actually.

"LGRA[06:48:30] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 basically, when you fail to get in somewhere, it isn't the end of the world, you then go to a list which has all the under subscribed courses and try get into one of those, by basically phoning up and begging

"LGRA[06:48:59] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 the only thing is that the courses on those lists are limited

"LGRA[06:50:28] "LITADaniel :)"LC000000 should you perhaps go to Wales in person and beg?

"LGRA[06:50:36] "LITADaniel :)"LC000000 you have rather alluring eyes...

"LGRA[06:55:13] "LITADaniel :)"LC000000 interesting.

"LGRA[06:56:32] "LITADaniel :)"LC000000 I suppose I do not fully understand, but perhaps UK university is more akin to a large state university system... like California.

"LGRA[06:56:48] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 *sighs*

"LGRA[06:56:52] "LITADaniel :)"LC000000 Is public university?

"LGRA[06:57:13] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 this is killing me, I talk to people on the phone, waste my time charming them into letting me in and it isn't even for Egyptology'

"LGRA[06:57:47] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I just wasted time talking to Cardiff and convincing them I knew what I was on about only to have them ask me to study modern history!

"LGRA[06:57:54] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 *screams.*

"LGRA[06:58:09] "LITADaniel :)"LC000000 Is a function of availability probably.

"LGRA[06:58:15] "LITAPerdy: Goodluck everyone! <3 :)"LC800000

quite

"LGRA[06:58:27] "LITAPerdy: Goodluck everyone! <3 :)"LC800000
you'd think egyptology would be very available!

"LGRA[06:58:35] "LITADaniel :)"LC000000 Are there that many folks
who want to be egyptologists?

"LGRA[06:59:09] "LITADaniel :)"LC000000 Don't worry...

"LGRA[06:59:16] "LITADaniel :)"LC000000 Fortunately you have me.

"LGRA[06:59:20] "LITADaniel :)"LC000000 I'm rather clever...

"LGRA[06:59:35] "LITADaniel :)"LC000000 Did I tell you that I got into
graduate school without ever taking the GRE?

"LGRA[06:59:45] "LITADaniel :)"LC000000 That's Graduate *Requi-
site* Exam...

"LGRA[07:00:01] "LITADaniel :)"LC000000 Which is, well, requisite.

"LGRA[07:00:15] "LITADaniel :)"LC000000 Except I think it's actually
"Record", but that's not the point.

"LGRA[07:00:22] "LITADaniel :)"LC000000 The point is that it is re-
quired.

"LGRA[07:00:27] "LITADaniel :)"LC000000 And I didn't take it.

"LGRA[07:00:48] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I
am like you, don't you worry about that, i'll get in

"LGRA[07:01:00] "LITAPerdy: Goodluck everyone! <3 :)"LC800000
Once i'm talking with someone, it's fine

"LGRA[07:01:11] "LITADaniel :)"LC000000 I though you were worry-
ing... you need not.

"LGRA[07:01:41] "LITAPerdy: Goodluck everyone! <3 :)"LC800000
but when I don't even get the chance to argue my side, that angers me
slightly, I should in the least be able to explain myself!

"LGRA[07:01:58] "LITADaniel :)"LC000000 Yes, I know the feeling...

"LGRA[07:02:17] "LITADaniel :)"LC000000 *thinks back to every time

who knows somebody in Egyptology?

"LGRA[07:04:06] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I
know the duchess who bloody owns a frikkin museum

"LGRA[07:05:36] "LITADaniel :)"LC000000 Why not beg to get into
UCL or Oxford?

"LGRA[07:09:11] "LITADaniel :)"LC000000 I mean, so long as you ex-
pending the effort...

"LGRA[07:10:16] "LITAPerdy: Goodluck everyone! <3 :)"LC800000

|"LGRA[07:10:35] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000

Dammit I dream of a system where you can be accepted to a university
on the subject you want to do by how knowledgeable and interested you
are in the subject itself, this may be the case for say Biology, however you
can't as of currently study Egyptology at any other level below this.

"LGRA[08:21:11] "LITAPerdy: Goodluck everyone! <3 : "LC800000 you are right on that part

"LGRA[08:21:27] "LITAPerdy: Goodluck everyone! <3 : "LC800000 that was just my furious scribbling

"LGRA[08:21:32] "LITADaniel : "LC000000 I know.

