"LGRA[07:17:15] "LITADaniel :)"LC000000 Disney is certain that the Pirate theme will take off and set a new industry trend toward more themed cruising.

"LGRA[07:17:31] "LITADaniel :)"LC000000 "Believe me," says Neanderthal, "When Jane Doe from Milwaukee goes home after a Disney Pirate Cruise and tells her coworkers that the waiters were surly and leering, the officers gruff and unshaven, swords everywhere and romance all around, we can start charging whatever we want for this experience. People like fantasy, and chicks dig pirates. When John Doe goes back to Salt Lake and tells his buddies that the serving wenches were hot and encouraged sexual intimidation and he got in a sword fight with an officer? Come on, they will be flocking to this cruise. Again, people like fantasy, and guys love to be pirates. Now I ask you, what American corporation owns fantasy? Only Disney. We are the pirates of fantasy. Who else to revive this sagging cruise industry?"

"LGRA[07:22:06] "LITADaniel :)"LC000000 "We'll soon be unveiling the Transatlantic Immigrant in Steerage Cruise, the Pilgrim Crossing, as well as the Africa to America Slave Ship Voyage," says the executive, "And we will charge high prices for these cruises. "LGRA[11:35:44] "LITADaniel :|LC000000 Incidentally, Psalm 69 (the Ministry track) is a reference to Aleister Crowley's "Book of Lies"

"LGRA[11:39:01] "LITADaniel :|LC000000 Largely because he wanted to be, I suspect...

"LGRA[11:39:57] "LITADaniel :|LC000000 I think it is interesting... like Theosophy... how western minds approached Egyptian and Hindoo wisdom...

"LGRA[11:40:12] "LITADaniel :|LC000000 Making it all weird and mystical...

"LGRA[11:40:38] "LITAPerdy: Who's up for another round of Senet!?:|LC800000 I actually hate him.

"LGRA[11:40:41] "LITAPerdy: Who's up for another round of Senet!?:|LC800000 I mean like hate hate

"LGRA[11:40:51] "LITADaniel :|LC000000 Have you reason to?

"LGRA[11:40:53] "LITAPerdy: Who's up for another round of Senet!?:|LC800000 I don't even have a reason for it

"LGRA[11:40:58] "LITAPerdy: Who's up for another round of Senet!?

|”LGRA[11:42:18] |”LITAPerdy: Who’s up for another round of Senet!?

:|”LC800000 Aleister crowley was a chess master, mountain climber, poet, astrologer, drug experiemnter. How many of those can you tick off?

|”LGRA[11:44:21] |”LITADaniel :|”LC000000 I think he’s merely representative of the early intercourse of western and eastern thought...

|”LGRA[11:44:34] |”LITADaniel :|”LC000000 Which was later refined in the 50s and 60s...

|”LGRA[11:44:44] |”LITADaniel :|”LC000000 And now is considered quite passe.

|”LGRA[11:46:24] |”LITAPerdy: Who’s up for another round of Senet!?

"LGRA[12:00:22] "LITADaniel : "LC000000 I thought maybe an old friend?

The Request

From: angelactress4u@hotmail.com

My Isibella....

In case your forgot, your task is to tell me
I do not forget.

1) why and how you are a naughty girl (details are encouraged)
Because I indulge in whorish activities purely to try and invoke some negative feeling in you.

I have a very flirtatious nature, I flirt with every boy I meet, I tempt and tease them, sometimes I let them touch me, be it from a sensual quick hug with a little grope in the street for no reason, to having them pick me up and whisk me down the halls, their hands cupped below my almost base ass in order to hold me up, and as they do pick me up I shriek and giggle excitedly, sometimes letting them dance with me and feel me close, sometimes I grind myself back against their crotch, and sometimes letting them steal a kiss. Knowing full well I have promised you I would not kiss them, and this is the thrill the risk in my mind as I do it.

2) why I am uniquely qualified to handle/control/punish/reward you
Why are you uniquely qualified to handle me? In truth I do not think that you are. It is true that you are able to control me to some minor extent; I have not really gone anywhere yet have I? So points for that. I believe that

you could punish me, really I do not doubt that and I find it very hot. But really do look back and think how many times I have actually listened or done as you asked, I am unruly and I enjoy it far too much, it is my nature. But I suppose if there were a possibility of anyone in the universe being able to handle me you would be at the top of that list.

But if you had any reason for being qualified above others to handle me it would be as simple as this. You know me.

You are unique to me and most likely the only man I take serious, the rest even in my submission I am secretly mocking. (Or sometimes openly.)

3) how you think I might go about this impossible task (again, details)

To go about this impossible task

Uh I do think it is rather impossible. I myself would not know how to go about it.

The action regarding the artefacts was very successful; it was one of the few times where I thought Shit maybe I should actually do as he wants.

Find something that you enjoy that I genuinely find humiliating, then have me do that exact one thing every time I am out of order or fuck up, the psychology behind this being that I will then recall the action and refrain from doing it again in order to avoid the punishment. And then in the unlikely or likely case that I am naughty again (example: kissing Leo again) at least you can get some pleasure out of knowing Ill have to do something you enjoy.

Your problem is this, while you are across the seas there is little you can actually do to enforce your request or see that it is carried through.

Knowing that there is no actual threat of you being here I am able to snuff you and deny you, this is why it is impossible.

4) why should I bother?

Why should you bother? As you are stroking my long soft blonde hair as you hold my head down over your cock as I willingly suck on you to please you not some weeks from now then you will know why you bothered.

"LGRA[13:26:39] "LITADaniel : "LC000000 You have pretty much hung yourself...

"LGRA[13:26:46] "LITAIsibella : "LC800000 I am telling you what I am going to do, and right now for this year and the next I need to find someone in England to look after me

"LGRA[13:27:11] "LITADaniel : "LC000000 While I appreciate the sentiment, we both know that will not work.

"LGRA[13:27:23] "LITAIsibella : "LC800000 why?

"LGRA[13:27:41] "LITADaniel : "LC000000 You imagine a boy, a good boy, to look after you?

"LGRA[13:27:58] "LITADaniel : "LC000000 Who you will not love but who will take care of you.

"LGRA[13:28:17] "LITADaniel : "LC000000 Who will tolerate the fact that you are in love with another?

"LGRA[13:28:25] "LITADaniel : "LC000000 Or perhaps you would keep that a secret.

"LGRA[13:28:38] "LITADaniel : "LC000000 Either way, you end up way in the negative karma column...

"LGRA[13:28:50] "LITADaniel : "LC000000 The boy is destroyed, and you are just that much more bitter.

"LGRA[13:29:16] "LITAIsibella : "LC800000 sure the boy gets destroyed

"LGRA[13:29:36] "LITADaniel : "LC000000 No, that is no solution.

"LGRA[13:29:40] "LITAIsibella : "LC800000 but i'll have money and a place to escape to on weekends, I damn can't come back here every weekend.

"LGRA[13:29:50] "LITAIsibella : "LC800000 I have needs, like you know having a nice long bath

"LGRA[13:29:51] "LITADaniel : "LC000000 I will not tolerate any more destruction.

"LGRA[13:30:02] "LITADaniel : "LC000000 Find a girlfriend to go home with.

"LGRA[13:30:14] "LITAIsibella : "LC800000 girlfriends will not buy me clothes

"LGRA[13:30:20] "LITAIsibella : "LC800000 or take me out to museums

"LGRA[13:30:30] "LITAIsibella : "LC800000 or anything like that, or drive me round places

"LGRA[13:30:51] "LITADaniel : "LC000000 You have a choice.

"LGRA[13:31:01] "LITADaniel : "LC000000 It is a very easy choice.

"LGRA[13:31:09] "LITADaniel : "LC000000 But I'm certain you will

make it difficult.

|"LGRA[13:31:18] |"LITADaniel :|"LC000000 You are mine.

|"LGRA[13:31:27] |"LITADaniel :|"LC000000 That really isn't the choice.

|"LGRA[13:32:02] |"LITADaniel :|"LC000000 The choice is to go with the universe or against it.

|"LGRA[13:32:16] |"LITAIsibella :|"LC800000 what does this have to do with anything?

|"LGRA[13:32:48] |"LITAIsibella :|"LC800000 I wasn't asking your opinion, I was simply telling you

|"LGRA[13:33:35] |"LITADaniel :|"LC000000 Therefore I tell you,

|"LGRA[13:33:53] |"LITADaniel :|"LC000000 do not worry about your life, what you will eat or drink; or about your body, what you will wear.

|"LGRA[13:34:13] |"LITADaniel :|"LC000000 Is not life more important than food, and the body more important than clothes?

|"LGRA[13:34:43] |"LITADaniel :|"LC000000 Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?

|"LGRA[13:34:54] |"LITADaniel :|"LC000000 Who of you by worrying can add a single hour to his life?

|"LGRA[13:35:05] |"LITADaniel :|"LC000000 And why do you worry about clothes?

|"LGRA[13:35:16] |"LITADaniel :|"LC000000 See how the lilies of the field grow. They do not labor or spin.

|"LGRA[13:35:32] |"LITADaniel :|"LC000000 Yet I tell you that not even Solomon in all his splendor was dressed like one of these.

|"LGRA[13:36:01] |"LITADaniel :|"LC000000 If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you, O you of little faith?

|"LGRA[13:36:41] |"LITADaniel :|"LC000000 So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the pagans run after these things and your heavenly Father knows that you need them.

|"LGRA[13:37:01] |"LITADaniel :|"LC000000 But seek first his kingdom and his righteousness,

|"LGRA[13:37:10] |"LITADaniel :|"LC000000 AND ALL THESE THINGS WILL BE GIVEN TO YOU AS WELL

|"LGRA[13:37:23] |"LITADaniel :|"LC000000 Therefore do not worry about tomorrow, for tomorrow will worry about itself.

"LGRA[13:38:54] "LITADaniel : "LC000000 It's always so... messy.

"LGRA[13:39:34] "LITADaniel : "LC000000 I think....

"LGRA[13:39:47] "LITADaniel : "LC000000 I think you should ask my opinion.

This is not really an option that I extend to all of Perdita's suitors (and the path is quite littered with their zombified remains, I assure you), but you seem to be so intent on destroying us and have really made such an impressive show of making her unhappy, that I feel obliged to at least extend to you the offer.

I am certain that even after a thorough diagnosis you will say something

about how psychopaths look "just like everyone else" or some nonsense. But, my purpose is not to placate your bizarre fantasies about who and what I am, but rather to give you an opportunity to explain them to me. I am rather curious as to the mind that is so set upon my destruction as to destroy a friendship with a very cool girl - for surely you are destroying it with your present course.

Sincerely yours,

Maiden Stone

The maiden daughter of the Balquhain Lord
So long ago was to be wed today.
All was set so a legend could be born.
Her only one true love was on the way.

But drama struck, as it so often does...
One autumn morn down by the flour mill
A stranger! So handsome she thought he was.
Seduced the maiden to a duel of will

Lost and forced to swallow all his semen.
True love heard the news, his face such a frown
And he recognized the evil demon.
But he forgave though she had let him down.

Yet once more time the demon chased the maid
Intent to have her, he grabbed her collar bone
"Please save my soul, for I cannot", she prayed.
And in that instant turned into a stone.

The stone you see before your very eyes.
The gash is where the devil kept his grip.
This is what comes of teasing and of lies.
Beware, my love... do not let your faith slip.

Amused

You have for months your self abused.
Much to my dismay and to your suff'ring.

For the past days I have your body used.
Such passion, such poetry, such drama.

For over a week I have my scheme to tell refused.
Even now, you wonder about the plans.

But now, it is the time for you to be amused!
And so we head on back to Aberdeen!

Phantom

And now, as expected, it is time for Phantom.
In the mirror, behind your mask, I am the one you seek.

The End Of The Work

How shall we end such epic poetry?
Do you remember how it all began?
There was a game of chess we did not really play
Within a game, within a game, within our own reality.
In about two days, I proposed to you, for you to be all mine.
You accepted, and the rest is just acting out the part.
We dance to dance, there is no point, the play is done.
And when the song does end, we stay in our embrace.
The next begins, a different tune, and we dance and dance again.

discussions about TV characters

In short, his wits being quite gone, he hit upon the strangest notion that ever madman in this world hit upon, and that was that he fancied it was right and requisite, as well for the support of his own honour as for the service of his country, that he should make a knight-errant of himself, roaming the world over in full armour and on horseback in quest of adventures, and putting in practice himself all that he had read of as being the usual practices of knights-errant; righting every kind of wrong, and exposing himself to peril and danger from which, in the issue, he was to reap eternal renown and fame.

and so, led away by the intense enjoyment he found in these pleasant fancies, he set himself forthwith to put his scheme into execution.

Sally the ingenious

Which treats of the first sally the ingenious donna made from home
and so comforting himself he pursued his way, taking that
which his horse chose, for in this he believed lay the essence of
adventures.

III

Wherein is related the way in which Dona Quixote had herself beatified

IV

Of what happened when she left the inn

He now came to a road branching in four directions, and immediately
he
was reminded of those cross-roads where knights-errant used to stop to
consider which road they should take. In imitation of them he halted for
a while, and after having deeply considered it, he gave Rocinante his
head, submitting his own will to that of his hack, who followed out his
first intention, which was to make straight for his own stable.

"If I were to show her to you," replied Don Quixote, "what merit would
you have in confessing a truth so manifest? The essential point is that
without seeing her you must believe, confess, affirm, swear, and defend
it; else ye have to do with me in battle, ill-conditioned, arrogant
rabble that ye are

And yet he esteemed himself
fortunate, as it seemed to him that this was a regular knight-errant's
mishap, and entirely, he considered, the fault of his horse. However,

battered in body as he was, to rise was beyond his power.

V

In which the narrative of our saint's mishap is continued

"I know who I am," replied Don Quixote, "and I know that I may be not only those I have named, but all the Twelve Peers of France and even all the Nine Worthies, since my achievements surpass all that they have done all together and each of them on his own account.

and then he would drink a great jug of cold water and become calm and quiet, saying that this water was a most precious potion which the sage Esquife, a great magician and friend of his, had brought him.

book burning

"Hold!" said he, "for I am badly wounded through my horse's fault; carry me to bed, and if possible send for the wise Urganda to cure and see to my wounds."

The moment the housekeeper saw them she turned about and ran out of the room, and came back immediately with a saucer of holy water and a sprinkler, saying, "Here, your worship, senor licentiate, sprinkle this room; don't leave any magician of the many there are in these books to bewitch us in revenge for our design of banishing them from the world."

"These must be, not chivalry, but poetry," said the curate; and opening one he saw it was the "Diana" of Jorge de Montemayor, and, supposing all the others to be of the same sort, "these," he said, "do not deserve to be burned like the others, for they neither do nor can do the mischief the books of chivalry have done, being books of entertainment that can hurt no one."

"Ah, senor!" said the niece, "your worship had better order these to be burned as well as the others; for it would be no wonder if, after being cured of his chivalry disorder, my uncle, by reading these, took a fancy to turn shepherd and range the woods and fields singing and piping; or, what would be still worse, to turn poet, which they say is an incurable and infectious malady.

But what book is that next it?"

"The 'Galatea' of Miguel de Cervantes," said the barber.

"That Cervantes has been for many years a great friend of mine, and to my knowledge he has had more experience in reverses than in verses. His book has some good invention in it, it presents us with something but brings nothing to a conclusion: we must wait for the Second Part it promises: perhaps with amendment it may succeed in winning the full measure of grace that is now denied it; and in the mean time do you, senor gossip, keep it shut up in your own quarters."

"It was not the devil," said the niece, "but a magician who came on a cloud one night after the day your worship left this, and dismounting from a serpent that he rode he entered the room, and what he did there I know not, but after a little while he made off, flying through the roof, and left the house full of smoke; and when we went to see what he had done we saw neither book nor room: but we remember very well, the housekeeper and I, that on leaving, the old villain said in a loud voice that, for a private grudge he owed the owner of the books and the room, he had done mischief in that house that would be discovered by-and-by: he said too that his name was the Sage Munaton."

"He must have said Friston," said Don Quixote.

"I don't know whether he called himself Friston or Friton," said the housekeeper, "I only know that his name ended with 'ton.'"

"So it does," said Don Quixote, "and he is a sage magician, a great enemy of mine, who has a spite against me because he knows by his arts and lore that in process of time I am to engage in single combat with a knight whom he befriends and that I am to conquer, and he will be unable to prevent it; and for this reason he endeavours to do me all the ill turns that he can; but I promise him it will be hard for him to oppose or avoid what is decreed by Heaven."

Don Quixote, among other things, told him he ought to be ready to go with him gladly, because any moment an adventure might occur that might win an island in the twinkling of an eye and leave him governor of it.

"What giants?" said Sancho Panza.

"Those thou seest there," answered his master, "with the long arms, and

some have them nearly two leagues long.”

”Look, your worship,” said Sancho; ”what we see there are not giants but windmills, and what seem to be their arms are the sails that turned by the wind make the millstone go.”

”It is easy to see,” replied Don Quixote, ”that thou art not used to this business of adventures; those are giants; and if thou art afraid, away with thee out of this and betake thyself to prayer while I engage them in fierce and unequal combat.”

”God bless me!” said Sancho, ”did I not tell your worship to mind what you were about, for they were only windmills? and no one could have made any mistake about it but one who had something of the same kind in his head.”

”Hush, friend Sancho,” replied Don Quixote, ”the fortunes of war more than any other are liable to frequent fluctuations; and moreover I think, and it is the truth, that that same sage Friston who carried off my study and books, has turned these giants into mills in order to rob me of the glory of vanquishing them, such is the enmity he bears me; but in the end his wicked arts will avail but little against my good sword.”

and then,
discussing the late adventure, they followed the road to Puerto Lapice, for there, said Don Quixote, they could not fail to find adventures in abundance and variety, as it was a great thoroughfare.

”Here, brother Sancho Panza,” said Don Quixote when he saw it, ”we may plunge our hands up to the elbows in what they call adventures; but observe, even shouldst thou see me in the greatest danger in the world, thou must not put a hand to thy sword in my defence, unless indeed thou perceivest that those who assail me are rabble or base folk; for in that case thou mayest very properly aid me; but if they be knights it is on no account permitted or allowed thee by the laws of knighthood to help me until thou hast been dubbed a knight.”

”Most certainly, senor,” replied Sancho, ”your worship shall be fully obeyed in this matter; all the more as of myself I am peaceful and no friend to mixing in strife and quarrels: it is true that as regards the

defence of my own person I shall not give much heed to those laws, for laws human and divine allow each one to defend himself against any assailant whatever."

"That I grant," said Don Quixote, "but in this matter of aiding me against knights thou must put a restraint upon thy natural impetuosity."

"I will do so, I promise you," answered Sancho, "and will keep this precept as carefully as Sunday."

"Either I am mistaken, or this is going to be the most famous adventure that has ever been seen, for those black bodies we see there must be, and doubtless are, magicians who are carrying off some stolen princess in that coach, and with all my might I must undo this wrong."

"This will be worse than the windmills," said Sancho. "Look, senor; those
are friars of St. Benedict, and the coach plainly belongs to some travellers: I tell you to mind well what you are about and don't let the devil mislead you."

"I have told thee already, Sancho," replied Don Quixote, "that on the subject of adventures thou knowest little. What I say is the truth, as thou shalt see presently."

But it spoils all, that at this point and crisis the author of the history leaves this battle impending, giving as excuse that he could find nothing more written about these achievements of Don Quixote than what has been already set forth.

IX

And so I could not bring myself to believe that such a gallant tale had been left maimed and mutilated, and I laid the blame on Time, the devourer and destroyer of all things, that had either concealed or consumed it.

The alter history...

With trenchant swords upraised and poised on high, it seemed as though the two valiant and wrathful combatants stood threatening heaven, and earth, and hell, with such resolution and determination did they bear themselves.

X

"Thou must take notice, brother Sancho, that this adventure and those like it are not adventures of islands, but of cross-roads, in which nothing is got except a broken head or an ear the less: have patience, for adventures will present themselves from which I may make you, not only a governor, but something more."

"Peace, friend," answered Don Quixote; "greater secrets I mean to teach thee and greater favours to bestow upon thee; and for the present let us see to the dressing, for my ear pains me more than I could wish."

Maid of Menie

What winds hath brought me to this Menie shore?
A place too real to have been but a dream.
Tis here I found the maid I do adore.
And yet, the lass and land remain unseen.

Lost in illusion of past and future
The ocean waves torment the sandy gold.
Grey skies too oft the splendid orb obscure
Her sprit still shines in the bitter cold.

I know this beach, between sea and earth
On which journeys begin and some shall end.
Inspiring songs of death and birth.
When some hearts do break and some do mend.

Tis at this edge I wait upon the morning dove
Who's cry reminds me of the one I love.

Amun-Re

Re, a drop of golden sun... Our Poet.

I am the Ka of Our Poet, the spirit, the creative power
You are the Ba of Our Poet, the soul

With Our Poet, I was made, on Khnum's wheel
 To create!
 You, daughter of Amun, the breath of life, which inspires.

My phoenix leaves me in the night
 Collecting others.
 She steals their ka to feed me.
 Fluttering back to me,
 "For your Ka" she says, and
 Their energy I do consume.

From the corpse of Our Poet, entombed,
 she seeks me.
 In our union we become the immortal akh.

Twin Flame

ow is the story of Love.

You were never lonely because I was always there.
 Your breath winding through me in graceful dance.
 My lips on your heart, fire on your touch,
 Frolicking in the eternal timelessness.

Then we said, my love, let's meet again.
 Lets make it possible to meet again.
 For I want to know the joy of trusting in you when I cannot see you.

And we created the Universe.

Why? So that we can ask why. Simple.
 We found ourselves on opposite sides of the universe,
 And we had our adventure,
 Because what is the greatest adventure but the journey back home.
 What is the greatest joy but the joy of finding love.
 The joy of knowing that you are always there,
 Even when I forget.

Every now and then, we would meet a passing soul,
 With the twinkle in their eye that reminds you of me.
 Or the knowing smile that reminds me of you.

Here I stand in a time and place, in my illusion,
 Feeling so far away.
 Dying and breathing still. And I awake in bliss, everytime I die.
 For I am breathing! And lo and behold, it is you breathing.
 I remember you. My sweet love. My contentment.
 My hearts desire. My divine elixir. My Goddess.
 I am coming to you.

Along my journey I have let myself be mislead,
 I have thought you to be a dream, a fantasy.
 Even when my every breath is melting with yours.
 Curious signs lead the roads to your body.
 And the world tells me not to trust them.
 I listen.
 Until one day, I trust in you.
 So, I smile at the world, like a
 Father smiles on a child,
 And I hold the world in my hands and
 Guide it with me,
 We are coming to you.

As I retrace my steps, and you, yours,
 I learn why I was mislead.
 I had always known in the depths of my grace,
 That you were there.
 And feeling a part of me apart from me,
 I had thought you were everywhere.
 I was right, but I was wrong.
 You were in a smile I saw today,
 But it wasn't you.
 You were in the laughs I heard today,
 But it wasn't you.
 You were in the words I heard today,
 But it wasn't you.
 It makes me laugh now to know your door was always open,
 That I was always destined to enter yours.
 And as many times as I have died,
 You have always forgiven me.
 It makes me laugh for being so foolish.
 I had denounced you, you whom I cannot denounce.

For you are I, and I you.
 So, I am coming.
 Inside you.

We have looked to the stars,
 Wished upon the stars,
 While my soul whispered that
 That which we create shall always stay faithful.
 While your heart sang, saying,
 I love you.
 And it was my voice.

I love you.

The more I listen to your voice in my heart,
 The closer I come to you.
 It is inevitable.
 One day, I find myself at your door.
 I knock, and you answer.
 Our eyes meet.
 Time vanishes.
 And we experience the joy of meeting again.
 And we learn the meaning of life.
 The meaning of breathing as one.
 Hello, my love.

[8:35] You: But, would be nice to have a steady baseline of income.

[8:35] Steelwolf Pascal: Yes, see, this is to be a Truly upscale club, which means there are no gimmicks whatsoever

[8:36] You: Agreed.

[8:36] Steelwolf Pascal: And while yes, it would be nice to do the monthly, it would be more than the market would bear

[8:36] Steelwolf Pascal: There is to be no trash and flash,

[8:36] Steelwolf Pascal: Now, we can advertise

[8:37] Steelwolf Pascal: but it has to be done with the Utmost in disgres-sion and taste

[8:38] You: I do like the idea of an exclusive private club... invitation only...

[8:38] Steelwolf Pascal: And I have to pay for the island this month, and do not even have half of it

[8:38] Steelwolf Pascal: Yes

[8:38] You: Advertising... maybe just word of mouth?

[8:39] You: For surely there is nothing like this...

[8:39] Absinthe Nosferatu: Hey, Rogue, you are running this with us correct?

[8:39] Steelwolf Pascal: But, it has been word of mouth so far

[8:39] Steelwolf Pascal: You have been half sounding like it,

[8:39] Rogue Desmoulins smiles, "I run you, my dear."

 [9:26] twistedsweet Lollipop: it was amazing
 [9:33] Absinthe Nosferatu: Alright So Isis had a twin sister named Nephthys
 [9:33] Rogue Desmoulins looks over to his soul... and smiles.
 [9:34] Absinthe Nosferatu: Nephthys knew that Isis was happily married to Osiris in soul
 [9:35] Absinthe Nosferatu: and so she was full of envy that they were soul mates, she would sit outside their house every night, weeping
 [9:35] Absinthe Nosferatu: One day Osiris returned home to find Nephthys sitting outside his house
 [9:35] Absinthe Nosferatu: now Nephthys was the twin of Isis, and looked exactly like her
 [9:35] Absinthe Nosferatu: so he assumed it was Isis and took her into his house
 [9:36] Absinthe Nosferatu: He made love to her and as a result Nephthys became pregnant with a son
 [9:37] Absinthe Nosferatu: She was ashamed at what she had done and decided she would get rid of the child once it was born.
 [9:37] Absinthe Nosferatu: When the time came she ran into the reeds of the nile and gave birth to Anubis, her son.
 [9:38] Absinthe Nosferatu: Isis was watching from a small fishing boat, and saw what had happened.
 [9:38] Meis Daligdig: ooh dood morning or afternoon :)))
 [9:38] Meis Daligdig: good
 [9:38] Absinthe Nosferatu: Good day Miss ^^
 [9:38] Meis Daligdig: didn't see you both :))
 [9:38] You: Good morning to you.
 [9:38] Meis Daligdig: sorry
 [9:39] Absinthe Nosferatu: Anyway so Isis went to her sister..
 [9:40] Absinthe Nosferatu: And told her it was ok, Isis agreed to care for the boy even though it was not her own
 [9:40] Absinthe Nosferatu: And so Isis returned home with Anubis and Osiris and Isis raised him as their own child
 [9:41] Absinthe Nosferatu: Nephthys was married to the god of Chaos, Set,

who was well in short a woman beater amongst many things

[9:42] Absinthe Nosferatu: Every night he would rape her, and of course when he found out that she had been with Osiris his arch enemy!

[9:44] Rogue Desmoulins looks at her, in wonder.

[9:45] You: Are you okay, my dear?

[9:45] Absinthe Nosferatu: Oh yes..Fine..

[9:46] Rogue Desmoulins awaits the denouement for the tale.

[9:47] You: In which Nephthys leaves Set and follows Osiris.

[9:47] Absinthe Nosferatu: Oh, you musn't of gotten the rest of my text?

[9:47] Absinthe Nosferatu sighs.

[9:47] Absinthe Nosferatu: I always talk to myself when I get disconnected

[9:48] You: Last I knew, Set found out that she had bin with Osiris.

[9:48] Absinthe Nosferatu: lol it's like a soap opera!

[9:48] Absinthe Nosferatu: So all the Goddesses were advising Nephthys to leave her abusive husband

[9:48] You: Yes, very human.

[9:49] Absinthe Nosferatu: and eventually one night she snuck away, Isis and Osiris offered for her to come and live with them as a secondary wife

[9:49] Absinthe Nosferatu: and she accepted

[9:50] Absinthe Nosferatu: and then Set found out his wife had now left him for Osiris

[9:50] Absinthe Nosferatu: of course he was fuming with rage...

[9:51] Absinthe Nosferatu: Osiris at this time, known as the Pharaoh Asar

[9:51] Absinthe Nosferatu: also held all the power, poor Set had nothing, but no one with any sense settles for second place.

[9:51] Absinthe Nosferatu: Osiris didn't even apologise for his actions, he was the Pharaoh why need to?

[9:52] Absinthe Nosferatu: So then to the suprise of everyone

[9:52] Absinthe Nosferatu: Set held a party!

[9:52] Absinthe Nosferatu: And invited all the Gods to come, it was held by banks of the Nile near the ancient capital Memphis

[9:52] Absinthe Nosferatu: anicent*

[9:52] Absinthe Nosferatu: ancient* ><;

[9:53] Absinthe Nosferatu: Anyway Set had uh, goons, lackys, people to carry out his evil deeds.

[9:53] Absinthe Nosferatu: And all the people serving food at the party were indeed his goons.

[9:54] Absinthe Nosferatu: And then in the middle of the room was a giant wood box, beautifully decorated, inlaid with gold!

[9:55] Absinthe Nosferatu: Everyone wanted this box when they saw it,

they all wanted it to put in their tombs.

[9:55] Absinthe Nosferatu: So Set claimed "Anyone who can fit in this box, may keep it for their own!"

[9:55] Absinthe Nosferatu: So everyone tried to get in this box, but alas it would not fit them!

[9:56] Absinthe Nosferatu: All the Goddesses were too short, and the gods too large

[9:56] Absinthe Nosferatu: Then Osiris came to the box, and suprisingly it fit him perfectly

[9:56] Absinthe Nosferatu: Suddenly Seth slammed shut the lid of the box, trapping Osiris inside

[9:57] Absinthe Nosferatu: of course the Gods were outraged, but there were so many of Seths minions they could do nothing!

[9:57] Absinthe Nosferatu: Osiris begged to be let out the box, Seth opened the box as he asked..

[9:58] Absinthe Nosferatu: Only with a large scythe in his hand.

[9:58] Absinthe Nosferatu: He cut his Osiris up into several neat parts, in order to prevent him going to the underworld.

[9:58] Absinthe Nosferatu: He then closed the lid once more, and had the box thrown into the Nile

[9:59] Absinthe Nosferatu: Of course the box opened as it fell and Osiris bits came out everywhere

[9:59] Absinthe Nosferatu: Isis was distraught, Seth now crowned himself King of Egypt

[10:00] Absinthe Nosferatu: He had his revenge on Isis and Nephthys in bed for what they had done and both were made servants

[10:00] Rogue Desmoulins is quite completely enthralled...

[10:01] Absinthe Nosferatu: Isis couldn't take the humiliation..

[10:01] Absinthe Nosferatu: She went weeping, walking down the Nile bank

[10:01] Absinthe Nosferatu: Her sister Nephthys joined her and together they went looking for the parts of Osiris

[10:02] Absinthe Nosferatu: Every time they found a "bit" of Osiris they would build a temple by the bank where they found it, these temples still exist today.

[10:02] Absinthe Nosferatu: They found all of Osiris aside from one part...

[10:02] Absinthe Nosferatu: His uh, manhood

[10:03] Absinthe Nosferatu: A fish had eaten it you see!

[10:03] Rogue Desmoulins looks amazed!

[10:03] You: Oh my.

[10:03] Absinthe Nosferatu: Isis sat by the Nile crying for she could not bring her husband back to life without all of him!

[10:04] Absinthe Nosferatu: The fish saw her weeping and came to her

[10:04] Absinthe Nosferatu: she cut open the fish and found the missing part! ^^;

[10:04] Rogue Desmoulins is clearly relieved.

[10:04] Absinthe Nosferatu: She then she carefully put her husband back together

[10:05] Absinthe Nosferatu: However he..Unsurprisingly didn't come to life.

[10:05] Absinthe Nosferatu: So she decided to conceive a child with the corpse of her husband

[10:06] Rogue Desmoulins is again tense.

[10:06] Absinthe Nosferatu: But..He kept falling to bits when she tried to mount him (it's true I swear!)

[10:06] Rogue Desmoulins giggles.

[10:06] Absinthe Nosferatu: So then she was clever

[10:06] Absinthe Nosferatu: she took the form of a hawk

[10:06] Absinthe Nosferatu: and uh mounted herself in that form

[10:07] Absinthe Nosferatu: there are some real funny pictures of that, but anyway

[10:07] Absinthe Nosferatu: So she was pregnant now, she didn't tell Set it was her main task to bring this child into the world so that it could seek revenge on Set

[10:08] Absinthe Nosferatu: And uh, Set continued having his way with her

[10:08] Absinthe Nosferatu: But they were worried he would start to see her growing fat

[10:08] You: I should like to see the pictures...

[10:08] Rogue Desmoulins muses, "I do like pictures..."

[10:09] Absinthe Nosferatu: And so she knew she had to run away! (I will try find a picture, one moment)

[10:15] Steelwolf Pascal: Yup, Come see my town

[10:15] Absinthe Nosferatu sighs. "Sorry can't find it, not sure what to type for it really."

[10:15] You: Some other time. Do go on...

[10:17] Absinthe Nosferatu: Ok well Isis had tried to run away, several times before you see!

[10:17] Absinthe Nosferatu: But every time, Set would personally go and bring her back

[10:17] Absinthe Nosferatu: So this time she enlisted the help of a Goddess

named Selquet, a scorpion goddess

[10:19] Absinthe Nosferatu: Isis was growing heavily pregnant and had to leave, so Nephthys, poor Nephthys always the minor character with the most hardships, held of Set in bed one night so that Isis could escape

[10:19] Absinthe Nosferatu: poor*

[10:20] Absinthe Nosferatu: eep sorry

[10:21] You: Poor Nephthys...

[10:21] Absinthe Nosferatu: So Isis left, followed by 7 scorpions

[10:21] Absinthe Nosferatu: who were sent to protect her by Selket

[10:22] Absinthe Nosferatu: Selket is also another form of the goddesses name but anyway Isis left in the night but had nowhere to go!

[10:22] Absinthe Nosferatu: Some people were kind and allowed the ex Queen to shelter

[10:22] Absinthe Nosferatu: Then one woman refused and shut the door in her face

[10:23] Absinthe Nosferatu: Isis was angry, one of the scorpions slipped under the door and killed the daughter of the woman who refused to let Isis stay

[10:24] Absinthe Nosferatu: Isis sheltered in a small mud brick house for a while until she was on the verge of giving birth, she got kicked out for the family feared Set would come for them

[10:24] Absinthe Nosferatu: pregnant she went to doors knocking, no one would offer her shelter to give birth

[10:25] Absinthe Nosferatu: And so, like her sister she had to settle for the reeds and give birth in the waters of the Nile.

[10:25] Absinthe Nosferatu: She gave birth to Horus, two snakes were sent by Set to kill the baby, however the baby Horus tamed them both as he had the same power as his father.

[10:27] Absinthe Nosferatu: Isis ran away, aided by Thoth the God of wisdom, she was a nanny for some time to an unknown foreign princess

[10:27] Absinthe Nosferatu: In the gardens of the palace she noticed a pillar, that reminded her of her husband!

[10:27] Absinthe Nosferatu: Inside the pillar was her husband's spirit, who was now the ruler of the underworld, the pillar is known as a djed pillar

[10:31] You: You are flaky today, my love.

[10:31] Absinthe Nosferatu sobs.

[10:31] Absinthe Nosferatu: Should be ok now..

[10:31] Absinthe Nosferatu: Ok so Isis was fond of the princess's toddler son who was about the same age as Horus

[10:31] Absinthe Nosferatu: So she killed the princess and stole the son in

the middle of the night to have him as her own also

[10:32] Absinthe Nosferatu: however while on the boat leaving the toddler refused to stop crying

[10:32] Absinthe Nosferatu: Isis grew angry and decided she no longer wanted the child and threw it into the water

[10:33] Absinthe Nosferatu: Anyway she returned to Egypt when Horus became old enough to protect himself

[10:33] Absinthe Nosferatu: Set was...Strangly welcoming, plottingly even

[10:33] Absinthe Nosferatu: Things returned to normal, and Set was often asking Horus over to see him

[10:34] Absinthe Nosferatu: Horus was uh, being raped by his uncle set.

[10:34] You: Oh my.

[10:34] Absinthe Nosferatu: One day Horus came home and told his mother Isis what set had been doing to him

[10:35] Absinthe Nosferatu: So Isis told Horus that the next time they were having sex, he had to catch some of set's sperm and keep it (in ancient egypt if you had that you had power over the man)

[10:35] Absinthe Nosferatu: So he did that, which shocked poor Set

[10:36] Absinthe Nosferatu: Where the sperm fell the first cabbage grew! So you know they white watery stuff in cabbages? XD

[10:36] You: Oh my.

[10:36] Absinthe Nosferatu: So then when Horus was old enough he decided to take full revenge on Set for his fathers death

[10:36] You: That is... disgusting.

[10:37] You: But beautiful!

[10:38] You: And..?

[10:38] Absinthe Nosferatu: They had a fight, and whoever would win would be the King of Egypt and the loser would get 3 wives, one of them being the beautiful war goddess Neith

[10:39] Absinthe Nosferatu: Of course, Gods fight dirty

[10:39] Absinthe Nosferatu: Set still had a soft spot for Horus, sexually that is

[10:39] Absinthe Nosferatu: And uh, raped him again before the fight, so during the fight emotionally Horus was reluctant to fight him

[10:40] Absinthe Nosferatu: So set took the first move and gauged out one of Horus' eyes!

[10:40] Absinthe Nosferatu: Poor Horus was blinded in one eye, luckily tho caught the eye and it became the infamous "eye of Horus"

[10:41] Absinthe Nosferatu: The fith continued and Horus was consumed by rage and in short beat the hell out of Set and was intent on killing him

too despite the rules they had set out!

[10:41] Absinthe Nosferatu: Isis ran up at the last moment in front of Set and Begged Horus not to kill him (clearly set had been good in bed or something)

[10:42] Absinthe Nosferatu: Horus was shocked that his mother was protecting the one who killed her husband!

[10:42] Absinthe Nosferatu: He denounced his mother as a whore and cut off her head on the spot!

[10:43] You: Hmm.

[10:43] Absinthe Nosferatu: Luckily, tho the god of wisdom was there and cut off the head of a nearby cow, replacing the head of the cow on Isis's own body

[10:43] You: Luckily.

[10:43] Absinthe Nosferatu: So often Isis in her later days can be told because she has a cow's head ^^;

[10:44] Absinthe Nosferatu: Horus felt bad and lowered his spear allowing Seth to live

[10:44] Absinthe Nosferatu: Set was unhappy but his 3 new wives soon changed that!

[10:44] Absinthe Nosferatu: Horus was then crowned the King of Egypt ^^

[10:44] Absinthe Nosferatu: And that is about where that story ends

[10:45] Absinthe Nosferatu: it was a revenge thing really.

[10:45] You: Revenge always makes for a good story

[10:45] Absinthe Nosferatu: Oh and Nephthys went back to Set, because wives of woman beaters always do.

[10:46] You: You are a marvelous storyteller.

[10:46] You: So Osiris never came back, as such?

[10:47] Absinthe Nosferatu: He was alive for a few seconds maybe?

[10:47] Absinthe Nosferatu: He pretty much stayed in the Underworld after that

[10:47] Absinthe Nosferatu: judging people and whatnot

[10:48] Absinthe Nosferatu: People always assume he is green because of his corpse but it isn't the case!

[10:48] You: He's blue?

[10:48] Absinthe Nosferatu: He is green to represent fertility.

[10:48] Rogue Desmoulins winks.

[10:49] Absinthe Nosferatu: there were three blue Egyptian gods

[10:49] Absinthe Nosferatu: Heh the god of Magic, Nun the REAL evil god of chaos, and Hapi the Nile god with boobs

[10:49] Rogue Desmoulins wonders if perhaps he needs boobs.

[10:50] Absinthe Nosferatu: lol

[10:50] Absinthe Nosferatu: youd be hapi then!

[10:50] Absinthe Nosferatu: ok enough with the bad puns

[10:53] Absinthe Nosferatu: But also another thing I love about that story is the fact everyone thinks Isis is this wonderful motherly Goddess and yet she is really bitchy and kills children and women on whims!

[10:57] Absinthe Nosferatu flutters off.

[11:02] Absinthe Nosferatu: Oh Mr.Desmoulins John tells me Luke has written to him!

[11:09] You: Oh?

[11:09] You: How is Mr. Chamberberlin?

[11:09] You: And, uh, why is he writing to John?

Winter's Tale

Antigonus: Since fate, against thy better disposition,
Hath made thy person for the thrower-out
Of my poor babe, according to thine oath,
Places remote enough are in Bohemia,
There weep and leave it crying; and, for the babe
Is counted lost for ever, Perdita,
I prithee, call't.

Shepherd: I would there were no age between sixteen and
three-and-twenty, or that youth would sleep out the
rest; for there is nothing in the between but
getting wenches with child, wronging the ancients,
stealing, fighting

Time: I, that please some, try all, both joy and terror
Of good and bad, that makes and unfolds error,
Now take upon me, in the name of Time,
To use my wings. Impute it not a crime

To me or my swift passage, that I slide
 O'er sixteen years and leave the growth untried
 Of that wide gap, since it is in my power
 To o'erthrow law and in one self-born hour
 To plant and o'erwhelm custom. Let me pass
 The same I am, ere ancient'st order was
 Or what is now received: I witness to
 The times that brought them in; so shall I do
 To the freshest things now reigning and make stale
 The glistening of this present, as my tale
 Now seems to it. Your patience this allowing,
 I turn my glass and give my scene such growing
 As you had slept between: Leontes leaving,
 The effects of his fond jealousies so grieving
 That he shuts up himself, imagine me,
 Gentle spectators, that I now may be
 In fair Bohemia, and remember well,
 I mentioned a son o' the king's, which Florizel
 I now name to you; and with speed so pace
 To speak of Perdita, now grown in grace
 Equal with wondering: what of her ensues
 I list not prophecy; but let Time's news
 Be known when 'tis brought forth.
 A shepherd's daughter,
 And what to her adheres, which follows after,
 Is the argument of Time. Of this allow,
 If ever you have spent time worse ere now;
 If never, yet that Time himself doth say
 He wishes earnestly you never may.

[13:27] Absinthe Nosferatu: "How splendid it is to see you face to face at last. Your divine strength engulfs me, inspires me, your dew runs through all my limbs!" The God then did what he wished with her and they became one."

Truth Speaking

Grant thou to me glory in heave, and power upon earth, and truth-speaking in the Divine Underworld, and the power to sail down the river to Tetu in the form of a living Ba-soul, and the power to sail up the river to Abydos in the form of a Benu bird, and the power to pass in through and to pass out from, without obstruction, the doors of the lords of the Tuat.

Last night, my Ba-soul fell off the boat into the river on the way to Tetu.

Before we parted, you whispered to me, songs of love and joy.
Of books and labors yet undone, of sober decadence.
Though unformed, the thoughts comforted me, knowing you were mine.
I sang my song of love to you, you were almost home.
We parted, without fear or concern.
Upon our solar ship you sailed to wander and explore.

Leaning over the edge of the barge, smiling with thoughts of union,
She sailed along peacefully as the day waned on,
But dusk became night, and the sky faded away.
The hideous, broken creatures on the shore awoke.
And began their nightly ritual of teasing and taunting her.
You forgot my love, and could not hear my heart.
Despite my song, despite your promises of morn,
The green iridescent waters caught your eye,
You lept into the turbulent stream.
My calls unheard, my prayers ignored,
You splashed about in fear, your screams I heard and knew.
To the shore you swam and found comfort in the evil.
Lost, and drunk you whored yourself to that you did despise.

And when I finally found you, pathetic and used,
 You covered your head with the tattered rags of your pride,
 And spoke to me no more.

...

In time, we practice for eternity.
 Our days a life to live.
 We sleep in heaven or hell.
 All but one morning we awake,
 To practice living again.

My Dearest

Dearest Laura, Perdita and Aidan,

How strange it is that I should unyieldingly love you all and yet find myself in predicament. I have read that "Sanskrit has ninety-six words for love; ancient Persian has eight; Greek three; and English only one." The English word "love" comes from Sanskrit "lubh" (desire) through the German.

I know little about Sanskrit and Persian, but am well familiar with the Greek ideals. And perhaps it's worth reviewing them for you. Agape, philia, and eros, philia.

Agape is the paternal love of God for man and man for God. It is also the concept of brotherly love for all humanity. And the love for animals. It is the love of one's children and of one's spouse.

Philia is a fondness and appreciation of the other, and included friendships as well as loyalties to family and polis - political community, job or discipline.

Eros is used to refer to that aspect of love which is passionate and intense - the modern word erotic comes from this. But Plato held eros to be that common desire to seek transcendental beauty - that which reminds us of the ideals of Truth and Beauty. Socrates says, in the Symposium, "The only thing I know is the art of love (ta erotiká). It is in fact, a play on the fact that eros (love) seems etymologically similar to erotan (to question). A fact which I am well aware... True Love is of course conversation, and

is the path that I have followed to love Perdita. "Love is wanting to possess the good forever" Love is "giving birth in beauty, whether in body or soul". Diotima explains the difference between being pregnant in body and pregnant in soul. Those pregnant in body see childbirth as the way to provide themselves with "immortality and remembrance and happiness", while those pregnant in soul are pregnant with "what is fitting for a soul to bear and bring to birth... wisdom and the rest of virtue, which all poets beget, as well as all the craftsmen who are said to be creative"

Encomium of Love

And now, taking my leave of you, I would rehearse a tale of love which I heard from Diotima of Mantinea, a woman wise in this and in many other kinds of knowledge, who in the days of old, when the Athenians offered sacrifice before the coming of the plague, delayed the disease ten years. She was my instructress in the art of love, and I shall repeat to you what she said to me, beginning with the admissions made by Agathon, which are nearly if not quite the same which I made to the wise woman when she questioned me: I think that this will be the easiest way, and I shall take both parts myself as well as I can. As you, Agathon, suggested, I must speak first of the being and nature of Love, and then of his works. First I said to her in nearly the same words which he used to me, that Love was a mighty god, and likewise fair; and she proved to me as I proved to him that, by my own showing, Love was neither fair nor good.

'What do you mean, Diotima,' I said, 'is love then evil and foul?'

'Hush,' she cried; 'must that be foul which is not fair?'

'Certainly,' I said.

'And is that which is not wise, ignorant? do you not see that there is a mean between wisdom and ignorance?'

'And what may that be?' I said.

'Right opinion,' she replied; 'which, as you know, being incapable of giving a reason, is not knowledge (for how can knowledge be devoid of reason? nor again, ignorance, for neither can ignorance attain the truth), but is clearly something which is a mean between ignorance and wisdom.'

'Quite true,' I replied.

'Do not then insist,' she said, 'that what is not fair is of necessity foul, or what is not good evil; or infer that because love is not fair and good he is therefore foul and evil; for he is in a mean between them.'

'Well,' I said, 'Love is surely admitted by all to be a great god.'

'By those who know or by those who do not know?'

'By all.'

'And how, Socrates,' she said with a smile, 'can Love be acknowledged to be a great god by those who say that he is not a god at all?'

'And who are they?' I said.

'You and I are two of them,' she replied.

'How can that be?' I said.

'It is quite intelligible,' she replied; 'for you yourself would acknowledge that the gods are happy and fair—of course you would—would you dare to say that any god was not?'

'Certainly not,' I replied. 'And you mean by the happy, those who are the possessors of things good or fair?'

'Yes.'

'And you admitted that Love, because he was in want, desires those good and fair things of which he is in want?'

'Yes, I did.'

'But how can he be a god who has no portion in what is either good or fair?'

'Impossible.'

'Then you see that you also deny the divinity of Love.'

'What then is Love?' I asked; 'Is he mortal?'

'No.'

'What then?'

'As in the former instance, he is neither mortal nor immortal, but in a mean between the two.'

'What is he, Diotima?'

'He is a great spirit (daimon), and like all spirits he is intermediate between the divine and the mortal.'

'And what,' I said, 'is his power?'

'He interprets,' she replied, 'between gods and men, conveying and taking across to the gods the prayers and sacrifices of men, and to men the commands and replies of the gods; he is the mediator who spans the chasm which divides them, and therefore in him all is bound together, and through him the arts of the prophet and the priest, their sacrifices and mysteries and charms, and all prophecy and incantation, find their way. For God mingles not with man; but through Love all the intercourse and converse of God with man, whether awake or asleep, is carried on. The wisdom which understands this is spiritual; all other wisdom, such as that of arts and handicrafts, is mean and vulgar. Now these spirits or intermediate powers are many and diverse, and one of them is Love.'

'And who,' I said, 'was his father, and who his mother?'

'The tale,' she said, 'will take time; nevertheless I will tell you. On the birthday of Aphrodite there was a feast of the gods, at which the god Poros or Plenty, who is the son of Metis or Discretion, was one of the guests. When the feast was over, Penia or Poverty, as the manner is on such occasions, came about the doors to beg. Now Plenty who was the worse for nectar (there was no wine in those days), went into the garden of Zeus and fell into a heavy sleep, and Poverty considering her own straitened circumstances, plotted to have a child by him, and accordingly she lay down at his side and conceived Love, who partly because he is naturally a lover of the beautiful, and because Aphrodite is herself beautiful, and also because he was born on her birthday, is her follower and attendant. And as his parentage is, so also are his fortunes. In the first place he is always poor, and anything but tender and fair, as the many imagine him; and he is rough and squalid, and has no shoes, nor a house to dwell in; on the bare earth exposed he lies under the open heaven, in the streets, or at the doors of houses, taking his rest; and like his mother he is always in distress. Like his father too, whom he also partly resembles, he is always plotting against the fair and good; he is bold, enterprising, strong, a mighty hunter, always weaving

some intrigue or other, keen in the pursuit of wisdom, fertile in resources; a philosopher at all times, terrible as an enchanter, sorcerer, sophist. He is by nature neither mortal nor immortal, but alive and flourishing at one moment when he is in plenty, and dead at another moment, and again alive by reason of his father's nature. But that which is always flowing in is always flowing out, and so he is never in want and never in wealth; and, further, he is in a mean between ignorance and knowledge. The truth of the matter is this: No god is a philosopher or seeker after wisdom, for he is wise already; nor does any man who is wise seek after wisdom. Neither do the ignorant seek after wisdom. For herein is the evil of ignorance, that he who is neither good nor wise is nevertheless satisfied with himself: he has no desire for that of which he feels no want.'

'But who then, Diotima,' I said, 'are the lovers of wisdom, if they are neither the wise nor the foolish?'

'A child may answer that question,' she replied; 'they are those who are in a mean between the two; Love is one of them. For wisdom is a most beautiful thing, and Love is of the beautiful; and therefore Love is also a philosopher or lover of wisdom, and being a lover of wisdom is in a mean between the wise and the ignorant. And of this too his birth is the cause; for his father is wealthy and wise, and his mother poor and foolish. Such, my dear Socrates, is the nature of the spirit Love. The error in your conception of him was very natural, and as I imagine from what you say, has arisen out of a

confusion of love and the beloved, which made you think that love was all beautiful. For the beloved is the truly beautiful, and delicate, and perfect, and blessed; but the principle of love is of another nature, and is such as I have described.'

I said, 'O thou stranger woman, thou sayest well; but, assuming Love to be such as you say, what is the use of him to men?'

'That, Socrates,' she replied, 'I will attempt to unfold: of his nature and birth I have already spoken; and you acknowledge that love is of the beautiful. But some one will say: Of the beautiful in what, Socrates and Diotima?—or rather let me put the question more clearly, and ask: When a man loves the beautiful, what does he desire?'

I answered her 'That the beautiful may be his.'

'Still,' she said, 'the answer suggests a further question: What is given

by the possession of beauty?’

‘To what you have asked,’ I replied, ‘I have no answer ready.’

‘Then,’ she said, ‘let me put the word “good” in the place of the beautiful, and repeat the question once more: If he who loves loves the good, what is it then that he loves?’

‘The possession of the good,’ I said.

‘And what does he gain who possesses the good?’

‘Happiness,’ I replied; ‘there is less difficulty in answering that question.’ ‘Yes,’ she said, ‘the happy are made happy by the acquisition of good things. Nor is there any need to ask why a man desires happiness; the answer is already final.’

‘You are right,’ I said. ‘And is this wish and this desire common to all? and do all men always desire their own good, or only some men?—what say you?’

‘All men,’ I replied; ‘the desire is common to all.’

‘Why, then,’ she rejoined, ‘are not all men, Socrates, said to love, but only some of them? whereas you say that all men are always loving the same things.’

‘I myself wonder,’ I said, ‘why this is.’

‘There is nothing to wonder at,’ she replied; ‘the reason is that one part of love is separated off and receives the name of the whole, but the other parts have other names.’

‘Give an illustration,’ I said.

She answered me as follows: ‘There is poetry, which, as you know, is complex and manifold. All creation or passage of non-being into being is poetry or making, and the processes of all art are creative; and the masters of arts are all poets or makers.’

‘Very true.’ ‘Still,’ she said, ‘you know that they are not called poets, but have other names; only that portion of the art which is separated off from the rest, and is concerned with music and metre, is termed poetry, and they who possess poetry in this sense of the word are called poets.’

'Very true,' I said. 'And the same holds of love. For you may say generally that all desire of good and happiness is only the great and subtle power of love; but they who are drawn towards him by any other path, whether the path of money-making or gymnastics or philosophy, are not called lovers—the name of the whole is appropriated to those whose affection takes one form only—they alone are said to love, or to be lovers.'

'I dare say,' I replied, 'that you are right.'

'Yes,' she added, 'and you hear people say that lovers are seeking for their other half; but I say that they are seeking neither for the half of themselves, nor for the whole, unless the half or the whole be also a good. And they will cut off their own hands and feet and cast them away, if they are evil; for they love not what is their own, unless perchance there be some one who calls what belongs to him the good, and what belongs to another the evil. For there is nothing which men love but the good. Is there anything?'

'Certainly, I should say, that there is nothing.'

'Then,' she said, 'the simple truth is, that men love the good.'

'Yes,' I said. 'To which must be added that they love the possession of the good?'

'Yes, that must be added.'

'And not only the possession, but the everlasting possession of the good?'

'That must be added too.'

'Then love,' she said, 'may be described generally as the love of the everlasting possession of the good?'

'That is most true.'

'Then if this be the nature of love, can you tell me further,' she said, 'what is the manner of the pursuit? what are they doing who show all this eagerness and heat which is called love? and what is the object which they have in view? Answer me.'

'Nay, Diotima,' I replied, 'if I had known, I should not have wondered at your wisdom, neither should I have come to learn from you about this very matter.'

'Well,' she said, 'I will teach you:—The object which they have in view

is birth in beauty, whether of
body or soul.'

'I do not understand you,' I said; 'the oracle requires an explanation.'

'I will make my meaning clearer,' she replied. 'I mean to say, that all men are bringing to the birth in their bodies and in their souls. There is a certain age at which human nature is desirous of procreation—procreation which must be in beauty and not in deformity; and this procreation is the union of man and woman, and is a divine thing; for conception and generation are an immortal principle in the mortal creature, and in the inharmounious they can never be. But the deformed is always inharmounious with the divine, and the beautiful harmonious. Beauty, then, is the destiny or goddess of parturition who presides at birth, and therefore, when approaching beauty, the conceiving power is propitious, and diffusive, and benign, and begets and bears fruit: at the sight of ugliness she frowns and contracts and has a sense of pain, and turns away, and shrivels up, and not without a pang refrains from conception. And this is the reason why, when the hour of conception arrives, and the teeming nature is full, there is such a flutter and ecstasy about beauty whose approach is the alleviation of the pain of travail. For love, Socrates, is not, as you imagine, the love of the beautiful only.'

'What then?'

'The love of generation and of birth in beauty.'

'Yes,' I said.

'Yes, indeed,' she replied.

'But why of generation?' 'Because to the mortal creature, generation is a sort of eternity and immortality,' she replied; 'and if, as has been already admitted, love is of the everlasting possession of the good, all men will necessarily desire immortality together with good: Wherefore love is of immortality.'

All this she taught me at various times when she spoke of love. And I remember her once saying to me, 'What is the cause, Socrates, of love, and the attendant desire? See you not how all animals, birds, as well as beasts, in their desire of procreation, are in agony when they take the infection of love, which begins with the desire of union; whereto is added the care of offspring, on whose behalf the weakest are ready to battle against the strongest

even to the uttermost, and to die for them, and will let themselves be tormented with hunger or suffer anything in order to maintain their young. Man may be supposed to act thus from reason; but why should animals have these passionate feelings? Can you tell me why?’

Again I replied that I did not know.

She said to me: ‘And do you expect ever to become a master in the art of love, if you do not know this?’

‘But I have told you already, Diotima, that my ignorance is the reason why I come to you; for I am conscious that I want a teacher; tell me then the cause of this and of the other mysteries of love.’

‘Marvel not,’ she said, ‘if you believe that love is of the immortal, as we have several times acknowledged; for here again, and on the same principle too, the mortal nature is seeking as far as is possible to be everlasting and immortal: and this is only to be attained by generation, because generation always leaves behind a new existence in the place of the old. Nay even in the life of the same individual there is succession and not absolute unity: a man is called the same, and yet in the short interval which elapses between youth and age, and in which every animal is said to have life and identity, he is undergoing a perpetual process of loss and reparation—hair, flesh, bones, blood, and the whole body are always changing. Which is true not only of the body, but also of the soul, whose habits, tempers, opinions, desires, pleasures, pains, fears, never remain the same in any one of us, but are always coming and going; and equally true of knowledge, and what is still more surprising to us mortals, not only do the sciences in general spring up and decay, so that in respect of them we are never the same; but each of them individually experiences a like change. For what is implied in the word “recollection,” but the departure of knowledge, which is ever being forgotten, and is renewed and preserved by recollection, and appears to be the same although in reality new, according to that law of succession by which all mortal things are preserved, not absolutely the same, but by substitution, the old worn-out mortality leaving another new and similar existence behind—unlike the divine, which is always the same and not another? And in this way, Socrates, the mortal body, or mortal anything, partakes of immortality; but the immortal in another way. Marvel not then at the love which all men have of their offspring; for that universal love and interest is for the sake of immortality.’

I was astonished at her words, and said: ‘Is this really true, O thou wise

Diotima?’

And she answered with all the authority of an accomplished sophist: ‘Of that, Socrates, you may be assured;—think only of the ambition of men, and you will wonder at the senselessness of their ways, unless you consider how they are stirred by the love of an immortality of fame. They are ready to run all risks greater far than they would have run for their children, and to spend money and undergo any sort of toil, and even to die, for the sake of leaving behind them a name which shall be eternal. Do you imagine that Alcestis would have died to save Admetus, or Achilles to avenge Patroclus, or your own Codrus in order to preserve the kingdom for his sons, if they had not imagined that the memory of their virtues, which still survives among us, would be immortal? Nay,’ she said, ‘I am persuaded that all men do all things, and the better they are the more they do them, in hope of the glorious fame of immortal virtue; for they desire the immortal.

‘Those who are pregnant in the body only, betake themselves to women and beget children—this is the character of their love; their offspring, as they hope, will preserve their memory and giving them the blessedness and immortality which they desire in the future. But souls which are pregnant—for there certainly are men who are more creative in their souls than in their bodies—conceive that which is proper for the soul to conceive or contain. And what are these conceptions?—wisdom and virtue in general. And such creators are poets and all artists who are deserving of the name inventor. But the greatest and fairest sort of wisdom by far is that which is concerned with the ordering of states and families, and which is called temperance and justice. And he who in youth has the seed of these implanted in him and is himself inspired, when he comes to maturity desires to beget and generate. He wanders about seeking beauty that he may beget offspring—for in deformity he will beget nothing—and naturally embraces the beautiful rather than the deformed body; above all when he finds a fair and noble and well-nurtured soul, he embraces the two in one person, and to such an one he is full of speech about virtue and the nature and pursuits of a good man; and he tries to educate him; and at the touch of the beautiful which is ever present to his memory, even when absent, he brings forth that which he had conceived long before, and in company with him tends that which he brings forth; and they are married by a far nearer tie and have a closer friendship than those who beget mortal children, for the children who are their common offspring are fairer and more immortal. Who, when he thinks of Homer and Hesiod and other great poets, would not rather have

their children than ordinary human ones? Who would not emulate them in the creation of children such as theirs, which have preserved their memory and given them everlasting glory? Or who would not have such children as Lycurgus left behind him to be the saviours, not only of Lacedaemon, but of Hellas, as one may say? There is Solon, too, who is the revered father of Athenian laws; and many others there are in many other places, both among Hellenes and barbarians, who have given to the world many noble works, and have been the parents of virtue of every kind; and many temples have been raised in their honour for the sake of children such as theirs; which were never raised in honour of any one, for the sake of his mortal children.

'These are the lesser mysteries of love, into which even you, Socrates, may enter; to the greater and more hidden ones which are the crown of these, and to which, if you pursue them in a right spirit, they will lead, I know not whether you will be able to attain. But I will do my utmost to inform you, and do you follow if you can. For he who would proceed aright in this matter should begin in youth to visit beautiful forms; and first, if he be guided by his instructor aright, to love one such form only—out of that he should create fair thoughts; and soon he will of himself perceive that the beauty of one form is akin to the beauty of another; and then if beauty of form in general is his pursuit, how foolish would he be not to recognize that the beauty in every form is and the same! And when he perceives this he will abate his violent love of the one, which he will despise and deem a small thing, and will become a lover of all beautiful forms; in the next stage he will consider that the beauty of the mind is more honourable than the beauty of the outward form. So that if a virtuous soul have but a little comeliness, he will be content to love and tend him, and will search out and bring to the birth thoughts which may improve the young, until he is compelled to contemplate and see the beauty of institutions and laws, and to understand that the beauty of them all is of one family, and that personal beauty is a trifle; and after laws and institutions he will go on to the sciences, that he may see their beauty, being not like a servant in love with the beauty of one youth or man or institution, himself a slave mean and narrow-minded, but drawing towards and contemplating the vast sea of beauty, he will create many fair and noble thoughts and notions in boundless love of wisdom; until on that shore he grows and waxes strong, and at last the vision is revealed to him of a single science, which is the science of beauty everywhere. To this I will proceed; please to give me your very best attention:

'He who has been instructed thus far in the things of love, and who has learned to see the beautiful in due order and succession, when he comes toward the end will suddenly perceive a nature of wondrous beauty (and this, Socrates, is the final cause of all our former toils)—a nature which in the first place is everlasting, not growing and decaying, or waxing and waning; secondly, not fair in one point of view and foul in another, or at one time or in one relation or at one place fair, at another time or in another relation or at another place foul, as if fair to some and foul to others, or in the likeness of a face or hands or any other part of the bodily frame, or in any form of speech or knowledge, or existing in any other being, as for example, in an animal, or in heaven, or in earth, or in any other place; but beauty absolute, separate, simple, and everlasting, which without diminution and without increase, or any change, is imparted to the ever-growing and perishing beauties of all other things. He who from these ascending under the influence of true love, begins to perceive that beauty, is not far from the end. And the true order of going, or being led by another, to the things of love, is to begin from the beauties of earth and mount upwards for the sake of that other beauty, using these as steps only, and from one going on to two, and from two to all fair forms, and from fair forms to fair practices, and from fair practices to fair notions, until from fair notions he arrives at the notion of absolute beauty, and at last knows what the essence of beauty is. This, my dear Socrates,' said the stranger of Mantinea, 'is that life above all others which man should live, in the contemplation of beauty absolute; a beauty which if you once beheld, you would see not to be after the measure of

gold, and garments, and fair boys and youths, whose presence now entrances you; and you and many a one would be content to live seeing them only and conversing with them without meat or drink, if that were possible—you only want to look at them and to be with them. But what if man had eyes to see the true beauty—the divine beauty, I mean, pure and clear and unalloyed, not clogged with the pollutions of mortality and all the colours and vanities of human life—thither looking, and holding converse with the true beauty simple and divine? Remember how in that communion only, beholding beauty with the eye of the mind, he will be enabled to bring forth, not images of beauty, but realities (for he has hold not of an image but of a reality), and bringing forth and nourishing true virtue to become the friend of God and be immortal, if mortal man may. Would that be an ignoble life?'