"LGRA[08:21:40] "LITADaniel : "LC000000 Very therapeutic, I'm sure.

"LGRA[08:21:48] "LITAPerdy: Goodluck everyone! <3 : "LC800000 yes, it was somewhat

"LGRA[08:21:56] "LITADaniel : "LC000000 But not effective for doing your will.

"LGRA[08:22:14] "LITADaniel : "LC000000 Be straightforward.

"LGRA[08:23:15] "LITAPerdy: Goodluck everyone! <3 : "LC800000 oh!

"LGRA[08:23:40] "LITADaniel : "LC000000 Perhaps it is "obvious", but there is no substitute for the words "I passionately want to attend Swansea to study Egyptology" being ingested into their head.

"LGRA[08:24:32] "LITAPerdy: Goodluck everyone! <3 : "LC800000 great!!

"LGRA[08:25:49] "LITADaniel : "LC000000 In the first paragraph, I think.

"LGRA[08:25:57] "LITADaniel : "LC000000 Right after your name.

"LGRA[08:37:41] "LITAPerdy: Goodluck everyone! <3 : "LC800000 several boxes worth, all in the garage

"LGRA[08:38:20] "LITAPerdy: Goodluck everyone! <3 : "LC800000 most of them are those deliciously rare exquisite books that are hard to find...

"LGRA[08:38:35] "LITADaniel : "LC000000 don't mention they are in the garage.

"LGRA[08:38:38] "LITAPerdy: Goodluck everyone! <3 : "LC800000 eheh

"LGRA[08:38:40] "LITADaniel : "LC000000 hundreds?

"LGRA[08:38:42] "LITAPerdy: Goodluck everyone! <3 : "LC800000 *smiles.*

"LGRA[08:38:53] "LITAPerdy: Goodluck everyone! <3 : "LC800000 hundreds, yes

"LGRA[08:39:04] "LITADaniel : "LC000000 "hundreds of books on Egyptology"

"LGRA[08:39:16] "LITADaniel : "LC000000 you have translated how many texts?

"LGRA[08:39:23] "LITAPerdy: Goodluck everyone! <3 : "LC800000

lord knows!

"LGRA[08:39:43] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 nothing that's not been translated before mind you

"LGRA[08:39:59] "LITADaniel :|"LC000000 "I have translated several dozen texts, and have become rather proficient at it"

"LGRA[08:40:03] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 aside maybe the scarab..

"LGRA[08:40:31] "LITADaniel :|"LC000000 But! You need Swansea...

"LGRA[08:40:37] "LITADaniel :|"LC000000 What will you learn at Swansea?

"LGRA[08:40:42] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 that just comes over to me as arrogant!

"LGRA[08:41:33] "LITADaniel :|"LC000000 If it is factual, it is not arrogant.

"LGRA[08:41:39] "LITADaniel :|"LC000000 And we are going to soften it...

"LGRA[08:41:55] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 good

"LGRA[08:41:59] "LITADaniel :|"LC000000 "I want to attend Swansea to..."

"LGRA[08:42:10] "LITADaniel :|"LC000000 to formalize your education,

"LGRA[08:42:20] "LITADaniel :|"LC000000 to transform your passion into a career

"LGRA[08:42:48] "LITADaniel :|"LC000000 to learn not only Egyptology, but how to be an Egyptologist.

"LGRA[08:43:00] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 yes!

"LGRA[08:43:00] "LITADaniel :|"LC000000 ...the latter can not be over-emphasized.

"LGRA[08:43:08] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 that last part

"LGRA[08:43:13] "LITADaniel :|"LC000000 You can study egyptology on your own.

"LGRA[08:43:18] "LITADaniel :|"LC000000 You have the books...

"LGRA[08:43:34] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 yes but really, that wont get me anywhere and they know that

"LGRA[08:43:34] "LITADaniel :|"LC000000 You want a career, though, which is a rather different path.

"LGRA[08:43:44] "LITADaniel :|"LC000000 To dig, you need letters.