Such, Phaedrus—and I speak not only to you, but to all of you—were the words of Diotima; and I am persuaded of their truth. And being persuaded

of them, I try to persuade others, that in the attainment of this end human nature will not easily find a helper better than love: And therefore, also, I say that every man ought to honour him as I myself honour him, and walk in his ways, and exhort others to do the same, and praise the power and spirit of love according to the measure of my ability now and ever.

The words which I have spoken, you, Phaedrus, may call an encomium of love, or anything else which you please.

That's No Moon

t the end of the Pharaoh's journey to the Afterlife, he ascends the Stairway of Heaven in the Eye of Horus. "The roaring tempest drives him, it roars like Seth. The guardians of Heaven's parts open the doors of Heaven for him. 'Dawning as a falcon', he reaches the celestial realm of Ra on the 'Imperishable Star' and is placed on the throne of Osiris. His lifetime is eternity, its limit everlastingness."

Flower

My sweetest, best, dearest Ba I do love you less, much less already, and adore you more, more by so much more as I see of you, think of you—I am yours just as much as those flowers; and you may pluck those flowers to pieces or put them in your breast; it is not because you so bless me now that you may not if you please one day—you will stop me here; but it is the truth and I live in it.

Fifine At the Fair

signed – 1872.

I.

- 1 O trip and skip, Elvire! Link arm in arm with me!
- 2 Like husband and like wife, together let us see
- 3 The tumbling-troop arrayed, the strollers on their stage,
- 4 Drawn up and under arms, and ready to engage.

II.

5 Now, who supposed the night would play us such a prank?
 6 —That what was raw and brown, rough pole and shaven plank?
 7 Mere bit of hoarding, half by trestle propped, half tub,
 8 Would flaunt it forth as brisk as butterfly from grub?
 9 This comes of sun and air, of Autumn afternoon,
 10 And Pornic and Saint Gille, whose feast affords the boon—
 11 This scaffold turned parterre, this flower-bed in full blow,
 12 Bateleurs, baladines! We shall not miss the show!
 13 They pace and promenade; they presently will dance:
 14 What good were else i' the drum and fife? O pleasant land of France!

III.

15 Who saw them make their entry? At wink of eve, be sure!
 16 They love to steal a march, nor lightly risk the lure.
 17 They keep their treasure hid, nor stale (improvident)
 18 Before the time is ripe, each wonder of their tent—
 19 Yon six-legged sheep, to wit, and he who beats a gong,
 20 Lifts cap and waves salute, exhilarates the throng—
 21 Their ape of many years and much adventure, grim
 22 And grey with pitying fools who find a joke in him.
 23 Or, best, the human beauty, Mimi, Toinette, Fifine,
 24 Tricot fines down if fat, padding plumps up if lean,
 25 Ere, shedding petticoat, modesty, and such toys,
 26 They bounce forth, squalid girls transformed to gamesome boys.

IV.

27 No, no, thrice, Pornic, no! Perpend the authentic tale!
 28 'T was not for every Gawain to gaze upon the Grail!
 29 But whoso went his rounds, when flew bat, flitted midge,
 30 Might hear across the dusk,—where both roads join the bridge,
 31 Hard by the little port,—creak a slow caravan,
 32 A chimneyed house on wheels; so shyly-sheathed, began
 33 To broaden out the bud which, bursting unaware,
 34 Now takes away our breath, queen-tulip of the Fair!

V.

35 Yet morning promised much: for, pitched and slung and reared
 36 On terrace 'neath the tower, 'twixt tree and tree appeared
 37 An airy structure; how the pennon from its dome,
 38 Frenetic to be free, makes one red stretch for home!
 39 The home far and away, the distance where lives joy,
 40 The cure, at once and ever, of world and world's annoy;

41 Since, what lolls full in front, a furlong from the booth,
 42 But ocean-idleness, sky-blue and millpond-smooth?

VI.

43 Frenetic to be free! And, do you know, there beats
 44 Something within my breast, as sensitive?—repeats
 45 The fever of the flag? My heart makes just the same
 46 Passionate stretch, fires up for lawlessness, lays claim
 47 To share the life they lead: losels, who have and use
 48 The hour what way they will,—applaud them or abuse
 49 Society, whereof myself am at the beck,
 50 Whose call obey, and stoop to burden stiffest neck!

VII.

51 Why is it that whene'er a faithful few combine
 52 To cast allegiance off, play truant, nor repine,
 53 Agree to bear the worst, forego the best in store
 54 For us who, left behind, do duty as of yore,—
 55 Why is it that, disgraced, they seem to relish life the more?
 56 —Seem as they said "We know a secret passing praise
 57 Or blame of such as you! Remain! we go our ways
 58 With something you o'erlooked, forgot or chose to sweep
 59 Clean out of door: our pearl picked from your rubbish-heap.
 60 You care not for your loss, we calculate our gain.
 61 All's right. Are you content? Why, so let things remain!
 62 To the wood then, to the wild: free life, full liberty!"
 63 And when they rendezvous beneath the inclement sky,
 64 House by the hedge, reduced to brute-companionship,
 65 —Misguided ones who gave society the slip,
 66 And find too late how boon a parent they despised,
 67 What ministration spurned, how sweet and civilized—
 68 Then, left alone at last with self-sought wretchedness,
 69 No interloper else!—why is it, can we guess?—
 70 At somebody's expense, goes up so frank a laugh?
 71 As though they held the corn, and left us only chaff
 72 From garners crammed and closed. And we indeed are clever
 73 If we get grain as good, by thrashing straw for ever!

VIII.

74 Still, truants as they are and purpose yet to be,
 75 That nowise needs forbid they venture—as you see—
 76 To cross confine, approach the once familiar roof
 77 O' the kindly race their flight estranged: stand half aloof,

78 Sidle half up, press near, and proffer wares for sale
 79 —In their phrase—make, in ours, white levy of black mail.
 80 They, of the wild, require some touch of us the tame,
 81 Since clothing, meat and drink, mean money all the same.
 IX.

82 If hunger, proverbs say, allures the wolf from wood,
 83 Much more the bird must dare a dash at something good:
 84 Must snatch up, bear away in beak, the trifle-treasure
 85 To wood and wild, and then—O how enjoy at leisure!
 86 Was never tree-built nest, you climbed and took, of bird
 87 (Rare city-visitant, talked of, scarce seen or heard),
 88 But, when you would dissect the structure, piece by piece,
 89 You found, enwreathed amid the country-product—fleece
 90 And feather, thistle-fluffs and bearded windlestraws—
 91 Some shred of foreign silk, unravelling of gauze,
 92 Bit, may be, of brocade, mid fur and blow-bell-down:
 93 Filched plainly from mankind, dear tribute paid by town,
 94 Which proved how oft the bird had plucked up heart of grace,
 95 Swooped down at waif and stray, made furtively our place
 96 Pay tax and toll, then borne the booty to enrich
 97 Her paradise i' the waste; the how and why of which,
 98 That is the secret, there the mystery that stings!

X.

99 For, what they traffic in, consists of just the things
 100 We,—proud ones who so scorn dwellers without the pale,
 101 Bateleurs, baladines, white leviers of black mail,—
 102 I say, they sell what we most pique us that we keep!
 103 How comes it, all we hold so dear they count so cheap?

XI.

104 What price should you impose, for instance, on repute,
 105 Good fame, your own good fame and family's to boot?
 106 Stay start of quick moustache, arrest the angry rise
 107 Of eyebrow! All I asked is answered by surprise.
 108 Now tell me: are you worth the cost of a cigar?
 109 Go boldly, enter booth, disburse the coin at bar
 110 Of doorway where presides the master of the troop,
 111 And forthwith you survey his Graces in a group,
 112 Live Picture, picturesque no doubt and close to life:
 113 His sisters, right and left; the Grace in front, his wife.
 114 Next, who is this performs the feat of the Trapeze?

115 Lo, she is launched, look—fie, the fairy!—how she flees
 116 O'er all those heads thrust back,—mouths, eyes, one gape and stare,—
 117 No scrap of skirt impedes free passage through the air,
 118 Till, plumb on the other side, she lights and laughs again,
 119 That fairy-form, whereof each muscle, nay, each vein
 120 The curious may inspect,—his daughter that he sells
 121 Each rustic for five sous. Desiderate aught else
 122 O' the vendor? As you leave his show, why, joke the man!
 123 “You cheat: your six-legged sheep, I recollect, began
 124 Both life and trade, last year, trimmed properly and clipt,
 125 As the Twin-headed Babe, and Human Nondescript!”
 126 What does he care? You paid his price, may pass your jest.
 127 So values he repute, good fame, and all the rest!

XII

128 But try another tack; say: “I indulge caprice,
 129 Who am Don and Duke, and Knight, beside, o' the Golden Fleece,
 130 And, never mind how rich. Abandon this career!
 131 Have hearth and home, nor let your womankind appear
 132 Without as multiplied a coating as protects
 133 An onion from the eye! Become, in all respects,
 134 God-fearing householder, subsistent by brain-skill,
 135 Hand-labour; win your bread whatever way you will,
 136 So it be honestly,—and, while I have a purse,
 137 Means shall not lack!”—His thanks will be the roundest curse
 138 That ever rolled from lip.

XIII.

138 Now, what is it?—returns
 139 The question—heartens so this losel that he spurns
 140 All we so prize? I want, put down in black and white,
 141 What compensating joy, unknown and infinite,
 142 Turns lawlessness to law, makes destitution—wealth,
 143 Vice—virtue, and disease of soul and body—health?

XIV.

144 Ah, the slow shake of head, the melancholy smile,
 145 The sigh almost a sob! What's wrong, was right ere-while?
 146 Why are we two at once such ocean-width apart?
 147 Pale fingers press my arm, and sad eyes probe my heart
 148 Why is the wife in trouble?

XV.

148 This way, this way, Fifiene!

149 Here's she, shall make my thoughts be surer what they mean!
 150 First let me read the signs, pourtray you past mistake
 151 The gipsy's foreign self, no swarth our sun could bake.
 152 Yet where's a woolly trace degrades the wiry hair?
 153 And note the Greek-nymph nose, and—oh, my Hebrew pair
 154 Of eye and eye—o'erarched by velvet of the mole—
 155 That swim as in a sea, that dip and rise and roll,
 156 Spilling the light around! While either ear is cut
 157 Thin as a dusk-leaved rose carved from a cocoa-nut.
 158 And then, her neck! now, grant you had the power to deck,
 159 Just as your fancy pleased, the bistre-length of neck,
 160 Could lay, to shine against its shade, a moonlike row
 161 Of pearls, each round and white as bubble Cupids blow
 162 Big out of mother's milk,—what pearl-moon would surpass
 163 That string of mock-turquoise, those almandines of glass,
 164 Where girlhood terminates? for with breasts'-birth commence
 165 The boy, and page-costume, till pink and impudence
 166 End admirably all: complete the creature trips
 167 Our way now, brings sunshine upon her spangled hips,
 168 As here she fronts us full, with pose half-frank, half-fierce!

XVI.

169 Words urged in vain, Elvire! You waste your quarte and tierce,
 170 Lunge at a phantom here, try fence in fairy-land.
 171 For me, I own defeat, ask but to understand
 172 The acknowledged victory of whom I call my queen,
 173 Sexless and bloodless sprite: though mischievous and mean,
 174 Yet free and flower-like too, with loveliness for law,
 175 And self-sustainment made morality.

XVII.

175 A flaw
 176 Do you account it the lily, of lands which travellers know,
 177 That, just as golden gloom supersedes Northern snow
 178 It the chalice, so, about each pistil, spice is packed,—
 179 Deliriously-drugged scent, in lieu of odour lacked,
 180 With us, by bee and moth, their banquet to enhance
 181 At morn and eve, when dew, the chilly sustenance,
 182 Needs mixture of some chaste and temperate perfume?
 183 I ask, is she in fault who guards such golden gloom,
 184 Such dear and damning scent, by who cares what devices,
 185 And takes the idle life of insects she entices

186 When, drowned to heart's desire, they satiate the inside
 187 O' the lily, mark her wealth and manifest her pride?

XVIII.

188 But, wiser, we keep off, nor tempt the acrid juice;
 189 Discreet we peer and praise, put rich things to right use.
 190 No flavourous venom'd bell,—the rose it is, I wot,
 191 Only the rose, we pluck and place, unwronged a jot,
 192 No worse for homage done by every devotee,
 193 I' the proper loyal throne, on breast where rose should be.
 194 Or if the simpler sweets we have to choose among,
 195 Would taste between our teeth, and give its toy the tongue,—
 196 O gorgeous poison-plague, on thee no hearts are set!
 197 We gather daisy meek, or maiden violet:
 198 I think it is Elvire we love, and not Fifine.

XIX.

199 "How does she make my thoughts be sure of what they mean?"
 200 Judge and be just! Suppose, an age and time long past
 201 Renew for our behoof one pageant more, the last
 202 O' the kind, sick Louis liked to see defile between
 203 Him and the yawning grave, its passage served to screen.
 204 With eye as grey as lead, with cheek as brown as bronze,
 205 Here where we stand, shall sit and suffer Louis Onze:
 206 The while from yonder tent parade forth, not—oh, no—
 207 Bateleurs, baladines! but range themselves a-row
 208 Those well-sung women-worthies whereof loud fame still finds
 209 Some echo linger faint, less in our hearts than minds.

XX.

210 See, Helen! pushed in front o' the world's worst night and storm,
 211 By Lady Venus' hand on shoulder: the sweet form
 212 Shrinkingly prominent, though mighty, like a moon
 213 Outbreaking from a cloud, to put harsh things in tune,
 214 And magically bring manking to acquiesce
 215 In its own ravage,—call no curse upon, but bless
 216 (Beldame, a moment since) the outbreaking beauty, now,
 217 That casts o'er all the blood a candour from her brow.
 218 See, Cleopatra! bared, the entire and sinuous wealth
 219 O' the shining shape; each orb of indolent ripe health,
 220 Captured, just where it finds a fellow-orb as fine
 221 I' the body: traced about by jewels which outline,
 222 Fire-frame, and keep distinct, perfections—lest they melt

223 To soft smooth unity ere half their hold be felt:
 224 Yet, o'er that white and wonder, a soul's predominance
 225 I' the head so high and haught—except one thievish glance,
 226 From back of oblong eye, intent to count the slain.
 227 Hush,—O I know, Elvire! Be patient, more remain!
 228 What say you to Saint . . . Pish! Whatever Saint you please,
 229 Cold-pinnacled aloft o' the spire, prays calm the seas
 230 From Pornic Church, and oft at midnight (peasants say)
 231 Goes walking out to save from shipwreck: well she may!
 232 For think how many a year has she been conversant
 233 With nought but winds and rains, sharp courtesy and scant
 234 O' the wintry snow that coats the pent-house of her shrine,
 235 Covers each knee, climbs near, but spares the smile benign
 236 Which seems to say "I looked for scarce so much from earth!"
 237 She follows, one long thin pure finger in the girth
 238 O' the girdle—whence the folds of garment, eye and eye,
 239 Besprent with fleurs-de-lys, flow down and multiply
 240 Around her feet,—and one, pressed hushingly to lip:
 241 As if, while thus we made her march, some foundering ship
 242 Might miss her from her post, nearer to God half-way
 243 In heaven, and she inquired "Who that treads earth can pray?
 244 I doubt if even she, the unashamed! though, sure,
 245 She must have stripped herself only to clothe the poor."

XXI.

246 This time, enough's a feast, not one more form, Elvire!
 247 Provided you allow that, bringing up the rear
 248 O' the bevy I am loth to—by one bird—curtail,
 249 First note may lead to last, an octave crown the scale,
 250 And this femininity be followed—do not flout!—
 251 By—who concludes the masque with curtsey, smile and pout,
 252 Submissive-mutinous? No other than Fifine
 253 Points toe, imposes haunch, and pleads with tambourine!

XXII.

254 "Well, what's the meaning here, what does the masque intend,
 255 Which, unabridged, we saw file past us, with no end
 256 Of fair ones, till Fifine came, closed the catalogue?"

XXIII.

257 Task fancy yet again! Suppose you cast this clog
 258 Of flesh away (that weeps, upbraids, withstands my arm)
 259 And pass to join your peers, paragon charm with charm,

260 As I shall show you may,—prove best of beauty there!
 261 Yourself confront yourself! This, help me to declare
 262 That yonder-you, who stand beside these, braving each
 263 And blinking none, beat her who lured to Troy-town beach
 264 The purple prows of Greece,—nay, beat Fifine; whose face,
 265 Mark how I will inflame, when seigneur-like I place
 266 I' the tambourine, to spot the strained and piteous blank
 267 Of pleading parchment, see, no less than a whole franc!
 XXIV.

268 Ah, do you mark the brown o' the cloud, made bright with fire
 269 Through and through? as, old wiles succeeding to desire,
 270 Quality (you and I) once more compassionate
 271 A hapless infant, doomed (fie on such partial fate!)
 272 To sink the inborn shame, waive privilege of sex,
 273 And posture as you see, support the nods and becks
 274 Of clowns that have their stare, nor always pay its price;
 275 An infant born perchance as sensitive and nice
 276 As any soul of you, proud dames, whom destiny
 277 Keeps uncontaminate from stigma of the sty
 278 She wallows in! You draw back skirts from filth like her
 279 Who, possibly, braves scorn, if, scorned, she minister
 280 To age, want, and disease of parents one or both;
 281 Nay, peradventure, stoops to degradation, loth
 282 That some just-budding sister, the dew yet on the rose,
 283 Should have to share in turn the ignoble trade,—who knows?
 XXV.

284 Ay, who indeed! Myself know nothing, but dare guess
 285 That off she trips in haste to hand the booty . . . yes,
 286 'Twixt fold and fold of tent, there looms he, dim-discerned,
 287 The ogre, lord of all those lavish limbs have earned!
 288 —Brute - beast - face,—ravage, scar, scowl and malignancy,—
 289 O' the Strong Man, whom (no doubt, her husband) by-and-by
 290 You shall behold do feats: lift up nor quail beneath
 291 A quintal in each hand, a cart-wheel 'twixt his teeth.
 292 Oh she prefers sheer strength to ineffective grace,
 293 Breeding and culture! seeks the essential in the case!
 294 To him has flown my franc; and welcome, if that squint
 295 O' the diabolic eye so soften through absinthe,
 296 That, for once, tambourine, tunic and tricot 'scape
 297 Their customary curse "Not half the gain o' the ape!"

298 Ay, they go in together!

XXVI.

298 Yet still her phantom stays

299 Opposite, where you stand: as steady 'neath our gaze—

300 The live Elvire's and mine—though fancy-stuff and mere

301 Illusion; to be judged,—dream-figures,—without fear

302 Or favour, those the false, by you and me the true.

XXVII.

303 “What puts it in my head to make yourself judge you?”

304 Well, it may be, the name of Helen brought to mind

305 A certain myth I mused in years long left behind:

306 How she that fled from Greece with Paris whom she loved,

307 And came to Troy, and there found shelter, and so proved

308 Such cause of the world's woe,—how she, old stories call

309 This creature, Helen's self, never saw Troy at all.

310 Jove had his fancy-fit, must needs take empty air,

311 Fashion her likeness forth, and set the phantom there

312 I' the midst for sport, to try conclusions with the blind

313 And blundering race, the game create for Gods, man-kind:

314 Experiment on these,—establish who would yearn

315 To give up life for her, who, other-minded, spurn

316 The best her eyes could smile,—make half the world sublime,

317 And half absurd, for just a phantom all the time!

318 Meanwhile true Helen's self sat, safe and far away,

319 By a great river-side, beneath a purer day,

320 With solitude around, tranquillity within;

321 Was able to lean forth, look, listen, through the din

322 And stir; could estimate the worthlessness or worth

323 Of Helen who inspired such passion to the earth,

324 A phantom all the time! That put it in my head,

325 To make yourself judge you—the phantom-wife instead

326 O' the tearful true Elvire!

XXVIII.

326 I thank the smile at last

327 Which thins away the tear! Our sky was overcast,

328 And something fell; but day clears up: if there chanced rain,

329 The landscape glistens more. I have not vexed in vain

330 Elvire: because she knows, now she has stood the test,

331 How, this and this being good, herself may still be best

332 O' the beauty in review; because the flesh that claimed

333 Unduly my regard, she thought, the taste, she blamed
 334 In me, for things extern, was all mistake, she finds,—
 335 Or will find, when I prove that bodies show me minds,
 336 That, through the outward sign, the inward grace allures,
 337 And sparks from heaven transpierce earth's coarsest covertures,—
 338 All by demonstrating the value of Fifine!

XXIX.

339 Partake my confidence! No creature's made so mean
 340 But that, some way, it boasts, could we investigate,
 341 Its supreme worth: fulfils, by ordinance of fate,
 342 Its momentary task, gets glory all its own,
 343 Tastes triumph in the world, pre-eminent, alone.
 344 Where is the single grain of sand, mid millions heaped
 345 Confusedly on the beach, but, did we know, has leaped
 346 Or will leap, would we wait, i' the century, some once,
 347 To the very throne of things?—earth's brightest for the nonce,
 348 When sunshine shall impinge on just that grain's facette
 349 Which fronts him fullest, first, returns his ray with jet
 350 Of promptest praise, thanks God best in creation's name!
 351 As firm is my belief, quick sense perceives the same
 352 Self-vindicating flash illustrate every man
 353 And woman of our mass, and prove, throughout the plan,
 354 No detail but, in place allotted it, was prime
 355 And perfect.

XXX.

355 Witness her, kept waiting all this time!
 356 What happy angle makes Fifine reverberate
 357 Sunshine, least sand-grain, she, of shadiest social state?
 358 No adamant shield, polished like Helen there,
 359 Fit to absorb the sun, regorge him till the glare,
 360 Dazing the universe, draw Troy-ward those blind beaks
 361 Of equal-sided ships rowed by the well-greaved Greeks!
 362 No Asian mirror, like yon Ptolemaic witch
 363 Able to fix sun fast and tame sun down, enrich,
 364 Not burn the world with beams thus flatteringly rolled
 365 About her, head to foot, turned slavish snakes of gold!
 366 And oh, no tinted pane of oriel sanctity,
 367 Does our Fifine afford, such as permits supply
 368 Of lustrous heaven, revealed, far more than mundane sight
 369 Could master, to thy cell, pure Saint! where, else too bright,

370 So suits thy sense the orb, that, what outside was noon,
 371 Pales, through thy lozenged blue, to meek benefic moon!
 372 What then? does that prevent each dunghill, we may pass
 373 Daily, from boasting too its bit of looking-glass,
 374 Its sherd which, sun-smit, shines, shoots arrowy fire beyond
 375 That satin-muffled mope, your sulky diamond?

XXXI.

376 And now, the mingled ray she shoots, I decompose.
 377 Her antecedents, take for execrable! Gloze
 378 No whit on your premiss: let be, there was no worst
 379 Of degradation spared Fifine: ordained from first
 380 To last, in body and soul, for one life-long debauch,
 381 The Pariah of the North, the European Nautch!
 382 This, far from seek to hide, she puts in evidence
 383 Calmly, displays the brand, bids pry without offence
 384 Your finger on the place. You comment "Fancy us
 385 So operated on, maltreated, mangled thus!
 386 Such torture in our case, had we survived an hour?
 387 Some other sort of flesh and blood must be, with power
 388 Appropriate to the vile, unsensitive, tough-thonged,
 389 In lieu of our fine nerve! Be sure, she was not wronged
 390 Too much: you must not think she winced at prick as we!"
 391 Come, come, that 's what you say, or would, were thoughts but free.

XXXII.

392 Well then, thus much confessed, what wonder if there steal
 393 Unchallenged to my heart the force of one appeal
 394 She makes, and justice stamp the sole claim she asserts?
 395 So absolutely good is truth, truth never hurts
 396 The teller, whose worst crime gets somehow grace, avowed.
 397 To me, that silent pose and prayer proclaimed aloud
 398 "Know all of me outside, the rest be emptiness
 399 For such as you! I call attention to my dress,
 400 Coiffure, outlandish features, lithe memorable limbs,
 401 Piquant entreaty, all that eye-glance over-skims.
 402 Does this give pleasure? Then, repay the pleasure, put
 403 Its price i' the tambourine! Do you seek further? Tut!
 404 I'm just my instrument,—sound hollow: mere smooth skin
 405 Stretched o'er gilt framework, I: rub-dub, nought else within—
 406 Always, for such as you!—if I have use elsewhere,—
 407 If certain bells, now mute, can jingle, need you care?

408 Be it enough, there's truth i' the pleading, which comports
 409 With no word spoken out in cottages or courts,
 410 Since all I plead is 'Pay for just the sight you see,
 411 'And give no credit to another charm in me!'
 412 Do I say, like your Love? 'To praise my face is well,
 413 'But, who would know my worth, must search my heart to tell!'
 414 Do I say, like your Wife? 'Had I passed in review
 415 'The produce of the globe, my man of men were—you!'
 416 Do I say, like your Helen? 'Yield yourself up, obey
 417 'Implicitly, nor pause to question, to survey
 418 'Even the worshipful! prostrate you at my shrine!
 419 'Shall you dare controvert what the world counts divine?
 420 'Array your private taste, own liking of the sense,
 421 'Own longing of the soul, against the impudence
 422 'Of history, the blare and bullying of verse?
 423 'As if man ever yet saw reason to disburse
 424 'The amount of what sense liked, soul longed for,—given, devised
 425 'As love, forsooth,—until the price was recognized
 426 'As moderate enough by divers fellow-men!
 427 'Then, with his warrant safe that these would love too, then,
 428 'Sure that particular gain implies a public loss,
 429 'And that no smile he buys but proves a slash across
 430 'The face, a stab into the side of somebody—
 431 'Sure that, along with love's main-purchase, he will buy
 432 'Up the whole stock of earth's uncharitableness,
 433 'Envy and hatred,—then, decides he to profess
 434 'His estimate of one, by love discerned, though dim
 435 'To all the world beside: since what's the world to him?'
 436 Do I say, like your Queen of Egypt? 'Who foregoes
 437 'My cup of witchcraft—fault be on the fool! He knows
 438 'Nothing of how I pack my wine-press, turn its winch
 439 'Three-times-three, all the time to song and dance, nor flinch
 440 'From charming on and on, till at the last I squeeze
 441 'Out the exhaustive drop that leaves behind mere lees
 442 'And dregs, vapidity, thought essence heretofore!
 443 'Sup of my sorcery, old pleasures please no more!
 444 'Be great, be good, love, learn, have potency of hand
 445 'Or heart or head,—what boots? You die, nor understand
 446 'What bliss might be in life: you ate the grapes, but knew
 447 'Never the taste of wine, such vintage as I brew!'

448 Do I say, like your Saint? 'An exquisitest touch
 449 'Bides in the birth of things: no after-time can much
 450 'Enhance that fine, that faint, fugitive first of all!
 451 'What colour paints the cup o' the May-rose, like the small
 452 'Suspicion of a blush which doubtfully begins?
 453 'What sound outwarbles brook, while, at the source, it wins
 454 'That moss and stone dispart, allow its bubblings breathe?
 455 'What taste excels the fruit, just where sharp flavours sheathe
 456 'Their sting, and let encroach the honey that allays?
 457 'And so with soul and sense; when sanctity betrays
 458 'First fear lest earth below seem real as heaven above,
 459 'And holy worship, late, change soon to sinful love—
 460 'Where is the plenitude of passion which endures
 461 'Comparison with that, I ask of amateurs?'
 462 Do I say, like Elvire" . . .

XXXIII.

462 (Your husband holds you fast
 463 Will have you listen, learn your character at last!)
 464 "Do I say?—like her mixed unrest and discontent,
 465 Reproachfulness and scorn, with that submission blent
 466 So strangely, in the face, by sad smiles and gay tears,—
 467 Quiescence which attacks, rebellion which endears,—
 468 Say? 'As you loved me once, could you but love me now!
 469 'Years probably have graved their passage on my brow,
 470 'Lips turn more rarely red, eyes sparkle less than erst;
 471 'Such tribute body pays to time; but, unamerced,
 472 'The soul retains, nay, boasts old treasure multiplied.
 473 'Though dew-prime flee,—mature at noonday, love defied
 474 'Chance, the wind, change, the rain: love, strenuous all the more
 475 'For storm, struck deeper root and choicer fruitage bore,
 476 'Despite the rocking world; yet truth struck root in vain:
 477 'While tenderness bears fruit, you praise, not taste again.
 478 'Why? They are yours, which once were hardly yours, might go
 479 'To grace another's ground: and then—the hopes we know,
 480 'The fears we keep in mind!—when, ours to arbitrate,
 481 'Your part was to bow neck, bid fall decree of fate.
 482 'Then, O the knotty point—white-night's work to revolve—
 483 'What meant that smile, that sigh? Not Solon's self could solve!
 484 'Then, O the deep surmise what one word might express,
 485 'And if what seemed her "No" may not have meant her "Yes!"

486 'Then, such annoy, for cause—calm welcome, such acquist
 487 'Of rapture if, refused her arm, hand touched her wrist!
 488 'Now, what's a smile to you? Poor candle that lights up
 489 'The decent household gloom which sends you out to sup
 490 'A tear? worse! warns that health requires you keep aloof
 491 'From nuptial chamber, since rain penetrates the roof!
 492 'Soul, body got and gained, inalienably safe
 493 'Your own, become despised; more worth has any waif
 494 'Or stray from neighbour's pale: pouch that,—'t is pleasure, pride,
 495 'Novelty, property, and larceny beside!
 496 'Preposterous thought! to find no value fixed in things,
 497 'To covet all you see, hear, dream of, till fate brings
 498 'About that, what you want, you gain; then follows change.
 499 'Give you the sun to keep, forthwith must fancy range:
 500 'A goodly lamp, no doubt,—yet might you catch her hair
 501 'And capture, as she frisks, the fen-fire dancing there!
 502 'What do I say? at least a meteor's half in heaven;
 503 'Provided filth but shine, my husband hankers even
 504 'After putridity that's phosphorescent, cribs
 505 'The rustic's tallow-rush, makes spoil of urchins' squibs,
 506 'In short prefers to me—chaste, temperate, serene—
 507 'What sputters green and blue, this fizzig called Fifine!"

XXXIV.

508 So all your sex mistake! Strange that so plain a fact
 509 Should raise such dire debate! Few families were racked
 510 By torture self-supplied, did Nature grant but this—
 511 That women comprehend mental analysis!

XXXV.

512 Elvire, do you recall when, years ago, our home
 513 The intimation reached, a certain pride of Rome,
 514 Authenticated piece, in the third, last and best
 515 Manner,—whatever fools and connoisseurs contest,—
 516 No particle disturbed by rude restorer's touch,
 517 The palaced picture-pearl, so long eluding clutch
 518 Of creditor, at last, the Rafael might — could we
 519 But come to terms - change lord, pass from the Prince to me?
 520 I think you recollect my fever of a year:
 521 How the Prince would, and how he would not; now,—too dear
 522 That promise was, he made his grandsire so long since,
 523 Rather to boast "I own a Rafael" than "am Prince!"

524 And now, the fancy soothed—if really sell he must
 525 His birthright for a mess of pottage—such a thrust
 526 I’ the vitals of the Prince were mollified by balm,
 527 Could he prevail upon his stomach to bear qualm,
 528 And bequeath Liberty (because a purchaser
 529 Was ready with the sum—a trifle!) yes, transfer
 530 His heart at all events to that land where, at least,
 531 Free institutions reign! And so, its price increased
 532 Five-fold (Americans are such importunates!),
 533 Soon must his Rafael start for the United States.
 534 O alternating bursts of hope now, then despair!
 535 At last, the bargain’s struck, I’m all but beggared, there
 536 The Rafael faces me, in fine, no dream at all,
 537 My housemate, evermore to glorify my wall.
 538 A week must pass, before heart-palpitations sink,
 539 In gloating o’er my gain, so late I edged the brink
 540 Of doom; a fortnight more, I spent in Paradise:
 541 “Was outline e’er so true, could colouring entice
 542 So calm, did harmony and quiet so avail?
 543 How right, how resolute, the action tells the tale!”
 544 A month, I bid my friends congratulate their best:
 545 “You happy Don!” (to me): “The blockhead!” (to the rest):
 546 “No doubt he thinks his daub original, poor dupe!”
 547 Then I resume my life: one chamber must not coop
 548 Man’s life in, though it boast a marvel like my prize.
 549 Next year, I saunter past with unaverted eyes,
 550 Nay, loll and turn my back: perchance to overlook
 551 With relish, leaf by leaf, Doré’s last picture-book.
 XXXVI.

552 Imagine that a voice reproached me from its frame:
 553 “Here do I hang, and may! Your Rafael, just the same,
 554 ’T is only you that change: no ecstasies of yore!
 555 No purposed suicide distracts you any more!”
 556 Prompt would my answer meet such frivolous attack:
 557 “You misappropriate sensations. What men lack,
 558 And labour to obtain, is hoped and feared about
 559 After a fashion; what they once obtain, makes doubt,
 560 Expectancy’s old fret and fume, henceforward void.
 561 But do they think to hold such havings unalloyed
 562 By novel hopes and fears, of fashion just as new,

563 To correspond i' the scale? Nowise, I promise you!
 564 Mine you are, therefore mine will be, as fit to cheer
 565 My soul and glad my sense to-day as this-day-year.
 566 So, any sketch or scrap, pochade, caricature,
 567 Made in a moment, meant a moment to endure,
 568 I snap at, seize, enjoy, then tire of, throw aside,
 569 Find you in your old place. But if a servant cried
 570 'Fire in the gallery!'—methinks, were I engaged
 571 In Doré, elbow-deep, picture-books million-paged
 572 To the four winds would pack, sped by the heartiest curse
 573 Was ever launched from lip, to strew the universe.
 574 Would not I brave the best o' the burning, bear away
 575 Either my perfect piece in safety, or else stay
 576 And share its fate, be made its martyr nor repine?
 577 Inextricably wed, such ashes mixed with mine!"

XXXVII.

578 For which I get the eye, the hand, the heart, the whole
 579 O' the wondrous wife again!

XXXVIII.

579 But no, play out your rôle
 580 I' the pageant! 'T is not fit your phantom leave the stage:
 581 I want you, there, to make you, here, confess you wage
 582 Successful warfare, pique those proud ones, and advance
 583 Claim to . . . equality? nay, but predominance
 584 In physique o'er them all, where Helen heads the scene
 585 Closed by its tiniest of tail-tips, pert Fifine.
 586 How ravishingly pure you stand in pale constraint!
 587 My new-created shape, without or touch or taint,
 588 Inviolatè of life and worldliness and sin—
 589 Fettered, I hold my flower, her own cup's weight would win
 590 From off the tall slight stalk a-top of which she turns
 591 And trembles, makes appeal to one who roughly earns
 592 Her thanks instead of blame, (did lily only know),
 593 By thus constraining length of lily, letting snow
 594 Of cup-crown, that's her face, look from its guardian stake,
 595 Superb on all that crawls beneath, and mutely make
 596 Defiance, with the mouth's white movement of disdain,
 597 To all that stoops, retires and hovers round again!
 598 How windingly the limbs delay to lead up, reach
 599 Where, crowned, the head waits calm: as if reluctant, each,

600 That eye should traverse quick such lengths of loveliness,
 601 From feet, which just are found embedded in the dress
 602 Deep swathed about with folds and flowings virginal,
 603 Up to the pleated breasts, rebellious 'neath their pall,
 604 As if the vesture's snow were moulding sleep not death,
 605 Must melt and so release; whereat, from the fine sheath,
 606 The flower-cup-crown starts free, the face is unconcealed,
 607 And what shall now divert me, once the sweet face revealed,
 608 From all I loved so long, so lingeringly left?

XXXIX.

609 Because indeed your face fits into just the cleft
 610 O' the heart of me, Elvire, makes right and whole once more
 611 All that was half itself without you! As before,
 612 My truant finds its place! Doubtlessly sea-shells yearn,
 613 If plundered by sad chance: would pray their pearls return,
 614 Let negligently slip away into the wave!
 615 Never may eyes desist, those eyes so grey and grave,
 616 From their slow sure supply of the effluent soul within!
 617 And, would you humour me? I dare to ask, unpin
 618 The web of that brown hair! O'erwash o' the sudden, but
 619 As promptly, too, disclose, on either side, the jut
 620 Of alabaster brow! So part rich rillets dyed
 621 Deep by the woodland leaf, when down they pour, each side
 622 O' the rock-top, pushed by Spring!

XL.

622 "And where i' the world is all
 623 This wonder, you detail so trippingly, espied?
 624 My mirror would reflect a tall, thin, pale, deep-eyed
 625 Personage, pretty once, it may be, doubtless still
 626 Loving,—a certain grace yet lingers, if you will,—
 627 But all this wonder, where?"

XLI.

627 Why, where but in the sense
 628 And soul of me, Art's judge? Art is my evidence
 629 That something was, is, might be; but no more thing itself,
 630 Than flame is fuel. Once the verse-book laid on shelf,
 631 The picture turned to wall, the music fled from ear,—
 632 Each beauty, born of each, grows clearer and more clear,
 633 Mine henceforth, ever mine!

XLII.

633 But if I would re-trace
 634 Effect, in Art, to cause,—corroborate, erase
 635 What's right or wrong i' the lines, test fancy in my brain
 636 By fact which gave it birth? I re-peruse in vain
 637 The verse, I fail to find that vision of delight
 638 I' the Bazzi's lost-profile, eye-edge so exquisite.
 639 And, music: what? that burst of pillared cloud by day
 640 And pillared fire by night, was product, must we say,
 641 Of modulating just, by enharmonic change,—
 642 The augmented sixth resolved,—from out the straighter range
 643 Of D sharp minor,—leap of disimprisoned thrall,—
 644 Into thy light and life, D major natural?

XLIII.

645 Elvire, will you partake in what I shall impart?
 646 I seem to understand the way heart chooses heart
 647 By help of the outside form,—a reason for our wild
 648 Diversity in choice,—why each grows reconciled
 649 To what is absent, what superfluous in the mask
 650 Of flesh that's meant to yield,—did nature ply her task
 651 As artist should,—precise the features of the soul,
 652 Which, if in any case they found expression, whole
 653 I' the traits, would give a type, undoubtedly display
 654 A novel, true, distinct perfection in its way.
 655 Never shall I believe any two souls were made
 656 Similar; granting, then, each soul of every grade
 657 Was meant to be itself, prove in itself complete
 658 And, in completion, good,—nay, best o' the kind,—as meet
 659 Needs must it be that show on the outside correspond
 660 With inward substance,—flesh, the dress which soul has donned,
 661 Exactly reproduce,—were only justice done
 662 Inside and outside too,—types perfect everyone.
 663 How happens it that here we meet a mystery
 664 Insoluble to man, a plaguy puzzle? Why
 665 Each soul is either made imperfect, and deserves
 666 As rude a face to match, or else a bungler swerves,
 667 And nature, on a soul worth rendering aright,
 668 Works ill, or proves perverse, or, in her own despite,
 669 —Here too much, there too little,—bids each face, more or less,
 670 Retire from beauty, make approach to ugliness?
 671 And yet succeeds the same: since, what is wanting to success,

672 If somehow every face, no matter how deform,
 673 Evidence, to some one of hearts on earth, that, warm
 674 Beneath the veriest ash, there hides a spark of soul
 675 Which, quickened by love's breath, may yet pervade the whole
 676 O' the grey, and, free again, be fire?—of worth the same,
 677 Howe'er produced, for, great or little, flame is flame.
 678 A mystery, whereof solution is to seek.

XLIV.

679 I find it in the fact that each soul, just as weak
 680 Its own way as its fellow,—departure from design
 681 As flagrant in the flesh,—goes striving to combine
 682 With what shall right the wrong, the under or above
 683 The standard: supplement unloveliness by love.
 684 —Ask Plato else! And this corroborates the sage,
 685 That Art,—which I may style the love of loving, rage
 686 Of knowing, seeing, feeling the absolute truth of things
 687 For truth's sake, whole and sole, not any good, truth brings
 688 The knower, seer, feeler, beside,—instinctive Art
 689 Must fumble for the whole, once fixing on a part
 690 However poor, surpass the fragment, and aspire
 691 To reconstruct thereby the ultimate entire.
 692 Art, working with a will, discards the superflux,
 693 Contributes to defect, toils on till.—fiat lux,—
 694 There's the restored, the prime, the individual type!

XLV.

695 Look, for example now! This piece of broken pipe
 696 (Some shipman's solace erst) shall act as crayon; and
 697 What tablet better serves my purpose than the sand?
 698 —Smooth slab whereon I draw, no matter with what skill,
 699 A face, and yet another, and yet another still.
 700 There lie my three prime types of beauty!

XLVI.

700 Laugh your best!
 701 "Exaggeration and absurdity?" Confessed!
 702 Yet, what may that face mean, no matter for its nose,
 703 A yard long, or its chin, a foot short?

XLVII.

703 "You suppose,
 704 Horror?" Exactly! What's the odds if, more or less
 705 By yard or foot, the features do manage to express

706 Such meaning in the main? Were I of Gérôme's force,
 707 Nor feeble as you see, quick should my crayon course
 708 O'er outline, curb, excite, till,—so completion speeds
 709 With Gérôme well at work,—observe how brow recedes,
 710 Head shudders back on spine, as if one haled the hair,
 711 Would have the full-face front what pin-point eye's sharp stare
 712 Announces; mouth agape to drink the flowing fate,
 713 While chin protrudes to meet the burst o' the wave: elate
 714 Almost, spurred on to brave necessity, expend
 715 All life left, in one flash, as fire does at its end.
 716 Retrenchment and addition effect a masterpiece,
 717 Not change i' the motive: here diminish, there increase—
 718 And who wants Horror, has it.

XLVIII.

718 Who wants some other show
 719 Of soul, may seek elsewhere—this second of the row?
 720 What does it give for germ, monadic mere intent
 721 Of mind in face, faint first of meanings ever meant?
 722 Why, possibly, a grin, that, strengthened, grows a laugh;
 723 That, softened, leaves a smile; that, tempered, bids you quaff
 724 At such a magic cup as English Reynolds once
 725 Compounded: for the witch pulls out of you response
 726 Like Garrick's to Thalia, however due may be
 727 Your homage claimed by that stiff-stoled Melpomene!

XLIX.

728 And just this one face more! Pardon the bold pretence!
 729 May there not lurk some hint, struggle toward evidence
 730 In that compressed mouth, those strained nostrils, steadfast eyes
 731 Of utter passion, absolute self-sacrifice,
 732 Which,—could I but subdue the wild grotesque, refine
 733 That bulge of brow, make blunt that nose's aquiline,
 734 And let, although compressed, a point of pulp appear
 735 I' the mouth,—would give at last the portrait of Elvire?

L.

736 Well, and if so succeed hand-practice on awry
 737 Preposterous art-mistake, shall soul-proficiency
 738 Despair,—when exercised on nature, which at worst
 739 Always implies success, however crossed and curst
 740 By failure,—such as art would emulate in vain?
 741 Shall any soul despair of setting free again

742 Trait after trait, until the type as wholly start
 743 Forth, visible to sense, as that minutest part,
 744 (Whate'er the chance) which first arresting eye, warned soul
 745 That, under wrong enough and ravage, lay the whole
 746 O' the loveliness it "loved"—I take the accepted phrase?

LI.

747 So I account for tastes: each chooses, none gainsays
 748 The fancy of his fellow, a paradise for him,
 749 A hell for all beside. You can but crown the brim
 750 O' the cup; if it be full, what matters less or more?
 751 Let each, i' the world, amend his love, as I, o' the shore
 752 My sketch, and the result as undisputed be!
 753 Their handiwork to them, and my Elvire to me:
 754 —Result more beautiful than beauty's self, when lo,
 755 What was my Rafael turns my Michelagnolo!

LII.

756 For, we two boast, beside our pearl, a diamond.
 757 I' the palace-gallery, the corridor beyond,
 758 Upheaves itself a marble, a magnitude man-shaped
 759 As snow might be. One hand,—the Master's,—smoothed and scraped
 760 That mass, he hammered on and hewed at, till he hurled
 761 Life out of death, and left a challenge: for the world,
 762 Death still,—since who shall dare, close to the image, say
 763 If this be purposed Art, or mere mimetic play
 764 Of Nature?—wont to deal with crag or cloud, as stuff
 765 To fashion novel forms, like forms we know, enough
 766 For recognition, but enough unlike the same,
 767 To leave no hope ourselves may profit by her game;
 768 Death therefore to the world. Step back a pace or two!
 769 And then, who dares dispute the gradual birth its due
 770 Of breathing life, or breathless immortality,
 771 Where out she stands, and yet stops short, half bold, half shy,
 772 Hesitates on the threshold of things, since partly blent
 773 With stuff she needs must quit, her native element
 774 I' the mind o' the Master,—what's the creature, deardivine
 775 Yet earthly-awful too, so manly-feminine,
 776 Pretends this white advance? What startling brain-escape
 777 Of Michelagnolo takes elemental shape?
 778 I think he meant the daughter of the old man o' the sea,
 779 Emerging from her wave, goddess Eidotheé—

780 She who, in elvish sport, spite with benevolence
 781 Mixed Mab wise up, must needs instruct the Hero whence
 782 Salvation dawns o'er that mad misery of his isle.
 783 Yes, she imparts to him, by what a pranksome wile
 784 He may surprise her sire, asleep beneath a rock,
 785 When he has told their tale, amid his web-foot flock
 786 Of sea-beasts, "fine fat seals with bitter breath!" laughs she
 787 At whom she likes to save, no less: Eidotheé,
 788 Whom you shall never face evolved, in earth, in air,
 789 In wave; but, manifest i' the soul's domain, why, there
 790 She ravishingly moves to meet you, all through aid
 791 O' the soul! Bid shine what should, dismiss into the shade
 792 What should not be,—and there triumphs the paramount
 793 Emprise o' the Master! But, attempt to make account
 794 Of what the sense, without soul's help, perceives? I bought
 795 That work—(despite plain proof, whose hand it was had wrought
 796 I' the rough: I think we trace the tool of triple tooth,
 797 Here, there and everywhere)—bought dearly that uncouth
 798 Unwieldy bulk, for just ten dollars—"Bulk, would fetch—
 799 Converted into lime—some five pauls!" grinned a wretch,
 800 Who, bound on business, paused to hear the bargaining,
 801 And would have pitied me "but for the fun o' the thing!"

LIII.

802 Shall such a wretch be—you? Must—while I show Elvire
 803 Shaming all other forms, seen as I see her here
 804 I' the soul,—this other-you perversely look outside,
 805 And ask me, "Where i' the world is charm to be descried
 806 I' the tall thin personage, with paled eye, pensive face,
 807 Any amount of love, and some remains of grace?"
 808 See yourself in my soul!

LIV.

808 And what a world for each
 809 Must somehow be i' the soul,—accept that mode of speech,—
 810 Whether an aura gird the soul, wherein it seems
 811 To float and move, a belt of all the glints and gleams
 812 It struck from out that world, its weaklier fellows found
 813 So dead and cold; or whether these not so much surround,
 814 As pass into the soul itself, add worth to worth,
 815 As wine enriches blood, and straightway send it forth,
 816 Conquering and to conquer, through all eternity,

817 That's battle without end.

LV.

817 I search but cannot see

818 What purpose serves the soul that strives, or world it tries

819 Conclusions with, unless the fruit of victories

820 Stay, one and all, stored up and guaranteed its own

821 For ever, by some mode whereby shall be made known

822 The gain of every life. Death reads the title clear—

823 What each soul for itself conquered from out things here:

824 Since, in the seeing soul, all worth lies, I assert,—

825 And nought i' the world, which, save for soul that sees, inert

826 Was, is, and would be ever,—stuff for transmuting,—null

827 And void until man's breath evoke the beautiful—

828 But, touched aright, prompt yields each particle its tongue

829 Of elemental flame,—no matter whence flame sprung

830 From gums and spice, or else from straw and rottenness,

831 So long as soul has power to make them burn, express

832 What lights and warms henceforth, leaves only ash behind,

833 Howe'er the chance: if soul be privileged to find

834 Food so soon that, by first snatch of eye, suck of breath,

835 It can absorb pure life: or, rather, meeting death

836 I' the shape of ugliness, by fortunate recoil

837 So put on its resource, it find therein a foil

838 For a new birth of life, the challenged soul's response

839 To ugliness and death,—creation for the nonce.

LVI.

840 I gather heart through just such conquests of the soul,

841 Through evocation out of that which, on the whole,

842 Was rough, ungainly, partial accomplishment, at best,

843 And—what, at worst, save failure to spit at and detest?—

844 —Through transference of all, achieved in visible things,

845 To where, secured from wrong, rest soul's imaginings—

846 Through ardour to bring help just where completion halts,

847 Do justice to the purpose, ignore the slips and faults—

848 And, last, through waging with deformity a fight

849 Which wrings thence, at the end, precise its opposite.

850 I praise the loyalty o' the scholar,—stung by taunt

851 Of fools “Does this evince thy Master men so vaunt?

852 Did he then perpetrate the plain abortion here?”

853 Who cries “His work am I! full fraught by him, I clear

854 His fame from each result of accident and time,
 855 Myself restore his work to its fresh morning-prime,
 856 Not daring touch the mass of marble, fools deride,
 857 But putting my idea in plaster by its side,
 858 His, since mine; I, he made, vindicate who made me!"

LVII.

859 For, you must know, I too achieved Eidotheé,
 860 In silence and by night—dared justify the lines
 861 Plain to my soul, although, to sense, that triple-time's
 862 Achievement halt half-way, break down, or leave a blank.
 863 If she stood forth at last, the Master was to thank!
 864 Yet may there not have smiled approval in his eyes—
 865 That one at least was left who, born to recognize
 866 Perfection in the piece imperfect, worked, that night,
 867 In silence, such his faith, until the apposite
 868 Design was out of him, truth palpable once more?
 869 And then,—for at one blow, its fragments strewed the floor,—
 870 Recalled the same to live within his soul as heretofore.

LVIII.

871 And, even as I hold and have Eidotheé,
 872 I say, I cannot think that gain,—which would not be
 873 Except a special soul had gained it,—that such gain
 874 Can ever be estranged, do aught but appertain
 875 Immortally, by right firm, indefeasible,
 876 To who performed the feat, through God's grace and man's will!
 877 Gain, never shared by those who practised with earth's stuff,
 878 And spoiled whate'er they touched, leaving its roughness rough,
 879 Its blankness bare, and, when the ugliness opposed,
 880 Either struck work or laughed "He doted or he dozed!"

LIX.

881 While, oh, how all the more will love become intense
 882 Hereafter, when "to love" means yearning to dispense,
 883 Each soul, its own amount of gain through its own mode
 884 Of practising with life, upon some soul which owed
 885 Its treasure, all diverse and yet in worth the same,
 886 To new work and changed way! Things furnish you rose-flame,
 887 Which burn up red, green, blue, nay, yellow more than needs,
 888 For me, I nowise doubt; why doubt a time succeeds
 889 When each one may impart, and each receive, both share
 890 The chemic secret, learn,—where I lit force, why there

891 You drew forth lambent pity,—where I found only food
 892 For self-indulgence, you still blew a spark at brood
 893 I' the greyest ember, stopped not till self-sacrifice imbued
 894 Heaven's face with flame? What joy, when each may supplement
 895 The other, changing each as changed, till, wholly blent,
 896 Our old things shall be new, and, what we both ignite,
 897 Fuse, lose the varicolor in achromatic white!
 898 Exemplifying law, apparent even now
 899 In the eternal progress,—love's law, which I avow
 900 And thus would formulate: each soul lives, longs and works
 901 For itself, by itself,—because a lodestar lurks,
 902 An other than itself,—in whatsoe'er the niche
 903 Of mistiest heaven it hide, whoe'er the Glumdalclich
 904 May grasp the Gulliver: or it, or he, or she—
 905 Theosutos e broteios eper kekramene,—
 906 (For fun's sake, where the phrase has fastened, leave it fixed!
 907 So soft it says,—“God, man, or both together mixed”!)
 908 This, guessed at through the flesh, by parts which prove the whole,
 909 This constitutes the soul discernible by soul
 910 —Elvire, by me!

LX.

910 “And then”—(pray you, permit remain
 911 This hand upon my arm!—your cheek dried, if you deign,
 912 Choosing my shoulder)—“then”—(Stand up for, boldly state
 913 The objection in its length and breadth!) “you abdicate,
 914 With boast yet on your lip, soul's empire, and accept
 915 The rule of sense; the Man, from monarch's throne has stept—
 916 Leapt, rather, at one bound, to base, and there lies, Brute.
 917 You talk of soul,—how soul, in search of soul to suit,
 918 Must needs review the sex, the army, rank and file
 919 Of womankind, report no face nor form so vile
 920 But that a certain worth, by certain signs, may thence
 921 Evolve itself and stand confessed—to soul—by sense.
 922 Sense? Oh, the loyal bee endeavours for the hive!
 923 Disinterested hunts the flower-field through, alive
 924 Not one mean moment, no,—suppose on flower he light,—
 925 To his peculiar drop, petal-dew perquisite,
 926 Matter-of-course snatched snack: unless he taste, how try?
 927 This, light on tongue-tip laid, allows him pack his thigh,
 928 Transport all he counts prize, provision for the comb,

929 Food for the future day,—a banquet, but at home!
 930 Soul? Ere you reach Fifine's, some flesh may be to pass!
 931 That bombéd brow, that eye, a kindling chrysopras,
 932 Beneath its stiff black lash, inquisitive how speeds
 933 Each functionary limb, how play of foot succeeds,
 934 And how you let escape or duly sympathize
 935 With gastroknemian grace,—true, your soul tastes and tries,
 936 And trifles time with these, but, fear not, will arrive
 937 At essence in the core, bring honey home to hive,
 938 Brain-stock and heart-stuff both—to strike objectors dumb—
 939 Since only soul affords the soul fit pabulum!
 940 Be frank for charity! Who is it you deceive—
 941 Yourself or me or God, with all this make-believe?"

LXI.

942 And frank I will respond as you interrogate.
 943 Ah, Music, wouldst thou help! Words struggle with the weight
 944 So feebly of the False, thick element between
 945 Our soul, the True, and Truth! which, but that intervene
 946 False shows of things, were reached as easily by thought
 947 Reducible to word, as now by yearnings wrought
 948 Up with thy fine free force, oh Music, that canst thrid,
 949 Electrically win a passage through the lid
 950 Of earthly sepulchre, our words may push against,
 951 Hardly transpierce as thou! Not dissipate, thou deign'st,
 952 So much as tricksily elude what words attempt
 953 To heave away, i' the mass, and let the soul, exempt
 954 From all that vapoury obstruction, view, instead
 955 Of glimmer underneath, a glory overhead.
 956 Not feebly, like our phrase, against the barrier go
 957 In suspirative swell the authentic notes I know,
 958 By help whereof, I would our souls were found without
 959 The pale, above the dense and dim which breeds the doubt!
 960 But Music, dumb for you, withdraws her help from me;
 961 And, since to weary words recourse again must be,
 962 At least permit they rest their burthen here and there,
 963 Music-like: cover space! My answer,—need you care
 964 If it exceed the bounds, reply to questioning
 965 You never meant should plague? Once fairly on the wing,
 966 Let me flap far and wide!

LXII.

966 For this is just the time,
 967 The place, the mood in you and me, when all things chime.
 968 Clash forth life's common chord, whence, list how there ascend
 969 Harmonics far and faint, till our perception end,—
 970 Reverberated notes whence we construct the scale
 971 Embracing what we know and feel and are! How fail
 972 To find or, better, lose your question, in this quick
 973 Reply which nature yields, ample and catholic?
 974 For, arm in arm, we two have reached, nay, passed, you see,
 975 The village-precinct; sun sets mild on Sainte Marie—
 976 We only catch the spire, and yet I seem to know
 977 What's hid i' the turn o' the hill: how all the graves must glow
 978 Soberly, as each warms its little iron cross,
 979 Flourished about with gold, and graced (if private loss
 980 Be fresh) with stiff rope-wreath of yellow crisp beadblossoms
 981 Which tempt down birds to pay their supper, mid the tombs,
 982 With prattle good as song, amuse the dead awhile,
 983 If couched they hear beneath the matted camomile!

LXIII.

984 Bid them good-bye before last friend has sung and supped!
 985 Because we pick our path and need our eyes,—abrupt
 986 Descent enough,—but here's the beach, and there's the bay,
 987 And, opposite, the streak of Île Noirmoutier.
 988 Thither the waters tend; they freshen as they haste,
 989 At feel o' the night-wind, though, by cliff and cliff embraced,
 990 This breadth of blue retains its self-possession still;
 991 As you and I intend to do, who take our fill
 992 Of sights and sounds—soft sound, the countless hum and skip
 993 Of insects we disturb, and that good fellowship
 994 Of rabbits our foot-fall sends huddling, each to hide
 995 He best knows how and where; and what whirred past, wings wide?
 996 That was an owl, their young may justlier apprehend!
 997 Though you refuse to speak, your beating heart, my friend,
 998 I feel against my arm,—though your bent head forbids
 999 A look into your eyes, yet, on my cheek, their lids
 1000 That ope and shut, soft send a silken thrill the same.
 1001 Well, out of all and each these nothings, comes—what came
 1002 Often enough before, the something that would aim
 1003 Once more at the old mark: the impulse to at last
 1004 Succeed where hitherto was failure in the past,

1005 And yet again essay the adventure. Clearlier sings
 1006 No bird to its couched corpse "Into the truth of things—
 1007 Out of their falseness rise, and reach thou, and remain!"

LXIV.

1008 "That rise into the true out of the false—explain?"
 1009 May an example serve? In yonder bay I bathed,
 1010 This sunny morning: swam my best, then hung, half swathed
 1011 With chill, and half with warmth, i' the channel's midmost deep:
 1012 You know how one—not treads, but stands in water? Keep
 1013 Body and limbs below, hold head back, uplift chin,
 1014 And, for the rest, leave care! If brow, eyes, mouth, should win
 1015 Their freedom,—excellent! If they must brook the surge,
 1016 No matter though they sink, let but the nose emerge.
 1017 So, all of me in brine lay soaking: did I care
 1018 One jot? I kept alive by man's due breath of air
 1019 I' the nostrils, high and dry. At times, o'er these would run
 1020 The ripple, even wash the wavelet,—morning's sun
 1021 Tempted advance, no doubt: and always flash of froth,
 1022 Fish-outbreak, bubbling by, would find me nothing loth
 1023 To rise and look around; then all was overswept
 1024 With dark and death at once. But trust the old adept!
 1025 Back went again the head, a merest motion made,
 1026 Fin-fashion, either hand, and nostril soon conveyed
 1027 Assurance light and life were still in reach as erst:
 1028 Always the last and,—wait and watch,—sometimes the first.
 1029 Try to ascend breast-high? wave arms wide free of tether?
 1030 Be in the air and leave the water altogether?
 1031 Under went all again, till I resigned myself
 1032 To only breathe the air, that's footed by an elf,
 1033 And only swim the water, that's native to a fish.
 1034 But there is no denying that, ere I curbed my wish,
 1035 And schooled my restive arms, salt entered mouth and eyes
 1036 Often enough—sun, sky, and air so tantalize!
 1037 Still, the adept swims, this accorded, that denied;
 1038 Can always breathe, sometimes see and be satisfied!

LXV.

1039 I liken to this play o' the body,—fruitless strife
 1040 To slip the sea and hold the heaven,—my spirit's life
 1041 'Twixt false, whence it would break, and true, where it would bide.
 1042 I move in, yet resist, am upborne every side

1043 By what I beat against, an element too gross
 1044 To live in, did not soul duly obtain her dose
 1045 Of life-breath, and inhale from truth's pure plenitude
 1046 Above her, snatch and gain enough to just illude
 1047 With hope that some brave bound may baffle evermore
 1048 The obstructing medium, make who swam henceforward soar:
 1049 —Gain scarcely snatched when, foiled by the very effort, sowse,
 1050 Underneath ducks the soul, her truthward yearnings drowse
 1051 Deeper in falsehood! ay, but fitted less and less
 1052 To bear in nose and mouth old briny bitterness
 1053 Proved alien more and more: since each experience proves
 1054 Air—the essential good, not sea, wherein who moves
 1055 Must thence, in the act, escape, apart from will or wish.
 1056 Move a mere hand to take waterweed, jelly-fish,
 1057 Upward you tend! And yet our business with the sea
 1058 Is not with air, but just o' the water, watery:
 1059 We must endure the false, no particle of which
 1060 Do we acquaint us with, but up we mount a pitch
 1061 Above it, find our head reach truth, while hands explore
 1062 The false below: so much while here we bathe,—no more!

LXVI.

1063 Now, there is one prime point (hear and be edified!)
 1064 One truth more true for me than any truth beside—
 1065 To-wit, that I am I, who have the power to swim,
 1066 The skill to understand the law whereby each limb
 1067 May bear to keep immersed, since, in return, made sure
 1068 That its mere movement lifts head clean through coverture.
 1069 By practice with the false, I reach the true? Why, thence
 1070 It follows, that the more I gain self-confidence,
 1071 Get proof I know the trick, can float, sink, rise, at will,
 1072 The better I submit to what I have the skill
 1073 To conquer in my turn, even now, and by and by
 1074 Leave wholly for the land, and there laugh, shake me dry
 1075 To last drop, saturate with noonday—no need more
 1076 Of wet and fret, plagued once: on Pornic's placid shore,
 1077 Abundant air to breathe, sufficient sun to feel!
 1078 Meantime I buoy myself: no whit my senses reel
 1079 When over me there breaks a billow; nor, elate
 1080 Too much by some brief taste, I quaff intemperate
 1081 The air, o'ertop breast-high the wave-environment.

1082 Full well I know the thing I grasp, as if intent
 1083 To hold,—my wandering wave,—will not be grasped at all:
 1084 The solid-seeming grasped, the handful great or small
 1085 Must go to nothing, glide through fingers fast enough;
 1086 But none the less, to treat liquidity as stuff—
 1087 Though failure—certainly succeeds beyond its aim,
 1088 Sends head above, past thing that hands miss, all the same.

LXVII.

1089 So with this wash o' the world, wherein life-long we drift;
 1090 We push and paddle through the foam by making shift
 1091 To breathe above at whiles when, after deepest duck
 1092 Down underneath the show, we put forth hand and pluck
 1093 At what seems somehow like reality—a soul.
 1094 I catch at this and that, to capture and control,
 1095 Presume I hold a prize, discover that my pains
 1096 Are run to nought: my hands are balked, my head regains
 1097 The surface where I breathe and look about, a space.
 1098 The soul that helped me mount? Swallowed up in the race
 1099 O' the tide, come who knows whence, gone gaily who knows where!
 1100 I thought the prize was mine; I flattered myself there.
 1101 It did its duty, though: I felt it, it felt me,
 1102 Or, where I look about and breathe, I should not be.
 1103 The main point is—the false fluidity was bound
 1104 Acknowledge that it frothed o'er substance, nowise found
 1105 Fluid, but firm and true. Man, outcast, "howls,"—at rods?—
 1106 If "sent in playful spray a-shivering to his gods!"
 1107 Childishest childe, man makes thereby no bad exchange.
 1108 Stay with the flat-fish, thou! We like the upper range
 1109 Where the "gods" live, perchance the dæmons also dwell:
 1110 Where operates a Power, which every throb and swell
 1111 Of human heart invites that human soul approach,
 1112 "Sent" near and nearer still, however "spray" encroach
 1113 On "shivering" flesh below, to altitudes, which gained,
 1114 Evil proves good, wrong right, obscurity explained,
 1115 And "howling" childishness. Whose howl have we to thank,
 1116 If all the dogs 'gan bark and puppies whine, till sank
 1117 Each yelper's tail 'twixt legs? for Huntsman Commonsense
 1118 Came to the rescue, bade prompt thwack of thong dispense
 1119 Quiet i' the kennel; taught that ocean might be blue,
 1120 And rolling and much more, and yet the soul have, too,

1121 Its touch of God's own flame, which He may so expand
 1122 "Who measured the waters i' the hollow of His hand"
 1123 That ocean's self shall dry, turn dew-drop in respect
 1124 Of all-triumphant fire, matter with intellect
 1125 Once fairly matched; bade him who egged on hounds to bay,
 1126 Go curse, i' the poultry yard, his kind: "there let him lay"
 1127 The swan's one addled egg: which yet shall put to use,
 1128 Rub breast-bone warm against, so many a sterile goose!

LXVIII.

1129 No, I want sky not sea, prefer the larks to shrimps,
 1130 And never dive so deep but that I get a glimpse
 1131 O' the blue above, a breath of the air around. Elvire,
 1132 I seize—by catching at the melted beryl here,
 1133 The tawny hair that just has trickled off,—Fifine!
 1134 Did not we two trip forth to just enjoy the scene,
 1135 The tumbling-troop arrayed, the strollers on their stage,
 1136 Drawn up and under arms, and ready to engage—
 1137 Dabble, and there an end, with foam and froth o'er face,
 1138 Till suddenly Fifine suggested change of place?
 1139 Now we taste æther, scorn the wave, and interchange apace
 1140 No ordinary thoughts, but such as evidence
 1141 The cultivated mind in both. On what pretence
 1142 Are you and I to sneer at who lent help to hand,
 1143 And gave the lucky lift?

LXIX.

1143 Still sour? I understand!
 1144 One ugly circumstance discredits my fair plan—
 1145 That Woman does the work; I waive the help of Man.
 1146 "Why should experiment be tried with only waves,
 1147 When solid spars float round? Still some Thalassia saves
 1148 Too pertinaciously, as though no Triton, bluff
 1149 As e'er blew brine from conch, were free to help enough!
 1150 Surely, to recognize a man, his mates serve best!
 1151 Why is there not the same or greater interest
 1152 In the strong spouse as in the pretty partner, pray,
 1153 Were recognition just your object, as you say,
 1154 Amid this element o' the false?"

LXX.

1154 We come to terms.
 1155 I need to be proved true; and nothing so confirms

1156 One's faith in the prime point that one's alive, not dead,
 1157 In all Descents to Hell whereof I ever read,
 1158 As when a phantom there, male enemy or friend,
 1159 Or merely stranger-shade, is struck, is forced suspend
 1160 His passage: "You that breathe, along with us the ghosts?"
 1161 Here, why must it be still a woman that accosts?

LXXI.

1162 Because, one woman's worth, in that respect, such hairy hosts
 1163 Of the other sex and sort! Men? Say you have the power
 1164 To make them yours, rule men, throughout life's little hour,
 1165 According to the phrase; what follows? Men, you make,
 1166 By ruling them, your own: each man for his own sake
 1167 Accepts you as his guide, avails him of what worth
 1168 He apprehends in you to sublimate his earth
 1169 With fire: content, if so you convoy him through night,
 1170 That you shall play the sun, and he, the satellite,
 1171 Pilfer your light and heat and virtue, starry pelf,
 1172 While, caught up by your course, he turns upon himself.
 1173 Women rush into you, and there remain absorbed.
 1174 Beside, 't is only men completely formed, full-orbed,
 1175 Are fit to follow track, keep pace, illustrate so
 1176 The leader: any sort of woman may bestow
 1177 Her atom on the star, or clod she counts for such,—
 1178 Each little making less bigger by just that much.
 1179 Women grow you, while men depend on you at best.
 1180 And what dependence! Bring and put him to the test,
 1181 Your specimen disciple, a handbreadth separate
 1182 From you, he almost seemed to touch before! Abate
 1183 Complacency you will, I judge, at what 's divulged!
 1184 Some flabbiness you fixed, some vacancy outbulged,
 1185 Some—much—nay, all, perhaps, the outward man's your work:
 1186 But, inside man?—find him, wherever he may lurk,
 1187 And where's a touch of you in his true self?

LXXII.

1187 I wish
 1188 Some wind would waft this way a glassy bubble-fish
 1189 O' the kind the sea inflates, and show you, once detached
 1190 From wave . . . or no, the event is better told than watched:
 1191 Still may the thing float free, globose and opaline
 1192 All over, save where just the amethysts combine

1193 To blue their best, rim-round the sea-flower with a tinge
 1194 Earth's violet never knew! Well, 'neath that gem-tipped fringe,
 1195 A head lurks—of a kind—that acts as stomach too;
 1196 Then comes the emptiness which out the water blew
 1197 So big and belly-like, but, dry of water drained,
 1198 Withers away nine-tenths. Ah, but a tenth remained!
 1199 That was the creature's self: no more akin to sea,
 1200 Poor rudimental head and stomach, you agree,
 1201 Than sea's akin to sun who yonder dips his edge.

LXXIII.

1202 But take the rill which ends a race o'er yonder ledge
 1203 O' the fissured cliff, to find its fate in smoke below!
 1204 Disengage that, and ask—what news of life, you know
 1205 It led, that long lone way, through pasture, plain and waste?
 1206 All's gone to give the sea! no touch of earth, no taste
 1207 Of air, reserved to tell how rushes used to bring
 1208 The butterfly and bee, and fisher-bird that's king
 1209 O' the purple kind, about the snow-soft silver-sweet
 1210 Infant of mist and dew; only these atoms fleet,
 1211 Embittered evermore, to make the sea one drop
 1212 More big thereby—if thought keep count where sense must stop.

LXXIV.

1213 The full-blown ingrate, mere recipient of the brine,
 1214 That takes all and gives nought, is Man; the feminine
 1215 Rillet that, taking all and giving nought in turn,
 1216 Goes headlong to her death i' the sea, without concern
 1217 For the old inland life, snow-soft and silver-clear,
 1218 That's woman—typified from Fifine to Elvire.

LXXV.

1219 Then, how diverse the modes prescribed to who would deal
 1220 With either kind of creature! 'T is Man, you seek to seal
 1221 Your very own? Resolve, for first step, to discard
 1222 Nine-tenths of what you are! To make, you must be marred,—
 1223 To raise your race, must stoop,—to teach them aught, must learn
 1224 Ignorance, meet half-way what most you hope to spurn
 1225 I' the sequel. Change yourself, dissimulate the thought
 1226 And vulgarize the word, and see the deed be brought
 1227 To look like nothing done with any such intent
 1228 As teach men—though perchance it teach, by accident!
 1229 So may you master men: assured that if you show

1230 One point of mastery, departure from the low
 1231 And level,—head or heart-revolt at long disguise,
 1232 Immurement, stifling soul in mediocrities,—
 1233 If inadvertently a gesture, much more, word
 1234 Reveal the hunter no companion for the herd,
 1235 His chance of capture's gone. Success means, they may snuff,
 1236 Examine, and report,—a brother, sure enough,
 1237 Disports him in brute-guise; for skin is truly skin,
 1238 Horns, hoofs are hoofs and horns, and all, outside and in,
 1239 Is veritable beast, whom fellow-beasts resigned
 1240 May follow, made a prize in honest pride, behind
 1241 One of themselves and not creation's upstart lord!
 1242 Well, there's your prize i' the pound—much joy may it afford
 1243 My Indian! Make survey and tell me,—was it worth
 1244 You acted part so well, went all-fours upon earth
 1245 The live-long day, brayed, belled, and all to bring to pass
 1246 That stags should deign eat hay when winter stints them grass?
 LXXVI.

1247 So much for men, and how disguise may make them mind
 1248 Their master. But you have to deal with womankind?
 1249 Abandon stratagem for strategy! Cast quite
 1250 The vile disguise away, try truth clean-opposite
 1251 Such creep-and-crawl, stand forth all man and, might it chance,
 1252 Somewhat of angel too!—whate'er inheritance,
 1253 Actual on earth, in heaven prospective, be your boast,
 1254 Lay claim to! Your best self revealed at uttermost,—
 1255 That's the wise way o' the strong! And e'en should falsehood tempt
 1256 The weaker sort to swerve,—at least the lie's exempt
 1257 From slur, that's loathlier still, of aiming to debase
 1258 Rather than elevate its object. Mimic grace,
 1259 Not make deformity your mask! Be sick by stealth,
 1260 Nor traffic with disease—malingering in health!
 1261 No more of: "Countrymen, I boast me one like you—
 1262 My lot, the common strength, the common weakness too!
 1263 I think the thoughts you think; and if I have the knack
 1264 Of fitting thoughts to words, you peradventure lack,
 1265 Envy me not the chance, yourselves more fortunate!
 1266 Many the loaded ship self-sunk through treasure-freight,
 1267 Many the pregnant brain brought never child to birth,
 1268 Many the great heart broke beneath its girdle-girth!

1269 Be mine the privilege to supplement defect,
 1270 Give dumbness voice, and let the labouring intellect
 1271 Find utterance in word, or possibly in deed!
 1272 What though I seem to go before? 't is you that lead!
 1273 I follow what I see so plain—the general mind
 1274 Projected pillar-wise, flame kindled by the kind,
 1275 Which dwarfs the unit—me—to insignificance!
 1276 Halt you, I stop forthwith,—proceed, I too advance!”

LXXVII.

1277 Ay, that's the way to take with men you wish to lead,
 1278 Instruct and benefit. Small prospect you succeed
 1279 With women so! Be all that's great and good and wise,
 1280 August, sublime—swell out your frog the right ox-size—
 1281 He's buoyed like a balloon, to soar, not burst, you 'll see!
 1282 The more you prove yourself, less fear the prize will flee
 1283 The captor. Here you start after no pompous stag
 1284 Who condescends be snared, with toss of horn, and brag
 1285 Of bray, and ramp of hoof; you have not to subdue
 1286 The foe through letting him imagine he snares you!
 1287 'T is rather with . . .

LXXVIII.

1287 Ah, thanks! quick—where the dipping disk
 1288 Shows red against the rise and fall o' the fin! there frisk
 1289 In shoal the—porpoises? Dolphins, they shall and must
 1290 Cut through the freshening clear—dolphins, my instance just!
 1291 'T is fable, therefore truth: who has to do with these,
 1292 Needs never practise trick of going hands and knees
 1293 As beasts require. Art fain the fish to captivate?
 1294 Gather thy greatness round, Arion! Stand in state,
 1295 As when the banqueting thrilled conscious—like a rose
 1296 Throughout its hundred leaves at that approach it knows
 1297 Of music in the bird—while Corinth grew one breast
 1298 A-throb for song and thee; nay, Periander pressed
 1299 The Methymnæan hand, and felt a king indeed, and guessed
 1300 How Phœbus' self might give that great mouth of the gods
 1301 Such a magnificence of song! The pillar nods,
 1302 Rocks roof, and trembles door, gigantic, post and jamb,
 1303 As harp and voice rend air—the shattering dithyramb!
 1304 So stand thou, and assume the robe that tingles yet
 1305 With triumph; strike the harp, whose every golden fret

1306 Still smoulders with the flame, was late at fingers' end—
 1307 So, standing on the bench o' the ship, let voice expend
 1308 Thy soul, sing, unalloyed by meaner mode, thine own,
 1309 The Orthian lay; then leap from music's lofty throne,
 1310 Into the lowest surge, make fearlessly thy launch!
 1311 Whatever storm may threat, some dolphin will be staunch!
 1312 Whatever roughness rage, some exquisite sea-thing
 1313 Will surely rise to save, will bear—palpitating—
 1314 One proud humility of love beneath its load—
 1315 Stem tide, part wave, till both roll on, thy jewell'd road
 1316 Of triumph, and the grim o' the gulph grow wonder-white
 1317 I' the phosphorescent wake; and still the exquisite
 1318 Sea-thing stems on, saves still, palpitatingly thus,
 1319 Lands safe at length its load of love at Tænarus,
 1320 True woman-creature!

LXXIX.

1320 Man? Ah, would you prove what power
 1321 Marks man,—what fruit his tree may yield, beyond the sour
 1322 And stinted crab, he calls love-apple, which remains
 1323 After you toil and moil your utmost,—all, love gains
 1324 By lavishing manure?—try quite the other plan!
 1325 And, to obtain the strong true product of a man,
 1326 Set him to hate a little! Leave cherishing his root,
 1327 And rather prune his branch, nip off the pettiest shoot
 1328 Superfluous on his bough! I promise, you shall learn
 1329 By what grace came the goat, of all beasts else, to earn
 1330 Such favour with the god o' the grape: 't was only he
 1331 Who, browsing on its tops, first stung fertility
 1332 Into the stock's heart, stayed much growth of tendriltwine,
 1333 Some faintish flower, perhaps, but gained the indignant wine,
 1334 Wrath of the red press! Catch the puniest of the kind—
 1335 Man-animalcule, starved body, stunted mind,
 1336 And, as you nip the blotch 'twixt thumb and fingernail,
 1337 Admire how heaven above and earth below avail
 1338 No jot to soothe the mite, sore at God's prime offence
 1339 In making mites at all,—coax from its impotence
 1340 One virile drop of thought, or word, or deed, by strain
 1341 To propagate for once—which nature rendered vain,
 1342 Who lets first failure stay, yet cares not to record
 1343 Mistake that seems to cast opprobrium on the Lord!

1344 Such were the gain from love's best pains! But let the elf
 1345 Be touched with hate, because some real man bears himself
 1346 Manlike in body and soul, and, since he lives, must thwart
 1347 And furify and set a-fizz this counterpart
 1348 O' the pismire that 's surprised to effervescence, if,
 1349 By chance, black bottle come in contact with chalk cliff,
 1350 Acid with alkali! Then thrice the bulk, out blows
 1351 Our insect, does its kind, and cuckoo-spits some rose!

LXXX.

1352 No—'t is ungainly work, the ruling men, at best!
 1353 The graceful instinct 's right: 't is women stand confessed
 1354 Auxiliary, the gain that never goes away,
 1355 Takes nothing and gives all: Elvire, Fifine, 't is they
 1356 Convince,—if little, much, no matter!—one degree
 1357 The more, at least, convince unreasonable me
 1358 That I am, anyhow, a truth, though all else seem
 1359 And be not: if I dream, at least I know I dream.
 1360 The falsity, beside, is fleeting: I can stand
 1361 Still, and let truth come back,—your steadying touch of hand
 1362 Assists me to remain self-centred, fixed amid
 1363 All on the move. Believe in me, at once you bid
 1364 Myself believe that, since one soul has disengaged
 1365 Mine from the shows of things, so much is fact: I waged
 1366 No foolish warfare, then, with shades, myself a shade,
 1367 Here in the world—may hope my pains will be repaid!
 1368 How false things are, I judge: how changeable, I learn
 1369 When, where and how it is I shall see truth return,
 1370 That I expect to know, because Fifine knows me!—
 1371 How much more, if Elvire!

LXXXI.

1371 "And why not, only she?
 1372 Since there can be for each, one Best, no more, such Best,
 1373 For body and mind of him, abolishes the rest
 1374 O' the simply Good and Better. You please select Elvire
 1375 To give you this belief in truth, dispel the fear
 1376 Yourself are, after all, as false as what surrounds;
 1377 And why not be content? When we two watched the rounds
 1378 The boatman made, 'twixt shoal and sandbank, yesterday,
 1379 As, at dead slack of tide, he chose to push his way,
 1380 With oar and pole, across the creek, and reach the isle

1381 After a world of pains—my word provoked your smile,
 1382 Yet none the less deserved reply: ‘T were wiser wait
 1383 ‘The turn o’ the tide, and find conveyance for his freight—
 1384 ‘How easily—within the ship to purpose moored,
 1385 ‘Managed by sails, not oars! But no,—the man’s allured
 1386 ‘By liking for the new and hard in his exploit!
 1387 ‘First come shall serve! He makes,—courageous and adroit,—
 1388 ‘The merest willow-leaf of boat do duty, bear
 1389 ‘His merchandise across: once over, needs he care
 1390 ‘If folk arrive by ship, six hours hence, fresh and gay?’
 1391 No: he scorns commonplace, affects the unusual way;
 1392 And good Elvire is moored, with not a breath to flap
 1393 The yards of her, no lift of ripple to o’erlap
 1394 Keel, much less, prow. What care? since here’s a cockle-shell,
 1395 Fifine, that’s taut and crank, and carries just as well
 1396 Such seamanship as yours!”

LXXXII.

1396 Alack, our life is lent,
 1397 From first to last, the whole, for this experiment
 1398 Of proving what I say—that we ourselves are true!
 1399 I would there were one voyage, and then no more to do
 1400 But tread the firmland, tempt the uncertain sea no more.
 1401 I would we might dispense with change of shore for shore
 1402 To evidence our skill, demonstrate—in no dream
 1403 It was, we tided o’er the trouble of the stream.
 1404 I would the steady voyage, and not the fitful trip,—
 1405 Elvire, and not Fifine,—might test our seamanship.
 1406 But why expend one’s breath to tell you, change of boat
 1407 Means change of tactics too? Come see the same afloat
 1408 To-morrow, all the change, new stowage fore and aft
 1409 O’ the cargo; then, to cross requires new sailor-craft!
 1410 To-day, one step from stern to bow keeps boat in trim.
 1411 To-morrow, some big stone,—or woe to boat and him!—
 1412 Must ballast both. That man stands for Mind, paramount
 1413 Throughout the adventure: ay, howe’er you make account,
 1414 ’T is mind that navigates,—skips over, twists between
 1415 The bales i’ the boat,—now gives importance to the mean,
 1416 And now abates the pride of life, accepts all fact,
 1417 Discards all fiction,—steers Fifine, and cries, i’ the act,
 1418 “Thou art so bad, and yet so delicate a brown!

1419 Wouldst tell no end of lies: I talk to smile or frown!
 1420 Wouldst rob me: do men blame a squirrel, lithe and sly,
 1421 For pilfering the nut she adds to hoard? Nor I.
 1422 Elvire is true, as truth, honesty's self, alack!
 1423 The worse! too safe the ship, the transport there and back
 1424 Too certain! one may loll and lounge and leave the helm,
 1425 Let wind and tide do work: no fear that waves o'erwhelm
 1426 The steady-going bark, as sure to feel her way
 1427 Blindfold across, reach land, next year as yesterday!
 1428 How can I but suspect, the true feat were to slip
 1429 Down side, transfer myself to cockle-shell from ship,
 1430 And try if, trusting to sea-tracklessness, I class
 1431 With those around whose breast grew oak and triple brass:
 1432 Who dreaded no degree of death, but, with dry eyes,
 1433 Surveyed the turgid main and its monstrosities—
 1434 And rendered futile so, the prudent Power's decree
 1435 Of separate earth and disassociating sea;
 1436 Since, how is it observed, if impious vessels leap
 1437 Across, and tempt a thing they should not touch—the deep?
 1438 (See Horace to the boat, wherein, for Athens bound,
 1439 When Virgil must embark—Jove keep him safe and sound!—
 1440 The poet bade his friend start on the watery road,
 1441 Much re-assured by this so comfortable ode.)

LXXXIII.

1442 Then, never grudge my poor Fifine her compliment!
 1443 The rakish craft could slip her moorings in the tent,
 1444 And, hoisting every stitch of spangled canvas, steer
 1445 Through divers rocks and shoals,—in fine, deposit here
 1446 Your Virgil of a spouse, in Attica: yea, thrid
 1447 The mob of men, select the special virtue hid
 1448 In him, forsooth, and say—or rather, smile so sweet,
 1449 “Of all the multitude, you—I prefer to cheat!
 1450 Are you for Athens bound? I can perform the trip,
 1451 Shove little pinnacle off, while yon superior ship,
 1452 The Elvire, refits in port!” So, off we push from beach
 1453 Of Pornic town, and lo, ere eye can wink, we reach
 1454 The Long Walls, and I prove that Athens is no dream,
 1455 For there the temples rise! they are, they nowise seem!
 1456 Earth is not all one lie, this truth attests me true!
 1457 Thanks therefore to Fifine! Elvire, I'm back with you!

1458 Share in the memories! Embark I trust we shall
 1459 Together some fine day, and so, for good and all,
 1460 Bid Pornic Town adieu,—then, just the strait to cross,
 1461 And we reach harbour, safe, in Iostephanos!

LXXXIV.

1462 How quickly night comes! Lo, already 't is the land
 1463 Turns sea-like; overcrept by grey, the plains expand,
 1464 Assume significance; while ocean dwindles, shrinks
 1465 Into a pettier bound: its splash and plaint, methinks,
 1466 Six steps away, how both retire, as if their part
 1467 Were played, another force were free to prove her art,
 1468 Protagonist in turn! Are you unterrified?
 1469 All false, all fleeting too! And nowhere things abide,
 1470 And everywhere we strain that things should stay,—the one
 1471 Truth, that ourselves are true!

LXXXV.

1471 A word, and I have done.
 1472 Is it not just our hate of falsehood, fleetingness,
 1473 And the mere part, things play, that constitutes express
 1474 The inmost charm of this Fifine and all her tribe?
 1475 Actors! We also act, but only they inscribe
 1476 Their style and title so, and preface, only they,
 1477 Performance with "A lie is all we do or say."
 1478 Wherein but there can be the attraction, Falsehood's bribe,
 1479 That wins so surely o'er to Fifine and her tribe
 1480 The liking, nay the love of who hate Falsehood most,
 1481 Except that these alone of mankind make their boast
 1482 "Frankly, we simulate!" To feign, means—to have grace
 1483 And so get gratitude! This ruler of the race,
 1484 Crowned, sceptred, stoled to suit,—'t is not that you detect
 1485 The cobbler in the king, but that he makes effect
 1486 By seeming the reverse of what you know to be
 1487 The man, the mind, whole form, fashion and quality.
 1488 Mistake his false for true, one minute,—there's an end
 1489 Of the admiration! Truth, we grieve at or rejoice:
 1490 'T is only falsehood, plain in gesture, look and voice,
 1491 That brings the praise desired, since profit comes thereby.
 1492 The histrionic truth is in the natural lie.
 1493 Because the man who wept the tears was, all the time,
 1494 Happy enough; because the other man, a-grime

1495 With guilt, was, at the least, as white as I and you;
 1496 Because the timid type of bashful maidhood, who
 1497 Starts at her own pure shade, already numbers seven
 1498 Born babes and, in a month, will turn their odd to even;
 1499 Because the saucy prince would prove, could you unfurl
 1500 Some yards of wrap, a meek and meritorious girl—
 1501 Precisely as you see success attained by each
 1502 O' the mimes, do you approve, not foolishly impeach
 1503 The falsehood!

LXXXVI.

1503 That's the first o' the truths found: all things, slow
 1504 Or quick i' the passage, come at last to that, you know!
 1505 Each has a false outside, whereby a truth is forced
 1506 To issue from within: truth, falsehood, are divorced
 1507 By the excepted eye, at the rare season, for
 1508 The happy moment. Life means—learning to abhor
 1509 The false, and love the true, truth treasured snatch by snatch,
 1510 Waifs counted at their worth. And when with strays they match
 1511 I' the parti-coloured world,—when, under foul, shines fair,
 1512 And truth, displayed i' the point, flashes forth everywhere
 1513 I' the circle, manifest to soul, though hid from sense,
 1514 And no obstruction more affects this confidence,—
 1515 When faith is ripe for sight,—why, reasonably, then
 1516 Comes the great clearing-up. Wait threescore years and ten!

LXXXVII.

1517 Therefore I prize stage-play, the honest cheating; thence
 1518 The impulse pricked, when fife and drum bade Fair commence,
 1519 To bid you trip and skip, link arm in arm with me,
 1520 Like husband and like wife, and so together see
 1521 The tumbling-troop arrayed, the strollers on their stage
 1522 Drawn up and under arms, and ready to engage.
 1523 And if I started thence upon abstruser themes . . .
 1524 Well, 't was a dream, pricked too!

LXXXVIII.

1524 A poet never dreams:
 1525 We prose-folk always do: we miss the proper duct
 1526 For thoughts on things unseen, which stagnate and obstruct
 1527 The system, therefore; mind, sound in a body sane,
 1528 Keeps thoughts apart from facts, and to one flowing vein
 1529 Confines its sense of that which is not, but might be,

1530 And leaves the rest alone. What ghosts do poets see?
 1531 What dæmons fear? what man or thing misapprehend?
 1532 Unchoked, the channel 's flush, the fancy 's free to spend
 1533 Its special self aright in manner, time and place.
 1534 Never believe that who create the busy race
 1535 O' the brain, bring poetry to birth, such act performed,
 1536 Feel trouble them, the same, such residue as warmed
 1537 My prosy blood, this morn,—intrusive fancies, meant
 1538 For outbreak and escape by quite another vent!
 1539 Whence follows that, asleep, my dreamings oft exceed
 1540 The bound. But you shall hear.

LXXXIX.

1540 I smoked. The webs o' the weed,
 1541 With many a break i' the mesh, were floating to re-form
 1542 Cupola-wise above: chased thither by soft warm
 1543 Inflow of air without; since I—of mind to muse, to clench
 1544 The gain of soul and body, got by their noon-day drench
 1545 In sun and sea,—had flung both frames o' the window wide,
 1546 To soak my body still and let soul soar beside.
 1547 In came the country sounds and sights and smells—that fine
 1548 Sharp needle in the nose from our fermenting wine!
 1549 In came a dragon-fly with whirl and stir, then out,
 1550 Off and away: in came,—kept coming, rather,—pout
 1551 Succeeding smile, and take-away still close on give,—
 1552 One loose long creeper-branch, tremblingly sensitive
 1553 To risks which blooms and leaves,—each leaf tonguebroad, each bloom
 1554 Mid-finger-deep,—must run by prying in the room
 1555 Of one who loves and grasps and spoils and speculates.
 1556 All so far plain enough to sight and sense: but, weights,
 1557 Measures and numbers,—ah, could one apply such test
 1558 To other visitants that came at no request
 1559 Of who kept open house,—to fancies manifold
 1560 From this four-cornered world, the memories new and old,
 1561 The antenatal prime experience—what know I?—
 1562 The initiatory love preparing us to die—
 1563 Such were a crowd to count, a sight to see, a prize
 1564 To turn to profit, were but fleshly ears and eyes
 1565 Able to cope with those o' the spirit!

XC.

1565 Therefore,—since

1566 Thought hankers after speech, while no speech may evince
 1567 Feeling like music,—mine, o'erburthened with each gift
 1568 From every visitant, at last resolved to shift
 1569 Its burthen to the back of some musician dead
 1570 And gone, who feeling once what I feel now, instead
 1571 Of words, sought sounds, and saved for ever, in the same,
 1572 Truth that escapes prose,—nay, puts poetry to shame.
 1573 I read the note, I strike the key, I bid record
 1574 The instrument—thanks greet the veritable word!
 1575 And not in vain I urge: "O dead and gone away,
 1576 Assist who struggles yet, thy strength become my stay,
 1577 Thy record serve as well to register—I felt
 1578 And knew thus much of truth! With me, must knowledge melt
 1579 Into surmise and doubt and disbelief, unless
 1580 Thy music reassure—I gave no idle guess,
 1581 But gained a certitude I yet may hardly keep!
 1582 What care? since round is piled a monumental heap
 1583 Of music that conserves the assurance, thou as well
 1584 Wast certain of the same! thou, master of the spell,
 1585 Mad'st moonbeams marble, didst record what other men
 1586 Feel only to forget!" Who was it helped me, then?
 1587 What master's work first came responsive to my call,
 1588 Found my eye, fixed my choice?

XCI.

1588 Why, Schumann's "Carnival!"
 1589 My choice chimed in, you see, exactly with the sounds
 1590 And sights of yestereve when, going on my rounds,
 1591 Where both roads join the bridge, I heard across the dusk
 1592 Creak a slow caravan, and saw arrive the husk
 1593 O' the spice-nut, which peeled off this morning, and displayed,
 1594 'Twixt tree and tree, a tent whence the red pennon made
 1595 Its vivid reach for home and ocean-idleness—
 1596 And where, my heart surmised, at that same moment,— yes,—
 1597 Tugging her tricot on,—yet tenderly, lest stitch
 1598 Announce the crack of doom, reveal disaster which
 1599 Our Pornic's modest stock of merceries in vain
 1600 Were ransacked to retrieve,—there, cautiously a-strain,
 1601 (My heart surmised) must crouch in that tent's corner, curved
 1602 Like Spring-month's russet moon, some girl by fate reserved
 1603 To give me once again the electric snap and spark

1604 Which prove, when finger finds out finger in the dark
 1605 O' the world, there's fire and life and truth there, link but hands
 1606 And pass the secret on. Lo, link by link, expands
 1607 The circle, lengthens out the chain, till one embrace
 1608 Of high with low is found uniting the whole race,
 1609 Not simply you and me and our Fifine, but all
 1610 The world: the Fair expands into the Carnival,
 1611 And Carnival again to . . . ah, but that's my dream!

XCII.

1612 I somehow played the piece: remarked on each old theme
 1613 I' the new dress; saw how food o' the soul, the stuff that's made
 1614 To furnish man with thought and feeling, is purveyed
 1615 Substantially the same from age to age, with change
 1616 Of the outside only for successive feasters. Range
 1617 The banquet-room o' the world, from the dim farthest head
 1618 O' the table, to its foot, for you and me bespread,
 1619 This merry morn, we find sufficient fare, I trow.
 1620 But, novel? Scrape away the sauce; and taste, below,
 1621 The verity o' the viand,—you shall perceive there went
 1622 To board-head just the dish which other condiment
 1623 Makes palatable now: guests came, sat down, fell-to,
 1624 Rose up, wiped mouth, went way,—lived, died,—and never knew
 1625 That generations yet should, seeking sustenance,
 1626 Still find the selfsame fare, with somewhat to enhance
 1627 Its flavour, in the kind of cooking. As with hates
 1628 And loves and fears and hopes, so with what emulates
 1629 The same, expresses hates, loves, fears and hopes in Art:
 1630 The forms, the themes—no one without its counterpart
 1631 Ages ago; no one but, mumbled the due time
 1632 I' the mouth of the eater, needs be cooked again in rhyme,
 1633 Dished up anew in paint, sauce-smothered fresh in sound,
 1634 To suit the wisdom-tooth, just cut, of the age, that's found
 1635 With gums obtuse to gust and smack which relished so
 1636 The meat o' the meal folk made some fifty years ago.
 1637 But don't suppose the new was able to efface
 1638 The old without a struggle, a pang! The commonplace
 1639 Still clung about his heart, long after all the rest
 1640 O' the natural man, at eye and ear, was caught, confessed
 1641 The charm of change, although wry lip and wrinkled nose
 1642 Owned ancient virtue more conducive to repose

1643 Than modern nothings roused to somethings by some shred
 1644 Of pungency, perchance garlic in amber's stead.
 1645 And so on, till one day, another age, by due
 1646 Rotation, pries, sniffs, smacks, discovers old is new,
 1647 And sauce, our sires pronounced insipid, proves again
 1648 Sole piquant, may resume its titillating reign—
 1649 With music, most of all the arts, since change is there
 1650 The law, and not the lapse: the precious means the rare,
 1651 And not the absolute in all good save surprise.
 1652 So I remarked upon our Schumann's victories
 1653 Over the commonplace, how faded phrase grew fine,
 1654 And palled perfection—piqued, upstartled by that brine,
 1655 His pickle—bit the mouth and burnt the tongue aright,
 1656 Beyond the merely good no longer exquisite:
 1657 Then took things as I found, and thanked without demur
 1658 The pretty piece—played through that movement, you prefer,
 1659 Where dance and shuffle past,—he scolding while she pouts,
 1660 She canting while he calms,—in those eternal bouts
 1661 Of age, the dog—with youth, the cat—by rose-festoon
 1662 Tied teasingly enough—Columbine, Pantaloon:
 1663 She, toe-tips and staccato,—legato shakes his poll
 1664 And shambles in pursuit, the senior. *Fi la folle!*
 1665 Lie to him! get his gold and pay its price! begin
 1666 Your trade betimes, nor wait till you've wed Harlequin
 1667 And need, at the week's end, to play the duteous wife,
 1668 And swear you still love slaps and leapings more than life!
 1669 Pretty! I say.

XCIII.

1669 And so, I somehow-nohow played
 1670 The whole o' the pretty piece; and then . . . whatever weighed
 1671 My eyes down, furl'd the films about my wits? suppose,
 1672 The morning-bath,—the sweet monotony of those
 1673 Three keys, flat, flat and flat, never a sharp at all,—
 1674 Or else the brain's fatigue, forced even here to fall
 1675 Into the same old track, and recognize the shift
 1676 From old to new, and back to old again, and,—swift
 1677 Or slow, no matter,—still the certainty of change,
 1678 Conviction we shall find the false, where'er we range,
 1679 In art no less than nature: or what if wrist were numb,
 1680 And over-tense the muscle, abductor of the thumb,

1681 Taxed by those tenths' and twelfths' unconscionable stretch?

1682 Howe'er it came to pass, I soon was far to fetch—

1683 Gone off in company with Music!

XCIV.

1683 Whither bound

1684 Except for Venice? She it was, by instinct found

1685 Carnival-country proper, who far below the perch

1686 Where I was pinnacled, showed, opposite, Mark's Church,

1687 And, underneath, Mark's Square, with those two lines of street,

1688 Procuratié-sides, each leading to my feet—

1689 Since from above I gazed, however I got there.

XCV.

1690 And what I gazed upon was a prodigious Fair,

1691 Concourse immense of men and women, crowned or casqued,

1692 Turbaned or tiar'd, wreathed, plumed, hatted or wigged, but masked—

1693 Always masked,—only, how? No face-shape, beast or bird,

1694 Nay, fish and reptile even, but someone had preferred,

1695 From out its frontispiece, feathered or scaled or curled,

1696 To make the vizard whence himself should view the world,

1697 And where the world believed himself was manifest.

1698 Yet when you came to look, mixed up among the rest

1699 More funnily by far, were masks to imitate

1700 Humanity's mishap: the wrinkled brow, bald pate

1701 And rheumy eyes of Age, peak'd chin and parchment chap,

1702 Were signs of day-work done, and wage-time near,—mishap

1703 Merely; but, Age reduced to simple greed and guile,

1704 Worn apathetic else as some smooth slab, erewhile

1705 A clear-cut man-at-arms i' the pavement, till foot's tread

1706 Effaced the sculpture, left the stone you saw instead,—

1707 Was not that terrible beyond the mere uncouth?

1708 Well, and perhaps the next revolting you was Youth,

1709 Stark ignorance and crude conceit, half smirk, half stare

1710 On that frank fool-face, gay beneath its head of hair

1711 Which covers nothing.

XCVI.

1711 These, you are to understand,

1712 Were the mere hard and sharp distinctions. On each hand,

1713 I soon became aware, flocked the infinitude

1714 Of passions, loves and hates, man pampers till his mood

1715 Becomes himself, the whole sole face we name him by,
 1716 Nor want denotement else, if age or youth supply
 1717 The rest of him: old, young,—classed creature: in the main
 1718 A love, a hate, a hope, a fear, each soul a-strain
 1719 Some one way through the flesh—the face, an evidence
 1720 O' the soul at work inside; and, all the more intense,
 1721 So much the more grotesque.

XCVII.

1721 “Why should each soul be tasked
 1722 Some one way, by one love or else one hate?” I asked.
 1723 When it occurred to me, from all these sights beneath
 1724 There rose not any sound: a crowd, yet dumb as death!

XCVIII.

1725 Soon I knew why. (Propose a riddle, and 't is solved
 1726 Forthwith—in dream!) They spoke; but,—since on me devolved
 1727 To see, and understand by sight,—the vulgar speech
 1728 Might be dispensed with. “He who cannot see, must reach
 1729 As best he may the truth of men by help of words
 1730 They please to speak, must fare at will of who affords
 1731 The banquet,”—so I thought. “Who sees not, hears and so
 1732 Gets to believe; myself it is that, seeing, know,
 1733 And, knowing, can dispense with voice and vanity
 1734 Of speech. What hinders then, that, drawing closer, I
 1735 Put privilege to use, see and know better still
 1736 These simulacra, taste the profit of my skill,
 1737 Down in the midst?”

XCIX.

1737 And plumb I pitched into the square—
 1738 A groundling like the rest. What think you happened there?
 1739 Precise the contrary of what one would expect!
 1740 For,—whereas so much more monstrosities deflect
 1741 From nature and the type, as you the more approach
 1742 Their precinct,—here, I found brutality encroach
 1743 Less on the human, lie the lightlier as I looked
 1744 The nearer on these faces that seemed but now so crook'd
 1745 And clawed away from God's prime purpose. They diverged
 1746 A little from the type, but somehow rather urged
 1747 To pity than disgust: the prominent, before,
 1748 Now dwindled into mere distinctness, nothing more.
 1749 Still, at first sight, stood forth undoubtedly the fact

1750 Some deviation was: in no one case there lacked
 1751 The certain sign and mark,—say hint, say, trick of lip
 1752 Or twist of nose,—that proved a fault in workmanship,
 1753 Change in the prime design, some hesitancy here
 1754 And there, which checked the man and let the beast appear;
 1755 But that was all.

C.

1755 All: yet enough to bid each tongue
 1756 Lie in abeyance still. They talked, themselves among,
 1757 Of themselves, to themselves; I saw the mouths at play,
 1758 The gesture that enforced, the eye that strove to say
 1759 The same thing as the voice, and seldom gained its point
 1760 —That this was so, I saw; but all seemed out of joint
 1761 I' the vocal medium 'twixt the world and me. I gained
 1762 Knowledge by notice, not by giving ear,—attained
 1763 To truth by what men seemed, not said: to me one glance
 1764 Was worth whole histories of noisy utterance,
 1765 —At least, to me in dream.

CI.

1765 And presently I found
 1766 That, just as ugliness had withered, so unwound
 1767 Itself, and perished off, repugnance to what wrong
 1768 Might linger yet i' the make of man. My will was strong
 1769 I' the matter; I could pick and choose, project my weight:
 1770 (Remember how we saw the boatman trim his freight!)
 1771 Determine to observe, or manage to escape,
 1772 Or make divergency assume another shape
 1773 By shift of point of sight in me the observer: thus
 1774 Corrected, added to, subtracted from,—discuss
 1775 Each variant quality, and brute-beast touch was turned
 1776 Into mankind's safeguard! Force, guile, were arms which earned
 1777 My praise, not blame at all: for we must learn to live,
 1778 Case-hardened at all points, not bare and sensitive,
 1779 But plated for defence, nay, furnished for attack,
 1780 With spikes at the due place, that neither front nor back
 1781 May suffer in that squeeze with nature, we find—life.
 1782 Are we not here to learn the good of peace through strife,
 1783 Of love through hate, and reach knowledge by ignorance?
 1784 Why, those are helps thereto, which late we eyed askance,
 1785 And nicknamed unaware! Just so, a sword we call

1786 Superfluous, and cry out against, at festival:
 1787 Wear it in time of war, its clink and clatter grate
 1788 O' the ear to purpose then!

CII.

1788 I found, one must abate
 1789 One's scorn of the soul's casing, distinct from the soul's self—
 1790 Which is the centre-drop: whereas the pride in pelf,
 1791 The lust to seem the thing it cannot be, the greed
 1792 For praise, and all the rest seen outside,—these indeed
 1793 Are the hard polished cold crystal environment
 1794 Of those strange orbs unearthed i' the Druid temple, meant
 1795 For divination (so the learned please to think)
 1796 Wherein you may admire one dew-drop roll and wink,
 1797 All unaffected by—quite alien to—what sealed
 1798 And saved it long ago: though how it got congealed
 1799 I shall not give a guess, nor how, by power occult,
 1800 The solid surface-shield was outcome and result
 1801 Of simple dew at work to save itself amid
 1802 The unwatery force around; protected thus, dew slid
 1803 Safe through all opposites, impatient to absorb
 1804 Its spot of life, and last for ever in the orb
 1805 We, now, from hand to hand pass with impunity.

CIII.

1806 And the delight wherewith I watch this crowd must be
 1807 Akin to that which crowns the chemist when he winds
 1808 Thread up and up, till clue be fairly clutched,—unbinds
 1809 The composite, ties fast the simple to its mate,
 1810 And, tracing each effect back to its cause, elate,
 1811 Constructs in fancy, from the fewest primitives,
 1812 The complex and complete, all diverse life, that lives
 1813 Not only in beast, bird, fish, reptile, insect, but
 1814 The very plants and earths and ores. Just so I glut
 1815 My hunger both to be and know the thing I am,
 1816 By contrast with the thing I am not; so, through sham
 1817 And outside, I arrive at inmost real, probe
 1818 And prove how the nude form obtained the chequered robe.

CIV.

1819 —Experience, I am glad to master soon or late,
 1820 Here, there and everywhere i' the world, without debate!
 1821 Only, in Venice why? What reason for Mark's Square

1822 Rather than Timbuctoo?

CV.

1822 And I became aware,

1823 Scarcely the word escaped my lips, that swift ensued

1824 In silence and by stealth, and yet with certitude,

1825 A formidable change of the amphitheatre

1826 Which held the Carnival; although the human stir

1827 Continued just the same amid that shift of scene.

CVI.

1828 For as on edifice of cloud i' the grey and green

1829 Of evening,—built about some glory of the west,

1830 To barricade the sun's departure,—manifest,

1831 He plays, pre-eminently gold, gilds vapour, crag and crest

1832 Which bend in rapt suspense above the act and deed

1833 They cluster round and keep their very own, nor heed

1834 The world at watch; while we, breathlessly at the base

1835 O' the castellated bulk, note momentarily the mace

1836 Of night fall here, fall there, bring change with every blow,

1837 Alike to sharpened shaft and broadened portico

1838 I' the structure: heights and depths, beneath the leaden stress,

1839 Crumble and melt and mix together, coalesce

1840 Re-form, but sadder still, subdued yet more and more

1841 By every fresh defeat, till wearied eyes need pore

1842 No longer on the dull impoverished decadence

1843 Of all that pomp of pile in towering evidence

1844 So lately:—

CVII.

1844 Even thus nor otherwise, meseemed

1845 That if I fixed my gaze awhile on what I dreamed

1846 Was Venice' Square, Mark's Church, the scheme was straight unschemed,

1847 A subtle something had its way within the heart

1848 Of each and every house I watched, with counterpart

1849 Of tremor through the front and outward face, until

1850 Mutation was at end; impassive and stock-still

1851 Stood now the ancient house, grown—new, is scarce the phrase,

1852 Since older, in a sense,—altered to . . . what i' the ways,

1853 Ourselves are wont to see, coerced by city, town

1854 Or village, anywhere i' the world, pace up or down

1855 Europe! In all the maze, no single tenement

1856 I saw, but I could claim acquaintance with.

CVIII.

1856 There went

1857 Conviction to my soul, that what I took of late

1858 For Venice was the world; its Carnival—the state

1859 Of mankind, masquerade in life-long permanence

1860 For all time, and no one particular feast-day. Whence

1861 'T was easy to infer what meant my late disgust

1862 At the brute-pageant, each grotesque of greed and lust

1863 And idle hate, and love as impotent for good—

1864 When from my pride of place I passed the interlude

1865 In critical review; and what, the wonder that ensued

1866 When, from such pinnacled pre-eminence, I found

1867 Somehow the proper goal for wisdom was the ground

1868 And not the sky,—so, slid sagaciously betimes

1869 Down heaven's baluster-rope, to reach the mob of mimes

1870 And mummers; whereby came discovery there was just

1871 Enough and not too much of hate, love, greed and lust,

1872 Could one discerningly but hold the balance, shift

1873 The weight from scale to scale, do justice to the drift

1874 Of nature, and explain the glories by the shames

1875 Mixed up in man, one stuff miscalled by different names

1876 According to what stage i' the process turned his rough,

1877 Even as I gazed, to smooth—only get close enough!

1878 —What was all this except the lesson of a life?

CIX.

1879 And—consequent upon the learning how from strife

1880 Grew peace—from evil, good—came knowledge that, to get

1881 Acquaintance with the way o' the world, we must nor fret

1882 Nor fume, on altitudes of self-sufficiency,

1883 But bid a frank farewell to what—we think—should be,

1884 And, with as good a grace, welcome what is—we find.

CX.

1885 Is—for the hour, observe! Since something to my mind

1886 Suggested soon the fancy, nay, certitude that change,

1887 Never suspending touch, continued to derange

1888 What architecture, we, walled up within the cirque

1889 O' the world, consider fixed as fate, not fairy-work.

1890 For those were temples, sure, which tremblingly grew blank

1891 From bright, then broke afresh in triumph,—ah, but sank

1892 As soon, for liquid change through artery and vein
 1893 O' the very marble wound its way! And first a stain
 1894 Would startle and offend amid the glory; next,
 1895 Spot swift succeeded spot, but found me less perplexed
 1896 By portents; then as 't were a sleepiness soft stole
 1897 Over the stately fane, and shadow sucked the whole
 1898 Façade into itself, made uniformly earth
 1899 What was a piece of heaven; till, lo, a second birth,
 1900 And the veil broke away because of something new
 1901 Inside, that pushed to gain an outlet, paused in view
 1902 At last, and proved a growth of stone or brick or wood
 1903 Which, alien to the aim o' the Builder, somehow stood
 1904 The test, could satisfy, if not the early race
 1905 For whom he built, at least our present populace,
 1906 Who must not bear the blame for what, blamed, proves mishap
 1907 Of the Artist: his work gone, another fills the gap,
 1908 Serves the prime purpose so. Undoubtedly there spreads
 1909 Building around, above, which makes men lift their heads
 1910 To look at, or look through, or look—for aught I care—
 1911 Over: if only up, it is, not down, they stare,
 1912 "Commercing with the skies," and not the pavement in the Square.

CXI.

1913 But are they only temples that subdivide, collapse,
 1914 And tower again, transformed? Academies, perhaps!
 1915 Domes where dwells Learning, seats of Science, bower and hall
 1916 Which house Philosophy—do these, too, rise and fall,
 1917 Based though foundations be on steadfast mother-earth,
 1918 With no chimeric claim to supermundane birth,
 1919 No boast that, dropped from cloud, they did not grow from ground?
 1920 Why, these fare worst of all! these vanish and are found
 1921 Nowhere, by who tasks eye some twice within his term
 1922 Of threescore years and ten, for tidings what each germ
 1923 Has burgeoned out into, whereof the promise stunned
 1924 His ear with such acclaim,—praise-payment to refund
 1925 The praisers, never doubt, some twice before they die
 1926 Whose days are long i' the land.

CXII.

1926 Alack, Philosophy!
 1927 Despite the chop and change, diminished or increased,
 1928 Patched-up and plastered-o'er, Religion stands at least

1929 I' the temple-type. But thou? Here gape I, all agog
 1930 These thirty years, to learn how tadpole turns to frog;
 1931 And thrice at least have gazed with mild astonishment,
 1932 As, skyward up and up, some fire-new fabric sent
 1933 Its challenge to mankind that, clustered underneath
 1934 To hear the word, they straight believe, ay, in the teeth
 1935 O' the Past, clap hands and hail triumphant Truth's outbreak—
 1936 Tadpole-frog-theory propounded past mistake!
 1937 In vain! A something ails the edifice, it bends,
 1938 It bows, it buries . . . Haste! cry "Heads below" to friends—
 1939 But have no fear they find, when smother shall subside,
 1940 Some substitution perk with unabated pride
 1941 I' the predecessor's place!

CXIII.

1941 No,—the one voice which failed
 1942 Never, the preachment's coign of vantage nothing ailed,—
 1943 That had the luck to lodge i' the house not made with hands!
 1944 And all it preached was this: "Truth builds upon the sands,
 1945 Though stationed on a rock: and so her work decays,
 1946 And so she builds afresh, with like result. Nought stays
 1947 But just the fact that Truth not only is, but fain
 1948 Would have men know she needs must be, by each so plain
 1949 Attempt to visibly inhabit where they dwell."
 1950 Her works are work, while she is she; that work does well
 1951 Which lasts mankind their life-time through, and lets believe
 1952 One generation more, that, though sand run through sieve,
 1953 Yet earth now reached is rock, and what we moderns find
 1954 Erected here is Truth, who, 'stablished to her mind
 1955 I' the fulness of the days, will never change in show
 1956 More than in substance erst: men thought they knew; we know!

CXIV.

1957 Do you, my generation? Well, let the blocks prove mist
 1958 I' the main enclosure,—church and college, if they list,
 1959 Be something for a time, and everything anon,
 1960 And anything awhile, as fit is off or on,
 1961 Till they grow nothing, soon to re-appear no less
 1962 As something,—shape re-shaped, till out of shapelessness
 1963 Come shape again as sure! no doubt, or round or square
 1964 Or polygon its front, some building will be there,
 1965 Do duty in that nook o' the wall o' the world where once

1966 The Architect saw fit precisely to ensconce
 1967 College or church, and bid such bulwark guard the line
 1968 O' the barrier round about, humanity's confine.

CXV.

1969 Leave watching change at work i' the greater scale, on these
 1970 The main supports, and turn to their interstices
 1971 Filled up by fabrics too, less costly and less rare,
 1972 Yet of importance, yet essential to the Fair
 1973 They help to circumscribe, instruct and regulate!
 1974 See, where each booth-front boasts, in letters small or great,
 1975 Its specialty, proclaims its privilege to stop
 1976 A breach, beside the best!

CXVI.

1976 Here History keeps shop,
 1977 Tells how past deeds were done, so and not otherwise:
 1978 "Man! hold truth evermore! forget the early lies!"
 1979 There sits Morality, demure behind her stall,
 1980 Dealing out life and death: "This is the thing to call
 1981 Right, and this other, wrong; thus think, thus do, thus say,
 1982 Thus joy, thus suffer!—not to-day as yesterday—
 1983 Yesterday's doctrine dead, this only shall endure!
 1984 Obey its voice and live!"—enjoins the dame demure.
 1985 While Art gives flag to breeze, bids drum beat, trumpet blow,
 1986 Inviting eye and ear to yonder raree-show.
 1987 Up goes the canvas, hauled to height of pole. I think,
 1988 We know the way—long lost, late learned—to paint! A wink
 1989 Of eye, and lo, the pose! the statue on its plinth!
 1990 How could we moderns miss the heart o' the labyrinth
 1991 Perversely all these years, permit the Greek seclude
 1992 His secret till to-day? And here's another feud
 1993 Now happily composed: inspect this quartett-score!
 1994 Got long past melody, no word has Music more
 1995 To say to mortal man! But is the bard to be
 1996 Behindhand? Here's his book, and now perhaps you see
 1997 At length what poetry can do!

CXVII.

1997 Why, that's stability
 1998 Itself, that change on change we sorrowfully saw
 1999 Creep o'er the prouder piles! We acquiesced in law
 2000 When the fine gold grew dim i' the temple, when the brass

2001 Which pillared that so brave abode where Knowledge was,
 2002 Bowed and resigned the trust; but, bear all this caprice,
 2003 Harlequinade where swift to birth succeeds decease
 2004 Of hue at every turn o' the tinsel-flag which flames
 2005 While Art holds booth in Fair? Such glories chased by shames
 2006 Like these, distract beyond the solemn and august
 2007 Procedure to decay, evanishment in dust,
 2008 Of those marmoreal domes,—above vicissitude,
 2009 We used to hope!

CXVIII.

2009 “So, all is change, in fine,” pursued
 2010 The preachment to a pause. When—“All is permanence!”
 2011 Returned a voice. Within? without? No matter whence
 2012 The explanation came: for, understand, I ought
 2013 To simply say—“I saw,” each thing I say “I thought.”
 2014 Since ever as, unrolled, the strange scene-picture grew
 2015 Before me, sight flashed first, though mental comment too
 2016 Would follow in a trice, come hobblingly to halt.

CXIX.

2017 So, what did I see next but,—much as when the vault
 2018 I' the west,—wherein we watch the vapoury manifold
 2019 Transfiguration,—tired turns blaze to black,—behold,
 2020 Peak reconciled to base, dark ending feud with bright,
 2021 The multiform subsides, becomes the definite.
 2022 Contrasting life and strife, where battle they i' the blank
 2023 Severity of peace in death, for which we thank
 2024 One wind that comes to quell the concourse, drive at last
 2025 Things to a shape which suits the close of things, and cast
 2026 Palpably o'er vexed earth heaven's mantle of repose?

CXX.

2027 Just so, in Venice' Square, that things were at the close
 2028 Was signalled to my sense; for I perceived arrest
 2029 O' the change all round about. As if some impulse pressed
 2030 Each gently into each, what was distinctness, late,
 2031 Grew vague, and, line from line no longer separate,
 2032 No matter what its style, edifice . . . shall I say,
 2033 Died into edifice? I find no simpler way
 2034 Of saying how, without or dash or shock or trace
 2035 Of violence, I found unity in the place
 2036 Of temple, tower,—nay, hall and house and hut,—one blank

2037 Severity of peace in death; to which they sank
 2038 Resigned enough, till . . . ah, conjecture, I beseech,
 2039 What special blank did they agree to, all and each?
 2040 What common shape was that wherein they mutely merged
 2041 Likes and dislikes of form, so plain before?

CXXI.

2041 I urged
 2042 Your step this way, prolonged our path of enterprise
 2043 To where we stand at last, in order that your eyes
 2044 Might see the very thing, and save my tongue describe
 2045 The Druid monument which fronts you. Could I bribe
 2046 Nature to come in aid, illustrate what I mean,
 2047 What wants there she should lend to solemnize the scene?

CXXII.

2048 How does it strike you, this construction gaunt and grey—
 2049 Sole object, these piled stones, that gleam unground-away
 2050 By twilight's hungry jaw, which champs fine all beside
 2051 I' the solitary waste we grope through? Oh, no guide
 2052 Need we to grope our way and reach the monstrous door
 2053 Of granite! Take my word, the deeper you explore
 2054 That caverned passage, filled with fancies to the brim,
 2055 The less will you approve the adventure! such a grim
 2056 Bar-sinister soon blocks abrupt your path, and ends
 2057 All with a cold dread shape,—shape whereon Learning spends
 2058 Labour, and leaves the text obscurer for the gloss,
 2059 While Ignorance reads right—recoiling from that Cross!
 2060 Whence came the mass and mass, strange quality of stone
 2061 Unquarried anywhere i' the region round? Unknown!
 2062 Just as unknown, how such enormity could be
 2063 Conveyed by land, or else transported over sea,
 2064 And laid in order, so, precisely each on each,
 2065 As you and I would build a grotto where the beach
 2066 Sheds shell—to last an hour: this building lasts from age
 2067 To age the same. But why?

CXXIII.

2067 Ask Learning! I engage
 2068 You get a prosy wherefore, shall help you to advance
 2069 In knowledge just as much as helps you Ignorance
 2070 Surmising, in the mouth of peasant-lad or lass,
 2071 "I heard my father say he understood it was

2072 A building, people built as soon as earth was made
 2073 Almost, because they might forget (they were afraid)
 2074 Earth did not make itself, but came of Somebody.
 2075 They laboured that their work might last, and show thereby
 2076 He stays, while we and earth, and all things come and go.
 2077 Come whence? Go whither? That, when come and gone, we know
 2078 Perhaps, but not while earth and all things need our best
 2079 Attention: we must wait and die to know the rest.
 2080 Ask, if that's true, what use in setting up the pile?
 2081 To make one fear and hope: remind us, all the while
 2082 We come and go, outside there's Somebody that stays;
 2083 A circumstance which ought to make us mind our ways,
 2084 Because,—whatever end we answer by this life,—
 2085 Next time, best chance must be for who, with toil and strife,
 2086 Manages now to live most like what he was meant
 2087 Become: since who succeeds so far, 't is evident,
 2088 Stands foremost on the file; who fails, has less to hope
 2089 From new promotion. That's the rule—with even a rope
 2090 Of mushrooms, like this rope I dangle! those that grew
 2091 Greatest and roundest, all in life they had to do,
 2092 Gain a reward, a grace they never dreamed, I think;
 2093 Since, outside white as milk and inside black as ink,
 2094 They go to the Great House to make a dainty dish
 2095 For Don and Donna; while this basket-load, I wish
 2096 Well off my arm, it breaks,—no starveling of the heap
 2097 But had his share of dew, his proper length of sleep
 2098 I' the sunshine: yet, of all, the outcome is—this queer
 2099 Cribbed quantity of dwarfs which burthen basket here
 2100 Till I reach home; 't is there that, having run their rigs,
 2101 They end their earthly race, are flung as food for pigs.
 2102 Any more use I see? Well, you must know, there lies
 2103 Something, the Curé says, that points to mysteries
 2104 Above our grasp: a huge stone pillar, once upright,
 2105 Now laid at length, half-lost—discreetly shunning sight
 2106 I' the bush and briar, because of stories in the air—
 2107 Hints what it signified, and why was stationed there,
 2108 Once on a time. In vain the Curé tasked his lungs—
 2109 Showed, in a preachment, how, at bottom of the rungs
 2110 O' the ladder, Jacob saw, where heavenly angels stept
 2111 Up and down, lay a stone which served him, while he slept,

2112 For pillow; when he woke, he set the same upright
 2113 As pillar, and a-top poured oil: things requisite
 2114 To instruct posterity, there mounts from floor to roof,
 2115 A staircase, earth to heaven; and also put in proof,
 2116 When we have scaled the sky, we well may let alone
 2117 What raised us from the ground, and,—paying to the stone
 2118 Proper respect, of course,—take staff and go our way,
 2119 Leaving the Pagan night for Christian break of day.
 2120 ‘For,’ preached he, ‘what they dreamed, these Pagans wide-awake
 2121 ‘We Christians may behold. How strange, then, were mistake
 2122 ‘Did anybody style the stone,—because of drop
 2123 ‘Remaining there from oil which Jacob poured a-top,—
 2124 ‘Itself the Gate of Heaven, itself the end, and not
 2125 ‘The means thereto!’ Thus preached the Curé, and no jot
 2126 The more persuaded people but that, what once a thing
 2127 Meant and had right to mean, it still must mean. So cling
 2128 Folk somehow to the prime authoritative speech,
 2129 And so distrust report, it seems as they could reach
 2130 Far better the arch-word, whereon their fate depends,
 2131 Through rude charactery, than all the grace it lends,
 2132 That lettering of your scribes! who flourish pen apace
 2133 And ornament the text, they say—we say, efface.
 2134 Hence, when the earth began its life afresh in May,
 2135 And fruit-trees bloomed, and waves would wanton, and the bay
 2136 Ruffle its wealth of weed, and stranger-birds arrive,
 2137 And beasts take each a mate,—folk, too, found sensitive,
 2138 Surmised the old grey stone upright there, through such tracts
 2139 Of solitariness and silence, kept the facts
 2140 Entrusted it, could deal out doctrine, did it please:
 2141 No fresh and frothy draught, but liquor on the lees,
 2142 Strong, savage and sincere: first bleedings from a vine
 2143 Whereof the product now do Curés so refine
 2144 To insipidity, that, when heart sinks, we strive
 2145 And strike from the old stone the old restorative.
 2146 ‘Which is?’—why, go and ask our grandames how they used
 2147 To dance around it, till the Curé disabused
 2148 Their ignorance, and bade the parish in a band
 2149 Lay flat the obtrusive thing that cumbered so the land!
 2150 And there, accordingly, in bush and briar it—‘bides
 2151 ‘Its time to rise again!’ (so somebody derides,

2152 That's pert from Paris) 'since, yon spire, you keep erect
 2153 'Yonder, and pray beneath, is nothing, I suspect,
 2154 'But just the symbol's self, expressed in slate for rock,
 2155 'Art's smooth for Nature's rough, new chip from the old block!'
 2156 There, sir, my say is said! Thanks, and Saint Gille increase
 2157 The wealth bestowed so well!"—wherewith he pockets piece,
 2158 Doffs cap, and takes the road. I leave in Learning's clutch
 2159 More money for his book, but scarcely gain as much.

CXXIV.

2160 To this it was, this same primæval monument,
 2161 That, in my dream, I saw building with building blent
 2162 Fall: each on each they fast and founderingly went
 2163 Confusion-ward; but thence again subsided fast,
 2164 Became the mound you see. Magnificently massed
 2165 Indeed, those mammoth-stones, piled by the Protoplast
 2166 Temple-wise in my dream! beyond compare with fanes
 2167 Which, solid-looking late, had left no least remains
 2168 I' the bald and blank, now sole usurper of the plains
 2169 Of heaven, diversified and beautiful before.
 2170 And yet simplicity appeared to speak no more
 2171 Nor less to me than spoke the compound. At the core,
 2172 One and no other word, as in the crust of late,
 2173 Whispered, which, audible through the transition-state,
 2174 Was no loud utterance in even the ultimate
 2175 Disposure. For as some imperial chord subsists,
 2176 Steadily underlies the accidental mists
 2177 Of music springing thence, that run their mazy race
 2178 Around, and sink, absorbed, back to the triad base,—
 2179 So, out of that one word, each variant rose and fell
 2180 And left the same "All's change, but permanence as well."
 2181 —Grave note whence—list aloft!—harmonics sound, that mean:
 2182 "Truth inside, and outside, truth also; and between
 2183 Each, falsehood that is change, as truth is permanence.
 2184 The individual soul works through the shows of sense,
 2185 (Which, ever proving false, still promise to be true)
 2186 Up to an outer soul as individual too;
 2187 And, through the fleeting, lives to die into the fixed,
 2188 And reach at length 'God, man, or both together mixed,'
 2189 Transparent through the flesh, by parts which prove a whole,
 2190 By hints which make the soul discernible by soul—

2191 Let only soul look up, not down, not hate but love,
 2192 As truth successively takes shape, one grade above
 2193 Its last presentment, tempts as it were truth indeed
 2194 Revealed this time; so tempts, till we attain to read
 2195 The signs aright, and learn, by failure, truth is forced
 2196 To manifest itself through falsehood; whence divorced
 2197 By the excepted eye, at the rare season, for
 2198 The happy moment, truth instructs us to abhor
 2199 The false, and prize the true, obtainable thereby.
 2200 Then do we understand the value of a lie;
 2201 Its purpose served, its truth once safe deposited,
 2202 Each lie, superfluous now, leaves, in the singer's stead,
 2203 The indubitable song; the historic personage
 2204 Put by, leaves prominent the impulse of his age;
 2205 Truth sets aside speech, act, time, place, indeed, but brings
 2206 Nakedly forward now the principle of things
 2207 Highest and least."

CXXV.

2207 Wherewith change ends. What change to dread
 2208 When, disengaged at last from every veil, instead
 2209 Of type remains the truth? once—falsehood: but anon
 2210 Theosuton e broteion eper kekramenon,
 2211 Something as true as soul is true, though veils between
 2212 Prove false and fleet away. As I mean, did he mean,
 2213 The poet whose bird-phrase sits, singing in my ear
 2214 A mystery not unlike? What through the dark and drear
 2215 Brought comfort to the Titan? Emerging from the lymph,
 2216 "God, man, or mixture" proved only to be a nymph:
 2217 "From whom the clink on clink of metal" (money, judged
 2218 Abundant in my purse) "struck" (bumped at, till it budged)
 2219 "The modesty, her soul's habitual resident"
 2220 (Where late the sisterhood were lively in their tent)
 2221 "As out of wingèd car" (that caravan on wheels)
 2222 "Impulsively she rushed, no slippers to her heels,"
 2223 And "Fear not, friends we flock!" soft smiled the sea-Fifine—
 2224 Primitive of the veils (if he meant what I mean)
 2225 The poet's Titan learned to lift, ere "Three-formed Fate,
 2226 Moirai Trimorphoi" stood unmasked the Ultimate.

CXXVI.

2227 Enough o' the dream! You see how poetry turns prose.

2228 Announcing wonder-work, I dwindle at the close
 2229 Down to mere commonplace old facts which everybody knows.
 2230 So dreaming disappoints! The fresh and strange at first,
 2231 Soon wears to trite and tame, nor warrants the outburst
 2232 Of heart with which we hail those heights, at very brink
 2233 Of heaven, whereto one least of lifts would lead, we think,
 2234 But wherefrom quick decline conducts our step, we find,
 2235 To homely earth, old facts familiar left behind.
 2236 Did not this monument, for instance, long ago
 2237 Say all it had to say, show all it had to show,
 2238 Nor promise to do duty more in dream?

CXXVII.