"LGRA[08:44:10] "LITADaniel :|"LC000000 You mention the vast books

and translations to demonstrate your passion...

"LGRA[08:44:27] "LITADaniel :|"LC000000 not to say that you are arrogant and all knowing.

"LGRA[08:44:41] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 quite, that is how it sounds currently

"LGRA[08:44:58] "LITADaniel :|"LC000000 Rather than "I have translated..."

"LGRA[08:45:22] "LITADaniel :|"LC000000 Perhaps, "I have enjoyed learning how to translate Egyptian texts."

"LGRA[08:45:36] "LITADaniel :|"LC000000 ...you are still learning, and not proficient

"LGRA[08:45:40] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 transliterate you mean?

"LGRA[08:45:43] "LITADaniel :|"LC000000 whatever

"LGRA[08:45:46] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 right

"LGRA[08:46:10] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 where on earth sound I play that part?

"LGRA[08:46:25] "LITADaniel :|"LC000000 ?

"LGRA[08:46:39] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 place..

"LGRA[08:46:40] "LITADaniel :|"LC000000 second paragraph is about your passion and desires

"LGRA[08:46:48] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 right

"LGRA[08:46:54] "LITADaniel :|"LC000000 You are passionate, and you want to attend Swansea.

"LGRA[08:47:01] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 I have that bit

"LGRA[08:47:16] "LITADaniel :|"LC000000 First paragraph is a simple introduction to who you are, what you want, and why you are writing.

"LGRA[08:47:26] "LITADaniel :|"LC000000 Final paragraph is a call to action.

"LGRA[08:47:35] "LITADaniel :|"LC000000 What are your options?

"LGRA[08:47:54] "LITADaniel :|"LC000000 How might they proceed?

"LGRA[08:47:59] "LITADaniel :|"LC000000 Can they just "let you in"?

"LGRA[08:48:19] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 they have the power to do so

"LGRA[08:48:41] "LITADaniel :|"LC000000 You are requesting admission to their single honours degree in Egyptology.

"LGRA[08:49:38] "LITADaniel :|LC000000 Perhaps you should mention the Egypt Center in second paragraph as part of "why Swansea"

"LGRA[08:50:14] "LITADaniel :|LC000000 Because, "At Swansea, students are given the rare opportunity to work directly with Egyptian objects at the Egypt Centre"

"LGRA[08:50:40] "LITAPerdy: Goodluck everyone! <3 :|LC800000 they are in every other uni also that offers it

"LGRA[08:50:47] "LITAPerdy: Goodluck everyone! <3 :|LC800000 UCL...*drools at the thought*

"LGRA[08:50:49] "LITAPerdy: Goodluck everyone! <3 :|LC800000 have the most..

"LGRA[08:50:51] "LITADaniel :|LC000000 But not at Leeds.

"LGRA[08:50:58] "LITAPerdy: Goodluck everyone! <3 :|LC800000 amazing, collection..ever

"LGRA[08:51:24] "LITADaniel :|LC000000 Well, you can leverage that later...

"LGRA[08:51:44] "LITADaniel :|LC000000 Kick ass at Swansea for a year, and we'll work on UCL/Oxford next...

"LGRA[08:52:12] "LITADaniel :|LC000000 (and in fact, is really just for a semester... you'll want to start scheming next year)

"LGRA[08:52:53] "LITAPerdy: Goodluck everyone! <3 :|LC800000 *smiles.*

"LGRA[08:52:56] "LITADaniel :|LC000000 When you get into Swansea, you will want to do some sort of independent study things.

"LGRA[08:53:05] "LITADaniel :|LC000000 Maybe take a job in the museum.

"LGRA[08:53:10] "LITADaniel :|LC000000 Volunteer if necessary.

"LGRA[08:53:10] "LITAPerdy: Goodluck everyone! <3 :|LC800000 erugh

"LGRA[08:53:15] "LITAPerdy: Goodluck everyone! <3 :|LC800000 that is what he asked me to do

"LGRA[08:53:17] "LITADaniel :|LC000000 Spend time with artifacts.

"LGRA[08:53:19] "LITAPerdy: Goodluck everyone! <3 :|LC800000 what ugly people

"LGRA[08:53:24] "LITAPerdy: Goodluck everyone! <3 :|LC800000 this fat guy..

"LGRA[08:53:25] "LITAPerdy: Goodluck everyone! <3 :|LC800000 omg

"LGRA[08:53:28] "LITAPerdy: Goodluck everyone! <3 :|LC800000 was like

|"LGRA[08:53:31] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
chatting me up

|"LGRA[08:53:44] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
and he was a total retard, how the hell did he get in!?

|"LGRA[08:53:49] |"LITADaniel :|"LC000000 Find the coolest thing they
have in the museum...

|"LGRA[08:53:54] |"LITADaniel :|"LC000000 and write about it.

|"LGRA[08:53:57] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
cries in anguish.

|"LGRA[08:54:27] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
God but their museum was so pathetic, nothing caught my eye..

|"LGRA[08:54:42] |"LITADaniel :|"LC000000 maybe they have things not
on display...

|"LGRA[08:54:55] |"LITADaniel :|"LC000000 what does catch your eye?

|"LGRA[08:54:59] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 it
was like a 2 room musen with a couple of cabinates and draws with every-
thing else boring stuffed in

|"LGRA[08:55:05] |"LITADaniel :|"LC000000 what artifact would you most
like to study?

|"LGRA[08:55:05] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000
amazing, impossible things catch my eye

|"LGRA[08:56:09] |"LITADaniel :|"LC000000 the thought is to find some-
thing at Swansea that "inspires you" but their resources cannout quench
your desire... thus you must transfer to UCL

|"LGRA[08:56:10] |"LITADaniel :|"LC000000 ;)

|"LGRA[08:56:24] |"LITADaniel :|"LC000000 And doubtless the musuem
curators know each other...

|"LGRA[08:56:31] |"LITADaniel :|"LC000000 and you can get a recom-
mendation out of it.

|"LGRA[08:56:41] |"LITADaniel :|"LC000000 That's going to be the trick,
you see...

|"LGRA[08:57:29] |"LITADaniel :|"LC000000 You will need recommen-
dations to transfer, and a good excuse.

|"LGRA[08:57:35] |"LITADaniel :|"LC000000 Not just "Swansea sucks"

|"LGRA[08:57:50] |"LITADaniel :|"LC000000 But that you want to spend
time with the artifacts at UCL.

|"LGRA[08:58:23] |"LITADaniel :|"LC000000 Because the fact is that "Egyp-
tian Language I" is going to be pretty much the same either place...

|"LGRA[08:58:53] |"LITADaniel :|"LC000000 The difference is really who
you can meet and impress, and what resources they have for yo.

"LGRA[08:59:03] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 i'll show you a picture of something that catches my eye
 "LGRA[08:59:10] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 <http://www.touregypt.net/featurestories/science1-1.jpg>
 "LGRA[08:59:23] "LITADaniel :)"LC000000 Yes?
 "LGRA[08:59:36] "LITADaniel :)"LC000000 Why?
 "LGRA[08:59:50] "LITADaniel :)"LC000000 If they had that artifact in Swansea, what would you do about it?
 "LGRA[09:00:03] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 *raises an eyebrow*
 "LGRA[09:00:07] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 i'd steal it
 "LGRA[09:00:10] "LITADaniel :)"LC000000 lol
 "LGRA[09:00:12] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 *smiles* No no
 "LGRA[09:00:27] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 it just means so much, to the egyptologist, a statue like that
 "LGRA[09:00:37] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 to you, it is just a statue of a man anda baboon, right?
 "LGRA[09:00:48] "LITADaniel :)"LC000000 if you like.
 "LGRA[09:00:58] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 ok, then tell me what you think when you see it?
 "LGRA[09:02:27] "LITADaniel :)"LC000000 Fine, it's a man and a baboon ;)
 "LGRA[09:02:39] "LITADaniel :)"LC000000 But I could research it and understand it...
 "LGRA[09:03:13] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 *Hugs him softly.*
 "LGRA[09:03:21] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 I really need to eat something, anything
 "LGRA[09:04:01] "LITAPerdy: Goodluck everyone! <3 :)"LC800000 *sighs* one moment..
 "LGRA[09:04:37] "LITADaniel :)"LC000000 Khonsu?
 "LGRA[09:05:08] "LITADaniel :)"LC000000 Baboon with moon on his head?
 "LGRA[09:09:23] "LITADaniel :)"LC000000 Thoth?
 "LGRA[09:09:36] "LITADaniel :)"LC000000 I'm going with Thoth, on account of the scribe....
 "LGRA[09:09:51] "LITADaniel :)"LC000000 I rather like Thoth...
 "LGRA[09:10:04] "LITADaniel :)"LC000000 is the source of much mys-

tery and wonder...