2238 Awaking so,
 2239 What if we, homeward-bound, all peace and some fatigue,
 2240 Trudge, soberly complete our tramp of near a league,
 2241 last little mile which makes the circuit just, Elvire?
 2242 We end where we began: that consequence is clear.
 2243 All peace and some fatigue, wherever we were nursed
 2244 To life, we bosom us on death, find last is first
 2245 And thenceforth final too.

CXXVIII.

2245 "Why final? Why the more
 2246 Worth credence now than when such truth proved false before?"
 2247 Because a novel point impresses now: each lie
 2248 Redounded to the praise of man, was victory
 2249 Man's nature had both right to get, and might to gain,
 2250 And by no means implied submission to the reign
 2251 Of other quite as real a nature, that saw fit
 2252 To have its way with man, not man his way with it.
 2253 This time, acknowledgment and acquiescence quell
 2254 Their contrary in man; promotion proves as well
 2255 Defeat: and Truth, unlike the False with Truth's outside,
 2256 Neither plumes up his will nor puffs him out with pride.
 2257 I fancy, there must lurk some cogency i' the claim,
 2258 Man, such abatement made, submits to, all the same.
 2259 Soul finds no triumph, here, to register like Sense
 2260 With whom 't is ask and have,—the want, the evidence
 2261 That the thing wanted, soon or late, will be supplied.
 2262 This indeed plumes up will; this, sure, puffs out with pride,
 2263 When, reading records right, man's instincts still attest

2264 Promotion comes to Sense because Sense likes it best;
 2265 For bodies sprouted legs, through a desire to run:
 2266 While hands, when fain to filch, got fingers one by one,
 2267 And nature, that's ourself, accommodative brings
 2268 To bear that, tired of legs which walk, we now bud wings
 2269 Since of a mind to fly. Such savour in the nose
 2270 Of Sense, would stimulate Soul sweetly, I suppose,
 2271 Soul with its proper itch of instinct, prompting clear
 2272 To recognize soul's self Soul's only master here
 2273 Alike from first to last. But, if time's pressure, light's
 2274 Or rather, dark's approach, wrest thoroughly the rights
 2275 Of rule away, and bid the soul submissive bear
 2276 Another soul than it play master everywhere
 2277 In great and small,—this time, I fancy, none disputes
 2278 There's something in the fact that such conclusion suits
 2279 Nowise the pride of man, nor yet chimes in with attributes
 2280 Conspicuous in the lord of nature. He receives
 2281 And not demands—not first likes faith and then believes.

CXXIX.

2282 And as with the last essence so with its first faint type.
 2283 Inconstancy means raw, 't is faith alone means ripe
 2284 I' the soul which runs its round: no matter how it range
 2285 From Helen to Fifine, Elvire bids back the change
 2286 To permanence. Here, too, love ends where love began.
 2287 Such ending looks like law, because the natural man
 2288 Inclines the other way, feels lordlier free than bound.
 2289 Poor pabulum for pride when the first love is found
 2290 Last also! and, so far from realizing gain,
 2291 Each step aside just proves divergency in vain.
 2292 The wanderer brings home no profit from his quest
 2293 Beyond the sad surmise that keeping house were best
 2294 Could life begin anew. His problem posed aright
 2295 Was—"From the given point evolve the infinite!"
 2296 Not—"Spend thyself in space, endeavouring to joint
 2297 Together, and so make infinite, point and point:
 2298 Fix into one Elvire a Fair-ful of Fifines!"
 2299 Fifine, the foam-flake, she: Elvire, the sea's self, means
 2300 Capacity at need to shower how many such!
 2301 And yet we left her calm profundity, to clutch
 2302 Foam-flutter, bell on bell, that, bursting at a touch,

2303 Blistered us for our pains. But wise, we want no more
 2304 O' the fickle element. Enough of foam and roar!
 2305 Land-locked, we live and die henceforth: for here's the villa-door.
 CXXX.

2306 How pallidly you pause o' the threshold! Hardly night,
 2307 Which drapes you, ought to make real flesh and blood so white!
 2308 Touch me, and so appear alive to all intents!
 2309 Will the saint vanish from the sinner that repents?
 2310 Suppose you are a ghost! A memory, a hope,
 2311 A fear, a conscience! Quick! Give back the hand I grope
 2312 I' the dusk for!
 CXXXI.

2312 That is well. Our double horoscope
 2313 I cast, while you concur. Discard that simile
 2314 O' the fickle element! Elvire is land not sea—
 2315 The solid land, the safe. All these word-bubbles came
 2316 O' the sea, and bite like salt. The unlucky bath 's to blame.
 2317 This hand of yours on heart of mine, no more the bay
 2318 I beat, nor bask beneath the blue! In Pornic, say,
 2319 The Mayor shall catalogue me duly domiciled,
 2320 Contributable, good-companion of the guild
 2321 And mystery of marriage. I stickle for the town,
 2322 And not this tower apart; because, though, half-way down,
 2323 Its mullions wink o'erwebbed with bloomy greenness, yet
 2324 Who mounts to staircase top may tempt the parapet,
 2325 And sudden there's the sea! No memories to arouse,
 2326 No fancies to delude! Our honest civic house
 2327 Of the earth be earthy too!—or graced perchance with shell
 2328 Made prize of long ago, picked haply where the swell
 2329 Menaced a little once—or seaweed-branch that yet
 2330 Dampens and softens, notes a freak of wind, a fret
 2331 Of wave: though, why on earth should sea-change mend or mar
 2332 The calm contemplative householders that we are?
 2333 So shall the seasons fleet, while our two selves abide:
 2334 E'en past astonishment how sunrise and springtide
 2335 Could tempt one forth to swim; the more if time appoints
 2336 That swimming grow a task for one's rheumatic joints.
 2337 Such honest civic house, behold, I constitute
 2338 Our villa! Be but flesh and blood, and smile to boot!
 2339 Enter for good and all! then fate bolt fast the door,

2340 Shut you and me inside, never to wander more!

CXXXII.

2341 Only,—you do not use to apprehend attack!

2342 No doubt, the way I march, one idle arm, thrown slack

2343 Behind me, leaves the open hand defenceless at the back,

2344 Should an impertinent on tiptoe steal, and stuff

2345 —Whatever can it be? A letter sure enough,

2346 Pushed betwixt palm and glove! That largess of a franc?

2347 Perhaps unconsciously,—to better help the blank

2348 O' the nest, her tambourine, and, laying egg, persuade

2349 A family to follow, the nest-egg that I laid

2350 May have contained,—but just to foil suspicious folk,—

2351 Between two silver whites a yellow double yolk!

2352 Oh, threaten no farewell! five minutes shall suffice

2353 To clear the matter up. I go, and in a trice

2354 Return; five minutes past, expect me! If in vain—

2355 Why, slip from flesh and blood, and play the ghost again!

What you need it a

Like a wheel within a wheel.

Now it came to pass in the thirtieth year, in the fourth month, in the fifth day of the month, as I was among the captives by the river of Chebar, that the heavens were opened, and I saw visions of God.

In the fifth day of the month, which was the fifth year of king Jehoiachin's captivity, The word of the LORD came expressly unto Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the river Chebar; and the hand of the LORD was there upon him. And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire. Also out of the midst thereof came the likeness of four living creatures. And this was their appearance; they had the likeness of a man. And every one had four faces, and every one had four wings. And their feet were straight feet; and the sole of their feet was like the sole of a calf's foot: and they sparkled like the colour of burnished brass. And they had the hands of a man under their wings on their four sides; and they four had their faces and their wings. Their wings were joined one to another; they turned not when they went; they went every one straight forward. As for the likeness of their faces, they four had the face of a man, and the face of a lion, on the right side: and they four had the face of an ox on the left side; they four also had the face of an eagle. Thus were their faces: and their wings [were] stretched upward; two wings of every one

were joined one to another, and two covered their bodies. And they went every one straight forward: whither the spirit was to go, they went; and they turned not when they went. As for the likeness of the living creatures, their appearance was like burning coals of fire, and like the appearance of lamps: it went up and down among the living creatures; and the fire was bright, and out of the fire went forth lightning. And the living creatures ran and returned as the appearance of a flash of lightning. Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces. The appearance of the wheels and their work was like unto the colour of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel. When they went, they went upon their four sides: and they turned not when they went. As for their rings, they were so high that they were dreadful; and their rings were full of eyes round about them four. And when the living creatures went, the wheels went by them: and when the living creatures were lifted up from the earth, the wheels were lifted up. Whithersoever the spirit was to go, they went, thither was their spirit to go; and the wheels were lifted up over against them: for the spirit of the living creature was in the wheels. When those went, these went; and when those stood, these stood; and when those were lifted up from the earth, the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.

Like a tunnel that you follow
To a tunnel of it's own

Sting

Pictures hanging in a hallway
And a fragment of this song

And the world is like an apple
Whirling silently in space

\

Like a carousell that's turning
Running rings around the moon

Like a door that keeps revolving
In a half forgotten dream

Keys that jingle in your pocket
Words that jangle your head

Why did summer go so quickly
Was it something that I said

Lovers walking allong the shore,
Leave their footprints in the sand

Half remembered names and faces
But to whom do they belong

When you knew that it was over
Were you suddenly aware
That the autumn leaves were turning
To the color of her hair

Terminal Love

[14:21] Rogue Desmoulins: You want me to leave you alone forever?

[14:22] Absinthe Nosferatu: You will.

[14:22] Rogue Desmoulins: That wasn't what I asked you.

[14:23] Rogue Desmoulins: You don't want to need me, is that right?

[14:25] Rogue Desmoulins: You are not so foolish to imagine that ignoring me is going to acheive that goal.

[14:25] Rogue Desmoulins: So clearly you want me to pursue you.

[14:27] Rogue Desmoulins: Instead, you play this little game.

[14:28] Rogue Desmoulins: Which I know pains you dearly.

[14:28] Rogue Desmoulins: For an ounce of control.

[14:28] Rogue Desmoulins: To regain your sense of your own self.

[14:28] Rogue Desmoulins: I dig that.

[14:28] Absinthe Nosferatu: *cries*

[14:28] Rogue Desmoulins: But this isn't the way to go about it.

[14:29] Rogue Desmoulins: It just makes me want to control you more...

[14:29] Rogue Desmoulins: makes me think that you are not capable of caring for your self.

[14:29] Absinthe Nosferatu: *Holds her head.* I don't want any of it!

[14:29] Rogue Desmoulins: Do you remember when you asked me what I wanted of you, wawy back when?

[14:30] Rogue Desmoulins: I wanted a peer.

[14:30] Rogue Desmoulins: You are that and so much more than I might have imagined.

[14:30] Absinthe Nosferatu: I don't want ANYTHING from you

[14:31] Rogue Desmoulins: Then I will give you nothing.

[14:31] Rogue Desmoulins: You see how that works?

[14:31] Rogue Desmoulins: It is I who need you.

[14:31] Rogue Desmoulins: There is a need that is weakness, and there is a need that is strength.

[14:31] Rogue Desmoulins: You make me a better man.

[14:32] Rogue Desmoulins: I offer you the same not because you need it, but because I love you.

[14:33] Rogue Desmoulins: Your invectives ring false, because you are hiding the truth.

[14:33] Rogue Desmoulins: And that is why you suffer.

[14:34] Absinthe Nosferatu: You are delusional, leave me alone!

[14:34] Rogue Desmoulins: Delusional?

[14:34] Rogue Desmoulins: Am I?

[14:34] Rogue Desmoulins: Really, now.

[14:34] Rogue Desmoulins: Tell me this.

[14:34] Rogue Desmoulins: Three days ago, were you not hopelessly in love?

[14:35] Rogue Desmoulins: And four days ago?

[14:35] Rogue Desmoulins: Two days ago?

[14:35] Rogue Desmoulins: Yesterday.

[14:35] Rogue Desmoulins: Today.

[14:35] Rogue Desmoulins: And I am delusional?

[14:35] Absinthe Nosferatu: *holds her head.* it's not true!

[14:36] Rogue Desmoulins: Which?

[14:36] Rogue Desmoulins: You would have me believe that you were never in love, then?

[14:36] Rogue Desmoulins: That this is all acting?

[14:36] Rogue Desmoulins: As I see it, you have two paths.

[14:37] Absinthe Nosferatu: I don't have any, you're gone!!

[14:37] Rogue Desmoulins: One is that you were and yet are in love, and the other is that you were never.

[14:37] Absinthe Nosferatu: go away for fucks sakes!

[14:37] Rogue Desmoulins: It doesn't work like that!

[14:37] Absinthe Nosferatu: yes it does!

[14:37] Absinthe Nosferatu: you just don't like it

[14:37] Rogue Desmoulins: No. It doesn;t!

- [14:37] Rogue Desmoulins: Do you?
- [14:37] Rogue Desmoulins: Do you like it?
- [14:37] Absinthe Nosferatu: it works, it hurts but it works!
- [14:37] Rogue Desmoulins: WorkS?
- [14:37] Rogue Desmoulins: How?
- [14:37] Rogue Desmoulins: Are you less in love
- [14:37] Rogue Desmoulins: Am I?
- [14:38] Rogue Desmoulins: Has it ever worked?
- [14:38] Rogue Desmoulins: Now who is delusional?
- [14:38] Rogue Desmoulins: You are insane.
- [14:38] Rogue Desmoulins: Seriously, get help.
- [14:39] Rogue Desmoulins: If you think that this really clever idea of ignoring me is "working" you need help.
- [14:39] Rogue Desmoulins: Your "goodbye" letter?
- [14:39] Rogue Desmoulins: Sucked.
- [14:39] Absinthe Nosferatu: ...get help? Are you kidding me,
- [14:40] Rogue Desmoulins: No, dear, you need to explain to somebody what the hell is going on.
- [14:40] Absinthe Nosferatu: this is coming from the guy who rings 30 times a day, sends endless essay long emails,
- [14:40] Rogue Desmoulins: If you are True.
- [14:40] Rogue Desmoulins: If you really can "stop" like this.
- [14:40] Rogue Desmoulins: Then, yes, I need serious help.
- [14:41] Rogue Desmoulins: Because my understanding of the universe is seriously, seriously fucked up.
- [14:41] Absinthe Nosferatu: i'm not happy
- [14:42] Rogue Desmoulins: Imagine that.
- [14:42] Rogue Desmoulins: You've taken such a happy path...
- [14:42] Rogue Desmoulins: You did not imagine this was a good idea, did you?
- [14:42] Rogue Desmoulins: I mean you can't even keep idiot Jay away...
- [14:43] Rogue Desmoulins: You leap back into the arms of on again off again Canadian
- [14:43] Rogue Desmoulins: You don't get to decide now.
- [14:43] Rogue Desmoulins: You made a choice long ago... I told you to consider it carefully.
- [14:44] Rogue Desmoulins: More serious than a betrothal...
- [14:44] Rogue Desmoulins: You need to play this to its natural conclusion.
- [14:44] Rogue Desmoulins: For your sanity and for mine.
- [14:45] Rogue Desmoulins: You want to chill out, and take things slow,

great. Say so.

[14:45] Absinthe Nosferatu: no

[14:45] Rogue Desmoulins: Stop escalating this to the point where I need to invoke all the powers of the universe to woo you.

[14:45] Rogue Desmoulins: Because they are apparently in my control.

[14:45] Rogue Desmoulins: And I will invoke them.

[14:45] Rogue Desmoulins: no?

[14:46] Absinthe Nosferatu: for the last time..

[14:46] Absinthe Nosferatu: Leave me alone.

[14:46] Rogue Desmoulins: You call me on the phone and tell me that.

[14:46] Absinthe Nosferatu: no I don't want to talk to you

[14:46] Rogue Desmoulins: Because?

[14:46] Rogue Desmoulins: Am I to believe that you are this horrible of a person?

[14:47] Rogue Desmoulins: That you are capable of such evil?

[14:47] Absinthe Nosferatu: I am not go away!

[14:47] Rogue Desmoulins: You come with me to the pinnacle of loving desire, higher than anyone has a right to, and then abandon me?

[14:47] Rogue Desmoulins: That is not evil?

[14:48] Absinthe Nosferatu: I meant now*

[14:48] Absinthe Nosferatu: *sighs*

[14:48] Rogue Desmoulins: I do not believe you.

[14:49] Rogue Desmoulins: You have a good heart.

[14:50] Rogue Desmoulins: And I cannot believe that you would inflict such suffering on anyone.

[14:50] Rogue Desmoulins: Let alone yourself.

[14:50] Absinthe Nosferatu: *sobs*

[14:50] Rogue Desmoulins: It won't get better.

[14:50] Absinthe Nosferatu: I didn't mean to

[14:50] Absinthe Nosferatu: I just had to get rid of you

[14:50] Rogue Desmoulins: Well, you failed, miserably.

[14:51] Absinthe Nosferatu: no

[14:51] Rogue Desmoulins: But why did you have to get rid of me?

[14:51] Rogue Desmoulins: I mean you plan, it wasn't exactly well thought out.

[14:51] Rogue Desmoulins: your*

[14:51] Rogue Desmoulins: Why did you imagine it would work this time, I mean?

[14:52] Rogue Desmoulins: I do not take you for granted.

[14:52] Rogue Desmoulins: I never have.

[14:53] Rogue Desmoulins: And I never shall.

[14:53] Rogue Desmoulins: But this run and hide bit, I thought we were well past this.

[14:53] Rogue Desmoulins: You will sooner hide from yourself.

[14:53] Absinthe Nosferatu: god..

[14:53] Absinthe Nosferatu: god....

[14:53] Rogue Desmoulins: no god.

[14:53] Rogue Desmoulins: just us.

[14:54] Rogue Desmoulins: we did this to ourselves.

[14:54] Rogue Desmoulins: willingly and honestly.

[14:54] Rogue Desmoulins: you are free to run and hide, of course.

[14:54] Rogue Desmoulins: but it's pointless

[14:54] Absinthe Nosferatu: *Looks at him, teary eyed.*

[14:55] Rogue Desmoulins: *holds her softly*

[14:55] Rogue Desmoulins: We can make this work, without compromise.

[14:55] Rogue Desmoulins: Have our cake and eat it too.

[14:56] Absinthe Nosferatu: *sobs while he holds her.* I don't want it

[14:56] Rogue Desmoulins: It is not so far from here to happy.

[14:56] Rogue Desmoulins: Tell me what it is you do want.

[14:56] Rogue Desmoulins: Not what you don't.

[14:57] Rogue Desmoulins: Look where you want to go, not where you don't. :)

[14:58] Absinthe Nosferatu: Why can't you believe I don't want you?

[14:58] Rogue Desmoulins: Is it true?

[14:58] Rogue Desmoulins: It hardly matters.

[14:58] Rogue Desmoulins: I'm more interested in what you do want.

[14:59] Rogue Desmoulins: Would you believe me if I said I didn't want you?

[15:00] Rogue Desmoulins: I'm not good convincing people about what they do and do not want.

[15:01] Rogue Desmoulins: For I barely have any sense of what I do and do not want.

[15:01] Rogue Desmoulins: I suppose I don't want you.

[15:01] Rogue Desmoulins: But that is definitely not the point.

[15:01] Rogue Desmoulins: I am in love with you

[15:02] Rogue Desmoulins: And I cannot stop just because you will it to be so.

[15:02] Absinthe Nosferatu: why not

[15:02] Rogue Desmoulins: Can you?

[15:02] Absinthe Nosferatu: isn't that how most things end

- [15:02] Rogue Desmoulins: You are feeling like most things today?
- [15:02] Rogue Desmoulins: I am not most things.
- [15:03] Rogue Desmoulins: Most people invest so little in others.
- [15:03] Rogue Desmoulins: They are selfish and self-serving.
- [15:03] Rogue Desmoulins: As is probably safe and healthy.
- [15:03] Rogue Desmoulins: You and I did something quite different.
- [15:03] Rogue Desmoulins: We, who are probably the most selfish people I know...
- [15:04] Rogue Desmoulins: fell in love.
- [15:04] Rogue Desmoulins: Which, I think, is fairly impossible.
- [15:04] Rogue Desmoulins: For we use our ideals quite differently.
- [15:05] Rogue Desmoulins: We actually believe them.
- [15:06] Rogue Desmoulins: And if I let you go because you asked,
- [15:06] Rogue Desmoulins: it would be the most irresponsible thing I have ever done.
- [15:06] Rogue Desmoulins: And we, who live without regret, would regret it.
- [15:06] Absinthe Nosferatu: *Lays limply in his arms in total mourning.*
- [15:07] Rogue Desmoulins: I am sorry.
- [15:07] Rogue Desmoulins: And I don't like to apologize.
- [15:07] Rogue Desmoulins: Especially for other peoples failures.
- [15:07] Rogue Desmoulins: But I know ... god I know ... how much you want to be rid of me.
- [15:08] Rogue Desmoulins: But you think you are an idealist?
- [15:08] Rogue Desmoulins: You have no idea...
- [15:09] Rogue Desmoulins: Actually, I suspect you do.
- [15:09] Rogue Desmoulins: ...
- [15:10] Absinthe Nosferatu: ...
- [15:10] Rogue Desmoulins: A girl fell in a river - in a flash
- [15:10] Rogue Desmoulins: Her lover dived in with a mighty splash,
- [15:10] Rogue Desmoulins: And fought the current till he reached her side.
- [15:10] Rogue Desmoulins: When they were safe again, the poor girl cried:
- [15:10] Rogue Desmoulins: "By chance I tumbled in, but why should you
- [15:10] Rogue Desmoulins: Come after me and hazard your life too?"
- [15:10] Rogue Desmoulins: He said: "I dived in because the difference
- [15:11] Rogue Desmoulins: Of 'I' and 'you' to lovers makes no sense -
- [15:11] Rogue Desmoulins: A long time passed when we were separate,
- [15:11] Rogue Desmoulins: But now that we have reached this single state
- [15:11] Rogue Desmoulins: When you are me and I am wholly you,
- [15:11] Rogue Desmoulins: What use is it to talk of us as two?"

- [15:11] Rogue Desmoulins: All talk of two implied plurality -
- [15:11] Rogue Desmoulins: When two has gone there will be Unity.
- [15:11] Rogue Desmoulins: ...
- [15:12] Rogue Desmoulins: We are not there yet. :)
- [15:12] Rogue Desmoulins: I mean, you are still falling in rivers....
- [15:13] Rogue Desmoulins: but such are my ideals
- [15:13] Rogue Desmoulins: This comes from a mystical text...
- [15:13] Rogue Desmoulins: Attar writes of union with god. I read of union with you.
- [15:14] Rogue Desmoulins: May I read you a story?
- [15:14] Absinthe Nosferatu: ...
- [15:14] Absinthe Nosferatu: k
- [15:14] Rogue Desmoulins: On phone?
- [15:14] Rogue Desmoulins: I will say nothing else, but it's long.
- [15:15] Absinthe Nosferatu: no
- [15:15] Rogue Desmoulins: You don't have to talk.
- [15:15] Rogue Desmoulins: fine.
- [15:15] Rogue Desmoulins: *looks annoyed*
- [15:15] Rogue Desmoulins: I'll email it.
- [15:15] Rogue Desmoulins: :(
- [15:15] Absinthe Nosferatu: ...no
- [15:16] Rogue Desmoulins: no what?
- [15:16] Absinthe Nosferatu: no..no..
- [15:17] Rogue Desmoulins: Perhaps if you were more positive, you might be happier.
- [15:18] Rogue Desmoulins: You know, I actually hoped you would come back and face me of your own accord.
- [15:18] Rogue Desmoulins: I perhaps overestimated your compassion.
- [15:18] Absinthe Nosferatu: I have none
- [15:18] Rogue Desmoulins: And your love.
- [15:19] Rogue Desmoulins: Will you tell me something?
- [15:19] Rogue Desmoulins: After you hung up on Tuesday, before you decided to leave, what happened?
- [15:20] Absinthe Nosferatu: i'm done with you
- [15:20] Rogue Desmoulins: Yes, so you've said.
- [15:21] Rogue Desmoulins: If perhaps you gave me a cohesive thought, I'd be happy to accept.
- [15:21] Rogue Desmoulins: For you are not the woman that I fell in love with.
- [15:21] Absinthe Nosferatu: you're mad

- [15:21] Rogue Desmoulins: Give me anything.
- [15:22] Rogue Desmoulins: Yes, I am seriously going to get counselling.
- [15:22] Absinthe Nosferatu: go get another woman already
- [15:22] Rogue Desmoulins: You have fucked me good.
- [15:22] Rogue Desmoulins: No, there is no other woman.
- [15:22] Rogue Desmoulins: I'm joining a monastery or something.
- [15:22] Absinthe Nosferatu: yes there is!!!
- [15:22] Rogue Desmoulins: Seriously, stop.
- [15:22] Absinthe Nosferatu: *slaps him* Honestly, you fucking bastard! Didn't you listen to a word I said at the start!?
- [15:22] Rogue Desmoulins: You have ruined my marriage and my life, do not destroy what little clarity I have left.
- [15:23] Rogue Desmoulins: Why should I listen to you?
- [15:24] Rogue Desmoulins: You have nothing truthful to say.
- [15:24] Rogue Desmoulins: You have not offered me a plausible story.
- [15:24] Absinthe Nosferatu: no exactly
- [15:24] Rogue Desmoulins: You want to be rid of me?
- [15:24] Absinthe Nosferatu: Do not listen to me, not now
- [15:25] Rogue Desmoulins: Give me a fucking path?
- [15:25] Absinthe Nosferatu: can't you make your own fucking path!?
- [15:25] Rogue Desmoulins: No.
- [15:25] Absinthe Nosferatu: There is no one but yourself
- [15:25] Rogue Desmoulins: I can't.
- [15:25] Absinthe Nosferatu: don't you see!
- [15:25] Rogue Desmoulins: That was true.
- [15:25] Rogue Desmoulins: a few months ago, I was all there was.
- [15:25] Absinthe Nosferatu: You can't rely on anyone but you!
- [15:26] Absinthe Nosferatu: No one else gives a fuck, it is a dog eats dog world, you have to make your own paths because no one is going to do it for you
- [15:26] Rogue Desmoulins: Which is why it was necessary to make you me.
- [15:26] Rogue Desmoulins: It gets lonely.
- [15:26] Absinthe Nosferatu: NEVER let yourself fall in love it can ruin you as you have seen, from this you will learn a harsh lesson about reality
- [15:27] Rogue Desmoulins: Had you not wanted to be me, you should of said so earlier.
- [15:27] Absinthe Nosferatu: and i'm not even saying it will make you a better person
- [15:27] Rogue Desmoulins: See, you are a fucking idiot if you think that's

going to work.

[15:27] Rogue Desmoulins: Seriously.

[15:27] Absinthe Nosferatu: I think you are ever blind or stupid

[15:27] Rogue Desmoulins: Do you not know me by now?

[15:27] Rogue Desmoulins: Do you doubt my abilities to fabricate?

[15:27] Rogue Desmoulins: Do you doubt my thing with the universe?

[15:27] Rogue Desmoulins: Do you doubt my ideals?

[15:28] Rogue Desmoulins: You know how I see this.

[15:28] Absinthe Nosferatu: the fact you have to listen to me shows you doubt

[15:28] Absinthe Nosferatu: you damn well fucking doubt in the middle of the night and you know it

[15:28] Rogue Desmoulins: You just said yourself that I'm not listening to you.

[15:28] Rogue Desmoulins: I doubt my doubt :)

[15:29] Rogue Desmoulins: And you doubt yours.

[15:29] Rogue Desmoulins: I have never met anyone so idealistic as yourself.

[15:29] Rogue Desmoulins: Other than me.

[15:29] Rogue Desmoulins: You have a capacity to love which is astonishing.

[15:30] Rogue Desmoulins: Your practical crap about falling in love and leading to ruin is far overwhelmed by your heart

[15:30] Rogue Desmoulins: You even like the fucking Windmill song.

[15:30] Rogue Desmoulins: I know this is fucked up and scary.

[15:30] Rogue Desmoulins: scary*

[15:30] Absinthe Nosferatu: the song..

[15:31] Rogue Desmoulins: I told you it would be.

[15:31] Absinthe Nosferatu: I love that song

[15:31] Absinthe Nosferatu: like nothing

[15:31] Rogue Desmoulins: We are exploring and adventuring, and nobody's lighting the way.

[15:31] Rogue Desmoulins: I have to resort to weird mystical texts to make any sense of it at all.

[15:31] Rogue Desmoulins: But I would not trade it for anything.

[15:32] Rogue Desmoulins: THIS is our adventure...

[15:32] Rogue Desmoulins: Here and now.

[15:32] Rogue Desmoulins: That sense of wonder... at how we even came here... at where we are going...

[15:32] Rogue Desmoulins: That sense of going places nobody ever does...

- [15:33] Rogue Desmoulins: And it draws you in, though you fight it.
- [15:33] Absinthe Nosferatu: tp me?
- [15:34] Rogue Desmoulins: And you want to explore with me, though you are feigning the stereotypical blonde sidekick :)
- [15:34] Rogue Desmoulins: You know who I like?
- [15:34] Rogue Desmoulins: Marion.
- [15:34] Rogue Desmoulins: In Indiana Jones.
- [15:35] Rogue Desmoulins: She was cool.
- [15:36] Rogue Desmoulins: ...
- [15:36] Rogue Desmoulins: I am mad.
- [15:36] Absinthe Nosferatu: ...
- [15:37] Rogue Desmoulins: I have been for years.
- [15:37] Rogue Desmoulins: Too many drugs, I think.
- [15:37] Rogue Desmoulins: I saw.. felt.. knew things... I shouldn't have.
- [15:38] Rogue Desmoulins: And I have been looking for them ever since.
- [15:38] Absinthe Nosferatu: Depends on what your definition of "madness" is, people who generally think out the box are unfairly defined as crazy, and thrown in the same net as people with pizza boxes and saws who really are "mad!"
- [15:38] Absinthe Nosferatu: two different kinds of madness
- [15:38] Rogue Desmoulins: Maybe.
- [15:39] Rogue Desmoulins: But often the same symptoms - seeing/feeling/knowing things you shouldn't.
- [15:39] Absinthe Nosferatu: Yes but, we all see things we shouldn't most of us just ignore or supress it, some see it more than others
- [15:40] Absinthe Nosferatu: i've seen a ghost and that was real and fucked up, screwed with my ideals on everything normal
- [15:41] Rogue Desmoulins: I'm a bit ashamed for drawing you into my madness.
- [15:41] Rogue Desmoulins: I thought...
- [15:42] Rogue Desmoulins: I thought you were like me.
- [15:42] Absinthe Nosferatu: everything normal or fabricated...God you should be ashamed, what, you thought I shared it!?
- [15:42] Absinthe Nosferatu: thats what everyone is really searching for..
- [15:42] Rogue Desmoulins: I thought you did.
- [15:42] Absinthe Nosferatu: themselves
- [15:42] Absinthe Nosferatu: but you've been there all along
- [15:42] Absinthe Nosferatu: what you are looking for is right in front of you :)
- [15:42] Rogue Desmoulins: No, I was not seeking myself.

- [15:42] Rogue Desmoulins: I did that years ago.
- [15:43] Rogue Desmoulins: I know myself perfectly.
- [15:43] Rogue Desmoulins: And I know what it is that I need to go where I want to go.
- [15:44] Rogue Desmoulins: You know how most religions, particularly the ones in the east talk about enlightenment?
- [15:44] Absinthe Nosferatu: yes
- [15:44] Rogue Desmoulins: About losing your sense of self....
- [15:44] Absinthe Nosferatu: all the paths to enlightenment
- [15:44] Rogue Desmoulins: I have lived like that for many many years. Aloof. Unattached.
- [15:44] Absinthe Nosferatu: 8500 or whatever
- [15:45] Rogue Desmoulins: There are fewer texts for wandering back.
- [15:45] Rogue Desmoulins: For creating.
- [15:45] Absinthe Nosferatu: it is impossible to go back, not truly
- [15:45] Rogue Desmoulins: All religion is about destroying.
- [15:46] Rogue Desmoulins: Destroying your self in favor of another.
- [15:46] Absinthe Nosferatu: it is human nature
- [15:46] Rogue Desmoulins: And so all love songs are such.
- [15:46] Rogue Desmoulins: But I wanted to create.
- [15:46] Rogue Desmoulins: And I wanted to create something impossible and magnificent.
- [15:47] Absinthe Nosferatu: *Wipes her eyes.*
- [15:47] Rogue Desmoulins: And I wanted you to create it with me.
- [15:47] Absinthe Nosferatu: You are quite beautiful you know?
- [15:47] Rogue Desmoulins: No, I am mad.
- [15:48] Absinthe Nosferatu: I find a strange beauty in suffering, torment in the soul and the inability to...
- [15:48] Rogue Desmoulins: Why speak of the madman.
- [15:48] Rogue Desmoulins: You know, I don't suffer?
- [15:48] Absinthe Nosferatu: maybe you should talk to aldo stern
- [15:48] Rogue Desmoulins: Is probably why I don't dream, either.
- [15:49] Absinthe Nosferatu: have you not suffered these past days?
- [15:49] Rogue Desmoulins: Should I have?
- [15:49] Rogue Desmoulins: I tried to.
- [15:49] Absinthe Nosferatu: That answers all my questions, thank you.
- [15:49] Rogue Desmoulins: You have brought me closest to human.
- [15:49] Rogue Desmoulins: But I am not there yet.
- [15:49] Rogue Desmoulins: I suffered for your absence.
- [15:50] Absinthe Nosferatu: We have nothing more to talk about

[15:50] Rogue Desmoulins: But I could not convince myself that you could ever leave.

[15:50] Rogue Desmoulins: For if you did...

[15:50] Rogue Desmoulins: You know that I suffered, damnit!

[15:50] Rogue Desmoulins: I suffered more than any man ever should.

[15:51] Rogue Desmoulins: You tore my heart out and crushed it for fun.

[15:51] Rogue Desmoulins: But every time I tried to suffer enough to leave you, I failed.

[15:51] Rogue Desmoulins: It was all too absurd.

[15:52] Rogue Desmoulins: And there is a beauty in that.

[15:52] Rogue Desmoulins: It was a suffering that I am willing to endure for all my days.

[15:52] Rogue Desmoulins: And, it seems, I shall.

[15:53] Rogue Desmoulins: I have invested everything in you. You have no idea...

[15:53] Rogue Desmoulins: When I realized that you were my soul...

[15:53] Rogue Desmoulins: I cannot go back.

[15:54] Rogue Desmoulins: I quite like our humanity.

[15:54] Rogue Desmoulins: Do I make any sense to you at all?

[15:55] Absinthe Nosferatu: you..

[15:56] Rogue Desmoulins: I need you.

[15:57] Rogue Desmoulins: Or I need some serious, serious medication.

[15:57] Absinthe Nosferatu: ..

[15:57] Rogue Desmoulins: The sort they give to schizophrenics to make them dull :)

[15:58] Absinthe Nosferatu: *Places her hand on his forehead.*

[15:58] Rogue Desmoulins: Very very hot forehead.

[15:58] Rogue Desmoulins: I am sweating.

[15:58] Absinthe Nosferatu: *Worries and holds her hand there.*

[15:58] Rogue Desmoulins: The sweat stings my eyes which are already soaked with tears.

[15:59] Rogue Desmoulins: I'm sorry...

[15:59] Rogue Desmoulins: I should go.

[15:59] Absinthe Nosferatu: ...

[15:59] Rogue Desmoulins: You wanted less intensity, not more.

[15:59] Rogue Desmoulins: I knew this.

[16:00] Rogue Desmoulins: I tried to stay away for days.

[16:00] Absinthe Nosferatu: it cannot be helped

[16:00] Rogue Desmoulins: I wanted you to be free and to live and love.

[16:00] Rogue Desmoulins: But I am not well, it seems.

- [16:00] Rogue Desmoulins: It is not just "love sick", I don't think.
- [16:01] Rogue Desmoulins: We long since passed "in love"
- [16:01] Absinthe Nosferatu: there is no word for it
- [16:01] Rogue Desmoulins: I wished there were, for then people might write poetry about it, and I could have prepared.
- [16:02] Absinthe Nosferatu: Terminal love maybe, like a terminal illness that doesn't go away.
- [16:02] Rogue Desmoulins: That's not exactly the connotations I'm looking for, but I take your point.
- [16:02] Rogue Desmoulins: But...
- [16:03] Rogue Desmoulins: you know it as well?
- [16:04] Rogue Desmoulins: Either way I find myself in great need.
- [16:04] Absinthe Nosferatu: I do.
- [16:04] Rogue Desmoulins: Either of you or of professional attention.
- [16:04] Rogue Desmoulins: And I am not used to being in need of anything.
- [16:04] Rogue Desmoulins: For things are merely provided to me by the universe.
- [16:05] Rogue Desmoulins: Without provocation or desire.
- [16:05] Absinthe Nosferatu: have you ever wanted anything as much?
- [16:05] Rogue Desmoulins: I cannot imagine wanting anything more.
- [16:07] Absinthe Nosferatu: I have been eating nothing but your fruit for the past days
- [16:07] Rogue Desmoulins: I... have no fruit :(
- [16:08] Rogue Desmoulins: I have drank like 30 gallons of tea, though.
- [16:08] Absinthe Nosferatu: oh how romantic!
- [16:08] Rogue Desmoulins: I don't know that I can do this again.
- [16:08] Rogue Desmoulins: Of course, I will.
- [16:09] Absinthe Nosferatu: brb
- [16:13] Absinthe Nosferatu: back
- [16:14] Absinthe Nosferatu: sorry about that strange animals keep coming in
- [16:14] Rogue Desmoulins: yes?
- [16:14] Rogue Desmoulins: Like Paul?
- [16:14] Absinthe Nosferatu: LOL
- [16:14] Absinthe Nosferatu: wonderful!
- [16:14] Absinthe Nosferatu: alex G is here tonight, with my brother
- [16:15] Rogue Desmoulins: house full of your favorite people!
- [16:16] Rogue Desmoulins: I don't want you to leave.
- [16:18] Rogue Desmoulins: I...

[16:18] Rogue Desmoulins: I don't want to have to write three dozen more Variations.

[16:19] Rogue Desmoulins: O kay, maybe I do... a little.

[16:21] Absinthe Nosferatu: I will stay.

[16:22] Absinthe Nosferatu: forever

[16:22] Rogue Desmoulins: *beams like the sun*

[16:22] Rogue Desmoulins: Where is John Henry, anyhow, just isn't the same without him. :)

[16:23] Absinthe Nosferatu: God I must be mad for having said such a thing

[16:23] Rogue Desmoulins: Which thing? *is suddenly frightened beyond belief*

[16:24] Absinthe Nosferatu: *blames it on the music and reaches her hand under the table for his and clutches it tightly.*

[16:24] Rogue Desmoulins: *quickly grabs her hand and never ever lets go*

[16:25] Absinthe Nosferatu: *smiles.*

What Is Love?

I have read that "Sanskrit has ninety-six words for love; ancient Persian has eight; Greek three; and English only one." The English word "love" comes from Sanskrit "lubh" (desire) through the German.

I do not know any Sanskrit, nor Persian, but I know something about the Greek concepts

Agape is the paternal love of God for man and man for God. It is also the concept of brotherly love for all humanity. And the love for animals. It is the love of one's children and of one's spouse.

Philia is a fondness and appreciation of the other, and included friendships as well as loyalties to family, political community, job or discipline.

Eros is used to refer to that aspect of love which is passionate and intense - the modern word erotic comes from this. But it is far more than the common conception of erotic...

Love is a search for the divine.

Plato writes that Eros is the intermediary between the divine and the mortal

That all men seek beauty.

When a man loves the beautiful, what does he desire?

That the beautiful may be his.

What is given by the possession of beauty?

If he who loves loves the good, what is it then that he loves?

The possession of the good

And what does he gain who possesses the good?

Happiness

the happy are made happy by the acquisition of good things. Nor is there any need to ask why a man desires happiness; the answer is already final.

may be described generally as the love of the everlasting possession of the good

what are they doing who show all this eagerness and heat which is called love? and what is the object which they have in view?

The object which they have in view is birth in beauty, whether of body or soul.

Pro-creation - generation and birth of beauty.

Love then, is a striving for immortality.

Pregnant of body

Pregnant of soul

Allegory to Truth and Beauty

Conception of the eternal

A vehicle to the perception of the workings of the universe.

to see clearly

But what if man had eyes to see the true beauty—the divine beauty, I mean, pure and clear and unalloyed, not clogged with the pollutions of mortality and all the colours and vanities of human life—thither looking,

and holding converse with the true beauty simple and divine? Remember how in that communion only, beholding beauty with the eye of the mind, he will be enabled to bring forth, not images of beauty, but realities (for he has hold not of an image but of a reality), and bringing forth and nourishing true virtue to become the friend of God and be immortal, if mortal man may

What is love?

What is Love?

There are doubtless many forms of love. I have read that "Sanskrit has ninety-six words for love; ancient Persian has eight; Greek three; and English only one." Regretfully, I don't know Sanskrit or Persian. Fortunately, though, I don't have to describe ninety-six things.

In Greek, there are three.

Agape is the paternal love of God for man and man for God. It is also the concept of brotherly love for all humanity. And the love for animals. It is the love of one's children and of one's spouse.

Philia is a fondness and appreciation of the other, and included friendships as well as loyalties to family, political community, job or discipline.

Eros is used to refer to that aspect of love which is passionate and intense - the modern word erotic comes from this. But it is far more than the common conception of erotic, and is very much the difficult form of the "what is love" question.

But these are academic definitions, and hardly answers your question of me, which I take to be extremely personal...

A thousand poets have uniquely tried to answer this question in words. They wrote to express their visions of what this elusive concept means to them, more often than not with purpose to beguile their beloved into consummating those visions.

So it is an interesting twist on the formula that the father of the beloved asks me "what is love". Here then are some words designed not to help you to love me, but rather to help you to know me...

I seek.

1990

It is what I do.

About twenty years ago, I read a verse in the bible. In paraphrase, it says don't worry about what you will eat or wear or where you will live. Rather, seek first the kingdom of god, and all these things will be given to you.

This is the formula of my life.
I unquestioningly and unyieldingly seek.
It is, as I say, what I do.
I seek and I receive.

I do not seek because I am unhappy.
I seek because I am happy.

Here is what I find:

To seek is to love.

I seek to know myself.
I find that I am many things:
I find that as a poet,
I seek Beauty.
I find that as a scientist,
I seek Truth.
Conveniently, I find that Keats was right.
Truth is Beauty and Beauty is Truth.

I find that as an engineer,
I seek to create schemes and methods and devices and mechanisms and poems and songs and all manner of art to facilitate these searches for Truth and Beauty.

But these are more answers of "What am I"
To more directly answer your question, "What is Love":

Love is the metaphor of the universe.
Love is a search for the divine.
Love is a quest to understand, to be understood.
Love is a vehicle to explore, to be explored.
Love is a looking glass to perceive ideals.
Love is an attempt at the apprehension of the infinite.
Love is an attempt to be immortal.
Love is a conversation about... Love.

I seek with your daughter.
 I love with your daughter.
 In our love, we see Truth.
 In our love, we see Beauty.
 In our love, we will explore.
 In our love, we will create.
 In our love, we will do impossible things.
 We are that metaphor.

I do not love because I am unloved.
 I love because I am loved.

It occurs to me that to know is to love.
 Words that help one to know also help one to love.

...

What is Love?
 I have no idea.
 I'm just a scientist/engineer/poet.
 How should I know?
 Ask your daughter.
 Everything I have found,
 I found with her.

Camus Don Juan

If it were sufficient to love, things would be too easy. The more one loves, the stronger the absurd grows. It is not through lack of love that Don Juan goes from woman to woman. It is ridiculous to represent him as a mystic in quest of total love. But it is indeed because he loves them with the same passion and each time with his whole self that he must repeat his gift and his profound quest. Whence each woman hopes to give him what no one has ever given him. Each time they are utterly wrong and merely manage to make him feel the need of that repetition. "At last," exclaims one of them, "I have given you love." Can we be surprised that Don Juan laughs at this? "At last? No," he says, "but once more." Why should it be essential to love rarely in order to love much?

Is Don Juan melancholy? This is not likely. I shall barely have recourse to the legend. That laugh, the conquering insolence, that playfulness and love of the theater are all clear and joyous. Every healthy creature tends to multiply himself. So it is with Don Juan. But furthermore, melancholy people have two reasons for being so: they don't know or they hope. Don Juan knows and does not hope. He reminds one of those artists who know their limits, never go beyond them, and in that precarious interval in which they take their spiritual stand enjoy all the wonderful ease of masters. And that is indeed genius: the intelligence that knows its frontiers. Up to the frontier of physical death Don Juan is ignorant of melancholy. The moment he knows, his laugh bursts forth and makes one forgive everything. He was melancholy at the time when he hoped. Today, on the mouth of that woman he recognizes the bitter and comforting taste of the only knowledge. Bitter? Barely: that necessary imperfection that makes happiness perceptible!

It is quite false to try to see in Don Juan a man brought up on Ecclesiastes. For nothing is vanity to him except the hope of another life. He proves this because he gambles that other life against heaven itself. Longing for desire killed by satisfaction, that commonplace of the impotent man, does not belong to him. That is all right for Faust, who believed in God enough to sell himself to the devil. For Don Juan the thing is simpler. Molina's Burlador ever replies to the threats of hell: "What a long respite you give me!" What comes after death is futile, and what a long succession of days for whoever knows how to be alive! Faust craved worldly goods; the poor man had only to stretch out his hand. It already amounted to selling his soul when he was unable to gladden it. As for satiety, Don Juan insists upon it, on the contrary. If he leaves a woman it is not absolutely because he has ceased to desire her. A beautiful woman is always desirable. But he desires another, and no, this is not the same thing.

This life gratifies his every wish, and nothing is worse than losing it. This madman is a great wise man. But men who live on hope do not thrive in this universe where kindness yields to generosity, affection to virile silence, and communion to solitary courage. And all hasten to say: "He was a weakling, an idealist or a saint." One has to disparage the greatness that insults.

People are often sufficiently annoyed (or that smile of complicity that debases what it admires) by Don Juan's speeches and by that same remark

that he uses on all women. But to anyone who seeks quantity in his joys, the only thing that matters is efficacy. What is the use of complicating the passwords that have stood the test? No one, neither the woman nor the man, listens to them, but rather to the voice that pronounces them. They are the rule, the convention, and the courtesy. After they are spoken the most important still remains to be done. Don Juan is already getting ready for it. Why should he give himself a problem in morality? He is not like Milosz's Manara, who damns himself through a desire to be a saint. Hell for him is a thing to be provoked. He has but one reply to divine wrath, and that is human honor: "I have honor," he says to the Commander, "and I am keeping my promise because I am a knight." But it would be just as great an error to make an immoralist of him. In this regard, he is "like everyone else": he has the moral code of his likes and dislikes. Don Juan can be properly understood by constant reference to what he commonly symbolizes: the ordinary seducer and the sexual athlete. He is an ordinary seducer. Except for the difference that he is conscious, and that is why he is absurd. A seducer who has become lucid will not change for all that. Seducing is his condition in life. Only in novels does one change condition or become better. Yet it can be said that at the same time nothing is changed and everything is transformed. What Don Juan realizes in action is an ethic of quantity, whereas the saint, on the contrary, tends towards quality. Not to believe in the profound meaning of things belongs to the absurd man. As for those cordial or wonder-struck faces, he eyes them, stores them up, and does not pause over them. Time keeps up with him. The absurd man is he who is not apart from time. Don Juan does not think of "collecting" women. He exhausts their number and with them his chances of life. "Collecting" amount to being capable of living off one's past. But he rejects regret, that other form of hope. He is incapable of looking at portraits.

Is he selfish for all that? In his way, probably. But here, too, it is essential to understand one another. There are those who are made for living and those who are made for loving. At least Don Juan would be inclined to say so. But he would do so in a very few words such as he is capable of choosing. For the love we are speaking of here is clothed in illusions of the eternal. As all the specialists in passion teach us, there is no eternal love but what is thwarted. There is scarcely any passion without struggle. Such a love culminates only in the ultimate contradiction of death. One must be Werther or nothing. There, too, there are several ways of committing

suicide, one of which is the total gift and forgetfulness of self. Don Juan, as well as anyone else, knows that this can be stirring. But he is one of the very few who know that this is not the important thing. He knows just as well that those who turn away from all personal live through a great love enrich themselves perhaps but certainly impoverish those their love has chosen. A mother or a passionate wife necessarily has a closed heart, for it is turned away from the world. A single emotion, a single creature, a single face, but all is devoured. Quite a different love disturbs Don Juan, and this one is liberating. It brings with it all the faces in the world, and its tremor comes from the fact that it knows itself to be mortal. Don Juan has chosen to be nothing.

For him it is a matter of seeing clearly. We call love what binds us to certain creatures only by reference to a collective way of seeing for which books and legends are responsible. But of love I know only that mixture of desire, affection, and intelligence that binds me to this or that creature. That compound is not the same for another person. I do not have the right to cover all these experiences with the same name. This exempts one from conducting them with the same gestures. The absurd man multiplies here again what he cannot unify. Thus he experiences with the same name. This exempts one from conducting them with the same gestures. The absurd man multiplies here again what he cannot unify. Thus he discovers a new way of being which liberates him at least as much as it liberates those who approach him. There is no noble love but that which recognizes itself to be both short-lived and exceptional. All those deaths and all those rebirths gathered together as in a sheaf make up for Don Juan the flowering of his life. It is his way of giving and of vivifying. I let it be decided whether or not one can speak of selfishness.

I think a this point of all those who absolutely insist that Don Juan be punished. Not only in another life, but even in this one. I think of all those tales, legends and laughs about the aged Don Juan. But Don Juan is already ready. To a conscious man old age and what it portends are not a surprise. Indeed, he is conscious only in so far as he does not conceal its horror from himself. There was in Athens a temple dedicated to old age. Children were taken there. As for Don Juan, the more people laugh at him, the more his figure stands out. Thereby he rejects the one the romantics lent him. No one wants to laugh at that tormented, pitiful Don Juan. He is pitied; heaven itself will redeem him? But that's not it. In the universe of which Don Juan

has a glimpse, ridicule too is included. He would consider it normal to be chastised. That is not the rule of the game. And, indeed, it is typical of his nobility to have accepted all the rules of the game. Yet he knows he is right and that there can be no question of punishment. A fate is not a punishment.

That is his crime, and how easy it is to understand why the men of God call down punishment on his head. He achieves a knowledge without illusions which negates everything they profess. Loving and possessing, conquering and consuming - that is his way of knowing. (There is significance in that favorite Scriptural word that calls the carnal act "knowing") He is their worst enemy to the extent that the true Burlador died assassinated by Franciscans who wanted "to put an end to the excesses and blasphemies of Don Juan, whose birth assured him impunity." Then they proclaimed that heaven had struck him down. Now one has proved that strange end. Nor has anyone proved the contrary. But without wondering if it is probably, I can say that it is logical. I want merely to single out at this point the word "birth" and to play on words: it was the fact of living that assured his innocence. It was from death alone that he derived a guilt now become legendary.

What else does that stone Commander signify, that cold statue set in motion to punish the blood and courage that dared to think? All the powers of eternal Reason, of order, or universal morality, all the foreign grandeur of a God open to wrath are summed up in him. That gigantic and soulless stone merely symbolizes the forces that Don Juan negated forever. But the Commander's mission stops there. The thunder and lightning can return to the imitation heaven whence they were called forth. The real tragedy takes place quite apart from them. No, it was not under a stone hand that Don Juan met his death. I am inclined to believe in the legendary bravado, in that mad laughter of the healthy man provoking a non-existent God. But, above all, I believe that on that evening when Don Juan was waiting at Anna's the Commander didn't come, and that after midnight the blasphemer must have felt the dreadful bitterness of those who have been right. I accept even more readily the account of his life that has him eventually burying himself in a monastery. Not that the edifying aspect of the story can be considered probable. What refuge can he go ask of God? But this symbolizes rather the logical outcome of a life completely imbued with the absurd, the grim ending of an existence turned toward short-lived joys. At this point sensual pleasure winds up in asceticism. It is essential to realize that they may be, as it were, the two aspects of the same destitution. What more ghastly

image can be called up than that of a man betrayed by his body who, simply because he did not die in time, lives out the comedy while awaiting the end, face to face with that God he does not adore, serving him as he served life, kneeling before a void and arms outstretched toward a heaven without eloquence that he knows to be also without depth?

I see Don Juan in a cell of one of those Spanish monasteries lost on a hilltop. And if he contemplates anything at all, it is not the ghosts of past loves, but perhaps, through a narrow slit in the sun-baked wall, some silent Spanish plain, a noble, soulless land in which he recognizes himself. Yes, it is on this melancholy and radiant image that the curtain must be rung down. The ultimate end, awaited but never desired, the ultimate end is negligible.

Mirror

It is the rarest form of vanity

To abhor your own reflection.

For we have been through that looking glass.

Though now the memories of it fade.

Like inner sense lost, never to be found.

But it is the outer world that has been changed.

Like the uncertainty of the physics

Our observing disturbed the experiment.

The universe will never be the same.

We saw that which was seemingly impossible.

Even now it all seems so very backwards...

As if you are now walking upside down.

Do you hear them, the ones you once detested?

They feed you their excretion, filth and lies.

Do you eat feces? Do you drink urine?

In spite and stubbornness do you feast on filth?

Opportunities come once, they say.

Even so, you know that you can return,

You are the soul of Re. I am the spirit.

I only want the girl who has that strength,

The strength to admit her weakness

Who needs to need, but also to be needed.

Who cannot inspire without inspiration.

Who is rich of soul, but poor in spirit.

For hers is the kingdom of heaven.

That is what I seek first, and what I saw

Through that looking glass.

‘By the way, Kitty, if only you’d been really with me in my dream, there was one thing you would have enjoyed—I had such a quantity of poetry said to me, all about fishes!’

Chapter XII: Which Dreamed It?

‘YOUR Red Majesty shouldn’t purr so loud,’ Alice said, rubbing her eyes, and addressing the kitten, respectfully, yet with some severity. ‘You woke me out of oh! such a nice dream! And you’ve been along with me, Kitty—all through the Looking-glass world. Did you know it, dear?’

It is a very inconvenient habit of kittens (Alice had once made the remark) that, whatever you say to them, they always purr. ‘If they would only purr for “yes”, and mew for “no”, or any rule of that sort,’ she had said, ‘so that one could keep up a conversation! But how can you talk with a person if they always say the same thing?’

On this occasion the kitten only purred: and it was impossible to guess whether it meant ‘yes’ or ‘no’.

So Alice hunted among the chessmen on the table till she had found the Red Queen: then she went down on her knees on the hearth-rug, and put the kitten and the Queen to look at each other. ‘Now, Kitty!’ she cried, clapping her hands triumphantly. ‘Confess that was what you turned into!’ (‘But it wouldn’t look at it,’ she said, when she was explaining the thing afterwards to her sister: ‘it turned away its head, and pretended not to see it: but it looked a little ashamed of itself, so I think it must have been the Red Queen.’)

‘Sit up a little more stiffly, dear!’ Alice cried with a merry laugh. ‘And curtsy while you’re thinking what to—what to purr. It saves time, remember!’ And she caught it up and gave it one little kiss, ‘just in honour of its having been a Red Queen.’

‘Snowdrop, my pet!’ she went on, looking over her shoulder at the White Kitten, which was still patiently undergoing its toilet, ‘when will Dinah have finished with your White Majesty, I wonder? That must be the reason you were so untidy in my dream.—Dinah! Do you know that you’re scrubbing a White Queen? Really, it’s most disrespectful of you!’

‘And what did Dinah turn to, I wonder?’ she prattled on, as she settled comfortably down, with one elbow on the rug, and her chin in her hand, to watch the kittens. ‘Tell me, Dinah, did you turn to Humpty Dumpty? I think you did—however, you’d better not mention it to your friends just yet, for I’m not sure.

‘By the way, Kitty, if only you’d been really with me in my dream, there was one thing you would have enjoyed—I had such a quantity of poetry said to me, all about fishes! To-morrow morning you shall have a real treat. All the time you’re eating your breakfast, I’ll repeat “The Walrus and the Carpenter” to you; and then you can make believe it’s oysters, my dear!

‘Now, Kitty, let’s consider who it was that dreamed it all. This is a serious question, my dear, and you should not go on licking your paw like that—as if Dinah hadn’t washed you this morning! You see, Kitty, it must have been either me or the Red King. He was part of my dream, of course—but then I was part of his dream, too! Was it the Red King, Kitty? You were his wife, my dear, so you ought to know—Oh, Kitty, do help to settle it! I’m sure your paw can wait!’ But the provoking kitten only began on the other paw, and pretended it hadn’t heard the question.

Which do you think it was?

A BOAT, beneath a sunny sky

Lingering onward dreamily

In an evening of July –

Children three that nestle near,
 Eager eye and willing ear,
 Pleased a simple tale to hear –

Long has paled that sunny sky:
 Echoes fade and memories die:
 Autumn frosts have slain July.

Still she haunts me, phantomwise,
 Alice moving under skies
 Never seen by waking eyes.

Children yet, the tale to hear,
 Eager eye and willing ear,
 Lovingly shall nestle near.

In a Wonderland they lie,
 Dreaming as the days go by,
 Dreaming as the summers die:

Ever drifting down the stream –
 Lingering in the golden gleam –
 Life, what is it but a dream?

AUCTIONEER:

May I commence at fifteen francs? Fifteen, thank you.

Yes, twenty from you, sir. Thank you very much.

Madame Giry... Twenty-five... Thank you, madame. Twenty-five I'm bid.

Sold, for thirty francs to the Vicomte de Chagny. Thank you, sir.

RAOUL:

A collector's piece indeed, every detail exactly as she said
Will you still play, when all the rest of us are dead?

AUCTIONEER:

Lot 666, then, a chandelier in pieces.

Some of you may recall the strange affair of the Phantom of the Opera,
A mystery never fully explained. We are told, ladies and gentlemen,
That this is the very chandelier which figures in the famous disaster.
Our workshops have repaired it and wired parts of it for the new electric
light,
Perhaps we may frighten away the ghost of so many years ago with a little
illumination, gentlemen?

OVERTURE

HANNIBAL

This trophy from our saviours, from our saviours from the enslaving force
of Rome!

With feasting and dancing and song, tonight in celebration,
We greet the victorious throng, returned to bring salvation!

Rehearsals, as you see, are under way, for a new production of Chalumbeau's "Hannibal".

REYER:

Monsieur Lefevre, I am rehearsing.

LEFEVRE:

Monsieur Reyer, Madame Giry, ladies and gentlemen,
Please if I could have your attention, thank you.

As you know, for some weeks there have been rumours of my imminent retirement.

I can now tell you that these were all true and it is my pleasure to introduce you to the two gentlemen

Who now own the Opera Populaire, Monsieur Richard Firmin and Monsieur Gilles Andre.

FIRMIN:

And we are deeply honoured to introduce our new patron, the Vicomte de Changy

RAOUL:

My parents and I are honoured to support all the arts especially the world renowned Opera Populaire

LEFEVRE:

Vicomte, Gentlemen, Signora Carlotta Giudicelli, our leading soprano for five seasons now.

And Signor Ubaldo Piangi.

RAOUL:

An honour, Signor. I believe I'm keeping you from your rehearsal.

I will be here this evening to share your great triumph. My apologies, monsieur.

2002

REYER:

Thank you, Monsieur Le Vicomte. Once more if you please, signor.

CARLOTTA:

He loves me!

GIRY:

We take a particular pride here in the excellence of our ballets, monsieur

FIRMIN:

I see why, especially that little blonde angel.

GIRY:

My daughter, Meg Giry.

FIRMIN:

And that exceptional beauty? No relation, I trust.

GIRY:

Christine Daaé, promising talent, Monsieur Firmin, very promising.

FIRMIN:

Daaé, you say? No relation to the famous Swedish violinist?

GIRY:

His only child, orphan at 7, when she came to live and train in the ballet dormitory.

FIRMIN:

An orphan, you say!

CHORUS:

Bid welcome to Hannibal's guests, the elephants of Carthage!
As guides on our conquering quests, Dido sends Hannibal's friends!

CHORUS WITH CARLOTTA AND PIANGI:

The trumpeting elephants sound, hear, Romans, now and tremble!
Hark to their step on the ground, hear the drums! Hannibal comes!

ANDRE:

Mosieur Reyer, isn't there a rather marvelous aria for Elissa in Act Three of "Hannibal"?
Perhaps if Signora...

CARLOTTA:

Yes...Yes...Monsieur Reyer?

REYER:

If my diva commands.

CARLOTTA:

Yes I do.

THINK OF ME

CARLOTTA:

Think of me, think of me fondly, when we've said goodbye
Remember me once in a while please promise me you'll try
When you find that once again you long to take your heart back and be free

MEG:

He's here! The Phantom of the Opera!

LEFEVRE:

Signora! Are you all right? Buquet! For God's sake, man, what's going on up there?

BUQUET:

Please monsieur don't look at me. As God's my witness,I was not at my post.

Please monsieur, there's no one there and if there is, well then, it must be a ghost!

ANDRE:

Signora, these things do happen!

CARLOTTA:

For the past three years, these things do happen and did you stop them from happening? No!

And you two, you're as bad as him. These things do happen! Until you stop these things happening,

This thing does not happen! Ubaldo! Andiamo!

PIANGI:

Amateurs!

LEFEVRE:

Gentlemen, Good luck. If you need me, I shall be in Australia.

GIRY:

I have a message, sir, from the Opera Ghost.

FIRMIN:

Oh God in Heaven, you're all obsessed!

GIRY:

He welcomes you to his opera house.

FIRMIN:

His opera house?

GIRY:

And commands you to continue to leave Box Five empty for his use
And reminds you that his salary is due.

FIRMIN:

His salary?

GIRY:

Monsieur Lefevre paid him twenty thousand francs a month.

FIRMIN:

Twenty thousand francs!

GIRY:

Perhaps you can afford more, with the Vicomte de Chagny as your patron.

FIRMIN:

Madame, I had hoped to have made that announcement public tonight
when the Vicomte was to join us for the gala but obviously we shall now
have to cancel,
as it appears that we have lost our star. A full house, Andre, we shall have
to refund a full house.

GIRY:

Christine Daaé could sing it, sir.

FIRMIN:

What, a chorus girl?

GIRY:

Let her sing for you monsieur. She has been well taught!

FIRMIN:

Andre, this is doing nothing for my nerves.

ANDRE:

She's very pretty.

CHRISTINE:

Think of me, think of me fondly, when we've said goodbye
Remember me once in a while please promise me you'll try
When you find that once again you long to take your heart back and be free
If you ever find a moment, spare a thought for me...

We never said our love was evergreen or as unchanging as the sea
But if you can still remember, stop and think of me<

Think of all the things we've shared and seen
Don't think about the way things might have been...

Think of me, think of me waking, silent and resigned
Imagine me, trying too hard to put you from my mind
Recall those days. Look back on all those times. Think of the things we'll
never do
There will never be a day when I won't think of you...

RAOUL:

Can it be? Can it be Christine? Bravo!
Long ago, it seems so long ago. How young and innocent we were.
She may not remember me, but I remember her...

CHRISTINE:

Flowers fade, the fruits of summer fade. They have their season, so do we.
But please promise me that sometimes, you will think of... me!

ANGEL OF MUSIC

PHANTOM:

Brava, brava, bravissimma...

MEG:

Christine... Christine...

PHANTOM:

Christine...

MEG:

2006

Where in the world have you been hiding?
Really, you were perfect!
I only wish I knew your secret!
Who is your great tutor?

CHRISTINE:

Father once spoke of an angel. I used to dream he'd appear.
Now as I sing I can sense him and I know he's here
Here in this room he calls me softly, somewhere inside hiding.
Somehow I know he's always with me. He, the unseen genius.

MEG:

Christine, you must have been dreaming.
Stories like this can't come true.
Christine, you're talking in riddles and it's not like you.

CHRISTINE:

Angel of Music! Guide and guardian!
Grant to me your glory!

MEG:

Who is this angel? This...

BOTH:

Angel of Music! Hide no longer!
Secret and strange angel...