"LGRA[09:10:25] "LITADaniel :|"LC000000 Yes, I'm totally going with Thoth.

"LGRA[09:11:13] "LITADaniel :|"LC000000 Do you know about Egyptian tarot?

"LGRA[09:11:26] "LITADaniel :|"LC000000 Aleister Crowley did... ;)

"LGRA[09:11:51] "LITADaniel :|"LC000000 Perhaps I will buy the tarot deck today.

"LGRA[09:11:53] "LITADaniel :|"LC000000 For posterity.

"LGRA[09:27:09] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 ...

"LGRA[09:27:16] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 I hate that man

"LGRA[09:28:44] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 although this lemon rice does make me feel a little better

"LGRA[09:48:33] "LITADaniel :|"LC000000 What man is that?

"LGRA[09:48:40] "LITADaniel :|"LC000000 Aleister?

"LGRA[09:48:51] "LITADaniel :|"LC000000 He's cool...

"LGRA[09:49:00] "LITADaniel :|"LC000000 You just have to approach him right.

"LGRA[09:57:57] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 ...

"LGRA[09:58:04] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 now i'm really angry

"LGRA[09:58:07] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 I got my results

"LGRA[09:58:13] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 I was one fucking grade off

"LGRA[10:05:14] "LITADaniel :|"LC000000 You essay must not have been very persuasive ;)

"LGRA[10:05:29] "LITADaniel :|"LC000000 But, you didn't know me then, so is okay...

"LGRA[10:05:50] "LITADaniel :|"LC000000 What was your grade?

"LGRA[10:07:27] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 I mean Egyptology is a seriously under subscribed course...I'm really fuming here.How up themselves can they be!

"LGRA[10:07:42] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 I bet they only ahve like 5 kids in their egyptology classes

"LGRA[10:07:48] "LITAPerdy: Goodluck everyone! <3 :|"LC800000 all idiots! *Fumes.*

"LGRA[10:07:53] "LITADaniel :|"LC000000 *smiles*

"LGRA[10:07:59] "LITADaniel :|"LC000000 You are rather sexy when

you fume...

"LGRA[10:14:40] "LITADaniel : "LC000000 no?

"LGRA[10:17:49] "LITAPerdy: Goodluck everyone! <3 : "LC800000
Just sleeps on him.

"LGRA[10:18:31] "LITADaniel : "LC000000 *Holds her gently*

"LGRA[10:45:35] "LITADaniel : "LC000000 What schemes?

"LGRA[10:46:53] "LITAPerdy: Goodluck everyone! <3 : "LC800000
Plenty, plenty, they have to wait for the morning though *Yawns sleepily.*

"LGRA[10:47:18] "LITADaniel : "LC000000 Why so?

"LGRA[10:48:02] "LITAPerdy: Goodluck everyone! <3 : "LC800000
Because I am currently heading on the path to drunken sorrow and lots of sleep.

"LGRA[10:48:38] "LITADaniel : "LC000000 I think that is unfortunate.

"LGRA[10:48:57] "LITAPerdy: Goodluck everyone! <3 : "LC800000
Life is unfortunate if you care to believe it to be so.

"LGRA[10:49:13] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I
do not have the drive or the energy currently, ok?

"LGRA[10:49:50] "LITADaniel : "LC000000 Such laziness is what got
you into this situation, yes? :P

"LGRA[10:50:08] "LITAPerdy: Goodluck everyone! <3 : "LC800000
sticks out her tongue.

"LGRA[10:50:41] "LITADaniel : "LC000000 Well, at least let me see you
in your drunken sorrow...

"LGRA[10:51:16] "LITAPerdy: Goodluck everyone! <3 : "LC800000
no!