CHRISTINE:

He's with me, even now

MEG:

Your hands are cold

CHRISTINE:

All around me

MEG:

Your face, Christine, it's white

CHRISTINE:

It frightens me

MEG:

Don't be frightened

FIRMIN:

Vicomte, I think we've made quite a discovery in Miss Daaé

ANDRE:

Perhaps we could present her to you, dear Vicomte.

RAOUL:

Gentlemen if you wouldn't mind.

This is one visit I should prefer to make unaccompanied. Thank you.

FIRMIN:

It would appear they have met before.

LITTLE LOTTE

RAOUL:

Little Lotte, let her mind wander.

Little Lotte thought... Am I fonder of dolls, or of goblins or shoes...

CHRISTINE:

Raoul!

RAOUL:

Or of riddles or frocks...

CHRISTINE:

Those picnics in the attic

RAOUL:

Or of chocolates

CHRISTINE:

Father playing the violin

RAOUL:

As we read to each other dark stories of the North

CHRISTINE:

No, what I love best, Lotte said, is when I'm asleep in my bed,
And the Angel of Music sings songs in my head!

BOTH:

The Angel of Music sings song in my head!

RAOUL:

2008

Oh, you sang like an angel tonight.

CHRISTINE:

Father said, "When I'm in heaven, child, I will send the Angel of Music to you".

Well, father is dead, Raoul, and I have been visited by the Angel of Music.

RAOUL:

Oh, no doubt of it. And now, we'll go to supper!

CHRISTINE:

No, Raoul, the Angel of music is very strict.

RAOUL:

Well, I shan't keep you up late!

CHRISTINE:

Raoul, no!

RAOUL:

You must change. I'll order my carriage. Two minutes, Little Lotte.

CHRISTINE:

No, Raoul, wait!

THE MIRROR (ANGEL OF MUSIC)

PHANTOM:

Insolent boy! This slave of fashion basking in your glory!

Ignorant fool! This brave young suitor sharing in my triumph!

CHRISTINE:

Angel! I hear you! Speak, I listen

Stay by my side, guide me!

Angel, my soul was weak, forgive me

Enter at last, Master!

PHANTOM:

Flattering child you shall know me,

See why in shadow I hide!

Look at your face in the mirror, I am there inside!

CHRISTINE:

Angel of Music! Guide and guardian!

Grant to me your glory!
Angel of Music! Hide no longer!
Come to me, strange angel...

PHANTOM:

I am your angel of music...
Come to me, angel of music...
I am your angel of music...
Come to me, angel of music

THE PHANTOM OF THE OPERA

CHRISTINE:

In sleep he sang to me, in dreams he came
That voice which calls to me and speaks my name

And do I dream again for now I find
The Phantom of the Opera is there, inside my mind...

PHANTOM:

Sing once again with me, our strange duet
My power over you grows stronger yet
And though you turn from me to glance behind
The Phantom of the Opera is there, inside your mind...

CHRISTINE:

Those who have seen your face draw back in fear
I am the mask you wear...

PHANTOM:

...It's me they hear

BOTH:

Your (my) spirit and my (your) voice in one combined
The Phantom of the Opera is there, inside my (your) mind...

CHORUS:

He's there, the Phantom of the Opera...

CHRISTINE:

He's there, the Phantom of the Opera...

PHANTOM:

Sing, my angel of music...

2010

Sing, my angel...
Sing for me...
Sing...
Sing, my angel...
Sing for me!

I have brought you to the seat of sweet music's throne
To this kingdom where all must pay homage to music, music...

You have come here for one purpose and one alone
Since the moment I first heard you sing,
I have needed you with me to serve me, to sing for my music, my music...

THE MUSIC OF THE NIGHT

PHANTOM:

Night time sharpens, heightens each sensation
Darkness stirs and wakes imagination
Silently the senses abandon their defenses...

Slowly, gently, night unfurls its splendour
Grasp it, sense it, tremulous and tender
Turn your face away from the garish light of day,
Turn your thoughts away from cold, unfeeling light
And listen to the music of the night

Close your eyes and surrender to your darkest dreams!
Purge your thoughts of the life you knew before!
Close your eyes, let your spirit start to soar!
And you'll live as you've never lived before...

Softly, deftly, music shall caress you
Hear it, feel it, secretly possess you
Open up your mind, let your fantasies unwind,
In this darkness which you know you cannot fight
The darkness of the music of the night...

Let your mind start a journey through a strange, new world!
Leave all thoughts of the world you knew before!
Let your soul take you where you long to be!
Only then can you belong to me ...

Floating, falling, sweet intoxication!

Touch me, trust me, savour each sensation!
 Let the dream begin, let your darker side give in
 To the power of the music that I write
 The power of the music of the night...

You alone can make my song take flight
 Help me make the music of the night...

MAGICAL LASSO

BUQUET:

Like yellow parchment is his skin
 A great black hole serves as the nose that never grew
 You must be always on your guard
 Or he will catch you with his magical lasso!

GIRY:

Those who speak of what they know, find too late that prudent silence is wise
 Joseph Buquet, hold your tongue! Keep your hand at the level of your eye!

I REMEMBER...

CHRISTINE:

I remember, there was mist, swirling mist upon a vast glossy lake
 There were candles all around and on the lake there was a boat
 And in the boat there was a man...
 Who was that shape in the shadows? Whose is the face in the mask?

PHANTOM:

Damn you! You little prying Pandora!
 You little demon! Is this what you wanted to see?
 Curse you! You little lying Delilah!
 You little viper! Now you cannot ever be free!
 Damn you! Curse you!

STRANGER THAN YOU DREAMT IT

PHANTOM:

Stranger than you dreamt it,
 Can you even dare to look or bear to think of me?
 This loathsome gargoyle who burns in hell,
 But secretly, yearns for heaven, secretly, secretly

2012

But, Christine, fear can turn to love
You'll learn to see, to find the man behind the monster,
This repulsive carcass who seems a beast,
But secretly, dreams of beauty, secretly, secretly
Oh, Christine
Come, we must return!
Those two fools who run my theatre will be missing you.

NOTES

FIRMIN:

"Mystery after gala night," It says, "Mystery of soprano's flight!"
"Mystified," all the papers say, "We are mystified! We suspect foul play!"
Bad news on soprano scene, first Carlotta, now Christine!
Still at least the seats get sold, gossip's worth its weight in gold

What a way to run a business! Spare me these unending trials!
Half your cast disappears, but the crowd still cheers! Opera!
To hell with Gluck and Handel have a scandal and you're sure to have a hit!

ANDRE:

Damnable! Will they all walk out? This is damnable!

FIRMIN:

Andre, please don't shout. It's publicity!
And the take is vast! Free publicity!

ANDRE:

But we have no cast!

FIRMIN:

But Andre, have you seen the queue?
Oh, it seems you've got one too...

ANDRE:

"Dear Andre, what a charming gala! Christine was in a word, "sublime!"
We were hardly bereft when Carlotta left, on that note,
The diva's a disaster must you cast her when she see she's past her prime"

FIRMIN:

"Dear Firmin, just a quick reminder, my salary has not been paid
Send it care of the ghost by return of post, P.T.O.
No one likes a debtor, so it's better if my orders are obeyed!"

BOTH:

Who would have the gall to send this? Someone with a puerile brain!

FIRMIN:

These are both signed "O.G."

ANDRE:

Who the hell is he?

BOTH:

"Opera ghost!"

FIRMIN:

It's nothing sort of shocking!

ANDRE:

He is mocking our position!

FIRMIN:

In addition he wants money!

ANDRE:

What a funny apparition

BOTH:

... to expect a large retainer!
Nothing plainer, he is clearly quite insane!

RAOUL:

Where is she?

ANDRE:

You mean Carlotta?

RAOUL:

I mean, Miss Daaé, where is she?

FIRMIN:

Well, how should we know?

RAOUL:

I want an answer. I take it that you sent me this note?

FIRMIN:

What's all this nonsense?

2014

ANDRE:
Of course not!

FIRMIN:
Don't look at us!

RAOUL:
She's not with you, then?

FIRMIN:
Of course not!

ANDRE:
We're in the dark

RAOUL:
Monsieur, don't argue, isn't this the letter you wrote?

FIRMIN:
And what is it that we're meant to have wrote? Written!

ANDRE:
"Do not fear for Miss Daaé.
The Angel of Music has her under his wing. Make no attempt to see her
again."

RAOUL:
If you didn't write it, who did?

CARLOTTA:
Where is he?

ANDRE:
Ah, welcome back!

CARLOTTA:
Your precious patron

CARLOTTA/PIANGI:
Where is he?

RAOUL:
What is it now?

CARLOTTA:

I have your letter, a letter which I rather resent!

FIRMIN:
And did you send it?

RAOUL:
Of course not!

ANDRE:
As if he would!

CARLOTTA/PIANGI:
You didn't send it?

RAOUL:
Of course not!

FIRMIN:
What's going on?

CARLOTTA:
You dare to tell me that this is not the letter you sent?!

RAOUL:
And what is it that I'm meant to have sent?
"Your days at the Opera Populaire are numbered.
Christine Daaé will be singing on your behalf tonight.
Be prepared for a great misfortune should you attempt to take her place."

ANDRE/FIRMIN:
Far too many notes for my taste and most of them about Christine!
All we've heard since we came, is Miss Daaé's name...

GIRY:
Miss Daaé has returned.

FIRMIN:
I hope no worse for wear as far as we're concerned.

ANDRE:
Where precisely is she now?

GIRY:
I thought it best that she was alone

2016

MEG:

She needed rest.

RAOUL:

May I see her?

GIRY:

No, monsieur, she will see no one.

CARLOTTA/PIANGI:

Will she sing? Will she sing?

GIRY:

Here, I have a note

RAOUL/CARLOTTA/ANDRE:

Let me see it!

FIRMIN:

Please!

"Gentlemen, I have now sent you several notes of the most amiable nature, Detailing how my theatre is to be run. You have not followed my instructions...

PHANTOM:

...I shall give you one last chance...

Christine Daaé has returned to you and I am anxious her career should progress.

In the new production of "Il Muto", you will therefore cast Carlotta as the Pageboy,

And put Miss Daaé in the role of the Countess.

The role which Miss Daaé plays calls for charm and appeal.

The role of the Pageboy is silent, which makes my casting, in a word, ideal. I shall watch the performance from my normal seat in Box Five, which will be kept empty for me.

Should these commands be ignored, a disaster beyond your imagination will occur...

I remain, gentlemen, your obedient servant, O.G."

CARLOTTA:

Christine!

ANDRE:
Whatever next

CARLOTTA/PIANGI:
It's all a ploy to help Christine!

FIRMIN:
This is insane

CARLOTTA:
I know who sent this: The Vicomte, her lover!

RAOUL:
Indeed? Can you believe this?

ANDRE:
Signora!

PIANGI:
How can you do this?

CARLOTTA:
O traditori!

FIRMIN:
This is a joke!

ANDRE:
This changes nothing!

CARLOTTA:
O mentitori!

FIRMIN:
Signora!

ANDRE:
You are our star!

FIRMIN:
And always will be!

ANDRE:
Signora

2018

FIRMIN:

The man is mad!

ANDRE:

We don't take orders!

FIRMIN:

Miss Daaé will be playing the Pageboy, the silent role

ANDRE/FIRMIN:

Carlotta will be playing the lead!

CARLOTTA:

It's useless trying to appease me!

PIANGI:

Appease her –

CARLOTTA:

You're only saying this to please me!

PIANGI:

To please her –

CARLOTTA:

Signori, è vero?

Non, non, non voglio udire!

Lasciatemi morire!

O Padre mio! Dio!

GIRY:

Who scorn his word, beware to those

CARLOTTA:

You have reviled me!

GIRY:

The angel sees, the angel knows

CARLOTTA:

You have rebuked me!

ANDRE/FIRMIN:

Signora, pardon us

CARLOTTA:

You have replaced me!

ANDRE/FIRMIN:

Please, Signora we beseech you

GIRY:

This hour shall see your darkest fears

RAOUL:

I must see her

CARLOTTA/PIANGI:

This is uncalled-for for!

This is unfounded!

This is unheard of!

GIRY:

The angel knows, the angel hears

RAOUL:

Where did she go?

CARLOTTA:

You are unthinking! You are unfeeling!

PIANGI:

They are unthinking. They are unfeeling.

ANDRE/FIRMIN:

Signora, sing for us! Don't be a martyr

RAOUL/GIRY/MEG:

What new surprises lie in store?

ANDRE/FIRMIN:

Our star!

CARLOTTA/PIANGI:

You go too far!

A MAN:

Would you please give this to Miss Daaé, Miss Daaé?

PRIMA DONNA

2020

ANDRE:
Your public needs you!

FIRMIN:
We need you, too!

CARLOTTA:
Would you not rather have your precious little ingenue?

ANDRE/FIRMIN:
Signora, no! The world wants you!

Prima donna, first lady of the stage!
Your devotees are on their knees to implore you!

ANDRE:
Can you bow out when they're shouting your name?

FIRMIN:
Think of how they all adore you!

BOTH:
Prima donna, enchant us once again!

ANDRE:
Think of your muse

FIRMIN:
And of the queues round the theatre!

BOTH WITH PIANGI:
Can you deny us the triumph in store?
Sing, prima donna, once more!

RAOUL:
Christine spoke of an angel...

CARLOTTA:
Prima donna, your song shall live again
You took a snub but there's a public who need you!

ANDRE/FIRMIN:
Think of your public!

GIRY:

She has heard the voice of the angel of music...

ANDRE/FIRMIN:

Those who hear your voice liken you to an angel!

CARLOTTA:

Think of their cry of undying support!

ANDRE:

We get our opera

FIRMIN:

She gets her limelight!

CARLOTTA:

Follow where the limelight leads you!

ANDRE/FIRMIN:

Leading ladies are a trial!

CARLOTTA:

Prima donna, your song shall never die!

PIANGI:

When she sings we see heaven

CARLOTTA:

You'll sing again, and to an unending ovation!

RAOUL:

Order! Warnings! Lunatic demands!

ANDRE/FIRMIN:

... Oaths... Lunatic demands are regular occurrences!

PIANGI:

Unending ovation now and always...

CARLOTTA:

Think how you'll shine in that final encore!

Sing, prima donna, once more!

RAOUL:

Surely, for her sake...

2022

ANDRE/FIRMIN:

Surely there'll be further scenes - worse than this!

RAOUL:

...I must see these demands are rejected!

ANDRE/FIRMIN:

Who'd believe a diva happy to relieve a chorus girl,

Who's gone and slept with her patron?

Raoul and his soubrette, entwined in love's duet!

Although he may demur, he must have been with her!

You'd never get away with all this in a play,
But if it's loudly sung and in a foreign tongue,
It's just the sort of story audiences adore, in fact, a perfect opera!

GIRY/MEG:

For (But) if his curse is on this opera...

COMPANY:

Prima donna, the world is at your feet!

A nation waits, and how it hates to be cheated!

Light up that stage with that age-old rapport!

Sing, prima donna, once more!

IL MUTO/POOR FOOL, HE MAKES ME LAUGH

CONFIDANTE:

They say that this youth has set my Lady's heart aflame!

1ST FOP:

His Lordship sure would die of shock!

2ND FOP:

His Lordship is a laughing-stock!

CONFIDANTE:

Should he suspect her, God protect her!

ALL THREE:

Shame! Shame! Shame!

This faithless lady's bound for Hades!

Shame! Shame! Shame!

COUNTESS:

Serafimo, your disguise is perfect. Why, who can this be?

DON ATTILIO:

Gentle wife, admit your loving husband.

My love, I am called to England on affairs of State,
And must leave you with your new maid.
Though I'd gladly take the maid with me.

COUNTESS:

The old fool's leaving!

Serafimo! Away with this pretense!
You cannot speak, but kiss me in my husband's absence!
Poor fool, he makes me laugh!
Time I tried to get a better better half!

COUNTESS AND CHORUS:

Poor fool, he doesn't know!
If he knew the truth he'd never ever go!

PHANTOM:

Did I not instruct that Box Five was to be kept empty?

MEG:

He's here, the Phantom of the Opera

CHRISTINE:

It's him!

CARLOTTA:

Your part is silent, little toad!

PHANTOM:

A toad, madame? Perhaps it is you who are the toad!

CARLOTTA:

Serafimo! Away with this pretense!
You cannot speak, but kiss me in my... Croak!
Poor fool, he makes me laugh!... Croak! Croak!

FIRMIN:

Ladies and gentlemen, we apologize, the performance will continue in ten

2024

minutes time,

When the role of the Countess will be played by Miss Daaé.

ANDRE:

Meanwhile, we'd like to give you the ballet from Act Three of tonight's opera.

RAOUL:

Are you all right?

CHRISTINE:

Raoul, we're not safe here.

FIRMIN:

Ladies and gentlemen, please! Remain in your seats! Do not panic!
It's simply an accident, an accident!

WHY HAVE YOU BROUGHT ME HERE

RAOUL: <

Why have you brought me here?

CHRISTINE:

We can't go back there!

RAOUL:

We must return!

CHRISTINE:

He'll kill you! His eyes will find us there!

RAOUL:

Christine, don't say that

CHRISTINE:

Those eyes that burn

RAOUL:

Don't even think it

CHRISTINE:

And if he has to kill a thousand men

RAOUL:

Forget this waking nightmare

CHRISTINE:

The Phantom of the Opera will kill and kill again

RAOUL:

This Phantom is a fable. Believe me, there is no Phantom of the Opera!

CHRISTINE:

My God, who is this man?

RAOUL:

My God, who is this man?

CHRISTINE:

Who hunts to kill?

RAOUL:

This mask of death

CHRISTINE:

I can't escape from him

RAOUL:

Whose is this voice you hear?

CHRISTINE:

I never will!

RAOUL:

With every breath

BOTH:

And in this labyrinth where night is blind

The Phantom of the Opera is here

Inside my (your) mind

RAOUL:

There is no Phantom of the Opera!

RAOUL, I'VE BEEN THERE...

CHRISTINE:

Raoul, I've been there to his world of unending night

To a world where the daylight dissolves into darkness, darkness...

Raoul, I've seen him. Can I ever forget that sight?

Can I ever escape from that face? So distorted, deformed,

It was hardly a face, in that darkness, darkness

But his voice filled my spirit with a strange, sweet sound
In that night, there was music in my mind
And through music, my soul began to soar
And I heard as I've never heard before!

RAOUL:

What you heard was a dream, and nothing more!

CHRISTINE:

Yet in his eyes, all the sadness of the world
Those pleading eyes that both threatened and adored

RAOUL:

Christine... Christine...

PHANTOM:

Christine...

ALL I ASK OF YOU

RAOUL:

No more talk of darkness,
Forget these wide-eyed fears.
I'm here, nothing can harm you -
My words will warm and calm you.

Let me be your freedom,
Let daylight dry your tears.
I'm here, with you, beside you,
To guard you and to guide you...

CHRISTINE:

Say you love me every waking moment,
Turn my head with talk of summertime
Say you need me with you, now and always
Promise me that all you say is true
That's all I ask of you...

RAOUL:

Let me be your shelter,
Let me be your light.
You're safe. No one will find you

Your fears are far behind you

CHRISTINE:

All I want is freedom,
A world with no more night
And you, always beside me,
To hold me and to hide me...

RAOUL:

Then say you'll share with me one love, one lifetime
Let me lead you from your solitude
Say you need me with you here, beside you
Anywhere you go, let me go too
Christine, that's all I ask of you...

CHRISTINE:

Say you'll share with me one love, one lifetime
Say the word and I will follow you

BOTH:

Share each day with me, each night, each morning

CHRISTINE:

Say you love me...

RAOUL:

You know I do...

BOTH:

Love me, that's all I ask of you

Anywhere you go let me go too
Love me, that's all I ask of you...

ALL I ASK OF YOU (REPRISE)

CHRISTINE:

I must go! They'll wonder where I am! Come with me, Raoul!

RAOUL:

Christine, I love you!

CHRISTINE:

Order your fine horses! Be with them at the door!

RAOUL:

And soon, you'll be beside me...

CHRISTINE:

You'll guard me and you'll guide me...

PHANTOM:

I gave you my music, made your song take wing
And now, how you've repaid me, denied me and betrayed me
He was bound to love you when he heard you sing...
Christine...

CHRISTINE/RAOUL:

Say you'll share with me one love, one lifetime
Say the word and I will follow you
Share each day with me, each night, each morning...

PHANTOM:

You will curse the day you did not do all that the Phantom asked of you!

MASQUERADE

ANDRE:

M'sieur Firmin!

FIRMIN:

M'sieur Andre!
Dear Andre, what a splendid party!

ANDRE:

The prologue to a bright new year!

FIRMIN:

Quite a night! I'm impressed!

ANDRE:

Well, one does one's best

ANDRE/FIRMIN:

Here's to us!

ANDRE:

The toast to all the city

FIRMIN:

What a pity that our Phantom can't be here!

CHORUS:

Masquerade! Paper faces on parade
 Masquerade! Hide your face, so the world will never find you!
 Masquerade! Every face a different shade
 Masquerade! Look around, there's another mask behind you!
 Flash of mauve, splash of puce
 Fool and king, ghoul and ghost
 Green and black, queen and priest
 Trace of rouge, face of beast
 Faces, take your turn, take a ride
 On the merry-go-round in an inhuman race
 Eye of gold, thigh of blue
 True is false, who is who?
 Curl of lip, swirl of gown
 Ace of hearts, face of clown
 Faces, drink it in, drink it up,
 Till you've drowned in the light in the sound

But who can name the face

Masquerade! Grinning yellows, spinning reds
 Masquerade! Take your fill, let the spectacle astound you!
 Masquerade! Burning glances, turning heads
 Masquerade! Stop and stare at the sea of smiles around you!
 Masquerade! Seething shadows, breathing lies
 Masquerade! You can fool and friend who ever knew you!
 Masquerade! Leering satyrs, peering eyes
 Masquerade! Run and hide but a face will still pursue you!

COMPANY:

What a night!
 What a crowd!
 Makes you glad!
 Makes you proud!
 All the creme de la creme!
 Watching us watching them!
 And all our fears are in the past!
 Three months ...
 Of relief!

Of delight!
Of Elysian peace!
And we can breathe at last!

No more notes!
>No more ghosts!
Here's a health!
Here's a toast to a prosperous year!
To our friends who are here!
And may its splendour never fade!
Three months!
What a joy!
What a change!
What a blessed release!
And what a masquerade!

CHRISTINE:
Think of it! A secret engagement! Look, your future bride! Just think of it!

RAOUL:
But why is it secret? What have we to hide? You promised me.

CHRISTINE:
No, Raoul. Please don't, they'll see.

RAOUL:
Well then let them see. It's an engagement, not a crime!
Christine, What are you afraid of?

CHRISTINE:
Let's not argue...

RAOUL:
Let's not argue...

CHRISTINE:
Please pretend...

RAOUL:
I can only hope I'll...

CHRISTINE:
You will...

BOTH:

...understand in time

ALL:

Masquerade! Paper faces on parade!

Masquerade! Hide your face, so the world will never find you!

Masquerade! Every face a different shade!

Masquerade! Look around, there's another mask behind you!

Masquerade! Burning glances! turning heads

Masquerade! Stop and stare at the sea of smiles around you!

Masquerade! Grinning yellows, spinning reds

Masquerade! Take your fill, let the spectacle astound you!

WHY SO SILENT

PHANTOM:

Why so silent, good monsieurs? Did you think that I had left you for good?

Have you missed me, good monsieurs? I have written you an opera!

Here I bring the finished score, Don Juan Triumphant!

Fondest greetings to you all! A few instructions just before rehearsal starts

Carlotta must be taught to act, not her normal trick of strutting round the stage

Our Don Juan must lose some weight, it's not healthy in a man of Piangi's age

And my managers must learn that their place is in an office, not the arts

As for our star, Miss Christine Daaé...

No doubt she'll do her best. It's true her voice is good

She knows, though, should she wish to excel she has much still to learn,

If pride will let her return to me, her teacher, her teacher...

Your chains are still mine! You belong to me!

MADAME GIRY'S TALE/THE FAIRGROUND

RAOUL:

Madame Giry. Wait!

GIRY:

Please, Monsieur, I don't know more than anyone else.

RAOUL:

That's not true.

GIRY:

Monsieur, don't ask. There have been too many accidents.

RAOUL:

Accidents?! Please, Madame Giry, for all our sakes.

GIRY:

Very well. It was years ago. There was a travelling fair in the city, Gypsies. I was very young, studying to be a ballerina, one of many living in the dormitory of the opera house.

I hid him from the world and its cruelties. He has known nothing else of life since then.

As if this opera house, it was his playground and, now, his artistic domain. He's a genius. He's an architect and designer. He's a composer and a magician. A genius, monsieur.

RAOUL:

Clearly, Madame Giry, genius has turned to madness.

JOURNEY TO THE CEMETERY

CHRISTINE:

To my father's grave, please.

In sleep he sang to me, in dreams he came
That voice which calls to me and speaks my name...

Little Lotte thought of everything and nothing
Her Father promised her that he would send her the Angel of Music
Her father promised her... Her father promised her...

WISHING YOU WERE SOMEHOW HERE AGAIN

CHRISTINE:

You were once my one companion. You were all that mattered
You were once a friend and father then my world was shattered

Wishing you were somehow here again, wishing you were somehow
near

Sometimes it seemed, if I just dreamed, somehow you would be here

Wishing I could hear your voice again, knowing that I never would

Dreaming of you won't help me to do all that you dreamed I could...

Passing bells and sculpted angels, cold and monumental
Seem, for you, the wrong companions, you were warm and gentle...
Too many years fighting back tears...
Why can't the past just die?

Wishing you were somehow here again, knowing we must say goodbye
Try to forgive, teach me to live, give me the strength to try!
No more memories, no more silent tears
No more gazing across the wasted years
Help me say goodbye. Help me say goodbye!

WANDERING CHILD

PHANTOM:
Wandering child, so lost, so helpless, yearning for my guidance

CHRISTINE:
Angel or father? Friend or phantom? Who is it there, staring?

PHANTOM:
Have you forgotten your Angel?

CHRISTINE:
Angel, oh, speak! What endless longings echo in this whisper!

PHANTOM:
Too long you've wandered in winter, far from my fathering gaze

CHRISTINE:
Wildly my mind beats against you...

PHANTOM:
You resist...

BOTH:
...Yet the (your) soul obeys

PHANTOM:
Angel of Music! You denied me, turning from true beauty
Angel of Music! Do not shun me! Come to your strange Angel!

CHRISTINE:
Angel of Music! I denied you, turning from true beauty

Angel of Music! My protector! Come to me, strange Angel!

PHANTOM:

I am your Angel of Music...

Come to me, Angel of Music...

RAOUL:

No, Christine! Wait!

CHRISTINE:

Raoul!

RAOUL:

Whatever you may believe, this man, this thing is not your father!

THE SWORDFIGHT

CHRISTINE:

No, Raoul! No, not like this.

PHANTOM:

Now let it be war upon you both!

WE HAVE ALL BEEN BLIND

RAOUL:

We have all been blind and yet the answer is staring us in the face
This could be the chance to ensnare our clever friend

ANDRE:

We're listening

FIRMIN:

Go on.

RAOUL:

We shall play his game, perform his work, but remember we hold the ace
For if Miss Daaé sings, he is certain to attend

ANDRE:

We make certain the doors are barred

FIRMIN:

We make certain the police are there

RAOUL:

We are certain they're armed

RAOUL/ANDRE/FIRMIN:

The curtain falls, his reign will end!

CHRISTINE:

Raoul, I'm frightened, don't make me do this
It scares me, don't put me through this ordeal by fire
He'll take me, I know. We'll be parted for ever. He won't let me go
What I once used to dream I now dread. If he finds me, it won't ever end
And he'll always be there, singing songs in my head
He'll always be there, singing songs in my head...

RAOUL:

You said yourself he was nothing but a man
Yet while he lives, he will haunt us till we're dead

CHRISTINE:

Twisted every way, what answer can I give?
Am I to risk my life to win the chance to live?
Can I betray the man who once inspired my voice?
Do I become his prey? Do I have any choice?
He kills without a thought, he murders all that's good
I know I can't refuse and yet, I wish I could. Oh God, if I agree,
What horrors wait for me in this, the Phantom's opera?

RAOUL:

Christine, Christine, don't think that I don't care
But every hope and every prayer rests on you now

PHANTOM'S VOICE:

Seal my fate tonight. I hate to have to cut the fun short
But the joke's wearing thin, let the audience in, let my opera begin!

DON JUAN

CHORUS:

Here the sire may serve the dam,
Here the master takes his meat!
Here the sacrificial lamb butters one despairing bleat!

CARLOTTA AND CHORUS:

Poor young maiden! For the thrill on your tongue of stolen sweets
 You will have to pay the bill, tangled in the winding sheets!
 Serve the meal and serve the maid! Serve the master so that,
 When tables, plans and maids are laid, Don Juan triumphs once again!

DON JUAN:

Passarino, faithful friend, once again recite the plan.

PASSARINO:

Your young guest believes I'm you. I, the master, you, the man.

DON JUAN:

When you met you wore my cloak, she could not have seen your face.
 She believes she dines with me, in her master's borrowed place!
 Furtively, we'll scoff and quaff, stealing what, in truth, is mine.
 When it's late and modesty starts to mellow, with the wine

PASSARINO:

You come home! I use your voice, slam the door like crack of doom!

DON JUAN:

I shall say, "come hide with me! Where, oh, where? Of course, my room!"

PASSARINO:

Poor thing hasn't got a chance!

DON JUAN:

Here's my hat, my cloak and sword.
 Conquest is assured, if I do not forget myself and laugh

AMINTA:

No thoughts within her head, but thoughts of joy!
 No dreams within her heart but dreams of love!

PASSARINO:

Master?

PHANTOM:

Passarino, go away, for the trap is set and waits for its prey!

THE POINT OF NO RETURN

PHANTOM:

You have come here in pursuit of your deepest urge,

In pursuit of that wish, which till now has been silent, silent...

I have brought you, that our passions may fuse and merge
In your mind you've already succumbed to me,
Dropped all defenses, completely succumbed to me
Now you are here with me, no second thoughts, you've decided, decided...

Past the point of no return, no backward glances
Our games of make believe are at an end
Past all thought of "if" and "when," no use resisting
Abandon thoughts, and let the dream descend
What raging fire shall flood the soul? What rich desire unlock its door?
What sweet seduction lies before us?

Past the point of no return, the final threshold
What warm, unspoken secrets will we learn?
Beyond the point of no return...

CHRISTINE:

You have brought me to that moment where words run dry,
To that moment where speech disappears into silence, silence...

I have come here, hardly knowing the reason why
In my mind, I've already imagined our bodies entwining,
Defenceless and silent, and now I am here with you
No second thoughts, I've decided, decided...

Past the point of no return, no going back now
Our passion play has now, at last, begun
Past all thought of right or wrong, one final question
How long should we two wait, before we're one?
When will the blood begin to race, the sleeping bud burst into bloom?
When will the flames, at last, consume us?

Past the point of no return, the final threshold
The bridge is crossed, so stand and watch it burn
We've passed the point of no return...

PHANTOM:

Say you'll share with me one love, one lifetime
Lead me, save me from my solitude
Say you want me with you, here beside you
Anywhere you go let me go too

Christine, that's all I ask of...

DOWN ONCE MORE/TRACK DOWN THIS MURDERER

PHANTOM:

Down once more to the dungeon of my black despair!

Down we plunge to the prison of my mind!

Down that path into darkness deep as hell!

Why, you ask, was I bound and chained to this cold and dismal place?

Not for any mortal sin, but the wickedness of my abhorrent face!

MOB:

Track down this murderer! He must be found!

Track down this murderer! He must be found!

PHANTOM:

Hounded out by everyone! Met with hatred everywhere!

No kind word from anyone! No compassion anywhere!

Christine... Why, why?

GIRY:

Your hand at the level of your eyes!

RAOUL:

...At the level of your eyes...

MOB:

Your hand at the level of your eyes!

GIRY:

This is as far as I dare go.

RAOUL:

Thank you.

CHRISTINE:

Have you gorged yourself at last, in your lust for blood?

Am I now to be prey to your lust for flesh?

PHANTOM:

That fate, which condemns me to wallow in blood

Has also denied me the joys of the flesh

This face, the infection which poisons our love

This face, which earned a mother's fear and loathing

A mask, my first unfeeling scrap of clothing

Pity comes too late, turn around and face your fate
An eternity of this before your eyes!

CHRISTINE:

This haunted face holds no horror for me now
It's in your soul that the true distortion lies

PHANTOM:

Wait! I think, my dear, we have a guest!
Sir, this is indeed an unparalleled delight!
I had rather hoped that you would come
And now my wish comes true, you have truly made my night!

RAOUL:

Free her! Do what you like, only free her!
Have you no pity?

PHANTOM:

Your lover makes a passionate plea!

CHRISTINE:

Please, Raoul, it's useless

RAOUL:

I love her! Does that mean nothing?

PHANTOM:

The world showed no compassion to me!

RAOUL:

Christine, Christine... Let me see her

PHANTOM:

Be my guest, sir

Monsieur, I bid you welcome!
Did you think that I would harm her?
Why should I make her pay for the sins which are yours?

Order your fine horses now!
Raise up your hand to the level of your eyes!
Nothing can save you now except perhaps Christine
Start a new life with me
Buy his freedom with your love!

Refuse me, and you send your lover to his death!
This is the choice
This is the point of no return!

CHRISTINE:
The tears I might have shed for your dark fate
Grow cold, and turn to tears of hate...

RAOUL:
Christine, forgive me, please forgive me
I did it all for you, and all for nothing

CHRISTINE:
Farewell, my fallen idol and false friend
We had such hopes, but now these hopes lie murdered

PHANTOM:
Too late for turning back, too late for prayers and useless pity

RAOUL:
Say you love him, and my life is over!

PHANTOM:
Past all hope of cries for help, no point in fighting

RAOUL:
Either way you choose, he has to win!

PHANTOM:
For either way you choose, you cannot win!
So, do you end your days with me, or do you send him to his grave?

RAOUL:
Why make her lie to you, to save me?

CHRISTINE:
Angel of Music...

PHANTOM:
Past the point of no return

RAOUL:
For pity's sake, Christine, say no!

CHRISTINE:

...why this torment?

PHANTOM:
...the final threshold...

RAOUL:
Don't throw your life away for my sake

CHRISTINE:
Why do you curse mercy?

PHANTOM:
His life is now the prize which you must earn!

RAOUL:
I fought so hard to free you

CHRISTINE:
Angel of Music...

PHANTOM:
You've passed the point of no return

CHRISTINE:
...you deceived me. I gave you my mind blindly

PHANTOM:
You try my patience, make your choice!

CHRISTINE:
Pitiful creature of darkness, what kind of life have you known?
God, give me courage to show you you are not alone...

MOB:
Track down this murderer - he must be found!
Who is this monster, this murdering beast?
Hunt out this animal, who runs to ground!
Revenge for Piangi! Revenge for Buquet!
Too long he's preyed on us but now we know
The Phantom of the Opera is there, deep down below

PHANTOM:
Take her... Forget me... Forget all of this... Leave me alone... Forget all
you've seen...

Go now... don't let them find you! Take the boat... Swear to me never to tell

The secret you know of the angel in hell! Go... Go now, go now and leave me!

Masquerade... Paper faces on parade
Masquerade... Hide your face, so the world will never find you...

Christine, I love you...

CHRISTINE:
Say you'll share with me, one love, one lifetime

RAOUL:
Say the word and I will follow you...

CHRISTINE:
Share each day with me each night, each morning...

PHANTOM:
You alone can make my song take flight
It's over now, the music of the night...

LEARN TO BE LONELY
(End Title Credits sung by Minnie Driver)

Child of the wilderness, born into emptiness
Learn to be lonely, learn to find your way in darkness
Who will be there for you, comfort and care for you

Learn to be lonely, learn to be your one companion

Never dreamed out in the world there are arms to hold you
You've always known your heart was on its own

So laugh in your loneliness, child of the wilderness
Learn to be lonely, learn how to love life that is lived alone

Learn to be lonely, life can be lived, life can be loved alone

[Six Months Later]

August 21

Why so silent, good mademoiselle? Did you think that I had left you for good?

Have you missed me, good mademoiselle? I have written you an opera!
Here I bring the finished score, Don Juan Triumphant!

Let us sing of masques and mirrors
Of phantoms and reflections.
Let us reveal and reveil truth and beauty
As we rekindle our affections.

When last we left ourselves
Perdita has spitefully removed
The Phantom's clever mask
And a midlife crisis had accused.

And in disgust she fled
Having discovered his true identity.
Wanting him to find her the next day,
Expecting a poetic impossibility.

For as the Phantom he was cast
Seducer, genius... but madman!
And the poetry was quite clear
Entr'acte - six months! - was the plan.

This solution was so poetic
It appealed to Phantom's scheming mind.
But patience was not his virtue
So he abbreviated the required time.

Cleverly lifting a conceit from the Bard
 It was Time itself that would be the fix.
 And so, as Time in Winter's Tale has done,
 In days as months, ten plus six

I, that please some, try all, both joy and terror
 Of good and bad, that makes and unfolds error,
 Now take upon me, in the name of Time,
 To use my wings. Impute it not a crime
 To me or my swift passage, that I slide
 O'er sixteen years and leave the growth untried
 Of that wide gap, since it is in my power
 To o'erthrow law and in one self-born hour
 To plant and o'erwhelm custom. Let me pass
 The same I am, ere ancient'st order was
 Or what is now received: I witness to
 The times that brought them in; so shall I do
 To the freshest things now reigning and make stale
 The glistening of this present, as my tale
 Now seems to it. Your patience this allowing,
 I turn my glass and give my scene such growing
 As you had slept between: Leontes leaving,
 The effects of his fond jealousies so grieving
 That he shuts up himself, imagine me,
 Gentle spectators, that I now may be
 In fair Bohemia, and remember well,
 I mentioned a son o' the king's, which Florizel
 I now name to you; and with speed so pace
 To speak of Perdita, now grown in grace
 Equal with wondering: what of her ensues
 I list not prophecy; but let Time's news
 Be known when 'tis brought forth.
 A shepherd's daughter,
 And what to her adheres, which follows after,
 Is the argument of Time. Of this allow,
 If ever you have spent time worse ere now;
 If never, yet that Time himself doth say
 He wishes earnestly you never may.
 For sixteen days she would starve
 But never alone and never ignored

With morsels of inspiration
Her appetite he would wet.

Assuring her of his return,
Though no sense when or whither
She would stay true,
And would not meet another.

But wait! That's not how the story goes
For Phantom is so sad and tragic.
The impossible is always achievable
With a bit of artistic magic...

So, lest you imagine this shall end in tears,
And in the end be made a fool.
I will confide in you the secret twist
For you, I am both Phantom and Raoul.

Now, with that mystery made plain
Let us consider what comes next
What does the audience desire?
More teasing? Or more sex?

Of sex be not afraid
I will not your reputation stain
For now I am content to wait.
My virgin whore you shall remain.

And in love, we speak,
In the original sense, erotic.
That search for the impossible,
To know our limits, rare and exotic.

And what of this Don Juan Triumphant?
What poetry within deception,
In schemes and games and lies?
Are we but the common seduction?

Consider it... a vignette of what we are not.
For I do not lead, and you are not lead.
In lead there is no reflection,
No understanding of things unsaid.

Nonetheless, from this great lover
 A lesson might learned
 Of living without appeal
 And loving with the absurd.

As mere human beings,
 We must know our limitations.
 To realize our impossible dreams
 And in so doing, exceed all expectations.

In this life, forever here and now
 Without hope for the future
 Without regret for the past
 Let us in the present adventure.

And in this spirit of living,
 Let us this awkward silence end
 Fuck poetry and entr'acte!
 Let our broken hearts simply mend.

Return with me, from when we came.
 I a simple poet, and you my muse
 In pursuit of your deepest urge.
 Never again Our Poetry to abuse.

Did I not say our Phantom
 Was impatient as forever
 But let him continue his scheme
 For it really is quite clever.

A secret engagement!
 A secret from... our selves!
 That he may save the day
 And make what is all good end well.

And so in sixteen days
 Less four already done
 He shall unveil his Opera!
 And your heart he will have won.

Alack, what poverty my Muse brings forth,
 That having such a scope to show her pride,
 The argument all bare is of more worth

Than when it hath my added praise beside!
 O, blame me not, if I no more can write!
 Look in your glass, and there appears a face
 That over-goes my blunt invention quite,
 Dulling my lines and doing me disgrace.
 Were it not sinful then, striving to mend,
 To mar the subject that before was well?
 For to no other pass my verses tend
 Than of your graces and your gifts to tell;
 And more, much more, than in my verse can sit
 Your own glass shows you when you look in it.

Sonnet 103

DANIEL:

You have come here in pursuit of your deepest urge,
 In pursuit of that wish, which till now has been silent, silent...

I have brought you, that our passions may fuse and merge
 In your mind you've already succumbed to me,
 Dropped all defenses, completely succumbed to me
 Now you are here with me, no second thoughts, you've decided, decided...

Past the point of no return, no backward glances
 Our games of make believe are at an end
 Past all thought of "if" and "when," no use resisting
 Abandon thoughts, and let the dream descend
 What raging fire shall flood the soul? What rich desire unlock its door?
 What sweet seduction lies before us?

Past the point of no return, the final threshold
 What warm, unspoken secrets will we learn?
 Beyond the point of no return...

PERDITA:

You have brought me to that moment where words run dry,
 To that moment where speech disappears into silence, silence...

I have come here, hardly knowing the reason why
 In my mind, I've already imagined our bodies entwining,
 Defenceless and silent, and now I am here with you
 No second thoughts, I've decided, decided...

Past the point of no return, no going back now
 Our passion play has now, at last, begun
 Past all thought of right or wrong, one final question
 How long should we two wait, before we're one?
 When will the blood begin to race, the sleeping bud burst into bloom?
 When will the flames, at last, consume us?

Past the point of no return, the final threshold
 The bridge is crossed, so stand and watch it burn
 We've passed the point of no return...

DANIEL:

Say you'll share with me one love, one lifetime
 Lead me, save me from my solitude
 Say you want me with you, here beside you
 Anywhere you go let me go too
 Perdita, that's all I ask of...

PHANTOM:

In sleep I sang to you, in dreams I came
 That voice which calls to you and speaks my name
 And do you dream again for now you find
 The Phantom of the Opera is there, inside your mind...

Sing once again with me, our strange duet
 My power over you grows stronger yet
 And though you turn from me to glance behind
 The Phantom of the Opera is there, inside your mind...

Those who have seen your face draw back in fear

I am the mask you wear...it's me they hear
 My spirit and your voice in one combined
 The Phantom of the Opera is there, inside your mind...

The Mirror

You are the mask I wear.
 Flattering child you shall know me,
 See why in shadow I hide!
 Look at your face in the mirror, I am there inside!

A story of particular facts is as a mirror which obscures and distorts that which should be beautiful; poetry is a mirror which makes beautiful that which is distorted.

Absinthe is the aphrodisiac of the soul. The green fury who lives in the absinthe wants your soul. But you are safe with me.

Perdita is not a random victim attacked by mere accident, do you understand? No, she is the willing recruit, a breathless follower, a wanton follower, I dare say, a devoted disciple and the devil's concubine, do you understand me? Yet we may still save her precious soul but not on an empty stomach. I starve, feed me.

My lady of the sun rises again in the east
Another successful journey through the night.
My soul returns to me in time for the feast
We rejoice as she recovers from her flight.

I need not wonder where she wandered
For by now my soul doth know the way
Through the demon haunted dread
She remembers how to come forth by day

Toward truth and beauty she flies
Her champagne hair blows in the breeze

Returning as the summer dies,
Our fields are ripe with fruit.

The lady of the sun rises from madness and finds her sanity.
In time, as always, here at the dawn of our eternity.

My sun child has gone yet to the deepest part of hell.
I saw her dancing last, playing in the rays of light.
Dappled on the morning's smile, it suited her so well.
She was carefree when I saw her last.

Each movement cast in springs of light.
Where has she gone? Wilt you please tell me?
Each moment caught in special love not even at its height.
I find my fields are empty.

My shoes are empty.
My bed is full but I dream only of her honey locks.
My heart is empty.
I find the light of August has died.

And now I know the sun child is lost to the night...
And you with your dewy lips, know we have yet to reach the light.

Leda

A sudden blow: the great wings beating still
Above the staggering girl, her thighs caressed
By the dark webs, her nape caught in his bill,
He holds her helpless breast upon his breast.
How can those terrified vague fingers push
The feathered glory from her loosening thighs?

And how can body, laid in that white rush,
 But feel the strange heart beating where it lies?
 A shudder in the loins engenders there
 The broken wall, the burning roof and tower
 And Agamemnon dead.
 Being so caught up,
 So mastered by the brute blood of the air,
 Did she put on his knowledge with his power
 Before the indifferent beak could let her drop?

ASTRAEA (Astraia), a daughter of Zeus and Themis, or according to others, of Astraeus by Eos. During the golden age, this star-bright maiden lived on earth and among men, whom she blessed ; but when that age had passed away, Astraea, who tarried longest among men, withdrew, and was placed among the stars.

August 31

Hail, virgin, if you be; as those cheek-roses proclaim you are no less!

Our doubts are traitors,
And make us lose the good we oft might win
By fearing to attempt. Go to Lord Angelo,
And let him learn to know, when maidens sue,
Men give like gods; but when they weep and kneel,
All their petitions are as freely theirs
As they themselves would owe them.

"I am come to know your pleasure"

"I had rather give my body than my soul"

"Your sense pursues not mine: either you are ignorant or seem so, craftily, and that's not good"

ANGELO.

Nay, women are frail too.

ISABELLA.

Ay, as the glasses where they view themselves;
Which are as easy broke as they make forms.
Women! Help heaven! men their creation mar
In profiting by them. Nay, call us ten times frail;
For we are soft as our complexions are,

And credulous to false prints.

I have begun,
And now I give my sensual race the rein:
Fit thy consent to my sharp appetite;
Lay by all nicety and prolixious blushes
That banish what they sue for

If I must die,
I will encounter darkness as a bride
And hug it in mine arms.

This night's the time
That I should do what I abhor to name,
Or else thou diest to-morrow.

I have no superfluous leisure; my stay must be stolen out of
other affairs; but I will attend you awhile.

And now, dear maid, be you as free to us.

Dear Isabel,
I have a motion much imports your good;
Whereto if you'll a willing ear incline,
What's mine is yours, and what is yours is mine:—
So, bring us to our palace; where we'll show
What's yet behind that's meet you all should know.

Good night.—
This deed unshapes me quite, makes me unpregnant,
And dull to all proceedings. A deflower'd maid!
And by an eminent body that enforced
The law against it!—But that her tender shame
Will not proclaim against her maiden loss,
How might she tongue me? Yet reason dares her—no:
For my authority bears a so credent bulk,
That no particular scandal once can touch
But it confounds the breather. He should have liv'd,
Save that his riotous youth, with dangerous sense,
Might in the times to come have ta'en revenge,
By so receiving a dishonour'd life
With ransom of such shame. Would yet he had liv'd!

Alack, when once our grace we have forgot,
Nothing goes right; we would, and we would not.

women are light at midnight.

I love you.

Daniel 8/29/06 10:39 PM

What have you been doing?

Perdita Caroline Woodley 8/29/06 10:39 PM

I couldn't sleep.

Daniel 8/29/06 10:39 PM

Why not?

8/29/06 10:39 PM

Because you didn't say goodnight? ^^

Perdita Caroline Woodley 8/29/06 10:39 PM

Unease, nervous, not sure.

Daniel 8/29/06 10:40 PM

Why uneasy and nervous?

Perdita Caroline Woodley 8/29/06 10:40 PM

Got about 3 hours, isn't too bad.

Daniel 8/29/06 10:40 PM

Excited about tomorrow?

8/29/06 10:40 PM

Er... this evening?

Perdita Caroline Woodley 8/29/06 10:40 PM

you mean today?

Daniel 8/29/06 10:40 PM

Yes, rather.

8/29/06 10:41 PM

You okay?

Perdita Caroline Woodley 8/29/06 10:41 PM

Yes, are you?

Daniel 8/29/06 10:42 PM

I am very very very good.

Perdita Caroline Woodley 8/29/06 10:42 PM

yes?

Daniel 8/29/06 10:42 PM

Yes!

8/29/06 10:42 PM

You should be as well, I think!

Perdita Caroline Woodley 8/29/06 10:43 PM

smiles.

Daniel 8/29/06 10:43 PM

This time tomorrow, you won't be a virgin anymore...

8/29/06 10:44 PM

Surely you are excited about this?

8/29/06 10:45 PM

You have been going on and on and on about it for months...

Perdita Caroline Woodley 8/29/06 10:45 PM

I think i'm just nervous, ok?

Daniel 8/29/06 10:45 PM

Understandable.

8/29/06 10:46 PM

But, you are brave.

Perdita Caroline Woodley 8/29/06 10:46 PM

Daniel 8/29/06 10:46 PM

Hmm?

You tummy aches for Kent?

Perdita Caroline Woodley 8/29/06 10:46 PM

how cruel I was to make them worry..

Daniel 8/29/06 10:47 PM

How creepy.

Perdita Caroline Woodley 8/29/06 10:47 PM

going for a nightcap, some gin should help knock me out I pray...

Daniel 8/29/06 10:48 PM

Is that really such a good idea?

Perdita Caroline Woodley 8/29/06 10:48 PM

why not?

Daniel 8/29/06 10:48 PM

If you like.

Perdita Caroline Woodley 8/29/06 10:48 PM

Maybe you're right.

8/29/06 10:48 PM

I'm just short on ideas.

Daniel 8/29/06 10:49 PM

Tell me whats on your mind?

8/29/06 10:49 PM

I won't judge... just listen.

8/29/06 10:49 PM

Sometimes is good to just empty it before you sleep...

Perdita Caroline Woodley 8/29/06 10:50 PM

I think I may well now of woken up for good...Perhaps i'll go play my harp.

Daniel 8/29/06 10:50 PM

How unfortunate...

8/29/06 10:50 PM

Now I cannot spend the whole day with you.

Perdita Caroline Woodley 8/29/06 10:50 PM

why?

Daniel 8/29/06 10:50 PM

Well, I will sleep soon...

8/29/06 10:51 PM

And you will pursue your day...

8/29/06 10:51 PM

Wondering and worrying.

Perdita Caroline Woodley 8/29/06 10:51 PM

I think i'm being silly.

Daniel 8/29/06 10:52 PM

How so?

Perdita Caroline Woodley 8/29/06 10:52 PM

I don't know, worrying over such matters seems childish

Daniel 8/29/06 10:52 PM

Hardly... it is very much the transformation from child to adult.

8/29/06 10:53 PM

You may choose childishly, of course...

8/29/06 10:53 PM

But I could also argue that worrying is childish.

8/29/06 10:54 PM

I, for instance, hardly ever worry.

8/29/06 10:54 PM

The future seems to care for itself without me.

8/29/06 10:54 PM

I just focus on the here and the now.

Perdita Caroline Woodley 8/29/06 10:54 PM

You always argue every side, I don't much care for it.

Daniel 8/29/06 10:54 PM

smiles

8/29/06 10:55 PM

It isn't like there is a right answer.

Perdita Caroline Woodley 8/29/06 10:55 PM

I know.

Daniel 8/29/06 10:55 PM

At least not an objective one.

8/29/06 10:55 PM

There is doubtless a right answer for "you"

8/29/06 10:55 PM

And there is a right answer for "us"

8/29/06 10:55 PM

But even those answers are not black and white.

8/29/06 10:57 PM

And if you choose poorly...

8/29/06 10:57 PM

Then that is a challenge for your future self to deal with.

8/29/06 10:58 PM

Would you like me to tell you what to do?

8/29/06 10:59 PM

(since you don't seem to want to actually discuss it)

Perdita Caroline Woodley 8/29/06 11:00 PM

ok

Daniel 8/29/06 11:00 PM

ok?

8/29/06 11:00 PM

Ok, you want me to tell you what to do?

8/29/06 11:02 PM

Don't walk in front of me, I may not follow. Don't walk behind me, I may not lead. There is only one happiness in life, to love and be loved.

8/29/06 11:02 PM

- George Sand

8/29/06 11:02 PM

Likewise,

8/29/06 11:02 PM

"I regard as a mortal sin not only the lying of the senses in matters of love, but also the illusion which the senses seek to create where love is only partial. I say, I believe, that one must love with all of one's being, or else live,

come what may, a life of complete chastity. ”

8/29/06 11:02 PM

(also George Sand)

8/29/06 11:03 PM

I am on a bit of a George Sand binge, very much wishing I could read French tonight...

8/29/06 11:03 PM

”He who draws noble delights from sentiments of poetry is a true poet, though he has never written a line in all his life. ”

8/29/06 11:04 PM

So that is my wisdom from here and now...

Perdita Caroline Woodley 8/29/06 11:05 PM

It is a pity it is not your own.

Daniel 8/29/06 11:05 PM

You didn't actually think I was going to tell you what to do, did you?

Perdita Caroline Woodley 8/29/06 11:05 PM

Not for a second.

Daniel 8/29/06 11:05 PM

I could give you my own wisdom...

8/29/06 11:05 PM

but you would believe it tainted with self.

Perdita Caroline Woodley 8/29/06 11:06 PM

Yes that is fair enough.

8/29/06 11:07 PM

Do you feel it..?

Daniel 8/29/06 11:08 PM

Feel it?

8/29/06 11:08 PM

Your anxiety?

Perdita Caroline Woodley 8/29/06 11:08 PM

Do you feel ”me”

Daniel 8/29/06 11:08 PM

Yes... I feel ”you”

8/29/06 11:09 PM

Well, what is left of ”you”

8/29/06 11:09 PM

smiles sweetly

Perdita Caroline Woodley 8/29/06 11:09 PM

Can you ever truly know ”me”? Or merely is it to the degree and perception I provide?

8/29/06 11:09 PM

This is what I often wonder.

Daniel 8/29/06 11:10 PM

It is a wise wonder.

8/29/06 11:10 PM

For everyone else perceives you as you will them to...

Perdita Caroline Woodley 8/29/06 11:10 PM

It is one you cannot answer, not really.

Daniel 8/29/06 11:11 PM

I disagree.

8/29/06 11:11 PM

I cannot answer it now, not here.

8/29/06 11:12 PM

You could be extraordinarily clever - deceptions of deceptions.

8/29/06 11:12 PM

I believe you have the aptitude for such evil.

8/29/06 11:12 PM

(That was a compliment, believe it or not)

Perdita Caroline Woodley 8/29/06 11:12 PM

I should know...For it is myself my being in question, however it has become somewhat blurred.

Daniel 8/29/06 11:13 PM

It is difficult to apprehend yourself without a mirror.

8/29/06 11:13 PM

And even then, everything is precisely opposite, isn't it?

Perdita Caroline Woodley 8/29/06 11:13 PM

My sense of...Self being.

Daniel 8/29/06 11:13 PM

This "knowing yourself" is what monks spend lifetimes pursuing.

8/29/06 11:14 PM

I am less interested in it these days.

8/29/06 11:14 PM

My self is so maleable...

Perdita Caroline Woodley 8/29/06 11:14 PM

You misunderstand me.

Daniel 8/29/06 11:14 PM

I am more interested in "being myself"

8/29/06 11:14 PM

I do not think I have misunderstood at all.

Perdita Caroline Woodley 8/29/06 11:15 PM

What is sad is that you have..

8/29/06 11:15 PM

Which is why I sometimes wonder...

Daniel 8/29/06 11:15 PM

Explain, if you like...

8/29/06 11:17 PM

I think that you are who you will to be...

8/29/06 11:17 PM

If you wish to exist only with me... then you shall.

8/29/06 11:17 PM

If you wish to exist as your self... that is fine too.

8/29/06 11:18 PM

As for "me", well, I never really existed before I met you.

8/29/06 11:18 PM

I am the one who loves you.

8/29/06 11:19 PM

That is who I will to be. That is my sense of self being.

8/29/06 11:20 PM

And if you leave...

8/29/06 11:20 PM

Then I will be the one who loves you and was left.

8/29/06 11:21 PM

I enjoy our here and now.

8/29/06 11:22 PM

From here, the past is beautiful, and the future exciting.

Perdita Caroline Woodley 8/29/06 11:22 PM

I am in question, however this does not mean that I am attempting to know myself, the question is one to myself if "you" are able to or not, it is yourself in question and the degree to which you are able to comprehend me as "myself" truly and one what depth and levels, or are they ones that I create, but can you answer this if I am unaware of the levels myself? Are they your levels or mine? Where is the line drawn? But even though the question is of "yourself" It is also of "myself" for I am unable to answer without contracting myself, if I were to answer it would suggest I knew your being, and yet that is what is in question! Can you answer? You say you never existed in this state until now, and so it is self created?

Daniel 8/29/06 11:24 PM

Would you like the philosophy or the poetry?

Perdita Caroline Woodley 8/29/06 11:26 PM

I do not actually need an answer.

Daniel 8/29/06 11:27 PM

Then let me say that I do... what is your answer?

8/29/06 11:30 PM

In truth, I think the answer to the question "philosophy or poetry" is the answer to your queries.

Perdita Caroline Woodley 8/29/06 11:30 PM

I think monks spend all that time trying to seek themselves and understand themselves. But I put this to you, I believe many people have indeed found enlightenment and know themselves as beings entirely they find and fully understand themselves. But what of another person? Has anyone known another person to this same degree? Has anyone ever known another person so fully to their very fibre that they become themselves? If you were to know someone so entirely would they not become you? I do not believe anyone has ever achieved this.

Daniel 8/29/06 11:32 PM

I do not believe that anyone has.

Perdita Caroline Woodley 8/29/06 11:32 PM

Why is that? We have been around for thousands of years, so why is that?

8/29/06 11:32 PM

I mean, the amount of people seeking to know themselves..

8/29/06 11:33 PM

And I think they have entirely been looking in the wrong place.

Daniel 8/29/06 11:33 PM

Well, you may as well as what was the universe doing before there were these seeking people...

8/29/06 11:34 PM

I believe that the universe... the universe itself... is seeking.

8/29/06 11:34 PM

That all this (waves arms) is the expression of that quest.

Perdita Caroline Woodley 8/29/06 11:34 PM

I mean...

Daniel 8/29/06 11:34 PM

And here we are... at the frontier of that quest...

8/29/06 11:35 PM

wondering... and discovering...

8/29/06 11:35 PM

That we do this through discourse and soon through intercourse...

8/29/06 11:36 PM

seems completely natural and beautiful to me.

Perdita Caroline Woodley 8/29/06 11:36 PM

Can the universe listen to a cell in its body? Everyone seeks to be sought, what if the universe itself longs to be sought, to be known, fully.

Daniel 8/29/06 11:36 PM

And that is our task, I think.

8/29/06 11:37 PM

The parts trying to know the whole.

Perdita Caroline Woodley 8/29/06 11:37 PM

I think it is a beautiful thing you know? The universe that is....I don't know if i've ever told you that.

Daniel 8/29/06 11:38 PM

Yes... you are.

Perdita Caroline Woodley 8/29/06 11:38 PM

...

Daniel 8/29/06 11:39 PM

"To see a world in a grain of sand, and a heaven in a wild flower. Hold infinity in the palm of your hand, and eternity in an hour"

CollarMe

I am seeking something beautiful, someone to give myself to fully, I want to be used and abused but safely, I want to submit and adore a master or mistress. I really do want to please...However I can be quite unwilling and naughty at times most likely because of my youth.

I'm seeking something...I just wish I knew what.

Made In Stone

Legend has it that the "maiden" of the Maiden Stone was the daughter of the laird of Balquhain. Upon her wedding day she entered into a wager with a handsome stranger, announcing that she could bake a large batch of bannocks before the stranger could build a road to the top of Bennachie. If the stranger won she would marry him. When the young man did indeed build the road before the bannocks were ready, she attempted to flee and the stranger, revealing himself to be the devil, grabbed her by the shoulder. As she wrenched away, she prayed to be turned to stone rather than be the

devil's bride. Her wish was granted, hence the Maiden stone, the gash in the stone is where the devil grabbed her shoulder.

The Maiden Stone can be viewed at any time. It stands at the side of an unclassified road about 7.25 km west of Inverurie, a little beyond Chapel of Garioch (pronounced GEAR-REE). On the A96 a little beyond the Inverurie by-pass take the minor road to your left (west) signposted for Chapel of Garioch. Head straight through and out of the village, a little further along the road you will see The Maiden Stone on the left side of the road. Parking is provided.

Daniel:

12:11:09

Isibella:

12:11:16

Isibella:

12:11:18

and got very very ill

Daniel:

12:11:35

probably didn't drink enough water

Isibella:

12:11:36

Isibella:

12:11:46

because he was near aspen and nearly died

Daniel:

12:11:56

Isibella:

12:12:01

he said it was!

Daniel:

12:12:07

snowmass is near aspen.

Daniel:

12:12:12

it begins with an s-

Daniel:

12:12:14

;))

Daniel:

12:12:22

It's about 4-5 hours away.

Daniel:

12:12:39

you can't die from altitude sickness

Isibella:

12:12:41

colorado sucks, people are designed to live at sea level I swear

Daniel:

12:12:50

mmhmm

Daniel:

12:12:52

then don't come

Isibella:

12:12:57

my fathers friend did while investigating a plane crash in the mountains

Isibella:

12:12:57

I wont

Daniel:

12:13:21

Colorado is the most beautiful place in the world I have been.

Daniel:

12:13:29

Maybe New Zealand is slightly prettier.

Daniel:

12:14:41

There are wonders and mysteries in these mountains that you strange lowlanders will never understand.

Daniel:

12:15:02

Your fear of high places prevents your from discovering the pinnacles of nature.

Isibella:

12:15:20

i've been up mountains, they are boring

Daniel:

12:15:46

It is not the mountains that are boring.

Daniel:

12:16:07

It is that you lack the spirit of adventure.

Isibella:

12:17:06

I mean teide was 3.717 m up, and I recall finding it impossible to breath, and I was just so dman glad to get back down to the waffle stand

Daniel:

12:17:16

You lack the joie de vivre of the wild, having been insulated in your box for so long.

Daniel:

12:18:15

It is all about being natural in your explorations.

Daniel:

12:18:27

It is unnatural to fly from sea level to 8,000 ft.

Isibella:

12:18:30

rolls her eyes

Isibella:

12:18:34

you are just damn weird

Daniel:

12:18:48

Yes, I am. But in a beautiful, magnificent way.

Isibella:

12:19:03

I don't much care for it

Daniel:

12:19:11

Of course not.

Daniel:

12:19:21

You are drunk in your parents house.

Daniel:

12:19:35

How could you possibly appreciate the beauty of wilderness?

Daniel:

12:24:36

You are lost in your box, forgetting to venture or even look outside it, heeding the warnings of those who also fear to leave, unable to appreciate the beauty of the universe around you.

dan@syzygyx.com12:29pmSurely you are not really afraid of Colorado?

Daniel: 11:06:07

I like you wild english and untamed...

Isibella: 11:06:30

I only tolerate your company because it pleases me more than you ever might know

Daniel: 11:06:37

Likewise.

Isibella: 11:06:41

I am the lioness who allows you to pet her above anyone else

Isibella: 11:07:06

because you greet me with similar wild eyes

Daniel: 11:07:27

I do enjoy pinning down the wild untamed beast...

Daniel: 11:07:51

subjecting her to unthinkable humiliations... and pleasures.

Daniel: 11:08:03

rare... and exotic.

Daniel: 11:09:09

I search for your limits... and am pleased when I do not find them.

Isibella: 11:09:48

I want you.

Isibella: 11:09:54

Because of who you are.

Isibella: 11:09:59

What you can do.

Isibella: 11:10:05

What I allow you to do.

Daniel: 11:10:22

And I want you.

Daniel: 11:10:37

Because of what you allow me to do...

Daniel: 11:10:52

Because of who I am with you.

Daniel: 11:11:08

Because of who you are with me.

Isibella: 11:11:28

I miss you..

Daniel: 11:11:33

You are perfect. As you are.

Isibella: 11:11:36

Oh God I miss you

Daniel: 11:11:58

Were I to look into that emotion... it would consume me.

Daniel: 11:12:26

I need you in my arms so intensely.

Daniel: 11:12:50

I live on vapors of passion from our last embrace.

Daniel: 11:13:25

Not even memories...

Daniel: 11:13:49

More like...

Daniel: 11:14:10

Like when people get amputated and they still feel their limbs...

Daniel: 11:14:26

My amputated soul.

Daniel: 11:14:35

You belong in me.

Isibella: 11:14:42

I need you..

Isibella: 11:14:48

Please come for me

Daniel: 11:15:04

As you wish.

Daniel: 11:15:28

I do enjoy coming for you ;)

Daniel: 11:15:48

But not nearly as much as I enjoy coming in you...

Isibella: 11:16:01

blushes

Isibella: 11:16:03

I liked that

Isibella: 11:16:48

I like you touching my insides, my very being where no one else is allowed to..

Daniel: 11:17:09

It is where I feel most at home.

Daniel: 11:17:21

Most alive and complete.

Isibella: 11:17:53

what did you feel..

Daniel: 11:18:44

That warmth and love not of comfort but of ecstatic energy...

Isibella: 11:19:07

did you feel alive?

Daniel: 11:19:37

I lived more in those moments than any have in any lifetime.

Daniel: 11:19:54

And I felt you.

Isibella: 11:20:22

did you feel like you achieved?

Daniel: 11:20:59

When your legs were over my shoulders and I was so ridiculously deep inside you...

Daniel: 11:21:09

I wanted more... to be closer and closer...

Isibella: 11:21:44

You got so deep that it hurt, you know?

Daniel: 11:22:21

It was definitely not a beginner position...

Daniel: 11:22:36

I did not respect any limits with you.

Isibella: 11:23:17

was I flexible?

Daniel: 11:23:19

I wanted to be inside you as far as possible

Daniel: 11:24:11

You were perfectly flexible.

Isibella: 11:24:16

smiles

Daniel: 11:24:34

You let me take you as I wanted.

Daniel: 11:25:15

As deep and as hard as I desired.

Isibella: 11:25:55

I wanted that, for you to take me as you desired

Daniel: 11:27:03

I could tell... your desire...

Daniel: 11:27:31

Your pleasure is my pleasure.

Isibella: 11:28:11

But God, I dream of you

Daniel: 11:28:20

And I knew, then as now, that I must have you with me always.

Isibella: 11:29:19

I want to pleasure you always

Isibella: 11:29:25

to be your ultimate desire

Isibella: 11:29:26

and more

Daniel: 11:30:02

You are.

Isibella: 11:30:09

no

Isibella: 11:30:11

I will be

Daniel: 11:30:20

You are my desire.

Daniel: 11:30:26

You will pleasure me all ways.

Daniel: 11:31:31

My need... my passion for you... is vast...

Daniel: 11:31:41

but pales beside your passion for me.

Isibella: 11:31:43

I wish I were there right now

Daniel: 11:31:45

And that is humbling.

Daniel: 11:33:27

I am not easily humbled.

Daniel: 11:34:38

You are perfect and I cannot help but love you with everything that I am.

Daniel: 11:36:01

And so... I do.

Daniel: 11:37:38

And now... I must go do impossible things.

Isibella: 11:37:49

ok

Isibella: 11:37:50

I love you

Isibella: 11:37:53

known that

Daniel: 11:38:05

I know that.

Daniel: 11:38:15

It is the only thing I really know.

Daniel: 11:38:46

All else is just refraction... like a rainbow...

2006-11-22

Daniel: 03:27:16

;))

Daniel: 04:18:09

I love you!

Daniel: 17:32:47

wink wink

Isibella: 17:33:01

*swoon

Daniel: 17:33:36

I love you more than I can possibly express.

Daniel: 17:33:58

It is frustrating that I am not with you.

Daniel: 17:34:36

But I know that this night shall end.

Daniel: 17:34:56

And if nothing else, I have learned patience from you.

Daniel: 18:07:31

;))

Daniel: 18:52:08

Sleeping?

Daniel: 18:52:21

Nighty night.

2006-11-23

Daniel: 08:44:51

Isibella: 08:45:05

because my flint diagrams were so breathtaking

Daniel: 08:45:11

ooh

Daniel: 08:45:12

yeah

Isibella: 08:45:23

I literally finished drawing the entire box in like 40 mins

Isibella: 08:45:26

in great detail

Isibella: 08:45:38

having scaled each one extra by 2, by eye

Isibella: 08:45:44

without a grid

Isibella: 08:45:55

when people were still on their second flints

Isibella: 08:45:59

so he let me go XD

Daniel: 08:46:06

fabulous.

Daniel: 08:49:58

So what will you do with your copious free time?

Isibella: 08:54:49

Isibella: 12:08:11

Isibella: 12:40:09

Daniel: 12:54:42

It is a sexy necklace.

Isibella: 12:55:35

yep

Isibella: 12:55:46

i'm going to be selling them amongst other things

Daniel: 12:56:19

Are you going to make them?

Isibella: 12:56:50

yes, they are made from several sets of strung blue beads with a counter weight

Daniel: 12:57:25

how fabulous

Daniel: 12:58:12

you should own babird.com as well.

Isibella: 12:58:24

I was going to grab it last night

Daniel: 12:58:30

They have a nice storefront on godaddy that I use for syzygyx.

Isibella: 12:58:31

Daniel: 12:58:43

<https://shop.syzygyx.com>

Daniel: 12:58:52

I'll buy it for you, if you like.

Isibella: 12:59:05

ha well I got a special code from fench maid tv that got me 50% off of my domain name on godaddy

Daniel: 12:59:14

I have a few dozen domains with godaddy

Daniel: 12:59:20

It cost like \$8

Isibella: 13:01:04

i'll buy it now, might aswell as I brought another hosting plan with no domain to go with

Daniel: 13:01:16

better hurry...

Daniel: 13:01:21

I'm one click away

Isibella: 13:01:27

eep

Daniel: 13:02:26

the store is pretty well done.

Daniel: 13:02:39

Isibella: 13:03:27

i've been plotting by myself for days

Daniel: 13:03:31

Isibella: 13:05:06

I should of snapped up a kasoul.com to match the babird XD

Isibella: 13:05:12

Daniel: 13:05:51

Will you bring me exotic fruit?

Isibella: 13:06:25

Daniel: 13:06:41

Isibella: 13:07:12

Daniel: 13:07:31

No, I really need juicy sweetness in my mouth.

Daniel: 13:07:55

That I may roll my tongue areound it.

Daniel: 13:08:07

Exploring it with all my taste buds.

Daniel: 13:10:44

When?

Daniel: 13:10:53

What is your scheme to befruit me?

Isibella: 13:11:00

Daniel: 13:27:39

Isibella: 13:27:43

no

Daniel: 13:29:48

How are you feeling about the QE2 scheme today?

Daniel: 13:32:50

That good?

Isibella: 13:43:34

yes

Daniel: 13:45:44

Want to talk about it?

Isibella: 13:49:59

mmm I have an essay to do but I find myself just sitting here

Isibella: 13:50:25

even though it is a really appealing easy title

Isibella: 13:51:17

"using evidence from 2 different times and/or places compare the nature and significance of religious practices."

Daniel: 14:01:48

simple enough

Daniel: 14:02:03

but I suppose your will isn't really in it?

Isibella: 14:06:32

translating hieroglyphs, very hard to think on it and type

Daniel: 14:06:50

all good

Daniel: 14:06:58

I am just pleased to know you are on this path.

Isibella: 14:07:03

i'm learning to do it visually minus transliterating

Daniel: 14:07:17

seems like a useful egyptological skill

Isibella: 14:07:36

luckily my visual memory is good at recognising individual pictures

Daniel: 14:07:50

I suspect you will be very good at it.

Isibella: 14:08:54

I can even write ya'll listen good in glyphs XD

Daniel: 14:09:22

How helpful.

Isibella: 14:09:55

yes, incase I meet any texas egyptologists

Daniel: 14:11:32

In Colorado, we don't like Texans. They are ostentatious and annoying.

Isibella: 14:13:37

oh my

Isibella: 14:13:59

lil ole me don't possibly know what to say about that

Daniel: 14:21:04
I want you here.
Daniel: 14:23:43
Tell me your scheme to please me?
Daniel: 14:25:45
waits patiently
Isibella: 14:26:14
she strikes her cat
Daniel: 14:26:22
?!
Daniel: 14:26:30
That doesn't please me at all.
Isibella: 14:27:12
the crocodile
Isibella: 14:27:15
worships her bird
Daniel: 14:28:43
A bit better.
Isibella: 14:37:22
the woman praises her sun
Daniel: 14:37:38
MUCH better
Isibella: 14:40:21
the man
Isibella: 14:40:28
catches his bird
Isibella: 14:59:02
Daniel I crave your advice when you are around
Daniel: 15:11:34
You do not!
Daniel: 15:11:39
Oh.
Daniel: 15:11:49
I see.
Daniel: 15:11:50
Yes.
Daniel: 15:11:52
Advice.
Daniel: 15:11:58
listens intently

Daniel: 15:12:34

smiles wisely

Daniel: 15:13:22

wonders curiously

Isibella: 15:25:29

oh

Daniel: 15:25:35

winks knowingly

Isibella: 15:25:36

for my essay, with the title

Isibella: 15:25:48

could I get away with talking about egypt at two different times

Daniel: 15:26:01

I think that's rather clever, actually.

Isibella: 15:26:07

or by saying time does it force me to talk about greece or somewhere

Daniel: 15:26:21

says and/or place

Daniel: 15:27:24

what times did you have in mind?

Daniel: 15:29:33

You could also compare/contrast North/South kingdom.

Daniel: 15:29:46

Er, Upper/Lower

Daniel: 15:29:57

Hm, Lower/Upper

Isibella: 15:36:45

early dynastic mastaba ceremonies to new kingdom ceremonies, ie the opening of the mouth and the festival of opet

Daniel: 15:41:58

compared with?

Daniel: 15:43:36

compared with actual pyramid builders?

Daniel: 15:45:15

It is interesting to me to read that the art inside the mastabas depicted everyday life in Egypt, whereas the pyramids showed royal life.

Isibella: 15:48:36

well it became seen as lowly to depict everyday acts for the god on earth

Isibella: 15:48:45

while nobles still had hunting scenes and so on

Isibella: 15:48:59

that is partly how we knew aye wasn't headed for king in the first place

Isibella: 15:49:07

as he had a hunting scene with his first wife in his tomb

Daniel: 15:49:22

which I think reflects on the religious practices...

Daniel: 15:50:48

It's curious that in earlier times, the culture would have been more concerned with everyone's fate after death. Later, it was all about pharaoh, but then later still, everyone could become an Osiris...

Isibella: 15:51:09

but it isn't a direct religious practice, it is more or less a change in what was popular in terms of tomb paintings, however something that is directly linked to religious practice, ie text, ie spells, could easily be compared

Isibella: 15:51:25

as we all know they change, just compare the pyramid texts to the coffin texts

Daniel: 15:51:45

well, burial practices are certainly large aspects of religion

Daniel: 15:52:11

especially in Egypt.

Isibella: 15:52:16

it was never all about pharaoh, only time you could place that would have been under akhenaten

Isibella: 15:53:01

hence why I would sue the opening of the mouth ceremony in answer to your earlier statement

Isibella: 15:53:55

the pyramid texts might well of been focused ont he pharaoh, but outside of that in terms of the overall religion the egyptians strongly had their own thing going on.

Isibella: 15:54:09

some of the best tombs are the early ones

Daniel: 15:54:41

I suppose the question is for whom the religion is for...

Daniel: 15:55:12

Did Pharaoh really believe as such, or was it simply a means of social control... opiate of the masses and such.

Isibella: 15:55:20

<http://www.babird.com/>

Isibella: 15:56:02

just mucking about to see what I can do, isn't it fun!

Daniel: 15:57:04

How clever you are.

Daniel: 15:58:21

You are really going to write that essay, are you?

Isibella: 15:58:29

err

Isibella: 15:58:33

I don't know

Isibella: 15:58:43

whistles innocently.

Daniel: 16:02:09

mmhmm

Isibella: 16:02:32

I don't think I have the drive

Daniel: 16:02:40

Tell me your will.

Isibella: 16:02:53

considering that it has a fabulous outcome if I don't

Daniel: 16:03:24

It really is going to be fabulous.

Isibella: 16:03:30

I feel it

Isibella: 16:04:12

it's just I feel so bad as my father is working so ahrd to get me into ucl

Daniel: 16:05:11

He loves you and wants what is best for you.

Daniel: 16:05:21

He is also rather strong willed and stubborn.

Daniel: 16:05:23

:)

Isibella: 16:06:00

and the idea of a ucl egyptology lecturer romance is fabulous also

Daniel: 16:06:19

consults the UCL egyptology website

Isibella: 16:06:45

it would start by me getting into terrible fights with his lecture content, then i'd end up staying behind with him to have passionate debates every session

Daniel: 16:07:04

while you dream... I am going to make dinner.

Isibella: 16:11:14

Then one day he would just go hay wire and pin me to his table, papers scattering everywhere, forcing me to tell him Neferkare was not homosexual and that there was no proof for the relationship between himself and the military commander Sisene, and I would just grin..

Isibella: 16:11:35

And then he would have his way with me

Isibella: 16:14:16

then for every time I spoke up about his lecture content in front of his students again he would force me to stay behind and spank me

Isibella: 16:16:15

and also during this dream every male on the course is so allured by my knowledge of Egypt and outspoken nature that they would all try their hardest to impress me with flowers with attached hieroglyphic notes of secret love

Isibella: 16:17:57

but i'd have so many I couldn't possibly find the time to transliterate them all, so i'd bash my eyelids and ask the lecturer to help me, and of course he'd become jealous and want to keep me all for himself, so he'd lie about the content of the notes!

Isibella: 16:19:30

and he would tell me that they said horrible things and that the class hated me, so i'd sob into his lap and he would stroke my hair then have me suck his cock

Isibella: 16:31:18

runs off to write her essay like no tomorrow.

Daniel: 17:03:00

hows that essay?

Isibella: 17:03:31

600 words in

Daniel: 17:03:45

you must be motivated.

Daniel: 17:03:46

;))

Isibella: 17:06:16

I half want to stop but the absinthe it fuels my words

Isibella: 17:07:24

you could always help me in finding a few references

Daniel: 18:26:19

wink

Daniel: 18:26:27

send me your essay.

Isibella: 18:26:39

k

Daniel: 18:27:09

Summarize it in one sentence.

Isibella: 18:28:32

I added in your point that you placed to me :)

Daniel: 18:28:43

;))

Daniel: 18:36:13

send it?

Isibella: 18:37:44

oh

Isibella: 18:37:50

lol, hang on

Isibella: 18:38:02

after 3 glasses of absinthe my head works slightly slower

Daniel: 18:46:00

I think you should finish the essay.

Daniel: 18:46:04

Turn something in.

Isibella: 18:46:26

I sent it as a picture lolll

Daniel: 18:46:38

?

Isibella: 18:46:56

ok its sent

Isibella: 18:47:00

under re options

Isibella: 18:48:05

omfg

Daniel: 18:48:09

?

Isibella: 18:48:10

I found cocopops”!

Isibella: 18:48:18

i’m saved

Isibella: 18:48:22

I wnt starve

Isibella: 18:48:29

I can live off these for atleast 3 days

Daniel: 18:48:55

yeah!

Isibella: 18:49:05

woo

Daniel: 18:51:27

What the hell is Hawks ladder of inference?

Daniel: 18:54:59

To write an compare/contrast essay like this, it's sometimes helpful to make a little table.

Daniel: 18:55:15

First, decide on labels for the two things you are comparing.

Daniel: 18:55:33

Narmer vs. Rameses perhaps.

Daniel: 18:56:16

These are the titles of the columns

Isibella: 18:56:53

god these cocopops are good

Daniel: 18:57:15

Then, for an essay of 1500 words, you need to decide on approximately 8 aspects of the topic that you will discuss.

Daniel: 18:57:33

Aspects of religious practice.

Isibella: 18:58:06

so in other news tomorrow i'm going to file and charge for assult ^^

Daniel: 18:58:14

what?

Daniel: 18:58:18

against who?

Daniel: 18:58:20

what?

Daniel: 18:58:25

"in other news"?

Isibella: 18:58:25

yes

Isibella: 18:58:31

against leonardo

Daniel: 18:58:41

for?

Isibella: 18:58:46

he just physically assaulted me

Daniel: 18:58:50

just now?

Isibella: 18:58:53

yes

Daniel: 18:58:56

how?

Daniel: 18:59:29

are you okay?

Daniel: 18:59:35

what the fuck?

Isibella: 18:59:43

he knocked, didn't say anything, I opened the door, and he asked to bite me, so I told him to fuck off because I was doing my essay

Isibella: 18:59:49

he didn't believe me

Isibella: 18:59:53

so I showed him the essay

Daniel: 18:59:57

he asked to bite you?

Daniel: 18:59:59

freak.

Isibella: 19:00:24

then he asked again, and again I directly told him no

Isibella: 19:00:37

then he asked for a kiss, and I told him to stop being stupid

Isibella: 19:00:46

then I asked him to leave

Isibella: 19:00:55

and he said no

Isibella: 19:01:12

he said he wouldn't leave until he got one of the two

Isibella: 19:01:27

so I told him i'd scream, then he grabbed me, forced me to the floor and kissed me

Isibella: 19:01:38

then I hit him and pushed him out of my door,

Isibella: 19:01:43

then he barged back in

Isibella: 19:02:01

and practically peirced my fucking windpipe then left

Daniel: 19:02:50

I'm gonna say it's nearly time to leave Winchester...

Daniel: 19:02:58

if you weren't already convinced.

Daniel: 19:03:34

Are you okay?

Isibella: 19:03:38

yes

Isibella: 19:03:42

just very angry

Daniel: 19:03:51

As am I.

Isibella: 19:04:25

worst thing was as he left and walked down the corridor he called me a loser

Daniel: 19:04:34

Right...

Isibella: 19:05:40

there is no way i'll sleep now

Daniel: 19:05:49

If only someone had warned you against him :p

Daniel: 19:05:56

I'll stay up with you.

Isibella: 19:06:17

thank you

Daniel: 19:06:59

Real zombies are no fun :(

Daniel: 19:07:18

Virtual ones are far easier to dismiss.

Daniel: 19:08:19

I thought your father was going to come down and "sort him out"?

Isibella: 19:08:36

fucking freak just came to my door trying to say sorry

Daniel: 19:08:48

loser ;)

Isibella: 19:08:48

so I told him to save it for the police

Isibella: 19:09:04

but the asshole has my absinthe

Isibella: 19:09:08

I left it in the kitchen

Isibella: 19:09:12

and now he is drinking it

Isibella: 19:09:17

but I will not rise to the bait

Daniel: 19:09:27

I am impressed.

Isibella: 19:09:36

I can let it go, for my own safety in this case

Isibella: 19:09:52

I just screamed at him that he was evil and he said "that I am"

Isibella: 19:10:35

louise really doesn't know what she is missing out on lol

Daniel: 19:10:40

quite

Daniel: 19:10:50

how sad it all is.

Daniel: 19:11:01

rather pathetic, really

Daniel: 19:11:23

everyone wanting to be us...

Isibella: 19:11:53

I wish you were here to hold me..

Daniel: 19:12:12

You have no idea how much this news pains me...

Daniel: 19:12:44

how frustrated I am that I cannot protect you from such nonsense.

Isibella: 19:12:57

it really is nonsense

Daniel: 19:13:00

You should not have to tolerate this.

Isibella: 19:14:07

you couldn't pay me to stay here now

Isibella: 19:14:14

i'd happily leave for pulborough tomorrow

Isibella: 19:14:35

thing is I know what my father will do, he'll have me moved to another

house

Daniel: 19:14:46

The universe has been rather obvious.

Daniel: 19:15:21

If he cared so much, surely he'd have suggested as much or done something before? Like arranging for that en suite room, perhaps?

Isibella: 19:15:44

even thinking about that angers me

Isibella: 19:15:58

because I know the people who live where I was meant to be staying in town

Isibella: 19:16:15

they ended up getting some other girl in

Isibella: 19:18:30

great...

Daniel: 19:18:34

hm?

Isibella: 19:18:35

and the fucker broke my phone

Daniel: 19:18:41

nice.

Isibella: 19:19:19

I got a text message, and it makes this little tune when it texts and he must of thought it was you calling or something, picked it up and threw it across the room

Isibella: 19:19:36

and I just retrieved it, and the phone is dead

Daniel: 19:19:39

He's got issues...

Daniel: 19:19:47

You've got another phone.

Isibella: 19:19:53

yes I do

Isibella: 19:19:54

:)

Daniel: 19:20:03

He's stuck with his issues. ;)

Daniel: 19:20:06

You win!

Isibella: 19:20:09

but still, the principle

Isibella: 19:20:13

it was a pink phone

Isibella: 19:20:21

your mouth was close to it at one point

Isibella: 19:20:24

so I like it

Daniel: 19:20:29

:)

Isibella: 19:20:40

it is like indirectly kissing you when I talk to someone

Isibella: 19:20:54

in terms of aether

Daniel: 19:21:02

I can't believe I didn't actually steal any undergarments from you...

Isibella: 19:21:17

lol we hardly had the time

Isibella: 19:21:25

but don't worry, I have plenty of your things..

Daniel: 19:21:32

I didn't care for the ending at all.

Isibella: 19:21:38

undergarments, socks, you name it

Isibella: 19:21:40

;))

Daniel: 19:22:01

I think perhaps we just aren't good at endings.

Isibella: 19:22:21

we were not given the poetic means to have that ending or the time

Isibella: 19:22:47

you see to correctly even consider ending a holiday like that we need say an eternity just to consider not ending it

Daniel: 19:23:11

I think you are right!

Daniel: 19:23:17

May our holidays never end!

Isibella: 19:24:02

sadly even this earth thing was a holiday that will end but I still really have yet to go to meet you at the airport to start it so to speak

Isibella: 19:24:08

and my flight has been horrible

Isibella: 19:24:17

full of child like italians throwing peanuts at me

Daniel: 19:24:31

quite.

Daniel: 19:24:40

there are no Italians in Colorado.

Isibella: 19:24:46

good

Isibella: 19:24:50

I fucking hate them

Isibella: 19:24:53

I love their country

Isibella: 19:24:57

I hate the male ones

Daniel: 19:25:00

beautiful architecture.

Isibella: 19:25:10

we should make them into an amazon like people

Daniel: 19:25:12

women are pretty until they get fat

Isibella: 19:25:15

we shall rid all of venice of men

Isibella: 19:25:26

and just have women going around on gondalas

Isibella: 19:25:58

the italians friends are running up and down the corridor at 2am playing it..

Isibella: 19:26:05

if that is not childish I do not know what is

Isibella: 19:26:24

considering amanda asked me to keep it down when I quietly spoke to you

Daniel: 19:27:12

I'm sorry the universe bit you.

Isibella: 19:27:27

LOL

Daniel: 19:27:35

Good excuse not to write your essay, though.

Daniel: 19:27:37

;))

Isibella: 19:27:42

that's ok, animals bite

Isibella: 19:27:55

and you and me baby we aint nothing but mammals

Daniel: 19:28:00

heh

Isibella: 19:28:06

so lets do it like they do it on the discovery channel!

Isibella: 19:28:27

I should sing that to leo some time when he is safely behind iron

Daniel: 19:28:31

heh

Daniel: 19:29:24

sad thing is he was interesting for a while

Isibella: 19:29:30

was he?

Isibella: 19:29:34

I can't recall

Isibella: 19:29:38

why was he interesting?

Daniel: 19:29:42

hm

Isibella: 19:29:48

I went off him when he told me egyptians didn't use torches

Daniel: 19:29:52

I guess we never actually found out.

Daniel: 19:30:03

He was, er, potentially interesting?

Isibella: 19:30:07

and especially not in pyramids

Daniel: 19:30:14

Something about secrets?

Isibella: 19:30:19

he had mysterious rune tattoos on his neck

Isibella: 19:30:23

that was interesting

Daniel: 19:30:44

runes are not nearly as interesting as everyone imagines

Isibella: 19:30:56

they really aren't

Daniel: 19:31:07

I mean they look mysterious...

Isibella: 19:31:08

I made him some from pebbles to prove this

Daniel: 19:31:21

And, you know, it's a cool word, "rune"

Isibella: 19:32:14

I had these amazing little creatures on sl named warpansi

Isibella: 19:32:22

which had rune symbols on them

Isibella: 19:32:26

they were soooooo cute

Isibella: 19:32:33

pines for them

Isibella: 19:33:46

little floaty glowing things with long tails, looked like mini anubis which could warp you separately to the tp system

Daniel: 19:34:23

cool

Isibella: 19:34:42

I wish they were real then I could just click colorado

Isibella: 19:34:48

and away they would take me!

Daniel: 19:35:55

is almost that easy

Daniel: 19:36:01

<http://ba.com>

Daniel: 19:36:04

;))

Isibella: 19:36:12

planes are not cute animals

Isibella: 19:36:23

nor do they glow in amazing colours

Daniel: 19:36:34

oh, but there is one in Denver that has cute animals on the tail!

Isibella: 19:36:42

really?

Daniel: 19:36:47

<http://www.frontierairlines.com>

Daniel: 19:37:03

And so every time you fly, it's exciting to see who is on the tail!

Isibella: 19:37:17

awww

Isibella: 19:37:19

snow rabbit!

Daniel: 19:37:26

<http://www.frontierairlines.com/frontier/fun-stuff/animal-tales.do>

Isibella: 19:37:32

aka arctic hare XD

Isibella: 19:38:01

that is cute

Daniel: 19:40:52

I need you.

Daniel: 19:40:54

Here.

Daniel: 19:40:57

In my arms.

Daniel: 19:41:03

To have. To hold.

Isibella: 19:41:08

I need to be there

Isibella: 19:41:51

at the moment I feel just like a bitten blond ragdoll thing that drinks

Isibella: 19:42:20

and sometimes has the willpower to draw a picture once every 6 weeks..

Daniel: 19:43:24

but who knows where she needs to be.

Daniel: 19:43:34

That is no trivial knowledge.

Isibella: 19:43:42

yea

Daniel: 19:43:56

Most people don't know that for their whole lives.

Isibella: 19:44:26

you're right

Isibella: 19:44:50

I whisper your name in the night yet somehow you are not there

Daniel: 19:45:09

I hardly sleep through the night anymore.

Daniel: 19:45:29

I wake and expect you to be there.

Isibella: 19:45:31

do you think of me?

Daniel: 19:46:26

I think of little else.

Daniel: 19:46:51

All day, all night.

Daniel: 19:46:56

Awake, in dreams.

Daniel: 19:47:10

I've never been so permeated.

Daniel: 19:47:32

As if my entire brain has been rewired around you.

Daniel: 19:47:50

So that every thought, every sensation, tantalizes my Isibella cortex.

Isibella: 19:48:05

^_^

Isibella: 19:48:30

I think of you always

Isibella: 19:49:18

even when i'm walking through the cold to my lecture, or sitting on the train waiting to go back to that awful place called home, or even as I stand waiting to buy a ticket, or as I eat my cocopops, or wash my hair

Daniel: 19:49:40

I want to wash your hair.

Isibella: 19:50:07

heehee how nice, the morning birds they sing to me, way before dawn

Isibella: 19:50:10

it's only 2am here

Daniel: 20:07:11

Isibella...

Daniel: 20:07:14

I love you.

Daniel: 20:08:52

And it confuses and befuddles me that you are not here.

Daniel: 20:09:16

I attribute all manner of weirdness to this odd juxtaposition (or lack thereof)

Daniel: 20:16:11

...

Daniel: 20:16:14

you are okay?

Daniel: 20:30:34

hm.

2006-11-24

Daniel: 06:18:46

smiles

Isibella: 06:19:28

Don't smile at me

Isibella: 06:19:30

I forbid it

Daniel: 06:19:43

grins

Isibella: 06:19:48

500 words to go!

Isibella: 06:20:07

actually I should properly just make some references

Daniel: 06:20:29

be all mine.

Daniel: 06:21:31

let go of fears and hopes for the future.

Daniel: 06:21:40

be all mine.

Daniel: 06:21:41

now.

Daniel: 06:21:43

here.

Daniel: 06:22:28

focus on that which you love.

Daniel: 06:23:06

know that you will be here with me.

Isibella: 06:23:06

no

Isibella: 06:23:11

leave me alone

Daniel: 06:23:16

no

Daniel: 06:23:30

unless...

Isibella: 06:23:31

go mentally torture some other g, you're killing me..rl

Isibella: 06:23:41

uh

Isibella: 06:23:44

girl*

Daniel: 06:23:44

are you going to fade away?

Isibella: 06:23:49

i've not been drinking

Isibella: 06:23:50

I swear

Daniel: 06:24:09

do I mentally torture you?

Daniel: 06:24:44

are you upside down?

Daniel: 06:24:49

for it is you who tortures me.

Daniel: 06:25:06

constantly worrying and doubting

Daniel: 06:25:40

it is difficult to do impossible things in such a quagmire as you are in

Daniel: 06:25:48

nevertheless

Daniel: 06:25:50

I love you.

Daniel: 06:25:55

We are cool.

Isibella: 06:26:27

giggidy giggidy!

Isibella: 06:26:40

lets have sex!

Isibella: 06:26:55

who else but Quagmire!?

Isibella: 06:27:08

sorry, couldn't resist

Daniel: 06:30:20

:P

2006-11-25

Daniel: 08:15:08

wink wink

Daniel: 10:06:22
where did you go?

Isibella: 10:06:56
oh

Daniel: 10:09:24
oh?

Isibella: 10:09:40
i'm here ;p

Isibella: 10:10:58
yes

Daniel: 10:15:27
hi.

Daniel: 10:15:33
I forgot to tell you...

Daniel: 10:15:38
I found a book for you!

Isibella: 10:15:40
oh?

Daniel: 10:25:27
yes!

Isibella: 10:25:37
tell em

Isibella: 10:25:39
me*

Daniel: 10:26:36
<http://lyncourt.cnyric.org/library/art/leonardo.jpg>

Isibella: 10:26:48
NOOOO

Daniel: 10:26:53
hehe

Daniel: 10:27:22
Leonardo is truly a terrible monster – terrible at being a monster, that is.
Despite his best efforts, he can't seem to frighten anyone.

Isibella: 10:27:58
you're sick!

Daniel: 10:28:43
I saw it at bookstore, and laughed.

Isibella: 10:29:49
I hate it when the universe does that
Daniel: 10:37:25

how rude.

Daniel: 10:37:44

...

Isibella: 10:37:57

it is my connection

Isibella: 10:38:00

but

Daniel: 10:38:02

I gathered.

Isibella: 10:38:04

this is not real..

Daniel: 10:38:05

I read it.

Daniel: 10:38:11

;))

Isibella: 10:38:15

do you see it?

Isibella: 10:38:18

the same one I see?

Daniel: 10:38:20

I do.

Isibella: 10:38:24

faints

Isibella: 10:38:29

ever

Isibella: 10:38:30

it is my ultimate fantasy

Daniel: 10:38:37

Um.

Daniel: 10:38:56

In central Scotland?

Isibella: 10:40:04

scotland?

Isibella: 10:40:06

@.@;1

Isibella: 10:40:07

what

Daniel: 10:40:48

I will happily indulge your Victorian maid fantasy... perhaps even in your own castle ;)

Daniel: 10:41:10

(if you insist upon Scotland :P)

Daniel: 10:41:46

But I think you would make a fine Victorian maid in a Colorado mining town...

Isibella: 10:42:44

why did I look at the site

Isibella: 10:42:50

I should of just left it alone

Daniel: 10:42:54

you should have, yes.

Isibella: 10:43:00

I knew something like that would be sitting there, waiting to trap me

Daniel: 10:43:01

but you are unruly

Isibella: 10:43:04

how horrible

Daniel: 10:43:48

I am amused.

Daniel: 10:45:07

There is an adorable Victorian for sale in Silver Plume.

Daniel: 10:45:29

Doesn't have much of a yard, and is next to the saloon.

Isibella: 10:45:52

thing is i'd totally be the favourite

Daniel: 10:46:43

would you now?

Daniel: 10:46:50

as unruly and clumsy as you are?

Daniel: 10:46:56

I somewhat doubt that :P

Isibella: 10:47:04

oh I would

Isibella: 10:47:15

because the rest would all be 30-50 eyar old women

Isibella: 10:47:21

and he'd find favour in me

Daniel: 10:47:49

I think we should write crazy Victorian fetish erotica.

Daniel: 10:48:39

To give you an outlet for such fantasies.

Isibella: 10:48:46

and I have a brilliant way of socially forcing everyone to adore me, and then say if I did drop the milk while going to the pantry, he'd just have to spank me

Isibella: 10:49:05

I own all of the victorian fetish erotica, my fave being, a man with a maid XD

Isibella: 10:49:16

her name was alice and he kidnapped her

Isibella: 10:49:20

and they became lovers

Isibella: 10:49:21

and it was awesome

Daniel: 10:49:40

I look forward to indulging you.

Daniel: 10:53:37

You know what Colorado needs?

Daniel: 10:53:43

A brothel museum.

Daniel: 10:54:13

It is an important part of the history of the state, and is neglected.

Daniel: 10:55:00

Oh! There is one!

Daniel: 10:55:03

We must visit.

Daniel: 10:56:00

Is in Cripple Creek. I've never been.

Daniel: 10:56:00

When you come, we will go.

Isibella: 11:03:23

ok

Daniel: 11:06:01

Or you can just ignore me infavor of Scottish maid fantasy.

Daniel: 11:06:03

:P

Daniel: 11:06:17

see you around.

Isibella: 11:06:23

er

Isibella: 11:06:26

bye?

Daniel: 11:06:32

I guess?

Isibella: 11:06:38

I guess..

Daniel: 11:11:03

If it doesn't work out... do give me a call.

Isibella: 11:12:11

ok

Daniel: 11:23:35

enjoy!

Isibella: 11:23:48

I will ^^

Daniel: 11:39:45

You ever watch Magnum Pi?

The body cannot fully acclimatize to altitudes above 17,000 feet and, as a result, the more time one spends at such altitudes, generally the worse one feels. At 18,000 feet, there is only half the amount of oxygen in the air, which imposes considerable physical stresses on the body. As a result, most trekkers at high altitude feel physical discomfort of shortness of breath, headaches, nausea, insomnia and exhaustion. Individuals vary widely in their ability to acclimatize to altitude and not everyone should go to very high altitude.

'Sir Edward could contain himself no longer and, grasping Alice's head with both his hands, he pushed his weapon well into her mouth and spent down her throat. He lay back in a swoon of delight, and the girl, wet as she could be, leant her head against his knee, almost choked by the violence of the delightful emission and stunned by the mystery revealed to her.'

Daniel: 09:07:25

morning.

Isibella: 09:07:48

evening

Daniel: 09:08:02

is not.

Daniel: 09:08:14

Is time for Tiffin!

Isibella: 09:08:22

2 mins

Daniel: 09:09:47

how was your morning?

Isibella: 09:10:35

I slept

Daniel: 09:10:48

Fabulous!

Daniel: 09:15:20

how will your evening be?

Isibella: 09:15:29

cold

Daniel: 09:15:55

doesn't sound like much fun at all.

Daniel: 09:16:12

perhaps you should make hot chocolate with creme-de-menthe

Isibella: 09:17:04

what a wonderful idea!

Daniel: 09:17:29

smiles

Daniel: 09:18:43

call me for a bit?

Daniel: 09:18:55

I need to head out shortlyish.

Isibella: 09:18:55

that suggestion has made me very happy

Isibella: 09:18:56

oh

Isibella: 09:19:07

on the phone currently

Daniel: 09:19:09

ah

Daniel: 09:19:16

when you get a chance.

Isibella: 09:19:16

Daniel: 10:40:02

We shall never be friends.

Daniel: 10:40:35

It would be far too insipid an ending to our epic poetry.

Daniel: 10:40:42

The audience would never believe it...

Daniel: 10:41:07

They would leave thinking that secretly we continued to love and have merely hidden the fact from them.

Daniel: 10:43:03

Like the Sabbateans...

Daniel: 11:07:02

In the 17th century, there was a messiah for the Jews.

Daniel: 11:07:13

His name was Sabbatai Zevi.

Isibella: 11:07:44

mm

Daniel: 11:07:44

Unlike Jesus, most of the Jews of the time believed that he was actually the messiah.

Isibella: 11:07:56

dances with him

Isibella: 11:08:20

swoons and sips champagne.

Daniel: 11:08:20

He was imprisoned in Constantinople.

Isibella: 11:08:39

I met god once you know?

Daniel: 11:08:42

But was treated very leniently, and lived a fabulous life there.

Isibella: 11:08:45

She was an interesting person

Daniel: 11:09:08

Sometime later, rumors of another messiah surfaced.

Isibella: 11:09:09

she tried to deny her identity but I saw right through it

Daniel: 11:09:14

Nehemiah ha-Kohen.

Isibella: 11:09:18

or maybe it was just the tabs I was on

Daniel: 11:09:25

He had this imposter summoned.

Daniel: 11:09:34

They conferred.

Daniel: 11:10:10

The Sabbataen followers conspired to kill this rival.

Daniel: 11:10:18

But he escaped.

Daniel: 11:10:39

Went to the sultan, pretended to embrace Islam, and betrayed Sabbatai.

Daniel: 11:11:08

Sabbatai was brought before the sultan.

Daniel: 11:11:41

The hearts of all the Jews were heavy, but expectant, for surely this was the moment when Sabbatai would bring down the wrath of god upon the sultan.

Daniel: 11:11:53

On September 16, 1666...

Daniel: 11:12:46

In what must have been incredibly dramatic, Sabbatai was brought before

the sultan, cast off his Jewish garb and put a Turkish turban upon his head.

Daniel: 11:12:55

He converted to Islam.

Daniel: 11:13:09

The sultan was pleased, and gave him a title and a high salary.

Daniel: 11:13:31

His wife and followers also converted.

Daniel: 11:13:44

To complete the transformation, he was ordered to take a harem.

Daniel: 11:14:05

Of course, all of the Jews – ALL of the Jews – were shocked.

Daniel: 11:14:10

Shocked!

Daniel: 11:14:24

There is no way to overestimate what a big deal this was.

Daniel: 11:15:24

Some believe - even to this day - that Sabbatai was actually the messiah and this was all part of the scheme.

Daniel: 11:15:44

They are outwardly Muslims, but secretly practice Jewish rites and rituals.

Isibella: 11:15:55

lol

Isibella: 11:16:06

it is ahd to believe people get so wound up about other people

Daniel: 11:16:14

It is a very mystical and weird cult.

Daniel: 11:16:37

Generations upon generations of attempts to explain this extremely bizarre story.

Isibella: 11:17:46

whatever happened to the whole Egalitarian gig..

Daniel: 11:17:49

<http://www.donmeh-west.com/>

Isibella: 11:17:58

it surfaces so much in ancient history

Isibella: 11:18:02

but hardly anywhere today

Daniel: 11:18:24

I think people like the idea of being saved by another.

Isibella: 11:18:32

why?

Daniel: 11:18:50

Because they don't really believe that they need to be saved...

Daniel: 11:19:08

And they are too busy doing whatever it is they do for society.

Isibella: 11:19:09

truly you can save yourself

Daniel: 11:19:20

Maybe.

Daniel: 11:19:29

If religion is the opium of the masses....

Isibella: 11:19:34

you can even create your own heaven and hell

Isibella: 11:19:45

people have been doing it for thousands of years

Daniel: 11:19:50

Not too many heroin addicts save themselves?

Isibella: 11:20:00

but they can

Daniel: 11:20:07

But they don't.

Isibella: 11:20:15

and why? Because they enjoy it.

Daniel: 11:20:23

Exactly.

Isibella: 11:20:32

Many have done though.

Isibella: 11:20:42

Many simply lack the will power.

Daniel: 11:20:58

If it wasn't heroin, it would be something else.

Daniel: 11:21:07

Look around you.

Isibella: 11:21:14

It is a matter of will, best way to deal with a heroin addict is to take all sharp objects away from them and lock them in a bathroom for several weeks

Daniel: 11:21:15

The world is filled with the weak willed.

Isibella: 11:21:27

yes but that is what makes it so perfect

Daniel: 11:21:48

Aldous Huxley said something in a conversation with Timothy Leary about LSD...

Isibella: 11:21:50

we live in a perfect world, honestly

Daniel: 11:21:58

That it should be reserved for the elite....

Isibella: 11:22:01

it's all balanced out

Daniel: 11:22:14

Is it?

Isibella: 11:22:36

If people worship anything it should be the earth itself, for it is what sustains them.

Isibella: 11:22:40

oh yes, it is balanced

Daniel: 11:22:47

Are those who would be free actually free?

Daniel: 11:23:09

You.

Daniel: 11:23:12

Are you free?

Isibella: 11:23:23

think of it this way

Daniel: 11:23:29

Do you do what you will to do?

Daniel: 11:23:44

Not everyone can.

Daniel: 11:23:47

Not everyone should.

Isibella: 11:24:09

China is very overpopulated, which creates an imbalance

Isibella: 11:24:46

hundreds of miles away a tsunami takes place by nature killing thousands

Isibella: 11:25:10

it is a balance, as long as people die and are born as they should that balance will remain.

Isibella: 11:26:07

i'm free in the sense that I think beyond what the average person can imagine

Daniel: 11:26:11

And thus, as the mass of humanity is disagreeable and hateful towards each other, this is balanced out by our love here and now.

Daniel: 11:26:29

And what will you do with this freedom.

Daniel: 11:26:36

With this ability to think beyond?

Isibella: 11:26:50

it's not about thinking outside the box, it's about thinking about the box outside the other box.

Isibella: 11:27:14

anyway I must eat, as a pleasure as it is debating with you

Isibella: 11:27:16

xx

Daniel: 11:27:19

There is no box.

Isibella: 11:54:16

There is no box if you want there to be no box, the box is created by the mind.

Daniel: 11:54:45

It is only convenient if it has carrying handles...

Daniel: 11:54:50

or perhaps a forklift.

Isibella: 11:54:53

returns with several glasses of champagne.

Daniel: 11:54:58

Keeps things from falling out.

Daniel: 11:55:39

Like weak-willed people, for instance.

Daniel: 11:55:46

It's for their own protection, really.

Daniel: 11:57:11

Your parents, for instance, are only trying to protect you.

Daniel: 11:57:37

So they arrange for you various boxes to live in.

Daniel: 11:58:30

Countries are also boxes.

Daniel: 11:58:57

To come to my country, we need to ensure that you are not going to try and damage our box.

Isibella: 11:59:12

weird, did you know since my father had his plane crash and his ear drums burst, ever since then he has had issues with altitude

Daniel: 11:59:36

To do this, we require that your box properly identify that you belong to it.

Daniel: 11:59:38

We like your box.

Daniel: 11:59:39

What?

Daniel: 11:59:41

Really?

Isibella: 11:59:44

yes

Isibella: 11:59:59

when we are in chamonix he cannot stay for more than 3 days without getting sickl

Daniel: 12:00:10

I suspect he would acclimate.

Isibella: 12:00:11

and that's 1200mm up

Daniel: 12:00:18

mm?

Isibella: 12:00:18

m*

Isibella: 12:00:22

sorry, drunk

Daniel: 12:00:31

Well, it will keep them from staying too long when they visit.

Isibella: 12:00:32

my parents wouldn't drink the champagne

Daniel: 12:00:40

Didn't feel like celebrating?

Isibella: 12:00:52

my father drank beer and my mother wine

Isibella: 12:01:03

and then they just placed this untouched bottle infront of me

Isibella: 12:01:06

it was weird..

Daniel: 12:01:30

but normal for your house? :)

Daniel: 12:02:20

Good champagne?

Isibella: 12:02:37

I can't tell, just chugging it

Daniel: 12:02:48

Chugging champagne?

Daniel: 12:02:54

Surely that's not right.

Daniel: 12:04:03

Are you in love with me, here and now?

Daniel: 12:04:56

I think...

Daniel: 12:05:02

I think our lives have just begun.

Daniel: 12:05:34

I think...

Daniel: 12:05:42

I think you aren't paying nearly enough attention to me.

Daniel: 12:05:46

I think...

Daniel: 12:05:51

I think you should call me.

Daniel: 12:05:53

I think...

Daniel: 12:05:56

I think I love you.

Isibella: 12:06:19

hang on

Daniel: 12:07:03

I am reading some lectures of Borges on poetry.

Daniel: 12:07:09

It is very enjoyable.

Daniel: 12:07:13

I am enjoying it.

Isibella: 12:10:51

am now I know why

Daniel: 12:10:59

why what?

Isibella: 12:10:59

he went to steamboat springs in colorado

Daniel: 12:11:07

cool town.

Daniel: 12:11:09

great snow.

Isibella: 12:11:16

at 6700 feet

Isibella: 12:11:18

and got very very ill

Daniel: 12:11:35

probably didn't drink enough water

Isibella: 12:11:36

so now he hates colorado

Isibella: 12:11:46

because he was near aspen and nearly died

Daniel: 12:11:56

steamboat springs isn't near aspen.

Isibella: 12:12:01

he said it was!

Daniel: 12:12:07

snowmass is near aspen.

Daniel: 12:12:12

it begins with an s-

Daniel: 12:12:14

:)

Daniel: 12:12:22

It's about 4-5 hours away.

Daniel: 12:12:39

you can't die from altitude sickness

Isibella: 12:12:41

colorado sucks, people are designed to live at sea level I swear

Daniel: 12:12:50

mmhmm

Daniel: 12:12:52

then don't come

Isibella: 12:12:57

my fathers friend did while investigating a plane crash in the mountains

Isibella: 12:12:57

I wont

Daniel: 12:13:21

Colorado is the most beautiful place in the world I have been.

Daniel: 12:13:29

Maybe New Zealand is slightly prettier.

Daniel: 12:14:41

There are wonders and mysteries in these mountains that you strange lowlanders will never understand.

Daniel: 12:15:02

Your fear of high places prevents your from discovering the pinnacles of nature.

Isibella: 12:15:20

i've been up mountains, they are boring

Daniel: 12:15:46

It is not the mountains that are boring.

Daniel: 12:16:07

It is that you lack the spirit of adventure.

Isibella: 12:17:06

I mean teide was 3.717 m up, and I recall finding it impossible to breath, and I was just so dman glad to get back down to the waffle stand

Daniel: 12:17:16

You lack the joie de vivre of the wild, having been insulated in your box for so long.

Daniel: 12:18:15

It is all about being natural in your explorations.

Daniel: 12:18:27

It is unnatural to fly from sea level to 8,000 ft.

Isibella: 12:18:30

rolls her eyes

Isibella: 12:18:34

you are just damn weird

Daniel: 12:18:48

Yes, I am. But in a beautiful, magnificent way.

Isibella: 12:19:03

I don't much care for it

Daniel: 12:19:11

Of course not.

Daniel: 12:19:21

You are drunk in your parents house.

Daniel: 12:19:35

How could you possible appreciate the beauty of wilderness?

Daniel: 12:24:36

You are lost in your box, forgetting to venture or even look outside it, heed-

ing the warnings of those who also fear to leave, unable to appreciate the beauty of the universe around you.

Daniel: 07:22:24

Isibella: 07:22:43

Daniel: 07:23:33

lives for such love

Daniel: 07:42:50

What adventures?

Isibella: 07:44:46

i'm not happy

Daniel: 07:45:03

Why not?!

Isibella: 07:45:13

art theft!

Daniel: 07:45:20

What?

Isibella: 07:45:25

yes

Daniel: 07:45:39

Shocking!

Isibella: 07:46:11

I got a message from this girl on deviant claiming she had seen two of my pictures being used as prints on shirts in a market place in....

Isibella: 07:46:19

Toronto!

Isibella: 07:46:23

anger

Daniel: 07:46:43

Goodness! Which images?

Isibella: 07:46:50

so I asked her to get me photos and the contact details of the people running the store if she could

Isibella: 07:47:39

one of my older images of a red head, and the other one called pastel paradise which was made much later on

Isibella: 07:48:04

funny thing was I made the red head image for Jon, who lives in Toronto..

Daniel: 07:48:13

curious

Isibella: 07:48:35

and I know he is running a store currently, but I thought it was like a game store, and the girl says it was on a market stall

Isibella: 07:49:09

oh, and I emailed claire

Daniel: 07:49:23

who is claire?

Isibella: 07:50:00

claire is the girl who looks after the archaeology department in terms of attendance etc

Isibella: 07:50:09

to tell her I was leaving

Daniel: 07:50:25

Ah.

Daniel: 07:53:02

I know the pastel paradise image...

Daniel: 07:53:27

mainly because of Jay's comment ;)

Daniel: 07:54:40

something about comets and komono dragons...

Daniel: 07:54:55

ah yes... good times, good times...

Isibella: 08:02:54

comets?

Daniel: 08:03:14

don't ask me...

Isibella: 08:05:01

komodo?

Daniel: 08:05:17

don't ask me...

Isibella: 08:05:27

lol I miss Jay when I read things like that

Daniel: 08:05:33

quite.

Daniel: 08:05:56

it was all rather entertaining...

Isibella: 08:06:03

funny thing was what we had was beautiful in the way that it really wasn't sexual

Daniel: 08:06:09

I am happy that he is doing well now.

Daniel: 08:06:20

I know... it was very sweet.

Daniel: 08:06:53

The virtual world is funny in that way.

Isibella: 08:07:06

I think most of it is sex orientated

Daniel: 08:07:34

Right, but I know so many people who develop cool platonic love affairs despite that.

Isibella: 08:08:05

I mean jesus, could you ever go back, sit on sl? And actually have virtual sex. or even look at two people doing it? And be content with that

Daniel: 08:09:22

No, I always found it creepy.

Isibella: 08:10:45

I remember on my second day when sl was only a baby, I fell from the sky and actually landed in a hot tub full of naked avatars in some farm, it was possibly the weirdest experience

Daniel: 08:21:02

But you have to keep in mind that not everyone has a "real

Daniel: 08:21:07

(oops)

Daniel: 08:21:21

"real" sex life, and so SL probably is better than nothing?

Daniel: 08:21:37

Except, well, probably not.

Daniel: 08:21:51

Probably leaves you more frustrated for reality.

Isibella: 08:21:52

composing the letter to my father

Daniel: 08:21:59

Like drugs are not really an escape.

Daniel: 08:22:03

SL is a drug.

Daniel: 08:22:08

In most every way.

Isibella: 08:22:22

I get my 1800's and shopping fix on sl

Isibella: 08:22:28

and my..john henry fix

Isibella: 08:22:33

but that is past

Isibella: 08:22:36

rolls her eyes.

Daniel: 08:22:43

lol

Daniel: 08:23:03

and, we got us.

Daniel: 08:23:30

but we are not something inherent to the virtual world...

Daniel: 08:23:38

just as we are not something inherent to this world...

Daniel: 08:23:49

we transcend these worlds, and enter then for our amusement.

Isibella: 08:24:01

nod nod

Daniel: 08:24:28

much as I now enter the shower for my cleaning pleasure.

Isibella: 08:24:44

lol

Isibella: 08:25:36

when you're back give me a buzz as I need your help composing this letter

Daniel: 08:25:57

will do

Daniel: 08:48:56

Hi.

Daniel: 08:49:12

Okay, let's do this letter... I'll call shortly.

Daniel: 08:49:15

But first...

Daniel: 08:49:45

What do you want your fathers reaction to be upon reading this letter?

Isibella: 08:50:23

sorry, back

Daniel: 08:50:40

E.g. "shaking with anger", "swooning with delight", "mournful acceptance", "cautious optimism", etc

Daniel: 08:51:09

Too often we write with ourselves in mind - e.g. what we want to express - without considering the audience.

Isibella: 08:51:17

...

Daniel: 08:51:23

(that was all together too many e.g.

Daniel: 08:51:29

's for today)

Isibella: 08:51:44

how do you think I want him to react, i'm writing to ask him to give me the money to buy a ticket for myself and the man who is taking me away

Daniel: 08:51:45

(I think the second should have been an i.e.)

Daniel: 08:52:09

Yes, I know that is an obvious question, but it is the starting point...

Daniel: 08:52:39

You want your father to be pleased with you. To respect your wishes. To feel generous towards you.

Isibella: 08:52:45

I don't want him angry quite clearly, what good will that do us?

Daniel: 08:53:11

And so you need to sculpt this letter in such a way as to arouse feelings of respect and generosity.

Isibella: 08:53:22

yes

Daniel: 08:53:35

What does your father respect?

Isibella: 08:53:42

himself

Daniel: 08:53:51

Fabulous.

Daniel: 08:54:03

Then you need to portray yourself him.

Daniel: 08:54:12

er, as him.

Isibella: 08:54:18

lol

Isibella: 08:54:26

are you on drugs daniel?

Daniel: 08:54:29

What does he respect about himself?

Daniel: 08:54:38

(Yes! I am in love!)

Isibella: 08:54:50

he respects how he "made it"

Isibella: 08:54:59

and how he feels he is a good person

Daniel: 08:55:16

Right.

Daniel: 08:56:33

So you need to convince him that we will "make it" and that we are a good person.

Daniel: 08:57:36

There are two aspects to convincing someone of a change in course. First, convince them that the current course isn't good. Second, convince them

that you have a better course.

Daniel: 08:58:18

I don't really think that you need to convince him that I/we are good. He likes me well enough.

Daniel: 08:58:44

I think you need to focus on your scheme in a way that shows how very much thought you have put into this.

Daniel: 08:59:02

And in a way which is respectful of your father and his raising of you.

Daniel: 08:59:15

Am I rambling?

Daniel: 08:59:18

I am.

Daniel: 09:00:09

Tell you what... write a draft, read it to me, and I'll pretend to be your father.

Daniel: 09:06:52

...

Daniel: 09:06:57

about to leave. I'll phone.

You are a brave girl to hang up on me like that...

Daniel: 09:43:21

Enjoy your 20% ;-)

Isibella: 09:43:37

why am I brave?

Isibella: 09:43:45

whatever will you do!?

Isibella: 09:44:00

i'm so scared!

Isibella: 09:44:10

you're coming to get me?

Isibella: 09:44:13

XD

Daniel: 09:44:16

It's your 20%.

Daniel: 09:44:49

I don't have anything to do with it.

Isibella: 09:45:42

good

Daniel: 09:45:46

I thought about coming for you...

Isibella: 09:45:52

you never well

Daniel: 09:45:56

...but they you got all 20%.

Isibella: 09:46:19

then*

Daniel: 09:46:42

quite.

Daniel: 09:47:42

And I even said I'd never take any more pictures...

Daniel: 09:47:55

I lied.

Isibella: 09:47:58

„

Daniel: 09:48:13

As did you, when you gave all to me.

Isibella: 09:48:15

the warning signs flash in her eyes

Isibella: 09:48:36

i'm about to vanish

Daniel: 09:48:42

You promised to be all mine.

Daniel: 09:48:46

Do you remember?

Isibella: 09:48:47

just to pre-warn you, so you're not shocked

Isibella: 09:48:52

I don't remember!

Daniel: 09:49:13

imagine that.

Daniel: 09:50:52

I want you.

Daniel: 09:51:04

I want all of you.

Daniel: 09:51:12

I want 100%.

Daniel: 09:51:34

I want you to want me to want you 100%.

Daniel: 09:51:44

I want you to want to give me 100%.

Isibella: 09:51:49

go away

Daniel: 09:51:59

If you can only offer 80% now as down payment, that's okay.

Daniel: 09:52:06

We do what we can from where we are.

Isibella: 09:52:07

it is not a down payment

Isibella: 09:52:11

it is a final offer

Daniel: 09:52:20

Then there is no deal, I'm afraid.

Isibella: 09:52:26

fine

Isibella: 09:52:28

you get 0

Daniel: 09:52:33

If you are incapable of having ideals...

Isibella: 09:52:37

not even that

Daniel: 09:52:42

There is no poetry in 80%.

Isibella: 09:52:54

and even less in 0 I assure you

Isibella: 09:53:12

good day to you sir! I have things to do like sorting out my life!

Isibella: 09:53:25

I'm sure someone out there will be willing to take my 80% gladly

Daniel: 09:53:37

I am certain many many would not even consider it settling.

Daniel: 09:54:00

But I know what you are capable of.

Daniel: 17:34:50

er

Daniel: 17:34:53

what?

Daniel: 17:35:21

bad.

Daniel: 17:35:55

and, uh, completely fucking unacceptable

Daniel: 17:37:07

you will apologize.

Daniel: 17:37:47

better now...

Daniel: 17:39:03

you disappoint and displease me immensely.

Daniel: 17:39:39

...

Daniel: 17:39:41

...

Daniel: 17:39:46

...

Daniel: 17:42:16

how very rude, cruel and ungrateful you are...

Daniel: 17:42:46

I appreciate that you are in great pain.

Daniel: 17:43:11

But it is hardly an excuse for such.

Isibella: 17:43:28

such what?

Isibella: 17:43:33

what did I do?

Daniel: 17:43:44

Such impolite behavior.

Isibella: 17:43:47

I apologized for distressing you and left you alone

Isibella: 17:43:56

in what way was that rude?

Daniel: 17:44:11

Don't play dumb with me.

Daniel: 17:44:18

You wanted to be rude, and you were.

Isibella: 17:44:26

and you demand an apology for an apology?

Isibella: 17:44:38

no you were clearly pissed off with me

Daniel: 17:44:45

I was not even hardly.

Daniel: 17:44:50

Not even almost.

Isibella: 17:44:52

you hadn't said a word for 10 minuets

Daniel: 17:44:54

Not even a little.

Isibella: 17:45:09

and were sulking before that

Daniel: 17:45:14

I was buying you a fucking christmas present if you must know.

Isibella: 17:45:32

what was I to think?

Daniel: 17:45:41

Leading on about "secrets" and then refusing to reveal is also incredibly rude.

Daniel: 17:45:45

Which you also know.

Isibella: 17:46:09

I just wish you hadn't of brought it up

Daniel: 17:46:26

...

Daniel: 17:46:28

...

Daniel: 17:46:29

...

Daniel: 17:46:33

YOU BROUGHT IT UP!

Isibella: 17:46:36

god I wish we were compatable on some basic level

Isibella: 17:46:54

compatible* even, how did I bring up hypnotising?

Daniel: 17:47:02

You totally did.

Isibella: 17:47:10

I brought up wanting to be knocked out on a plane

Isibella: 17:47:18

by medical means

Isibella: 17:47:22

not fucked up hypnosis

Daniel: 17:47:27

Hmm... fair enough.

Isibella: 17:47:37

it was like that time you were all like

Isibella: 17:47:48

"i'm going to get you a hypnosis because you need help."

Isibella: 17:47:52

you know it upsets me

Daniel: 17:48:00

I was simply asking a question.

Daniel: 17:48:07

You have never explained it to me.

Daniel: 17:48:17

Honestly, I never knew there was a "reason"

Isibella: 17:48:39

I wouldn't of gotten so wound up in the first place were there not a reason

Daniel: 17:48:44

But I am hardly upset with you about it.

Daniel: 17:48:50

Well, you never mentioned the reason.

Daniel: 17:49:06

And I do not need to know.

Isibella: 17:49:07

yes you were upset

Daniel: 17:49:30

I am upset when you say things like "you don't understand"

Isibella: 17:49:35

you said you were obsessed

Daniel: 17:49:39

without giving me an opportunity to do so.

Daniel: 17:49:48

I am obsessed with understanding you.

Daniel: 17:50:00

I am obsessed with conquering your hangups and limitations.

Daniel: 17:50:08

I am obsessed with these because I love you.

Isibella: 17:50:13

I am trying to say "you don't understand and cannot understand because it is something I am unwilling to explain about."

Daniel: 17:50:29

I want you...

Daniel: 17:50:38

I want you to willingly explain yourself.

Daniel: 17:50:45

I want you to want me to know you.

Isibella: 17:50:57

I really did not think I was being rude, I genuinely thought you didn't want to talk to me in your silence

Isibella: 17:51:05

it felt so horribly akward

Daniel: 17:51:10

Because when I know you, I can understand you.

Daniel: 17:51:19

And I think you would like someone to understand you.

Daniel: 17:51:34

I think it gives you great comfort.

Isibella: 17:51:40

no

Daniel: 17:51:45

Yes. It does.

Isibella: 17:51:46

I don't need that..

Daniel: 17:51:51

Yes. You do.

Daniel: 17:52:04

Far more than you admit to.

Isibella: 17:52:06

it just means they have the means to abuse you further

Daniel: 17:52:23

And?

Daniel: 17:52:43

If I wanted to abuse you...

Daniel: 17:52:53

... I have plenty of means.

Isibella: 17:53:49

which I don't need to add to

Daniel: 17:54:00

you do!

Daniel: 17:54:33

You are afraid of trusting me...

Daniel: 17:55:05

but with all the things I know about you... have I ever betrayed that?

Isibella: 17:55:08

i'm going to lay down, you have succeeded in honestly upsetting me, which is only fair considering I did the same to you.

Daniel: 17:55:18

It was not my intent.

Daniel: 17:55:28

My intent was merely for you to apologize and call back.

Daniel: 17:55:50

If you'd like, you may still.

Daniel: 17:56:12

I thought perhaps you found my presence comforting.

Daniel: 17:57:01

I remain disappointed and displeased.

Isibella: 17:58:51

I am happy to suffer alone

Daniel: 17:58:55

I am not.

Isibella: 18:00:01

then find someone who will cease your suffering

Daniel: 18:00:10

I am not happy for you to suffer alone.

Daniel: 18:00:14

I am not suffering?

Daniel: 18:00:57

I am not suffering.

Isibella: 18:00:59

oh

Isibella: 18:01:06

I thought you meant

Isibella: 18:01:10

nevermind

Daniel: 18:01:12

I'm trying to say...

Daniel: 18:01:16

I love you.

Isibella: 18:01:36

you don't, you hate me as I cause you so much displeasure

Daniel: 18:01:43

?

Daniel: 18:01:51

What does love have to do with displeasure?

Daniel: 18:02:05

I love you whether you please me or not.

Daniel: 18:02:19

Do you imagine that when I spank you I do not love you?

Daniel: 18:02:39

That when I wrestle with you to get my way that I do not love you?

Daniel: 18:03:21

Do you cease to love me when I do not please you?

Daniel: 18:03:53

I am certain that I will displease you...

Daniel: 18:05:26

You should call me.

Daniel: 18:05:54

Need I elaborate why?

Isibella: 18:06:02

I will call you tomorrow, I do not feel well, ok?

Daniel: 18:06:22

No, not really.

Daniel: 18:06:55

But, you will do what pleases you.

Daniel: 18:07:18

Or not, as the case may be.

Isibella: 18:07:45

no, not really? what is that supposed to mean?

Daniel: 18:07:59

It is not really okay for you to wait until tomorrow to call me.

Daniel: 18:08:11

For then I will not be able to say a proper good night.

Isibella: 18:08:32

fine then I will not call you tomorrow either?

Daniel: 18:08:34

I will not be able to convey how much I love you.

Daniel: 18:08:49

And I will not be able to ask you to dream sweet dreams.

Daniel: 18:08:58

You will call me when you can.

Daniel: 18:09:31

I await you.

Daniel: 18:10:05

My voice and my loving awaits you.

Daniel: 18:10:22

To soothe you into a peaceful sleep.

Isibella: 18:11:21

I wish I didn't feel so ill

Daniel: 18:11:40

I wish you did not either.

Daniel: 18:12:25

And it frustrates me that I can do nothing to help...

Daniel: 18:12:30

...not even speak to you.

Daniel: 18:13:30

Nevertheless, you are still stubborn and spiteful for not calling me.

Daniel: 18:13:48

But I still love you.

Isibella: 18:13:57

goodnight daniel...I hope the rest of your day is filled with fu interesting things

Daniel: 18:14:08

I wish you would call.

Daniel: 18:14:15

It does displease me.

Daniel: 18:14:18

Goodnight.

Daniel: 18:16:49

I do hope that you learn the importance of pleasuring before sleeping...