"LGRA[10:51:35] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I
dislike being seen in any pathetic state

"LGRA[10:51:58] "LITADaniel : "LC000000 Too bad.

"LGRA[10:53:36] "LITAPerdy: Goodluck everyone! <3 : "LC800000
sobs, almost muffled. I don't want to..

"LGRA[10:54:36] "LITADaniel : "LC000000 So?

"LGRA[10:58:02] "LITAPerdy: Goodluck everyone! <3 : "LC800000 oh
dear, that was horrible....horrible

"LGRA[10:58:41] "LITAPerdy: Goodluck everyone! <3 : "LC800000 I
thought some nice caledonian conversation might cheer me up, sure enough
a nice group of people is sitting talking about ancient rome, which I was
happy to indulge in

"LGRA[10:58:50] "LITAPerdy: Goodluck everyone! <3 : "LC800000
then this...squirrel avatar came along

|"LGRA[10:59:00] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 it was horrific!

|"LGRA[10:59:03] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 Horrific!

|"LGRA[10:59:39] |"LITADaniel :|"LC000000 Well deserved, I think.

|"LGRA[10:59:44] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 why!?

|"LGRA[10:59:50] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I have been in pain all day

|"LGRA[10:59:55] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I really didn't need that..

|"LGRA[10:59:57] |"LITADaniel :|"LC000000 You should be spending time with me instead.

|"LGRA[11:00:12] |"LITADaniel :|"LC000000 Instead you went to Caledon.

|"LGRA[11:00:41] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I didn't want you to see me..

|"LGRA[11:00:52] |"LITADaniel :|"LC000000 So you get a squirrel instead.

|"LGRA[11:00:57] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 ...

|"LGRA[11:00:59] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 *cries*

|"LGRA[11:01:00] |"LITADaniel :|"LC000000 Fair enough?

|"LGRA[11:01:39] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I mean..small squirrels is one thing

|"LGRA[11:01:46] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 but giant ones?

|"LGRA[11:01:56] |"LITADaniel :|"LC000000 mmhmm

|"LGRA[11:01:56] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 No, I don't dig that at all..

|"LGRA[11:02:48] |"LITADaniel :|"LC000000 Incidentally, drinking and SecondLife will not make you a world famous egyptologist... ;)

|"LGRA[11:03:13] |"LITADaniel :|"LC000000 See ya later...

|"LGRA[11:03:35] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 !

|"LGRA[11:03:41] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 where are you going?

|"LGRA[11:04:22] |"LITAPerdy: Goodluck everyone! <3 :|"LC800000 I was just about to ask you if you wanted to chat, but whatever, have a good day Mr.McShan

|"LGRA[11:09:43] |"LITADaniel :|"LC000000 I went outside...

"LGRA[11:09:50] "LITADaniel : "LC000000 and thought...

"LGRA[11:10:09] "LITADaniel : "LC000000 Drinking and SecondLife will not make you a world famous egyptologist.

"LGRA[11:10:23] "LITADaniel : "LC000000 Neither will attending Swansea, UCL or Oxford.

"LGRA[11:11:10] "LITADaniel : "LC000000 What will make you a world famous egyptologist is your will... our will.

"LGRA[11:12:00] "LITADaniel : "LC000000 With right will, even drinking and secondlife can be part of the path.

"LGRA[11:12:13] "LITADaniel : "LC000000 Even Swansea... even Leeds...

"LGRA[11:13:02] "LITADaniel : "LC000000 As for being "just about to ask me if I wanted to chat"...

"LGRA[11:13:20] "LITADaniel : "LC000000 If you had wanted to, you would have while I was desiring your attention...

As logic stands you couldn't meet a man
Who's from the future
But logic broke as he appeared he spoke
About the Future
"We're not gonna make it" He explained how
the end will come - you and me were never meant
to be part of the future -
All we have is now -
All we've ever had was now
All we have is now
All we'll ever have is now

I noticed that he had a watch and hat
That looked familiar
He was me - from a dimension torn free
Of the future
"We're not gonna make it" He explained how
the end will come - You and me were never meant
to be part of the future -
All we have is now -
All we've ever had was now
All we have is now