Daniel: 18:17:05

Every daytime a little lifetime.

Daniel: 18:17:12

Every night a little death.

Isibella: 18:17:39

I don't know, perhaps i'll bleed to death lol

Daniel: 18:18:00

Why is that funny?

Isibella: 18:18:13

because you say "every night a little death"

Daniel: 18:18:22

Ah.

Daniel: 18:18:25

Perhaps you will.

Daniel: 18:18:38

Perhaps I will crash my car on the way down the mountain.

Daniel: 18:18:46

And you will never hear my voice again.

Isibella: 18:19:09

I wouldn't need to

Isibella: 18:19:26

It stays with me in my head

Daniel: 18:19:39

Does it say a proper goodnight to you?

Daniel: 18:21:47

I hope that it does and that it sings to you a lullaby...

Daniel: 18:22:14

"Once there was a way..."

Isibella: 18:22:50

I don't even know that, I only know one lullaby

Daniel: 18:22:56

Oh dear, I suspect the voice in your head doesn't know the lyrics.

Isibella: 18:23:03

and they upset me anyway

Daniel: 18:23:05

For I have never sung it to you before.

Daniel: 18:23:12

It is a beautiful song.

Daniel: 18:23:53

Perhaps tomorrow, if you call before bed.

Daniel: 18:23:58

Perhaps not.

Isibella: 18:24:50

quite

Daniel: 18:25:38

Goodnight Perdita.

Daniel: 18:26:13

I await your call.

Daniel: 18:26:42

...when you are stronger.

Isibella: 18:27:10

Daniel

Isibella: 18:27:17

you know I will not call you

Daniel: 18:27:17

Yes, my love?

Daniel: 18:27:53

Then I cannot sing to you.

Daniel: 18:29:09

Must be embarrassing to be shackled by your own stubbornness.

Isibella: 18:29:13

I do not want that from you..It isn't right for me to dwell in the past on things my parents didn't do for me

Isibella: 18:29:28

I do not need lullabys

Daniel: 18:29:47

It's hardly a matter of need.

Daniel: 18:29:54

It's simply a matter of pleasure.

Isibella: 18:30:04

I do not want them

Daniel: 18:30:16

Seemingly not.

Isibella: 18:30:45

I do not want help from anyone, I am perfectly able to look after myself

Isibella: 18:30:58

and so I will contact you again when I feel better

Daniel: 18:31:18

I very much doubt you will.

2006-12-04

Daniel: 06:55:33

I hear you...

Daniel: 06:55:35

you do not hear me?

Isibella: 06:55:51

no

Daniel: 06:55:54

Speakers plugged in?

2006-12-11

Daniel: 10:06:05

Good morning.

Daniel: 10:06:08

Afternoon.

Isibella: 10:09:37

evening

Isibella: 10:09:39

;))

Daniel: 10:09:46

Hey pretty girl.

Daniel: 10:09:51

Did you sleep well?

Isibella: 10:09:55

like a rock

Daniel: 10:10:07

You have no idea how much that pleases me.

Daniel: 10:10:57

Did you wish your mother a happy birthday?

Daniel: 10:14:18

Have to run into Lockheed.

Daniel: 10:14:20

Call me?

Isibella: 10:14:36

sure, pass me a number? XD

Daniel: 10:15:59

I sent it to you in email!

Daniel: 10:16:11

So you can easily find it... it's in the subject line :P

Isibella: 10:16:21

in..

Isibella: 10:16:26

the angelactress one?

Isibella: 10:16:26

because..

Isibella: 10:16:40

while I was drunk I changed the password and because I was drunk I forgot the password

Daniel: 10:16:47

020 7193 6955

Daniel: 10:16:51

brilliant!

Isibella: 10:16:55

and now i've totally discovered there is no way of getting it back XD

Daniel: 10:16:59

ah well

Daniel: 10:17:03

abandon it

Isibella: 10:17:07

yes

Daniel: 10:17:08

time to start a new persona

Isibella: 10:17:14

if only so much shit wasn't connected to it

Isibella: 10:17:21

like paypal etc

Isibella: 10:17:29

passwords for other things etc

Daniel: 10:17:39

we can start new paypal accounts as well

Daniel: 10:17:46

no worries

Isibella: 10:17:55

ok :)

Isibella: 10:18:12

what about all those..things on my msn messenger, er..zombies rather

Daniel: 10:18:28

well, I'm sure you can easily start a new collection

Daniel: 10:19:02

I sent email to choc-au-lait just now asking about US distribution.

Daniel: 10:19:23

I think the better strategy is to simply copy their idea.

Daniel: 10:19:48

Nevertheless, seemed reasonable to contact them.

Daniel: 10:20:00

I think shipping chocolate overseas is probably a nuisance.

Isibella: 10:20:08

I understand

Daniel: 10:20:10

Especially one with a very low melting temperature.

Isibella: 10:20:15

might...melt!

Daniel: 10:20:45

I think we can become awesome chocolatiers rather easily.

Daniel: 10:21:01

Plus, then we can make recipes.

Isibella: 10:21:53

never, ever give away the recipe!!

Daniel: 10:22:01

:D

Isibella: 10:22:37

would almost be great to have two sticks in one, one for the actual hot chocolate, and one with a higher melting point for licking

Daniel: 10:22:46

clever idea

Isibella: 10:22:46

then you could mix and match ordering flavours

Isibella: 10:22:51

you know, mint and chocolate

Isibella: 10:22:57

or light and dark

Isibella: 10:22:58

etc

Daniel: 10:23:08

very clever indeed

Isibella: 10:23:22

it's for the freaks like me who can't stop licking

Isibella: 10:23:32

and end up with a cup of watery milk

Daniel: 10:24:13

I think making chocolates would be very enjoyable.

Isibella: 10:25:53

mm...chocolate

Daniel: 10:26:09

Especially if we specialized in sexy chocolate :)

Daniel: 10:27:08

You know, like in the sexy film. :)

Daniel: 10:28:37

Have to go sign a contract and extract money.

Daniel: 10:28:47

Call if you like, and I'll be back later afternoon.

Isibella: 10:28:49

i'm totally thinking of other things you could do with that chocolate stick...

Daniel: 10:28:51

Are you going back today?

Daniel: 10:28:55

Or staying for birthday?

Isibella: 10:28:59

staying

Isibella: 10:29:07

principle, and...food

Daniel: 10:29:22

Just so as those "other things" aren't related to birthday candles...

Daniel: 10:29:23

ahem.

Isibella: 10:30:07

2158

where you could put the stick

Isibella: 10:30:23

if it were in another shape of chocolate, at a low melting point

Daniel: 10:34:05

you are a strange girl.

Daniel: 10:34:15

some might even say kinky.

Daniel: 10:34:49

be good, kinky girl.

Daniel: 10:34:54

I need to go make money.

2006-12-12

Isibella: 08:40:52

grumbles did you take the batteries out of my speakers?

2006.11.11

2006-11-11

Daniel: 07:34:39

Hey.

Daniel: 11:09:41

Find me.

Daniel: 11:36:29

hi

Daniel: 11:36:43

phone died?

Isibella: 11:39:37

oh

Daniel: 11:39:45

hi

Isibella: 11:39:45

no I got depressed and hung up

Isibella: 11:39:52

it's ok though

Daniel: 11:39:55

why depressed?

Isibella: 11:39:57

I got your email

Isibella: 11:40:04

i'm going to have champers with my mother

Daniel: 11:40:16

are you still depressed?

Isibella: 11:40:16

she is wonderful

Daniel: 11:40:19

she is.

Daniel: 11:40:33

you are wonderful too.

Isibella: 11:40:35

we'll work something out..

Daniel: 11:40:40

we will.

Daniel: 11:40:55

universe brought us this far...

Isibella: 11:41:12

I spoke to Laura's rents about when they moved to america and they siad it took them a year and a half to apply for a green card before the visa

Daniel: 11:41:22

is for immigration.

Isibella: 11:41:27

and they basically told me it was impossible

Daniel: 11:41:34

that's ridiculous.

Daniel: 11:41:43

you can visit indefinitely.

Daniel: 11:41:54

if you want to work her...

Daniel: 11:42:02

you can either get married,

Daniel: 11:42:16

in which case, you get green card

Daniel: 11:42:23

or you apply for immigration

Daniel: 11:42:28

which takes a while

Isibella: 11:42:28

I'm going to stay in England

Daniel: 11:42:36

hmm?

Daniel: 11:42:41

call me?

Isibella: 11:42:42

no

Daniel: 11:42:47

I feel very left out.

Daniel: 11:42:56

Like that painful left out.

Isibella: 11:42:57

I need to think

Daniel: 11:43:10

Think with me?

Daniel: 11:43:20

Please.

Isibella: 11:43:27

the only other thing I can do is get a student visa

Daniel: 11:43:36

yes

Isibella: 11:43:47

which only lasts 3 years, but it's still something..

Daniel: 11:43:50

do you feel you need to work?

Isibella: 11:44:15

I don't mind either way

Daniel: 11:44:32

then why not just visit for 3 months at a stretch?

Isibella: 11:44:44

there is a catch 22 with that

Daniel: 11:45:05

I want to marry you.

Isibella: 11:45:07

you can only visit for 3 months per year, you can't stay 3 months, go home
them come back for another 3 months

Daniel: 11:45:16

I don't think that's right?

Daniel: 11:45:47

I'm quite certain it is not.

Isibella: 11:45:48

my mother thinks that because my father worked for the cia and has this perma weird visa thing that he might be able to do something

Daniel: 11:45:51

Would impede business.

Daniel: 11:46:28

You just can't stay for more than 90 days at a time.

Daniel: 11:46:36

You can come right back.

Daniel: 11:47:05

You can't change your status while you are on VWP (Visa Waiver Program)

Daniel: 11:47:19

I love you.

Daniel: 11:47:23

I love you very very much.

Isibella: 11:47:35

i'm stuck here in england, that's that

Daniel: 11:47:40

I don't understand.

Isibella: 11:47:53

I went with my father to see manon's grave today, it was all emotional and weird

Daniel: 11:48:01

If you want to stay, then stay.

Daniel: 11:48:14

But if you want to be with me, then we will make it so.

Daniel: 11:48:20

I would like to talk...

Daniel: 11:49:02

...

Daniel: 11:49:14

You are being silly.

Daniel: 11:49:44

I'm not trying to pressure you.

Daniel: 11:49:48

I just don't understand.

Isibella: 11:49:55

don't understand what>

Daniel: 11:49:59

Where you are.

Daniel: 11:50:09

What you want.

Isibella: 11:50:09

not where I want to be!

Isibella: 11:50:16

I hate winchester, I hate england

Daniel: 11:50:18

I thought I did.

Isibella: 11:50:19

I hate my family

Isibella: 11:50:21

etc etc

Daniel: 11:50:27

Then come.

Isibella: 11:50:32

I can't!

Daniel: 11:50:35

You can.

Daniel: 11:50:46

You get a passport, hop on the plane, and you are here.

Isibella: 11:50:59

I need to save my fathers money first

Daniel: 11:51:11

Agreed.

Daniel: 11:51:12

Details.

Isibella: 11:51:26

apparently if I go to the finance department at winchester and leave before december then he gets it back

Daniel: 11:51:30

But reassure me of your will.

Isibella: 11:51:43

also he thinks that 4 years from now if i'm over 21 I can just go straight to oxford rather than ucl

Daniel: 11:51:57

That would be nice.

Daniel: 11:52:32

I spoke with my mother this morning.

Daniel: 11:52:38

She was pleasantly disposed.

Daniel: 11:52:46

Is looking forward to meeting you.

Daniel: 11:53:22

Laura clued in her folks yesterday as well.

Isibella: 11:53:58

ok..

Daniel: 11:54:25

She is on way to New York today.

Daniel: 11:54:59

It occurs to me that all this will be so much easier while holding your hand.

Isibella: 11:55:07

yes..

Isibella: 11:55:12

I love you

Daniel: 11:55:19

I love you

Isibella: 11:55:21

my parents are ok, they want us to be happy

Daniel: 11:55:35

mine too.

Isibella: 11:55:48

my brother michael is ecstatic

Daniel: 11:55:55

I'm sure.

Isibella: 11:55:58

anthony wants to kill you

Daniel: 11:56:08

Fair enough.

Isibella: 11:56:08

he sent me a message today

Isibella: 11:56:24

"I am gonna find the thing you love the most and kill it."

Isibella: 11:56:30

I mean, what the hell does that mean?

Daniel: 11:56:55

That's not very brotherly.

Daniel: 11:57:14

I mean, is he protecting you?

Daniel: 11:57:16

What the hell?

Isibella: 11:57:38

yeah lol I didn't tell me parents about the message just that he wasn't happy

Isibella: 11:57:43

so my mother said she'd talk to him

Daniel: 11:57:55

you might tell them about the message?

Daniel: 11:58:01

that's really not healthy...

Daniel: 11:58:52

anything creepy I need to know about you and your brother's relationship?

;))

Daniel: 11:59:15

is he secretly in love with you like on Lost? :p

Daniel: 12:00:05

fears she fainted

Daniel: 12:02:29

...

Isibella: 12:02:54

talking to my brother

Isibella: 12:02:57

talking*

Daniel: 12:02:58

ah

Daniel: 12:03:02

good good

Daniel: 12:03:07

does he want to talk to me?

Daniel: 12:04:55

<http://www.cohomefinder.com/p/80120/327196.htm>

Daniel: 12:09:06

Am thinking we will buy a cute little house near downtown Littleton.

Daniel: 12:09:31

So we can walk to shops and food and rail.

Daniel: 12:24:00

since, you know, you can't drive :P

Isibella: 12:29:05

back

Daniel: 12:29:12

how did it go?

Daniel: 12:31:07

by "back" you mean....?

Daniel: 19:09:06

You.

Isibella: 19:09:18

no.

Daniel: 19:09:26

no?

Daniel: 19:09:34

yes.

Isibella: 19:09:37

no!

Daniel: 19:09:39

yes!

Daniel: 19:10:18

you want to be motivated by fear?

Isibella: 19:10:29

?

Daniel: 19:10:48

you are responding from fear.

Daniel: 19:11:00

you are afraid that it will go badly, and so you would rather not even try.

Isibella: 19:11:40

no I know that for you and I it would be wonderful

Isibella: 19:11:51

but for everyone else, the majority it would not be the case

Daniel: 19:11:57

for who?

Daniel: 19:12:01

who really cares?

Daniel: 19:12:23

you think your parents will lose sleep over this?

Isibella: 19:12:45

my parents clearly, my brothers, your wife, your son, your parents etc etc
etc

Daniel: 19:12:55

they are environment.

Daniel: 19:13:00

and easily swayed.

Daniel: 19:13:13

Imagine for a moment that things go really well.

Daniel: 19:13:28

That you publish your Egyptology book and make, say, \$100,000.

Daniel: 19:13:46

Zahi Hawass agrees to write the forward.

Daniel: 19:14:14

Let's say that happens.

Isibella: 19:14:16

ok

Daniel: 19:14:37

Everyone on your side now thinks this was a spectacularly good idea.

Daniel: 19:15:06

On my side, I am justified by being with such a clever and mature woman.

Daniel: 19:15:18

All that, from creating a single work of art.

Isibella: 19:15:34

yes but zahi only likes professionals

Daniel: 19:15:45

You are missing the point.

Isibella: 19:15:51

no I am not

Daniel: 19:15:53

Our parents don't care about Zahi.

Daniel: 19:16:01

That was strictly for your benefit.

Daniel: 19:16:19

You and I are both in the same situation of requiring ourselves to do impossible things.

Daniel: 19:16:28

If we succeed, it will be glorious.

Daniel: 19:16:33

If we fail, it will be pathetic.

Daniel: 19:16:38

So let's not fail.

Daniel: 19:16:48

Let's actually be what we know we will be.

Daniel: 19:16:53

Let us inspire them.

Isibella: 19:17:10

I just wish our audience wasn't so scary

Isibella: 19:17:16

some of them have knives you know?

Daniel: 19:17:19

They really aren't.

Isibella: 19:17:23

I see them glinting in the back rows

Daniel: 19:17:44

There are some who are weak and afraid, it's true.

Daniel: 19:18:00

So they have shiny knives to distract from their own frailty.

Daniel: 19:18:25

Indeed, it is these who we really must inspire.

Daniel: 19:18:57

We will succeed. Because we must.

Isibella: 19:18:58

I really must sleep but consider the plan for our immediate future that you will tell my father when he rings, I have every faith that you can convince him

Isibella: 19:19:54

I've set him up to listen, now you must deliver the blow of enlightenment

Daniel: 19:20:00

I will.

Isibella: 19:20:02

good

Daniel: 19:20:07

You know I will.

Isibella: 19:20:14

I know you know

Isibella: 19:20:35

i'll speak to you tomorrow beforehand

Daniel: 19:20:45

I look forward to that more than anything.

Daniel: 19:20:55

I miss your voice, Miss Woodley.

Isibella: 19:20:58

like a warmup etc

Daniel: 19:21:03

I miss you whispering secrets in my ear.

Isibella: 19:21:05

I miss your voice also Mr.McShan!

Isibella: 19:21:11

I miss your warmth..

Isibella: 19:21:33
night night
Daniel: 19:21:39
I miss yours too...
Isibella: 19:21:48
haha you mean my coldness?
Daniel: 19:21:52
Your warmth is inside.
Daniel: 19:22:10
Inside you are warm.
Daniel: 19:22:17
I long to be inside you again.
Isibella: 19:22:43
I..
Isibella: 19:22:54
Goodnight, I love you.
Daniel: 19:23:01
Goodnight, my love.
Daniel: 19:23:06
Dream sweet dreams for me.
Daniel: 19:23:12
Dream sweet dreams for you.

2006.10.31

2006-10-31

Daniel: 06:27:02
Hello, my soul.
Isibella: 06:37:05
goodmorning my ka!
Daniel: 06:37:21
welcome back
Daniel: 06:37:29
any exciting adventures?
Isibella: 06:41:21
aren't there always?
Daniel: 06:49:07

do tell. do tell.

Daniel: 06:55:28

or not ;)

Isibella: 06:59:33

would you like to see some more?

Daniel: 06:59:47

I would!

Daniel: 07:03:10

how exciting!

Daniel: 07:04:15

....

Daniel: 07:04:19

It's beautiful.

Daniel: 07:04:34

I...

Daniel: 07:04:39

I am in love.

Isibella: 07:05:03

smiles

Daniel: 07:05:18

It...

Daniel: 07:05:31

It looks like you.

Daniel: 07:05:36

I cannot explain.

Isibella: 07:05:39

what?

Daniel: 07:05:57

Perhaps it is just your style

Daniel: 07:06:07

Since your draw yourself so often.

Daniel: 07:06:15

I know... weird, huh?

Isibella: 07:06:22

lol it's a man!

Isibella: 07:06:23

XD

Isibella: 07:06:29

it's horus

Daniel: 07:06:36

I know, I know

Daniel: 07:06:53

But though the eye itself was fierce,

Daniel: 07:06:58

It's aspect is softer.

Isibella: 07:07:08

I added stuff to it

Daniel: 07:07:13

It's feathers downy.

Daniel: 07:07:26

I want to stroke it!

Daniel: 07:07:28

:P

Isibella: 07:07:37

stroke it then!

Daniel: 07:07:44

It really is so enigmatic.

Daniel: 07:08:17

So fierce, yet so sensitive.

Daniel: 07:08:19

You know?

Isibella: 07:08:27

Egyptian falcons are cute, they wont bite you!

Daniel: 07:09:33

It is the most beautiful work of yours I've seen.

Isibella: 07:09:41

<http://freestockphotos.com/EGYPT/FalconTut.JPG>

Daniel: 07:09:53

It is cute!

Isibella: 07:10:14

look

Isibella: 07:10:53

<http://www.touregypt.net/featurestories/horus5.jpg> this was a specially made little gold mask for a pet falcon after it died

Daniel: 07:11:07

How cool!!!

Daniel: 07:11:12

I want a pet falcon.

Isibella: 07:11:20

they used to coat them in gold and have naked women mourning them, it was awesome to be a falcon

Isibella: 07:13:21

I found this image and I really liked it, it's a sort of modern osiris feeding a ba in the underworld <http://www.deviantart.com/deviation/29848660/?qo=5&q=egypt+>

Daniel: 07:13:54

That is cool.

Daniel: 07:16:13

Are you going to give Horus a body?

Daniel: 07:16:37

I don't know that I would.

Daniel: 07:16:51

I like the eye centered on the page

Daniel: 07:17:04

But you might extend it slightly to that end?

Daniel: 07:17:09

I'm no artist.

Daniel: 07:17:46

It really is impressive.

Isibella: 07:26:55

well you see I had a little horus falcon statue but I left it at home, tiny gold one so I paid homage in the image lol

Daniel: 07:31:10

You should continue on this egyptian theme for future art.

Daniel: 07:31:25

It suits you very well.

Daniel: 07:31:31

That eye is so...

Daniel: 07:31:34

beguiling.

Isibella: 07:31:36

almost done

Perdita Caroline Woodley: 06:25:19

don't call me

Daniel: 06:25:26

why?

Daniel: 06:25:49

are we fighting?

Daniel: 06:26:52

are you fighting?

Perdita Caroline Woodley: 06:27:09

did you forget last night so soon?

Daniel: 06:27:20

didd you?

Perdita Caroline Woodley: 06:27:25

no

Daniel: 06:27:50

then how are we fighting?

Daniel: 06:29:49

as I recall, you broke a promise, wouldn't apologize, and wouldn't even say you loved me.

Perdita Caroline Woodley: 06:30:02

that is correct

Daniel: 06:30:11

thats hardly reason not to talk now

Perdita Caroline Woodley: 06:30:33

I will never talk to you again

Daniel: 06:30:40

really?

Daniel: 06:30:56

something I said?

Perdita Caroline Woodley: 06:31:30

shouldn't you be getting ready or something?

Daniel: 06:31:44

I'm getting ready to leave you for all eternity.

Daniel: 06:31:50

Isn't that good enough?

Perdita Caroline Woodley: 06:32:14

yes

Daniel: 06:32:28

This is your will, then?

Perdita Caroline Woodley: 06:32:32

yes

Daniel: 06:32:43

Without rhyme, wihtout reason?

Daniel: 06:34:01

You are certain?

Perdita Caroline Woodley: 06:34:15
certain

Daniel: 06:35:04

Think it'll work?

Perdita Caroline Woodley: 06:35:38
you don't want to be late

Daniel: 06:35:47

I won't be.

Daniel: 06:36:31

Can you stop this nonsense on your own?

Daniel: 06:36:42

Do you have that control?

Daniel: 06:36:59

Or shall I save you?

Perdita Caroline Woodley: 06:37:06
oh yes, i've already stopped the nonsense

Daniel: 06:37:23

Clearly not.

Daniel: 06:37:38

Since you cannot even tolerate the sound of my voice.

Daniel: 06:38:00

And you fear my words.

Perdita Caroline Woodley: 06:38:04

I will never have to tolerate it again, or you mine.

Daniel: 06:38:12

As you wish...

Daniel: 06:38:15

Hi.

Daniel: 06:38:23

Remember me?

Daniel: 06:38:44

Answer the phone.

Perdita Caroline Woodley: 06:38:44
go to work

Daniel: 06:38:53

Stop. Answer the phone.

Perdita Caroline Woodley: 06:39:07
it's really not happening this time

Daniel: 06:39:11

Answer the phone.

Daniel: 06:39:28

Don

Daniel: 06:39:39

Don't be so stubborn and prideful.

Daniel: 06:40:01

Were it truly your will, you would have nothing to fear.

Perdita Caroline Woodley: 06:40:08

I threw my sim card out the window, unplugged my wall phone, blocked you on msn, and I can just cut your calls on skype

Daniel: 06:40:18

But why?

Daniel: 06:40:34

Because your friends told you to?

Daniel: 06:40:38

How strong.

Daniel: 06:40:41

How powerful.

Perdita Caroline Woodley: 06:40:42

my friends?

Perdita Caroline Woodley: 06:40:55

No no no...I decided this all on my own last night.

Perdita Caroline Woodley: 06:41:04

that is why you should be afraid

Perdita Caroline Woodley: 06:41:09

because it is my own will for once

Daniel: 06:41:28

But where did these thoughts come from?

Perdita Caroline Woodley: 06:41:36

your words

Daniel: 06:41:50

They were not in your head yesterday afternoon, before you drank.

Perdita Caroline Woodley: 06:42:02

well that was before I attempted to confide in you

Perdita Caroline Woodley: 06:42:07

don't worry, I wont be doing that again

Daniel: 06:42:14

Why not?

Daniel: 06:42:21

I didn't even scold you.

Daniel: 06:42:28

Nor mock you.

Daniel: 06:42:33

Nor tease nor taunt.

Daniel: 06:43:01

All of which might have been grounds for your present dismissal.

Perdita Caroline Woodley: 06:43:07

i'm not out to upset you with pointless typed words, so just go and make some money for your family, ok?

Daniel: 06:43:17

I did want you to say that you loved me before you slept.

Daniel: 06:43:36

But I was not upset that you broke your promise, just worried for your well being.

Daniel: 06:43:54

So you can understand why I don't really understand this anger of yours.

Perdita Caroline Woodley: 06:44:03

it isn't even anger

Daniel: 06:44:04

How did you come to be upset?

Perdita Caroline Woodley: 06:44:05

it is just fact

Perdita Caroline Woodley: 06:44:25

i'm not angry, nor upset, i'm just telling you how it is

Daniel: 06:44:40

Except...

Daniel: 06:44:45

That's really not how it is.

Daniel: 06:44:51

You are clearly unhappy with us.

Perdita Caroline Woodley: 06:44:57

you should respect my wishes, and my wish is for you to leave me be

Daniel: 06:45:17

And wish to destroy us, without poetry.

Daniel: 06:45:18

Why?

Daniel: 06:45:31

Because of Leo, I suspect...

Daniel: 06:45:42

Somethe he said to you while you were drunk, no doubt.

Daniel: 06:45:53

And now you are all walking upside down about it.

Daniel: 06:45:59

Remember me.

Daniel: 06:46:01

Remember us.

Perdita Caroline Woodley: 06:46:08

you aren't making this very easy

Daniel: 06:46:10

This is not how it is.

Perdita Caroline Woodley: 06:46:19

I really don't want to have to block you on here also

Daniel: 06:46:22

It's not my job to let go of you.

Daniel: 06:46:32

It is my job... my purpose... to love you.

Perdita Caroline Woodley: 06:46:38

get a new purpose

Daniel: 06:46:39

To love you with the passion of the universe.

Daniel: 06:46:43

To never let you go.

Daniel: 06:46:56

I cannot get a new purpose.

Perdita Caroline Woodley: 06:46:56

other people love me, so get in line or get out

Perdita Caroline Woodley: 06:47:01

yes you can

Daniel: 06:47:08

But you do not love other people.

Perdita Caroline Woodley: 06:47:13

that is true..

Daniel: 06:47:15

You do not even love yourself.

Daniel: 06:47:18

You love me.

Daniel: 06:47:26

You love me with ineffable fury.

Daniel: 06:47:43

With a passion unknown since the creation of this very universe.

Perdita Caroline Woodley: 06:47:51

do not place words in my head

Daniel: 06:48:04

Can you express it?

Daniel: 06:48:30

You tried to tell Leo.

Daniel: 06:48:36

Did he understand?

Perdita Caroline Woodley: 06:48:37

go to work

Daniel: 06:48:44

I would rather die.

Daniel: 06:49:03

If it is your will to kill me. Do so now.

Perdita Caroline Woodley: 06:49:13

i'm not out to kill you

Perdita Caroline Woodley: 06:49:16

just to leave you

Perdita Caroline Woodley: 06:49:24

you will learn from it

Perdita Caroline Woodley: 06:49:30

and be stronger for it

Daniel: 06:49:41

You are a fool.

Daniel: 06:49:47

You have forgotten everything.

Perdita Caroline Woodley: 06:49:48

No leo is the fool.

Daniel: 06:50:06

You have listened to a fool, who knows nothing of himself, of you, or of the universe.

Daniel: 06:50:27

You know better.

Perdita Caroline Woodley: 06:50:30

he is like me

Daniel: 06:50:39

For every time you listen to him, you become like him.

Daniel: 06:50:49

And say things like "he is like me"

Daniel: 06:50:59

And then you are upside down.

Daniel: 06:51:09

And the world is ugly and to be trodden upon.

Daniel: 06:51:17

The sky seems a flaming hellfire.

Daniel: 06:51:39

And the mud of the earth is the highest you can reach.

Daniel: 06:51:55

You are told where to be... who to be...

Daniel: 06:52:02

And you seek your revenge for it.

Daniel: 06:52:11

You may be like him...

Perdita Caroline Woodley: 06:52:11

you know he is dating a girl who is in her late 30's...She uses him as a toy-boy but he is going to marry her, for the money

Daniel: 06:52:24

You may be like whomever you choose.

Daniel: 06:52:44

I think that you should choose wisely.

Daniel: 06:52:51

You are not like him.

Daniel: 06:52:58

Someone sent him to Winchester.

Perdita Caroline Woodley: 06:53:23

he asked me to help compose a letter to her..

Perdita Caroline Woodley: 06:53:35

it was ridiculous

Daniel: 06:53:39

How touching.

Daniel: 06:53:57

He just wants to fuck you...

Perdita Caroline Woodley: 06:54:08

doesn't everyone?

Daniel: 06:54:12

Because you said he couldn't.

Perdita Caroline Woodley: 06:54:18

quite

Daniel: 06:54:22

Doesn't everyone?

Daniel: 06:54:29

I don't.

Daniel: 06:54:46

I don't fuck muddy upside down women. :P

Daniel: 06:54:49

I have standards.

Perdita Caroline Woodley: 06:54:56

quite, so go to work already

Daniel: 06:55:11

I'd rather help you right yourself and wash you off.

Daniel: 06:55:21

It's far more rewarding.

Daniel: 06:55:45

This isn't you.

Perdita Caroline Woodley: 06:55:50

I do not care

Daniel: 06:55:53

Even your head knows better.

Daniel: 06:56:04

Love me.

Daniel: 06:56:06

Love me now.

Daniel: 06:56:11

Without delay.

Perdita Caroline Woodley: 06:56:21

I will never love you again

Daniel: 06:56:26

You have never stopped.

Daniel: 06:56:40

It's not the way such things work.

Daniel: 06:56:56

You are an alcoholic, you know.

Perdita Caroline Woodley: 06:57:02

I know

Perdita Caroline Woodley: 06:57:07

I have never doubted that?

Perdita Caroline Woodley: 06:57:14

I admit it frequently

Daniel: 06:57:29

And drinking seems to alter your personality.

Perdita Caroline Woodley: 06:57:32

I'm sure I could be desperately happy with Jay

Daniel: 06:57:40

If you like.

Perdita Caroline Woodley: 06:57:45

am I durnk now? I don't think so...I am stone sober

Perdita Caroline Woodley: 06:57:53

drunk* (blush)

Daniel: 06:58:08

No, but it alters you...

Perdita Caroline Woodley: 06:58:14

how do you mean?

Daniel: 06:58:16

Even if you are not physically hung over.

Daniel: 06:58:28

It weakens your control over your self.

Daniel: 06:58:39

Thoughts and ideas enter when you are intoxicated.

Daniel: 06:58:44

And they do not leave.

Perdita Caroline Woodley: 06:58:45

oh shut up with the control line, i'm so done with it.

Perdita Caroline Woodley: 06:59:07

yes and I am set on this one..it will not leave

Daniel: 06:59:08

It's never been about control.

Daniel: 06:59:15

That was just a game.

Daniel: 06:59:20

It is about you and I..

Perdita Caroline Woodley: 06:59:27

there is no you and I

Daniel: 06:59:40

About the only man you ever allowed yourself to love.

Daniel: 06:59:54

Who knows you completely... all of you.

Daniel: 07:00:01

Who knows your evils...

Daniel: 07:00:12

And who still loves you.

Perdita Caroline Woodley: 07:00:19

I will allow myself to love again, it just will not be you

Daniel: 07:01:02

Maybe.

Perdita Caroline Woodley: 07:01:05

it is nto me you should be worried about

Daniel: 07:01:34

It is funny, you know, because I was actually thinking about leaving you yesterday.

Perdita Caroline Woodley: 07:01:53

then we are settled

Daniel: 07:01:56

No.

Daniel: 07:02:02

We are not settled.

Perdita Caroline Woodley: 07:02:06

it is so much better when both can agree

Daniel: 07:02:15

I did not say that I agree.

Perdita Caroline Woodley: 07:02:19

well I am settled, with or without you

Daniel: 07:02:27

If you like.

Daniel: 07:02:48

You can never destroy Truth and Beauty.

Perdita Caroline Woodley: 07:03:10

have a good day Mr Mcshan, i'll now block you in a vain attempt to actually get you to go and make some money for your family, afterall they are the ones you will be spending eternity with

Daniel: 07:03:12

You insisted that you would try once again to do so.

Daniel: 07:03:18

Please.

Daniel: 07:03:24

Do not block me.

Daniel: 07:03:32

In fact, unblock me from MSN.

Daniel: 07:03:36

It is so childish.

Daniel: 07:03:48

If you are serious, then be a woman about it.

Daniel: 08:01:48

I have sent you voicemail on Skype.

Isibella: 19:34:29

2006.10.15

Perdita Caroline Woodley: 09:19:56

Daniel: 09:49:16

Daniel: 09:49:24

Perdita Caroline Woodley: 09:50:53

Daniel: 09:51:37

Perdita Caroline Woodley: 09:52:03

Daniel: 09:52:11

Perdita Caroline Woodley: 09:52:27

yes

Daniel: 09:53:05

good good

Daniel: 09:53:11

I had the coolest dream, you know...

Daniel: 09:53:16

I never dream.

Daniel: 09:54:33

do send email...

Daniel: 09:54:45

I'd like to read it on the airplane.

Daniel: 09:55:22

Be peaceful, my beloved.

Daniel: 09:55:25

All is well.

Perdita Caroline Woodley: 09:57:03

I will...

Daniel: 10:03:39

My love for you transcends all limits... when I come to you it is not merely over the ocean of water, but across the oceans of time and of space. I am coming for you.

Daniel: 10:03:48

Now, I really am rather late.

Daniel: 10:03:53

tata

Perdita Caroline Woodley: 10:06:28

love you, bye

Daniel: 18:52:05

Hello prettiest girl!

Daniel: 18:56:08

I am in Mojave. In there very same room where once before, so many months ago, we saved ourselves (yet again!) from certain death.

Daniel: 19:07:19

This time, however, I have a portable wireless router, so I shall not be pacing to and fro on the short leash of the headset.

Daniel: 19:08:01

Of course, this time we are not going to be fighting, so perhaps I'll hang out on the bed instead...

Daniel: 19:08:32

Actually, am considering investing in a WiFi Skype phone which is kinda like yours but works with any access point.

Daniel: 19:08:57

I am going to go and find drunk colleagues now...

Daniel: 19:09:03

You are, of course, sleeping.

2006.10.14

Daniel: 10:23:34

You are not here?

Daniel: 10:24:00

You are not here.

Perdita Caroline Woodley: 10:53:58

oh

Perdita Caroline Woodley: 10:54:03

I am here

Daniel: 10:54:29

Well, hello here. I am now. Please to meet you.

Daniel: 10:55:09

Did you acquire the desired vessel?

Perdita Caroline Woodley: 10:55:22

no..

Perdita Caroline Woodley: 10:55:24

but!

Perdita Caroline Woodley: 10:55:34

I got some beautiful red high heels with ribbons on!

Daniel: 10:55:55

Can you make tea in them?

Perdita Caroline Woodley: 10:56:12

no!

Daniel: 10:56:33

Well, perhaps it is good to be flexible in ones goals.

Perdita Caroline Woodley: 10:56:59

I thought they would be perfect for the little red outfit

Daniel: 10:57:17

Did you buy the little red outfit?

Perdita Caroline Woodley: 10:57:23

but that plan has failed also

Perdita Caroline Woodley: 10:57:29

they don't ship internationally!

Daniel: 10:57:35

Pity.

Perdita Caroline Woodley: 10:57:51

and the costume isn't sold over here, I was again distraught, so i'm going to take other measures

Daniel: 10:57:55

Perhaps it is a sign.

Perdita Caroline Woodley: 10:58:06

oh no..I'll have this outfit

Daniel: 10:58:32

so that the wolves may devour you?

Perdita Caroline Woodley: 10:58:55

I'm going to buy it then have it shipped to Israels address or jerry's in the USA, then have one them ship it to me

Perdita Caroline Woodley: 10:58:58

of*

Daniel: 10:59:12

How clever.

Daniel: 10:59:23

And you are having k-k-k-kent pick up the tab?

Daniel: 10:59:33

And israel/jerry for shipping?

Perdita Caroline Woodley: 10:59:34

I already asked Israel but he wanted pictures in return so I wasn't so impressed

Daniel: 11:00:24

I'm hurt you didn't ask me ;)

Perdita Caroline Woodley: 11:00:36

you don't have money, it is as simple as that

Daniel: 11:00:44

haha

Daniel: 11:01:12

You don't really know anything about moeny, do you?

Daniel: 11:01:19

It's not real...

Perdita Caroline Woodley: 11:01:29

??

Daniel: 11:01:52

I've never had any money.

Perdita Caroline Woodley: 11:02:06

shock

Daniel: 11:02:16

And yet I have almost a million dollars of real estate, take fabulous vacations, and buy fabulous playgrounds.

Daniel: 11:02:27

And have a fabulous girlfriend.

Perdita Caroline Woodley: 11:02:35

are you in debt?

Daniel: 11:02:53

Of course.

Daniel: 11:03:07

Let me guess... you imagine debt is bad.

Perdita Caroline Woodley: 11:03:14

@.@;

Perdita Caroline Woodley: 11:03:28

when there is interest involved it is worse than bad

Daniel: 11:03:36

Not at all.

Perdita Caroline Woodley: 11:03:48

that is my father's one rule, never get in debt, always have others in debt to you

Daniel: 11:03:59

Perhaps in personal relations.

Daniel: 11:04:10

But otherwise it's a silly rule.

Daniel: 11:05:15

There is a cost to all money, debt or not.

Daniel: 11:05:36

There is, for instance, a cost in time.

Daniel: 11:06:10

The house I live in presently will cost me about \$1M over the life of the debt.

Daniel: 11:06:20

In theory it will appreciate more than that.

Daniel: 11:07:16

You, for instance.

Daniel: 11:07:32

I have invested a lot of energy in us...

Daniel: 11:07:36

will it appreciate?

Daniel: 11:07:42

will it pay dividends?

Daniel: 11:07:45

I believe it will.

Perdita Caroline Woodley: 11:07:56

haha

Perdita Caroline Woodley: 11:07:59

sorry about that

Daniel: 11:08:01

goodness.

Daniel: 11:08:07

that was exciting!

Perdita Caroline Woodley: 11:08:10

lol

Daniel: 11:08:26

what's with the shackles?

Perdita Caroline Woodley: 11:08:49

I wish I could fit more in

Daniel: 11:09:35

Don't we all...

Daniel: 11:10:06

So what inspired the Justin homage?

Daniel: 11:11:05

...

Daniel: 11:11:08

You are busy.

Perdita Caroline Woodley: 11:11:08

oh

Perdita Caroline Woodley: 11:11:09

sorry

Perdita Caroline Woodley: 11:11:11

I am not!

Daniel: 11:11:15

Shall I find you later?

Perdita Caroline Woodley: 11:11:23

er, if you like

Daniel: 11:11:31

Only if I need to.

Daniel: 11:11:48

I, myself, am more available now.

Daniel: 11:12:02

Soon, we will go to pumpkin patch!

Perdita Caroline Woodley: 11:12:07

errr?

Perdita Caroline Woodley: 11:12:11

worries

Daniel: 11:12:23

About the pumpkin patch?

Perdita Caroline Woodley: 11:12:33

I..

Perdita Caroline Woodley: 11:12:42

I hear there are squirrels in pumpkin patches...

Daniel: 11:12:51

Hmm... probably not in this one.

Perdita Caroline Woodley: 11:12:52

and that's not a joke, I just imagine there to be

Daniel: 11:13:03

But I'll keep an eye out for them.

Perdita Caroline Woodley: 11:13:20

heehee you are the best!

Perdita Caroline Woodley: 11:13:33

i'll stay by you forever if you promise to protect me from the squirrels

Daniel: 11:13:50

I will protect you from the squirrels.

Perdita Caroline Woodley: 11:13:58

I love you!

Daniel: 11:14:08

All too easy.

Daniel: 11:14:08

:P

Perdita Caroline Woodley: 11:14:16

my father has actually gone off to Dunsfold this late at night just to pick up the phone for me!

Perdita Caroline Woodley: 11:14:24

Soon i'll be able to make up the phone bills XD

Daniel: 11:14:30

Quite.

Perdita Caroline Woodley: 11:14:33

he must be happy or something

Perdita Caroline Woodley: 11:14:41

perhaps I should make him tea for when he returns

Daniel: 11:14:47

I think you should.

Perdita Caroline Woodley: 11:14:50

omg

Perdita Caroline Woodley: 11:14:51

he is here!

Perdita Caroline Woodley: 11:14:53

Daniel: 11:15:45

Perdita Caroline Woodley: 11:26:53

Perdita Caroline Woodley: 11:27:05

Daniel: 11:30:21

well done!

Daniel: 11:30:29

extreme tea!

Perdita Caroline Woodley: 11:30:35

yeahh!

Perdita Caroline Woodley: 11:30:51

my father brought me a nice watch also

Daniel: 11:31:05

so you will know just how late you are?

Perdita Caroline Woodley: 11:31:10

apparently so that I'll never be late for lectures

Daniel: 11:31:28

of course.

Daniel: 11:31:33

if only you had a watch!

Perdita Caroline Woodley: 11:32:11

wont give me food, but will give me a watch lol

Daniel: 11:33:11

it is all rather amusing

Daniel: 11:33:35

do you have a new cell number?

Perdita Caroline Woodley: 11:33:47

no, it will be the same I think

Daniel: 11:34:03

then the plan is the same?

Daniel: 11:34:06

(e.g. no plan?)

Perdita Caroline Woodley: 11:34:12

I couldn't see a charger in the box either

Perdita Caroline Woodley: 11:34:15

and no sim card...

Daniel: 11:34:25

imagine that

Daniel: 11:35:06

ah well, whats \$900/month... ;)

Perdita Caroline Woodley: 11:35:26

jesus

Daniel: 11:36:03

Jesus wasn't \$900/month...

Daniel: 11:36:14

He saved the world for free.

Daniel: 11:36:31

You are worth just that much more!

Daniel: 11:38:49

So in December, I can change my london skype in 020 to a different area code: 121,131,141,161?

Daniel: 11:39:00

Are those also mobile numbers?

Daniel: 11:39:50

You there?

Perdita Caroline Woodley: 11:39:59

Perdita Caroline Woodley: 11:41:34

Daniel: 11:41:43

Daniel: 11:46:47

Daniel: 11:47:15

Daniel: 17:49:12

Your cum... will taste lovely.

Daniel: 17:49:28

I will drink it like nectar.

Perdita Caroline Woodley: 17:50:08

I wonder if there is a pineapple anonymous support group

Perdita Caroline Woodley: 17:50:58

Have you ever tried pineapple ice cream!? Because I have, I once had a proper pineapple that had the fruit scooped out and in replacement was this pineapple icecream it was simply divine!

Perdita Caroline Woodley: 17:51:15

I'm also quite the fan of coconut milk

Perdita Caroline Woodley: 17:52:18

wow the ice cream was EXACTLY like this <http://www.primorski.net/pineapple%20sorbet>

Daniel: 17:53:18

Do you like pina colada?

Perdita Caroline Woodley: 17:53:28

Daniel: 17:54:37

I love pineapple sorbet.

Perdita Caroline Woodley: 17:55:13

I just think it is such a clever way to present it

Daniel: 17:55:39

Have you ever had pineapple fried rice like that?

Daniel: 17:55:47

Also most clever.

Perdita Caroline Woodley: 17:56:53

Daniel: 17:57:19

You know what fried rice is?

Perdita Caroline Woodley: 17:57:48

2006-08-22

Daniel: 11:16:15

How dare you respond to teases of being boring with being more boring!

Daniel: 11:16:24

You are suppose to be spiteful and interesting.

Daniel: 11:16:45

Why, you don't know how to play this game at all.

Daniel: 11:17:30

I think you are boring because you are afraid... which is really very surprising to me, you know?

Daniel: 11:17:45

I had really thought that you'd be game for just about anything.

Daniel: 11:18:12

It is rather peculiar to me... and alluring...

Daniel: 11:19:37

Such a strange girl..

Daniel: 11:20:11

I think you really are shy...

Daniel: 11:20:26

How wonderful.

Daniel: 11:20:54

Come back... be mine...

Daniel: 11:27:02

Where did you go?

Daniel: 11:27:10

Surely you are not so easily scared away?

Perdita Caroline Woodley: 11:31:30

i am not!

Perdita Caroline Woodley: 11:31:32

anger

Perdita Caroline Woodley: 11:31:46

i'm highly strung this week, more so than a harp or a Violin

Daniel: 11:34:05

all the more reason to relax.

Perdita Caroline Woodley: 11:34:44

mm, I might go soak in a bath

Daniel: 11:35:12

Daniel: 11:35:19

Daniel: 11:36:49

Perdita Caroline Woodley: 11:39:08

wow

Perdita Caroline Woodley: 11:39:15

ollie is famous

Perdita Caroline Woodley: 11:39:24

and not in the good way

Perdita Caroline Woodley: 11:41:40

”Winchester has to be the crappiest place in the world. Not only does it con-

tain a really fat bastard townie who thinks he's cool with his amazing white F reg Volkswagen Polo which feels like it's gear box is going to fall out, but also lives a stupid dippy fraudulent little shit who has a hairy ass and doesn't like admitting he is a townie, thinks he runs the entire town (goes by the name of Ollie Pack)"

Perdita Caroline Woodley: 11:43:03

Ollie Pack is the same guy who brought me drinks that night I phoned you from Guildford, then let me stay round that house! And didn't lay a finger on me.

Daniel: 11:44:24

Well...

Perdita Caroline Woodley: 11:44:53

said to me "How much do you earn?" I looked at him oddly and said. "About 5:60 an hour on a weekend job?" he said "Right well I earn 12:20 an hour manging a construction site, money means nothing to me, here." and handed me a 10 pound note LOL so I had to pretend I was really in awe about his job

Perdita Caroline Woodley: 11:45:31

he only gets offended if you don't let him buy you drinks or give you money

Daniel: 11:46:36

well, seems like a nice guy whose a bit full of himself, but no harm...

Daniel: 11:47:26

you are not interested in adventure or excitement with me today?

Daniel: 11:47:54

Clearly not. I will stop asking.

Daniel: 11:48:42

Just making a point that you are boring ;)

Perdita Caroline Woodley: 11:48:48

...

Perdita Caroline Woodley: 11:48:52

I can go again if you like

Daniel: 11:48:57

You may watch me drink tea if you like.

Daniel: 11:49:18

I can even be naked, if it interests you ;)

Perdita Caroline Woodley: 11:49:31

you have something I want to see

Daniel: 11:49:47

Do I?

Perdita Caroline Woodley: 11:49:51

you do

Daniel: 11:50:01

what is that?

Perdita Caroline Woodley: 11:52:46

!

Daniel: 11:52:46

you've already seen my tea cup...

Perdita Caroline Woodley: 11:52:56

that's not good enough i'm afraid

Perdita Caroline Woodley: 11:53:06

I want more, where is my gallery!? *stare*

Daniel: 11:53:24

soon...

Perdita Caroline Woodley: 11:54:44

smiles. I don't really need an entire gallery, but a picture would be nice

Daniel: 11:54:53

yes?

Perdita Caroline Woodley: 11:55:01

a picture speaks a thousand words

Daniel: 11:55:26

yes... it does...

Daniel: 11:55:42

and a video....

Perdita Caroline Woodley: 11:55:47

!

Perdita Caroline Woodley: 11:55:51

omg

Daniel: 11:55:54

your pictures speak epic poetry to me....

Daniel: 11:57:30

to bad you won't be around tomorrow...

Perdita Caroline Woodley: 11:57:38

oh

Perdita Caroline Woodley: 11:57:41

why am I not again?

Perdita Caroline Woodley: 11:57:46

I seriously keep forgetting..

Perdita Caroline Woodley: 11:57:50

oh!

Perdita Caroline Woodley: 11:57:53

I will be

Perdita Caroline Woodley: 11:58:12

I'm not going up to york, I broke the news to Laura

Daniel: 11:58:23

oh?

Daniel: 12:00:51

I think that's wise.

Perdita Caroline Woodley: 12:01:28

sighs

Daniel: 12:02:25

You do not like to be foolish and you do not like to be wise.

Daniel: 12:02:31

Tell me, princess, what do you like?

Perdita Caroline Woodley: 12:03:25

I like..

Perdita Caroline Woodley: 12:04:44

I like the air you know?

Daniel: 12:05:27

Yes... you like breathing it?

Perdita Caroline Woodley: 12:05:52

No..

Perdita Caroline Woodley: 12:05:54

I just like it

Perdita Caroline Woodley: 12:06:01

the feel of it

Daniel: 12:06:44

I like the air in the mountains...

Daniel: 12:06:51

I also like ocean breeze.

Perdita Caroline Woodley: 12:06:54

isn't it rather thin up there?

Daniel: 12:07:05

It is very thin, yes...

Daniel: 12:07:11

But also very pure.

Perdita Caroline Woodley: 12:07:27

talk?

Perdita Caroline Woodley: 12:07:30

what is this word..

Daniel: 12:07:52

talk?

Daniel: 12:07:53

what?

Perdita Caroline Woodley: 12:07:56

what?

Daniel: 12:07:58

Daniel: 12:08:00

what?

Perdita Caroline Woodley: 12:08:03

Daniel: 12:08:06

Perdita Caroline Woodley: 12:08:08

Perdita Caroline Woodley: 12:08:21

Perdita Caroline Woodley: 12:08:41

change positions! *Pushes him out the chair into the next.*

Perdita Caroline Woodley: 12:08:46

Would you like 3 sugar or 12?

Daniel: 12:08:59

Oh, none for me...

Perdita Caroline Woodley: 12:09:10

pours him a cup of sugar.

Daniel: 12:09:21

Why, thank you.

Daniel: 12:09:27

talk?

Perdita Caroline Woodley: 12:09:32

talk?

Daniel: 12:09:33

you just like the ring.

Daniel: 12:09:37

it makes you feel wanton.

Perdita Caroline Woodley: 12:09:39

I can't hear it!

Daniel: 12:09:46

I mean wanted.

Perdita Caroline Woodley: 12:09:56

Daniel: 18:10:31

No you?

Perdita Caroline Woodley: 18:10:37

Daniel: 18:10:40

Daniel: 18:10:48

Perdita Caroline Woodley: 18:10:48

Perdita Caroline Woodley: 18:10:53

Daniel: 18:13:08

Because of music?

Daniel: 18:13:11

Very well.

Perdita Caroline Woodley: 18:13:31

give me a moment

Daniel: 18:13:35

But, well, then I cannot read you poetry.

Daniel: 22:59:55

Perdita Caroline Woodley: 23:00:01

Daniel: 23:00:09

LOL

Daniel: 23:00:14

I do not lie to you.

Daniel: 23:00:17

Talk to me now.

Daniel: 23:00:35

Have you ever read Dr Seuss?

Daniel: 13:43:39

"Green Eggs and Ham"?

Daniel: 13:48:02

Coffin Text Spell 173: NOT TO EAT FAECES AND NOT TO DRINK URINE IN THE REALM OF THE DEAD. What I doubly detest, I will not eat. Faeces is my detestation, and I will not eat it. Filth shall not enter into this mouth of mine, and I will not eat it with my mouth, I will not touch it with my finger, I will not tread on it with my toes, because I will not eat faeces for you, I will not eat it with a fox, I will not eat it in a box, I will not eat it in a house, I will not eat it with a mouse. I will not eat faeces, I do not like it, Sam-I-am.

Perdita Caroline Woodley: 14:29:13

phew, that was a crazy evening!

Daniel: 14:29:30

yes?

Daniel: 14:29:37

shall we talk about it?

Perdita Caroline Woodley: 14:30:41

what did you get up to this night?

Daniel: 14:30:50

I ate Thai food.

Daniel: 14:31:05

I played with syncing my telephone and to do lists.

Daniel: 14:31:24

I contacted australian positioning people about reselling their project

Daniel: 14:31:29

I met with my employee and schemed

Daniel: 14:31:41

I worked on our soundtrack a bit

Perdita Caroline Woodley: 14:31:54

I entertained Luke's snivelling over a Chinese meal.

Daniel: 14:32:01

sniveling?

Perdita Caroline Woodley: 14:32:07

The Chinese was good though!

Daniel: 14:32:09

that isn't very charitable.

Daniel: 14:32:14

did you eat tofu?!

Perdita Caroline Woodley: 14:32:24

no we ate lots of meat

2006.08.01

Daniel: 06:48:55

hihi

Perdita Caroline Woodley: 06:56:12

it's not working..

Daniel: 06:56:25

not working?

Perdita Caroline Woodley: 06:56:30

no

Perdita Caroline Woodley: 06:56:32

...

Daniel: 06:56:35

:(

Perdita Caroline Woodley: 06:56:37

and it is all plugged in

Perdita Caroline Woodley: 06:56:38

sobs

Perdita Caroline Woodley: 06:56:40

brb

Daniel: 06:56:49

is it ringing?

Perdita Caroline Woodley: 06:59:02

ok try now?

Perdita Caroline Woodley: 07:00:12

I could not hear you

Perdita Caroline Woodley: 07:00:13

?

Perdita Caroline Woodley: 07:00:43

k

Daniel: 13:28:36

Miss Woodley!

Daniel: 13:29:32

I...

Daniel: 13:29:34

hmm

Perdita Caroline Woodley: 13:31:14

oh

Perdita Caroline Woodley: 13:31:18

sorry

Perdita Caroline Woodley: 13:31:19

I just..

Daniel: 13:31:22

oh! hello.

Perdita Caroline Woodley: 13:31:30

i'm trying to reply to something

Daniel: 13:31:31

You just?

Daniel: 13:31:46

Reply to something that isn't my business?

Daniel: 13:32:06

(but probably should be?) ;)

Daniel: 13:32:25

very well.

Daniel: 13:33:10

...sorry to have disturbed you.

Perdita Caroline Woodley: 13:35:00

well

Perdita Caroline Woodley: 13:35:09

it is your business

Perdita Caroline Woodley: 13:35:42

I got pissed off with these letters, so I just asked out frank if it was Abby or Shaun

Daniel: 13:36:12

and?

Perdita Caroline Woodley: 13:37:50

I cannot show you this..

Daniel: 13:38:01

why not?

Perdita Caroline Woodley: 13:38:14

I will not either, for your own good.

Daniel: 13:38:20

What?

Daniel: 13:38:28

Don't be ridiculous.

Daniel: 13:38:41

If you had wished to conceal it, you should have done so.

Daniel: 13:39:20

Surely we know each other well enough by now to avoid this foolishness?

Daniel: 13:40:26

Miss?

Daniel: 13:40:28

Hello?

Daniel: 13:40:30

...

Perdita Caroline Woodley: 13:40:49

you knew of these bloody letters anyway, well I can show you this letter but, in truth, you will see that when I get this next reply that I cannot show you

Perdita Caroline Woodley: 13:40:54

this at least will show you why, ok?

Daniel: 13:41:14

I am lost?

Daniel: 13:41:19

but I'll play along.

Daniel: 13:41:33

does this really need to be so dramatic?

Daniel: 13:42:13

as always, it is your silence that is most annoying

Daniel: 13:43:18

phone me?

Daniel: 13:44:18

Honestly, this is foolish. I can imagine nothing you cannot show me.

Daniel: 13:45:10

Miss Woodley... this is quite intolerable.

Daniel: 13:45:34

!

Perdita Caroline Woodley: 13:45:50

I'll email it

Perdita Caroline Woodley: 13:47:20

and for irony it has a poem of Byron, how strange as today I was looking at one of his Venice homes for sale on the web and wondered of him!

Perdita Caroline Woodley: 13:47:38

What marvellous coincidences!

Perdita Caroline Woodley: 13:47:42

irony***

Perdita Caroline Woodley: 13:47:57

there it is sent

Daniel: 13:48:01

And I was to read you it...

Daniel: 13:48:42

Canto 4, Childe Harold? :)

Daniel: 13:50:17

You must reply that you cannot keep such a secret.

Daniel: 13:50:23

I will not tolerate it.

Daniel: 13:50:38

You must not make such promises to others... it is bad form.

Perdita Caroline Woodley: 13:52:12

Looks distraught. But...

Daniel: 13:52:16

"I stood in Venice, on the Bridge of Sighs;

A palace and a prison on each hand"

Daniel: 13:52:19

But nothing.

Perdita Caroline Woodley: 13:52:29

But...

Daniel: 13:52:32

Perdita, this is childish and quite beneath you.

Perdita Caroline Woodley: 13:52:45

I want to know who it is!

Daniel: 13:52:51

If you want to be mine, all mine, then we have no secrets.

Daniel: 13:53:21

Then find out... but you surely understand that you cannot keep it a secret from me,

Daniel: 13:53:32

Let alone meet this person secretly.

Perdita Caroline Woodley: 13:53:36

They asked me not to tell you

Perdita Caroline Woodley: 13:53:40

don't you see!?

Perdita Caroline Woodley: 13:53:50

Look..

Perdita Caroline Woodley: 13:53:53

thinks

Daniel: 13:53:58

Yes, good idea.

Perdita Caroline Woodley: 13:54:06

This could work in your favour..

Daniel: 13:54:19

Give me a reason to leave you forever?

Daniel: 13:54:23

Sure, it could..

Daniel: 13:54:45

You do what you must.

Daniel: 13:54:54

You know my feelings on the matter...

Daniel: 13:54:58

and I suspect you already did.

Perdita Caroline Woodley: 13:55:17

Say...My thoughts are correct and that this is indeed Abby..? Then if it were the case and I were to talk with her I could convince her otherwise and in turn you might even have her!

Daniel: 13:55:27

She lives in New Hampshire.

Daniel: 13:55:38

It is not Abby.

Perdita Caroline Woodley: 13:55:51

It is not Shaun either

Daniel: 13:55:54

And even if it was...

Perdita Caroline Woodley: 13:56:02

leaving only one other option

Daniel: 13:56:07

Jimi!

Perdita Caroline Woodley: 13:56:09

John? But it speaks against John

Perdita Caroline Woodley: 13:56:12

No you idiot

Daniel: 13:56:15

hehe

Perdita Caroline Woodley: 13:56:16
it can only be someone who was there

Perdita Caroline Woodley: 13:56:22
to see me give the letter to john

Daniel: 13:56:23
Oh, right, you said.

Daniel: 13:56:26
Damn.

Perdita Caroline Woodley: 13:56:32
and the only people who were there, was John, Abby and Shaun

Daniel: 13:56:41
Look, either way, you must find out.

Daniel: 13:56:53
I think you should do so and tell me immediately.

Perdita Caroline Woodley: 13:56:57
why?

Daniel: 13:56:57
As we are one.

Daniel: 13:57:07
And such secrets are damaging.

Daniel: 13:57:24
When this person obviously has ill intentions towards me...

Daniel: 13:57:33
you think it's a good idea to keep such promises?

Daniel: 13:57:38
I do not.

Perdita Caroline Woodley: 13:57:38
I have to..I need some morals...I must respect somewhat

Daniel: 13:57:45
Then you must respect us.

Daniel: 13:57:57
Seriously...

Perdita Caroline Woodley: 13:58:07
I do..If you had seen my replies..

Daniel: 13:58:12
you have not inspired me, yes? and now you think this is wise?

Daniel: 13:58:25
you have not kept your promises to me. and you will to this person?

Daniel: 13:58:33
you see how this is?

Daniel: 13:58:35

do you?

Perdita Caroline Woodley: 13:58:43

Looks at the floor.

Daniel: 13:58:54

it is as I have said before...

Daniel: 13:59:07

wander all you like, but please just be responsible...

Daniel: 13:59:35

keep such a secret, but shore up the rather shaky foundation you have begun for our future.

Daniel: 14:00:26

am I being even remotely unreasonable?

Daniel: 14:00:39

your silence hurts.

Daniel: 14:01:08

you know what?

Daniel: 14:01:12

do what ever the fuck you want.

Daniel: 14:01:15

you will anyways.

Daniel: 14:02:48

I am sorry.

Daniel: 14:02:57

I should not leave like that. I hate it when you do.

Daniel: 14:03:18

Just know that you make me sad.

Perdita Caroline Woodley: 14:03:19

..

Perdita Caroline Woodley: 14:03:38

That..

Perdita Caroline Woodley: 14:03:47

cuts me more tan anything you might know

Daniel: 14:04:02

I just...

Daniel: 14:04:22

.

Perdita Caroline Woodley: 14:04:27

...

Daniel: 14:05:03

You do not understand.

Daniel: 14:06:19

That I am yet still starving for you, and you tease me with such a secret...

Daniel: 14:06:35

It is cruel and unusual.

Perdita Caroline Woodley: 14:06:42

cruel and unusual..

Daniel: 14:06:55

You find it otherwise?

Perdita Caroline Woodley: 14:06:55

No, I am at an end with myself

Daniel: 14:07:07

What does that mean?

Perdita Caroline Woodley: 14:07:15

I want to...I do not want to keep secrets from you, ever.

Perdita Caroline Woodley: 14:07:30

But I do not want to betray people, either.

Perdita Caroline Woodley: 14:07:39

I want their respect, and their trust.

Perdita Caroline Woodley: 14:07:41

And so..

Daniel: 14:07:41

You may yet persevere your morals and ethics.

Perdita Caroline Woodley: 14:07:43

I am at an end.

Daniel: 14:08:03

It is not your fault they do not understand that we are one.

Daniel: 14:08:11

Look...

Daniel: 14:08:24

this person quite obviously wants to reveal his/her identity.

Daniel: 14:08:27

more than anything.

Daniel: 14:08:41

Just say that you will have to tell me because we are in love.

Daniel: 14:08:56

This person will still reveal their identity.

Daniel: 14:09:01

And you will be cool.

Perdita Caroline Woodley: 14:09:19

they wont

Perdita Caroline Woodley: 14:09:34

the whole email points to this, the need to know if I will or will not tell you

Perdita Caroline Woodley: 14:09:46

for they fear what knowing might do to them..

Perdita Caroline Woodley: 14:09:53

I do not understand that fear myself..

Daniel: 14:10:04

yes, but you see, they are being weak...

Perdita Caroline Woodley: 14:10:05

For not having hidden myself as such.

Perdita Caroline Woodley: 14:10:12

But I know others who have.

Daniel: 14:10:37

surely if they want you and are so very concerned, they will need to be stronger.

Daniel: 14:10:49

if, you know, they are so very concerned

Daniel: 14:10:59

you are in control of this situation

Daniel: 14:11:01

not them.

Daniel: 14:11:14

demand to know or block them...

Perdita Caroline Woodley: 14:11:40

that wont work, then I wont know anyway, which would be a loss

Perdita Caroline Woodley: 14:11:49

the fear would be greater than the need to rescue

Daniel: 14:11:52

do you play poker?

Perdita Caroline Woodley: 14:11:54

fight of flight as it were

Perdita Caroline Woodley: 14:11:57

I do, texas holdem

Daniel: 14:12:01

it's a bluff...

Daniel: 14:12:24

they obviously want you desperately...

Daniel: 14:12:36

it's obviously somebody you already know

Daniel: 14:12:41

somebody I already know

Perdita Caroline Woodley: 14:12:47

I know people pretty well, if it is anything like myself and someone demands to be told or be blocked i'll just say "Fine, feel free to block me, you still wont know."

Daniel: 14:12:58

it's not anything like yourself, silly

Daniel: 14:13:12

then do not bluff

Daniel: 14:13:41

just say that you will have to tell me, for such a secret would eat away at everything you hold to be True and Beautiful.

Perdita Caroline Woodley: 14:14:07

those are not my words

Daniel: 14:14:12

right

Daniel: 14:14:23

obviously this persons trust is more important than my happiness.

Perdita Caroline Woodley: 14:14:27

why should it bother you who they are anyway?

Daniel: 14:14:30

so I sacrifice my happiness.

Daniel: 14:14:34

obviously it should!

Perdita Caroline Woodley: 14:14:39

why?

Daniel: 14:14:42

or else they would not be so concerned.

Daniel: 14:14:48

...

Daniel: 14:14:52

I don't know why.

Daniel: 14:14:59

I doubt it would bother me at all.

Daniel: 14:15:03

But that's not the point.

Perdita Caroline Woodley: 14:15:22

see!

Perdita Caroline Woodley: 14:15:27

it is the point!

Daniel: 14:15:38

The point is that you TOLD me about it in the first place.

Perdita Caroline Woodley: 14:15:45

I have to go anyway

Daniel: 14:15:49

What?

Daniel: 14:15:57

You really are cruel and unusual to me.

Daniel: 14:16:35

I wanted to read you a fucking poem...

Perdita Caroline Woodley: 14:16:44

sorry, I want to talk I bloody do but my brother is demanding its use to entertain our guest. (Because he cannot find other ways to entertain her clearly!)

Daniel: 14:16:45

Now I am no longer interested.

Daniel: 14:17:04

You are intolerable.

Perdita Caroline Woodley: 14:17:10

and this afternoon you were cruel yourself, so don't give me that..

Daniel: 14:17:16

Impossible?

Daniel: 14:17:18

What?

Daniel: 14:17:22

I was not cruel?

Daniel: 14:17:26

That is ridiculous.

Perdita Caroline Woodley: 14:17:27

you hung up on me!

Perdita Caroline Woodley: 14:17:32

and then did it again!

Daniel: 14:17:39

I did no such thing.

Perdita Caroline Woodley: 14:18:02

you were dismissive at my wanting to apologise and say sorry, and you damned well did, I shouted at you for it!

Daniel: 14:18:15

the first time, I couldn't hear you...

Daniel: 14:18:30

the second time, you didn't want to apologise.

Perdita Caroline Woodley: 14:18:30

k..

Daniel: 14:18:37

When did you want to apologize?

Perdita Caroline Woodley: 14:18:41

because the first time I has, several times!

Daniel: 14:18:48

I heard nothing!

Perdita Caroline Woodley: 14:18:57

and you just were harsh, even if you couldn't hear me it was damn harsh!

Daniel: 14:19:00

You didn't think to write?

Perdita Caroline Woodley: 14:19:02

and the second time was harsh too!

Daniel: 14:19:04

That is ridiculous.

Perdita Caroline Woodley: 14:19:12

well I rang back a third, but you were clearly off by then

Daniel: 14:19:25

I called back to give you an opportunity to say a proper good bye to the man you love rather than being awkward.

Daniel: 14:19:36

That is why I called... not to be harsh?

Daniel: 14:19:50

You were all dismissive and acted like I had done you wrong.

Perdita Caroline Woodley: 14:19:53

Oh look at us!

Perdita Caroline Woodley: 14:19:57

This is stupid!

Daniel: 14:19:58

Impossible girl!

Perdita Caroline Woodley: 14:19:59

Stupid!

Daniel: 14:20:44

!

Daniel: 14:20:47

You're stupid!

Perdita Caroline Woodley: 14:21:02

Throws Gelato at him.

Daniel: 14:21:12

All like, "oh I can't possibly say something nice to him, I love him too much"

Perdita Caroline Woodley: 14:21:23

!

Perdita Caroline Woodley: 14:21:34

You know I damn well have issues with it

Daniel: 14:21:35

And I was going to read you a poem about venice...

Perdita Caroline Woodley: 14:22:03

the birdge of sighs makes me upset, with that tiny little hole in it for prisoners to look out of! It is horrific!

Daniel: 14:22:16

well, it is a lovely poem

Daniel: 14:22:28

but come to think of it...

Daniel: 14:22:34

is a fabulous place to keep you!

Daniel: 14:22:41

out of harms way, yes?

Perdita Caroline Woodley: 14:23:00

Looks in two minds.

Perdita Caroline Woodley: 14:23:29

I could slap you, be thankful you are across the ocean

Daniel: 14:23:54

I would slap you back, you... you... country slut.

Perdita Caroline Woodley: 14:24:44

!!

Daniel: 14:24:53

Now, in this short while, I could have read you a fine poem.

Perdita Caroline Woodley: 14:24:58

YANK!

Daniel: 14:25:18

Instead you allocated energy to unknown troublemaker and whatever this *scrolls up* was

Perdita Caroline Woodley: 14:25:34

You think I want to hear it!? No now i'm going to have someone else read it to me!

Daniel: 14:25:55

Why? So you can torture yourself thinking of me while they do it?

Perdita Caroline Woodley: 14:26:01

!

Daniel: 14:26:06

You spite yourself.

Perdita Caroline Woodley: 14:26:13

I hate you!

Daniel: 14:26:14

There is nothing of me left to spite.

Perdita Caroline Woodley: 14:26:15

I hate you!

Daniel: 14:26:26

Likewise your hate.

Perdita Caroline Woodley: 14:27:27

good!

Daniel: 14:27:46

”The harp the monarch minstrel swept
The King of me, the loved of Heaven,
Which Music hallow’d while she wept
O’er tones her heart of hearts had given,
Redoubled be her tears, its chords are riven!

Daniel: 14:28:49

It soften’d men of iron mould,
It gave them virtues not their own;
No ear so dull, no soul so cold,
That felt not, fired not to the tone,
Till David’s lyre grew mightier than his throne!”

Daniel: 14:29:53

It told the triumphs of our King
It wafted glory to our God
It made our gladden’d valleys ring
The cedars bow, the mountains nod
Its sound aspired to heaven and there abode!

Daniel: 14:30:52

Since then, though heard on earth no more
Devotion and her daughter Love
Still bid the bursting spirit soar
To sounds that seem as from above
In dreams that day’s broad light can not remove.

Daniel: 14:30:57

so there!

Daniel: 14:31:30

A most beautiful poem about a harp, that I would have read to you.

Perdita Caroline Woodley: 14:31:56

sobs

Daniel: 14:32:46

I'm sure your friend will be more than happy to read it to you... :(

Perdita Caroline Woodley: 14:35:07

I would not do that anyway..

Daniel: 14:37:55

I...

Perdita Caroline Woodley: 14:47:13

....No, I'll leave you be, the damage we have caused today is done, you for your denying me my morals and the secrecy others wish to place in me, denying the belief that even if I am unable to say the words "I love you" that I do, that if I do not physically say them then clearly I must not mean it. I see now that as you said on the phone after I said "You know, even if I don't say it, right? Because I do.." You simply said. "No, I don't know." That upset me because I thought you knew, I thought that was the whole point, but maybe I was mistaken... And clearly I was wrong...About it, about us...And also for my damage for denying you the truth that you desire in a pure and beautiful relationship, the freedom from secrets, for me denying you your truth and beauty from stupid little actions and secrets.

Perdita Caroline Woodley: 14:48:27

Goodnight, i'll leave this on, but I wont be here.

Daniel: 14:51:19

hey

Daniel: 14:51:29

wait

Daniel: 14:51:55

...

Daniel: 14:51:56

!!!

Daniel: 14:53:03

Do not go.

Daniel: 14:53:06

Do come back.

Daniel: 14:53:10

This is stupid.

Daniel: 14:54:48

It will keep ringing...

Daniel: 14:54:58

Just answer it already.

Daniel: 14:55:38

There is no damage?

Daniel: 14:55:45

You are being utterly silly.

Daniel: 14:55:51

Of course I know you love me.

Daniel: 14:56:41

As for your "secrets", I don't think it's too much to ask you not to promise other people secrecy so they can seduce you away from me.

Daniel: 14:56:55

Call me crazy...

Daniel: 14:57:24

But you had promised to inspire me... in words? in pictures? in drawings?

Daniel: 14:57:46

I have waited all day for something... for anything.

Daniel: 14:58:13

Instead I get this *scrolls up*?

Daniel: 14:58:25

Clearly we are very much on the wrong page...

Daniel: 14:59:03

I had thought we were to start doing impossible things today.

Daniel: 14:59:44

If I misunderstood, please forgive me.

Daniel: 14:59:58

I thought... we were somewhere else.

Daniel: 15:55:21

sigh

Daniel: 15:57:41

Answer your damn phone...

Daniel: 15:57:58

I won't call back...

Daniel: 15:58:01

You fucking call me.

Daniel: 15:58:40

God you are stubborn...

Daniel: 16:01:44

screams to the universe

Daniel: 16:01:49

hear that?

Daniel: 16:02:24

that's me screaming to the universe.

Daniel: 16:03:51

listens carefully

Daniel: 16:03:59

I hear you...

Daniel: 16:05:31

considers buying a fence

Daniel: 16:05:34

makes tea instead

Daniel: 16:35:36

...

Perdita Caroline Woodley: 22:36:26

stops kissing him.

Perdita Caroline Woodley: 22:36:40

...

Perdita Caroline Woodley: 22:37:04

! You arn't allowed to carry on kissing me when I have stopped!

Perdita Caroline Woodley: 22:37:24

looks shocked.

Perdita Caroline Woodley: 22:38:00

your are bold aren't you?

Perdita Caroline Woodley: 22:38:29

oh dear...

Perdita Caroline Woodley: 22:38:44

Did I mention i'm getting a boob job?

Perdita Caroline Woodley: 22:38:54

what..

Perdita Caroline Woodley: 22:38:58

what are you on about!

Perdita Caroline Woodley: 22:39:01

Are you mad!?

Perdita Caroline Woodley: 22:39:20

that IS crazy talk

Perdita Caroline Woodley: 22:39:36

one day i'll tell you the tale of Sakura

Perdita Caroline Woodley: 22:41:08

clutches her breasts in defence of the thought

Perdita Caroline Woodley: 22:41:54

but..but the thing with small breasts is that they are stupidly sensitive

Perdita Caroline Woodley: 22:43:15

!!

Perdita Caroline Woodley: 22:43:56

fans herself quietly.

Perdita Caroline Woodley: 22:44:09

why don't I doubt that?

Perdita Caroline Woodley: 22:44:55

erm..Yes but a man of his word..

Perdita Caroline Woodley: 22:45:20

well it is normally very different

Perdita Caroline Woodley: 22:45:46

yes men of their words are like..

Perdita Caroline Woodley: 22:45:55

you know, well I don't think they even do sex

Perdita Caroline Woodley: 22:47:23

oh yes..

Perdita Caroline Woodley: 22:47:34

she was about to stab herself..

Perdita Caroline Woodley: 22:47:39

I hated that woman

Perdita Caroline Woodley: 22:48:06

no because she was just so..

Perdita Caroline Woodley: 22:48:15

so rude and like, full of herself

Perdita Caroline Woodley: 22:49:53

I'm sorry but they wont exist for much longer! Well not in that size anyway

Perdita Caroline Woodley: 22:50:31

I have two options of this year, a giant gilded harp or a boob job

Perdita Caroline Woodley: 22:50:43

for both would cost near the same

Perdita Caroline Woodley: 22:51:00

yeah see I *really* want the harp too!

Perdita Caroline Woodley: 22:51:34

LOL

Perdita Caroline Woodley: 22:51:37

oh my god

Perdita Caroline Woodley: 22:52:11

I will not be doing it because you are satisfied or dissatisfied

Perdita Caroline Woodley: 22:53:00
 it is my own, thing, that I crave...
 Perdita Caroline Woodley: 22:53:20
 oh..
 Perdita Caroline Woodley: 22:53:21
 yes..

....what are you trying to say!?

09.07.2006 19:30:11 dan@syzygyx.com [Daniel, Online]

So I was in Toronto to drink when I was 18.

09.07.2006 19:30:21 dan@syzygyx.com [Daniel, Online]

Drinking age is 19 in Canada.

09.07.2006 19:30:25 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

ah Toronto..

09.07.2006 19:30:36 dan@syzygyx.com [Daniel, Online]

So my korean friend Ed and I took train from windsor to Toronto.

09.07.2006 19:30:43 dan@syzygyx.com [Daniel, Online]

We went to Chinatown.

09.07.2006 19:30:49 dan@syzygyx.com [Daniel, Online]

It was way crowded...

09.07.2006 19:30:59 dan@syzygyx.com [Daniel, Online]

yet, I could see for miles over everyone's head.

09.07.2006 19:31:06 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

LOL

09.07.2006 19:31:17 dan@syzygyx.com [Daniel, Online]

09.07.2006 19:31:24 dan@syzygyx.com [Daniel, Online]

And ordered Peking Duck!

09.07.2006 19:31:28 dan@syzygyx.com [Daniel, Online]

09.07.2006 19:31:36 dan@syzygyx.com [Daniel, Online]

Very expensive!

09.07.2006 19:31:47 dan@syzygyx.com [Daniel, Online]

So we wait and wait and wait and wait.

09.07.2006 19:31:51 dan@syzygyx.com [Daniel, Online]

Like for an hour.

09.07.2006 19:32:02 dan@syzygyx.com [Daniel, Online]

Everyone in the place speaks only Chinese.

09.07.2006 19:32:06 dan@syzygyx.com [Daniel, Online]

We grow famished.

09.07.2006 19:32:15 dan@syzygyx.com [Daniel, Online]

They finally bring out the duck!

09.07.2006 19:32:29 dan@syzygyx.com [Daniel, Online]

A plate of fried triangles?

09.07.2006 19:32:36 dan@syzygyx.com [Daniel, Online]

09.07.2006 19:32:43 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

eheheh!

09.07.2006 19:32:46 dan@syzygyx.com [Daniel, Online]

09.07.2006 19:32:59 dan@syzygyx.com [Daniel, Online]

Mmm... yes, I can see why everyone loves Peking duck.

09.07.2006 19:33:03 dan@syzygyx.com [Daniel, Online]

But my, these are oily...

09.07.2006 19:33:12 dan@syzygyx.com [Daniel, Online]

Wow, I am full.

09.07.2006 19:33:17 dan@syzygyx.com [Daniel, Online]

That was the best meal I ever had.

09.07.2006 19:33:26 dan@syzygyx.com [Daniel, Online]

But, wow, how very expensive.

09.07.2006 19:33:40 dan@syzygyx.com [Daniel, Online]

Then, of course, they actually bring out the meal.

09.07.2006 19:33:49 dan@syzygyx.com [Daniel, Online]

Was just fried duck skin...

09.07.2006 19:33:58 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

09.07.2006 20:13:03 dan@syzygyx.com [Daniel, Online]

09.07.2006 20:22:03 dan@syzygyx.com [Daniel, Online]

You just don't know how left over Chinese food makes me...

09.07.2006 20:22:10 dan@syzygyx.com [Daniel, Online]

I could barely type!

09.07.2006 20:22:15 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

!! really?

09.07.2006 20:22:24 dan@syzygyx.com [Daniel, Online]

09.07.2006 20:22:29 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

urm..

09.07.2006 20:22:35 dan@syzygyx.com [Daniel, Online]

I'm particularly sexy today.

09.07.2006 20:23:10 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I see,

09.07.2006 20:23:24 dan@syzygyx.com [Daniel, Online]

You really do know how to distract me...

09.07.2006 20:23:47 dan@syzygyx.com [Daniel, Online]

without actually satiating me.

09.07.2006 20:23:55 dan@syzygyx.com [Daniel, Online]

That IS impressive.

09.07.2006 20:24:25 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I'll have to work out a way of doing it in the flesh also..

09.07.2006 20:24:48 dan@syzygyx.com [Daniel, Online]

Do you have any idea how inspired and energized I would have been?

09.07.2006 20:24:59 dan@syzygyx.com [Daniel, Online]

Why I'd have this dissertation written in a matter of days.

09.07.2006 20:25:05 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

!!

09.07.2006 20:25:27 dan@syzygyx.com [Daniel, Online]

I'm quite serious.

09.07.2006 20:26:51 dan@syzygyx.com [Daniel, Online]

09.07.2006 20:27:13 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I really didn't know it could affect that much!!

09.07.2006 20:27:39 dan@syzygyx.com [Daniel, Online]

You didn't know...?

09.07.2006 20:28:08 dan@syzygyx.com [Daniel, Online]

Surely by now you do not underestimate our love?

09.07.2006 20:28:13 dan@syzygyx.com [Daniel, Online]

It's energy and its powers?

09.07.2006 20:29:26 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I do not.

09.07.2006 20:29:45 dan@syzygyx.com [Daniel, Online]

Perhaps, then, you imagine that universes are created all the time specifically for us?

09.07.2006 20:29:52 dan@syzygyx.com [Daniel, Online]

Which, in fact, they are, but that's not the point.

09.07.2006 20:29:58 dan@syzygyx.com [Daniel, Online]

The point is...

09.07.2006 20:30:02 dan@syzygyx.com [Daniel, Online]

um...

09.07.2006 20:30:04 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

...

09.07.2006 20:30:10 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

listens intently for the point.

09.07.2006 20:30:14 dan@syzygyx.com [Daniel, Online]

smiles

09.07.2006 20:30:56 dan@syzygyx.com [Daniel, Online]

When you finally do let me receive such energies... in words, in voice, on cam, in person...

09.07.2006 20:31:30 dan@syzygyx.com [Daniel, Online]

I will take them and do impossible things for us.

09.07.2006 20:31:47 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

ok deal ^^

09.07.2006 20:31:52 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

offers her hand.

09.07.2006 20:31:57 dan@syzygyx.com [Daniel, Online]

shakes firmly

09.07.2006 20:32:17 dan@syzygyx.com [Daniel, Online]

Until then, I will simply wait patiently.

09.07.2006 20:32:30 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

nod nod

09.07.2006 20:32:32 dan@syzygyx.com [Daniel, Online]

09.07.2006 20:33:32 dan@syzygyx.com [Daniel, Online]

Just biding my time.

09.07.2006 20:33:49 dan@syzygyx.com [Daniel, Online]

hugs her back, in the way that only a frustrated lover can

09.07.2006 20:34:22 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

*has clearly never had that kind of hug before ;p *

09.07.2006 20:34:54 dan@syzygyx.com [Daniel, Online]

Tell me a story.

09.07.2006 20:35:12 dan@syzygyx.com [Daniel, Online]

I want to hear the one about your first lover.

09.07.2006 20:35:27 dan@syzygyx.com [Daniel, Online]

The one I thought was about you losing your virginity, but apparently wasn't.

09.07.2006 20:35:32 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

the druggie

09.07.2006 20:36:33 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I thought about him tonight actually

09.07.2006 20:36:33 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I think it was really because I was just killing for some pot

09.07.2006 20:36:48 dan@syzygyx.com [Daniel, Online]

eyes widen, then relax

09.07.2006 20:37:09 dan@syzygyx.com [Daniel, Online]

But surely he was not the first?

09.07.2006 20:37:26 dan@syzygyx.com [Daniel, Online]

Tell me about the very first boy you pleased.

09.07.2006 20:37:44 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

Oh please I don't even count them as bfs

09.07.2006 20:37:52 dan@syzygyx.com [Daniel, Online]

I didn't say you did.

09.07.2006 20:38:05 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

the druggie was the first I actually had feelings for

09.07.2006 20:38:17 dan@syzygyx.com [Daniel, Online]

I want to hear the first time...

09.07.2006 20:38:28 dan@syzygyx.com [Daniel, Online]

I'm looking for sexy story, not romantic...

09.07.2006 20:38:29 dan@syzygyx.com [Daniel, Online]

:P

09.07.2006 20:39:21 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

ok well, it was at a place named "chaos"

09.07.2006 20:39:32 dan@syzygyx.com [Daniel, Online]

how old were you?

09.07.2006 20:39:42 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

guess

09.07.2006 20:39:47 dan@syzygyx.com [Daniel, Online]

10

09.07.2006 20:39:49 dan@syzygyx.com [Daniel, Online]

:P

09.07.2006 20:39:51 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

!!!

09.07.2006 20:39:58 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I could slap you for that

09.07.2006 20:40:06 dan@syzygyx.com [Daniel, Online]

all in good time...

09.07.2006 20:40:12 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

but you are across the internet so think yourself lucky!

09.07.2006 20:40:23 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I was 14, actually, please, lol.

09.07.2006 20:40:25 dan@syzygyx.com [Daniel, Online]

yeah, I'm REALLY feeling lucky about that...

09.07.2006 20:41:34 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

the boy in question was 16 at the time, which I kid you not seemed like really old to me then!!

09.07.2006 20:43:26 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

and i'd meant to have been going with Lucy and a bunch of other girls at the time, I got in, which I was very chuffed about considering it was for 16+

09.07.2006 20:43:42 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

so I waited for them and they failed to turn up

09.07.2006 20:44:37 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So there I was alone standing by the drinks feeling like an idiot.

09.07.2006 20:45:39 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

and this guy comes up to me and asks why I am all on my own, so I admit to him that my friends bailed on me, but he laughs and smiles and asks me to dance!

09.07.2006 20:45:56 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So we are dancing away to this crappy 90's disco music..

09.07.2006 20:46:17 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

and he tells me he has vodka in his water bottle!

09.07.2006 20:46:32 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

Which again you know, being 14 was a really big thing to me.

09.07.2006 20:47:19 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So i'm drinking this vodka straight, pissed stupid in no time to the point where I could hardly walk.

09.07.2006 20:48:05 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So I attempt to shout to the guy that i'm going to the toilet, which isn't so easy as the music is going so loud.

09.07.2006 20:48:35 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So I wander off into the ladies and the guy follows me in!

09.07.2006 20:49:18 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

now that I think back it sort of makes sense, because of the music being so loud he must of thought I said ” Come to the toilets!” Or something lol...Anyway

09.07.2006 20:49:29 dan@syzygyx.com [Daniel, Online]

hehe

09.07.2006 20:50:13 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So I was slightly freaked out he had followed me in, I turn around to walk out again incase i'd gone into the guys or something...And he pushes me against the wall!

09.07.2006 20:51:14 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

starts kissing me, and i'm sorry but at 14 you have slightly more romantic ideals than this, so I struggled and kicked, hit my head on the hand dryer which didn't help.

09.07.2006 20:52:21 dan@syzygyx.com [Daniel, Online]

I hope you still have more romantic ideals than this?

09.07.2006 20:52:37 dan@syzygyx.com [Daniel, Online]

quickly thinks of the airport, and wishes he hadn't said anything

09.07.2006 20:53:57 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

Anyway, I was hurting in general at that point and I almost, something took over me and I just shut down as he kissed me lower and lower...And when he got to my skirt that was a whole different story lol, wasn't so bad then.

09.07.2006 20:55:55 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

Anyway I've had maybe twelve cases now, including the field where I have come near to loosing it, apparently it gets harder to keep hold of as you get older.

09.07.2006 20:56:11 dan@syzygyx.com [Daniel, Online]

Twelve cases?

09.07.2006 20:56:35 dan@syzygyx.com [Daniel, Online]

Well, such a Scheherazade moment...

09.07.2006 20:56:49 dan@syzygyx.com [Daniel, Online]

I demand to hear each one.

09.07.2006 20:57:00 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

up until 17, they just generally could settle for a kiss of a blow job, you know?

09.07.2006 20:57:03 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

or*

09.07.2006 20:57:15 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

Now it is like..

09.07.2006 20:58:32 dan@syzygyx.com [Daniel, Online]

Well, 13 is a lucky enough number...

09.07.2006 20:59:09 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

my friend Alex W was the only other girl I knew who had also kept a hold on it (I don't count ugly girls in this i'm afraid as they can hang onto it easily!)

09.07.2006 20:59:20 dan@syzygyx.com [Daniel, Online]

LOL

09.07.2006 20:59:29 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

But she actually lost it 2 weeks back now, which upset me greatly

09.07.2006 20:59:34 dan@syzygyx.com [Daniel, Online]

Really?

09.07.2006 20:59:40 dan@syzygyx.com [Daniel, Online]

Was it worth it?

09.07.2006 20:59:44 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

she didn't even tell me right away!

09.07.2006 21:00:46 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

No she regretted it like hell because it was to her best friends boyfriend! And then he went and told his girlfriend what had happened between them!

09.07.2006 21:00:51 dan@syzygyx.com [Daniel, Online]

Ouch.

09.07.2006 21:01:09 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

So she lost her best friend over it, AND her virginity

09.07.2006 21:01:38 dan@syzygyx.com [Daniel, Online]

Well, you almost lost it in a field AND true love... :P

09.07.2006 21:01:50 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

right!

09.07.2006 21:02:03 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

well you know, you have wonderful timing dear

09.07.2006 21:02:11 dan@syzygyx.com [Daniel, Online]

So do you, love...

09.07.2006 21:02:22 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I just...I don't know what I would of said if you had phoned 30 seconds later

09.07.2006 21:02:29 dan@syzygyx.com [Daniel, Online]

Without such timing, we would hardly be here...

09.07.2006 21:02:38 dan@syzygyx.com [Daniel, Online]

But, here we are.

09.07.2006 21:03:12 dan@syzygyx.com [Daniel, Online]

I was quite serious about waiting until we are married... there would be something very poetic about that.

09.07.2006 21:03:57 dan@syzygyx.com [Daniel, Online]

But, if you are so impatient, or concerned that you will find yourself in a field again...

09.07.2006 21:04:05 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

I'd die...I'm having issues here as it is!!

09.07.2006 21:04:09 dan@syzygyx.com [Daniel, Online]

I'm sure we can work out something equally poetic.

09.07.2006 21:04:19 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

you are asking me to wait what? Years!?

09.07.2006 21:04:22 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

5-6 years!?

09.07.2006 21:04:37 dan@syzygyx.com [Daniel, Online]

Would be poetic...

09.07.2006 21:04:48 dan@syzygyx.com [Daniel, Online]

and quite impossible.

09.07.2006 21:05:12 angelactress4u@hotmail.com [Perdy- Lake with no

do I look like Jessica Simpson to you!? No! Please have a heart!

09.07.2006 21:05:25 dan@syzygyx.com [Daniel, Online]

No.

09.07.2006 21:05:26 dan@syzygyx.com [Daniel, Online]

Why?

09.07.2006 21:05:37 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

she waited until she was married!

09.07.2006 21:05:44 dan@syzygyx.com [Daniel, Online]

Really? Sexy.

09.07.2006 21:05:52 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

!! How is that sexy!?

09.07.2006 21:06:17 dan@syzygyx.com [Daniel, Online]

Well, would be if she was waiting for her One True Love.

09.07.2006 21:06:35 angelactress4u@hotmail.com [Perdy- Lake with no water., Online]

yes well she divorced him not long after

09.07.2006 21:06:35 dan@syzygyx.com [Daniel, Online]

In truth, my dear, our marriage will just be a beautiful formality.

09.07.2006 21:07:00 dan@syzygyx.com [Daniel, Online]

We have been wed since the beginning of time.

09.07.2006 21:07:38 dan@syzygyx.com [Daniel, Online]

Dear soul, when the condition comes that we call being a lover, there's no patience,

and no repenting. Both become huge absurdities. See regret as a worm and love

as a dragon. Shame, changable weather. Love a quality that wants nothing. For this

kind of lover love of anything or anyone is unreal. Here, the source and the object are one.

No?

12.07.2006 10:30:50 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Well he is a friend of the family who was living with us.

12.07.2006 10:31:02 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

He has such a front..

12.07.2006 10:31:19 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Appears so nice and sweet that it is actually sickening

12.07.2006 10:31:31 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And behind closed doors he becomes this whole other person

12.07.2006 10:31:46 dan@syzygyx.com [Daniel, Online]

And... let me guess... you end up behind closed doors with him?

12.07.2006 10:32:07 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

No

12.07.2006 10:32:16 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

he is a sleazy bastard

12.07.2006 10:32:36 angelactress4u@hotmail.com [Perdy- Syd, we love

you! RIP!, Online]

when we were alone he would just turn into this sex driven asshole]

12.07.2006 10:33:31 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

He once stopped me and said "I know what you are, you're a sexual predator , a survivor like me."

12.07.2006 10:34:13 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So i'd treat him like shit, and he would keep confronting me when no one was around, and whenever i'd tell my father he wouldn't believe me!!

12.07.2006 10:34:41 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Beuase Paul has this creepily nice front going on, anyway so I set about to bring this guy down and expose him for what he really was

12.07.2006 10:35:34 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I'd have friends round and he'd do his best to try and get in their pants, and I thought there was some way I could catch him

12.07.2006 10:36:13 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

so Anthony, my other brother has his ex girlfriend round just to have dinner and chat, and before the end of the night Paul is sleeping with her in the room next to my brothers!

12.07.2006 10:36:30 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So I told my father this, which he didn't believe!

12.07.2006 10:36:55 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Then Paul asked for a job on the Bond Movie, which my dad got him, £250 a day or something stupid for security!

12.07.2006 10:37:19 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And Paul was caught sleeping twice and wanking off in the car another time! And then ended up walking out on the job!

12.07.2006 10:37:31 dan@syzygyx.com [Daniel, Online]

Sounds like a real winner...

12.07.2006 10:38:15 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So then he got out of hand with trying to chat me up, I went with Chris to a pub and he was there! Trying to touch me up under the table while I was

with my boyfriend, in public!

12.07.2006 10:38:27 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So I told my father again, and this time he was starting to listen

12.07.2006 10:38:33 dan@syzygyx.com [Daniel, Online]

Boyfriend? :P

12.07.2006 10:38:46 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

yes, chris was my boyfriend, ok?

12.07.2006 10:39:17 dan@syzygyx.com [Daniel, Online]

I had no idea... :)

12.07.2006 10:41:33 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So my father has this giant meal and invites half the blue blood of England, you know my God father and everyone, and pays myself, alex G and Paul to as waitress and a waiter, anyway as i'm serving Nina one of my mothers friends who always gossips is talking to Paul, and I could hear my name..So I ventured closer to try and listen

12.07.2006 10:42:19 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

and Nina had told him how I was still a virgin! And they are chatting away about me while i'm in the fucking room!

12.07.2006 10:42:32 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And I can see him glaring over, oh God i'd never been so angry.

12.07.2006 10:43:34 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So I went to my father the next day and told him everything in detail, listed everything Paul had done, including how he had broken my fathers garage and the front of the car.

12.07.2006 10:43:40 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

My father kicked him out that day

12.07.2006 10:44:04 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

So I was happy, Oh God I was happy!

12.07.2006 10:44:21 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And that bliss had you know, gone on for a happy month

12.07.2006 10:44:35 angelactress4u@hotmail.com [Perdy- Syd, we love

you! RIP!, Online]

Then about a week ago

12.07.2006 10:44:43 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Paul rang up begging for his Job back on the bond movie

12.07.2006 10:44:54 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

and asking my father if he could move back into the house with us

12.07.2006 10:45:04 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

and that he'd fix the garage and do all the jobs

12.07.2006 10:45:25 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

My father in short said no and put the phone down, so I thought that was the end of it..

12.07.2006 10:45:28 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

But last night!!

12.07.2006 10:45:41 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I come back to see Paul's car there, in the drive

12.07.2006 10:46:08 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

My father had given in to the bastard!

12.07.2006 10:46:25 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And I was happy to know at first that he'd only be staying for a night

12.07.2006 10:46:42 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

But NOW, now I find out the bastard is staying here for God knows how long!

12.07.2006 10:46:58 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I have to start locking my room again and night and shit, i'm not happy.

Why?

12.07.2006 10:51:02 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Because.

12.07.2006 10:51:16 dan@syzygyx.com [Daniel, Online]

Not on my account, I hope?

Where did you go yesterday, anyhow?

12.07.2006 10:55:50 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Does it really bother you?

12.07.2006 10:56:12 dan@syzygyx.com [Daniel, Online]

Just in that you left without saying anything as I thought we were going to talk...

12.07.2006 10:57:03 dan@syzygyx.com [Daniel, Online]

Which bothered me exceedingly, actually.

12.07.2006 10:57:50 dan@syzygyx.com [Daniel, Online]

But how do I die?

12.07.2006 11:16:21 dan@syzygyx.com [Daniel, Online]

In death, we create.

12.07.2006 11:17:09 dan@syzygyx.com [Daniel, Online]

We take the vast experiences from our former live and fashion ourselves something else entirely.

12.07.2006 11:17:59 dan@syzygyx.com [Daniel, Online]

Sing to the world of our love.

12.07.2006 11:18:12 dan@syzygyx.com [Daniel, Online]

Let it express itself in your every action.

12.07.2006 11:18:19 dan@syzygyx.com [Daniel, Online]

For it is unique in all the world.

12.07.2006 11:18:37 dan@syzygyx.com [Daniel, Online]

And they all want to know it, too.

12.07.2006 11:18:53 dan@syzygyx.com [Daniel, Online]

12.07.2006 11:19:00 dan@syzygyx.com [Daniel, Online]

For I am but the poet...

12.07.2006 11:19:02 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

How do you know?

12.07.2006 11:19:06 dan@syzygyx.com [Daniel, Online]

They are the audience...

12.07.2006 11:19:17 dan@syzygyx.com [Daniel, Online]

I must be here.

12.07.2006 11:19:25 dan@syzygyx.com [Daniel, Online]

But they paid to be here...

12.07.2006 11:19:43 dan@syzygyx.com [Daniel, Online]

With their lives of quiet desperation

12.07.2006 11:20:04 dan@syzygyx.com [Daniel, Online]

They need to bask in this Truth and this Beauty

12.07.2006 11:20:30 dan@syzygyx.com [Daniel, Online]

To remind them why this universe exists.

12.07.2006 11:20:51 dan@syzygyx.com [Daniel, Online]

That their part is important.

12.07.2006 11:21:26 dan@syzygyx.com [Daniel, Online]

This universe... this everything... was fashioned explicitly for us.

12.07.2006 11:23:09 dan@syzygyx.com [Daniel, Online]

But, as with all such things...

12.07.2006 11:23:15 dan@syzygyx.com [Daniel, Online]

it is also our responsibility.

12.07.2006 11:23:43 dan@syzygyx.com [Daniel, Online]

To love and be loved.

12.07.2006 11:24:13 dan@syzygyx.com [Daniel, Online]

12.07.2006 11:26:59 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Of course!

12.07.2006 11:27:11 dan@syzygyx.com [Daniel, Online]

Ye are the light of the world!

12.07.2006 11:27:21 dan@syzygyx.com [Daniel, Online]

Oops.

12.07.2006 11:34:28 dan@syzygyx.com [Daniel, Online]

Thou by the Indian Ganges' side

Shouldst rubies find; I by the tide

Of Humber would complain. I would

Love you ten years before the Flood;

12.07.2006 11:34:41 dan@syzygyx.com [Daniel, Online]

And you should, if you please, refuse

Till the conversion of the Jews.

My vegetable love should grow

Vaster than empires, and more slow.

12.07.2006 11:34:47 dan@syzygyx.com [Daniel, Online]

An hundred years should go to praise

Thine eyes, and on thy forehead gaze;

Two hundred to adore each breast,

But thirty thousand to the rest;

12.07.2006 11:34:57 dan@syzygyx.com [Daniel, Online]

An age at least to every part,

And the last age should show your heart.

For, lady, you deserve this state,

Nor would I love at lower rate.

12.07.2006 11:35:12 dan@syzygyx.com [Daniel, Online]

But at my back I always hear

Time's winged chariot hurrying near;

And yonder all before us lie

Deserts of vast eternity.

12.07.2006 11:35:21 dan@syzygyx.com [Daniel, Online]

Thy beauty shall no more be found,

Nor, in thy marble vault, shall sound

My echoing song; then worms shall try

That long preserv'd virginity,

12.07.2006 11:35:30 dan@syzygyx.com [Daniel, Online]

And your quaint honour turn to dust,

And into ashes all my lust.

The grave's a fine and private place,

But none I think do there embrace.

12.07.2006 11:35:36 dan@syzygyx.com [Daniel, Online]

Now therefore, while the youthful hue

Sits on thy skin like morning dew,

And while thy willing soul transpires

At every pore with instant fires,

12.07.2006 11:35:46 dan@syzygyx.com [Daniel, Online]

Now let us sport us while we may;

And now, like am'rous birds of prey,

Rather at once our time devour,

Than languish in his slow-chapp'd power.

12.07.2006 11:35:54 dan@syzygyx.com [Daniel, Online]

Let us roll all our strength, and all

Our sweetness, up into one ball;

And tear our pleasures with rough strife

Thorough the iron gates of life.

12.07.2006 11:36:01 dan@syzygyx.com [Daniel, Online]

Thus, though we cannot make our sun

Stand still, yet we will make him run.

You who are my only confidant, the only being whom I deem worthy of being my ally and my enemy, always similar in your dissimilarity, always incomprehensible, always a riddle! You whom I love with all the sympathy of my soul, in whose image I form myself, why do you not show yourself? I do not beg you, I do not humbly implore you to show yourself in this way or that; such worship would be idolatry, displeasing to you. I challenge you to battle, who do you not appear? Or has the balance in the world's structure ceased to vibrate, is your riddle solved, so that you too have flung yourself into the sea of eternity? Terrifying thought, in that case the world has come to a standstill from boredom!

12.07.2006 12:00:53 dan@syzygyx.com [Daniel, Online]

I do not strive to conquer you with principles or with what foolish people call character, no, I want to be your poet! I do not want to be a poet for others; reveal yourself, I will be your poet, I consume my own poem, it is my nourishment. Or do you consider me unworthy? Like a bayadere who dances in honor of her god, I have dedicated myself to your service. Lithe, lightly clas, lissome, weaponless, I renounce everything. I own nothing, I wish to own nothing. I love nothing, I have nothing to lose, but for all that I have not become worthier of you, you who long ago must have grown tired of wrenching people from what they love, tired of their craven sighs and craved prayers. Take me by surprise, I am ready; let there be no stakes, let us fight for honor. Show her to me, sho me a possibility that seems to be an impossibility, show her to me among the shades of Hades, I shall fetch her up. Let her hate me, despise me, be indifferent to me, love another - I am not afraid. Only let the waters be troubled, let the silence be broken. To starve me thus is unworthy of you, who consider yourself to be stronger than I am.

...I read that last evening in a book a happened across at the bookstore.

12.07.2006 12:02:11 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Enquires very carefully. Did you write that?

12.07.2006 12:02:22 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

oh god

12.07.2006 12:02:26 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

you did?

12.07.2006 12:02:39 dan@syzygyx.com [Daniel, Online]

It gets better...

12.07.2006 12:02:45 dan@syzygyx.com [Daniel, Online]

it really does.

12.07.2006 12:02:56 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

No I don't want to hear it

12.07.2006 12:03:10 dan@syzygyx.com [Daniel, Online]

No, probably not. It freaked me out very very badly.

12.07.2006 12:03:17 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

sobs I'm freaked out..

12.07.2006 12:03:29 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I thought almost 100% that you had written it

12.07.2006 12:03:50 dan@syzygyx.com [Daniel, Online]

Yes, imagine what I thought!

12.07.2006 12:04:02 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

tell me you wrote it..

12.07.2006 12:04:10 dan@syzygyx.com [Daniel, Online]

I can't.

12.07.2006 12:04:35 dan@syzygyx.com [Daniel, Online]

It begins on April 4th.

12.07.2006 12:04:46 dan@syzygyx.com [Daniel, Online]

Though he doesn't meet the beloved until April 5th.

Her name is Cordelia...

12.07.2006 12:05:37 dan@syzygyx.com [Daniel, Online]

Shakespearean... daughter of King Lear

12.07.2006 12:06:19 dan@syzygyx.com [Daniel, Online]

12.07.2006 12:06:28 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

NO!?:

12.07.2006 12:06:29 dan@syzygyx.com [Daniel, Online]

I just changed the names.

12.07.2006 12:06:56 dan@syzygyx.com [Daniel, Online]

I could send a dozen more.

12.07.2006 12:07:04 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

no

12.07.2006 12:07:11 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I do not believe you

12.07.2006 12:07:45 dan@syzygyx.com [Daniel, Online]

My Cordelia!

12.07.2006 12:09:05 dan@syzygyx.com [Daniel, Online]

Mine, what does this word denote? Not what belongs to me, but what I belong to, what contains my whole being, which is mine insofar as I belong to it. My God, afterall, is not the God who belongs to me, but the God to whom I belong, and the same holds true when I say my native land, my home, my calling, my longing, my hope. If heretofore there had been no immortality, then would this thought, that I am yours, break through nature's customary course.

12.07.2006 12:09:09 dan@syzygyx.com [Daniel, Online]

Your Johannes

12.07.2006 12:09:24 dan@syzygyx.com [Daniel, Online]

My Cordelia!

12.07.2006 12:10:23 dan@syzygyx.com [Daniel, Online]

My love consumes me, only my voice remains, a voice which has fallen in love with you, which everywhere whispers to you that I love you. Oh,

does it tire you to hear this voice? Everywhere it surrounds you; in the same manifold, unsteady manner my reflecting soul encompasses your pure, deep being.

12.07.2006 12:10:27 dan@syzygyx.com [Daniel, Online]

Your Johannes

12.07.2006 12:10:53 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Looks utterly horrified beyond words.

12.07.2006 12:11:31 dan@syzygyx.com [Daniel, Online]

The ending though, is necessarily abrupt...

12.07.2006 12:12:09 dan@syzygyx.com [Daniel, Online]

And, perhaps, cruel.

12.07.2006 12:12:17 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

what happens?

12.07.2006 12:13:03 dan@syzygyx.com [Daniel, Online]

The girl falls hopelessly in love with him, he loses interest and abandons her.

12.07.2006 12:13:11 dan@syzygyx.com [Daniel, Online]

All according to plan.

12.07.2006 12:13:19 dan@syzygyx.com [Daniel, Online]

By design, as it were.

12.07.2006 12:13:27 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

how horrific!

12.07.2006 12:14:10 dan@syzygyx.com [Daniel, Online]

In truth, the book was written as "necessary cruelty" to make his fiance hate him.

12.07.2006 12:14:27 dan@syzygyx.com [Daniel, Online]

To repel her, and "cure" her of her love for him.

12.07.2006 12:14:52 dan@syzygyx.com [Daniel, Online]

He sent back the engagement ring she had bought for him,

12.07.2006 12:15:01 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

she was quite the fool for letting herself fall in love

12.07.2006 12:15:19 dan@syzygyx.com [Daniel, Online]

"Above all forget him who writes this; forgive a man who, though he may be capable of something, is not capable of making a girl happy"

12.07.2006 12:15:37 dan@syzygyx.com [Daniel, Online]

It is suspected that he died a virgin.

12.07.2006 12:16:52 dan@syzygyx.com [Daniel, Online]

A most curious discovery, on my way out of the bookstore.

12.07.2006 12:17:15 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Bookstores are evil places

12.07.2006 12:17:28 dan@syzygyx.com [Daniel, Online]

I went in for one particular book, and left with six.

12.07.2006 12:17:40 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

They harbour all sorts..

12.07.2006 12:18:51 dan@syzygyx.com [Daniel, Online]

"Leap of Faith"

I cannot trust myself *winks*

12.07.2006 12:26:45 dan@syzygyx.com [Daniel, Online]

12.07.2006 12:26:59 dan@syzygyx.com [Daniel, Online]

For while I am you and you are me, together we are us.

12.07.2006 12:27:09 dan@syzygyx.com [Daniel, Online]

12.07.2006 12:27:27 dan@syzygyx.com [Daniel, Online]

Its rather unfathomable.

12.07.2006 12:29:33 dan@syzygyx.com [Daniel, Online]

That the poetry would exist and we would not?

12.07.2006 12:29:45 dan@syzygyx.com [Daniel, Online]

then we realising there IS nothing outside of the play

12.07.2006 14:40:24 dan@syzygyx.com [Daniel, Online]

Shouldn't you consult with your beau?

12.07.2006 14:40:29 dan@syzygyx.com [Daniel, Online]

To coordinate?

12.07.2006 14:40:36 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

oh!!

12.07.2006 14:40:38 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

bored you say!?

12.07.2006 14:40:46 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

smiles brighter.

12.07.2006 14:40:49 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

are you bored?

12.07.2006 14:40:54 dan@syzygyx.com [Daniel, Online]

just annoyed.

12.07.2006 14:40:57 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

oh

12.07.2006 14:41:01 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

that simply wont do!

12.07.2006 14:41:20 dan@syzygyx.com [Daniel, Online]

It's really a stupid strategy, my dear.

12.07.2006 14:41:43 dan@syzygyx.com [Daniel, Online]

It's a better strategy for luring than repelling, I'm afraid.

12.07.2006 14:41:55 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

it is not stupid!

12.07.2006 14:42:01 dan@syzygyx.com [Daniel, Online]

It is utterly foolish.

12.07.2006 14:42:11 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

!!!

12.07.2006 14:42:22 dan@syzygyx.com [Daniel, Online]

As if...

12.07.2006 14:42:42 dan@syzygyx.com [Daniel, Online]

As if dressing up as a shepheardess is going to fool anyone into believing you are...

12.07.2006 14:43:02 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

!! I am an actress!

12.07.2006 14:43:14 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

When I weep that I have lost my sheep!! They shall believe me

12.07.2006 14:43:24 dan@syzygyx.com [Daniel, Online]

Of that I am certain.

12.07.2006 14:43:33 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

or I could turn up in a dressing gown like this and see if anyone notices!

<http://images.victoriantrading.com/store/catalogimages/2b/2b510.jpg>

12.07.2006 14:44:02 dan@syzygyx.com [Daniel, Online]

I went to a great club in Vegas..

12.07.2006 14:44:17 dan@syzygyx.com [Daniel, Online]

Up on the second level they had a stage of sorts.

12.07.2006 14:44:17 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I could even go as eve! Will save money i'll only need a leaf and some gaffa tape

12.07.2006 14:44:37 dan@syzygyx.com [Daniel, Online]

And there was a model in a dressing gown, brushing her hair in front of a mirror.

12.07.2006 14:44:42 dan@syzygyx.com [Daniel, Online]

All night.

12.07.2006 14:45:16 dan@syzygyx.com [Daniel, Online]

Was very sexy.

12.07.2006 14:45:29 dan@syzygyx.com [Daniel, Online]

Not as sexy as the bathing woman...

12.07.2006 14:45:34 dan@syzygyx.com [Daniel, Online]

But still sexy.

12.07.2006 14:45:35 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

oh!

12.07.2006 14:45:39 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I think that is wonderful!

12.07.2006 14:45:44 dan@syzygyx.com [Daniel, Online]

Yes, quite.

12.07.2006 14:45:45 dan@syzygyx.com [Daniel, Online]

Perdita?

12.07.2006 14:45:52 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

blinks

12.07.2006 14:46:02 dan@syzygyx.com [Daniel, Online]

Stop.

12.07.2006 14:46:06 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

...

12.07.2006 14:46:16 dan@syzygyx.com [Daniel, Online]

Seriously, it's ridiculous...

12.07.2006 14:47:57 dan@syzygyx.com [Daniel, Online]

Tell me what's on your mind.

12.07.2006 14:48:12 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

what!? Nothing.

12.07.2006 14:49:27 dan@syzygyx.com [Daniel, Online]

You want to be typical, do you? Ordinary?

12.07.2006 14:49:43 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

yes.

12.07.2006 14:49:52 dan@syzygyx.com [Daniel, Online]

Without such complications as love?

12.07.2006 14:50:15 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

complications indeed.

12.07.2006 14:50:38 dan@syzygyx.com [Daniel, Online]

What exactly do you think typical entails?

12.07.2006 14:51:04 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Oh that's easy!

12.07.2006 14:51:45 dan@syzygyx.com [Daniel, Online]

Do you think typical girls go on to become world famous egyptologists?

12.07.2006 14:51:55 dan@syzygyx.com [Daniel, Online]

Do they start out 38th in line to the throne?

12.07.2006 14:52:14 dan@syzygyx.com [Daniel, Online]

Is the entire universe designed for them, do you think?

12.07.2006 14:52:42 dan@syzygyx.com [Daniel, Online]

Do they live poetry?

12.07.2006 14:52:52 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

nice job as an egyptologist, typical husband you meet at uni, laywer maybe, pot roasts, wonderful parties, casual sex, beautiful christmases together, nice little house!

12.07.2006 14:52:55 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

that is typical

12.07.2006 14:53:10 dan@syzygyx.com [Daniel, Online]

that is what you want?

12.07.2006 14:53:34 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I wish people would stop asking me that, how do I know?

12.07.2006 14:53:43 dan@syzygyx.com [Daniel, Online]

you know by your choices.

12.07.2006 14:54:03 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I havn't made any yet

12.07.2006 14:54:03 dan@syzygyx.com [Daniel, Online]

if you spend your day making typical choices, then you will be typical

12.07.2006 14:54:27 dan@syzygyx.com [Daniel, Online]

if you spend your day making poetic choices, then you will be poetic

12.07.2006 14:55:20 dan@syzygyx.com [Daniel, Online]

"hanging on in quiet desperation is the English way"...

12.07.2006 14:55:22 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

if I make poetic choices it does not mean I will be poetic!

12.07.2006 14:55:32 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

what!?

12.07.2006 14:55:37 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

What did you say!?

12.07.2006 14:55:54 dan@syzygyx.com [Daniel, Online]

It a song.

12.07.2006 14:56:00 dan@syzygyx.com [Daniel, Online]

Perhaps you've heard it?

12.07.2006 14:56:04 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

no I have not

12.07.2006 14:56:31 dan@syzygyx.com [Daniel, Online]

It starts with alarm clocks chiming...

12.07.2006 14:56:51 dan@syzygyx.com [Daniel, Online]

Ticking away the moments that make up a dull day

12.07.2006 14:56:59 dan@syzygyx.com [Daniel, Online]

You fritter and waste the hours in an offhand way

12.07.2006 14:57:07 dan@syzygyx.com [Daniel, Online]

Kicking around on a piece of ground in your home town

12.07.2006 14:57:15 dan@syzygyx.com [Daniel, Online]

Waiting for someone or something to show you the way

12.07.2006 14:57:32 dan@syzygyx.com [Daniel, Online]

Tired of lying in the sunshine

Staying home to watch the rain

And you are young and life is long

And there is time to kill today

And then one day you find

Ten years have got behind you

No one told you when to run

You missed the starting gun

12.07.2006 14:57:41 dan@syzygyx.com [Daniel, Online]

And you run, and you run to catch up with the sun, but it's sinking

Racing around to come up behind you again

The sun is the same in a relative way, but you're older

Shorter of breath and one day closer to death

12.07.2006 14:57:49 dan@syzygyx.com [Daniel, Online]

Every year is getting shorter

Never seem to find the time

Plans that either come to nought

Or half a page of scribbled lines

Hanging on in quiet desperation is the English way

The time is gone

The song is over

Thought I'd something more to say

12.07.2006 14:57:55 dan@syzygyx.com [Daniel, Online]

Home, home again
 I like to be here when I can
 When I come home cold and tired
 It's good to warm my bones beside the fire
 Far away across the field
 The tolling of the iron bell
 Calls the faithful to their knees
 To hear the softly spoken magic spells

12.07.2006 14:58:03 dan@syzygyx.com [Daniel, Online]

It's more or less the coolest song ever.

12.07.2006 14:58:12 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

...

12.07.2006 14:58:19 dan@syzygyx.com [Daniel, Online]

You really don't know it?

12.07.2006 14:58:23 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

no..

12.07.2006 14:58:34 dan@syzygyx.com [Daniel, Online]

Pity.

12.07.2006 14:59:31 dan@syzygyx.com [Daniel, Online]

I emailed it to you.

12.07.2006 14:59:56 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

no you never did?

12.07.2006 15:00:01 dan@syzygyx.com [Daniel, Online]

Just now.

12.07.2006 15:00:04 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

oh

12.07.2006 15:00:22 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

hmm odd

12.07.2006 15:00:25 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

never showed up

12.07.2006 15:00:41 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I wonder if other emails of yours have gotten lost on the way

12.07.2006 15:00:41 dan@syzygyx.com [Daniel, Online]

Is delivering now.

12.07.2006 15:00:44 dan@syzygyx.com [Daniel, Online]

Is somewhat large.

12.07.2006 15:01:28 dan@syzygyx.com [Daniel, Online]

I'm not asking you to choose anything.

12.07.2006 15:01:42 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I never thought you were

12.07.2006 15:01:46 dan@syzygyx.com [Daniel, Online]

What you want is quite irrelevant.

12.07.2006 15:01:53 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

what?

12.07.2006 15:01:55 dan@syzygyx.com [Daniel, Online]

Should be delivered.

12.07.2006 15:02:13 dan@syzygyx.com [Daniel, Online]

You made your choice - what you want - a long time ago.

12.07.2006 15:02:14 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

It is relevant!!

12.07.2006 15:02:46 dan@syzygyx.com [Daniel, Online]

12.07.2006 15:03:07 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I don't know about paths, i'm in the fucking undergrowth right now

12.07.2006 15:03:10 dan@syzygyx.com [Daniel, Online]

If you leave now, you may go on to your typical life.

12.07.2006 15:03:41 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

yes?

12.07.2006 15:04:00 dan@syzygyx.com [Daniel, Online]

12.07.2006 15:33:59 dan@syzygyx.com [Daniel, Online]

Every day you have choices.

12.07.2006 15:34:21 dan@syzygyx.com [Daniel, Online]

In general, you choose not to.

12.07.2006 15:35:38 dan@syzygyx.com [Daniel, Online]

Not because you do not like me.

12.07.2006 15:35:47 dan@syzygyx.com [Daniel, Online]

Not because you don't want to.

12.07.2006 15:35:56 dan@syzygyx.com [Daniel, Online]

But because you are afraid.

12.07.2006 15:36:27 dan@syzygyx.com [Daniel, Online]

And being afraid is NOT something you are good at.

12.07.2006 15:38:10 dan@syzygyx.com [Daniel, Online]

Especially when you are afraid of that which draws you with a fundamental force of nature...

12.07.2006 15:38:28 dan@syzygyx.com [Daniel, Online]

I am in no position to extract it.

12.07.2006 16:57:21 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

smiles.

12.07.2006 16:57:49 dan@syzygyx.com [Daniel, Online]

No manipulation of digital information can bring forth such beauty.

12.07.2006 16:58:21 dan@syzygyx.com [Daniel, Online]

But do not suspect for a minute that I will fade away for lack of it.

12.07.2006 16:58:48 dan@syzygyx.com [Daniel, Online]

For I, as nature, abhor a vacuum.

12.07.2006 16:59:14 dan@syzygyx.com [Daniel, Online]

And now that I have had it,

12.07.2006 16:59:23 dan@syzygyx.com [Daniel, Online]

I cannot live without it.

12.07.2006 17:00:04 dan@syzygyx.com [Daniel, Online]

And you, in your silence, do you think that your love will fade?

12.07.2006 17:00:29 dan@syzygyx.com [Daniel, Online]

That perhaps if you don't speak of it, it will cease to exist?

12.07.2006 17:00:36 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

...

12.07.2006 17:01:03 dan@syzygyx.com [Daniel, Online]

Perhaps if you don't observe Our Poetry, Truth and Beauty itself will disappear?

12.07.2006 17:01:26 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

I'll find it...Somewhere

12.07.2006 17:01:49 dan@syzygyx.com [Daniel, Online]

And then?

12.07.2006 17:02:03 dan@syzygyx.com [Daniel, Online]

Then you will be strong enough to have it?

12.07.2006 17:03:51 dan@syzygyx.com [Daniel, Online]

I know the labyrinth of your heart.

12.07.2006 17:04:10 dan@syzygyx.com [Daniel, Online]

Do you imagine that another could?

12.07.2006 17:04:42 dan@syzygyx.com [Daniel, Online]

In time, perhaps its walls will decay and the solution made trivial...

12.07.2006 17:04:52 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

...

12.07.2006 17:04:53 dan@syzygyx.com [Daniel, Online]

but that's hardly the point of the labyrinth.

12.07.2006 17:05:44 dan@syzygyx.com [Daniel, Online]

And perhaps you will waste away with Freddy Hill.

12.07.2006 17:06:07 dan@syzygyx.com [Daniel, Online]

But you will always look forward to your death with fear.

12.07.2006 17:06:24 dan@syzygyx.com [Daniel, Online]

A nagging sensation that there was something you were supposed to remember.

12.07.2006 17:06:43 dan@syzygyx.com [Daniel, Online]

Something so critical - your very purpose in existing...

12.07.2006 17:06:58 dan@syzygyx.com [Daniel, Online]

And you fear not death itself, but what dreams may come.

12.07.2006 17:07:12 dan@syzygyx.com [Daniel, Online]

That you will find yourself on a boat on a river

12.07.2006 17:07:21 dan@syzygyx.com [Daniel, Online]

Tangerine trees and marmalade skies

12.07.2006 17:08:01 dan@syzygyx.com [Daniel, Online]

Somebody calls you.

12.07.2006 17:08:10 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

12.07.2006 17:08:34 dan@syzygyx.com [Daniel, Online]

You can hear the boats go by

12.07.2006 17:12:02 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

You can spend the night beside her

12.07.2006 17:12:08 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And you know that she's half crazy

12.07.2006 17:12:17 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

But that's why you want to be there

12.07.2006 17:12:22 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And she feeds you tea and oranges

12.07.2006 17:12:30 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

That come all the way from China

12.07.2006 17:12:41 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And just when you mean to tell her

12.07.2006 17:12:48 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

That you have no love to give her

12.07.2006 17:12:57 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Then she gets you on her wavelength

12.07.2006 17:13:03 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And she lets the river answer

12.07.2006 17:13:09 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

That you've always been her lover

12.07.2006 17:13:14 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And you want to travel with her

12.07.2006 17:13:21 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And you want to travel blind

12.07.2006 17:13:28 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

And you know that she will trust you

12.07.2006 17:13:36 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

For you've touched her perfect body with your mind.

12.07.2006 17:13:38 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Odd.

12.07.2006 17:15:24 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Leonard Cohen was a poet in his own ways..

12.07.2006 17:15:51 dan@syzygyx.com [Daniel, Online]

Indeed, am listening to Peter Gabriel sing it just now.

12.07.2006 17:16:17 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Smiles.

12.07.2006 17:16:44 dan@syzygyx.com [Daniel, Online]

I cannot unlove you.

12.07.2006 17:17:00 dan@syzygyx.com [Daniel, Online]

And perhaps I have done you a grave injustice.

12.07.2006 17:17:21 dan@syzygyx.com [Daniel, Online]

Perhaps you weren't ready, perhaps it's not what you wanted.

12.07.2006 17:17:36 dan@syzygyx.com [Daniel, Online]

Perhaps you really hate poetry.

12.07.2006 17:17:53 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

...

12.07.2006 17:17:56 dan@syzygyx.com [Daniel, Online]

Whatever the case, you are my responsibility.

12.07.2006 17:18:07 angelactress4u@hotmail.com [Perdy- Syd, we love you! RIP!, Online]

Do you think I hate it, really?

12.07.2006 17:18:28 dan@syzygyx.com [Daniel, Online]

And if I have wronged you leading you to this Truth, showing you this Beauty

12.07.2006 17:18:52 dan@syzygyx.com [Daniel, Online]

Then I will spend the rest of eternity undoing it.

12.07.2006 17:19:27 dan@syzygyx.com [Daniel, Online]

To answer you question,

12.07.2006 17:19:38 dan@syzygyx.com [Daniel, Online]

I think you are afraid of poetry.

12.07.2006 17:20:34 dan@syzygyx.com [Daniel, Online]

You love it so passionately, you don't understand how it can be so True.

12.07.2006 17:20:43 dan@syzygyx.com [Daniel, Online]

And we often hate that which we do not understand.

"The bond has burst. Full of yearning, strong, bold, divine, she flies like a bird which now for the first time may spread its wings their full breadth. Fly, bird, fly. Verily, if this royal flight were a withdrawal from me, it would cause me profound pain. It would be for me as if Pygmalion's beloved were again turned to stone. Light I have made her, light as a thought, and now tis, my own thought should not belong to me! That would plunge me into despair. A moment sooner it would not have mattered to me, a moment later it shall not worry me, but now - now - this now, which is an eternity for me! Fly, then, bird, fly, soar proudly on your wings, glide along through the soft realms of the air! Soon I shall be with you, soon I shall conceal myself with you in deep solitude!"

12.07.2006 17:40:28 dan@syzygyx.com [Daniel, Online]

For when we spoke on the phone so long ago you seemed very happy.

Are we dead?

12.07.2006 17:46:03 dan@syzygyx.com [Daniel, Online]
 I imagine that death can be somewhat disorienting like today was...

12.07.2006 17:46:19 dan@syzygyx.com [Daniel, Online]
 Me, wandering around, looking for my soul...

12.07.2006 17:46:31 dan@syzygyx.com [Daniel, Online]
 Trying to call... in vain?

12.07.2006 17:46:50 dan@syzygyx.com [Daniel, Online]

12.07.2006 17:51:13 dan@syzygyx.com [Daniel, Online]

12.07.2006 17:52:22 dan@syzygyx.com [Daniel, Online]

I want the leap of faith, and it seems, the awareness that you have leapt.

12.07.2006 18:04:19 dan@syzygyx.com [Daniel, Online]

It amuses me how just like you this is...

12.07.2006 18:04:52 dan@syzygyx.com [Daniel, Online]

Just when I see you leap, you introduce a little coda to the act...

12.07.2006 18:05:15 dan@syzygyx.com [Daniel, Online]

There is a water ride in Orlando, Florida at Universal Studios.

12.07.2006 18:05:19 dan@syzygyx.com [Daniel, Online]

It's "Atlantis"

12.07.2006 18:05:27 angelactress4u@hotmail.com [Perdy- Glowing dim as an ember, things my heart used to know, things it yerns to remember., Online]

coda?

12.07.2006 18:05:32 dan@syzygyx.com [Daniel, Online]

Involves greek gods and goddesses.

12.07.2006 18:05:36 dan@syzygyx.com [Daniel, Online]

And underwater.

12.07.2006 18:05:54 dan@syzygyx.com [Daniel, Online]

So at the end of the ride, after the final waterfall, you turn the corner...

12.07.2006 18:06:08 dan@syzygyx.com [Daniel, Online]

And the voice of Hera booms, "Going so soon? I don't think so?"

12.07.2006 18:06:19 dan@syzygyx.com [Daniel, Online]

And then there is another waterfall.

12.07.2006 18:06:23 dan@syzygyx.com [Daniel, Online]

It's quite clever.

12.07.2006 18:07:02 dan@syzygyx.com [Daniel, Online]

12.07.2006 18:07:42 angelactress4u@hotmail.com [Perdy- Glowing dim as an ember, things my heart used to know, things it yerns to remember., Online]

is it like loggers leap? Uh you wouldn't know what that is as it's an english thing, is it like a long waterfall?

"The First Insight occurs when we become conscious of the coincidences in our lives"

"these coincidences are happening more and more frequently and that when they do, they strike us as beyond what would be expected by pure chance. They feel destined, as though our lives had been guided by some unexpected force. The experience induces a feeling of mystery and excitement and, as a result, we feel more alive"

13.07.2006 09:37:42 dan@syzygyx.com [Daniel, Online]

"this is the experience that we've glimpsed and that we're now trying to manifest all the time. More people every day are convinced that this mysterious movement is real and that it means something, that something else is going on behind everyday life. This awareness is the First Insight."

13.07.2006 09:39:07 dan@syzygyx.com [Daniel, Online]

"The First Insight is a reconsideration of the inherent mystery that surrounds our individual lives on this planet. We are experiencing these mysterious coincidences, and even though we don't understand them yet, we know they are real. We are sensing again, as in childhood, that there is another side of life that we have yet to discover, some other process operating behind the scenes."

27.07.2006 09:41:10 angelactress4u@hotmail.com [Perdy- There's a piece that was torn from the morning, and it hangs in the gallery of frost., Online]

It was like they were trying to analyse your life, and yet they have not even met you

27.07.2006 09:41:30 dan@syzygyx.com [Daniel, Online]

And even when they have, I very much doubt they will understand.

27.07.2006 09:42:45 dan@syzygyx.com [Daniel, Online]

Had I realized it would take on such scrutiny, perhaps I would have worded my letter more carefully.
